Now included with every graphic

Protect your graphics from shipping wear and tear

Identify contents with luggage tag and graphic description sheet

Ask your representative for more details

## **TigerBrite Frame Unconditional Lifetime Warranty**

TigerBrite Frame hardware is now covered by an unconditional Lifetime Warranty.

Ask your representative for more details

# TigerBrite Pricing

TBR-40-JUL24

**We love our bright backlighting, but  
TigerBrite looks great without lighting too!**

That's why we designed TigerBrite to be easily upgraded. Start with a bold image and add backlighting when you are ready.

**Every TigerBrite frame comes equipped with the necessary hardware to be used as a backlit display, regardless of whether you buy lights from the start.**

That means no shipping back to us when you want to upgrade to backlit – we can ship the lights directly to you, and you're ready to go.
