

# ***Tiger*Brite Pricing**

## Setting You Up For Success

### All TigerBrite Displays Ship with the Deluxe Dimmer Kit

Outshine your competition without overwhelming your booth guests.

Ask your representative for more details

### Trade Show Toolkit Bags

A helpful tool to organize the many things that make your exhibit experience easier

Included with purchase of displays featuring shipping cases

Includes bag only.  
Ask your representative for more details

### Protect your Investment with TigerBrite Fabric Graphic Bags

Now included with every graphic

Every TigerBrite Graphic ships in a **protective cloth bag** with a printout to show what graphic is inside and a label on the handle for you to name your graphics for easier management

Ask your representative for more details

## TigerBrite Frame Unconditional Lifetime Warranty

No need to budget for wear and tear on the frame, TigerBrite Frame hardware is now covered by an unconditional Lifetime Warranty.

We've got you covered.

Ask your representative for more details

# TigerBrite Grows with You

**From your first display to your hundredth show, TigerBrite displays are completely modular and scalable so your exhibit grows with your business.**

- Start with affordable non-backlit displays as low as \$1,778.
- Add backlighting for increased impact.
- Expand your display from 3-feet to 5-feet, 8-feet, 10-feet or more.
- Use multiple graphics to feature different products for different target audiences.
- Reconfigure your display for different shows

**Add backlighting to increase impact and lead count by 50% or more**

91x91" Frame without Lights

Add backlighting for increased impact

**Go from one target market to another using the same frame hardware and different graphics**

64x91" Recruiting Display

91x91" Trade Show Display

**Expand your display as your business grows, using the components you already own**

64x91" from January 2020

117x91" from March 2024

# Volume Graphic Pricing

Take advantage of our volume pricing on TigerBrite graphics to tailor your messages for each of your shows and audiences.

Create unique graphics for each of your divisions' marketing needs.

**Buy one frame to use for trade shows, internal events and job fairs, designing custom graphics to target your different audiences: customers, employees and recruits.**

Split the investment of extra graphics across multiple departments' budgets.

Graphic Size		1 Graphic	2 Graphics	3 Graphics	4+ Graphics

#### Details:

Purchase order and payment in full required to claim discounted prices.

Artwork may be supplied at a later date.

Pricing not applicable on new lightbox orders

## **Rental Displays**

**TigerBrite rentals provide you with flexibility:**

- Fill the need for an exhibit you don't already own, without breaking the bank.
- Have two shows back-to-back across the country? Skip the overnight freight and use a rental instead.
- Only go to one or two shows per year? Reduce ownership costs like storage, maintenance, etc. by owning your graphics and renting hardware.
- Already a TigerBrite owner? Rent additional TigerBrite components to create a one-time, larger, more powerful presentation.

## **Rental Pricing**

TigerBrite rentals are typically around half the price of a purchase, depending on the design you come up with.

At the end of your rental, you own your graphics – meaning the next rental is even more affordable!

## **Try Before You Buy**

You can also use a rental as a low-risk trial.

If you like the display after your rental and want to buy it, we will apply the rental cost toward your purchase.
