ERRATA

In the article by **S. P. Zhdanov**, “Adsorption of water on quartz crushed in vacuum,” published in *DAN*, vol. 115, No. 5, 1957, in Fig. 1, on the ordinate axis, instead of the numbers 5, 10, there should be 10, 20.

In the article by **S. I. Alikhanyan** and **F. S. Klepikova**, “A study of the effect of X-rays on the variability of *Actinomyces subtropicus* (producer of albomycin),” published in *DAN*, vol. 115, No. 4, 1957, the following corrections must be made:

1. Interchange the drawings of Fig. 1 and Fig. 3.
2. The caption under Fig. 1 should read: Dependence of the frequency of morphological mutations and survival rate on the irradiation dose.
3. The caption under Fig. 3 should read: Variability in the accumulation of minus variants and in maximum activity as a function of the irradiation dose.

Note: Figure translations are in progress. See original paper for figures.
