In my article published in *DAN*, vol. 109, no. 4, 1956 (D. L. Berman, “On a New Method for Constructing Weierstrass Interpolation Formulas”), there is an inaccuracy at the beginning of the formulation of Theorem 5:

The sentence “1) Let the sequence (8), for any m , satisfy conditions (13)” should be replaced by the sentence: “1) Let the sequence (8), for any m , satisfy the first two inequalities of conditions (13).”

D. L. Berman

In the article by M. G. Kaganer, published in *DAN*, vol. 116, no. 2, 1957, the title of the article should read: “Method for Determining Specific Surface Area from Gas Adsorption in the Monomolecular Region.”

Note: Figure translations are in progress. See original paper for figures.
