ERRATA

In the article by I. A. Kakovskii and N. G. Tyurin, “Catalytic Action of Copper Ions in the Dissolution of Metals with Oxygen Depolarization,” published in DAN, vol. 130, no. 4, 1960, on p. 813, in the caption to Fig. 1, instead of the printed: $3 -\text{Cu}^{++} 0.11 \text{ g-ion/l}$, it should read: $3 -\text{Cu}^{++} 0.01 \text{ g-ion/l}$.

On p. 814, in Fig. 3, beneath the abscissa axis, instead of “ NH_3 concentration” it should read “Copper concentration, 10^{-2} g-ion/l .”

In the article by I. A. Kakovskii and A. N. Grebnev, “On a Certain Feature Observed in the Process of Mineral Depression,” published in DAN, vol. 131, no. 2, 1960, on p. 372, in the caption to Fig. 2, instead of the printed: a -0.1 mol/t , b -0.5 mol/t , it should read: a -0.5 mol/t , b -0.1 mol/t .

Note: Figure translations are in progress. See original paper for figures.
