Abstract

Full Text

ERRATA

In the article by B. Ya. Pines and A. F. Sirenko, “Dependence of longevity under load on the applied stress for metal-ceramic iron specimens in the alpha and gamma phases,” published in *DAN*, vol. 129, no. 2, 1959, p. 312,

	Printed	Should read
Line 16 from bottom	U_0^α	U_0^γ
Line 10 from bottom	Remarkably, the values obtained are 70 kcal/g-mol >> 52 kcal/g-mol	Remarkably, the value $U_0^\gamma = 70$ kcal/g-mol >> $U_0^\alpha = 52$ kcal/g-mol

In the article by L. E. Anokhina, “On the relation between fertility and fat content of the Caspian shad (*Clupea harengus membras* L.),” published in *DAN*, vol. 129, no. 6, 1959, p. 1419, line 16 from bottom, instead of the printed: “the correlation coefficient is equal to -0.70 ,” it should read: “the correlation coefficient is equal to 0.70 .”

Note: Figure translations are in progress. See original paper for figures.
