**Abstract**

**Full Text**

**Correction**

In the article by A. F. Andreeva, “Strengthening of the uniqueness theorem for an  $O$ -curve in  $N_2$ ,” published in DAN, vol. 146, no. 1, 1962, the following corrections must be made.

On p. 9, line 8 from the bottom, where it says  $r \in [0, r_0]$ , it should read  $(0, r_0]$ .

On p. 10, line 16, the formula should read

$$U(r, u_1(r) + v) - U(r, u_1(r)) \leq \frac{\sigma}{k} \left( \frac{\Lambda(r)\omega(r)}{a(r)\omega'(r)} - 1 \right) v.$$
