M. A. Poskonova. The effect produced by ATP_h on the response of the heart of the frog to the action of n. Vagus . . . 941

CORRECTION

In my article (P. A. Biluta, “Some extremal problems in the class of mappings quasiconformal in the mean”), published in *Doklady Akademii Nauk*, vol. 155, no. 3, 1963, the following corrections must be made.

On p. 503, line 10 from the bottom, instead of

$$dF = -\frac{2\tau^2}{\pi}|A||h|\cos(\varphi - \theta_A)$$

there should be

$$dF = -\frac{2\tau^2}{\pi}|A||h|\cos 2(\varphi - \theta_A).$$

On p. 504, line 10 from the bottom, instead of $\psi'(x) \geq 1/\ln \frac{1}{\rho}$ there should be $\psi'(x) \geq \ln \rho/(r-1)$.

P. A. Biluta
