CORRECTION

In the article by V. V. Laricheva, “On the averaging of one class of systems of nonlinear differential equations” (journal *Differential Equations*, vol. II, No. 3,

1966), on page 349, in line 6 from the bottom, $Lf(L/\varepsilon)$ was printed; it should be $\sup_{\tau} \tau f(\tau/\varepsilon)$.

Note: Figure translations are in progress. See original paper for figures.
