ERRATUM

In my article (A. P. Dzhabrailov, "On direct and inverse embedding theorems for weighted spaces"), published in *Doklady Akademii Nauk*, vol. 164, no. 1, 1965, the following corrections must be made.

In the construction of the functional spaces the number $s \leq n$ appears; one must take only $s = n$; consequently, in Theorems 1-7 it should be $n_i = 1$ ($i = 1, \dots, s = n$). On p. 24, lines 6 and 4 from the bottom, B is printed; it should be W .
