ERRATUM

In the article by G. P. Kurbatkin, "Certain features of the behavior of ultralong waves in the atmosphere," published in *DAN*, vol. 177, no. 4, 1967, on p. 824, line 4, instead of the printed ^(1,2) one should read "(see reviews in ^(1,2))."

In the article by A. I. Belyaev and A. I. Yukovoi, “Influence of the third component on the behavior of impurities in zone melting of aluminum,” published in *DAN*, vol. 175, no. 6, 1967, the formula on p. 1259, line 22, should read $\text{Me}_1\text{—Al} + \text{Me}_2\text{—Al}$.

In the article by E. I. Gladyshevskii, P. I. Kripyakevich, and R. V. Skolozdra, “The crystal structure of the compound Mo_3CoSi ,” published in *DAN*, vol. 175, no. 5, 1967, in Table 1, in the 2nd column, first line, instead of the printed Co one should read Mo.

On p. 1049, line 15 from the bottom, one should read: “we carried out by the method of two-dimensional Fourier series...” .
