CORRECTIONS

In the article by **M. M. Vainberg**, “On the unconditional extremum of functionals and on the convergence of minimizing sequences,” published in *Doklady AN*, vol. 183, no. 6, 1968, the following correction must be made: on p. 1245, line 22, where it is printed

$$D^2 f(x; h, h) \leq \gamma(\|x\|)\|h\|^2,$$

it should read

$$D^2 f(x; h, h) \geq \gamma(\|x\|)\|h\|^2.$$

In my article (**V. E. Voskresenskii**, “On the birational equivalence of linear algebraic groups”), published in *Doklady AN*, vol. 188, no. 5, 1969, on p. 979, line 4 from the top, instead of $H^1(k, G)$ one should read $H^1(k, \hat{G})$; on p. 980, line 4 from the bottom, instead of $\prod_p H^1(k_p, \pi)$ one should read $\prod_{p \in S} H^1(k_p, \pi)$, $[S] < \infty$.
