## ERRATA

In the article by **M. M. Vainberg**, “On the unconditional extremum of functionals and the convergence of minimizing sequences,” published in *DAN*, vol. 183, no. 6, 1968, the following correction must be made: on p. 1245, line 22, where

$$D^2 f(x; h, h) \leq \gamma(\|x\|)\|h\|^2$$

is printed, it should read

$$D^2 f(x; h, h) \geq \gamma(\|x\|)\|h\|^2.$$

In my article (**V. E. Voskresenskii**, “On the birational equivalence of linear algebraic groups” ), published in *DAN*, vol. 188, no. 5, 1969, on p. 979, line 4 from the top, instead of  $H^1(k, G)$  one should read  $H^1(k, \hat{G})$ ; on p. 980, line 4 from the bottom, instead of

$$\prod_p H^1(k_p, \pi)$$

one should read

$$\prod_{p \in S} H^1(k_p, \pi), \quad [S] < \infty.$$
