Announcements for May 5, 2024

Salt and Light Leadership Conference

Gateway has decided to extend the registration deadline until May 10th, for the upcoming leadership conference. They have also made the decision to cut the registration fee in half to only \$55.00. In order to do that, they will not be providing lunch on Saturday. ***We are not to register online. If you are interested in attending, please notify Brad. Anyone is welcome to attend, leader or not!***

Church Cleaning Day

On May 25th, we will be having our annual church cleaning day. The men have even decided to forego their usual coffee ministry to lend us their muscles! We will be doing everything from washing windows, cleaning carpets, and purging unnecessary items. We will be ordering pizza for everyone and welcome the whole family! It was such a blessing to see our little ones contributing by planting flowers. It was more fun than it was work and really helped us to get to know one another!

Church Directory/ Email Bulletin/ Etc...

We are growing and the need for an updated directory is near the top of my list to tackle. We will be going to all *digital* requests for email bulletins, directory requests, permissions, etc., and because of this it may take a bit of time while we reformat our website. I will let you know once it's up and, in the meantime, I ask for your continued patience. It may take a while yet. If you would like to be on the Trinity email list, please contact the office at trinitybaptistwinnipeg@gmail.com.
