## 1 INT. CHRIS PARKER'S BEDROOM - DAY 1

It's a suburban girl's room replete with the sentimental debris of youth as well as an industrial strength tape player putting out, at full volume, the Crystal's classic, "Then He Kissed Me".

CHRIS PARKER, 17, brings her head up fast into the frame. She studies herself in her vanity mirror. Her wavy blond hair arcs back and settles on her shoulders. She's wearing a bathrobe. Chris looks stunning, especially when she smiles. Like right now singing along with the tape deck.

She tosses her brush to the vanity and hurries to the closet pulling out a beautiful dress and holding it up in front of her.

The bathrobe sails through the air, quick flashes of the dress going on, being zipped up the back.

Spinning, Chris snares a picture of MIKE TODDWELL, 21, from the corner of the mirror. Mike, a handsome guy, smiles a killer smile. Chris sings and dances then drops down to find a pair of shoes in the closet.

Shoes on, she falls back on the bed.

## 2 EXT. THE PARKER HOUSE - DAY 2

It's a two story suburban home in a nice suburb of Chicago. A station wagon is parked in the driveway. The peace is broken by the sound of a POWERFUL MOTOR and suddenly a red Pontiac Firebird is RACING down the street and pulling into the Parker driveway.

The Firebird's license plate reads: SO COOL.

## 2A INT. CHRIS' BEDROOM - DAY 2A\*

Chris sings. This girl is happy. The doorbell RINGS. Chris flies off the bed, turns off the tape player, and checks herself in the mirror.

CHRIS

This is going to be the  
greatest night of my life.

## 3 INT. THE PARKER FOYER - DAY 3

Chris runs down the steps and hurries to the door. She opens it quickly. There's Mike. In his jeans and a sweatshirt.

CHRIS

(shocked)

Hi.

3 CONTINUED:

MIKE

Hi, Chris.

CHRIS

(looking at his  
jeans)

I'm really over dressed.

MIKE

No... No... It's just... I  
have to cancel.

CHRIS

(shocked)

But it's our Anniversary.

MIKE

I know... I'm really sorry...  
My little sister got sick and  
my folks are going out  
tonight.

CHRIS

You have to stay home?

MIKE

She's got the flu or  
something. It's pretty bad.  
I was gonna call you--  
(holding up a  
small drugstore  
bag)  
--but I had to get this for  
her... so I thought I'd drop  
by.

CHRIS

I can come over there, help  
out--

(a smile)

--we could make chicken soup  
or something.

MIKE

No, you don't wanna be there.  
It's contagious. And my Mom  
doesn't want anybody in the  
house.

CHRIS

(disappointed)

Tell your sister I hope she  
feels better.

MIKE

(charming)

Sure. We'll do the French  
restaurant thing next week.

CHRIS

Oh... Okay... When?

MIKE

Not sure. Friday or Saturday.  
Look, I gotta go... mys  
siter's waiting.

(a pause)

You're not upset about tonight  
are you?

CHRIS

(a smile)

No... Well, yeah. But I  
understand.

MIKE

(killer smile)

Girls like you come along once  
in a lifetime.

She moves to kiss him. He waves her away.

MIKE

Contagious.

She nods. Mike backs out the door and walks off down the  
drive.

Chris stands there, beautiful and stunned.

3A INT. CHRIS' BEDROOM - DAY

BRENDA PIDGJOCKI, 17, a little overweight and wearing thick  
glasses paces Chris' room. She's Chris' best friend and  
almost as upset as Chris is.

BRENDA

Contagious?!

CHRIS

That's what he said.

Chris sits on her bed in the debris of her dately preparations:  
new clothes' boxes, discarded outfits, curlers, and make-  
up.

BRENDA

He's lying.

CHRIS

Brenda! Mike wouldn't lie on  
an anniversary.

(CONTINUED)

BRENDA  
Anniversary of what, Pearl  
Harbor?

CHRIS  
Since we've been going out.  
Three months and four days--

BRENDA  
(sarcastic)  
--two hours, and three  
minutes. God, why are you  
making such a big deal about  
him?

CHRIS  
'Cause he's the best thing  
that's ever happened to me.

BRENDA  
He's the only thing that's  
ever happened to you. That's  
why we have to get out of Oak  
Brook and go to college.

CHRIS  
You sound just like my Mom.

A phone RINGS somewhere in the house. \*

BRENDA  
Probably my step-mom checking  
up on me. She's driving me  
nuts. One of these days I'm  
gonna spike her Tab with  
Drano.

CHRIS  
I thought she was getting  
nicer.

BRENDA  
Only when Dad's around.

Chris' bedroom door opens. MRS. PARKER, Chris Mom, steps  
in.

MRS. PARKER  
Hi, Brenda.

BRENDA  
Hi.

MRS. PARKER

Chris, Mrs. Anderson is on the phone. She wants to know if you can babysit for her tonight.

CHRIS

No, tell her I can't.

MRS. PARKER

Why not?

CHRIS

Because I want to say home and be depressed.

BRENDA

Sit for Andersons', that'll depress anyone.

MRS. PARKER

Why don't you go. You could use the money. Take your mind off things. Work on those college applications.

CHRIS

(irritated look on "applications")  
What if Mike calls?

MRS. PARKER

I'll tell him you're at the Andersons'.

CHRIS

I'm too old to babysit.

3B EXT. A SUBURBAN STREET - DAY

3B\*

Nice homes, warm in the winter chill. Suddenly the Parker Station Wagon WHIPS PAST THE CAMERA and the OPENING MUSIC KICKS IN.

The title appears, wiped on by the passing station wagon.

ADVENTURES IN BABYSITTING

OPENING CREDITS BEGIN.

3C INT. THE STATION WAGON - TRAVELLING - DAY

3C\*

Chris drives, dressed in jeans, a sweater and a warm coat. Piled on the seat beside her is her purse and a stack of magazines: Cosmo, Glamour, and Seventeen.

4 INT. THE ANDERSON HOUSE - DAY

CLOSE ON a pot of boiling macaroni threatening to overflow onto the stove. A small TV set on the counter puts out an old horror movie, Gorgo.

PULLING BACK reveals the upscale suburban kitchen and

(CONTINUED)

CONTINUED:

BRAD ANDERSON, 14, glued to the set completely oblivious to the macaroni boiling over in the pot behind him. Until it spills into the burner with a HISS. Brad turns and frantically blows across the foaming pot, flapping his hands wildly over it. He lifts the pot from the stove.

SARAH ANDERSON, 9, blasts through the kitchen door from the garage, and SKATES into the kitchen.

Sarah wears a grey, plastic WINGED HELMET on her head. Her long strawberry blonde hair flies above a RED VINYL CAPE flapping behind her. Over her black sweatshirt she wears a METAL-GREY PLASTIC BREASTPLATE. A large plastic sledgehammer is jammed into the belt loop on her jeans. Slung over one shoulder is a full Gremlins backpack.

She cranks the TV dial to a "Thor" cartoon.

BRAD

Change it back!

Sarah ignores him and pulls a large sketch pad and a box of paints from her backpack. Both have a large address label on them with an "If Lost Please Return To:" message and Sarah's address.

Brad's a lanky kid rushing out of pre-adolescence and into puberty like a stallion escaping a burning barn. Sarah's barn is vacant; her interests lie far from equestrian pursuits most girls her age seem content with. Sarah's got a thing for heroes.

SARAH

Guess what, Brad.

Brad glances at the skates on her feet. Address labels on the heels.

BRAD

(moving the pot  
to the counter)

Mom's gonna kill you if she catches you wearing skates in the house.

SARAH

Mom's gotta catch me first. Guess what? \*

The spaghetti strainer sits on the counter. Brad, trembling with the weight of the pot of macaroni, prepares to dump the stuff into the strainer.

BRAD

I don't care, wing-head. Change the TV back!

SARAH

You left the strainer on the counter.

Said just as he dumps the heap into the strainer. Hot water hits the counter.

BRAD

AW, MAN!

Sarah ducks, shielding her sketch pad. Brad drops the pot, jumps back, the strainer tips over and noodles slide across the counter. Brad turns to burn a hard look into Sarah. She's skating out of the kitchen and into the family room looking over her shoulder at him.

SARAH

(sly)

But that's not the news. Mom got Chris to babysit for me.

\*

Brad stiffens, hesitates, almost smiles, and tears out of the kitchen. Sarah grins.

5 THE FAMILY ROOM

5

Brad runs through here and vaults up the stairs. Sarah follows him, laughing a little, stopping at the stairs to unlace her skates.

6 INT. BRAD'S ROOM - DAY

6

Brad rushes in, stumbles through his dirty clothes piled on the floor, and dives across his bureau dresser to look into the mirror.

His suspicions are confirmed. He has a zit on his chin.

BRAD

Oh, God.

He freaks. He opens his dresser drawers, frantically looking for something.

7 EXT. THE ANDERSON HOUSE - DAY

7

\*

A very expensive, elegant, suburban home. Chris's station wagon pulls into the driveway. Chris gets out. She carries her saddlebag purse and the magazines.

(CONTINUED)

7 CONTINUED:

7

Chris walks to the front door and knocks. MRS. ANDERSON, a woman in her early forties, answers the door. She's zipping up the back of her black evening gown. She smiles seeing Chris.

MRS. ANDERSON

Hi, Chris. Sorry for the short notice. Thanks a million for this.

CHRIS

(half-hearted)

No problem. Glad I could help out.

Mrs. Anderson smiles. Chris enters the house.

8 INT. THE ANDERSON HOUSE - DAY

8

Chris enters with Mrs. Anderson.

MRS. ANDERSON

(closing the door)

Wait right here. I've got a list for you.

Chris nods wishing she were somewhere else. Mrs. Anderson exits hustling up the stairs.

9 INT. SARAH'S ROOM - DAY

9

The perfect child's room. Filled with stuffed animals and toys.

Sarah, still wearing her winged helmet and cape, is sprawled on the floor. She is painting a picture of her favorite cartoon hero: THOR, GOD OF THUNDER.

We see that the walls are covered with many of Sarah's drawings, all pictures of Thor, who not unlike Sarah, is adorned in a Viking helmet and cape. Thor is a muscular fellow who carries an enormous steel HAMMER as a weapon similar to Sarah's giant plastic hammer.

Tubes of Sarah's paints are spread on the floor in front of her. A wrinkled tube of CLEARISIL sits among them.

Brad BURSTS through the door.

BRAD

Sarah, did you take my Clearisil again?!

SARAH

(nods, holds the wrinkled tube)

I ran out of brown.

(CONTINUED)

BRAD

(taking the tube,  
finding it empty)

Great. How'm I s'posed to cover  
up my zits?

SARAH

(offering Brad another  
tube)

Want some orange?

BRAD

I can't use paint!

SARAH

(holds up Thor  
painting)

Whattayou think? I figure it's  
my best one yet.

BRAD

You wasted my Clearasil on  
another picture of Thor?

SARAH

Thor's my hero.

BRAD

Thor's a homo.

SARAH

He is not!

Brad storms out of the room, Sarah follows.

SARAH

Take it back, Brad!

10 INT. THE STAIRCASE - DAY

10

The staircase leads to the front hallway, where Chris  
stands. Brad moves toward the staircase walking back-  
wards, goading Sarah. Sarah follows, angry.

SARAH

Take back what you said about  
Thor!

Brad backs down the steps. He doesn't see Chris in the  
hallway. Sarah follows... and sees Chris down below  
watching them somberly.

(CONTINUED)

SARAH

If you don't take it back I'll  
tell Chris about all those love  
poems you write about her.

BRAD

You better keep your mouth shut.

SARAH

Chris'd love to hear how you draw  
her name in hearts all over the  
walls at school...

BRAD

(wising up)  
Okay. Okay. I take it back.  
Thor's not a homo.

SARAH

Thank you.  
(sly smile, looks  
to Chris below)  
Hi, Chris.

Brad turns, and sees Chris who has overheard the entire  
exchange. Brad almost faints and drops the skate. It  
clunks to the floor to land at Chris's feet.

With a giggle, Sarah dashes past Brad, downstairs, into  
the family room and off into the kitchen.

Brad is left alone with Chris, who raises an eyebrow at  
him.

CHRIS

So it's you.

BRAD

(fumbling, nervous)  
Me? Who me? What?

Chris eyes him.

CHRIS

Nevermind.

Chris starts to unbutton her coat. Brad rushes down to  
help her, a bumbling gentleman, is captivated by her  
beauty.

BRAD

Man, you look great. I mean...  
really... your hair... your eyes.

(CONTINUED)

CHRIS

What about them?

BRAD

(floundering)

They're so... so... well placed.

CHRIS

Brad. Relax.

Brad nods, swallows, and reaches for the coat.

BRAD

Lemme give you a hand. \*

(snaring the coat)

Terrific coat. That's not from  
Sears, no way, uh-uh, too cool.

CHRIS

It was my Grampa's. \*

BRAD

He has great taste. \*

CHRIS

He's dead. \*

BRAD

I'm sorry.

Chris snatches her coat out of his sweaty grip. \*

Suddenly Mrs. and MR. ANDERSON are hustling down the stairs carrying overcoats. Mr. Anderson wears a black tux and looks dashing. Mrs. Anderson has her list.

MR. ANDERSON

Hi, Chris.

CHRIS

Hi, Mr. Anderson.

MRS. ANDERSON

Come in to the kitchen.

The Andersons hurry into the kitchen, Chris and Brad following.

Sarah's piled Fruit Loops cereal into a giant bowl and eats while watching cartoons. The macaroni mess is everywhere. \*

11 CONTINUED:

11

Mrs. Anderson rounds the corner with Mr. Anderson. Both of them stop stunned seeing the mess.

SARAH  
(eyes on the TV)  
Brad did it.

Brad and Chris step in behind the Andersons.

MRS. ANDERSON  
Brad, clean this up!

BRAD  
(sheepish)  
I will.

Mrs. Anderson hands her list to Chris.

MRS. ANDERSON  
Here's the list... If you need to reach us we're at the reception at the Associates Building... Number's by the phone.

Chris NODS.

MRS. ANDERSON  
And make sure Sarah doesn't wear her skates in the house.

MR. ANDERSON  
Sarah, Chris is in charge now, okay?

SARAH  
Sure. Can we go to Haagen-Dazs?

MRS. ANDERSON  
Sure. Just don't go after eight o'clock.

(back to Chris)  
Brad's spending the night at a friend's so you don't have to worry about him.

Chris tosses a thankful glance in his direction. Brad nods a puny nod reaching for a Snickers CANDY BAR on the counter.

MR. ANDERSON  
We really gotta go, hon.

MRS. ANDERSON  
 (back to Chris)  
 Okay, now Sarah's just over the flu.

SARAH  
 It's been almost two weeks.

MRS. ANDERSON  
 (pointing to list)  
 Give her aspirin. In an hour  
 and once before bed.

CHRIS  
 (pockets the  
 aspirin bottle)  
 'Kay.

Brad starst to unwrap the Snickers.

MRS. ANDERSON  
 Brad, no chocolate. Your acne.

BRAD  
 (dropping the candy,  
 embarrassed)  
 Mom, geez.

SARAH  
 Can I stay up till midnight?

MRS. ANDERSON  
 Nine o'clock.

SARAH  
 Eleven.

MRS. ANDERSON  
 Ten.

SARAH  
 Ten-thirty.

MR. ANDERSON  
 Sold to the Viking. We gotta go.

MRS. ANDERSON  
 No later. That's it. And no TV  
 after ten.

SARAH  
 'Creeping Terror' is on tonight.  
 Dad said I could watch it.

MRS. ANDERSON  
 You can watch it.

MR. ANDERSON

Let's go, honey. \*

Mr. Anderson hustles Mrs. Anderson into the garage and they get into their Cadillac Seville. Brad, Chris and Sarah stand in the doorway.

MR. ANDERSON

You guys behave now.

BRAD

We will.

MRS. ANDERSON

We should be home by one.

(to Chris)

Take good care of my baby. \*

CHRIS

I'll guard her with my life. \*

Mrs. Anderson SMILES and waves goodbye as the car backs down the driveway. Brad, Chris and Sarah wave. Brad hits the button closing the garage door.

OPENING CREDITS END \*

Chris is all business.

CHRIS

Clean this up, Brad.

BRAD

Yep, okay.

There's a frantic coded KNOCK on the back door. Brad and Chris look at each other. Sarah eats her cereal in front of the TV.

BRAD

I'll get it.

Brad hurries from the kitchen to the back hall.

12

INT. THE BACK HALL - DAY

12

Brad opens the door to DARYL COOPERSMITH, 14.

He's the palest redhead on earth. His short cropped hair is BRIGHT ORANGE. He wears an oversized digital wrist-watch. He struggles to get inside, Brad practically rhumbas with him trying to keep him out.

BRAD

No. \*

DARYL

Yes, she is. I saw her go in. \*

That's why I'm sleeping here  
tonight.

BRAD

Forget it! \*

DARYL

Did you get her clothes off yet?

BRAD

Don't be crude. Get back.

DARYL

Listen to you. You fall in love  
and suddenly you're a classy guy.

BRAD

(furtive whisper)

I have not fallen --

DARYL

What's she wearing?

BRAD

Clothes, now get out.

DARYL

Wait! You gotta sees this month's  
Playboy. There's a girl in there  
who looks just like her!

Brad shoves Daryl back and SLAMS the back door locking  
it.

Stray dog.

CHRIS  
What?

SARAH  
Are you going to college?

CHRIS  
(to Sarah)  
Huh?...  
(under her breath)  
Thanks, Mom.

BRAD  
(sees applications,  
suddenly panicked)  
You're going to college?!...

CHRIS  
No.

BRAD  
(mutters to himself)  
Thank God.

SARAH

Calm down.

Will you accept a collect call

CHRIS  
What?... Yeah. Sure.

14 INT. GREYHOUND BUS TERMINAL - DAY

14

CLOSE ON Brenda. Scared. She's in tears, standing in a phone booth. She grips the phone like it's a safety line. TRAVELERS surge around her.

BRENDA  
(sniffling)

Chris?

Brenda looks down. At her feet, are a pair of bedroom slippers, a bottle of Aqua Velva, a toothbrush and a can of Arid deodorant.

15 INT. ANDERSONS' FAMILY ROOM - DAY

15

Chris is on the phone. Brad sees Daryl peeking through one of the family room windows. Brad shoots forward and closes the blinds. Sarah rummages through Chris's purse, examining her makeup case.

CHRIS  
(listening hard)

Brenda?

INTERCUT THE PHONE CALL.

BRENDA  
Chris?

CHRIS  
What's wrong?

BRENDA  
Chris, I'm in trouble.

CHRIS  
You're always in trouble.

BRENDA  
(sobbing)  
No. I'm really in trouble. I did it.

CHRIS

BRENDA

No, I ran away from home.

CHRIS

You what?! Where are you?!

BRENDA

The bus station. Downtown.

CHRIS

Brenda, don't go anywhere.

An OLD MAN in ratty, tattered clothes, PECKS at the phone-booth glass with nicotine-stained nails.

BRENDA

I can't. I don't have any money.  
I spent it all on the cab here.

\*

Suddenly, Daryl's head POPS UP in another window. Brad again closes the blinds. Sarah continues to investigate Chris's purse. She unscrews Chris's lipstick. Chris snatches the lipstick away from Sarah.

BRENDA

Chris. I need help.

CHRIS

Yeah... you do.

\*

The Old Man raps harder on the glass.

BRENDA

If I take a cab to the Andersons'  
can you pay for it?

CHRIS

That's gonna be like over fifty  
dollars! I don't have fifty  
dollars!

\*

BRENDA

Can you pick me up?

CHRIS

Brenda! I'm babysitting!

BRENDA

I can't call anybody else. My Dad doesn't know. He'd kill me if he found out.

OLD MAN

(banging the glass)

Get outta my house!

BRENDA

I'm begging you. It's really scary here. I've seen three people shoot up, a bald Chinese lady with no pants, and there's an old guy outside who wants his bedroom slippers!

OLD MAN

You're in my house!

Brenda opens the phone-booth door and KICKS OUT the old guy's stuff.

BRENDA

You just moved.

She SLAMS the door. The Old Man wanders, picking up his stuff.

BRENDA

Chris, please, hurry up and get here. \*

CHRIS

(wavering)

Look, Brenda, I've got my Mom's car. I can't drive it into the city. \*

Brenda sees a SCARY-LOOKING GUY with a gun jammed in his pants.

BRENDA

(trembling)

There's a man with a gun! Get me the hell outta here!

CHRIS

(completely wavered)

Hang up and sit down! Do not move! I'll be there in half an hour!

BRENDA

Hurry! I think he's gonna kill somebody! Maybe me!

Brenda HANGS UP.

Chris WHAMS down the phone.

CHRIS

I don't believe this. I do not.

BRAD

Who's Mike? He your boyfriend?

CHRIS

Yes. Listen, guys. I gotta go downtown. Brad, can you watch Sarah? \*

SARAH

No way. What if the house explodes?

CHRIS

The house is not going to explode.

SARAH

You leave Brad here and it will.

CHRIS

I'll be gone an hour, there and back, that's it --

BRAD

You guys go steady or what? \*

CHRIS

What? \*

BRAD

Do you?

CHRIS

Yes. Are you two listening to me?

SARAH

My Mom's paying you good money to watch me.

SARAH

They'll shit if they find out  
you left me with him.

CHRIS

Watch your mouth. Who's gonna

Brad and Sarah look at each other, then back to Chris.  
They shrug. Chris sighs. She has no choice.

CHRIS

Anybody have to go to the

BRAD AND SARAH

Nope.

above her Thor cape. Her winged helmet is on her head,  
her mighty plastic hammer is attached to her belt.  
Chris, wearing her jacket, hurries out of the house

CHRIS

JESUS!

Brad covers his face with his hands.

DARYL

Where you going?

SARAH

Downtown.

CHRIS

Sarah.

DARYL

Zippy. Can I go?

BRAD

No, Daryl. Go home.

CHRIS

Who is this kid?

SARAH

Stray dog.

DARYL

Daryl Coopersmith. You're Chris Parker, right?

Daryl, go home.

So great that I'm gonna get my  
Mom --

BRAD

Stop him.

DARYL

you --

BRAD

Chris, stop him.

DARYL

-- and maybe you can babysit for

BRAD

Chris!

DARYL

New York, just for kicks.

(she has no choice)

Daryl!

DARYL

Sorry. Can't talk. Gotta run.

CHRIS

Get in the car.

DARYL

Alright!

Daryl climbs in the back seat. Brad glares at him. Sarah stares at him, awestruck having witnessed a master's work.

DARYL  
(winking at Sarah)

Cool threads, Sarah.

CHRIS

(a mandate)

You guys give me any grief over  
the next sixty minutes and I'll  
end your lives. End 'em. Finito.  
Big Finish. We all clear?

Lots of nods. Chris starts the car and drops it into gear.

CHRIS

I'm too old for this crap.

The station wagon cruises smoothly along in the middle  
lane. The headlights switch on. Traffic flows quickly  
past.

Chris is in a surly mood. The Soul Survivor's song echoes from the radio. Sarah sits staring at Chris caught up in the story she's been coerced into telling. Brad and Daryl aren't paying attention.

CHRIS

... So the babysitter goes upstairs and the sound keeps getting louder. 'Scrape... scrape ... scrape.' The babysitter stops at the kids' room...

In the back seat, Daryl nudges Brad. Chris and Sarah do not see what he's up to. Daryl, grinning like an idiot, pulls the latest issue of Playboy out of the back of his pants.

Brad reacts with a violent "Put that away!" look.

CHRIS

... Slowly, she pushes the door... it creaks open... \*

Daryl flips open the Playboy to the centerfold. The girl does bear an amazing resemblance to Chris. Brad is shocked.

CHRIS

And the kids are safely in their beds. \*

DARYL

(under his breath)  
I'd like to be safe in her bed. \*

Chris notes the boys.

CHRIS

What are you guys doing back there?

Quick as a guilty flash, Brad grabs the Playboy magazine and pitches it out the open back window.

BRAD

Nothing.

Chris nods, pegging the boys with rearview mirror stare.

Daryl hisses at Brad.

DARYL

That was my Dad's, stupid.

BRAD

Shouldn't have brought it, stupid.

(CONTINUED)

CHRIS

You guys want me to finish this  
or not?

SARAH

Yeah!

Brad and Daryl listen in.

CHRIS

But when the babysitter looks  
more closely at the kids... she  
sees that... they don't have any  
faces!

SARAH

Oh, my God.

CHRIS

It's just a pool of mushy goo.

SARAH

Like Spaghetti-O's?

CHRIS

Spagetti-O's with meat. The  
babysitter screams and turns to  
run... But there's this big giant  
hairy guy standing in front of her  
... He raises his right arm and  
there's this big metal hook  
instead of a hand... and he moves  
the hook to the babysitter's face!

(loudly)

SCRAPE! SCRAPE! SCRAPE!

Brad grabs Sarah's face and Sarah SCREAMS IN JOYOUS  
TERROR. Chris cringes, suddenly sorry. \*

DARYL

(sarcastic)

Brad, hold me! I'm so scared!

SARAH

Tell another one!

BRAD

(pointing out the  
windshield)

Look!

21 THE KIDS' POV: CHICAGO. The city is brilliantly lit by 21  
the setting sun. It sparkles against the magic hour sky.

22 INT. THE STATION WAGON - TRAVELING - DUSK 22

Sarah stares in awe at the view before her. Chris drives unimpressed.

SARAH  
That's where Thor lives.

CHRIS  
Thor?

SARAH  
Well, all the superheroes live in the city. Spiderman. Daredevil. Captain America. But Thor's the best. He fights the Forces of Darkness.

(eyes on the city)  
Forces of Darkness, beware...

23 EXT. THE EXPRESSWAY - DUSK TO NIGHT 23

IN LONG SHOT the station wagon moves down the expressway leaving the darkening sky in the west and moving into the blackening city of Chicago in the east...

24 INT. THE STATION WAGON - THE EXPRESSWAY - TRAVELING - NIGHT 24

The kids are quiet. Brad's eyes are narrowed at Chris, thinking...

BRAD  
Mike what?

CHRIS  
Mike what what?

DARYL  
Mike what what what? What are we talkin' about?

BRAD  
What's his last name?

CHRIS  
Toddwell. You writing a book? \*

DARYL  
Mike Toddwell? You know him? \*

BRAD  
They go out.

DARYL  
He's got a Firebird, right?

(CONTINUED)

CHRIS

Yeah... What, are you a gearhead  
and a sex fiend? \*

Daryl and Brad exchange a caught and trapped look. Chris  
saw the Playboy.

CHRIS

(changing the  
subject)

A lotta people have Firebirds.

DARYL

Yeah, but do a lotta people have  
the license plate... SO COOL? \*

CHRIS

That's Mike.

DARYL

He's the guy who beat me up last  
summer for touching his car.  
Which I didn't do.

BRAD

That was him?

CHRIS

Mike wouldn't do that?

DARYL

He would. He kicked my ass.  
Wanna see the footprint?

BRAD AND CHRIS \*

No!

There is a LOUD BANG! The right front tire is BLOWN.  
The car LURCHES wildly.

DARYL

Alright!

CHRIS

No. Oh, no.

25 EXT. STATION WAGON - TRAVELING - EXPRESSWAY - NIGHT 25

The tire is BLASTED FLAT. Quickly SHREDDING to pieces.

26 INT. STATION WAGON - TRAVELING - NIGHT 26

Chris grips the wheel in PANIC. The car BUCKS. SWERVES.  
BOUNCES.

BRAD

We've got a flat! Pull over!

SARAH

(excited)

This is great!

BRAD

To the right. Go to the right..

Chris valiantly pulls herself together and SPINS the wheel to the right.

27 EXT. STATION WAGON - EXPRESSWAY - NIGHT

27

The car thumps off the expressway onto the emergency shoulder. The shredded tire slaps the pavement as the car slows to a stop. Traffic FLASHES past.

28 INT. THE STATION WAGON - NIGHT

28

Chris sits in stunned silence. Sarah and Daryl exchange an adventurous wiggle of their eyebrows. Brad is worried.

29 EXT. THE STATION WAGON - A FEW MINUTES LATER - NIGHT

29

The tailgate is down. The carpet is pulled up to reveal the well for the spare tire. There is NO TIRE.

CAMERA PANS UP to Chris, Brad, Sarah and Daryl standing at the back of the station wagon. Chris holds a FLASH-LIGHT in front of her. They stare DUMBLY at the empty tire chamber.

BRAD

Where is it?

CHRIS

I don't know.

DARYL

Maybe it's on the car.

Chris drops a look on him.

DARYL

You think?

Chris shudders the stupidity of the moment from her system and takes charge of the situation.

(CONTINUED)

CHRIS

Okay... We're gonna have to flag  
somebody down and go buy a tire  
... I've got my checkbook...

(paling)

My purse!

She runs to hurl open the driver's door. She leaps in-  
side. Searching.

CHRIS

Oh, shit! My purse! I forgot my  
purse! I don't have any money! I  
don't have my license!

DARYL

Did you forget your purse?

CHRIS

Yes, you little asshole.

DARYL

(really digging  
this)

She's great.

BRAD

(reaching into  
his pocket)

I have some money.

CHRIS

What, fifty cents? You don't have  
any money! You're a kid, for  
Christ's sake!

DARYL

She's right. Don't be stupid.

BRAD

(pushing him  
toward traffic)

Go take a walk over there, would  
you?

Suddenly, the kids are BATHED IN BRIGHT WHITE LIGHT.

Squinting, the kids look down the shoulder behind the  
station wagon.

KIDS' POV: Countless bright lights on some huge,  
INDISTINCT VEHICLE rumbles toward them. The lights BLIND  
the kids.

(CONTINUED)

CHRIS

What's he doing?

DARYL

He's gonna run us over, isn't it obvious?

The vehicle stops. The vehicle just SITS there. For a MOMENT.

The driver's door suddenly WHAMS OPEN! The kids JUMP BACK.

An ENORMOUS, HULKING SILHOUETTE, well over six feet tall, lumbers toward them.

Daryl scrambles BEHIND Chris. Brad stands FIRM beside her. Sarah SNAPS up her hammer. There's another address label on its handle.

SARAH

Everyone stay behind me.

Chris half-nelson's Sarah to her side.

Chris NERVOUSLY shines the flashlight onto the silhouette's face.

It's PRUITT. He's a long-haired giant with a BLACK, SHAGGY BEARD that nearly covers his entire face. Deep BROWN EYES eyes glint from deep in his skull. His grease-blackened nametag is almost unreadable. He is wearing DIRTY, TATTERED DENIMS and WORK BOOTS. His hands are in his pockets.

PRUITT

(a mumble)

You kids having some trouble?

BRAD

Was that English?

Pruitt sees the flat tire, looks up to the kids.

PRUITT

Got a spare?

SARAH

... No.

Chris nudges Sarah to keep her mouth shut.

(CONTINUED)

PRUITT

(a goofy chuckle)

You went out on the expressway  
without a spare? \*

BRAD

(to Daryl)

We're history.

DARYL

Ancient history.

Pruitt, chuckling, pulls his right hand from his pocket to scratch his head. Chris's flashlight beam catches the hand.

But there is no hand. IT'S A METAL HOOK.

The kids see it and freeze in terror. \*

DARYL

Oh my God.

CHRIS

... Just relax, stay calm, don't  
panic...

(to Pruitt)

... What do you want?

PRUITT

(gentle)

I just want to help you.

DARYL

(whispered to Chris)

Don't listen to him. He wants to  
scrape our faces off.

The kids stare at Pruitt. He stares back until he puts it together and looks at his hook.

PRUITT

(smiling)

What? You're scared of this?  
Haven't you ever seen a handicapped  
person before?

The kids exchange a nervous glance. Pruitt chuckles.

PRUITT

You must be from the suburbs.

Pruitt walks back to his vehicle. The kids watch the vehicle swing around to the front of the station wagon.

(CONTINUED)

As it passes by the kids read "Dawson's Garage" on the side of it. It's a tow truck.

CHRIS

I suddenly feel like a total idiot.

The tow truck stops in front of the station wagon. Pruitt climbs out and throws a lever on the towing rig. A mess of cables, hooks and straps descend to the pavement under the station wagon's front bumper.

Chris looks at the kids and shoves them back against the rear of the station wagon.

CHRIS

Stay here.

She rushes to head Pruitt off already hooking up the station wagon.

CHRIS

I'm sorry for freaking out back there. I guess we overreacted.

PRUITT

That's okay. I'm used to it.

CHRIS

Listen. Um. I appreciate this, but I... we don't have any money. If you tow us anywhere I can't pay you.

Pruitt chews on this information.

CHRIS

We can't even buy a tire.

(the horror,  
the horror)

My parents are gonna kill me.

Their parents are gonna kill me.

PRUITT

Why would they wanna kill you?

CHRIS

I'm stuck babysitting for these little goobers. I'm not supposed to take little kids into the city like this. I'm just not.

PRUITT

It's okay. I'll tell you what.

29 CONTINUED: (5)

PRUITT

It's okay. I'll tell you what.  
I'll tow you into town. To  
Dawson's Garage. We'll find you a  
cheap old tire, something to get  
you home on, okay?

CHRIS

Oh, no, that wouldn't be right.

PRUITT

What would be right? Leaving you  
kids alone on the expressway?

CHRIS

No, I guess not.  
(extending her hand)  
My name's Chris. Chris Parker.

PRUITT

(offering his hook)  
Pruitt.

Daryl cringes watching Chris shake Pruitt's metal hook.

30 EXT. THE TOW TRUCK CAB - NIGHT

30

Daryl pulls open the passenger door and hops into the empty cab.  
Brad follows closely behind him. Chris climbs in and hauls  
Sarah, helmet, hammer, and backpack, onto her lap. They're all  
still a little shaken.

CHRIS

Okay, c'mon. Sit, Sarah.  
(avoiding Sarah's  
helmet)  
It was just a story. Nothing's  
gonna happen. You guys behave now.

DARYL

Do I have permission to misbehave if  
he goes for my throat?

CHRIS

Shut up, Daryl.

DARYL

What did it feel like?

CHRIS

What did what feel like?

DARYL

When you shook his claw.

 You are a very disturbed child.

Daryl shrugs. He knows this and is proud of it.

JOHN FOGERTY'S "CHANGE IN THE WEATHER" FILLS THE  
 SOUNDTRACK.

31 EXT. THE EXPRESSWAY - A FEW MINUTES LATER

31

Pruitt's TOW TRUCK pulls the station wagon along the  
 expressway.

32 INT. TWO TRUCK CAB - THE EXPRESSWAY - TRAVELING - NIGHT

32

Pruitt drives. Chris, Brad, Sarah and Daryl are crowded  
 beside him. Pruitt clutches and drops into third. Sarah  
 is lost in thought looking out the window to the gloomy  
 ghetto neighborhood around them.

DARYL

Hey, mister?

Brad and Chris listen in.

PRUITT

Yeah, red?

DARYL

How did you... You know... How did  
 you lose it?

PRUITT

(having him on)

Lose what?

DARYL

Your hand. Was it in 'Nam?

PRUITT

(chuckles)

'Fraid not. Was changin' a tire  
 on a big rig... jack gave out...  
 back of the truck fell on my hand  
 and popped that sucker right off.

DARYL

What did they do with the hand?  
 Bury it?

PRUITT

Naw. Wouldn't let 'em do that.  
 (playful smile)  
 I kept it.

(CONTINUED)

DARYL

You kept it?...

PRUITT

(motions to  
the dashboard)

Got it in the glove compartment.

Daryl's eyes become WIDE. His face goes WHITE. He TURNS and STARES at the truck's glove compartment.

CAMERA DOLLIES INTO THE closed glove compartment.

Daryl CAN'T TAKE his eyes from it.

Pruitt CHUCKLES to himself. Chris and Brad smile.

Suddenly, the tow truck's radio SHOUTS.

DAWSON (V.O.)

(radio)

Pruitt!

Pruitt GRABS the microphone.

PRUITT

Yeah?

DAWSON (V.O.)

Dawson here. I just went by your place.

PRUITT

(serious)

And what'd you see?

DAWSON (V.O.)

You won't like it.

PRUITT

(furious)

What did you see?!

DAWSON (V.O.)

That car was parked in front.

Pruitt screams and THROWS DOWN the microphone. Pruitt STOMPS the gas. The engine ROARS. The kids are THROWN BACK against the seat.

Pruitt's tow truck and the station wagon madly CROSSES four lanes of traffic, toward the exit ramp.

34 INT. THE TOW TRUCK - EXPRESSWAY - TRAVELING - NIGHT 34

Chris, Brad and Daryl are THROWN from side to side, SCREAMING. Sarah's LAUGHING.

Pruitt is in ANOTHER WORLD. He's in a boiling, blood-red world of cuckolded vengeance. His foot FLOORS the gas.

The speedometer hits 75 MPH. 80 MPH. 85 MPH.

BRAD

Stop! Mr. Pruitt, please!

SARAH

This is great!

35 EXT. THE EXPRESSWAY - NIGHT 35

Pruitt's speeding tow truck and station wagon LEAP over the divider ramp and exit the highway.

36 EXT. PRUITT'S NEIGHBORHOOD - NIGHT 36

LOWER MIDDLE class. The homes are TINY. UNKEMPT. Covered with dirty, peeling paint. RUSTY pickup trucks and old cars are parked in almost every front lawn.

WHAM! SQUEAL! Pruitt's tow truck shudders sideways, ROUNDING the far corner at ninety swinging the station wagon behind it.

37 INT. THE TOW TRUCK - TRAVELING - NIGHT 37

The kids are still SCREAMING.

CHRIS

That's my mother's car!

Pruitt HITS THE BRAKES.

38 EXT. PRUITT'S STREET - NIGHT 38

The station wagon stops on its hooks inches from smashing into the back of the tow truck.

39 INT. THE TOW TRUCK - NIGHT 39

The kids are SLAMMED forward, silenced in shock. Except for Sarah.

SARAH

Can we do that again?

Pruitt shoves the kids back from the dash. He reaches for the glove compartment.

(CONTINUED)

39 CONTINUED:

39

Daryl COVERS his eyes in horror.

DARYL

Oh, God!

Pruitt rips open the glove compartment. There is NO SIGN of a severed human hand. But there is a huge REVOLVER. All the kids, except Daryl who's got his eyes covered, stare at it.

DARYL

Is it a hand?

BRAD

(seeing the gun)

No.

DARYL

(lowering his hand)

Good.

BRAD

It's a gun.

DARYL

(hand over his eyes)

OH, GOD!

Pruitt LEAPS from the tow truck with the gun.

40 EXT. PRUITT'S HOUSE - NIGHT

40

A small, tattered blue home with dangling shudders and rusted spouting.

A crimson red CADILLAC is parked in the driveway.

The gun touting Pruitt KICKS IN the front door of his house. He RUSHES inside. A WOMAN'S SCREAM echoes from inside.

41 INT. THE TOW TRUCK CAB - NIGHT

41

Chris, Brad, Daryl and Sarah WATCH. Their faces are pressed up against the window in FASCINATION.

BRAD

What's happening?

They are jolted by the sounds of GUNSHOTS!

42 EXT. PRUITT'S HOUSE - NIGHT

Chris, Brad, Sarah and Daryl WATCH from the safety of the tow truck cab.

Pruitt APPEARS at the window of his house. MRS. PRUITT, a plump, blonde woman, is hanging from Pruitt's arm. She is SCREAMING, PLEADING with Pruitt, who is aiming his revolver at the Adulterer.

Pruitt FIRES the gun. But Mrs. Pruitt PULLS her husband's arm. This causes the bullet to fire in the WRONG DIRECTION.

The bullet BLASTS through the windows of the tow truck cab.

43 INT. THE TOW TRUCK - NIGHT

43

The bullet WHIZZES by the kids' heads. The kids SCREAM. Chris hurriedly BAILS them out of the cab.

44 EXT. PRUITT'S HOUSE - NIGHT

44

The kids RACE across Pruitt's front lawn.

The Adulterer continues to RUN toward his car.

Pruitt again AIMS his revolver at the Adulterer. Mrs. Pruitt PULLS his arm again.

This time, the bullet hits Chris's STATION WAGON. SHATTERING THE WINDSHIELD!

Chris and the kids STOP dead in their tracks. Chris turns to see her station wagon's windshield... BLOWN TO BITS. \*

BRAD \*

My God!

CHRIS \*

My Mom's Car! \*

Chris TURNS, just in time to see

THE ADULTERER! Wild panic in his eyes, blood streaming from his face, the Adulterer is practically ON TOP OF CHRIS and the kids about to TRAMPLE them.

Chris MOVES FAST. She PUSHES the kids toward the Cadillac.

CHRIS

Move it! Over there!

Chris and the kids RUN TOWARD the Cadillac. The Adulterer is only a FEW FEET behind them.

CHRIS

Go on! Hurry up!

Everyone CLIMBS inside.

The Adulterer CRIES OUT to the kids.

ADULTERER

Hey! Get outta my car!

45 INT. THE CADILLAC - NIGHT

45

The kids BOUNCE all over the interior. Adrenaline OVERLOAD. Chris sees that the Adulterer is ALMOST at the car.

CHRIS

Lock the doors!

The kids REACH for the door locks. But suddenly, the doorlocks ELECTRONICALLY LOCK BY THEMSELVES.

JOE GIPP pops up from beneath the front seat. Joe Gipp is 22 years old. He's a short, wiry BLACK CAR THIEF dressed in a worn leather jacket, faded jeans and Air Jordan sneakers.

Joe Gipp NAILS the kids with a killing stare. Again, they SCREAM.

46 EXT. THE CADILLAC - NIGHT

46

The Adulterer POUNDS on the Caddy windows. He battles with his tattered pants, FUMBLING for his car keys.

Pruitt is OUT OF BULLETS. Frustrated, he THROWS DOWN his revolver. He LEAPS out of the window and marches toward the Adulterer.

The Adulterer SEES Pruitt coming TOWARD HIM. He FINDS the keys. He SMILES and moves one of the keys toward the passenger door lock.

47 INT. THE CADILLAC - NIGHT

47

Joe Gipp swivels, drops in behind the wheel and CONNECTS two wires below the dash. They SPARK. The car STARTS.

48 EXT. THE CADILLAC - NIGHT 48

49 INT. THE CADILLAC - NIGHT 49

Joe Gipp HITS the gas. The kids are THROWN BACK against the seat.

50 EXT. PRUITT'S HOUSE - NIGHT 50

The Cadillac BURNS RUBBER. BLASTING out of the driveway.

The Adulterer is KNOCKED to the ground.

Shaking his head, the Adulterer GETS to his knees. He LOOKS up to see PRUITT towering over him.

Pruitt PULLS BACK his left hand and CONNECTS with the Adulterer's jaw.

THE PUNCH TO THE JAW BECOMES A ROCK 'N' ROLL DRUMBEAT! IAN HUNTER'S "JUST NIGHT" ROCKS THE SOUNDTRACK!

51 EXT. A DARK STREET - NIGHT 51

As the Cadillac WHIPS through the streets of Pruitt's neighborhood, moving into an even darker, deadlier side of town.

52 INT. THE CADILLAC - TRAVELING - NIGHT 52

The kids collect themselves. Sarah pulls a Snickers bar from her backpack after checking her skates.

CHRIS

Thanks, mister. You saved our lives.

BRAD

(spelling it out)

Chris. He's a car thief. This is a stolen car.

Chris pops a blank stare at Brad, then looks to Joe Gipp. Joe Gipp looks into the rearview mirror with a confirming glance. Chris looks dazed.

DARYL

(under his breath,  
to Brad)

The chick is losing it.

(CONTINUED)

CHRIS

I am not!

SARAH

Who wants candy?

CHRIS

(WHIRLING on Brad)

Brad! No chocolate, your acne!

(GRABBING Daryl's  
watch)

Sarah!

(YANKING the  
aspirin from  
her pocket)

Aspirin!

Chris CLAWS at the childproof cap. The kids stare at her like she's lost her mind. She stares back.

CHRIS

I am not losing anything! I'm  
still in control here! GOT  
IT?!

Joe Gipp HITS THE BRAKES. The Cadillac SQUEALS TO A STOP.

JOE GIPP

I steal cars. I don't steal  
kids. Get out.

The electric locks go up. The kids pause, looking at Joe Gipp.

JOE GIPP

Go on. Get out.

Chris and the kids hurriedly get out of the car. Sarah gives Joe Gipp the remainder of her candy bar before leaving. Joe Gipp pauses, and drives off.

EXT. THE STREET CORNER - NIGHT

The WORST neighborhood in Chicago. Chris, Brad, Daryl and Sarah STAND on a corner, beneath a street lamp. They are surrounded by TOTAL DARKNESS.

Suddenly a woman's chilling SCREAMS cut the night. The kids react in fear.

CAMERA DOES A SLOW 360 around the kids as the surrounding night blackness erupts with NIGHTMARISH CITY SOUNDS.

(CONTINUED)

A man and woman in a HEATED ARGUMENT, ending with gunshots.

The sound of BREAKING GLASS. Followed by a piercing BURGLAR ALARM.

As the sounds INCREASE in loudness and intensity, the camera SPEEDS UP, moving CLOSER to the kids' faces with each circular movement.

The kids faces are WHITE with fear. They are SHAKING. TREMBLING. SCARED to death.

Chris holds the kids CLOSELY to her side. PROTECTING them. COMFORTING them.

CHRIS

Just stay close to me.  
Everything's gonna be all right.

The horrible sounds become LOUDER. The CAMERA moves FASTER. Getting CLOSER to the kids.

As the intensity of the moment reaches its CRESCENDO... we hear the sound of SQUEALING CAR BRAKES!

The kids look to see:

JOE GIPP

at the WHEEL of the Cadillac. He smiles and gives a SHRUG to the kids.

JOE GIPP

Couldn't stand the thought  
of leaving you kids in this  
neighborhood. Get in the car.

The kids do not move.

CHRIS

Promise me you won't hurt these  
kids. I'm serious.

A pause.

JOE GIPP

(sincere)  
I promise.

Joe Gipp waits. Chris nods, trusting him, and the kids hurriedly SCRAMBLE into the safety of the Cadillac. The Caddy DRIVES OFF into the night.

54 EXT. THE WAREHOUSE DISTRICT - A DARK STREET - NIGHT 54

Quiet and sinister BLUES GUITAR plays under the soundtrack.

We are in a deserted area, surrounded by large, imposing warehouses. The headlights of Joe Gipp's approaching Cadillac cut a swath through the gloom, heading toward:

55 EXT. THE CHOP SHOP - NIGHT 55

The Cadillac stops before the black garage door of what appears to be an abandoned warehouse.

56 INT. THE CADILLAC - NIGHT 56

Joe Gipp pulls a Genie electric GARAGE DOOR OPENER from his shirt pocket and moves it toward the door.

CHRIS

Where are we going?

DARYL

To hell. Kinda exciting, don't you think?

Joe Gipp grins and HITS the door opener's button.

The garage door RATTLES up.

The kids stare in WONDERMENT at the sight before them.

As the garage door opens it reveals a virtual KALEIDOSCOPE OF FLASHING SPARKS, LIGHTS AND COLORS.

The Cadillac ROLLS inside.

57 INT. THE CHOP SHOP - NIGHT 57

SLOW MOTION combines with PIERCING CHICAGO BLUES as the kids discover the interior of the Chop Shop from the windows of Joe Gipp's Cadillac.

The Blues music creates a surrealistic symphony with the sound of SAWS, HIGH-POWERED DRILLS and REVVING ENGINES.

STEEL GIRDERS and RAFTERS suspend not just the roof, but the gloom high above it as well.

COUNTLESS SECTIONS OF CARS hang from the walls, ceiling and floor.

The kids are PRESSED against the Cadillac's windows, staring in awe at the city circus before them. The flashing COLORED LIGHTS dance across their faces. They SEE:

The countless, sweat-drenched and shirtless WORKERS. Their HUGE SHADOWS scrape ghoulishly across the high walls.

A CHICANO pulls out the steering column of a Porsche, while a BLACK MAN tackles the engine from a Ferrari.

A BIG MAN wearing a welder's mask adjusts the flame on a propane blowtorch. \*

The large spear of fire is eerily reflected in the dark glass faceplate of the welder's mask.

In another section, tires are ROLLED.

Headlights REMOVED. Pistons PILED. Fenders REPLACED.

#### THE CADILLAC

passes through a section of refurbished, completed CARS. Parked on either side like silent sentinels are sleek beauties; CADILLACS. PORSCHEs. BMW'S. MERCEDES. Several workers attend to last minute details on these cars. POLISHING. WASHING. ENGINE TUNE-UPS.

#### INSIDE THE CADILLAC

The SLOW MOTION sequence ends. The kids stare in AWE at the several parked cars. Daryl TURNS to Joe Gipp.

DARYL

You steal all these?

JOE GIPP

Gets me some good money.

BRAD

Isn't it kinda dangerous?

JOE GIPP

I like danger.

CHRIS

You should try babysitting.

Joe Gipp laughs and SLOWS the Cadillac, several feet behind:

BLEAK. He is 42 years old. A tall, pale man. His thin hair is brushed back from a high, smooth forehead. His eyes are almost irisless under heavy lids. His skin is dry. Cold. Like marble. To smile would shatter his face.

A FAT MAN at the table reads from a list to Bleak.

FAT MAN

Dallas gets the Ferraris.  
One Lamborghini to Phoenix.  
Cleveland needs four Porsches.

BLEAK

Forget it.

FAT MAN

But they got an order...

BLEAK

I said... forget it. I didn't like the way they were running things.

(making it  
murderously  
clear)

Cleveland is dead.

The Men around the table swallow nervously, understanding.

THE CADILLAC

Joe Gipp swings the Caddy to a stop behind a HULKING BLACK MAN with his back to the CAMERA.

OUTSIDE THE CADILLAC

This hulking black man is GRAYDON, 35. He's a short, thick man, his mouth pulled down in a perpetual frown.

A BELL RINGS TWICE. Graydon TURNS to shout.

GRAYDON

(booming voice)  
Quittin' time at Tara!

The workers DROP what they're doing and collect their gear.

JOE GIPP

Sit tight. Don't be scared. \*

Joe Gipp gets out and closes the car door. Brad takes  
CHARGE.

BRAD

You guys let me handle this.

CHRIS

What are you gonna do?

BRAD

Talk to 'em.

CHRIS

I'm the babysitter. I'll handle  
this. \*

BRAD

Chris. I don't mean to be crude  
but if you open your mouth in  
front of these guys someone'll  
probably put something really  
icky in it.

CHRIS

Oh, gross. They wouldn't.

DARYL

(silently behind  
Chris)

I would.

Brad punches him hard in the chest.

OUTSIDE THE CADILLAC

Joe Gipp approaches Graydon. He gives a FRIGHTENED  
glance to Bleak who is ARGUING with a man who sits at  
the table.

(CONTINUED)

Joe Gipp gulps at the sight of Bleak and turns to Graydon. Graydon sees the Cadillac.

GRAYDON

Good job. Got any defects?

JOE GIPP

A few.

The suburban waifs STEP OUT of the car. Graydon locks on them, and Joe Gipp almost swallows his tongue. \*

The WORKERS stop what they're doing to see the four lily-white kids standing here.

Bleak, with the other men at the table, shoots a deadly stare at the kids. \*

Brad smiles his gentleman's smile and approaches Graydon.

BRAD

(fast, shaking Graydon's  
hand)

Hi, I'm Brad Anderson. \*

Graydon stares at them, at Sarah with her helmet, cape, sword, backpack.

BRAD

This is my sister, Sarah. This is my friend, Daryl Coopersmith. This is Chris Parker. Hey... nice place you got here, really.

GRAYDON

(completely stunned)

Thanks.

BRAD

Yeah... it's... ummm... Look, we sorta took a wrong turn, and if you don't mind, we'd like to get out --

Without warning, Graydon turns and PUNCHES Joe Gipp. SQUARE IN THE MOUTH. Joe Gipp FLIPS over the Cadillac's hood.

Chris GASPS, the kids pull back. The workers stand FROZEN.

(CONTINUED)

Bleak and the others at the table watch in SILENCE.

Joe Gipp staggers up, and Graydon HAULS him around.

JOE GIPP

(lips bleeding)

Gee, Graydon. Don't hold it in.  
Go on, get pissed.

GRAYDON

You boosted a Caddy full of kids?!

JOE GIPP

They got in while I was stealing  
it. Couldn't let 'em out. They  
woul'da been killed.

SARAH

We woul'da.

JOE GIPP

So I screwed up. Big deal. I  
dunno why you're so upset.

GRAYDON

They know where our operation  
is! They could go to the cops!

CHRIS

Oh, no... No, sir... We wouldn't  
go to the cops.

GRAYDON

How am I s'posed to know that?! \*

The kids exchange a PUZZLED look. Brad gets an IDEA.

BRAD

We could put it in writing...  
Everybody sign it... take it to  
a notary public...

GRAYDON

Shut up.

Bleak SLAMS his hand on the table. Total SILENCE falls.  
Everyone in the place fills with FEAR. Bleak speaks in a  
voice that would be envied by Satan himself.

BLEAK

Take the fuckin' Brady Bunch  
upstairs.

He nods toward an upstairs OFFICE. It's scaffolded high up against a side wall. It's a big, boxey affair, covered with rusty sheet metal and grimy windows. Steep metal stairs lead up to the aluminum doors.

Bleak's stare BURNS through the kids.

BLEAK

We'll take care of 'em after the meeting.

Joe Gipp nods, a terrified look in his eyes.

GRAYDON

(to the workers)

You guys clear out! Go on home!

The workers scramble for the exit.

DARYL

(whispered to Chris)

If we get outta this alive, I'd ask the Andersons for a buck more an hour.

CHRIS

We'll get home. This has all been a big mistake.

SARAH

What about Brenda?

DARYL

That was her parents' mistake.

INT. THE BUS STATION - NIGHT

58

The clock reads: 8:12 P.M.

BRENDA sits at one end of a row of plastic chairs attached to small battered TV sets (five minutes for a quarter).

A SNORING BAG LADY sits asleep in the seat beside her. The Bag Lady wears a huge pair of Elton John-style novelty sunglasses. One lens is missing.

Brenda is disgusted. She takes off her own glasses, puts them down OUT of FRAME, rubs her tired eyes and puts her glasses back on. But they're not her glasses. They're the Bag Lady's. Brenda looks to the Bag Lady. But she is gone. And so are her glasses.

BRENDA

Help, I can't see!

INT. THE CHOP SHOP - UPSTAIRS OFFICE - NIGHT

CLOSEUP: This month's issue of Playboy lies on a cluttered desktop.

CAMERA PANS UP to Daryl, who stares at the magazine with larcenous eyes.

He snaps it up and STUFFS it under his shirt.

Chris, Brad and Sarah (with her backpack) look over the cramped and dirty office. They have not seen Daryl's business.

BRAD

We're gonna die here.

SARAH

(looking at the ceiling)

No we're not.

Chris, Brad and Daryl LOOK UP to the ceiling.

There's a TRIANGLE-SHAPED OPENING in the sheet metal. The tar paper's TORN ASIDE. There are shards of METAL SPIKES circling the hole like shark's teeth. The black rafters of the roof are FIVE FEET above the office roof.

CHRIS

We're not climbing up there.  
It's too dangerous. Look at that.  
You might poke your eyes out.

BRAD

They might poke our brains out.

SARAH

Brad's right.

CHRIS

Oh, no, Sarah, honey. I'm  
responsible for you. I'm your  
babysitter --

DARYL

Then start acting like one and  
get us babies out of trouble.

INT. CHOP SHOP - THE TABLE

CAMERA CRANES UPWARD and we see Joe Gipp standing on the landing outside of the office. He's watching the men at the table.

CAMERA CONTINUES TO CRANE UPWARD. IT STOPS ABOVE THE OFFICE ROOF. IN THE RAFTERS.

Black and shadowed, a web of dirty steel. Chris' hands reach up through the hole in the office roof and she pulls herself onto the roof. Winded, she sees

A SKYLIGHT. It's located several feet away, high above the chop shop floor and directly above the men at the table.

Chris tracks the rafters leading to the skylight. They're wide enough to offer good footholds. The ceiling above will allow them to stand as they walk.

Chris turns to help Sarah out onto the office roof.

Chris CATCHES Brad's eye as he clambers up through the hole. Chris throws a nervous glance at the skylight.

Brad NODS to her. He knows it's their only chance.

Daryl SHOVES the knapsack onto the roof and pops up in the hole.

Chris POINTS to the skylight. Daryl figures out the route and pales.

DARYL

You gotta be shitting me.

CHRIS

Watch your mouth!

DARYL

Watch my mouth?! You gotta be shitting me!

(a pause)

What if I fall?

SARAH

I won't let you fall.

They look at Sarah. If she could she'd probably carry them all to safety on her back.

DARYL

Thanks, Sarah.

In the ANDERSONS' party. The enormous room is packed with people in TUXES and GOWNS. The conversation is a jumble. A man plays SHOW TUNES on a piano in the b.g. Behind the partyers, we see a bank of windows with an incredible view of the CHICAGO SKYLINE.

The wall of glass slopes back from floor to ceiling, giving that side of the room a wedge shape.

We see MRS. ANDERSON on the phone. Her brow furrowed, she hangs up as MR. ANDERSON approaches her with a drink.

MR. ANDERSON

Multiple murder or did Sarah just cut off a finger?

MRS. ANDERSON

I got the phone machine.

MR. ANDERSON

They went for ice cream. They're okay. Chris can handle it.

MRS. ANDERSON

Sure. Sarah's probably hanging from the rafters by now.

62 INT. THE CHOP SHOP - IN THE RAFTERS ABOVE THE OFFICE - NIGHT

62

Brad and Sarah ARE HANGING FROM THE RAFTERS. So are Chris and Daryl. They move HAND OVER HAND toward the skylight, their feet finding purchase on the wide beams.

Chris, leading the others, edges out past the office roof and looks down.

CHRIS'S POV: The chop shop floor appears MILES AWAY. Bleak, Graydon and the others continue arguing directly below the kids.

Chris snaps her eyes forward and HANGS ON TIGHT. WHITE-KNUCKLED. Sarah LOOKS BACK to Daryl, who is SHAKING.

SARAH

Don't look down.

Daryl throws her a WEAK nod and continues onward. Slowly they all move their way through the tangle of steel.

BLEAK AND GRAYDON

Bleak shoves a bunch of papers from the table, SEARCHING FOR SOMETHING.

AT THE SKYLIGHT

Chris's fingers STRETCH OUT to touch the glass, then scramble down to a crack in the sill.

She pushes, and the window quietly opens wide. The sheet metal roof of the warehouse beckons.

JOE GIPP

on the landing GLANCES up into the rafters. He is SHOCKED to see the kids working their way toward the skylight.

JOE GIPP

Jesus.

He looks down to the table, back to the kids, and keeps his mouth shut.

AT THE SKYLIGHT

Chris REACHES for Brad. He goes to her and VAULTS up through the open window and onto the roof. Sarah is NEXT.

Chris HEFTS Sarah up to Brad. Daryl is next, NERVOUSLY climbing onto the sill.

BLEAK

SCRAMBLES through his papers on the table and GLARES at Graydon.

BLEAK

Where's the magazine?

GRAYDON

The Playboy?

AT THE SKYLIGHT

Daryl's having trouble. Chris LIFTS him up, Brad GRABS him.

The Playboy under Daryl's shirt is suddenly JARRED FREE.

The magazine is AIRBORNE.

FALLING TOWARD THE MEN SEATED BELOW.

Daryl SEES the magazine suspended in space. His mouth DROPS OPEN.

On the roof, Brad and Sarah WATCH the magazine's downward plunge in SILENCE.

Chris is STUNNED into silence.

Joe Gipp CAN'T BELIEVE IT.

The magazine FALLS past Chris's ankle.

Chris LETS GO of the rafter with her left hand and DROPS DOWN.

She GRABS the corner of the centerfold with the fingertips of her right hand.

Her left hand SNAPS BACK and GRIPS the rafters.

Chris has CAUGHT the magazine. It dangles below her, swinging on the UNFOLDED CENTERFOLD.

CAMERA DOES A FAST DOLLY TOWARD THE CENTERFOLD. The model looks very much like Chris, reclining sensually on a bed of white feathers.

Written in INK all over the centerfold's body are NAMES, NUMBERS, and DATES.

Chris quickly PASSES the magazine up to Brad and shoves Daryl out onto the roof. She VAULTS up behind him. The kids are GONE.

The Men at the table are none the wiser.

Joe Gipp breathes a sigh of RELIEF.

Graydon gives a dumb look to Bleak, who continues to SEARCH for the magazine.

GRAYDON

I, uh... I took the Playboy upstairs. There was this article on --

BLEAK

(deadly)

Get it.

Graydon DASHES to the office stairs. Joe Gipp hides a smile as Graydon RUNS PAST him.

63 EXT. CHOP SHOP ROOF - NIGHT

The kids RUN for the roof's edge. Brad SHOVES the magazine into Sarah's backpack.

BRAD  
(to Daryl, angry)  
Where did you get this?!

DARYL  
Boosted it from the office.

BRAD  
You're gonna get us in so much trouble.

DARYL  
(smell the coffee,  
Brad)  
Brad, we're facing ten to twenty in prison for stealing a Cadillac.

Chris HURRIES the kids to a FIRE ESCAPE that stretches from the roof to the street.

Chris CLIMBS onto the fire escape.

Bleak's eyes GO WILD. He LEAPS to his feet and RUNS for  
the exit. Graydon FOLLOWS, motioning for Joe Gipp to  
come with him.

67 EXT. THE CHOP SHOP - AN ALLEY - NIGHT

67

The kids ARRIVE at the bottom of the fire escape, leaping  
to the street.

They turn and run through a DARK ALLEYWAY.

The chop shop doors FLY OPEN.

Bleak RUNS out into the alley followed by Graydon and  
Joe Gipp.

BLEAK'S POV: The kids are a block away. RACING down the  
narrow alleyway.

Bleak SNAPS his fingers to Joe Gipp.

BLEAK

Get the car.

JOE GIPP

(stalling)

They're kids, for Christ's sake.  
You gonna run 'em down and kill  
'em?

Bleak grabs Joe Gipp's collar.

BLEAK

Get the car.

Joe Gipp nods, hating himself, and RUNS BACK inside the  
chop shop.

Bleak gives a FURIOUS glance to Graydon.

BLEAK

the New York notes are in it.  
We blow this delivery and we're dead..

GRAYDON

(very frightened)

If the cops get that magazine...

BLEAK

You're dead.

A BLACK LINCOLN CONTINENTAL pulls fast out of the chop shop.  
Joe Gipp is BEHIND the wheel.

Bleak and Graydon HOP inside.

68 INT. THE LINCOLN - NIGHT

Bleak POINTS through the windshield. From here we can SEE the  
kids. They have quite a head start, still RUNNING, now nearing  
the end of the alleyway.

BLEAK

Get the kids.

68A IN THE ALLEY OUTSIDE THE LINCOLN

Joe Gipp HITS THE GAS, and the car PEELS OUT BACKWARDS TEN FEET  
BACK INTO the chop shop.

He hits the brakes, throws Bleak and Graydon, angry, from side

JOE GIPP

Sorry!

Joe Gipp drops it in drive and hits the gas. The Lincoln  
swerves into the alleyway.

69 EXT. DOWN THE ALLEY - NIGHT

69

Chris, Brad, Daryl and Sarah RACE through the alleyway, running

The HEADLIGHTS of the approaching Lincoln Continental appear

The kids run wildly down this narrow alley. Cranking BLUES MUSIC grows louder.

Joe Gipp is forced to stop the cadillac. Bleak and Graydon jump from the car and continue after the kids on foot.

AT THE END OF THE ALLEY

The kids skid into a dead end chain link fence ten feet high. No escape. They turn to see Bleak and Graydon silhouetted by the caddy's headlights.

Chris runs to a half-open rotted, paint peeling door. She hurls the kids inside, runs in after them and slams the door behind her. The dirty sign on the door reads: "THE TEARDROP LOUNGE". The Blues music is coming from in here.

Bleak and Graydon slide up to the door, Graydon heading in. Bleak stops him.

BLEAK

The front door! We'll get 'em on the way out, c'mon!

They run back down the alley.

81 INT. THE TEARDROP LOUNGE - BACK HALL - NIGHT 81

Chris and the kids run down a back hallway. DIM BARE LIGHTBULBS hang from the ceiling. The SOUND of muffled Blues' music echoes through the hallway.

Chris LEADS them to a door under an old clock. It's 8:45.

Chris hurries them through the door.

CHRIS

The bar is PACKED. \*

The Blues Band PLAYS. They're cooking out a street symphony of ELECTRIC LEAD and BASS GUITAR, HARMONICA and SHOTGUN DRUMS. The Music BLASTS through the room.

Bleak, Graydon, and Joe Gipp SLIP IN the front door and stand in the SHADOWS at the BACK OF THE ROOM. A mass of PEOPLE AND TABLES separates them from the stage. They look for the kids. \*

ON STAGE

Chris, Brad, Daryl and Sarah, completely unaware of where they are, SNEAK OUT ONTO THE STAGE INTO THE MIDDLE OF THE MUSICIANS.

The Blues Band SEES the kids and STOPS playing.

CUSTOMERS slowly stops talking, drinks halfway to their lips, and stare confused at the kids on the stage. TOTAL SILENCE.

The kids LOOK AROUND. FROZEN.

IN THE SHADOWS \*

Bleak, Graydon, and Joe Gipp NOTICE the strange SILENCE and look THROUGH THE CROWD to the stage. Eyes WIDE.

BLEAK

What...?

There's NO FAST WAY they can get to the kids. So Bleak LEADS Graydon and Joe Gipp SLOWLY TOWARD THE STAGE by hugging the side wall. \*

ON STAGE

The kids DO NOT KNOW Bleak and the others are here. Chris takes charge of the situation, walking up to the LEAD GUITARIST in the Blues Band, a tall, lanky, BLACK MAN. He STARES at Chris.

CHRIS

What?

LEAD GUITARIST

Nobody gets off this stage without singin' the Blues.

Chris gives another nervous laugh, looking first to the customers, then back to the band. Everyone is still SILENT. EXPRESSIONLESS.

CHRIS

(nervous laugh)

Pardon? You mean you... You want me to sing?

The Band, the Audience is silent. Expressionless.

Chris MOVES toward the kids, who are very frightened.

CHRIS

(incredulous)

They want me to sing.

DARYL

Do whatever they want. Just get us outta here.

CHRIS

(panicked)

CHRIS

I got a boyfriend named Mike.

The DRUMS join in. The music COOKS.

CHRIS

It's our anniversary night.

But he cancelled the date.

We're stuck in the city.

My Mom's car all shot up.

SARAH

CHRIS

They're gettin' me tough.

They're gettin' me mean.

(letting it rip)

They're givin' me the blues.

(a beat)

The Babysitting Blues.

(a beat)

I got the baby, baby, Babysitting  
Blues.

The crowd begins to CLAP along. There's an occasional HOOT and WHISTLE of enthusiasm. They're GETTING INTO IT.

And so are the kids. They're clapping along with the beat, too.

Onstage the Band plays LOUDER, HARDER, TOUGHER.

Feeling the acceptance from the audience, Chris lets herself go. She sings with more PASSION, more SOUL.

CHRIS

Brenda.

BRAD

Got us all shook up,  
And now we're getting down!

The Audience goes crazy with that one.

LEAD GUITARIST

That won't be a problem. Go on.

The Lead Guitarist GRINS. His GOLD TOOTH glistens. He nods and GESTURES with his guitar for the AUDIENCE to CLEAR A PASSAGEWAY to the front door for the kids.

THE APPRECIATIVE CROWD PARTS, Bleak, Graydon and Joe Gipp are PURPOSELY CAUGHT in the CRUSH AND SHOVED BACK AWAY FROM THE STAGE by some very BIG AND PROTECTIVE AUDIENCE MEMBERS.

The kids JUMP OFF THE STAGE, WAVING goodbye to their adoring fans. AND PASSING WITHIN INCHES OF BLEAK, GRAYDON, AND JOE GIPP (who's grinning).

Bleak and Graydon cut UP ONTO THE STAGE to get around the crowd.

LEAD GUITARIST

Thanks, guys. You were pretty cool yourselves. C'mon.

BRAD

Where to?

CHRIS

Let's just get away from here.

A LONG SHOT. A BLUES SAXOPHONE plays a gentle echo of "The Babysitting Blues" on the soundtrack. With the city in the background, the FOUR KIDS walk along a deserted street in silhouette, as an EL-TRAIN RUMBLES over the kids' heads.

Daryl and Sarah walk behind Brad and Chris, Daryl tagging behind Sarah.

CHRIS JUMPS IN THE TRAIN, THE DOOR SLAM CLOSED, THE TRAIN PULLS.

Bleak and Graydon are too late. Bleak kicks the side of the moving train, staring at the kids inside the other-wise empty car.

BLEAK

Sonofabitch!

Graydon's wheezing badly. Both of them turn to see Joe Gipp running up the stairs to the platform.

JOE GIPP

What happened?!

Graydon can only shake his head. Joe Gipp figures it out. And smiles a little relieved. Bleak sees it. He STORMS over to Joe Gipp and grabs him by his shirt.

BLEAK

I want you to tell me all about -- these kids. Where you found them, where they came from.

JOE GIPP

How'm I supp -- I don't know anything!

BLEAK

You know something.

(a beat)

Yeah... you do, don't you...

JOE GIPP

(sweating)

They need to get to their car...

BLEAK

We'll get to it first.

87 INT. THE EL TRAIN - TRAVELING - NIGHT

87

The car is empty except for the kids.

Chris SITS on one side. Brad, Daryl and Sarah sit across from her. Brad's feelings are still a little hurt. They're all a little stunned and exhausted.

CHRIS

What do those guys want?

DARYL

(a crazy giggle)

Maybe the wanna give us a ride home?

Chris stares at him.

DARYL

You think?

Chris looks away, depressed. Daryl LOOKS up at the various advertisements on the subway walls framing a transit map. He sees an advertisement for the latest issue of Playboy. The ad features the centerfold's photo, looking exactly like Chris.

(CONTINUED)

Daryl wiggles a finger to get Brad's attention and directs his gaze to the ad. Brad sees it and slides Daryl a disgusted look.

Sarah's taking off her skates and pulling her tennis shoes from her backpack. She TUCKS the magazine back down inside.

CHRIS

Sarah, lay down there and go to sleep.

SARAH

I'm not tired.

CHRIS

Pretend you are.

SARAH

Then can I pretend to sleep?

CHRIS

(rubbing her face,  
weary)

Sure. Whatever. Jesus.

Suddenly, the door at the back of the train car WHAMS OPEN!

THE CHICANO STREET KINGS

enter. A GANG. Mean. Bad to the bone. They wear BLACK LEATHER jackets. Chains. Black JEANS. BOOTS. There are FIFTEEN of them. They stand at the BACK of the car, looking PAST Chris and the kids with MURDEROUS EYES.

Chris and the kids STARE at them.

Suddenly, there is ANOTHER WHAM! The door from the OPPOSITE SIDE of the train slides open.

Chris and the kids TURN their heads to see:

THE BLACK LORDS OF HELL

enter. Another GANG. They are dressed in RED LEATHER jackets, jeans and boots. There are FIFTEEN of them.

The two gangs STARE at each other with blood in their eyes.

SARAH

Cool threads.

Chris looks to the kids.

(CONTINUED)

CHRIS

We'll get off at the next stop.

CHICANO GANG LEADER

Don't you even think of gettin'  
off!

The kids LOOK at him. But he's not talking to the kids, he's looking at the Black Lord leader, who answers back.

BLACK GANG LEADER

The only people gettin' off this train are doin' it in body bags.

The kids GULP. Both gangs completely IGNORE the kids.

CHRIS

(whispered to the  
kids)

Don't panic.

Daryl's sweating bullets, Brad's sweating howitzer shells. Sarah's all enthusiastic eyes.

CHICANO GANG LEADER

You're on our train.

BLACK GANG LEADER

You're rolling into our turf.

The kids look from gang to gang.

BLACK GANG LEADER

As soon as we cross Devereaux Street you are dead.

He points to the transit map. The kids look at it.

THE KIDS' POV: The map. There's Devereaux Street intersecting the TRAIN LINE. Just beyond it is the ST. JOSEPH'S HOSPITAL STOP.

The Black Gang Leader glances out the window.

BLACK GANG LEADER

Here's Lathrop. Here's Jackson.

Suddenly switchblades and knives appear in the hands of each gang member. MURDER in their eyes.

DARYL

(fast)

They're gonna kill each other.

SARAH

Get back, I wanna see this.

BLACK GANG LEADER  
Here comes Devereaux...

The Gangs get ready. Knives clicking open. Eyes cold.

CHRIS  
(suddenly stepping  
between the gangs)  
Excuse me.

The two gangs REGARD her murderously. Brad and the kids watch her with disbelief.

CHRIS  
(false calm)  
I couldn't help but notice that you  
two groups of... people are about  
to start killing each other.  
I was wondering if we could just  
sort of wait on that until we could  
get off this train?

BLACK GANG LEADER \*  
Sit down, bitch.

Chris freezes, scared.

CHRIS  
What?

BLACK GANG LEADER \*  
I said sit down, bitch.

DARYL  
(to Brad, scared,  
goadng)  
You gonna let 'em get away with  
that?

Brad snaps a look at Daryl and vaults out of his seat.

Brad stands up, jittery, beside Chris.

BRAD  
 You can't call her that. That was  
 really rude. Apologize.

CHRIS  
 It's okay, stay outta this.

BRAD  
 He called you a bitch.

CHRIS  
 (shrill, scared for  
 them all)  
 Brad, shut up! \*

BLACK GANG LEADER  
 (threatening, his  
 knife ready)  
 Listen to the bitch, Brad.

BRAD  
 (angry)  
 Watch your mouth, you... you big  
 city scum sucker. \*

That did it. Chris realizes they are all gonna die here. Brad swallows hard. Daryl buries his face in his hands. Sarah watches everything, attentive.

The Black Gang Leader slowly saunters toward Brad.

BLACK GANG LEADER  
 You just can't keep your feet out  
 of your mouth, boy. Let me help  
 you out.

The Black Gang Leader WHIPS his knife STRAIGHT DOWN into the FLOOR WITH A BANG.

BLACK GANG LEADER  
 How's that?

The knife is STUCK THROUGH the TIP of Brad's tennis shoe and into the subway FLOOR.

BLACK GANG LEADER

Don't fuck with the Black Lords.

Chris DROPS FAST, TAKES the knife from his foot and ANGRILY HURLS the knife into the wall beside her. It hits with a BANG and sticks deeply.

CHRIS

(to the gangs,  
cold, deadly)

Don't fuck with the babysitter.

The Black Leader is SHOCKED. FROZEN. All of his gang members are STILL. SILENT.

The CHICANO GANG is also STUNNED INTO SILENCE.

The train STOPS. The doors SHOOT OPEN.

Chris draws the kids behind her, Brad limping, Daryl helping.

Slowly, with DIGNITY, Chris backs the kids out of the train.

88 EXT. THE PLATFORM - NIGHT

88

The kids STEP onto the platform. The train doors CLOSE behind them.

The stunned gang members STARE out of the windows at the kids, as the train ROLLS AWAY.

CHRIS

(bravado gone,  
totally panicked)

Are you okay?

BRAD

(panicked)

I don't know. I can't feel anything.

DARYL

Tetanus. Lockjaw. Rabies.  
Scabies. Syphillis. Oh man...  
you could get it all.

Sarah's reading the sign in front of her and following the arrow beneath it.

Does this say "Hospital?"

The kids look at the sign. It says "St. Joseph's Hospital."

89 EXT. THE STREET TO THE HOSPITAL - NIGHT 89

Chris blasts out the train platform doors with Brad in her arms. His head bobs wildly. Daryl and Sarah, her backpack slung over her shoulder, run to keep up.

They rocket down the street toward the Hospital.

90 EXT. THE HOSPITAL EMERGENCY WARD - NIGHT 90

The kids hurry past a row of parked ambulances and run for the electric eye doors.

91 INT. THE HOSPITAL EMERGENCY WARD - NIGHT 91

The ward looks like a front line MASH unit during battle. PATIENTS of all ages and colors sit with busted arms, cracked skulls and other injuries. DOCTORS and NURSES working on two hours of sleep stumble back and forth.

A Doctor, leaning against a wall, is drinking coffee trying to keep his other eye open. \*

The emergency doors SLIDE OPEN and Chris stumbles in, Brad in her arms. Sarah and Daryl skid in behind her.

CHRIS

MEDIC!

All heads turn, eyes blinking brightly awake and staring at Chris.

AT AN ELEVATOR

Including the ADULTERER. He's staring wide-eyed at the kids as he stands inside an elevator between TWO COPS. His nose is plastered, his eyes blackened. The elevators BEGIN TO CLOSE.

THE ADULTERER

(under his breath,  
shocked)

That's them. They took my car!

The DISINTERESTED cops GRAB him and the DOORS CLOSE all the way. He is gone.

Chris sits on a chair, slumped, beaten down, exhausted. She \*

Brenda is far from dead. She's sitting in a chair with the novelty sunglasses in her hand.

She looks up and squints O.S.

BRENDA'S POV: Blurry. A small animal is in the corner. It could be a kitten.

BRENDA

Hey. Kitty, kitty, kitty?

Brenda stands, squinting, and goes over to the animal. We never see it in focus. Only through Brenda's blurred vision.

BRENDA

(extending her hand)

Whatsmatter? You get lost? You run away from home?

The blurry animal sniffs Brenda's fingers.

BRENDA

Cold nose. Now don't bite. You can nibble, just don't bite.

Brenda PICKS the animal up and brings it under her chin. We do not get a good look at the animal.

BRENDA

You're shivering.

JANITOR 1 (O.S.)

Drop it!

Brenda turns, seeing, BLURRED, two Janitors standing a few feet away. The Janitors are holding a shoe box and a broom. The Janitor urgently growls at Brenda.

JANITOR !

Put the animal down!

Afraid, Brenda LOWERS the animal to the ground. The Janitor raises his broom and BEATS THE ANIMAL (O.S.) with it. Brenda screams, trying to stop the Janitor. Janitor 2 holds her back.

Janitor 1 picks up the unconscious animal by its tail.

BRENDA

You monsters! How could you do that to a kitten?! A little kitten!

The Janitors look at each other and begin to LAUGH. Brenda is incredulous.

JANITOR 1

Kitten? 'Dis ain't no kitten, kid.

Brenda's jaw drops. And she screams, running off. The two Janitors chuckle away watching her run off.

INT. HOSPITAL CORRIDOR - OUTSIDE BRAD'S ROOM - NIGHT

94\*

Daryl and Sarah sit on a worn vinyl couch against the wall. Daryl is worried, guilty, and depressed. Sarah watches him.

DARYL

(worried, fast)

This is all my fault. I can't keep my mouth shut. Why do I always have to open my big mouth? I could have gotten him killed. What if they have to amputate? Why can't I just shut up, I wish I could just shut up.

SARAH

Shut up, Daryl.

Daryl shuts up and looks at Sarah.

SARAH

It's not your fault. He woulda done it even if you weren't there.

Brad's door opens and DR. NUHKBANG steps out. The Doctor has a THREE DAY growth of beard, DARK CIRCLES around his deep set eyes. He's been working Emergency for 48 hours and is practically SLEEPWALKING.

Daryl and Sarah stand, anxious.

DR. NUHKBANG

Here he is, a-okay.

Brad comes out the door behind the Doctor, limping slightly. He looks fine.

Daryl is overwhelmed. His eyes bounce back from Brad's foot to his face.

DARYL

You're okay?!

Brad nods sheepishly. Daryl runs to him and embraces him. Brad staggers back under the emotional assault, confused, looking to Sarah for an explanation. Sarah just shrugs.

BRAD

Daryl, I can't breathe.

94 CONTINUED:

A NURSE approaches the Doctor.

NURSE

Dr. Nuhkbang, the guy with the stab wounds just died.

DR. NUHKBANG

Oh, dear, alright. Don't you children go anywhere. I'll be right back.

The Doctor and the Nurse head off leaving Daryl still hugging Brad. Sarah grins at them.

DARYL

You're really okay?

BRAD

The knife went through my shoe and nicked my toe. I got one stitch.

DARYL

Do you... do you forgive me?

BRAD

(confused, honest)

Forgive you for what?

Daryl takes Brad's response as exoneration.

DARYL

Thank you.

(hugging him harder)

Thank you.

Brad looks to Sarah for an answer. She just shrugs.

Brad looks down the hall toward the reception area.

DR. NUHKBANG

Your friend?... Which one was he?...

CHRIS

Ah... Stab wound.

DR. NUHKBANG

Oh, dear.

CHRIS

What?

DR. NUHKBANG

(sober)

I'm sorry. Your friend is dead.

Chris pauses, blinks once and DROPS to the floor in a DEAD FAINT.

WITH THE KIDS

SARAH

Chris!

The kids RUN UP to Chris who's still UNCONSCIOUS, surrounded by Doctor Nuhkbang and the Nurse, who are trying to REVIVE her.

BRAD

What happened?!

DR. NUHKBANG

Oh, dear. You're her friend. She's fainted.

The Nurse puts a SMELLING SALT under Chris's nose. Chris STIRS. WAKES.

Upon seeing Brad, Chris SCREAMS. Dr. Nuhkbang COMFORTS Chris.

DR. NUHKBANG

Everything's all right. I made a mistake. See, he's fine.

DARYL  
 Some night, huh?

DR. NUHKBANG

 Nurse)  
 You children stay right here. I'll  
 send the nurse back with the  
 paperwork.

BRAD  
 Are they gonna want our names? \*

CHRIS  
 Yeah. We're finished. I'm gonna  
 call my Mom. \*

DARYL  
 (scared)  
 Oh, God, no parents, please. We'll  
 be killed. \*

Suddenly the ADULTERER APPEARS at the end of the hall.

ADULTERER  
 HEY! WHERE'S MY CAR?!

The kids turn, seeing him, STUNNED. He CHARGES DOWN THE HALLWAY  
 toward the kids.

The kids stand like stunned rabbits caught in the headlight of a  
 thundering train.

ADULTERER

The Adulterer's going to CRUSH the kids before he gets an answer. He is only a FEW FEET AWAY, when...

PRUITT BURSTS from one of the cubicles and SLAMS into the Adulterer with all the force of a flying mountain.

The Adulterer is BLINDSIDED into the wall, unconscious.

Pruitt is wearing HANDCUFFS dangling off his left wrist. His right hand (hook) swings free. His head is covered with LUMPS and BRUISES.

The TWO COPS that were with the Adulterer in the elevator suddenly come running around corner down the hall.

COP 1  
Hold it!

PRUITT  
(whirling on the kids)  
You want your car?... C'mon!  
It's fixed!

CHRIS  
(uncomprehending)  
Fixed?

BRAD  
(grabbing Chris)  
Fixed!

Pruitt BOLTS past them. The kids see the cops COMING TOWARD them and FOLLOW Pruitt. TWO DOCTORS and ANOTHER COP come out of Pruitt's cubicle to join the chase.

95 EXT. THE EMERGENCY ROOM - NIGHT

Pruitt and the kids RUN OUTSIDE.

They run for FOUR AMBULANCES parked side by side. Pruitt and the kids DUCK DOWN between two.

CHRIS  
What are you doing here?

my fault. But Dawson's gonna hit  
you for the tire. Fifty bucks.

CHRIS

Fifty bucks?!

95A EXT. THE HOSPITAL - NIGHT

95A

THE COPS dash out of the Hospital doors, looking for Pruitt and the kids.

95B EXT. BETWEEN THE AMBULANCES - NIGHT

95B

Pruitt SEES the cops. He STANDS to leave, TURNS to run.

CHRIS

Wait. Where are you going?

FRUITT

I'm a fugitive now.

DARYL

Kinda like us.

FRUITT

(a smile to Daryl)  
Kinda like you, red.

Daryl reaches up and takes the hook in hand with no problem whatsoever. He and Pruitt exchange a gentle handshake.

FRUITT

(to Chris)  
Good luck, babysitter.

CHRIS

You too, Mr. Pruitt.

Pruitt smiles and RUNS OFF.

95C EXT. THE HOSPITAL - NIGHT

Pruitt runs off down a DARK STREET. The cops SEE Pruitt and hurriedly FOLLOW.

95D EXT. BETWEEN THE AMBULANCES - NIGHT

Brad gives a WORRIED LOOK to Chris.

BRAD

Where we gonna get fifty bucks?

CHRIS

Maybe we could sell Daryl.

Daryl rolls his eyes and Chris affectionately ropes his neck into the crook of her elbow.

CHRIS

We'll think of something. C'mon.

Making sure the COAST IS CLEAR, the kids sprint out from between the ambulances. They RUN OFF down the street.

You gotta what?

CHRIS

Try and hold it, honey. We'll find a bathroom soon.

The distant sound of ROCK N' ROLL is growing louder.

DARYL

Sounds like a party...

They walk a little further. Daryl quickens his pace staring ahead O.S. He grins.

DARYL

Hi, fellas.

The Huge Jocks STOP. STARING at Daryl.

JOCK #1

I must be hallucinating. Does anybody else see a talking penis?

The Huge Jocks GUFFAW. Daryl LAUGHS, hu-yuck-yucking with them.

Brad grabs Sarah's hand. She's got her skates on now.

SARAH

I want to dance! I don't have to go so bad!

CHRIS

We have two hours to get home. We don't have time to dance.

BRAD

C'mon.

Brad turns to drag her away and steps past the group of DRUNK GUYS who bully up to Chris. Guy 1 has his Playboy in hand.

Straight ahead.

Brad turns and hauls Sarah away.

DAN

You usually bring your brothers and sisters to these kinda things?

Usually I don't go to these kinda things.

DAN

So... You're babysitting these kids?

CHRIS

No one could conceivably call what I've been doing tonight "babysitting."

DAN

(amused)

Wait a second...

CHRIS

If these kids grow up to be murderers and drug addicts it's because of me.

DAN

(comforting)

Listen... everything's gonna be alright... it's all gonna work out fine... I think you're doing a great job.

CHRIS

(desperate hope)

You do?

CHRIS

It could be.

DAN

Now... If you just tell me how I can help? What do you need?

CHRIS

Well, actually, now that you asked me... fifty bucks.

Dan reaches into his pocket and pulls out his wallet.

DAN

All I got's a twenty. Wait right here. I'll get the rest.

BART CLEMINSKI, a 21 year old giant, holding a football under his arm. He's got an audience of admirers enthralled with his gridiron story.

BLONDE

All he cares about are the Bears, the Bengals, the Dolphins. What about the romance, the love, the sex?

DARYL

I care about those things. Deeply.

BLONDE

I'm so lonely.

DARYL

How could a righteous babe like you be lonely?

BLONDE

(touched)

That's the sweetest thing anybody's ever said to me.

(lustily)

Wanna go to bed?

Daryl's lips stick to his teeth so his smile looks quite strange. Suddenly the Blonde grabs Daryl and kisses him hard. She's smearing his face with lipstick. Daryl's eyes are BUGGED to heaven and back.

When suddenly, a GIANT SHADOW falls on Daryl's face. He FOCUSES on CLEMINSKI. His eyes BURN into Daryl's.

CLEMINSKI

You're dead.

The blonde comes up for air and a response.

BLONDE

You've been replaced! You big dumb bohunk!

DARYL

I think my Mom's calling!

BRAD, SARAH AND CHRIS

watch as Daryl RUNS up to them.

DARYL

We gotta go now, okay?!

The kids see Cleminski CHASING after Daryl. They turn and RUN for the front door.

AT THE FRONT DOOR

Daryl, Brad and Sarah RUN OUT. Chris REACHES the door and is stopped by Dan, shoving money into her hand.

DAN

I could only get forty five.

CHRIS

(delighted, rushing)

That's terrific! Thanks! We gotta go!

DAN

I'm driving.

Chris looks stunned, Brad looks heartbroken and Dan hustles them all through the door and slams it before Cleminski reaches them.

97A EXT. THE FRAT HOUSE - NIGHT 97A

Dan, Chris and the kids run across the lawn, Dan leading them to his Jeep parked at the curb.

98 EXT. LOWER WACKER DRIVE - NIGHT - A FEW MINUTES LATER 98

An UNDERGROUND city street. Bordered by the CHICAGO RIVER on one side, and sooty cement walls on the other. The Drive is EERILY illuminated by ELECTRIC GREEN LIGHTS.

Dan Lynch's Jeep crests the top of the grade on its way down onto Lower Wacker Drive. The kids are inside, Dan at the wheel. Dan stops the car.

99 INT. DAN'S JEEP - NIGHT 99

The kids peer into the green gloom stretched out before them.

DARYL

This is weird.

BRAD

You should feel right at home.

100 EXT. LOWER WACKER DRIVE - NIGHT 100 \*

Dan rolls the car down the hill, CAMERA TRUCKING ALONG-SIDE. Chris and the kids search the dark walls around them for any sign of Dawson's Garage.

CHRIS

Look.

THE KIDS' POV: Up ahead is a red and amber neon sign above an OPEN GARAGE DOOR. The sign reads "DAWSON'S GARAGE." Pruitt's TOW TRUCK, also with "Dawson's Garage" on its door, is parked outside.

CHRIS

(confident)

That's it.

Dan accelerates to the open garage door. There is a small door to the side of the garage door. It too is closed.

Chris gets out of the car. Dan follows her. Brad watches them jealously as he gets out with Daryl and Sarah.

The side door opens and Chris and the others peer into the  
 garage.

The geasy, dusty place appears DESERTED. The walls are covered  
 with CAR PARTS, FAN BELTS and shelved with jugs of ANTIFREEZE,  
 TRANSMISSION FLUID and CANS OF OIL.

They kids SEE something that makes their faces LIGHT.

THE STATION WAGON.

The window is REPAIRED. A BRAND NEW TIRE on it. Chris is oddly  
 TOUCHED by the sight of her Mother's car.

CHRIS  
 It's fixed.

DARYL  
 Where's Dawson?

CHRIS  
 Who knows... Everybody into the  
 car.

The kids hurry into the garage bay toward the car.

Chris stays with Dan for a moment in the doorway.

Brad watches them over his shoulder.

CHRIS  
 Thanks, really.

DAN  
 I don't even know your name.

CHRIS  
 Chris Parker.

But Dan is long gone.

Chris turns to the kids, a wistful grin on her face.

Brad sees it. And smiles a little. Daryl watches him and nods to himself.

CHRIS  
(down to business)  
Okay. Where's Dawson?

Suddenly there's a GREAT BANGING AND CLANGING. The kids jump a mile. From the ceiling, where there's a huge box of heating machinery, a torrent of smoke and steam billows down.

CHRIS  
Hello!

CLANGING.

BRAD  
Maybe we should just go.

CHRIS

Sarah is completely awestruck.

SARAH  
(breathless)  
... Thor.

Dawson does bear an AMAZING RESEMBLANCE to Sarah's cartoon obsession.

Before Chris can STOP her, Sarah RUNS UP and HUGS Dawson's leg.

SARAH  
Thor! I knew we'd find you!

DAWSON  
(a weird look  
to the others)  
Who is this kid?

Chris GRABS Sarah and LOOKS UP at Dawson.

CHRIS  
You're Mr. Dawson, right?

Dawson NODS. Sarah WHISPERS to Daryl.

SARAH  
Secret identity.

DAWSON  
What do you want?

CHRIS  
Well, Mr. Pruitt sent us.  
That's our car over there.

Dawson continues to COUNT THE MONEY.

This is only forty-five dollars.  
You owe me fifty.

CHRIS

We don't have it.

DAWSON

Then you don't have the car.

Dawson GIVES Chris the money back. He TURNS to walk away.

Sarah cannot understand what's happening.

CHRIS

How could you do this to us?...  
For five lousy dollars?...

Dawson gets back onto the lift, ready to start back up.

DAWSON

CHRIS

Yes, Sarah.

Sarah is DESTROYED. Chris and the others TURN to leave,  
Daryl taking Sarah's hand. Sarah RUNS toward Dawson.

CHRIS'

Sarah...

Sarah TUGS at Dawson's shirt. He TURNS and GAZES DOWN at

Her top lip is TREMBLING.

SARAH

DAWSON

Hey, kid... This is the city.  
I don't help anybody but myself.

SARAH

SARAH

Well, yeah...

You're my hero.

Dawson TAKES the helmet. He is overcome with WARMTH. He STARES at the winged helmet. TOUCHED. \*

Dawson PAUSES. He reaches into his pocket and REMOVES the car keys and TOSSES them to Chris. TEARS well up in his eyes.

DAWSON

Go on. Take the car.

Chris SMILES and NODS. The kids JUMP into the car.

Sarah WALKS up to Dawson. He LEANS down. She gives him a BIG HUG and a KISS.

SARAH

Thanks, Thor. I knew you wouldn't let me down.

Chris STARTS the car. Sarah HOPS in. Dawson hits the button to open the garage door.

The station wagon SQUEALS OUT of the garage.

Dawson STARES after the kids. He shakes his head, his eyes filling up a little. He turns and goes back into the steam of his garage.

Brenda STEPS OUT of the Women's restroom. Squinting, almost blind, her face is scrunched in disgust with whatever she was witness to in there.

Lost, alone, and aggravated, she makes her way through a row of chairs to find a seat.

Her foot kicks a bag. Brenda stops. She hears SNORING. Familiar snoring. She peers to look at person sleeping in the chair by the shopping bags.

It's the Bag Lady who stole her glasses. And she's still wearing them.

Brenda leans down, checks to make sure, and rips the glasses off the Bag Lady's face. The Bag Lady WAKES UP.

BAG LADY

MAITRE D'

May I help you?

Chris searches the restaurant behind him for a sign of Mike.

CHRIS

Just looking for someone, thanks.

The Maitre D' goes back to his reservations keeping one eye on the kids.

Chris scans the tables.

CHRIS'S POV: A lot of wealthy faces being stuffed with a lot of unpronounceable dishes. Suddenly there's Mike. He's quite dashing in his sport coat and tie. He sits in a booth with SESAME PLEXAR, a trashy, dazzling blonde beauty in a skin-tight white dress. Their dinners have just arrived as they TOAST with glasses of champagne.

Chris is rocked back on her heels. Brad and Daryl see Mike. Sarah's attentions are divided between Chris and the toy store outside the door and down the block.

CHRIS

He's with Sesame Plexar. What a sleaze.

Daryl assaults his watch. Brad watches him digit back

Sarah comes skating down the street toward the building's revolving doors.

The Lincoln Continental races beside her in the street. The car VEERS UP onto the sidewalk and screeches to a STOP. Bleak and Graydon leap out, following Sarah who's diving into the revolving door of the building.

Bleak passes a coat check room. There is no attendant, just coats.

He moves down the narrow corridor and turns the corner into THE ANDERSONS' PARTY.

Bleak glares at the elegant people crowding the room ahead of him. Several people are turned away from the sloping glass windows, watching the singing PIANO PLAYER. Others mingle in groups. A bar rests against a far wall.

Bleak's eyes flick through the room searching for Sarah.

Suddenly, a jovial, tuxedoed DRUNKEN MAN appears from out of the coat check room and puts his arm around Bleak.

There's a large rectangle of open space in the glass. A window is missing. A sheet of opaque plastic covers the hole but the wind ruffles it. The faint sounds of the city are carried in here on the wind.

Another SOUND. Sarah looks to the closed door across the room.

The wedge of light under the door is eclipsed by a very slowly-moving shadow.

Sarah swallows in fear. She pushes back against the wall and makes herself smaller. One hand falls on a huge coil of rope. The small of her back rests against a large elbow-jointed pipe running up from the floor and into the wall.

Sarah looks at the open window. Then back to the door. Then to the rope.

She PEERS out around the bar to see the party. No Sarah.

CHRIS

(scared)

Sarah?

BLEAK (O.S.)

Looking for something?

Chris swallows. She looks up. Bleak stands behind the bar, staring sinisterly down at her.

That's when Mrs. Anderson STEPS UP to the bar with Mr. Anderson. Their coats over their arms. They cannot see Chris behind the bar.

MR. ANDERSON

(a gentle reprimand)

You told Chris one o'clock.

Bleak stares up at the Andersons.

JOE GIPP

This is what they're after. Just some notes. Stuff we need.

Joe Gipp looks at the centerfold and looks at Chris. His eyes go wide.

JOE GIPP

Wow...

CHRIS

Don't say it.

Pretty uncanny, eh?

JOE GIPP

BRAD

That's my parents.

DARYL

We're dead.

And so Joe Gipp punches Bleak square in the face.
