Conformed Script DATE: 3/02/18

**INT. JUNE'S BEDROOM - DAY**

TIGHT ON JUNE'S BED - There is a CLUSTER STUFFED ANIMALS representing the MASCOTS. As we SLOWLY TRUCK OUT REVEALING the GIANT WALL MAP and MODELS OF WONDERLAND that fill June's room, JUNE darts around the room grabbing VARIOUS OBJECTS.

**1 JUNE**

Backpack! Headband...  
(pulls hair back and snaps  
GOGGLES on her head)  
Sunscreen! Ride face!

She makes a FUNNY/EXCITED FACE one might make on a roller coaster drop then snaps a PHONE SELFIE. As she checks it out:

**2 JUNE (CONT'D)**

Yep! I am amusement park ready! How 'bout you, Bunky?

REVEAL - BUNKY is standing in the doorway looking concerned.

**3 BUNKY**

While I cherish my time with you,  
June Bailey...

**4 JUNE (O.S.)**

Down a notch.

**5 BUNKY**

...I'm just not sure that time  
should be spent at Wonderland.

**6 JUNE**

Pfffft.

She yanks him out the door.

CUT TO:

**EXT./ESTAB. JUNE'S CUL DE SAC - "CONTINUOUS"**

WIDE ON JUNE'S HOUSE. We CRANE UP OVER HER ROOF just in time to see June and Bunky walking across the BACKYARD towards the BACK FENCE. There are WOODS just beyond the fence.

**7 JUNE (CONT'D, PRE-LAP O.S.)**

Your best friend has her own  
magical amusement park and you  
don't want to go?

**8 BUNKY**

No, I do...

June pushes a WIDE WOODEN SLAT and it tilts on hinges like a hidden doggie door to let them through.

CUT TO:

**EXT. WOODS BEHIND JUNE'S HOUSE / SECRET PORTAL - "CONTINUOUS"**

June and Bunky are deep in the THICK WOODS.

**9 BUNKY (CONT'D)**

It's just that it's embarrassing  
because I can't go on any of the rides.

Bunky's words and gait begin to slow down as they approach...

A CLUSTER OF TREES SHAPED LIKE A "W". It's beautiful and mysterious, almost SHIMMERING in the GOLDEN LIGHT.

Bunky pauses as June continues excited towards the "W"...

**10 BUNKY (CONT'D)**

<Amazed expression>

**11 JUNE**

So, you're telling me you can walk  
through our very own, secret,  
exclusive, splendiforously sparkly  
entrance and not want to go on any  
of...

June goes through the "W". FLASH! SHIMMER! She disappears...

**EXT. WONDERLAND - ENTRANCE - DAY - CONTINUOUS**

FLASH! SHIMMER! June emerges from the SECRET ENTRANCE looking out, awestruck at something we can't see...

**12 JUNE (CONT'D)**

...thi--

June realizes Bunky's not there...

**EXT. WOODS - WONDER PORTAL - CONTINUOUS**

Bunky is still standing there staring at the "W". SHIMMER!  
June's HEAD and ARM reappear in the "PORTAL"...

**13 JUNE**

You're ruining my big reveal!

She grabs Bunky pulls him through the portal!

**EXT. WONDERLAND - ENTRANCE - DAY - CONTINUOUS**

FLASH! SHIMMER! June and Bunky emerge from the SECRET ENTRANCE both looking up, awestruck...

**14 JUNE**

Where were we? (remembers) This...

JUNE/BUNKY POV - the awe-inspiring WONDERLAND "RIDE SCAPE".

**15 BUNKY (PRE-LAP O.S.)**

I still can't believe your incredible brain imagined all of this and... here it is...

**16 JUNE (POST LAP O.S.)**

<awe-sigh> I know, right? Wonderland is REAL. And we get to come here every day!

(then to Bunky, incredulous)  
So how can you NOT want to go on this stuff? There's roller coasters! Floater coasters! And Flier... coast... ers...?

As June lists, CUTAWAYS TO: the GRAND WONDER ROLLER COASTER, the OCTOPUS FLUME RIDE, and the SKYFLINGER flinging a ball.

**17 JUNE (CONT'D)**

I think I'll stick with calling it the SkyFlinger.

**18 BUNKY**

Your selection is impressive, but you know I've always had an astronomically low "ride tolerance".

SMASH TO:

**EXT. PLAYGROUND - DAY - FLASHBACK TO PAST**

(VERY) QUICK FLASHBACK - LITTLE JUNE and LITTLE BUNKY sit on a SEE-SAW. June raises Bunky's side into the air... slightly.

**19 LITTLE BUNKY**

<weird noises>

Bunky's face turns green, with a RIDICULOUS EXPRESSION: eyes crossed, cheeks puffed, etc. He begins flailing his arms like a WEIRD DANCE, which seems to stop him throwing up.

EXT. WONDERLAND - ENTRANCE - RESUME

**20 JUNE**

<laughing> Oh yeah, your "Don't Barf Dance" is hilarious...  
(catching self)  
...ly embarrassing for you.

**21 JUNE (CONT'D)**

<slide walla>

**22 BUNKY**

<nervous slide walla>

The park is full of HUMAN GUESTS interacting with VARIOUS WONDER CHIMPS in the background as June and Bunky speak.

A HERD of VARIOUS WONDER CHIMPS swarms over June hugging her.

**23 JUNE / WONDER CHIMPS**

Hey, Wonder Chimps. Missed you too.  
<giggling and hug effort> You know I'd take these wonder hugs all day, but then who would do your super important jobs all around the park. /  
<exciting "Splendiforous" chittering>

The Wonder Chimps all run off excitedly, leaving June holding COTTON CANDY, a BALLOON BOUQUET, and A SILLY SOUVENIR HAT. She gives the hat and balloons to PASSING GUESTS, but eats the cotton candy as she speaks to Bunky.

**24 JUNE**

(mouth full)  
<bite of cotton candy> The thought of you not enjoying THIS...  
(motioning to entire park)  
<sigh>...makes ME <weird noise>.  
(imitates Little Bunky's RIDIC EXPRESSION)  
Plus, I can't have my Right Hand Man here at Wonderland too embarrassed to go on the rides!

**25 BUNKY**

<Squee>

As they speak, A WONDER CHIMP MARCHING BAND marches behind them, comically unaware of the things they are knocking over with their FLAILING TROMBONE SLIDES and VARIOUS INSTRUMENTS. They carry a BANNER that reads: "WELCOME BACK JUNE".

**26 BUNKY (CONT'D)**

I'm your Right Hand Man?!

**27 JUNE**  
Of course you are!

**28 BUNKY**  
(realizing)  
I'm a lefty, so I will probably be  
a more effective Left Hand Man.

**29 JUNE**  
Whatever floats your flume! Point  
is, I'm gonna help you crush your  
embarrassment right here and now...  
by building up your ride tolerance!

**30 BUNKY**  
That's a great idea, June Bailey!

**31 JUNE**  
I've known you for ten years. You  
can stop using my last name.

**32 BUNKY**  
You got it, J-Bizzle.

**33 JUNE**  
Nope. That's much worse.

**34 GUS & COOPERTINA (O.S.)**  
June's here!

GUS, COOPERTINA, BOOMER, STEVE, and GRETA all run up.

**35 GUS**  
I saw her first.

**36 COOPERTINA**  
No I did.

Gus and Coopertina begin to <slap fight> in the background as  
June gives a signature "greeting" to each mascot.

**37 JUNE**  
(butt-bump)  
Greta!  
(adorable belly poke)  
Steve!

**38 STEVE**  
<cute giggle, then serious "achem">

**39 JUNE**  
My beaver twins: Gus! Coopertina!

Gus and Coopertina give June high fives without losing a beat in their slap fight. And then June gives a nice warm hug to:

**40 JUNE (CONT'D)**  
Boomer!

**41 STEVE**  
Glad you're here. I've compiled a list of all the rides that need inspection and--

**42 GRETA**  
<SNORE> Booooring. Let's ditch these dodos and see who can stay on the Tilt-a-Hurl the longest!

**43 BOOMER**  
I just want to know what wondrous wonder you are creating today.

**44 JUNE**  
Actually, today is all about Bunky.

**45 BOOMER**  
You created Bunky?  
(wiggling Bunky's limbs)  
Amazing. He's so life like...

**46 JUNE**  
No, I didn't make him, but I am gonna build up his--wha--

Gus and Coopertina immediately start climbing all over Bunky, examining him. Gus pulls out Bunky's cheeks looking into his mouth. Coopertina starts shaking Bunky's leg.

**47 COOPERTINA / GUS**  
Structural support? He seems a little wobbly. / Teeth? They are pretty puny.

**48 JUNE**  
(picking the beavers off Bunky)  
Ride tolerance.

**49 COOPERTINA / GUS**  
Oh. / Well, let us know if it requires any heavy drilling.

**50 BUNKY**  
So, where are we gonna start?

June pans the "ride scape" considering:

**51 JUNE (O.S.)**  
Maaaaaybe we should start with...

CUT TO:

**EXT. HAPPY HAPPY LAND - KIDDIE-PILLAR - DAY**

**52 BUNKY**  
...the Kiddie-Pillar?

June and Bunky stare at a CATERPILLAR THEMED KIDDIE-COASTER. It is very gentle with a single modest dip. TINY KIDS board.

**53 JUNE**  
Yup! I know this is a little dude ride. But building up tolerance is like ripping off a bandaid. You wanna take it niiice and slow.

**54 BUNKY**  
(wincing at the thought)  
That's the worst analogy possible.

**55 BOOMER**  
No, June's right.

Boomer joins them, slowly ripping a bandaid off his fur, trying not to scream.

**56 BOOMER (CONT'D)**  
<signature whine scream> I can feel every hair...

**57 JUNE**  
(nudging Bunky into coaster)  
You got this!

Bunky sits down and WONDER CHIMP ride loaders strap him in.

**58 BUNKY**  
(convincing himself)  
Yeah I do.

**59 WONDER CHIMP (RIDE LOADER)**  
(presses belly)  
Have a kiddie-riffic ride.

**60 BUNKY**  
I can totally handle a ride made for little-- <queasy/nostril flare noises>

As soon as the ride moves, Bunky makes weird faces. He starts doing a "covert" version of the "DBD" only raising his hands to shoulder level. June shouts after him with encouragement:

**61 JUNE**

Be the bandaid, Bunky!

**62 BOOMER (O.S.)**

<still whining "owwww" >

**63 BUNKY**

I don't <hurg> know what that means.

Bunky rides off, making <weird noises> (and weirdest face yet), arms getting higher right as he hits the modest dip.

**EXT. KIDDIE-PILLAR RIDE LOADING STATION - MOMENTS LATER**

Bunky pulls into the station, light headed. As he gets out:

**64 JUNE**

Look at Big B-man! Made it all the way 'round the track and without...  
(pantomimes barfing)  
Bleeeeh...

**65 BUNKY**

<falling effort> I did it! I rode a ride! Big Bad Bunky has conquered YOU Kiddie-Pillar! <silly dance efforts>

Bunky points at the Kiddie-Pillar ride car face, then goes into a Mick Jagger-rooster-strut version of the "DBD".

**66 JUNE**

(laughing)  
That's right, Bunky. Nothing to be embarrassed about now, you ride-rider!

As he dances past the KIDDIE-PILLAR PHOTO KIOSK Bunky sees...

TIGHT ON - a RIDE PHOTO OF BUNKY - It's worst picture ever taken: the most ridiculous version of his motion-sickness face with a weird "DBD" pose. Bunky freezes in a silly rooster pose, staring at the pic for a beat, then:

**67 BUNKY**

<shriek> Since when did you have ride pictures on the Kiddie Pillar?

**68 JUNE**

Since I came up with the idea for Chimpan-tographers.

June points at a WONDER CHIMP with a TINY PROPELLER and CAMERA (SNAPPY) hovering over the Kiddie-Pillar track.

**69 JUNE (CONT'D)**

Now people can get ride photos from  
anywhere in the park.  
(shouting to Snappy, super positive)  
That's a really horrible pic, Snappy!

Snappy smiles, giving June a thumbs up. June turns to Bunky.

**70 JUNE (CONT'D)**

Don't worry. No one will see it.

Bunky stares at her a beat, then freaks out:

**71 BUNKY**

They gotta delete that picture!

Bunky runs to the WONDER CHIMP in the kiosk

**72 WONDER CHIMP (PHOTO KIOSK WORKER)**

(presses belly)  
Congratulations on your wondrous  
ride photo! Would you like to share  
with yourself, share with your  
friends, or share with your mom?

ON CHIMP'S SCREEN - There are THREE BUTTONS: "SHARE SELF",  
"SHARE FRIENDS", "SHARE MOM".

**73 BUNKY**

I don't want you to share at ALL!

The Chimp gives Bunky a thumbs up as June pulls him away.

**74 WONDER CHIMP (PHOTO KIOSK WORKER)**

Have a wondrous day!

BACK ON THE CHIMP'S SCREEN - we WIDEN to see a FOURTH BUTTON  
that reads: "SHARE ALL". The Chimp hits this one.

**75 WONDER CHIMP (COMPUTER VOICE) (CONT'D)**

Share all.

**EXT. HAPPY HAPPY LAND - MOMENTS LATER**

They walk past a FIELD OF COLORFUL ROBOTIC <SINGING> FLOWERS.

**76 JUNE**

You ready to level up to Duck,  
Duck, Woosh?

As June points at a WATER RIDE with RUBBER DUCKIE BOATS.

**77           BUNKY**

I don't know. Now I'm thinking that  
first one didn't go so...

June and Bunky notice all the PARK GUESTS pointing at Bunky  
and <laughing>. Bunky is confused until he realizes...

EVERY SCREEN in the park has his EMBARRASSING PHOTO on it.

**78           BUNKY (CONT'D)**

Iiiiiit's EVERYWHERE! This couldn't  
be any more <dramatic groan...>

<PLING!> Suddenly he gets an ALERT on his phone and perks up.

**79           BUNKY (CONT'D)**

Ooo! An update from the Wonderland  
Fan Blog. They just named their  
Weenie of the Week! I can't wait  
to see what loser it is this...  
Awww-it's-me!

REVEAL it's the PHOTO OF BUNKY. He looks around at <laughing>  
Park Guests. WONDER CHIMPS laughing and re-enacting what  
Bunky's is doing in his terrible ride pic. The mascots (minus  
Peanut) are there as well with "yeesh" expressions.

**80           BUNKY (CONT'D)**

I need to get outta here!!!

**81           JUNE**

Bunky, wait!

Bunky dashes off into...

**82           BUNKY**

AHHHHH!!!

**EXT. HAPPY HAPPY LAND - FLOWER PATCH - CONTINUOUS**

Bunky runs in <panting>, trying to gather himself. June  
pokes her head in, looking sorry for her pal.

**83           JUNE**

You alright, buddy?

**84           BUNKY**

Well, I started the day embarrassed  
that I couldn't go on rides.

**(MORE)**

**BUNKY (CONT'D)**

(over dramatic) But it was a shame  
I only shared with you. Then YOU  
convinced me to go on a ride and  
welllll...

Bunky points to his DBD face on the flowers all around him.

**85 BUNKY (CONT'D)**

My Don't Barf Face went viral, J-  
Bizzle!

**86 JUNE**

Gonna let that one slide cuz you're  
upset. And you have every right to  
be. I am soooo sorry, Bunky. I just  
wanted you to be able to enjoy my  
park as much as I do. And now I've  
made it even worse. (inspired) But  
you know what? It's my job to fix  
things around here... and I know  
just how to fix this!

(grabbing a flower head screen)  
You're embarrassed cuz you took the  
world's WORST ride photo ever,  
right?

**87 BUNKY**

I mean, that's a seems like an  
unnecessarily excessive label, but...

**88 JUNE**

So the perfect way to "unembarrass"  
you is by taking the world's BEST  
ride photo ever. <ride noises going  
up big drop> C'mon, Bunky! Show me  
that ride face! <ride noises going  
down big drop>

**89 BUNKY**

Ride face?

**90 JUNE**

You know. The fun face you make  
when you're on a ride and know the  
ride pic is coming.

(makes ride face from bedroom,  
then fun whisper)  
Ride face...

**91 BOOMER / STEVE / GRETA / GUS / COOPERTINA**

Ride face!

All the mascots pop up making silly ride faces, holding ACTUAL RIDE PHOTOS of themselves up next to their faces, their expressions identical to the picture they are holding.

**92 BUNKY**

Ok. I can make a ride face. Ehhhh...?

Bunky tries, making an AWKWARD FUN FACE. June raises a brow then goes in to help, mushing his face around.

**JUNE**

Lemme just... <tiny efforts>... and maybe a show little more tonsil... There! Perfect! Just do that!

**BUNKY (CONT'D)**

<face being mushed>

Bunky has a REALLY FUN EXPRESSION... but his face deflates.

**93 BUNKY (CONT'D)**

There's no way I'll be able to hold that on a ride... that moves.

TIGHT ON JUNE - This makes June light up with an idea. She snaps down her goggles, ready for business.

**94 JUNE**

(sotto) Oh, you'll hold it!

**95 BUNKY**

Maybe we should just-- June?

Bunky looks around to see June is gone. Off Bunky's dejected expression.

MATCH CUT TO:

**EXT. PILE 'O FRUIT SMOOTHIE BAR - MOMENTS LATER**

Bunky drowns his sorrows in a SMOOTHIE served up by Boomer.

*(As they speak, June runs back and forth in the background, with crazy building supplies: ARM FULL OF TOOLS, PLYWOOD, CRATE OF LIVE CHICKENS, BUNSEN BURNER, FIRE EXTINGUISHER, GLOWING URANIUM IN CLAW PINCHERS, STACK OF TIRES, ETC. All the while we hear the sounds of building O.S.)*

**96 BOOMER**

Don't worry, Bunky. June can fix anything. Like this blender. Before I couldn't even frappe a marshmallow, but then June fixed it and now...

He turns on the blender. The force is so strong it creates VORTEX. The room shakes as RANDOM ITEMS are ripped into the air from nearby tables where the mascots sit. The mascots all react casually with gags to keep themselves in place (for instance Steve stabs quills into the table), as if they are unfazed by this a regular occurrence.

All the random items are pulled into the blender and Boomer turns it off and happily refills Bunky's smoothie cup.

**97 BOOMER (CONT'D)**  
Slurps up!

When Boomer turns around Bunky slides the cup into the trash. He looks at the embarrassing picture on his phone.

**98 BUNKY**  
<sigh> I don't know if anyone can fix this. I can't show my face around here anymore. I'm gonna have to change my name to Angus MacFenerty and move to Nova Scotia and live off the grid in a light house and become a clammer, surviving on all clam diet...  
(realizing)  
Awww... I hate clams..."

He whips out a "BUNDLE" (It's a STICK with a BUCKET hanging from it. There's the IMAGE OF A CLAM on the bucket.) and heads for the door just as June approaches:

**99 JUNE**  
What's going on here, Bunky?

**100 BOOMER**  
His name is Angus now.  
(off June's confused look)  
He's a lighthouse clammer.

**101 JUNE**  
(in sweetest voice possible)  
Glad this makes sense to you guys...  
(gently taking bindle,  
tossing it aside)  
...but I have an unembarrassment solution that's not totally weird...

June pulls out a large CONFETTI CANNON looking device.

**102 JUNE (CONT'D)**  
Ride Face Glue!!!

**103 BUNKY**  
What the heck is--

POOM! June fires GOOP out of the cannon at his face. June then quickly mashes Bunky's face back into the fun "ride face" she made earlier. It hardens in place. <SHEEN!>

**104 BUNKY (CONT'D)**  
(struggling to speak)  
I can't move my face.

**105 JUNE**  
You mean you can't move your RIDE face! That sucker's stuck on ya!

Boomer <plings> Bunky's face with a claw. Then w/ reverence:

**106 BOOMER**  
Is there NOTHING you can't do?

**107 JUNE**  
You, my friend, are ride photo ready!

**EXT. KIDDIE-PILLAR - MOMENTS LATER**

ON THE RIDE LOADING DOCK - June shoves (ride photo face frozen) Bunky into the Kiddie-Pillar car and off he goes.

**108 BUNKY**  
<worried noises>

ON THE KIDDIE PILLAR - Bunky holds the expression as he heads for the dip.

AT PHOTO KIOSK - The gang watches with anticipation. However...

BOOMER - notices the RIDE FACE GLUE DRIPPING from the cannon. He gives it a <sniff> and a <lick>. His eyes light up!

**109 BOOMER**  
June, you have any more of this Ride Face Glue?

**110 JUNE**  
Just what's on Bunky's face.

Boomer look off towards Bunky on the ride.

BACK ON THE GANG - They watch as BUNKY'S NEW PHOTO shows up on the kiosk screen... and it's of BOOMER'S BUTT?!

ON THE KIDDIE PILLAR - REVEAL Boomer is somehow in the seat in front of Bunky, turned around, licking Bunky's face clean, rear wiggling in the air. Bunky is disgusted.

**111 BOOMER / BUNKY**  
<slobbering> / <disgusted walla>

Bunky notices the coaster car is wobbling!

**112 BUNKY**  
AHHH! Boomer, you're too big for this ride!

**113 BOOMER**  
Oh, sorry. Your face was delicious.

Boomer hops off, his massive weight causing the ride car to teeter and bounce off the tracks.

ON BUNKY - his face disgusted from all the SLOBBER... but his expression goes to SLIMY TERROR when he sees...

(NOTE: Bunky's expression in following scene are ALL TERROR - nothing similar to his sick "DBD" faces or movements.)

**114 BUNKY**  
AHHHH!

His coaster car is loose, heading straight at the SINGING FLOWERS! He plows right through them! <CRUNCH-CRUNCH!> FLASH!

REVEAL - Snappy is hovering over his car, snapping photos.

AT PHOTO KIOSK - A pic pops up of Bunky with FLOWER PETALS stuck around his head, like a slobbery/hideous flower.

**115 THE GANG (MINUS BUNKY & BOOMER)**  
<wincing reactions>

**EXT. ALL OVER! WONDERLAND / KIDDIE PILLAR PHOTO KIOSK - CONT.**

*CROSS-CUT BETWEEN - BUNKY'S WILD RIDE and the GANG at the PHOTO KIOSK reacting to the horrible pics of Bunky:*

CROWDED CARNIVAL GAME MIDWAY - PARK GUESTS <react> jumping out of the way of the careening car.

**116 PARK GUEST 1**  
Was that the Weenie of the Week?

MILK BOTTLE GAME - A KID is about to throw a BALL when Bunky rockets through, <SMASHING> down the bottles (which are actually a STACK OF WONDER CHIMPS) with his face!

**117 WONDER CHIMPS ("MILK BOTTLES")**  
Weeeeeee...!

PHOTO KIOSK - The gang <reacts> to a pic of Bunky's pained reaction as his face hits the Chimps.

MILK BOTTLE GAME - A (GAME BARKER) WONDER CHIMP working the booth shrugs and gives the Kid a PRIZE.

TIGHT ON BUNKY - careening down a path. A Wonder Chimp clings to his head, loving the ride.

**118 BUNKY**  
Ahhh! Not the...

WHIP WIDEN TO REVEAL - he's going past a SKYFLINGER as it whips a ball up, hitting Bunky's passing coaster car, knocking them into the air. They sail away... with Snappy following snapping pics!

**119 BUNKY (CONT'D)**  
(Doppler)  
...SkyFliiiiingerrrr...

The CHIMP working the SKYFLINGER CONTROLS presses his belly.

**120 WONDER CHIMP (SKYFLINGER CONTROLLER)**  
Enjoy your fling!

PHOTO KIOSK - The group is frozen, staring at the screen.

**121 STEVE**  
And yet another terribly  
embarrassing turn of events.

ON SCREEN - we see a PICS OF BUNKY'S HORRIBLE FACE, but in the DISTANCE we see his car land on the GRAND WONDER TRACK.

**122 BUNKY**  
<very distant scream>

**123 COOPERTINA**  
It feels like...

**124 GUS**  
...we should do something.

**125 JUNE**  
Yet I can't... look away.

PARK GUESTS gather around them, watching the screen, mocking:

**126           PARK GUESTS / PARK GUEST 1**  
 <mocking laughter> / Wonder Weenie  
 <laughing>.

June notices the crowd and gives a <defeated sigh>, turning back to the screen with a guilty look on her face as...

Boomer saunters back up, grabbing the Gel Cannon, starting to suck on it like a giant straw.

**127           BOOMER**  
 <gulp, slurping> June, what's in  
 this stuff?! I need the recipe...

**128           JUNE**  
 Sixteen flavors of bench bottom  
 gum, Gus's Tooth Wax, and whatever  
 was on the bottom of that shoe in  
 lost and found.

Boomer immediately stops eating, looking disgusted. Beat. Then goes right back to <guzzling>, marveling:

**129           BOOMER**  
 It's crazy how sometimes combining  
 a bunch of terrible things can make  
 something so wondrous.

**130           JUNE**  
 Boomer, you weird, weird...

The combination of Boomer's words and CONTINUING FEED OF TERRIBLE BUNKY PICTURES sparks something in June!

**131           JUNE (CONT'D)**  
 ...GENIUS!

June goes to CHIMP'S PHOTO KIOSK COMPUTER SCREEN taking over.

ON SCREEN - We see SMALL VERSIONS OF ALL OF BUNKY'S TERRIBLE PICS. June begins to manipulate them a la *Minority Report*, putting the picture in some kind of order.

ON JUNE - her hands work furiously, light of the screen reflecting on her face, her tongue curled out at the corner of her mouth, concentrating on the task. We don't know what she's up to, but her smile is growing...

**EXT. ENTRANCE TOWN - LATER**

June catches a battered Bunky with his head hanging low as he walks towards the exit.

**132 JUNE**

Bunky, wait! I finally figured out how to unembarrass you!

**133 BUNKY**

Seriously, I'm good.  
(off June's excitement)  
Okay, how?

**134 JUNE**

By sharing ALL your embarrassing photos!

**135 BUNKY**

What?! I knew I was gonna need this!

He whips out a clam bucket bindle again. June gently takes it and tosses it aside again.

**136 JUNE**

Before you resort to clamming, will you please just check this out?  
(as June leads Bunky)  
I took all your terrible photos and made it into something wondrous...

REVEAL - A PHOTO MOSAIC of Bunky looking brave and cool, which is now hanging prominently near the entrance!

**137 BUNKY**

A photo mosaic... of me looking awesome...

The Park Guests are pointing at Bunky...

**138 PARK GUESTS / PARK GUEST 1**

<that guy is so cool walla> / I want a picture like that!

**139 JUNE**

Well, you can get one. With Wonderland's newest wonder: the Bunky Photo Mosaic Challenge! You just need a 700 crazy ride photos and we'll do the rest.

**140 BUNKY**

(looking at mosaic, touched)  
Thanks, J-Bizzle.

**141 JUNE**

Back to a hard "nope" on that.

**142 BUNKY**

(realizing)

You know, you making me focus on getting that pic totally helped me build up my ride tolerance without thinking about it!

**143 JUNE**

Yeaaaah... That was definitely on purpose.

**144 BUNKY**

I've got NOTHING to be embarrassed about anymore! I'm going to conquer The Grand Wonder!

As he runs towards the towering mountain hearing the <terrified screams> of its riders he freezes... then his cheeks puff out and he starts doing his silliest "DBD" yet.

**145 BUNKY (CONT'D)**

Oh no... not <hurg> now...

It looks like the crowd is about to start laughing at him... when June glances over at the Chimpan-band and smiles.

ON BUNKY - Dancing. June suddenly joins him, doing the "DBD" as well. And the Chimpan-band fills in behind them, playing and dancing.

**146 JUNE**
