AUNT (CONT'D)

She doesn't understand the
difference between stamps and her
stickers.

April-May holds up her STAMP COVERED STICKER BOOK. There's a
PUPPY in the book with an ABE LINCOLN STAMP over its face.

19D APRIL-MAY 19D
President Puppy.

19E UNCLE 19E
(pointing at stamp)
Yeah. That "puppy" was worth \$237.

19F JUNE 19F

19G UNCLE & AUNT 19G
Great! Thanks! Bye!

19H APRIL-MAY 19H
Bye bye!

We hear their VAN <peel off>.

20A BUNKY 20A
Well, looks like we'll have to put
your free day at Wonderland on
hold. Maybe we'll go tomorrow.

30B JUNE 30B
<SIGH> I guess it'll be fun playing
with April-May here.

34A APRIL-MAY (PRE-LAP O.S.) 34A
Rollercoaster Weeeeeee!

ANGLE ON APRIL-MAY, who has built a tiny ROLLERCOASTER TRACK
FROM PIPE CLEANERS. A TOY CAR rolls around on the track.

34B JUNE 34B
(realizing)
Aw, what am talking about?! April-
May's like a cute little version of
me. She'll love Wonderland!

34C BUNKY 34C
What?!

44 APRIL-MAY 44
<gasp> Chimpy!

REVEAL April-May is pointing at a BALLOON VENDOR WONDERCHIMP holding a BALLOON BOUQUET, hovering slightly off the ground.

45 JUNE 45
Oh, that's one of the Wonder Chimps.
They have all sorts of fun jobs here
in the park. Hey, Floats McGoats!

45A June waves to Floats. TIGHT ON FLOATS - waving back. WIDEN TO 45A
REVEAL April-May is hanging on to his foot, floating away,
hovering just above the ground, <giggling>.

46 JUNE (CONT'D) 46
April-May!
(grabbing April-May)
Whoa! Almost got away there.

46A APRIL-MAY 46A
I wanna fly!

46B JUNE 46B
Then let's fly!

EXT. FLYING FISH CAROUSEL - CONTINUOUS

June, April-May and Bunky are on the Flying Fish carousel.
April-May is in June's lap on a fish, going in normal
carousel circles. Bunky hits his button and flies off.

46BB BUNKY 46BB
See ya! Wahooo!

46C APRIL-MAY 46C
Sky swimming!

46D JUNE 46D
Okay, sky swimming here we--

Just as June is about to hit her button COOPERTINA appears on
the carousel floor.

46E COOPERTINA 46E
Hey, June.

46EE JUNE 46EE
Huh?

46F GUS (O.S.) 46F
We did it again!

46G COOPERTINA 46G
You did it again!

REVEAL: GUS behind Coopertina, their tails are stuck together in a giant version of a BAMBOO FINGER TRAP.

46H JUNE 46H
The tail trap? Again?

46I GUS 46I
Yeah, I got her good.

46J COOPERTINA 46J
It doesn't count as a "gotcha prank" if you get yourself too.

Coops pushes backward and Gus pulls in the same direction causing them to topple.

46N JUNE 46N
Aren't these guys funny, April-Maay!

June turns to April-May, who is now on the fish next to her. June grabs her back, returning her attention to Gus and Coop.

46O & 46K JUNE (CONT'D) 46O & 46K
Gotcha! Stay put for one sec.
Alright, you both push and then you both pull.

Coopertina pushes, Gus does nothing, causing them to fall over, but allowing Coopertina to break free.

46S COOPERTINA 46S
Well, at least one of us is free.

46T GUS 46T
Sorry, I got distracted by that flying baby over there.

June turns again to see April-May flying off. June <reacts> and hits the button on her fish, flying off after April-May.

46TTTT APRIL-MAY 46TTTT
Weeee! <giggles>

46TT JUNE 46TT
Oh no! April-Maay!

EXT. WONDERLAND - ENTRANCE TOWN - MOMENTS LATER

46TTT A relieved June walks grasping April-May's hand tightly. 46TTT
Bunky holds April-May's other hand. April-May <giggles>.

46U JUNE 46U
Beavers unstuck, flying fish
caught, time for some quality
cousin bonding.

Suddenly a panicked STEVE runs up.

47 STEVE 47
June, you are urgently needed at
the Space Blaster! There's an issue
with the atmosphere re-entry drop.
We've lost several test chimps
already.

EXT. SPACE - CUTAWAY

AN ASTRONAUT WONDERCHIMP drifts thru the darkness of space.

48 WONDER CHIMP (ASTRONAUT) 48
Space-diferous!

EXT. WONDERLAND - AS WE WERE

June squints up towards space.

48B JUNE 48B
Bunky, the fastest way to solve
this is if I can do it on my own.
Think you can watch April-May?
Cool. Thanks Bunky!

June hurries off leaving April-May with Bunky.

48C BUNKY 48C
I do not want to let June Bailey
down with this noble and important
task.

52A BUNKY (CONT'D) 52A
So I'm going to pass her off to the
safest guy in the park. Here you go
Steve!

Bunky shoves April-May into Steve's arms and hurries off.

52B APRIL-MAY 52B
Hi Pointy-head.

Steve stares are her... then lights up with an idea...

EXT. HAPPY HAPPY LAND - MOMENTS LATER

Steve presents April-May to a confused-looking GRETA.

53 STEVE 53
I'm going to need you to watch
June's cousin while I, um... go do
safety things. Goodbye!

57A Steve passes off April-May to Greta, then quickly scampers away. Greta reacts. <SNORT> 57A

EXT. SPACE BLASTER - MOMENTS LATER

Greta passes off April-May to a confused COOPERTINA and GUS.

58 GRETA 58
...so I need you to watch her while I
go... renew my stunt license.

59 GUS 59
Is that a real thing?

60 GRETA 60
Yes. Maybe. <snort> You wouldn't
know!

Greta hurries off. Gus and Coop stare at April-May. Beat.

60AA APRIL-MAY 60AA
Byebye furry piggy!

62 GUS 62
Yeah you guys are going to have a
great time.

Gus pushes April-May towards Coopertina.

63 COOPERTINA 63
Wait. Why do I have to watch her?

Coopertina shoves her back to Gus. April-May <giggles>.

64 GUS 64
Cause you're the nice one!

Gus shoves her back to Coopertina.

65 COOPERTINA 65
You take that back!

66 GUS 66
Whaaat? I was just trying to--

66A Coopertina and Gus <slap/play fight>. 66A

INT. WONDER CHIMP FACTORY - MOMENTS LATER

67 Coop leads April-May into the factory where PEANUT works on 67
his CHIMP BUILDING MACHINE. April-May watches with wonder in
her eyes as Peanut scribbles on his machine's DESIGN TABLET,
and FLOWER CHIMP pops out of the machine.

67AAA PEANUT 67AAA
Are you a daisy? Are you a
dandelion? The world may never
know! But I will...

67AA APRIL-MAY 67AA
Chimpy! Flower-Chimpy!

April-May wanders over and tries to push the buttons on the
design tablet, but Peanut stops her.

67A APRIL-MAY (CONT'D) 67A
(pressing buttons)
Beep! Bop! Boop-Boop Boop!

68 PEANUT 68
Uh uh, this is not a toy. It just
makes toys. Splendid, fantastical,
adorable toys that come to life and
worship me, their creator <crazy
laugh>... I mean they help run the
park.

April-May stares a Peanut for a beat.

69 GUS 69
Well, you two seem to have a lot in
common, and I've got some wood to
chew. Later!

Coop quickly heads off, leaving April-May with Peanut. Beat.
April-May presses a button.

69A APRIL-MAY 69B PEANUT
Boop! NOOO!

EXT. WONDERLAND - ENTRANCE - MOMENTS LATER

Peanut hands off April-May to BOOMER.

70 PEANUT 70
This tiny person girl won't keep
her hands off my Chimps. So I'm
gifting her to you!

85 PEANUT 85
Who's April-May?

86 JUNE 86
My cousin. Short, cute, looks a lot
like me?

87 PEANUT 87
No idea. But that does sound a lot
like the tiny person girl I passed
off to Boomer.

88 JUNE 88
Boomer!

June and the rest of the gang hurry off.

EXT. WONDERLAND - KIDDIE-PILLAR - DAY

88 CONT'D JUNE 88 CONT'D
Boomer!

CLOSE ON BOOMER sleeping on the bench. Suddenly, June leans
into frame and <BLASTS AN AIRHORN> in his face, but he
doesn't wake up. WIDEN TO REVEAL the rest of the gang (Bunky,
Steve, Gus, Coopertina, Peanut, and Greta) standing behind
her. Greta shakes Boomer frantically and SCREAMS in his face.

89 GRETA 89
WAKE UP BEAR!!!!

Steve uses quills to <POP> a BALLOON from Floats McGoats who
happens to be floating by. Still no reaction from Boomer.

90 GUS 90
Man, this bear's never gonna wake
up. Guess it's snacky-snack time.

Gus pulls his pie back out and is about to eat it when...
Boomer immediately sits up, wide awake.

91 BOOMER 91
<sniff sniff> Can I have some?

92 JUNE 92
Boomer, what happened to my little
cousin?!

93 BOOMER 93
Don't worry, she's right here--
<YELPS!> What happened to your
little cousin?!

100 BOOMER 100
I have an idea to buy more time.
You can give them this!

100B Boomer holds up a FRUIT, SWADDLED TO LOOK LIKE A TODDLER with a CANTALOUPE HEAD with a smile drawn on. June <shudders>. He hands the bundle to June. The cantaloupe falls and SPLATS. Everyone <YELPS!>.

101 BUNKY 101
<GASPS> April-May!

102 BOOMER 102
Don't worry. It was just a fruit baby.

103 BUNKY 103
(pointing O.S.)
No, April-May is over there!

104 JUNE 104
Oh good, where?

105 BUNKY 105
On the back of that freaky-looking Alien... Dino... Chimp.

June turns to see Alien Dino-Chimps tearing through the park, her little cousin riding on one of the creature's backs.

106 APRIL-MAY 106
Hi June-June! I'm riding a chimpy!

107 STEVE 107
As park safety officer, I think this would be an appropriate time to stop remaining calm and start FREAKING OUT!

108 JUNE 108
Don't worry little cuz, I'm coming for you!

June runs after the creatures as they stomp through the park.

EXT. SPACE BLASTER - CONTINUOUS

The alien dino chimps ascend the space blaster with April-May in tow.

98/139E APRIL-MAY 98/139E
Chimpy-ride! Weeee! Weeee! Weee!

115 JUNE 115
 April-May!

April-May slips from the Alien Dino Chimp, down the blaster and dangles from the awning.

APRIL-MAY
 Woooo! Eyeball!

June sees how close April-May is to the edge of the sign. Thinking quick, June grabs a pair of Steve's quills.

113 JUNE 113
 <GASPS> Sorry. Gotta borrow these!

114 STEVE 114
 Hey!

114A She plants the quills into the ground, using them to FLING 114A
 herself up onto the sign. April-May dangles from the ride.

115 JUNE 115
 Woah! April-May!

116 APRIL-MAY 116
 Hi June-June!

June snags and <reacts> as she pulls April-May to safety.

117 JUNE 117
 Glad you're safe. We gotta figure out a way down.

119 April-May points to something O.S. June smiles. 119

117A APRIL-MAY 117A
 Balloon Chimp!

119A JUNE 119A
 Floats McGoats! That's it!

With April-May, June leaps for it and grabs on to Floats.

119A JUNE (PRE-LAP O.S.) 119B APRIL-MAY (PRE-LAP O.S.)
 Woohooo! Woohoo! <giggles>

June and April-May float down to safety courtesy of Floats.

19BB JUNE 19BB
 Thanks, Floats McGoats.

19C APRIL-MAY 19C
 Wonderland, yay!

122 JUNE 122
(smiles)
You really are like me.

June and April-May share a hug as Steve approaches.

123 STEVE 123
(building panic)
Sorry to break up this touching family
moment, but we still have a small
issue of the Alien Dino-Chimps!

Steve motions to the Dino-Chimps, still swarming around the ride. One harmlessly gnaws on Boomer with its plush jaws.

124 BOOMER 124
<GIGGLES> Stop! It really tickles!

125 JUNE 125
We'll take care of them. C'mon,
April-May. I'm not losing you
again!

June grabs the bjorn from Boomer and races into a Sky Flinger with April-May who <giggles>.

INT./EXT. SKYFLINGER - WONDERLAND - CONTINUOUS

June straps April-May into the bjorn so she dangles below June as June hangs in the control rig. <UPBEAT MUSIC KICKS> as June walks the SkyFlinger over to the Space Blaster ride, April-May mimics her the whole way.

125A JUNE 125A
Time to wonder-ize.

April-May <giggles>.

126 JUNE (CONT'D) 126
<SIGH> I wish I didn't have to do
this.

June controls the Sky Flinger, ripping the huge METAL LAUNCHER from the ride. June dismantles, flattens, and bends the launcher into a solid metal fence, which she uses to trap the Alien Dino-Chimps inside. April-May <imitates> from the bjorn.

126A <CHEERS ERUPT> as June and April-May exit the Sky Flinger. 126A

127 BUNKY 127
Yeah! Nice work, June Bailey! Too bad you had to dismantle the Space Blaster though.

128 JUNE 128
(getting an idea)
Who needs to go to space when April-May brought a bit of space to us!

EXT. SPACE BLASTER - LATER

The gang (and April-May) are riding in a coaster car through the moonscape backdrop of the Space Blaster ride.

129 BOOMER 129
Here comes another one!

Suddenly, an Alien Dino-Chimp appears out of nowhere to <SQUEAK ROAR> in their faces as they ride by. Everyone <YELPS AND CHEERS>! June and April-May clap their hands.

129A/B JUNE & APRIL-MAY 129A/B
Alien Dino Chimpies!

129C JUNE 129C
(to April-May)
I thought you were just like me, but I had no idea how much. Your creations made this ride amazing! Sorry I passed you off to Bunky... who passed you off to Steve, who passed you off to Greta, who-- well, you remember, you were there.

April-May holds up an eyeball. (That she acquired earlier).

129D APRIL-MAY 129D
I have an eyeball!

129E JUNE 129E
<giggles> That's right. Next time I'm babysitting, I'm not taking my eyeballs off of you.

June smiles when she suddenly gets an <ALERT> on her phone.

133 JUNE (CONT'D) 133
(to April-May)
Uh-oh, I've gotta get you back home!

We end on a CLOSE UP of the ball in April-May's hands, as it suddenly BLINKS. <MUSIC STING> as we...

FADE OUT.
