EXT. WONDERLAND - GRAND WONDER - DAY

STEVE waits at the entrance to the Grand Wonder with a CLIPBOARD checking his WATCH.

1 STEVE 1  
Where is June? It's Safety Time,  
and this ride isn't going to  
inspect itself.

Suddenly, JUNE creeps over and surprises Steve.

1A JUNE 1A  
Hey Steve!

2 STEVE 2  
<AH!>

Steve's surprise causes one of his spines to go shooting off, hitting a balloon carrying FLOATS McGOATS. Floats falls to the ground.

3 JUNE 3  
Sorry I'm late. Let's get to  
inspecting. It's going to be so  
much fun!

4 STEVE 4  
There's no "fun" in inspection.

5 JUNE 5  
Hey, you said it, not me.

Steve pauses. He runs ahead to TREE STUMPS ahead of them.

6 STEVE 6  
<gasp> Two unattended tree stumps  
in a Stump Free Zone?! How many  
times have we gone over this  
people?

6A He approaches one of the stumps. Just as he reaches it, the 6A  
top pops open and COOPERTINA springs from it.

6B COOPERTINA 6B  
Not enough!

7 STEVE 7  
<AH!>

7A Steve spins around as GUS springs from the other stump! 7A

7B GUS 7B  
I'm a tree stump!

8 STEVE 8  
<AH!>

8A The twins, in construction boots and reflector vests, run a circle around him, then stop to do a hand shake, wiggling their fingers at each other. June <GIGGLES>. 8A

8B GUS/COOPERTINA 8B  
Twinning!

8C COOPERTINA 8C  
Can't believe you fell for the  
Chump Stumps again.  
(pointing at herself)  
I bring the stumps...

8D GUS 8D  
(pointing at himself)  
...and I bring the chump!

Coopertina takes Gus' hand and points it at Steve.

8E GUS (CONT'D) 8E  
Oh right, Steve's the chump.

Steve points at Gus.

8F STEVE 8F  
I've had enough of this codswallop  
from you Coop!  
(completely flustered)  
I mean Gus! I mean... YOU TWINS ARE  
QUITE THE BOTHER!!!!

Steve stomps off.

16 GUS 16  
Does he not know the difference  
between us?

17 COOPERTINA 17  
Not when he's flustered, I guess.

18 JUNE 18  
(amused)  
<giggle> Seems pretty easy. Coop is  
for sure taller. And purpler.

19 GUS 19  
And smarter and funnier and  
classier!

19A June watches Coopertina slide her butt across the ground. 19A

19B COOPERTINA 19B  
Oh yeah, I'm so classy.

20 JUNE 20  
So... what are my favorite beaver  
twins working on next?

20A Coop points up. PULL OUT to see the massive GRAND WONDER ~~20A~~  
all of its wooden glory.

21 GUS & COOPERTINA 21  
The Grand Wonder!

21A GUS/COOPERTINA 21A  
(Echo effect)  
Wonder, wonder, wonder, wonder.

EXT. WONDERLAND - BASE OF THE GRAND WONDER - MOMENTS LATER

June, Gus, and Coop walks around the base of the track.

22 GUS 22  
The G-Dub is the first ride we ever  
went on! We ride it together every  
single day at noon.

23 COOPERTINA 23  
Look at all that classic woody  
coaster woodness. It's our *favorite*.

24 GUS & COOPERTINA 24  
Savor it... <drooling>

June <SNAPS> in their faces to get their attention back.

25 JUNE 25  
So why are you working on the  
Wonder? Doesn't look broken to me.

26 GUS 26  
Of course it doesn't!

27 COOPERTINA 27  
That's because we replace a track  
lattice everyday to really make it  
sparkle.

28 JUNE 28  
What do you guys do with all those  
old planks?

29 GUS 29  
Well...

SNAP TO:

EXT. WONDERLAND - GRAND WONDER - EARLIER THAT DAY

Coopertina shoves wood into Gus' wood chipper-like mouth.

29B COOPERTINA 29B  
(like a coach)  
Yeah! Chop that wood! You're a  
champion!

29C GUS 29C  
Give me more! Give me more!

29D COOPERTINA 29D  
Yeah you're hungry! You're hungry!

29E GUS 29E  
I'm hungry! I'm hungry!

EXT. WONDERLAND - GRAND WONDER - RESUME PRESENT

30 JUNE 30  
Got it.

29A Gus lets out a loud <BURP>. Wood chips fly from his mouth 29A

30A JUNE (CONT'D) 30A  
Well, carry on!

June starts to head off. Gus throws on his HARD HAT and stands back to back with Coop.

31 GUS 31  
Oh! Hey June, who's taller now?!

31A Gus <Inhales deeply> to make himself bigger. 31A

32 JUNE 32  
Still Coop.

32AA Gus <exhales> disappointedly. 32AA

32A GUS 32A  
Her head's got extra inches for  
that big ol' brain.

32B JUNE 32B  
Chin up Gus. At least you're older.

33 GUS 33  
Wait! I'm... the oldest?

34 JUNE 34  
By a whole six seconds.

35 GUS 35  
Really?! How do you know?

36 JUNE 36  
Mom and I created everything here,  
including you two. And I created  
you first.

36A GUS 36A  
I'm the oldest...

EXT. WONDERLAND VARIOUS - DAY

Gus and Coop bound along together.

37 COOPERTINA 37  
I'm so hungry I could eat a forrest.

38 GUS 38  
Samesies. Since I'm the oldest, I  
decide where we eat!

39 COOPERTINA 39  
Sounds reasonable.

Coop shrugs, she's not *totally* bothered by the idea.

40 GUS 40  
And I'm in the mood for some Waffle  
Shack!

EXT. WONDERLAND - WAFFLE SHACK - DAY

We PAN UP the building to see Coop and Gus sitting on the  
roof, eating actual wooden pieces of the Waffle Shack.

41 COOPERTINA 41  
Lemme get that maple syrup.

42 GUS 42  
It's pine sap... and it's gone.  
Sorry. Older sibs dibs.

42A He holds up an empty bottle. His face is a sticky mess. ~~Coop~~ 42A  
<SIGHS>.

EXT. WONDERLAND - SOUVENIR KIOSK - DAY

Coop tries on a new hat.

43 COOPERTINA 43  
Lookin' supes fresh!

Suddenly, Gus plucks it from her head and hands it to a CASHIER WONDER CHIMP.

44 GUS 44  
I'll take this hat, please.  
(off Coop's scoff)  
You can have my old one.

Gus whips out a GIANT, FURRY, RUSSIAN-TYPE HAT.

45 COOPERTINA 45  
I don't want this. It's silly!

46 GUS 46  
It's supposed to be. That's why  
they call it a hammy down.  
(to cashier)  
Keep the change.

47 COOPERTINA 47  
It's a hand me down!

48 GUS 48  
Like I said... oldest always gets  
first crack at new stuff.

Coop narrows her eyes, she's miffed. That is, until the sound of music fills the area. The CHIMPAN-BAND approaches.

49 COOPERTINA 49  
Gus, the Chimpan-Band... it's noon!  
And you know what that means.

Gus and Coop share an excited look...

50 GUS & COOPERTINA 50  
Grand Wonder time! Yeah!

The twins excitedly rush off.

EXT. WONDERLAND - DAY

Gus and Coopertina run towards the Grand Wonder.

50A/B

GUS/COOPERTINA  
 Grand Wonder! / Grand Wonder! /  
 Grand Wonder! / Grand Wonder!

50A/B

EXT. WONDERLAND - GRAND WONDER LOADING PLATFORM - DAY

A WONDER CHIMP loads passengers into the coaster's train as the beaver twins screech up to the ride. <SCURT>, Gus over runs it then throws on the breaks. Coop is first in line.

The Chimp motions for Coop to sit in the front row, but there's only one seat left because of the OTHER PASSENGER.

50E

WONDER CHIMP (RIDE LOADER)  
 Room for one in the fabulous front!

50E

51

COOPERTINA  
 It's okay. Me and my sibling will  
 just silently sit here and wait for  
 the next ride.

51

Gus barrels past her.

52

GUS  
 I call dibs on that front seat!

52

He hops in. Coop looks confused. (NOTE: Throughout the following conversation, the Wonder Chimp's eyes track back and forth between Gus and Coop like he's watching tennis.)

53

COOPERTINA  
 But, we always ride in the front  
 cart... together.

53

54

GUS  
 That was before we found out I was  
 older. Older always rides first.

54

55

COOPERTINA  
 Gus, we've never *not* ridden  
 together!

55

56

GUS  
 First time for everything I guess.  
 Just like I was born first! Haha!  
 You can ride on the next one.

56

Coop takes this in for a beat. She's finally had enough.

57

COOPERTINA  
 <scoff> No! You've been big timing  
 me all day.  
 (MORE)

57

COOPERTINA (CONT'D)

For someone who keeps claiming to  
be older, you're actin' real  
immature!

58 GUS 58  
Is that anyway to talk to your  
elders?

58A WONDER CHIMP (RIDE STARTER) 58A  
Have a wondrous ride!

58B GUS 58B  
Woo! I love being older!

<WHOOSH!> The coaster train zips off.

59 COOPERTINA 59  
You're six seconds older!

Coop sighs as the next train rolls up. The Wonder Chimp  
offers her the front cart.

59A WONDER CHIMP (RIDE LOADER) 59A  
Now boarding the grandest seat on  
the Wonder.

60 COOPERTINA 60  
I don't really feel like riding anymore.

She slinks off.

EXT. WONDERLAND - GRAND WONDER FERRIS WHEEL - LATER

Coop and June sit slowly spinning atop the FERRIS WHEEL. It's  
a stark contrast from the zipping Grand Wonder coaster below.

61 JUNE 61  
Nice view up here.

62 COOPERTINA 62  
I guess so.

63 JUNE 63  
What's wrong Coop? Where's Gus?

Coop points down as we QUICK CUT TO:

63A Gus on the coaster, <YELPING> in delight as his beaver cheeks  
flap in the wind like a dog hanging out a car window.

BACK ON Coop and June.

64 COOPERTINA 64  
Ever since ya told him he was older,  
he's been acting all superior.

QUICK CUT TO - Gus having a blast on the coaster.

65A GUS 65A  
Being older is the best!

BACK ON Coop and June.

64 CONT'D COOPERTINA 64 CONT'D  
Took the front cart on the G-Dub  
without me!

65 CONT'D JUNE 65 CONT'D  
(off Coop's sad nod)  
Aw. This is totally my fault.

66 COOPERTINA 66  
It's always been the two of us in  
that front cart. It's got the best  
view, and is the best spot for  
maximum cheek flappage.  
(off June's confused look)  
Like this...

Coop starts jiggling June's cheeks back and forth. Beat.

67 JUNE 67  
Coop, I got it!  
(Coop stops jiggling)

68 COOPERTINA 68  
Oh, sorry.

69 JUNE 69  
No, I meant I have a plan. Keep  
jiggling, it feels good.

Coop does a slow jiggle to June.

70 JUNE (CONT'D) 70  
It's my job to keep the wonder in  
Wonderland, and you and Gus are not  
very wondrous today, and I know how  
to fix that! let's go!

The ride slowly spins.

71 JUNE (CONT'D) 71  
...As soon as this ride's over.

INT/EXT. SKYFLINGER/GRAND WONDER - DAY

71A JUNE 71A  
Time to Wonder-ize!

MUSIC UP as we enter a series of QUICK CUTS:

- <CLICK> A determined June straps herself in.
- She pulls a pair of goggles over her face and motions.
- The mascots stand below, watching June's plan unfold.

73 BOOMER 73  
(munching on popcorn)  
Hey guys, what's going on?

74 PEANUT 74  
June's making the things again.

75 BOOMER 75  
Oooo, I love the things!

Boomer tries to catch popcorn in his mouth but dumps it on his head.

75A BOOMER (CONT'D) 75A  
Hey, you guys want some pie-corn?  
It's pie flavored popcorn.

- BACK ON June who nods, the chimps nod. It's go time!
- A Wonder Chimp stands with a RIDE CLOSED SIGN in front of <disappointed> PARK GUESTS
- Wonder Chimps in construction gear fire up JACK-HAMMERS.

75B WONDER CHIMP (CONSTRUCTION WORKER) 75B  
<Jack hammer noises>

- Her work is a spectacle to behold, like a movie. As each mascot speaks, they pass a tub of POPCORN down the line.
- The Skyflinger "robot" raises a large piece of the coaster.

79 JUNE 79  
Almost there.

79A WONDER CHIMP (CONSTRUCTION WORKER) 79A  
<Jack hammer noises>

- The Skyflinger hums under June's control as sparks fly, metal grinds and steel is hammered!

89 JUNE 89  
Bingo. Now Gus can't say he gets  
front row because he's older.

89A COOPERTINA 89A  
Because everybody gets the front  
row!

90 JUNE 90  
(throwing arm around Coop)  
Now, go find your brother, I want a  
full ride report by this afternoon!

An excited Coop scurries off to find Gus.

EXT. SMOOTHIE STAND - LATER

Later, June is scanning the park when she comes up on the  
mascots huddled by the Smoothie Stand.

91 JUNE 91  
Hey guys, have you seen Coop  
around? I can't find her.

92 BOOMER 92  
I saw her by the park entrance, but  
that was ages ago!-- No, more than  
ages, eons-- no, eternities ago!

93 STEVE 93  
It was a significant measure of time  
ago. We got it, Boomer.

94 PEANUT 94  
Actually, she's still there.

95 JUNE 95  
How do you know?

96 PEANUT 96  
I got eyes and bunny ears everywhere.

Peanut winks to something O.S.. REVEAL a BUNNY WONDERCHIMP  
giving a thumbs up before it slowly lowers back under a  
MANHOLE COVER in the street.

EXT. WONDERLAND - BACK OF LINE - DAY

A bored Coop stands, tapping her foot as June spots her.

97 JUNE 97  
There you are! Hey Coop! Did my new  
ride fix your problems with Gus?

98 COOPERTINA 98  
I haven't gone on the ride yet.

99 JUNE 99  
Huh? Then what are we waiting for?  
Let's go get in line.

June takes Coop's hand to pull her off. Coop stops her.

100 COOPERTINA 100  
June... we are in line. See!

She points ahead as we PULL OUT to a WIDE SHOT of the whole  
park. The line is MASSIVE, snaking through all of Wonderland!

101 JUNE 101  
How could this-- wait, where's Gus?

102 COOPERTINA 102  
He's way up there in line. Wouldn't  
let me in front of him cuz he's  
older and then it looked like I was  
budging the person behind him. It  
was a whole thing!

102A JUNE 102A  
He's still pulling that? I think  
it's time to remind Gus where he  
really stands.

Coop looks at June eagerly as if anticipating a punchline...  
which never comes. June grabs Coop, leading her off.

102B COOPERTINA 102B  
*In line.* Where he really stands *in*  
*line.* You had the joke right there!

EXT. GRAND WONDER LOADING PLATFORM - MOMENTS LATER

Gus is next in line to board.

102C WONDER CHIMP (RIDE LOADER) 102C  
Enjoy your Front of the Wonder  
experience.

102D GUS 102D  
Aw yeah! Finally my turn for some  
Front of the Wonder action.

But right as he's about to board he's tapped on the shoulder.

102E JUNE 102E  
Uh, Gus, what do you think you're  
doing?

Gus turns to see June and all the mascots in line behind him.

102F GUS 102F  
Uh, riding this awesome ridey-ride  
you just made.

102G JUNE 102G  
Yeah, but, Boomer's older than you  
so he should go first.

102H GUS 102H  
What?! I was here first! He  
shouldn't get to go before me just  
cuz he's older!

June and Coopertina smile and high-five as if thinking they  
taught Gus a lesson... but he just stares blankly at them.

102I JUNE 102I  
Seriously?

102J COOPERTINA 102J  
Did you just hear yourself?

102K GUS 102K  
I don't listen to me!

102L June <sighs> and motions for Boomer to ride the ride. As 102L  
Boomer walks past Gus to board he hands him his pie-corn.

102LL JUNE 102LL  
You're up, Boomer.

102M BOOMER 102M  
Can you hold my pie-corn?

Gus stares flabbergasted as Boomer gets in the cart. Boomer  
shouts in a panic as the coaster car rides off:

102N BOOMER (CONT'D) 102N  
I forgot I hate roller coasters!

102O GUS 102O  
Fine. Now it's my--

102P JUNE 102P  
Nope. Steve is older than you too.

June pushes Steve ahead of Gus.

STEVE

Uh, I'm actually 42 years old.  
(Beat). In Porcupine years!

Steve boards the ride.

102Q STEVE (CONT'D) 102Q  
Oh, this is quite nice. Wait! I  
haven't even inspected this yet--

Steve rockets off panicked as well. Gus is getting angry now.

102QQ WONDER CHIMP (RIDE LOADER) 102QQ  
Have a wonder-ific journey!

102R GUS 102R  
Being older doesn't make Steve  
better than me!

June and Coop stare at Gus who just stares back. Before they can speak, Greta barrels past Gus and hops on the ride.

102S GRETA 102S  
<snort> He still doesn't get it, so  
I get a turn to be older than Gus  
too! Later, young'n! <battle cry!>

As Greta rides away, Gus loses it.

102T GUS 102T  
This is not fair! BEING OLDER  
DOESN'T MAKE YOU BETTER!

102U COOPERTINA 102U  
Gus! Will you please listen to  
yourself!

102V JUNE 102V  
I got that covered.

June holds up her PHONE playing back Gus's last line to him looped over and over: "BEING OLDER DOESN'T MAKE YOU BETTER!"

102W GUS 102W  
Hey! That's me! And I'm saying the  
same thing over and over and--  
(suddenly realizing)  
Ohh I get it.

Gus slowly turns and locks eyes with Coop.

102X GUS (CONT'D) 102X  
This yucky feel I got right now is  
how I've been making you feel all  
day, isn't it?  
(off Coop's doe-eyed nod)  
Aw, Coop, I am so, SO--

Coop dives at Gus and hugs him.

102Y COOPERTINA 102Y  
I can't stay mad at you when you  
so, SO clearly can't help yourself.

102Z JUNE 102Z  
Well my work here is...

As June speaks she turns around to see the line is still long  
as ever and the <crowd is getting rowdy>.

102AA JUNE (CONT'D) 102AA  
...completely not done.

102BB GUS 102BB  
Yeah, they sound like they're gonna  
riot.

102CC COOPERTINA 102CC  
What're we gonna do? It's not like  
we can give 'em all a turn at once.

June gazes up at the Grand Wonder racking her brain when...

102DD JUNE 102DD  
Hmm. Or can we...?

102EE GUS 102EE  
Can we what?

June holds up her phone again this time playing Coop's voice  
on a loop: "give 'em all a turn at once." as we REVEAL June  
is staring up at the Grand Wonder Ferris Wheel...

EXT. WONDERLAND - GRAND WONDER - LATER

June stands in front of the crowd, raising a MEGA PHONE. The  
mascots are beside her, staring up in awe.

128 JUNE 128  
Attention, Wonderland! I present,  
for your riding pleasure, the new  
and improved... Grand Wonder Wheel!

128A The crowd <CHEERS> as we PULL OUT to see the giant Ferris Wheel rolling on the coaster track, acting as a ride cart. 128A

129 JUNE (CONT'D) 129  
With our new rotating seats,  
everyone gets a front row view. And  
the best part is, it's double the  
action, with none of the wait!

130 BOOMER 130  
Her wondrous wonders never cease.

Boomer tries to catch pie-corn in his mouth but dumps it on his head. The beaver twins look at each other, then the crowd...

131 GUS & COOPERTINA 131  
We got first dibs!

As they rush off to ride the Grand Wonder Wheel together, we...
