EXT. WONDERLAND - ZERO G LAND - DAY

CLOSE ON a BLUE PRINT of plans for something resembling a classic carnival Fun House, with a few added "wonders".

1 JUNE (O.S.) 1
It's called... THE FUN HOUSE.

WIDEN TO REVEAL - JUNE and Bunky holding up the blue print for BUNKY. The CAMERA ROTATES TO REVEAL they are floating upside down in Zero G Land.

2 BUNKY 2
That name is remarkably accurate,
because it's both fun *and* a house!
But why bring me all the way to
Zero G Land to tell me about it?

2A Bunky takes a long, satisfied <slurrrrrp> of a WONDER GULP (a 2A
big drink cup) as June shows Bunky more of its features.

3 JUNE 3
Because it won't be just a *regular*
old Fun House. It will have a Zero
G MAZE! The bendiest bendy straw
slides! And not only that -

June looks up. REVEAL: Bunky has disappeared.

4 JUNE (CONT'D) 4
Bunky? Where'd he go? Huh.

DISSOLVE TO:

EXT. WONDERLAND - MOON LAND - NEXT DAY

June leads Bunky down the street and stops at a TRASHCAN.

5 JUNE 5
So, I figure, why stop our fun at a
house when we can fun up everything
at Wonderland. Check it out!

6 BUNKY 6
Um. <sip> You mean this... trash can?

7 JUNE 7
Yeah, but it's not just a *regular*
old trash can...

June swipes an EMPTY WONDER GULP CUP from Bunky's hand.

8 JUNE (CONT'D) 8
...it's a FUN trash can!

She tosses the cup to the can. It sprouts wheels and MECHANICAL ARMS. It catches the cup and "eats" it.

9 JUNE (CONT'D) 9
Fun, right?

June turns to Bunky, and realizes: *he's nowhere in sight*. A WONDER CHIMP sweeps the abandoned street.

10 JUNE (CONT'D) 10
Aaand I'm talking to myself again.

Fun Trashcan <burps>.

DISSOLVE TO:

EXT. WONDERLAND - MAIN STREET - NEXT DAY

10A June is showing Bunky a SEWER COVER, while again Bunky 10A
<slurrrrrps> on a Wonder Gulp.

11 JUNE 11
Now you might be asking, how can
one possibly fun up a *regular* old
sewer cover. *

Behind June the sewer cover blasts off as CRASH LANDERS rockets from the sewer into the air with a SHOT OF CONFETTI.

12A WONDER CHIMP (CRASH LANDERS) 12A
I just pulled a stinky stunt!

12AA JUNE 12AA
Eh Bunky?

She looks over at Bunky: *he's gone AGAIN!*

12 JUNE (CONT'D) 12
What in the wonder...?

TIME DISSOLVE:

LATER. June sits on a bench waiting for Bunky. In the background, the "Fun Trash Can" steals a banana from a Chimp.

TIME DISSOLVE:

EVEN LATER. June, is STILL waiting for Bunky, lying on the bench. She checks her watch. In the background, a group of Chimps chase after the trash can.

12B JUNE (CONT'D) 12B
Where's Bunky?

TIME DISSOLVE:

EVEN LATER STILL. June is still waiting for Bunky, now upside down on the bench. In the background, the trash can is now chasing the Chimps. Bunky walks up, nonchalant, sipping another Wonder Gulp.

12C JUNE (CONT'D) 12C
<sigh> What's taking him so long?

13 BUNKY 13
Oh, hey June! *

14 JUNE 14
Bunky you keep disappearing. Where
you been? *

15 BUNKY 15
<Sluuurp> The bathroom.

16 JUNE 16
The bathroom habits of my friends
are usually none of my business,
but you've kinda been gone a long
time.

17 BUNKY 17
Yeah. I go at home. And it's not
like my house is around the corner
since it's in another dimension and
all. Plus, I usually grab a Wonder
Gulp on my way back. <slurrrp>
These things are the business!

18 JUNE 18
You do realize there are bathrooms
right here in the park?

19 BUNKY 19
Yeah... but I have this thing with
public bathrooms... In that I
prefer to avoid them at all costs.

20 JUNE 20
Yeah. I get that. Public bathrooms
can be pretty gross. But you don't
have to worry about that here at
Wonderland. Our wondrous cleaning
crew is right on top of everything.
Observe!

31 JUNE 31
Great. Here's what I'm thinking:
It'll have optical illusion tiling,
surprise hand dryer blasts... you
know, classic fun house favorites
with a bathroom twist. *

32 COOPERTINA 32
I love twists!

33 GUS 33
And I love bathrooms!

34 JUNE 34
Perfect. I'm counting on you guys
to do a bang-up job.
(grandly)
It's bathroom time!
(realizing)
I mean... go to the bathroom!
(realizing again)
Nope. Still sounding weird. Uh...
Just have fun building it!

35 GUS / COOPERTINA 35
Oh, we will!

The beavers tail-five.

EXT. FUN BATHROOM - DAY - LATER

A team of CONSTRUCTION CHIMPS (supervised by Gus and Coop)
are hard at work on the new bathroom. They haul in lumber,
toilet paper, large pipes, and wonky fun-house mirrors.

June and Bunky stroll up both sipping Wonder Gulps.

36 JUNE 36
You're right, Bunky. These Wonder
Gulps are "the business".

Bunky catches his reflection in one of the fun-house mirrors,
which makes him look extra tall and buff.

37 BUNKY 37
Well, hellooo there, handsome!
<flexing> Mom is right about me.

A Chimp gives him a weird look and hauls the mirror off. June
looks at the Fun Bathroom, impressed.

38 JUNE 38
Awesome work, wonder team!

39 COOPERTINA 39
Thanks! Everybody's been workin'
super hard.

40 GUS 40
And now we're super *pooped*! I made
a bathroom joke, y'all!
(then)
But don't worry. We definitely
didn't put any bathroom jokes or
pranks INSIDE the Fun Bathroom.
(Coop slaps his head w/ her tail)
I mean we did.
(slap)
I mean we didn't.
(slap, then to Coop)
Just tell me what you want me to
say!

41 COOPERTINA 41
It's all done. The Fun Bathroom is
ready for you to experience.

42 JUNE 42
Ready to give your big idea a try?

43 BUNKY 43
My idea... right... well, I have
drunk my weight in Wonder Gulps
today. <slurp> So let's get going.

They finish their Wonder Gulps. June takes the empty cups.

44 JUNE 44
May I? This never gets old...

June playfully tosses them in the air. Once again, Moppy
Buckets appears and catches them before they land.

45 WONDER CHIMP (MOPPY BUCKETS) 45
Every day sparkles in Wonderland.

46 JUNE 46
Thanks to you, Moppy Buckets.

INT. FUN BATHROOM - TILED HALLWAY 1 - DAY - CONTINUOUS

June leads Bunky down a long labyrinthine hallway. It looks
like a classic Fun House, with vibrant optical illusions
tiled on the walls.

47 JUNE 47
Wow! Gus and Coop did a great job
on these optical tile-usions.

Bunky stares and kind of swats at one of the designs.

48 BUNKY 48
Yeah, if you stare at them long
enough, you see a toilet.

49 JUNE 49
If you like those you're gonna love
hand-dryer Alley!

June and Bunky begin walking again. as they enter...

INT. FUN BATHROOM - AIR-BLAST ALLEY - CONTINUOUS

50 BUNKY 50
Hand-dryer A--

50A/B On cue, June and Bunky get HIT by an AIR BLAST from a HAND 50A/B
DRYER on the wall. Just as they're about to slam into the
opposite wall, another hand dryer blasts them in the opposite
direction. This continues, causing them to fly down the
hallway in the hand dryer winds. They <laugh> enjoying it.

INT. FUN BATHROOM - SANITIZER GEYSER RAPIDS - CONTINUOUS

50C/D June and Bunky tumble, <laughing> into a LARGE INDOOR 50C/D
CHAMBER. They see a precarious "TOILET PAPER BRIDGE", which
stretches above a roaring/goopy HAND SANITIZER RIVER below.

51 BUNKY 51
While I am enjoying your Fun
Bathroom experience, June--

52 JUNE 52
Our Fun Bathroom experience.

53 BUNKY 53
Is there a fun toilet in our fun
future? Cause those Wonder Gulps
are catching up to me.

54 JUNE 54
No worries, the Fun Finale
Flushtacular is right over this
bridge.

Bunky places his foot on the bridge, then hesitates.

56 BUNKY 56
Is this a bridge made out of...
toilet paper?

56A Bunky looks down. A horizontal GEYSER ERUPTS, BLASTING FLOW 56A
into a roaring river of hand sanitizer. Bunky <gulps>.

57 JUNE 57
Yup! But don't worry, it's totally
safe. At Wonderland we only use
five-ply TP.
(wiggling bridge)
Sturdy...
(then rubs face cheek on bridge)
...and soft on your cheeks.

She leads Bunky across the bridge. He looks at the sanitizer.

58 BUNKY 58
I'm just trying to keep all my
cheeks dry, June!

Bunky cautiously steps on a plank.

59 BUNKY (CONT'D) 59
Uhh... Is this TP plank *single-ply*!?

INSERT FLASHBACK: Gus and Coop deviously peel plies off the
"TP plank".

60 & 64 GUS / COOPERTINA 60 & 64
(alternating)
Four ply / three ply / two ply /
single ply

BACK TO: Bunky's foot on the plank. We hear a RIPPING SOUND.
Bunky and June exchange a scared look.

64A BUNKY 64A
Oh no! The TP's tearing! Ahh!

65 JUNE 65
RUNNNNN!

As the bridge starts to split in the middle, they RACE to the
end, safely reaching the other side, just as the bridge
flutters into the river below. They look down relieved.

66 JUNE (CONT'D) 66
<Whewf> Sorry about that. Probably
should have had Steve do a safety
inspection.

84 COOPERTINA (CONT'D) 84
In retrospect, it was probably too
much fun for a bathroom.

85 GUS 85
We're not even sure if it ends.

86 COOPERTINA 86
We're super sorry for over funning
the fun bathroom, June. If it's any
consolation, we're about to suffer
the consequences.

87 BUNKY 87
Umm... while we are all confessing
some things, I should probably get
something off of my bladder.
(beat)
My problem with public bathrooms
isn't that they aren't fun.
The truth is... I was too
embarrassed to tell you why I don't
like them.

88 GUS 88
Are you scared of falling in?
Because I was too, but then it
happened, and it wasn't that bad.

89 BUNKY 89
Oddly, I'm way weirder than that.

FADE TO:

INT. BUNKY'S HOUSE - BATHROOM - YEARS LATER

Present-day Bunky stands in the bathroom. Steam pours from
the shower like a smoke machine at a concert.

92 BUNKY (V.O.) 92
I have a pre-bathroom ritual, and I
can't go without it.

Bunky grabs a toothbrush like a mic as he tears into his
signature hardcore Broadway rap style.

93 BUNKY 93
("rapping")
*Here in the potty in my big boy body,
I feel my bladder. It's fatter and fatter,
On the throne. Alone. Gettin' in the zone.
Yeah, Big Bunky's dope flow has me ready to...*
(MORE)

BUNKY (CONT'D)
(*Bunky's eyes widen*)
...GO!!!

Bunky drops down off screen. The toilet <flushes>.

CUT BACK TO:

INT. FUN BATHROOM - TILED HALLWAY 2 - CONTINUOUS

June, Gus, and Coop listen to Bunky's tale.

94	BUNKY	94
	Now I can't "go" without my song.	
95	JUNE	95
	I totally get why rapping in a public bathroom might be an issue. But Bunky, we're best friends. You can always be honest with me.	
96	BUNKY	96
	Ok. Honestly, I can't hold it anymore.	
97	JUNE	97
	Honestly?... Neither can I!	
98	GUS & COOPERTINA	98
	Neither can we!	
99	JUNE	99
	Okay. Look. I'm not ready to give up, but this might end in a situation we're not gonna want to speak of. (heartfelt to Bunky) But if there has to be a situation like this, there's no person I'd rather not speak of it with than you. (then, to Gus & Coop) And no beavers I'd rather not speak of it with than you guys.	
100	GUS	100
	That would mean a lot more if you knew other beavers.	
101	BUNKY	101
	OUR BLADDERS ARE ABOUT TO BLOW!!	

Widen to reveal Moppy Buckets standing eagerly next to them.

102 JUNE 102
Not yet, Moppy. You're ahead of
schedule.

Moppy hangs his head in despair.

103 JUNE (CONT'D) 103
Don't worry, we'll need you soon!

Moppy gives a thumbs up, hops in his bucket and rows away
with his mop.

104 BUNKY 104
How does he get everywhere so fast?

They see Moppy flip up a sewer cover with his mop and row
straight into the sewer. June brightens at this.

105 JUNE 105
<gasp> Escape route!

The group rushes over to the manhole and looks down into the
sewer, clearly grossed out by the notion of going down there.

108 BUNKY 108
Are we sure this is the only
option?

June sticks a hand in her pocket and lights up with an idea.

109 JUNE 109
Unfortunately, it is. But I have an
idea to improve the experience!

June whips a WRAPPER out of her pocket and tosses it into the
air. It floats down the manhole. The group watches after it.

CLOSE UP: The wrapper falls. A WONDER CHIMP hand snatches it
out of the air.

GROUP POV: Down in the sewer pipe, Moppy floats below in his
bucket towing a GIANT BUCKET behind him.

110 WONDER CHIMP (MOPPY BUCKETS) 110
Moppity Hoppity in!

111 JUNE 111
(elbowing Bunky)
This guy, amiright?

The group hops in the bucket to float down the sewer.

120 BOOMER 120
It's like a reward for doing your
business!

120A/B Boomer takes Bunky's Wonder gulp, <sips> it, and then <ooh!> 120A/B
rushes back to the bathroom.

121 BUNKY 121
Unfortunately, it doesn't quite
solve my bathroom issue. Speaking
of which...
(drains Wonder Gulp)
...duty calls. I'll see ya in an
hour or five.

122 JUNE 122
Not so fast. You need to see
Wonderland's newest wonder first.

123 BUNKY 123
Unless you wondered me a new pair
of pants, Big Bunky's gotta bounce.

She leads him up to a normal looking BATHROOM.

124A JUNE 124A
Taa-daah!

125 BUNKY 125
Uh, June. Do we have to go over my
public bathroom thing again?

126 JUNE 126
Nope! Your bathroom song is part of
what makes you a one-of-a-kind best
friend. I want you to be
comfortable being yourself with
me... and in Wonderland.

She points to a PLAQUE on the door. Bunky reads it --

127 BUNKY 127
"Bunky's PRIVATE VIP Bathroom. No
Non-Bunky's Allowed."
(then, touched)
No way!

128 JUNE 128
Yes way! And I added some special
features: Smoke machine, stage,
mic, and your very own, top of the
line, personal, only for Bunky
Wonder Toilet.

The Fun Trashcan <flushes> and exits leaving trash in its wake.

June and Bunky stare at fun Trashcan mouths agape until Moppy Buckets wheels up enthusiastically with his mop and starts picking up the trash.

Beat, then...

129

JUNE (CONT'D)
(elbowing Bunky)
This guy, amiright!?

129

END OF SHOW.
