BOOMER FINDS HIS FAMILY

AMUS 009

Conformed Script: 10/17/18

11 JUNE 11
Aw, we've talked about the corny
dad jokes.

12 BOOMER 12
I wish I had a dad who made jokes
out of corn. Also now I'm hungry.

13 DAD 13
Well I have just the cure. This pie
is actually for you.

14 BOOMER 14
Really?! For me?

15 MOM 15
Henry's been working for weeks in
our Bailey kitchen "cave" to come
up with the perfect pie for you.

16 BOOMER 16
A Bailey kitchen cave? Sounds cozy.

Boomer nibbles at the pie, savoring it.

18 BOOMER (CONT'D) 18
This is amazing! Oh! We should have
these here at Wonderland. We can
call it... June's Best Ever Warm
and Fuzzy Family Pie!

EXT. BOOMER'S BELLY FILLERY - LATER

Boomer stares at the pie lovingly while he kneads dough.
MUFFIN TOP (a Wonder Chimp wearing an apron and chef hat
topped with a muffin top) stands by with ingredients.

19 BOOMER 19
Gee, June sure is lucky to have a
family like that. I bet each day
starts with pies and hugs.

20 WONDER CHIMP (MUFFIN TOP) 20
A warm pie hugs your belly all day.

As Boomer speaks he continues to hug and nibble the pie.

21 BOOMER 21
You're right, Muffin Top. They
probably DO have pies and hugs all
day. Pies and hugs for lunch. Pies
and hugs for dinner.

(MORE)

BOOMER (CONT'D)
 Pies and hugs for second dinner.
 Pies and hugs for good night
 kisses.

23 BOOMER (CONT'D) 23
 I could get used to that.

Boomer finishes the pie, licking the tin, when he notices a NOTE from Dad written on the bottom of the pie tin.

24 BOOMER (CONT'D) 24
 <gasp> A note from June's Dad?
 "Pies and hugs! Love, the Bailey
 Family." <silly gasp>

25 WONDER CHIMP (MUFFIN TOP) 25
 That's the icing on the muffin!

26 BOOMER 26
 You're right, Muffin Top. It's like
 I was meant to join June's family.
 But they've already left for
 Juneland. <gasp>.
 (hugging the pie tin)
 I'll go find them!

Boomer runs off, still hugging the pie tin. Muffin Top watches him go. Beat. Then jumps in a mixing bowl.

EXT. WONDERLAND GATES - MOMENTS LATER

Still clutching the pie tin, Boomer places a STANDEE of himself at the front of the park.

27 BOOMER 27
 Okay, Flat Boomer. Make sure you
 greet every WonderSeeker with a
 park map so they know where to find
 the Wonder.
 (places pie tin at its feet)
 You can have this for luck. There
 will be plenty of these where I'm
 going!

27A Boomer turns towards the portal. Stops. Turns around stealing one last <lick> of the tin, then heads through the portal.

EXT. WOODS - CONTINUOUS

Boomer comes through the portal. He's never seen a forest.

28 BOOMER 28
(awe)
Wow. Everything here is so... trees.
I'll never find June's Family
without a map of JuneLand. I wonder
where the greeter is.

Boomer hears a <chitter> and turns to see a SQUIRREL staring
at him.

29 BOOMER (CONT'D) 29
Oh hello tiny little JuneLand
greeter. Can you please point me
towards June's family? I'm gonna be
part of it.

The Squirrel <chitters> and runs off.

30 BOOMER (CONT'D) 30
Oh, you're gonna take me there
yourself? Now that's quality
service! Flat Boomer just points.

Boomer lopes off after the Squirrel.

WONDER WIPE TO:

INT. WONDERLAND - CLUBHOUSE - LATER

June is showing off her Mini-Flinger to GUS and COOPERTINA.

31 JUNE 31
...And the coolest part is that we
have realistic Flinger action.

32 COOPERTINA 32
That's great. Wachoo gonna fling
with it?

33 JUNE 33
You know what, Coop, I didn't even
think about that. But I bet I know
two beavers who'd have a great time
figuring that out.

34 GUS 34
You know two other beavers? Aw man.
I really wanted us to do that.

35 COOPERTINA 35
She means *us*, Gus.

44 STEVE 44
Precisely. Thank you. To understand
my current grievance with Peanut,
you'll need a bit of context. Four
years ago...

WONDER WIPE TO:

EXT. WOODS NEAR A CAVE - SAME

Boomer wanders aimlessly in the woods.

45 BOOMER 45
Tiny Greeter...? Tiny Greeeeter...?
I seem to have lost--

Boomer gets distracted when he spots... a CAVE.

46 BOOMER (CONT'D) 46
<gasp> Oh, a cave! This must be
June's cozy family kitchen they
were talking about. THANK YOU, TINY
GREETER! <sniffs> I don't smell any
Baileys. They must not be home yet.
I'll just make myself comfortable
and wait.

Boomer wanders into the...

INT. CAVE - CONTINUOUS

Boomer enters and looks around.

47 BOOMER 47
Hmmm... this kitchen doesn't seem
to have a lot of kitchen stuff.

Boomer spots THREE LARGE FURRY LUMPS.

48 BOOMER (CONT'D) 48
At least they have chairs.
(settling into one)
Ahh. They're like big furry bean
bags... without the beans.

The "chair" rustles. Boomer turns to find himself face-to-
face with a VERY REAL BEAR (that has just raised his head).

49 BOOMER (CONT'D) 49
Oh, hello.

The other "chairs" raise their heads. Boomer stands, amazed.

50 BOOMER (CONT'D) 50
You aren't chairs. You're bears. A family of bears. Wait... are there other families in JuneLand? Bear families? <GASP> I'm a bear! Maybe this is supposed to be my family. Oh I need to sit down...

He sits back down on the bear. It <grunts> at him.

51 BOOMER (CONT'D) 51
Oh, do bear families not sit on each other? I have so much to learn.

Boomer scoots off the bear and all three bears begin <sniffing> Boomer.

52 BOOMER (CONT'D) 52
<giggling> Family tickles. I hope this goes on for as long as Steve talks...

WONDER WIPE TO:

EXT. WONDERLAND - CLUBHOUSE - LATER

Steve still rambles as June sits nearby scribbling.

53 STEVE 53
...and a lumpy pillow can make you daft when you're trying to pop off for a quick fifteen.

54 JUNE 54
Okay! "Lumpy pillow" is number 157 on my list of Steve's Problems I could totally fix if you'd just let me.

55 STEVE 55
But, I'm only 40% vented.

Gus flings a box of POPCORN with the Mini-Flinger. It rains down on Steve getting stuck to his quills.

56 STEVE (CONT'D) 56
30% vented.

57 JUNE 57
Let's find Boomer.

WONDER WIPE TO:

EXT. CLEARING - LATER

It's a beautiful day, and the bears are lazing around, basking in the sunlight. Boomer is happily cloud watching.

58 BOOMER 58
 ...and that cloud looks like June
 as a cloud.
 (to nearest bear)
 What do you see in the clouds?

A Bear <YAWNS and GRUNTS>. Boomer squints, then shrugs.

59 BOOMER (CONT'D) 59
 There's no wrong answers in Cloud
 Watching! Hm. Just think, this
 morning I set out to become part of
 June's family but I found one of my
 own.

WONDER WIPE TO:

EXT. GRETA'S STUNT BARN - LATER

June and Steve approach the barn, searching. Steve looks up.

60 STEVE 60
 She is a hog for the ages.

60A June looks up seeing Greta walking a TIGHT ROPE in a SAFETY HARNESS. June <laughs> and shakes her head, then:

61 JUNE 61
 Hey, Greta! Have you seen Boomer?

62 GRETA 62
 No, but when you find him, tell him
 to get over here. Without his over
 the top encouragement, I'm totally...

Greta falls, bouncing up and down on in front of June and Steve on her SAFETY BUNGEE as she speaks.

63 GRETA (CONT'D) 63
 ...off...my...game... (long beat)
 ...see?

Suddenly a ROLL OF TOILET PAPER unfurls as it flies through the air. The roll lands perfectly on one of Steve's quills.

64 STEVE 64
 Because of course.

Gus and Coop run up with the Mini-Flinger.

65 COOPERTINA 65
Yeah, we need some of that Boomer-
style support too. We've been
working super hard without a single
Boomer hug to keep us going.

He starts eating the toilet paper, sucking down the roll as
it spins on Steve's quills.

67 GUS 67
(off looks)
What? TP is like diet wood.

June looks around. It's a vision of total chaos: Greta
dangling, Coop hugging herself, and Gus eating TP off of
Steve. In the background, CRASH LANDERS crawls into the Mini-
Flinger and launches himself... he lands on Steve.

68 WONDER CHIMP (CRASH LANDERS) 68
No quills no thrills. <guitar riff>

69 STEVE 69
May I get back to venting?

70 JUNE 70
We REALLY gotta find Boomer.

WONDER WIPE TO:

EXT. WOODS - NEAR A RIVER (THAT WE DON'T SEE) - LATER

We hear the SOUNDS OF A RIVER as Boomer follows behind his
"new family". They carry FISH in their mouths as they walk
past him O.S. Boomer has a fish in his mouth as well. He
takes it out to speak. He's excited.

71 BOOMER 71
I can't believe my new family
carries fish! Where I come from the
fish carry us. In fact they fly
right off our Flying Fish Carousel
and--

We hear a <crunch> O.S.

72 BOOMER (CONT'D) 72
<Gasp> What are you doing? You're
eating it? <gag>.

The bears all <growl> and stare at Boomer expectantly,
waiting for him to eat his own fish. Boomer puts the pieces
together. He holds his fish up, looks at it...

73 BOOMER (CONT'D) 73
Um, okay, I'll just *nummy-num-num*.

Boomer "eats" the fish, pretending to push it into his mouth, but the bears clearly see him pushing it across his cheek.

74 BOOMER (CONT'D) 74
Mmmmmmm. Fishy.

He rubs his belly, dropping the fish. The bears <growl> at him and huff off.

75 BOOMER (CONT'D) 75
Family... wait!

WONDER WIPE TO:

EXT. WONDERLAND - VARIOUS - CONTINUOUS

June and the mascots (minus Peanut) search for Boomer.

76 JUNE, GRETA, STEVE 76
<Boomer searching walla>

Gus and Coop are taking turns flinging each other into the air with the Mini Flinger to get the a better view.

77 GUS / COOPERTINA (ALTERNATING) 77
Boomer! / Boomer!

78 PEANUT (O.S.) 78
I've found him! The one you've all been looking for.

79 JUNE, GRETA, STEVE, GUS, COOP 79
Boomer?

The group all turns to see PEANUT.

80 PEANUT 80
No. ME!!!!!! Why would you all want Boomer? He's broken.

A HORDE OF WONDER CHIMPS scurry up carrying "Flat Boomer".

81 PEANUT (CONT'D) 81
By the way, June. Boomer's broken.

82 JUNE 82
Peanut, that's not Boomer.

83 PEANUT 83
(pinching Flat Boomer cheeks)
You look at this face and tell me
it's not Boomer.

84 JUNE 84
(thinks)
Where did you get that?

EXT. WONDERLAND ENTRANCE GATES - A LITTLE LATER

June and the other mascots approach the gates. The Chimps follow carrying Flat Boomer.

85 JUNE 85
Boomer usually puts this sign up if
he's busy somewhere else in the
park. But we've checked everywhere.

86 PEANUT 86
Except...

Everyone turns to Peanut with anticipation.

87 PEANUT (CONT'D) 87
...underneath that pie tin.

REVEAL Peanut is pointing to the PIE TIN by the portal gate.

88 STEVE 88
That is absurd. How could anything
fit under that pie tin?

The tin rises with Peanut underneath, wearing it like a hat.

89 PEANUT 89
(vamping for praise)
Eh? Eh? Come on, eh?

Gus claps enthusiastically. Steve stops him.

90 STEVE 90
Don't encourage him.

Peanut <laughs>. June takes the tin from Peanut, seeing the note from her dad.

91 JUNE 91
This is from the pie my Dad gave
Boomer.

June looks up realizing...

92 JUNE (CONT'D) 92
<gasp> There IS one place we
haven't looked. And if he's there,
I sure hope he's okay...

REVEAL June is looking at the portal.

WONDER WIPE TO:

INT. CAVE - LATER

Boomer looks sad as he watches the other bears nap.

93 BOOMER 93
I guess this is what it feels like
when you've let your family down.

He looks to a PILE OF FISH beside them.

94 BOOMER (CONT'D) 94
They were trying to share something
with me and I turned it down.
They're never gonna give me hugs
and pies.
(getting an idea)
But, I could give them hugs and
pies. Fish pies!!!

Boomer scoops up a pile of fish in his arms, hugging them.

95 BOOMER (CONT'D) 95
And fish hugs!

We hear <growling> O.S. WIDEN TO REVEAL all three bears have
surrounded Boomer, baring their teeth.

CUT TO:

EXT. WOODS - A BIG TREE - CONTINUOUS

Boomer is up a TREE, clutching the fish. The bears <growl>
and swat below.

96 BOOMER 96
Family, you don't understand. I'm
gonna bring these right back... in
pie form!

All the bears <ROAR>.

WONDER WIPE TO:

103 MOM 103
June-bug, you never cease to amaze
me. Finding an actual use for our
Mini Sky Flinger.

104 DAD 104
You mean PIE Flinger. Haha.

105 JUNE 105
This isn't a time for Dad jokes...
but that one was pretty good.

107 MOM 107
You're pushing it, honey.

As they FLING a series of pies...

EXT. BIG TREE - CONTINUOUS

Boomer still up a tree.

107A BOOMER 107A
Uh oh. These fish are making the
tree slippery.

Suddenly, his nose twitches.

108 BOOMER (CONT'D) 108
<SNIFFS> Pie... and June's Dad?!

Down below, the three bears are also SNIFFING.

EXT. WOODS - CONTINUOUS

June and her parents continue walking and FLINGING.

109 JUNE 109
Wait, guys. Did you hear something?

Suddenly, the outline of a bear appears in the distance.

110 JUNE (CONT'D) 110
Boomer!

111 DAD 111
Uh, hate to be the bearer of bad
news...

112 MOM 112
Are you kidding me right now,
Henry?

113 DAD 113
No! That bear is NOT Boomer.

114 JUNE 114
And neither are those.

REVEAL they are surrounded by the three bears.

115 JUNE (CONT'D) 115
You think they like pie?

115A DAD 115A
I hope so.

Dad flings one... it hits a bear in the face. The bear does not like that.

116 MOM 116
I'm going with "no".

June's parents step between her and the bears and they all start backing away. The bear licks the pie.

117 DAD 117
June-bug, he likes it. Fling more pie!

She tries to fling, but nothing flies. She looks to her mom.

118 MOM 118
We're all out.

118A/B/C JUNE/MOM/DAD 118A/B/C
<scared noises>

As the bears close in... A SHADOW COVERS EVERYONE...

119 BOOMER (PRE-LAP O.S.) 119
<HUGE ROAR>

REVEAL Boomer behind the Baileys ROARING at the bears. The bears cower in fear... then bolt away. June and her parents turn to see Boomer and hug him tight.

120 JUNE, MOM, & DAD 120
Boomer!

121 BOOMER 121
June's family!

Boomer bends down to hug them back.
