Mom and June share a look, smiles growing. They stand to go.

11 MOM 11
Oh, idea man? There's broccoli
stuck in your remarkable teeth.

Dad covers his mouth sheepishly.

EXT. WONDERLAND - ENTRANCE TOWN - NIGHT

June, Mom, and Dad step into Wonderland -- the park looks
enchanted, all lit up for the night.

12 DAD 12
Wow. Without the crowds the park is
so peaceful and quiet--

Sirens <wail> as STEVE pulls up in his GOLF CART.

13 STEVE 13
Pardon me, Wonderland is currently
closed. I'll escort you to the
nearest exit.

Steve shines a FLASHLIGHT in June and Mom's eyes.

14 STEVE (CONT'D) 14
Oh. June! I wasn't expecting you
and your parents tonight.

15 JUNE 15
Mom and I are here to finally
determine who is the best gamer in
the Bailey household. Just as soon
as we figure out what that game is.

16 STEVE 16
Ooh! Game? Well, you've come to the
right porcupine. As you know, the
most fun part of any game is strict
adherence to the rules. I'd be
honored to be your Referee and--
<IMPACT GRUNT>.

A BALL hits Steve in the ear as Greta walks up and grabs it.

17 GRETA 17
Game? What game? I want in.

18 JUNE 18
Sorry G, this is between Mom and me.

35 PEANUT 35
Meet Scampers. A wily rascal.

35A Scampers does a <cute, taunting chitter>, and "disappears". 35A

36 JUNE 36
Hey where'd it go?

June and Mom search around them. Peanut smiles and grabs Scampers from the wall, where her skin has "chameleoned" to look exactly like her background. June and Mom gape.

37 PEANUT 37
Yeah. Scampers can turn invisible.
It's game time!

EXT. WONDERLAND - ENTRANCE TOWN - NIGHT

LIGHTS. FOG. LOUD MUSIC. A CROWD OF WONDER CHIMPS has gathered <cheering>. SNAPPY hovers around with a VIDEO CAMERA, broadcasting live onto all the PARK SCREENS. Dad sits at an ANNOUNCER'S DESK with a WONDER CHIMP (CHATS) - both wearing HEADSET MICS.

44 DAD 44
Ladies and gentle... chimps. Ha!
Welcome to tonight's main event, a
Bailey vs. Bailey Bonanza!

A section of BANANA CHIMPS cheers!

45 WONDER CHIMPS (BANANA CHIMPS) 45
BANANA!!!!!! BANANA! BANANA! BANANA!
(Continuous)

45A ALL THE CHIMPS <cheer wildy> (Their cheers are a cacophony of 45A
their trademark phrases - Ex: "Have a Moppity Floppity Day!")

Chats hands Dad a PIECE OF PAPER which he reads:

46 DAD 46
I'm being told you think I said
banana, which is not--

47 WONDER CHIMPS (BANANA CHIMPS) 47
(chanting) BANANA!!!!!!

47A ALL THE CHIMPS <cheer wildly> again. 47A

48 DAD 48
No, no I said...
(seeing June and Mom, relieved)
Oh look, here come our competitors!

A SPOTLIGHT hits June (wearing a QUIVER which holds a grabby claw) and her mom (wearing a QUIVER which holds a butterfly net). They wave at the cheering chimps as they smack talk through smiling/clenched teeth.

49 MOM 49
I'm gonna win so hard you'll go
cryin' to your mama!
(realizing)
Which, now that I say it, is me.
So... I'll see you after I win.

50 JUNE 50
Oh, I'll see you afterwards. At my
victory party.

51 BOOMER 51
Ooh ooh! Can I make the victory pie?

Steve steps out on a podium wearing a referee shirt.

52 STEVE 52
Okay, Baileys. Here are the rules
straight from The Game Maker: Rule
number one: Capture the Chimp. Ha.
That seems pretty obvious. <heh>
Rule number two: No leaving the
park. Rule number three: Anything
in Wonderland is yours to use.
Now... CAPTURE! THAT! CHIMP!

52A A SPOTLIGHT shines on a proud Scampers who <giggles>. The 52A
crowd goes quiet.

53 JUNE & MOM 53
(quietly, to selves)
Scampers!

June and Mom share a competitive look. They both rush for the chimp. As they close in, Scampers turns on her cloaking/camouflage and becomes a mere SHADOW in the spotlight. The shadow runs off and disappears.

Chats hands Dad a piece of paper. Dad reads:

55 DAD 55
Scamper's amazing camouflage is
brought to you by Peanut.

56 PEANUT 56
(rises up behind Dad)
That's me!

The Wonder Chimp crowd cheers <Banana!>

BELLY FILLERY

74A JUNE 74A
For the record I'm taking Scampers
and the win.

75A MOM 75A
Please, sister.

76 BOOMER 76
Ah! Ghost pie!

A pie is slowly "disappearing". (It's Scamper's eating.) He
<squeaks> with each bite.

77 JUNE & MOM 77
(whispered)
Scampers...

ENTRANCE TOWN - Peanut watches this on the screen.

78 PEANUT 78
You two think you're clever. But
not clever enough to outsmart The
Game Maker...

78A/B Peanut makes <raspberry noises>. They are <echoed> by RABBIT 78A/B
WONDER CHIMPS who lower into a manhole.

BELLY FILLERY

June and Mom still approach (camouflaged) Scampers eating the
pie.

78F JUNE 78F
Ready?

82 MOM 82
Let's pie that chimp!

82A June and Mom throw pies at Scampers who <chitters>. 82A

82B BOOMER 82B
What are you doing to my beautiful
pies?

84 JUNE 84
(tossing pie)
If we can hit Scampers...

85 MOM 85
(tossing pie)
...the pie will stick to that
chimp!

Together they throw pies that <hit> Scampers.

85A MOM (CONT'D) 85A
Oh we got you now.

85B JUNE 85B
Agh. Are we about to tie?

They both dive for it, knocking each other out of the way,
landing face first in OTHER PIES.

Scampers materializes and uses this as a chance to escape but
the door is too heavy for her to open when...

OUTSIDE THE FILLERY - SEVERAL BUNNY CHIMPS funnel out of a
MANHOLE and stack up, pulling on the door.

INSIDE - The door bursts open and Scampers escapes.

91A ENTRANCE TOWN - Peanut <reacts> with glee, high-fiving 91A
several Chimps in the crowd.

FILLERY - June and Mom stop their pie fight and run out.

EXT. ENTRANCE TOWN - CONTINUOUS

June and Mom (with Boomer and Greta running beside them) see
the pie covered Scampers running away towards the FLYING FISH
CAROUSEL. Greta and Boomer join them.

92 JUNE 92
Ooh! I'll catch Scampers with a
flying fish. Mom's never flown
those before. Advantage: June.

Just then, Mom ZOOMS BY on a FLYING FISH. June watches, awed.

95 MOM 95
Eat my bubbles!

95AA JUNE 95AA
Oh heck no.

June mounts a FISH OF HER OWN, flying off after Mom and
Scampers.

95B STEVE 95B
(through microphone)
I'll allow the fish, but please
obey park speed limits! <woah!>

June and Mom dash by on their fish.

EXT. WONDERLAND - MOON LAND - NIGHT

95C June and Mom fly after <giggling> Scampers, chasing her 95C
around Moon Land. Snappy following, covering the race chase.

ENTRANCE TOWN - As the crowd watches the chase on screen...

96 DAD 96
Looks like this game has gone from
chase to race.

96A The Wonder Chimp crowd <cheers, chants Banana!>. 96A

BACK TO THE RACE - June is gaining on Mom as they weave
around the SPACE BLASTER TRACK chasing Scampers.

97 MOM 97
I should warn you, I was a champion
motocross racer in college.

98 JUNE 98
(impressed) Really? (then) Let me
show you how we race in Wonderland.

June pats her Fish, they do a BARREL ROLL and shoot forward
even faster. Mom watches in awe as June pulls the GRABBY CLAW
from her quiver and extends it, closing in on Scampers...

Mom jockeys right behind June, speed picking up.

99 DAD (V.O., ANNOUNCING) 99
June better watch her back. Her
mom's in her slipstream, performing
a textbook Wonderland Draft.

BACK TO RACE - Mom closes in on June, who's millimeters from
catching Scampers. Mom reaches out and grabs June's fish's
tail, pulling her backwards. Scampers escapes June's grasp.

100 JUNE 100
Hey!

101 MOM 101
I'm here to WIN, June-bug.

Mom whips out her NET, now neck and neck with June... but June's grabby claw KNOCKS it away.

103 MOM (CONT'D) 103
Hey!

104 JUNE 104
No I'm here to win, Mom!

June and Mom chase after Scampers into...

ZERO-G LAND

With no gravity, Scampers bounces from ball to ball.

AT THE ANNOUNCER'S DESK

105 DAD 105
Scampers is one wily chimp. Those fish are useless in Zero-G Land!

ZERO-G LAND

June and Mom follow Scampers, their fish "swimming" wonky.

106 MOM 106
Whoaa. Forgot there's no gravity in Zero-G Land!

107 JUNE 107
That won't slow me down!

June uses her grabby claw as an oar to propel herself forward.

107A JUNE (CONT'D) 107A
<reaching efforts> Almost gotcha!

Mom grabs onto the tail of June's fish, in tow.

As they "sail" past a GIANT BALLOON BEEHIVE, they're gaining on Scampers. June reaches to finally nab her...

108 JUNE (CONT'D) 108
Where'd Scampers go?!

Up ahead, we see Scampers veer out towards:

FIREWORKS FALLS

Emerging from Zero-G Land, June and Mom race after Scampers, who winds up the mountain. They dodge FIREWORK BURSTS gurgling up from the river, catching up to Scampers quickly. Steve's voice crackles in their earpieces:

113 STEVE (V.O.) 113
 Um, hi guys, it's Steve. Uh, I just
 wanted to jump in here and say...
 (loud and panicked)
 Fireworks Falls is a TERRIBLE idea!

114 JUNE 114
 It's fine, Steve. I'm about to
 capture Scampers and win anyway.

115 MOM 115
 Funny, I thought I was about to win.
 If I could just borrow... THIS!

Mom dives for June's Claw, but June holds tight. They zig-zag haphazardly, in a tug-of-war, nearing the top of the Falls.

116 STEVE (V.O.) 116
 Allow me to step in and blow the
 proverbial whistle. This has foul
 written all over it-- WATCH OUT!

June and Mom ignore him, caught in their struggle. A <FIREWORK> bursts nearby, jolting them off their Fishes.

117 JUNE 117
 Abandon Fish!

June and Mom tumble down to the platform, still tugging.

118 & 119 MOM / JUNE 118 & 119
 Give it <TUG> up! / No, <TUG> it's
mine!

120 STEVE (V.O.) 120
 Official time out!

123 MOM 123
 I promise we're fine, Steve!

124 STEVE (V.O.) 124
 Yeah, but Scampers isn't!

124A June and Mom stop their tug-of-war and look up to see... 124A
 Scampers perched on a rock over the river! Scampers looks
 down at them, trapped and <frightened>.

125 JUNE & MOM 125
 <gasp> Scampers!

126A June <strains> to reach up for Scampers with the Grabby Claw 126A
 Scampers <whines>.

127 JUNE 127
I can't reach Scampers!

128 MOM 128
Here, let me help!

Mom holds on to the ledge so June can lean out farther.

128AAA JUNE 128AAA
<straining efforts>

128AAAA/128AAAAA JUNE & MOM 128AAAA/128AAAAA

128AAAAAA PEANUT 128AAAAAA

129 DAD 129
C'mon! You guys can do it!

129A/B FIREWORKS FALLS - June and Mom <strain> to reach when... 129A/B

129BB JUNE 129BB
Lets do this together!

129C Scampers loses her grip and <slips>... 129C

130 JUNE (CONT'D) 130
NO!

...June and Mom make one last stretch allowing June to bat
Scampers back into the air with the claw. As Scampers falls..

June and Mom dive, catching her at the same time before
Scampers falls over a ledge into the fireworks river.
