

NICKELODEON

WONDER PARK

"THE LEGEND OF CHIMP SQUATCH"

AMUS015

Written by

Jeff Sayers

Conformed Script: 12/13/18

12A/B June and Bunky gaze at an old SEWING MACHINE. June <blows> on it, sending dust into the air and Bunky into a <coughing fit>.

13 JUNE 13
Sorry Bunk. It's old, but it should do the trick.

There's a <KNOCK> at the door. June opens it to...

14 JUNE (CONT'D) 14
Dev? How'd you get in here?--

15 DEV 15
Oh, your mom let me in. Heck of a lady that Mrs. B. We just traded brownie recipes.

16 JUNE 16
Can I help you with something?

17 DEV 17
I was wondering if I could borrow one of your coaster car models. I'm shooting a new vlog post on--
(then, noticing Bunky)
Hey, is that my big bro in there?

Dev cranes his neck and tries to push in, but June blocks his way. Bunky shields the Wonder Chimp costume.

18 JUNE 18
Um, yeah. Here's your coaster car. Have fun Vlogging!

June shoves a COASTER CAR MODEL into his hands and slams the door. June turns around to see Bunky fully in the costume.

22 BUNKY 22
This costume is amazing. I've always wanted to try it on-- <AH!>
Something's moving in here!

Bunky flails in the costume and falls over. He rips off the head and tosses it at June. She catches it and looks inside... suddenly enamored.

23 BUNKY (CONT'D) 23
Is it a snake?!

24 JUNE 24
No. It's...

25A June reaches in and pulls out a groggy WONDER CHIMP (NAPS) It 25A
<yawns> and falls back asleep curled up in her cradled arms.

25 JUNE (CONT'D) 25
...Naps. Awww! He's the sleepest
of all the Wonder Chimps in
Wonderland. We'll have you back to
the park in no time little guy...

25A June lays Naps down on her pillow. Naps <snores> then digs 25A
under the bed, tossing Bunky a pair of SAFETY GOGGLES.

26 JUNE (CONT'D) 26
Strap up Bunky. It's time to make
this baby purr like a tiger!

June flips a switch and the sewing machine revs to life,
making a loud, but awkwardly labored <chugging> sound.

27 BUNKY 27
SOUNDS MORE LIKE A SICK COW TO ME.

Behind them, NAPS shoots awake. He plugs his ears to drown
out the sound but it's futile. Frustrated, he rolls off the
bed and slinks out a window unbeknownst to June and Bunky!

INT. DEV'S ROOM - DAY

Dev holds June's ride model in front of his recording phone.

28 DEV 28
What up Koaster Krew? <car noise>
It's your boy Dev, aka Drizzy D aka
the Koaster Kid. Welcome back to
the spot where we're all amusement
parks all the time! Today's post is
all about... the FUTURE. I'm
talking Invisible. Ride. Cars.
(holding up June's coaster in one hand)
Ride car.
(holds up other hand... EMPTY)
Invisible ride car. The future is
now... Smash that like button,
ya'll.

Dev freezes, noticing something outside his window. He
squints to see Naps wandering through the yard...

29 DEV (CONT'D) 29
Is that... a purple Chimp?

Dev quickly SNAPS a pic with his PHONE as Naps disappears.

ANGLE ON PIC - Naps is blurry in the classic Sasquatch pose.

INT. JUNE'S ROOM - DAY

June and Bunky are at the sewing machine, which we hear but don't see. The <chugging> stops as June holds up the costume.

30 JUNE 30
Good as new! You'll be back to
sleeping on the job in no time Naps-

June turns to her bed. Naps isn't there...

31 JUNE (CONT'D) 31
Um... Naps?

31A June frantically scans the room when she hears Bunky <uh-oh and GULP>. He points to the window... it's wide open! 31A

32 JUNE (CONT'D) 32
Okay, okay. Let's not freak out.

33 BUNKY 33
June, this is a full freak
situation! What if someone in our
neighborhood spots him?

34 JUNE 34
Bunky, he couldn't have gone *that*
far. Let's go find him before
anyone sees him.

<BUZZ> Bunky's phone blares as he paces. <BUZZ, BUZZ, BUZZ>! Bunky checks it, his eyes go wide and he <gasps>.

ON SCREEN: Dev in the backyard, crouched down next to a small set of FOOTPRINTS.

36 DEV 36
Koaster Kids, you may be asking why
I'm looking at an Unidentified Foot
Print, aka, UFP instead of vlogging
about amusements. Well what we have
here is of much more intrigue than
invisible coaster cars.
("tosses" invisible car over shoulder)
Cuz these UFP's belong to this...

Dev's blurry Naps' photo appears on the live stream.

37 DEV (CONT'D) 37
I promise to not rest until I find
this creature...
(MORE)

DEV (CONT'D)
 or until my mom calls me in for
 dinner. So be sure to check back on
 my live investigation into...
 (cooly puts on sunglasses)
 ... Chimp Squatch!

37A/B Bunky and June <gasp>.

37A/B

EXT. NEIGHBORHOOD CUL-DE-SAC - DAY

37C Dev is like a bloodhound, tracking Naps' footprints on the
 ground. Suddenly <SPRAY BLASTED> with a hose, <SHOUTING> as
 he tumbles back.

37C

37D DEV
 Hey Chimp-Squatch, where you at
 son?

37D

Suddenly Dev is <SPRAY BLASTED> with a hose,
 <SHOUTING/COUGHING> as he tumbles back.

REVEAL - MS. DOWNER standing with a HOSE by her ROSES.

38 DEV (CONT'D)
 What gives Ms. D? I thought we were
 simpatico.

38

39 MS. DOWNER
 The hose has no friends. Stay away
 from my roses.

39

Ms. Downer flips her hose like she's in a Western and goes
 back inside. Dev shakes himself off June and Bunky approach.

40 JUNE
 Caught the hose, huh, Dev.

40

41 DEV
 My guard was down. I'm laser
 focused. On the hunt. There's a
 Chimp-Squatch loose in our hood.
 And I'm gonna find it.
 (eyeing June and Bunky)
 AND learn where it came from.

41

Dev goes back to the foot prints. June pulls Bunky aside.

42 BUNKY
 Is it time to freak out yet?

42

51 JUNE (CONT'D) 51
So here's how it works.

51 CONT'D JUNE (V.O.) 51 CONT'D
We lure Naps to this spot with the
comfy pillow, and once he grabs
it...

We see the plan in action: Naps walks until he sees the
pillow. He curls up on it for a nap.

52 JUNE 52
... a sensor triggers the vacuum...

The device kicks on. WHOOSH the pillow gets sucked upward.

53 JUNE (CONT'D) 53
... which will lift up Naps. Once
he's comfortably suctioned, you
turn the device off and Naps drops
right into my waiting arms.

Bunky, in the tree, turns off the device, allowing June to
catch Naps.

BACK TO PRESENT:

54 BUNKY 54
You've done it again June.
So, what now?

55 JUNE 55
Now... we wait.

LATER

June and Bunky are in stake out mode behind a LARGE ROCK. A
<rustling/squeaking> BUSH alerts them.

56 JUNE (CONT'D) 56
Sh! Hear that? I think it's Naps!

June and Bunky peek over the rock and see BUSHES moving. Naps
<yawns>. They quickly duck back down out of sight to see Naps
curiously approaching the pillow...

56A JUNE (CONT'D) 56A
It's gonna work!

...but he face plants and falls asleep just short of the
pillow.

57 JUNE (CONT'D) 57
Not quite as planned, but that'll
do. Let's grab him.

But, as they make their move, they hear another sound. It's
Dev and the kids approaching. Dev looks around and holds out
his phone, recording himself.

58 DEV 58
His trail leads this way.

June and Bunky panic, still unnoticed by Dev and the kids.

59 JUNE 59
We'll never get to Naps in time.

60 BUNKY 60
I will. <oof!>

60A Bunky dives for Naps... and in slow-mo misses and face-plants 60A
next to Naps. Naps stirs, <yawns>, and walks off before Bunky
can snag him. He <gasps> as June drags him back out of sight
as...

Al jockeys for position behind Dev to appear on screen.

61 AL 61
Can I be on your vlog?

62 DEV 62
I'm live so you already are.

63 AL 63
Am I famous yet?
(grabbing arm talking into screen)
I like corndogs.

64 DEV 64
Al, get ahold of yourself, bro.
We're on a mission to find--
(noticing the pillow)
That! It looks to be some sort
of... Chimp-Squatch nest!

Dev cautiously pushes the pillow with his foot when WHOOSH!
The suction device kicks on and lifts him up by his feet!

65 DEV (CONT'D) 65
<AHHHHH!>

65A SOPHIE 65A
Hey! Are you okay!?

66 AL 66
Sick!

66A Dev's phone goes flying, landing near a tree. Out of sight 66A
from the others, Naps approaches, and is <surprised> by the
phone. Seeing his image in the screen, he starts playing
<"mirror", jiggling his face, raspberries>, amused by his
image. He <yawns> and takes the phone with him.

BACK ON - June and Bunky run up to Dev who hangs upside down.

67 JUNE/BUNKY 67
Dev?!

68 DEV 68
June?... Bunky? What is this?!

69 JUNE 69
We uh-- wanted to catch that Chimp
Squatch you were talking about.
Just trying to help out.

70 DEV 70
Can you help out by letting me down?

71 BUNKY 71
Allow me!!!

Bunky hits a button that shuts off the device. Dev comes
crashing down. <THUD!> He gets up and dusts himself off.

72 DEV 72
Ow! I'm telling mom... after I
catch this Chimp Squatch. Hey
where's? Agh. No time. Al, give me
yours. Dang, how many corndogs pics
you got on here?

Dev turns and walks off. The other kids follow.

73 JUNE 73
<phew> That was close.

<BEEP>, <BEEP>. Bunky's phone sounds off.

74 BUNKY 74
How is Dev already posting another
vlog? Uh oh!

ON SCREEN: The live stream from Dev's phone. But Dev isn't the
one who is streaming. It's Naps who is <sleeping walking>.

75 BUNKY (CONT'D) 75
Naps napped my brother's phone!

June grabs the phone for a look.

76 JUNE 76
Bunky! That's Ms. Downer's house!

77 BUNKY 77
We can track him!

EXT. NEIGHBORHOOD - DAY

77A In an action like TRACKING SHOT, we're on Naps who <sleep 77A
walks> down the side of a house just as June and Bunky pop
out on the other side of the house. Bunky checks his phone.

78 BUNKY 78
He's east... no west! Wait, now
northwest-- no, north, northwest!

79 JUNE 79
(grabbing phone, checking it)
He's in the Myron's yard. I'd
recognize that fence dent
anywhere... I made it!

As June turns to rush off, Bunky stops her and points down
the street. Dev and the neighborhood kids are huddled around
a phone, pointing around the neighborhood.

80 JUNE (CONT'D) 80
<gasp> They must be following the
livestream too!

June looks down at the phone. The live stream has stopped.
Frustrated, she hands it back to Bunky.

81 JUNE (CONT'D) 81
Did the livestream just freeze?

82 BUNKY 82
No, he's sleeping! Listen.

84A June holds the phone up to her ear. <SNORING> emanates from 84A
the speaker.

85 JUNE 85
Naps is napping! But where?
(scanning the tree-line)
There! You and I carved our name in
that oak tree when we were four.

86 BUNKY 86
(pointing to Dev and kids)
Look! They're headed there too!

87 JUNE 87
Then we better take a shortcut.

88 BUNKY 88
What kind of short-- <ah!>

June again pulls Bunky away.

QUICK ACTION CUTS of June and Bunky racing to the tree:

- June and Bunky roll under a neighbors fence and keep moving

88A - They fly through an open window and into a Mr. Myron's house. We hear Mr. Myron <scream>. 88A

89 JUNE (O.S.) 89
Hi, Mr. Myron.

89A MR. MYRON (O.S.) 89A
Oh. Hi June!

They leap out a window on the other side of the house.

END QUICK CUTS as they both catch their breath and look up...

89B DEV 89B
It's gotta be here somewhere.

89C AL 89C
Here Chimp squatch...

90 BUNKY 90
No! We're too late!

Dev and the kids have beat them to the tree, but haven't spotted Naps yet. June looks up to see Naps resting soundly in the tree. The kids search the ground RIGHT below him.

90A JUNE 90A
Not yet. Look!

90B June points to Naps <sleeping> in the tree. 90B

91 JUNE (CONT'D) 91
I'll lure him away. You climb up that tree and grab him.

CUT TO:

EXT. CUL-DE-SAC ISLAND - DAY

June stands on the island in front of Ms. Downer's house. She jumps in the air, flailing her arms wildly.

96 JUNE 96
 Chimp Squatch! Chimp Squatch! It's
 in Ms. Downer's tree!

Dev and the neighborhood kids head towards Ms. Downer's front door. Sneakily, Bunky tiptoes and climbs the tree to grab Naps.

The group comes rushing past June and hits Ms. Downer's lawn when <WHOOSH!> They're all blasted by her hose.

97 MS. DOWNER 97
 Ain't no business like hose
 business!

Ms. Downer goes back inside.

ACROSS THE STREET Bunky hovers over the sleeping Naps and gently scoops him up, plucking Dev's phone from his hands.

98 BUNKY 98
 Got ya little guy. <Woah!>

98A Bunky falls from the tree. Naps continues to <sleep>. 98A

98B BUNKY (O.S.) (CONT'D) 98B
 How are you still sleeping?

WONDER WIPE TO:

EXT. WONDERLAND - ENTRANCE TOWN - DAY

June gently places a sleeping Naps in a NESTY TOPIARY. She removes Dev's phone from his clutches.

99 JUNE 99
 And I'll take Dev's phone.
 (baby voice)
 Look at that cute little guy
 sleeping like an angel.

100 WONDER CHIMP (NAPS) 100
 <UNUSUALLY HUGE SNORE>

101 JUNE 101
 (taken aback)
 Oh! Okay then.

102 BUNKY 102
 Look, I'm happy Naps is safe and
 all. But Dev's relentless! He's
 never going to stop this Chimp
 Squatch investigation.
 (MORE)

BUNKY (CONT'D)

And if he finds out where it came from, he'll find out about Wonderland and then--

103

BOOMER (PRE-LAP O.S.)

103

You guys got that Wonder Chimp costume fixed yet? Aw look at the cute little guy.

Boomer walks up and looks at Naps.

104

WONDER CHIMP (NAPS)

104

<UNUSUALLY HUGE SNORE>

105

BOOMER

105

(taken aback)

Oh! Okay then.

106

BUNKY

106

YES! It's fixed. But how are we gonna get that huge costume back here without being seen by Dev and his search party?

107

BOOMER

107

I don't know what you're talking about. Would pie fix it?

108

JUNE

108

Not this time Boomer. But, I think Bunky may have just come up with our solution.

109

BUNKY

109

I did?

110

JUNE

110

(holding up Dev's phone)

You did.

WONDER WIPE TO:

EXT. CUL-DE-SAC - DAY

Dev is pacing as the other kids sit on the curb.

111

DEV

111

The trail may have gone cold, but Drizzy D never gives up. From now on I'm gonna dedicate my vlog to tracking this elusive beast, even if it takes me til the end of 4th grade!

Al watches his phone. All the kids watch over his shoulder.

112 AL 112
Uh... I think your vlog already
found it.

113 DEV 113
What?!

Dev grabs the phone and sees a "Wonder Chimp" walking near
the EDGE OF THE WOODS right along the FENCE LINE.

114 DEV (CONT'D) 114
That's right behind June's house!

Dev races off. The kids race off after him.

EXT. EDGE OF WOODS - BEHIND JUNE'S HOUSE - SECONDS LATER

Dev darts up...

115 DEV 115
I've got you now Chimp... Squatch?

...to see June using Dev's phone to film the Wonder Chimp
mascot costume (Bunky is inside) which totters awkwardly.

116 BUNKY (MUFFLED, O.S.) 116
Roar. Look at me. I'm a Chimp
Squatch.

All the kids seem confused except Al who...

117 AL 117
<high pitched scream> It's real!
Stay away from my corndogs!

118 DEV 118
What are you guys doing?

119 JUNE 119
Looks like you finally caught us
Dev. Chimp Squatch is...

June pulls off the costume head to REVEAL a sweaty Bunky.

120 BUNKY 120
(faux excitement)
Surprise!

Bunky grabs Dev's phone from June and snaps a picture of
surprised Dev's face.
