EXT. WONDERLAND - ENTRANCE TOWN - DAY

JUNE and BOOMER greet WONDER SEEKERS with a fancy "queen's wave".

1 BOOMER 1  
Welcome!

FLOATS MCGOATS floats in and drops PEANUT off next to June and Boomer. (In the background Floats McGoats floats low, handing a BALLOON to a VERY YOUNG WONDER SEEKER. The young Wonder Seeker tries to get more balloons, jumping up and down. Floats continues handing the Wonder Seeker more balloons through the below dialogue.

4 PEANUT 4  
<Chimp sounds> It's your lucky day!  
I've been thinking of ways to make  
Wonderland even more wondrous.

5 JUNE 5  
Like what, Peanut?

6 PEANUT 6  
Like, Wonderland is already in  
three dimensions. How about giving  
everyone 3D glasses? Huh? That  
would make the park 6D!

7 BOOMER 7  
(counting on his fingers)  
Let's see... hmmm... The math  
checks out. That's 6 D's. "D"  
stands for pie, right?

7A YOUNG WONDER SEEKER 7A  
Hehehe Weee!!

June is about to reply when the Young Wonder Seeker begins to float away because she is holding so many balloons. June and Boomer notice this and chase after her.

7A JUNE 7A  
Whoa! That kids floating away!

8 BOOMER 8  
Come back! Come back!

9 PEANUT 9  
<CALLS OUT> We'll talk about my  
ideas later, then!?

EXT. WONDERLAND - GRAND WONDER TRACK - DAY

9A/B There's a COASTER CAR loaded with LOGS. GUS and COOP <GNAW> 9A/B  
the logs into COASTER TRACK PLANKS as June lays the planks.

10 GUS 10  
<phew> My teeth are tired.

11 COOPERTINA 11  
(rubbing teeth)  
Yeah they're gonna need some  
serious pampering when we're done.

Peanut "surfs" in on the TRACK RAIL.

11A JUNE 11A  
Ah Peanut!

14 PEANUT 14  
Speaking of me, I had an idea.  
Since everyone knows I have the  
most amazing brain in the park--

15 COOPERTINA 15  
*Amazing's* one word for it.

16 GUS 16  
I have more! Nutty, cray-cray  
interstupidlyness--

17 PEANUT 17  
Exactly! Thank you. So I was  
thinking why not give Wonder  
Seekers the privilege of  
experiencing my brain... by  
creating a ride through my head!

June opens her mouth, about to respond... when the coaster  
car they're working on starts ROLLING forward.

22 JUNE 22  
We gotta stop that car!

18 COOPERTINA 18  
I thought you put the brake on!

19 GUS 19  
No, you did!

20 COOPERTINA 20  
Does it look like I put the brake on?

They run off after it.

INT. WONDERLAND - PEANUT'S WONDER CHIMP FACTORY - LATER

Peanut is talking to someone, but we don't see who.

33

PEANUT

33

I'm lost. Nobody's paying attention to my genius ideas. I mean 6D? Ride through my brain? Flying fish force? No one but me could come up with this stuff. Please most trusted adviser, your words are so wise. Tell me what to do and I will follow.

REVEAL: Peanut is talking to an old FORTUNE TELLING MACHINE. The fortune teller inside is a WONDER CHIMP with a MUSTACHE wearing a FORTUNE TELLING GARB. There is a GLOWING ORB. The sign on the machine reads: SHMENDRIK THE MAGNIFICENT.

Peanut places a COIN in the machine and pulls a LEVER.. <TINNY SPOOKY MUSIC> plays through a SMALL SPEAKER on the machine.

Shmendrik's eyes LIGHT UP. It picks up a PILE OF CARDS, SHUFFLING them, picking one, and dropping it into a SLOT. Peanut picks up the card from a slot outside the machine.

34

PEANUT (CONT'D)

34

*"Hear the words of Shmendrik: To make what you desire true, use what's right in front of you."* Huh.  
(then, to Shmendrik)  
But Shmendrik the only thing in front of me is you.

Shmendrik's eyes light up <DING!> causing Peanut's eyes to glow as well. Peanut's eyes widen with an idea.

35

PEANUT (CONT'D)

35

Oh...

EXT. WONDERLAND - MIDWAY - MORNING

June, Boomer, Coopertina, Gus, Greta, and Steve stare at the fortune telling machine which now has a SIGN that reads: "Wondar the Chimpnificent". Peanut is inside the machine, now wearing a MUSTACHE, and FORTUNE TELLING GARB.

36

JUNE

36

Whoa! A fortune telling machine! I always wanted to try one of these.

37 BOOMER 37  
Can it see the future? Do I have pie?

38 JUNE 38  
I wonder where it came from.

39 STEVE 39  
It's suspicious. I suspect it of suspicious... suspiciousness.

June eyes "Wondar" closely, recognizing Peanut.

40 JUNE 40  
Oh, it's you, Peanu--  
(sees Peanut look nervous, covers)  
I mean Wondar the Chimprificent?  
Ooh... I can't wait to see what wondars you have in store. Tell me my fortune!

June pulls a lever. The <TINNY SPOOKY MUSIC> plays.  
"Wondar's" eyes LIGHT UP and Peanut moves robotically, picking up and SHUFFLING the cards, picking one out, and dropping it into the SLOT. June picks up the card.

41 JUNE (CONT'D) 41  
*"Hear the words of Wondar:  
Receiving a reward is where you're bound, all you must do is turn around."*  
(as June turns, playing along)  
Ok? Ah!

Right as June turns there is a Wonder Chimp standing behind her with a BIG TROPHY.

42 WONDER CHIMP 42  
Congratulations on being you!

43 JUNE 43  
(taking, reading the trophy)  
"Best June". Awww, thanks Wondar!

Gus, Coop, Greta, and Boomer stare at each other. Then:

44A/B/C/D GUS, COOP, GRETA, BOOMER 44A/B/C/D  
<"Amazing!" "I wanna turn!" walla>

45 STEVE 45  
What?! The Wonder Chimp just made her fortune come true. This thing is rigged! Rigged I say!

53A/B Gus and Coop stare at each other. Then start <silly dancing>.53A/B

54 GUS & COOP 54  
I'm scampering! I'm scampering!

Two WONDER CHIMPS run in with TINY MASSAGE TABLES. They throw Gus and Coop up on the table, slap BANANA SLICES on their eyes, and start "massaging" their buck teeth. One of the Chimps opens its mouth and <"SPA MUSIC"> comes out.

55 GUS & COOP (CONT'D) 55  
Tooth spa!

As Gus and Coop are carried away, lying on the table, they pass Boomer who is eating a PIE he received from MUFFIN TOP.

56 BOOMER 56  
This Wondar's amazing! My future did have pie in it!

57 STEVE 57  
<oh!> YOUR FUTURE ALWAYS HAS PIE IN IT! Am I the only one seeing this?!  
(to June)  
YOU know Wondar is Peanut, right?!

57A JUNE 57A  
<giggling>

Steve points to the machine making eye contact with "Wondar". "Wondar" immediately starts doing a bad version of the robot.

58 JUNE (CONT'D) 58  
Of course I do. But, look how happy he's making everyone. This must be one of the ways he wanted to make Wonderland more wondrous!

59 STEVE 59  
I'm sure there will be no consequences or repercussions for this decision.

EXT. MIDWAY - NIGHT

Everyone is gone, except for "Wondar" still in the machine. Shmendrik now stands in the machine with Wondar.

60 PEANUT 60  
MWAH-HA-HA! Phase one of my plan is complete!

Shmendrik hands him a CARD. Peanut reads it.

66B GUS 66B  
Let's build Wondar's brainy-brain.

Gus and Coop tail-five and scamper off.

68A Peanut <chuckles> to himself. 68A

EXT. MIDWAY - LATER

Boomer is holding a Wondar card.

69 BOOMER 69  
*"Hear the words of Wondar: If you  
hand out these 6D glasses, you will  
surely please the masses."*

A Wonder Chimp hands Boomer a BOX OF 3D GLASSES.

70 BOOMER (CONT'D) 70  
I do love pleasing the masses!  
Fortunes are fun!

He skips off with the box.

EXT. MIDWAY - LATER

Greta holds a Wondar card. Crash stands next to her.

71 GRETA 71  
I'm supposed to start a Flying Fish  
Force? Yeah I am!

Greta and Crash do a handshake.

73 GRETA (CONT'D) 73  
Let's go do what Wondar told us to  
do! <Wooo!>

They do the "Top Gun" high-five and run off.

EXT. WONDERLAND - LATER

Steve settles onto a bench with a CUP of TEA and a biscuit.

74 STEVE 74  
Ah, steeped to perfection. At least  
Wondar can't ruin my morning tea.  
And now for my first delicate sip--

86 JUNE 86  
Really? This?

The Wonder Seekers <Scream> and flail as the giant brain rolls after them.

87 STEVE 87  
(pointing at brain)  
Well not this, but you know...  
(waving arms at all the chaos)  
...this.

EXT. WONDERLAND

Peanut, now out of costume (except the mustache), struts around with Shmendrik taking in the results of his "bidding":

88 PEANUT 88  
Ah Shmendrick, Shmendrik, glad  
you're here to see my brilliant  
ideas come to life. Behold! The 6D  
experience...

--WONDER SEEKERS IN 3D GLASSES are staggering around, bumping into each other or tripping over curbs and benches.

--Greta and Crash <ZOOM> overhead, doing stunts, causing POPCORN and WONDER GULPS to go flying, further disorienting the Wonder Seekers. One trips over a bench. Another falls into a TRASH CAN.

90 WONDER SEEKERS (O.S.) 90  
<screams>

Peanut looks up to see...

--The GIANT BRAIN is now on the track for the Grand Wonder, gaining on a roller coaster car. CUT CLOSER to see Gus, Coop, and June riding the brain, trying to stop it.

91 JUNE 91  
How are we gonna stop this brain? Is  
something I never thought I'd say...

92 COOPERTINA 92  
Gus, you put brakes on this brain?

92A WONDER SEEKER 92A  
(doppler effect)  
<sound as he goes around and around  
the giant brain>

93 GUS 93  
No, you did.

94 COOPERTINA 94  
Does it look like I put brakes on  
this brain?

96 JUNE 96  
Oh no! We're gonna crash!

Right as the brain is about to hit the car... Greta and the  
Fish Force swoop in and knock it off the track.

98 WONDER CHIMP (CRASH LANDERS) 98  
Brains away!

97 GRETA 97  
Nice work, Fish Force.

The brain tumbles down the mountain.

REVEAL June, Gus, and Coop hanging from each other in a chain  
from the bottom of another Chimp-piloted Flying Fish.

EXT. SPACELAND - CONTINUOUS

The Fish drops June and Coop next to Steve.

99 COOPERTINA 99  
Man, that was a super close call.

100 GUS (PRE-LAP O.S.) 100  
RUN AWAY BRAIN COMING THROUGH!

They all leap out of the way of the brain rolling past. Gus  
is somehow back on the brain, running atop it.

101 JUNE 101  
So was that!

102 COOPERTINA 102  
I'm coming brother!!!

Coop runs off after the brain. June starts to follow but sees  
the chaos everywhere, not know which direction to run.

103 JUNE 103  
How are we going to stop this--

104 STEVE 104  
UTTER CHAOS!

Peanut (still with mustache) struts up.

105 PEANUT 105  
Man that Wondar really messed  
things up around here, huh?

106 STEVE 106  
We know you're Wondar, Peanut!

107 PEANUT 107  
What?! How could you tell?

108 STEVE 108  
You're still wearing the mustache!

Peanut removes the mustache and smacks it on a passing Wonder  
Seeker.

109 PEANUT 109  
No I'm not!

110 JUNE 110  
Peanut, this is your mess...

111 PEANUT 111  
*Wondar's* mess.

112 STEVE 112  
Say you're not Wondar one more  
time! I dare you! Say it!

113 PEANUT 113  
What's that, cactus? I don't Wondar-  
stand.

113A Steve <screams> and rushes Peanut, but June stops him,  
holding him. 113A

114 JUNE 114  
We need Peanut's help to fix this.

115 PEANUT 115  
Oh NOW you want my ideas.

115A STEVE 115A  
<efforts/ Let me at him!>

116 JUNE 116  
(holding Steve back)  
Is that what this is about? You  
don't think I like your ideas?  
Peanut, I love your ideas. They're  
always so unique!

117 COOPERTINA (PRE-LAP O.S.) 117  
Run away brain coming through  
again!

117A GUS 117A  
(doppler effect)  
<sound going around and around the  
brain>

They all leap out of the way of the brain rolling past. Coop runs atop the brain while Gus is flattened on the brain, getting smashed repeatedly as the brain rolls through.

118 JUNE 118  
And big! Even Wondar was a big idea  
to get everyone to do your big  
ideas!

118A PEANUT 118A  
(moved)  
You... get me.

June scans the chaos getting an idea.

119 JUNE 119  
I think it's time to make Wondar  
even bigger...

EXT. WONDERLAND - ENTRANCE TOWN - MOMENTS LATER

Shots of "Wondar" appearing on MONITORS BIG and SMALL all over Wonderland.

120 PEANUT 120  
Attention Wonderland! Hear the  
words of Wondar...

Everyone looks up. Peanut has their attention.

121 PEANUT (CONT'D) 121  
6-D Day is over now, remove your  
glasses, and take a bow. Now step  
aside and make a lane, our mascots  
need to stop this brain.

The Wonder Seekers remove their glasses and step onto the sidewalk, clearing the street. Steve and Boomer ROPE off the area just in time as...

The brain rolls around a corner onto the cleared main street with Gus and Coop running atop the brain, steering it as...

122 GUS & COOP 122  
Runaway brain coming through!

June and Greta swoop in on Flying Fish from the other side of the street trolling a GIANT NET as they fly toward the brain.

123 JUNE 123  
Let's bag this brain! Is something else I never thought I'd say...

123AA GRETA 123AA  
<snort> Say it sister!

123A They lower their brows and swoop down catching the brain. The 123A  
Wonder Seekers <cheer>.

EXT. MIDWAY - DAY

Peanut walks a down the midway with Shmendrik.

124 PEANUT 124  
Sure sure, I got to be the big hero and save the day, Shmendrik. But it seems that once again, Wonderland wasn't ready for my brilliance.

Shmendrik hands him a card.

125 PEANUT (CONT'D) 125  
"Look over there."

Peanut looks and sees a Fortune Telling Machine. It reads JUNEDAR THE GIRLNIFICENT.

125A PEANUT (CONT'D) 125A  
Junedar the Girlnificent?

Peanut looks intrigued. He approaches and sees June inside wearing FORTUNE TELLING GARB and a MUSTACHE.

126 PEANUT (CONT'D) 126  
Where'd this come from? I wonder if June knows about it.

He pulls the lever. June does "the robot", then drops a card for Peanut. Peanut reads:

127 PEANUT (CONT'D) 127  
"Junedar has heard the ideas of Peanut." That's great Junedar, but I really want *June* to be the one who heard them.

128 JUNE (O.S.) 128  
I did!

129 PEANUT 129  
AHHH!

Reveal June (out of costume) standing next to Peanut.

130 PEANUT (CONT'D) 130  
Don't you know it's rude to sneak  
up on people!

131 JUNE 131  
Look, you're right. Your ideas are  
too big for Wonderland...

CUT TO:

EXT. WONDERLAND - PEANUT'S AMAZING BRAIN RIDE - MOMENTS LATER

...June leads Peanut towards something. Shmendrik follows.

132 JUNE (CONT'D) 132  
...luckily I speak fluent Peanut  
and figured out how to contain them  
in one place. Ta-da!

June shows Peanut her new attraction. It's the brain, now  
mounted on a stand with a GIANT SIGN reading "PEANUT'S  
AMAZING BRAIN: THE RIDE" and SMALLER SIGN that reads "IN 6D".

133 PEANUT 133  
"Peanut's Amazing Brain: The Ride.  
In 6D." You're even using my flying  
fish force as ride cars! You do  
like my ideas!

133A Wonder Seekers wear the glasses riding Flying Fish into the 133A  
an entrance on one side of the brain while others fly out an  
exit <laughing hysterically>. Even Steve enjoys the ride.

134 STEVE 134  
<laughs> I shall never let Peanut  
know how much I enjoyed that.

134A PEANUT 134A  
So you enjoyed my brain, huh  
Cactus?

134B STEVE 134B  
(seeing Peanut, defeated)  
Crumpets.
