The family keeps watching, Dad bobbing and weaving along with his young self.

9 T.V. HOST (V.O.) 9
...and it's a new Obsta-Blam course record!

The crowd <CHEERS> as Dad beams and pauses the video.

10 DAD 10
They're re-booting the show as a family competition, and as a former champ, they want me to compete along with you two!

11 MOM 11
Sounds fun!

12 JUNE 12
We're in!

13 DAD 13
YES! The Bailey dynasty continues!
Haha!

Dad zooms and zips around the kitchen, prepping his breakfast.

14 DAD (CONT'D) 14
Y'know, some say my Obsta-Blam Challenge appearance was 'the perfect run'. A master class in strength, accuracy, balance, timing, and climbing. <Slurping cereal> But now that I'm older and smarter <aaah>, I'll show 'em a REAL perfect run! Haha!

15 MOM 15
Hang on, Henry-this is a family version? So our times are added together, right?

16 DAD 16
Don't be nervous. I know you and June have never done anything like this before, but you guys are lucky. You have the COURSE RECORD HOLDER to train you!

17 MOM 17
Great!...But train us on what?

18 JUNE 18
Just leave that to me!

CUT TO:

EXT. WONDERLAND - DAY

June smiles as the MASCOTS gather around. Peanut raises his hand.

18A PEANUT 18A
I vote for Steve!

18B JUNE 18B
What?

18C PEANUT 18C
Didn't you call us all here to vote
someone off of Wonderland?

18D JUNE 18D
No!

18E COOPERTINA 18E
Oh...

18F GUS 18F
Uncomfortable...

19 JUNE 19
I called you here cause we're
building an obstacle course!

20 GRETA 20
Sick! Is there gonna be a Lava
Shark? Knife Tornado? Laser
Avalanche?

21 PEANUT 21
On it!

Peanut begins to run off, but June grabs him.

22 JUNE 22
No. I had something even better in
mind. Each of the obstacles is
inspired by one of you guys.

June unrolls BLUEPRINTS and they all look on excited.

BEGIN CONSTRUCTION MONTAGE

JUNE supervises WONDER CHIMPS as they SAW a section of COASTER TRACK.

PEANUT & WONDER CHIMPS - plucking quills from Steve who <yelps> and sticking them in a QUIVER.

GUS & COOP - Gnaw down LOGS.

CRASH LANDERS - firing into target, triggering a LEVER to drop. He gives June a thumbs up.

GRETA - pushes/rolls a tire, then decides to hop off and kick it into place.

BOOMER - drizzling HONEY out of a BEEHIVE onto a POLE.

JUNE - places a BUTTON on top of a BEEHIVE.

MASCOTS - <Cheer> from down below.

END MONTAGE

EXT. WONDERLAND - WONDER-BLAM! TRAINING COURSE - NEXT DAY

June walks up to the COMPLETED OBSTACLE COURSE with her parents and the mascots.

24	JUNE	24
	Team Bailey, I give you: The Wonder-Blam training course!	

There's a FLYING DRONE SHOT through the course as June explains:

25	JUNE (V.O.)	25
	We start with a test of strength with the Monkey Bar Maze.	

There's a large PEANUT FACE. The open mouth is the entrance to a set of WINDING MONKEY BARS (made from coaster track) that undulate.

26	JUNE (V.O.)	26
	Next comes the Quill Shot where accuracy is key to trigger...	

There is a STEVE SHAPED "QUIVER" (pull the quills out of its back) and BOWS and a BULLSEYE TARGET. When the target is hit it triggers...

27	JUNE (V.O.)	27
	The Beaver Log Roll. Balance your way across to...	

37B STEVE 37B
Yes. He does.

Peanut yells from the top of the course, pointing at Steve:

37C PEANUT 37C
Hey! What are you doing here? I
thought we voted you out of
Wonderland.

37D GUS 37D
Uncomfortable...

EXT. WONDERLAND - WONDER-BLAM! TRAINING COURSE - MOMENTS LATER

Mom and June step up to the course, stretching and preparing to compete.

38 DAD 38
(to Mom and June)
Now, don't be intimidated. Just
take it one obstacle at a time.
I'll be right here to give you
pointers.

38A JUNE 38A
Alright Mom, we got this.

39 DAD 39
Are... You... Ready... To... Obsta-
BLAM!

Dad starts a STOP WATCH. In a short SERIES OF SHOTS, we see:

JUNE - on the monkey bars. On a couple bars she almost misses the grab, but quickly gets the hang (!!) of it.

MOM - on the archery. It takes a couple attempts but Mom hits the bullseye, releasing the logs.

June runs by mom and gives a fist bump.

JUNE - on the log roll. She's tentative at first, but once she gets her footing she makes it all the way.

MOM - on the swinging tires. She mis-times a jump, but still manages to grab onto the next tire and makes it to the end.

JUNE - on the bear climb. She slips a few times, almost falling, but manages to get to the top.

39A/B Throughout, we cut to the mascots' reactions, <gasping> when 39A/B
June and Mom almost fall, <cheering> when they get through.

And Dad mimes coaching actions: encouraging them with arm movements, looking at the timer and shaking his head, etc.

END SERIES

39C/D June and Mom <catch their breath>. The mascots cheer. 39C/D

40 DAD (CONT'D) 40
Way to go, guys. I see a lot of potential and with my champion tutelage we can get your times to where they need to be.

41 GRETA 41
Yeah, June says you're a pro at these things.

42 DAD 42
Weh-ell, not to toot my own horn, but--HONK!!!

Dad smiles, expectantly. Everyone just stares blankly.

43 DAD (CONT'D) 43
'Cause I said 'horn' and then I made a horn sound, and--ANYway, yeah, I'm pretty good.

44 COOPERTINA 44
Let's see it, mister!!

45 DAD 45
(false modesty)
Nah, well... I mean if you really want me to. You might find this inspirational.

Dad steps up to the course. He stretches and <cracks> his knuckles. His body language is very cocky.

46 JUNE 46
Are... You... Ready... To...

47 MASCOTS, JUNE, & MOM 47
Obsta-BLAM!!

48 DAD 48
Alright everyone, take notes.

Steve takes out a CLIPBOARD and PEN.

MONKEY BARS - Dad runs start toward the monkey bars, raising his LEFT ARM, but stops himself at the last second:

49 DAD (CONT'D) 49
Whoops, Was reaching with my left.
Supposed to go right. Let's try
that again.

He starts towards the bars again, reaching with his RIGHT.

50 DAD (CONT'D) 50
Oh no, I did want left!

He switches arms at the last second, misses the bar, and back-
plants.

51 DAD (CONT'D) 51
<GROAN> No, it was the right.

QUILL SHOT - Dad loads up the bow with a quill. Licks his
finger and raises it in the air.

52 DAD (CONT'D) 52
Observe the technique. Wind is
blowing east to west.
(stretches bow)
Bow at a perfect 90 degrees. <oh!>

Dad accidentally releases the bow instead of the string,
causing the quill to shoot backwards landing in Steve's
clipboard. Steve scribbles notes.

BEAVER LOG ROLL - Dad steps on and...

53 DAD (CONT'D) 53
It's all about calculated little
steps-- <whooaaaaah> <Whooa!>

...and slips off a few steps in.

HOG TIRES - Dad swings off on a tire...

54 DAD (CONT'D) 54
Timing is key-- <oof>

...and mistimes his grab, so he hangs over the mud, feet
hooked on one tire, hands on the other.

The gang watches confused.

55 DAD (O.S.) (CONT'D) 55
<struggling> I got this. <ow!>

A <SPLAT> O.S. sends MUD splashing on the "crowd".

BEEHIVE BEAR CLIMB - TIGHT ON a muddy Dad clinging to the
pole.

65 MOM 65
Henry, are you sure you're ready to
give this another go already?

66 DAD 66
I'm an Obsta-BLAM! Champion! Of
course I am. I was just a little
rusty. Got that out of my system.
Now I know the course, I'll crush
it this time. I... AM... READY...
TO...

SUPER FAST CUTS OF DAD "EATING IT":

66A Dad jumps off the first platform - <SPLASH>. 66A

66B ON STEVE'S CLIPBOARD - A QUILL shoots right into it, 66B
SPLITTING the previous quill. <THWACK!>

66C ON LOG - Dad drops doing the <splits> on the log. <DOH!> 66C
ON TIRES - Dad splits, <wripping his pants> and <cringing>.

66D ON MIDDLE OF BEAR POLE - Dad falls down through frame in the 66D
air. <CRACK!>

67 DAD (O.S.) (CONT'D) 67
(pained)
Obsta... blam...

ON DAD splayed on the ground. June and Mom run up, helping
him to his feet. <Ow!>

68 STEVE 68
Which would you like first, my
notes or my first aid kit?

69 DAD 69
Neither. I'm fine. Let's do this
again. Third time's a charm.

70 MOM 70
(concerned)
You know what, why don't we take a
break and...

71 DAD 71
Come up with a new strategy!

72 MOM 72
Uh I was going to say get you some
ice.

73 DAD 73
Ice is for quitters.

74 STEVE 74
Actually ice is for swelling.

75 DAD 75
Well, I'm swelling to get back on
that course!

Dad begins to hobble bow-legged back towards the starting line. June sees his condition and stops him.

76 JUNE 76
Hey Dad! I, uh, got a *new strategy*.
Since each obstacle is inspired by
a mascot, maybe they can train you--
er, I mean US! And you can sit down
and rest for a minute.

June helps him sit down.

77 JUNE (CONT'D) 77
(to mascots)
Whaddya say, guys?

78 GUS 78
I don't know. He seems pretty awful.
(Coop tail-slaps him)
I mean... I would be honored to
train a champion... that's what I
meant?

Gus looks to Coop for approval. She nods.

79 MOM 79
I think this is a great idea Henry.
Let's let the mascots help you--
us.

80 DAD 80
Well...

81 JUNE 81
I mean, who else gets to be trained
by the real deal? You got Peanut to
show you how to do a natural run
through the Monkey Bar Maze.

82 PEANUT 82
Hold up-- I've been meaning to talk
to you about this "MONKEY" bar!

82A Peanut <WHISTLES> and Wonder Chimps wheel in a DIAGRAM of a MONKEY'S BUTT. Peanut pulls out a POINTER. 82A

83 PEANUT (CONT'D) 83
Observe. Monkeys have tails.

Peanut detaches the tail from the diagram.

84 PEANUT (CONT'D) 84
Chimps do not.
(adding and removing tail)
Monkey. Chimp. Monkey. Chimp.
(aside)
By the way, this is my butt.
(tossing diagram to others)
GET EDUCATED!

Peanut storms off. June realizes the problem.

85 JUNE 85
(calling out)
My mistake! It's actually called
the, uh...Chimpanzee... Bars?

Peanut stops and looks back at them.

86 PEANUT 86
Oh. 'Kay.

Peanut returns.

87 JUNE 87
What do you say, Dad?

88 DAD 88
You really think they're good
enough to train a champ?

SMASH TO:

PEANUT - swings through the monkey bars using only one hand, laughing and eating snacks with his other hand. He <laughs> and even poses for a photo from SNAPPY.

STEVE - hits the target with one of his own quills. He twirls the bow like a baton.

GUS & COOP - <dance> across the log roll.

GRETA - easily makes it across the tires <snort laughing> as she goes. <Yeah!>

BOOMER - scurries up the bear climb, leading with his tongue, happily licking, the honey off the beehive as he hits the BLAM BUTTON.

PAN TO Dad, looking on in awe, inspired...

89 DAD (CONT'D) 89
Train this champion...

SMASH TO:

EXT. WONDER-BLAM! TRAINING COURSE - LATER

<SPLOOSH>. Dad floats in the mud puddle, glasses askew.

90 DAD 90
(defeated)
Disgraced former champion.

Everyone stands around looking at Dad with pity.

91 JUNE 91
Don't get discouraged, Dad. I'm
sure we can figure out another--

92 DAD 92
I appreciate everything you've done
June-bug. But it's over. I can't
compete on Family Obsta-Blam
Challenge. The former course record-
holder who couldn't get through a
single obstacle? I'll be
humiliated! On national television!
<sigh> Maybe they'll let you
compete without me.

Peanut is instantly by June's side standing heroically.

93 PEANUT 93
Fear not, June. I will be your dad.

94 JUNE 94
I don't think you're quite
understanding the situation Peanut.

95 PEANUT 95
Don't talk to your father like that
June-bug. Right, honey?

He turns to Mom for support.

96 MOM 96
Yeah this isn't gonna be a thing.

107 T.V. HOST (V.O.) 107
...This kid's just throwing caution
to the wind. Going for it with
reckless abandon. Not a thought in
his little head.

108 DAD 108
(hopeless)
He was right. Nothing was going
through my head.
(realizing)
Nothing! I wasn't overthinking. I
just-- went for it.

109 JUNE 109
That's it! You just gotta be that
crazy kid!

Dad watches the end of the video.

110 T.V. HOST (V.O.) 110
And it's a new Obsta-Blam! Course
record!

Dad looks at June and smiles.

111 DAD 111
You know what, June--I think you're
onto something!

He stands up and runs over to the starting line.

112 JUNE 112
Remember, Dad--no thinking!

Dad takes a deep breath. Then:

113 DAD 113
YYEEAAWWWWHHHH!!!

The mascots all <react>, startled.

114 BOOMER 114
Is he hurt?

115 STEVE 115
Scared?

116 GUS & COOP 116
Constipated?

117 JUNE 117
No. He's a champion!

Dad swings through the monkey bars with the greatest of ease.

118 MASCOTS 118
<"He's doing it." walla>

118 CONT'D PEANUT 118 CONT'D
Go June's other Dad!

He aces the archery. Dances across the log roll. Flows across the tires.

118A The mascots continue to <cheer>, as Dad <efforts> through the 118A course.

Dad sprints towards the bear climb and shimmies up the pole, no problem! He smiles confidently.

TIGHT ON DAD'S HAND - as he reaches for the "BLAM BUTTON"...

MATCH CUT TO:

119 T.V. HOST (V.O.) 119

Dad, Mom, and June celebrate.

121 PEANUT 121
Alright kids, that's enough screen
time for today.

Peanut flicks the remote to shut off the episode.
