EXT. WONDERLAND - VARIOUS LOCATIONS - DAY

IN A ONE TAKE, SWEEPING "DRONE" FLY-THROUGH SHOT: We start wide on Wonderland's incredible RIDESCAPE and swoop down on BOOMER near the BUSTLING, COLORFUL PARK ENTRANCE...

1 BOOMER 1  
Wellllcome to Wonderland!

2 JUNE (V.O.) 2  
Is how Boomer greets every Wonder Seeker as they enter the park. And days at Wonderland are worry-free with Steve in charge of safety.

...A YOUNG "WONDER SEEKER" (PARK GUEST) holds a LARGE BALLOON BOUQUET. She begins to float up. STEVE pulls off one of his QUILLS and <POPS> one balloon. She drifts back to the ground.

3 STEVE 3  
We have a seventeen balloon limit for a reason, people.

In the background the BALLOON VENDOR WONDER CHIMP (FLOATS MCGOATS) floats in the sky with a GIANT BALLOON BOUQUET, leading us to CRASH ZOOM IN ON...

4 JUNE (V.O.) 4  
Floats McGoats is one of the many Wonder Chimps that help out in the park. And yes, they're all adorbs.

THE OCTOPUS FLUME RIDE - where GRETA is waiting to board. A FULL RIDE BOAT floats off. It's her turn.

5 JUNE (V.O.) 5  
Fearless Greta's always looking to amp things up a bit...

REVEAL Greta's got WATER SKIS w/ ROCKETS strapped to her feet. She hops into the flume water, without a ride boat.

6 GRETA 6  
I'll be riding this free-style today.  
(igniting ski rockets)  
<snort> And backwards! <Yee-HA!>

5 CONT'D JUNE (V.O.) 5 CONT'D  
...or a lot...

She rockets off backwards down the flume track, pulling some cool moves to pass the ride boats until she flies off the track, through the air, <CRASHING> through the wall of a PIRATE SHIP that the ride goes through, leaving a BIG HOLE.

7 JUNE (V.O.) 7  
 Good thing we got Gus and  
 Coopertina's construction skills to  
 keep the rides running.

GUS and COOPERTINA appear immediately repairing the hole.  
 They TAIL FIVE, then Coop spots a GOLD COIN on the SHIP DECK.

8 COOPERTINA 8  
 Gus, I found some treasure!

She picks up the coin. It's attached to a STRING which  
 triggers a PIRATE WONDER CHIMP to pop up out of a TRAP DOOR.

9 WONDER CHIMP (PIRATE) 9  
 Shiver me *Wondars!*

9A Coop <screams> and fall backwards. 9A

10 JUNE (V.O.) 10  
 If they aren't pranking each other.

11A/B COOPERTINA / GUS 11A/B  
 Sick burn, Gus. / Oh I got you good!

11C/D They <laugh>. We track Floats rising over THE GRAND WONDER 11C/D

12 JUNE (V.O.) 12  
 And then there's Peanut.

13 PEANUT 13  
 That's me!

PEANUT leaps out of the top of Float's balloon bouquet and  
 somehow stands atop the balloons as they float higher.

14 JUNE (V.O.) 14  
 The only way to describe the magical  
 touch he brings to the park is...

15 PEANUT 15  
 SPLENDIFOROUS!

With that Peanut and all the balloons <EXPLODE> into a  
 MAGICAL FIREWORK over The Grand Wonder!

MATCH CUT TO:

EXT. BAILEY HOUSE - BACKYARD - DAY

15A A MODEL OF THE GRAND WONDER. KIDS <CHEER/LAUGH> as we REVEAL 15A  
 JUNE holding her PEANUT DOLL over a group of INCREDIBLE RIDE  
 MODELS. It's a mini Wonderland. Her NEIGHBORHOOD FRIENDS  
 (with BUNKY and DEV) play with the ride models. MOM watches.

37 JUNE 37  
Nothing. It's just, I know you guys  
don't believe I actually went to  
Wonderland, but it seemed so real.

40 MOM 40  
Do you believe it's real?

41 JUNE 41  
It has to be...

42 MOM 42  
Then that's all that matters.

43 DAD 43  
Well, that and getting a full  
night's sleep for that growing  
brain of yours. Goodnight.  
(Alt 1)  
Well, that and getting a full  
night's sleep for that...

Mom and Dad <blow June kisses> as they exit.

June stares at the MAP OF WONDERLAND on her wall again. Then she picks up the Peanut doll and whispers into his ear:

44 JUNE 44  
(sweetly)  
Peanut, if you can hear me...  
(yelling in his ear)  
...GET ME BACK TO WONDERLAND!

45 DAD (O.S.) 45  
JUNE! BED!

45A June <laughs> at herself, placing Peanut with the rest of the 45A  
MASCOT DOLLS and rolls over to go to sleep.

45B JUNE 45B  
Goodnight Wonderland buddies.  
Goodnight Peanut.

INT. JUNE'S BEDROOM - MORNING

TIGHT ON JUNE in the morning sunlight. A SHADOW comes over her. And a voice sweetly whispers:

46 SWEET VOICE (O.S.) 46  
Good morning June.

JUNE POV - eyes blink open to see PEANUT smiling down at her.

47 JUNE 47  
 <lip smacking> Good morning Peanut.  
 (eyes suddenly widen)  
 Peanut?!

48 PEANUT 48  
 That's me!

Beat. They trade escalating screams in each other's faces:

49A/B JUNE / PEANUT 49A/B  
 Ah! / Ah! / AH! / AH! / AHH! / AHH!

50A/B JUNE & PEANUT 50A/B  
 AHHHHHHHHHHH!

50C Peanut <stops his scream short>, picking up the Peanut Doll. 50C

51 PEANUT 51  
 Ooh! Who's this handsome fellow?

52 JUNE 52  
 Peanut... you're... you're HERE!  
 Wait are you really here or am I  
 just dreaming--

53 DAD (PRE-LAP O.S.) 53  
 June-bug are you okay?

Mom and Dad burst into the room and freeze when they see Peanut. Beat, then alternating (mirroring June beat):

54A/B/C MOM & DAD/ PEANUT 54A/B/C  
 Ah! / Ah! / AH! / AH! / AHH! / AHH!

55A/B/C MOM, DAD, & PEANUT 55A/B/C  
 AHHHHHHHH!

56 JUNE 56  
 Everyone calm down I can explain.  
 Sorta. This is...

57 MOM 57  
 Peanut...?

58 PEANUT 58  
 She knows what's up! Up top!

Peanut goes for a high five. Mom slowly taps his hand, in awe.

59 MOM 59  
 June, how can he... be here?

Peanut somehow pops out of one of June's DRAWERS. He has a SOCK on his hand, working it like a SOCK PUPPET.

60 PEANUT 60  
(as sock puppet)  
Because I'm SPLENDIFOROUS!

Dad <coughs>. June and Mom stare blankly.

60 CONT'D PEANUT (CONT'D) 60 CONT'D  
(off blank stares)  
Okay, I can see you're gonna want more than that. Totally get it. June asked me to help her get back to Wonderland, so here I am!

61 DAD 61  
Is this really happening? It's crazy! I can't take any more surprises--

62 WONDER CHIMP (POINTS DE LEÓN) 62  
There lies the wonder you seek!

63 JUNE, MOM, DAD 63  
AHHH!

A WONDER CHIMP in a 14th CENTURY EXPLORER GARB (POINTS DE LEÓN) hops on the bed and points at June.

64 JUNE 64  
Is that... a Wonder Chimp?!

65 PEANUT 65  
Good eye, M'lady. Meet Points de León. He points me in the right direction. He's how I found YOU.

Suddenly another WONDER CHIMP in a BIB and BOWTIE with a TRAY OF BANANA HORS D'OEUVRES (BUTTLER) pops up behind Peanut.

66 JUNE, MOM, DAD 66  
AHHH!

67 PEANUT 67  
AH! indeed. Meet Buttler, my trusted travel companion. Also, he has a butt.

Buttler turns around revealing he has a defined butt. He <FARTS> CONFETTI.

68 PEANUT (CONT'D) 68  
Now it's a party.

108 PEANUT 108  
Fine, you've caught me. When I  
crossed the portal I made from  
Wonderland, I forgot to leave it  
open. And uh now...

109 JUNE 109  
(realizing)  
You don't know how to open it again.

110 PEANUT 110  
(defensive, childish)  
YOU don't know how to open it again.

June looks puzzled for a moment, then lights up with an idea:

111 JUNE 111  
Actually, I do!  
(to Mom)  
What's the first thing we do to  
turn my imagination into reality?

112A/B JUNE & MOM 112A/B  
Build a model!

June runs around looking for the perfect sticks. She places  
them in the ground making a "W" out of the sticks.

113 BUNKY 113  
Uh, June, I know you said you  
entered through trees that look  
like a W but I don't think we're  
going to fit.

114 JUNE 114  
You're right. But maybe we will  
with a bit of Wonderland magic.

115 PEANUT 115  
Ta-DA!

Peanut holds out his hands "magically" at the sticks. Nothing  
happens.

116 PEANUT (CONT'D) 116  
Worth a shot.

118A JUNE 118A  
Nah, I was thinking something else.

June turns and looks at the Wonder Chimps. Mom lights up.

119 MOM 119  
The Wonder Chimps. They're stuffed  
with magic cotton candy.

The Wonder Chimps happily approach. Then (adorably) pop off limbs (Points's ARM, Scribbles's HEAD, and Buttler's... SECOND BUTT) offering the PINK COTTON CANDY STUFFING end to June. June takes a TINY BIT from each before they reattach their limbs.

120 DAD 120  
Who knew something could be so  
adorable AND so disturbing.

121 PEANUT 121  
(whispering)  
You're welcome.

122 JUNE 122  
Thanks little dudes! Here goes  
nothing.

June wraps the sticks with cotton candy...

PAN ACROSS: Everyone's eyes staring wide with hope.

Nothing happens. June deflates, devastated.

123 JUNE (CONT'D) 123  
This can't be. We're SO close...

TIGHT ON: June's Mom gently takes June's hand.

Suddenly, in a magical, cinematic moment, the COTTON CANDY SPARKLES. The STICKS TWIST AND GROW into FULL SIZE TREES. The cotton candy morphs into COLORFUL VINES encrusting the trees.

The group stands in awe, staring at our FULL SIZE "W" PORTAL with the GLOWING PARTICLES all around it. The particles concentrate in the "doorway" of the W, activating the portal with SHIMMER EFFECTS.

124 JUNE (CONT'D) 124  
This is it! Just like I remember!

Everyone stares in awe, frozen, speechless, as if this is a sacred moment. Until...

125 PEANUT 125  
Well, what are you waiting for?!  
Oh! Me! <heh!> Let's go!

137 BOOMER 137  
WELCOME... (sweetly) back!

138 JUNE 138  
Mom, Dad, Bunky, I'd like you to  
meet--

Dad rushes up to hug every one of the mascots. Mom and June share a look of surprise re: Dad's knowledge/enthusiasm.

139 DAD 139  
Boomer! And Greta! Gus and Coop!

141 DAD (CONT'D) 141  
And you're clearly Steve!

Dad goes in for the hug, then pauses at Steve's sharp quills.

142 DAD (CONT'D) 142  
A high five for you.

143 STEVE 143  
Love your caution. But, let's be  
proper, shall we.

Steve extends his hand for a shake. Dad shakes it vigorously. This moment is interrupted by the <sound of the CHIMPAN-BAND> coming down Main Street. Peanut stands atop the BAND FLOAT.

144 PEANUT 144  
You guys could have your big reunion  
here all day. Orrrrrr you could do it  
all around this wondrous park!

Everyone looks at each other. CUT TO:

MONTAGE OF EVERYONE HAVING FUN AROUND THE PARK:

THE SKY FLINGER - June and Bunky launch in a SKY FLINGER POD. We track it into the sky until it passes through screen. SEVERAL MORE PODS fly through with the rest of our gang. We end with Peanut in a Wonder Chimp crammed pod. Everyone <Cheers>.

PILE O FRUIT SMOOTHIE BAR - Boomer juggles/serves several WONDER GULPS (think circus version of Tom Cruise in Cocktail). Everyone enjoys them. MORNING JOE (a tiny Wonder Chimp) pops out of Dad's.

SPACE BLASTER - They're in a RIDE CAR on the VERTICAL LAUNCHING PAD, ROCKETING UP the track into SPACE! There's an ASTRONAUT WONDER CHIMP floating there, waving at them. Greta ROCKETS by with her ROCKET SKIIS causing the Chimp to spin.

ZERO G LAND - They bounce and float off the BALLS. Gus and Coop float by on the PIRATE SHIP BALLOON. Steve accidentally punctures it with his quill and it goes flying off.

FIREWORKS FALLS - They stand on the observation platform watching the FIREWORKS <EXPLODE> from the FLOWING FIREWORKS RIVER. SCRIBBLES <TAKES> their picture.

We finally end up on...

THE GRAND WONDER - June, the mascots, her parents, and Bunky are all loaded in the COASTER CAR. June's parents are seated behind her, Steve and Greta in front of her. The car is slowly chugging up the largest drop. (Behind them a car is packed full of Wonder Chimps.)

145

JUNE

145

Woow! This is amazing! Wonderland is real! And I get to share it with you guys. So... we get to come back whenever we want right?

As they approach the peak of the drop, June looks out at the amazing park below. Then at her parents, Bunky, and the mascots surrounding her on the ride.

They all share a warm moment about to answer... when they tip over the edge of the drop and begin rocketing down...

153

EVERYONE

153

<"Yeah!" screams of delight!>

We pull out to see the mind-blowing "ridescape" of the entire park as fireworks burst over fireworks falls. The last firework is the shape of Peanut's face.

END EPISODE.
