EXT. ENTRANCE TOWN - DAY

As JUNE walks through the park, Gus races to catch up to her.

1	GUS	1
	June, June! Thank you for those comic books! They were <URP!> (burps out a PAGE OF HERO COMICS) Amazing! Check it.	
3A	He <BURPS> ANOTHER PAGE at June with lots of ACTION SOUND EFFECT BUBBLES (a la <i>Batman</i> ).	3A
	JUNE (pulls page off her face) Ooh.	
4	GUS	4
	Their fists are all talky: KA-Bammy-BAM! And KA-Pow-slammy-slam!	
5	JUNE	5
	Glad you liked them, Gus.	
6	GUS	6
	I loved 'em! Especially that THEY CAN FLY!!!! <"Swoopy" FLYING NOISES>	
	He mimes trying to fly only to fall on his face.	
7	JUNE	7
	(as she helps him back up) Ha. Ok, have fun playing hero.	
	She starts to walk off, but Gus stops her.	
8	GUS	8
	Hero? You kidding me? Pffff. Who wants to be a <spits out the word> hero? Wayyy too much pressure. I wanna be...a sidekick!	
9	JUNE	9
	A sidekick?	
10	GUS	10
	Yeah! No one expects anything from a sidekick. They're just there to say dumb stuff and have fun.	
11	JUNE	11
	That <i>does</i> sound like you.	

12 GUS 12  
(*<armpit farting>*)  
You know it! But if I'm gonna be a  
sidekick, I gotta find me a hero.  
(*realizes*)  
Wait, I know who my hero is!

EXT. THE KIDDIE-PILLAR - DAY

Hard at work repairing the ride, COOP doesn't even turn to  
Gus to tell him:

13 COOP 13  
Nope. Too busy.

14 GUS 14  
But you're my hero!

As she heads off to make another repair...

15 COOP 15  
Sorry. Everyone expects me to do  
everything cuz all you do is say  
dumb stuff and have fun.

16 GUS 16  
(*armpit farting*)  
That *does* sound like me.

Coop walks off.

GUS (CONT'D)  
Total sidekick material. Can't  
sidekick without a hero. I need a  
hero!

Gus is left all alone. When suddenly, from O.S. ...

17 PEANUT (O.S.) 17  
(*Dark-Knight whisper*)  
Sounds like someone needs a hero.

Gus sees PEANUT, lurking half in shadow, like Batman.

18 GUS 18  
Oh! Oh! I DO! You know one?

19 PEANUT 19  
(*posing/showy*)  
Me! Sorry, wait.  
(*Dark-Knight whisper*)  
Me. I will be your hero.

Peanut and Gus turn and see STEVE and June approaching.

29 PEANUT 29  
I am... Captain Splendiforous!  
(Points to P on his chest,  
dark knight voice)  
The P is for Splendiforous.

30 JUNE 30  
Doesn't that start with an S?

31 PEANUT (DARK KNIGHT VOICE) 31  
After which is a P. Try to keep up.

Gus leaps in front of them.

32 GUS 32  
And don't forget about me! I'm his  
sidekick! You can call me...  
(armpit farts)  
Side... Guy!  
(punching the air)  
Ka-Ching! Ka-pow! Ka-sidekick!

33 JUNE 33  
<Giggling> Sure got those talky  
fists down.

34 PEANUT (DARK KNIGHT VOICE) 34  
If you are ever in need of us, use  
the Splendiforous Signal.

Peanut holds up A SPOTLIGHT CHIMP. It casts Splendiforous's P-symbol in the sky from it's belly.

35 PEANUT (DARK KNIGHT VOICE) (CONT'D) 35  
I'll know you need me when the sky  
is filled with "P."

35A Gus <CRACKS UP>! 35A

36 GUS 36  
Filled with "P!" Ha! Ka-P!

37 STEVE 37  
(looking at June, dead pan)  
Seriously? We're just going to let  
this happen?

Peanut tosses the Spotlight Chimp to Steve, who catches it, getting blinded by the light in his face, falling O.S.

38 STEVE (CONT'D) 38  
AHH! My eyes! It's so hot on my  
eyes!

39 PEANUT (DARK KNIGHT VOICE) 39  
We're wasting time, Side Guy. The  
streets of Wonderland are in dire  
need of cleansing...

Peanut looks down. MOPPY BUCKETS is tugging on his leg,  
pointing to the already <SPARKLING> clean streets.

40 WONDER CHIMP (MOPPY BUCKETS) 40  
Clean as a Wonder Whistle!

40A STEVE 40A  
It's searing my corneas!

41 GUS 41  
They do look pretty clean already.

42 PEANUT (DARK KNIGHT VOICE) 42  
Then let us go find evil that needs  
to be fought and justice that needs  
to be brought!

Peanut GRAPPLING HOOKS away. Gus stands there, unsure what to  
do. Beat. Peanut swings back in.

43 PEANUT (CONT'D) 43  
Almost forgot...

43A Gus smiles and <GIGGLES> holding out his hand to Peanut when 43A  
Peanut reaches right past him.

44 PEANUT (DARK KNIGHT VOICE) (CONT'D) 44  
My poppy bubbles. Pop. Pop. Pop.

Peanut grabs the packing bubbles, <popping> them as he swings  
away again. Gus shrugs. Then runs off flapping his cape.

45 GUS 45  
Swoop swoop swoop swoop swoop!

EXT. GRAND WONDER - LATER

A RIDER'S HAT is blown off! Its floating away in the wind!

45A WONDER SEEKER #1 45A  
<gasp> My hat!

Captain Splendiforous and Side Guy leap off the lattice work of the Grand Wonder and into the air! Peanut catches the hat in mid air, then lands on his feet. Gus lands on his face and pops back up.

47 GUS 47  
(shouting up to the guy)  
We saved your hat! We'll bring it  
to you!

48 PEANUT (DARK KNIGHT VOICE) 48  
After we bring it to justice!!  
(curb stomping hat)  
<STOMP> Hats stay on heads!!

48A Gus is confused for a moment, then shrugs and gleefully joins 48A  
in. Peanut <GRUNTS> as he and Gus stomp and punch the hat.

49 GUS 49  
Hat-BAM! BAAAA!

EXT. SWOOSH-BUCKLER - MOMENTS LATER

50A There's a long line of people waiting. At the back of the 50A  
line is WONDER SEEKER #1.

50 GUS 50  
We're here to save you... time in  
line!

51 PEANUT 51  
Banana Cannon!

51A Peanut whips out TWO BANANA CANNONS. He tosses one to Gus and 51A  
- in OVER-THE-TOP "RAMBO" MODE uses the other to SPRAY A  
TOTALLY SILLY AND FUNNY CARTOONY BARRAGE of bananas that fly  
everywhere, which knock away people ahead of the guy in line  
(some people <slip and slide> on the bananas and fall off  
screen).

54 GUS 54  
<PCHEW PCHEW PCHEW>

GUS joins in, firing his Banana Cannon. Soon there is no one  
else in front of Wonder Seeker #1 in line. Peanut <BLOWS> on  
his banana cannon like it's a smoking gun.

55 PEANUT (DARK KNIGHT VOICE) 55  
(to Wonder Seeker #1)  
No need to thank us citizen.

Peanut leaps to his CHIMP MAKING MACHINE. He starts doodling and pressing buttons. As the Machine roars to life, Gus enters, carrying a PAPER BAG - their lunch.

65 GUS 65  
Ka-LUNCH! A ha! I got you a burger exactly the way you asked for it - Hold the pickles, hold the lettuce, hold the meat, hold the bun, extra pickles on the side.  
(proudly holds up a WET HANDFUL OF PICKLE SLICES)  
And that is how you KA-sidekick!

Gus FIST PUMPS as...The Wonder Chimp machine finishes creating a WONDER CHIMP. Like every Wonder Chimp, this one's super cute, even in his evil-looking cape and cowl.

66 GUS (CONT'D) 66  
Ooh, cute! <GIGGLE> What's this 'lil guy do?

The Wonder Chimp shoots LASER BLASTS out of his eyes, vaporizing the pickles in Gus's hand.

67 GUS (CONT'D) 67  
Oww! Bad Chimp!

68 PEANUT 68  
Yes, yes, very bad! Meet Chimp Von Villain! Our arch nemesis!

69 WONDER CHIMP (CHIMP VON VILLAIN) 69  
I will destroy Wonderland! Mwahaha!

70 PEANUT 70  
Isn't he adorbs?

71 GUS 71  
A villain? You sure about this? I was having fun just having fun.  
<armpit farts>

72 PEANUT 72  
Sure, sure, sure. We could keep making people's lives "better." And farting with our armpits. But is that really what being a hero is about?

73 GUS 73  
I wanna say yesssss...? <armpit farts>

73A Behind them, Von Villain <LAUGHS> as he steals items from the factory. 73A

74 PEANUT 74  
NO! We need an evil villain to  
crush!

Easily swayed as always, Gus shrugs and nods.

75 GUS 75  
OK, you're the boss! But you DO  
know that while we were talking and  
armpit farting, our villain just  
stole a bunch of parts from your  
Wonder Chimp Making Do-Hickey?

Peanut turns to see Von Villain sneaking towards the door  
holding an armful of parts. Von Villain freezes, caught.

76 PEANUT 76  
(Dark-Knight Voice)  
NOT ON MY WATCH!  
(then, regular voice)  
Seriously, you're standing on my  
watch.

Von Villain takes a step back, revealing he was on an actual  
WATCH (a Peanut version of the "Mickey Mouse watch"). Von  
Villain then Laser-blasts it to pieces!

77 PEANUT (DARK KNIGHT VOICE) (CONT'D) 77  
Noooooo! You will pay for that!  
I think it was like 40 Wonderbucks.  
I have the receipt here somewhere.

77A Von Villain <LAUGHS> as he escapes. 77A

78 GUS 78  
Uh, he's gone.

EXT. ENTRANCE TOWN - MAIN STREET - DUSK

The CHIMPAN-BAND parades down the street, led by the Band  
Leader Chimp waving his BATON.

Von Villain sneaks up behind the Band Leader Chimp, KARATE  
CHOPPING him, taking him out. He takes Leader's hat and  
baton. He then uses it to lead the parade.

80 WONDER CHIMP (CHIMP VON VILLAIN) 80  
Mwa-ha-ha-ha!

88 PEANUT 88  
No! We must stay and face our  
<OOF!>

88A/B Peanut takes a pod in the gut, sticking to it as it rolls away past Gus. Gus looks up to see Von Villain <cackling> as he throws another pod toward Gus. Gus <screams> and runs off. 88A/B

EXT. SPACELAND - NIGHT - MOMENTS LATER

Gus finds Peanut pinned against a wall by the pod. Peanut kicks it off, battered.

89 GUS 89  
Peanut this isn't fun any more. I  
don't even feel like doing this...  
<armpit fart> Well, that was kinda  
fun--

90 PEANUT (DARK KNIGHT VOICE) 90  
This isn't supposed to be fun. It's  
dark <ow>! And painful! Like my  
tortured past.

91 GUS 91  
Peanut you're a monkey in an  
amusement park!

92 PEANUT 92  
(Dark Knight voice)  
I'm a chimp!  
(normal voice)  
And don't go poking holes in my  
backstory! You're gonna ruin this  
whole super hero thing I'm doing...

93 GUS 93  
Well, then you're doing it on your  
own! This is getting too real! I'm  
taking off. <whoa-whoa...>

As he says that, Gus starts to float into the air.

94 PEANUT 94  
Cool exit! <Whoooa...>

Peanut also floats up into the air! It's night, there are no people in the closed park, but BENCHES, TRASHCANS, WONDER GULPS AND KIOSKS are all floating up and up and up!

95A Floating up, Gus and Peanut manage to grab on to the RINGS of the SOLAR SYSTEM MODEL and <GASP> as they see... 95A

105 GUS (CONT'D) 105  
Coop!  
He reaches out and to grab her but misses!

106 COOP 106  
You know, I got like zero idea  
what's going on. So why do I have  
the feeling you're responsible?

107 GUS 107  
I'm not! I'm just the sidekick!

108 COOP 108  
Well right now, looks like we could  
use a heroooooooooooo...

She floats up and away and disappears into the clouds.

109 GUS 109  
KA-Nooooo...!

He lets go to go after her. But he just tumbles end over end  
into the air as he floats up, out of control. He passes  
Boomer who is surprisingly calm:

110 BOOMER 110  
Hey Gus. Remind me to tell you  
about this crazy dream I'm having  
when I wake up. Weeeee...

111 STEVE 111  
Ahhh! Why is it following me?! It's  
so bright!

In the background, Steve spirals upward, with the spotlight  
chimp somehow always pointing in his face.

111A JUNE 111A  
Haha Steve you got "P" on you...  
also heeeeelllp!

As Gus falls upward, he grabs on to the edges of his cape -  
And soars through the air! His eyes light up! Holding the  
edges of his cape, he makes it like a parasail. Enabling him  
to control where he flies! Cool!

112 GUS 112  
I'm flying. Like a real hero! *Swoop-*  
*Swoop!* I'm coming Coop!

113 COOP (O.S.) 113  
(Far in the distance) No!

Gus looks up and she's already way up there - a dot in the sky, along with Greta, Boomer, and Steve.

114 COOP (CONT'D) 114  
You gotta find a way to get us ALL  
down!

115 GUS 115  
Ok, ok, think! What would Captain  
Splendiforous do?  
(dark knight)  
I will hero you right in the  
justice!

He swoops down right at Von Villain on top of the Chimpan-Band float. But the Chimp pulls a lever: the float pulls one of the Sky Flinger arms free from the ground and swings it at Gus, sending him backwards.

116 GUS (CONT'D) 116  
Gah! Forget that! I'm not a  
fighter. I'm a farter!  
(then)  
<idea armpit fart> <gasp> That's  
it!

ANGLE ON - the TUBA in Von Villain's machine.

Gus zooms down towards it and sticks his butt into the Tuba opening - blocking it!

117 GUS (CONT'D) 117  
KA-Butt!

It works! With Gus blocking the end of the tuba, the machine is no longer pouring Zero-G out of Zero-G land. Von Villain tries to pull the lever again, but it <sizzles>. Gravity starts to return as everything slowly floats back down.

118 GUS (CONT'D) 118  
Oooh, it's working!

VON VILLAIN - He spots Gus. His brow narrows. His eyes glow.

119 Reprint WONDERCHIMP (CHIMP VON VILLAIN) 119 Reprint  
I will destroy Wonderland! Mwahaha!

Von Villain Laser Eye blasts Gus.

118A ON GUS - Von Villain's Laser Eye blast just misses him. And 118A  
then a musical instrument flies at him and he has to <dodge>  
it while keeping his butt in the tuba.

118 CONT'D GUS 118 CONT'D  
Don't hit me! <efforts>

VON VILLAIN - uses the Band Float Flinger to fling all sorts of things at Gus, as he fires Laser Eye blasts at him too.

119 WONDERCHIMP (CHIMP VON VILLAIN) 119  
I will destroy Wonderland! Mwahaha!

119A/B GUS - continues to <dodge>, <struggling> to keep the tuba plugged with his butt. 119A/B

119C COOPERTINA 119C  
Gus, keep it up! You're doing it!

119D JUNE 119D  
You're breaking the machine! Keep going!

119E STEVE 119E  
(light in face)  
Ah! I'm blind! Permanently blind!

119F BOOMER 119F  
Hi, Gus! Weeeeeee!

120 GUS 120  
<efforts> it's about to blow! Ooh  
butts don't fail me now! <huge  
strained effort>

Gus <farts>. The fart travels down into the machine causing it to sizzle and <explode>!

120A June and the Mascots <fall> from the sky. 120A

WONDER CHIMP (CHIMP VON VILLAIN)  
I will destroy Wonderla--

<SLAM!> Peanut fall from the sky, landing on top of Von Villain. Peanut barely looks up from his bubble popping.

122 PEANUT 122  
Huh. I saved the day. Pop. Pop. Pop.

As Peanut goes back to bubble popping...

122A GUS 122A  
<yelping> <landing effort>

Gus lands beside his friends.

122B JUNE 122B  
Gus, you're a hero!

123 COOP 123  
I knew you had it in you!

123A BOOMER 123A  
I hope I never wake up. Weeee!

Boomer picks up Gus and swoops him towards camera.

124A GUS 124A  
Swoop swoop swoop swoop swoop!

SMASH CUT TO:

A super fast (5 second) credit scroll rolls up the screen.

129 GUS (CONT'D) 129  
Hey guys, check it! <armpit farts>

129A/B The gang <LAUGH> as they pile in. As they zoom off, the ride 129A/B  
loading Chimp smiles...and his laser eyes GLOW.
