

**NICKELODEON
WONDER PARK**

"VIRTUAL INSANITY"

AMUS039

Written by

Scott Sonneborn

Conformed Script: 07/24/19

INT. JUNE'S BEDROOM - DAY

June enters quietly. <Lullaby music plays>...

1 JUNE 1
Pst, Aunt May, did you get April-
May to sleep yet--

1A June is cut off by AUNT MAY'S <LOUD SNORE>. She's fast asleep 1A
on June's bed. May rolls over to REVEAL APRIL-MAY is next to
her, awake but snuggled up under May's arm.

2 APRIL-MAY 2
Hi June-June!

3 JUNE 3
Oh! Hey, April-May. Looks like the
wrong person went down for her nap.
(getting idea) Ooh! Wanna bounce
for a quick visit to--

4 APRIL-MAY 4
Wonderland! Wheeee...

6 JUNE 6
Shhh! Let's sneak you outta this
joint.

INT. JUNE'S HOUSE - STAIRS - MOMENTS LATER

June creeps down the stairs with April-May.

8 JUNE 8
Now you're supposed to be napping,
so we'll have you back before Aunt
May or Uncle Tony notices...

9 TONY (O.S.) 9
Hey there, Juney! Whacha up to?

9A June flips April-May behind her back so Tony (at the bottom 9A
of the stairs) doesn't see her. April-May <GIGGLES>, and June
shove her head down as...

10 JUNE 10
Oh Uncle Tony! I'm uh, going to uh...
work on a... science project?

11 TONY 11
Ooh I love projects! Need any help?

REVEAL: June's gone. She shouts back through the open door...

12 JUNE (O.S.) 12
Thanks call you if I need you bye!

Tony shrugs and goes to close the door - and sees June's phone on the table in the front hall.

13 TONY 13
Now how's she gonna call me without her ding dang phone?

EXT. THE WOODS /PORTAL - MOMENTS LATER

April-May and June approach the portal.

14 APRIL-MAY 14
Did you tell Daddy a LIE?

15 JUNE 15
A lie? Noooo. Well, kinda, sorta. Sometimes I have to say things that aren't true to keep Wonderland a secret.

16 APRIL-MAY 16
That sounds compal-cated.

17 JUNE 17
Eh, it always works out.

They enter the portal as... Tony appears in the clearing.

18 TONY 18
June? I got your phone! Which way did ya go?

WONDER WIPE TO:

EXT. ENTRANCE TOWN - DAY

June and April-May enter and are greeted by an excited GRETA.

19 GRETA 19
April-May? Oh baby!

20 APRIL-MAY 20
Ha, Furry Piggy, I'm not a baby.

21 GRETA 21
Awww... I never get to hang out with this cutie! Can I PLEASEEEEE take her on a ride!
(MORE)

Tony shakes her as he talks.

40A JUNE 40A
<shaking walla>

He takes her head in his hands to examine her scalp.

41 TONY 41
I mean, look at the texture on this
hair... and fur!

42 JUNE 42
Fur?

June sees that Tony looking over at... PEANUT.

43 JUNE (CONT'D) 43
Oh. That's Peanut!

44 PEANUT 44
And who is this guy, June? I'm not
sure I like the looks of him. You
know what I say: If he's got a
beard, he's gotta be weird.

45 JUNE 45
Ok, one - it's a mustache.

46 PEANUT 46
A lip toupe?! Ha! That's even
worse!

47 JUNE 47
(finishing her thought)
And two - this is my Uncle Tony.
(super fast whisper)
Don't have time to explain but he
thinks we're in a computer and none
of this is real. Just go with it, ok?

48 PEANUT 48
<GASP!> You want me to lie!? Lying
is bad, June! Even I know that!

June looks up and sees her uncle staring at her and Peanut,
confused. She forces a smile and vamps nervously..

49 JUNE 49
Would you believe this scamp is
another make-believe miracle of VR
technology?

50 TONY 50
(stares for beat, then)
Uh yeah. It's a talkin' monkey.

Tony wanders over to get a closer look a nearby ride. June
EXHALES - until she hears...

50A GRETA (PRE-LAP O.S.) 50A
Whoohoo!

51 APRIL-MAY (PRE-LAP O.S.) 51
Giddy up, piggy!

IN THE DISTANCE - AT THE OTHER END OF SPACELAND - Greta is
trotting toward her with April-May on her back!

52 JUNE 52
<GASP> April-May! How am I gonna
explain her dad thinks we're in a
computer? She'll blow the whole
thing!

53 PEANUT 53
(shakes head)
Involving an innocent child in your
horrible web of deception. This is
what happens when you live a lie.
It's not healthy June.

54 JUNE 54
Peanut, just help me! I love my
uncle, but he's a talker...

55 TONY (O.S.) 55
I gotta tell everyone about this!!!

56 JUNE 56
We can't let him figure out
Wonderland is real!

IN THE DISTANCE, Greta waves at June.

57 GRETA (IN THE DISTANCE) 57
Juuuunnnne! Here comes April-May.

June spins Tony away, shouting in his ear/over Greta:

58 JUNE 58
MAY I show you our wondrous...
(sees they're facing the Skyflinger)
...Skyflinger! Let's try it now!

As June shoves Tony toward the Sky Flinger Pod and follows
behind, she turns back and WHISPERS to Peanut:

59 JUNE (CONT'D) 59
Tell Greta to keep April-May away
so Uncle Tony doesn't see her!

60 PEANUT 60
You can count on me!

As the Sky Flinger launches June and Tony onto the air...
Greta TROTS UP with April-May.

61 APRIL-MAY 61
Pea-nutty!

62 PEANUT 62
Greta, June told me she needs you
to...

Peanut's own words echo in his head.

62A PEANUT (V.O.) 62A
Lying is bad June...lying is bad
June...lying is bad June...

62B PEANUT 62B
(smiling, coming up with plan)
...bring April-May to her. STAT!

Greta is already carrying April-May toward another Flinger
Pod.

63 GRETA 63
I know! And I'm on it! Woo!

63A As Greta and a <giggling> A-M fly off, Peanut smiles, proud 63A
of himself:

64 PEANUT 64
June has taught me so many valuable
life lessons, what kind of friend
would I be if I didn't take this
opportunity to teach her the
terrible, awful consequences of
being caught in a lie? She's gonna
love me! <munches hot dog>

EXT. FLYING IN THE SKY FLINGER POD - A LITTLE LATER.

As they fly, June excitedly points out the sights below:

65 JUNE 65
...and that's Knight's Landing, the
best part of Wonderland!
(MORE)

JUNE (CONT'D)

No, wait - Aquaticland! That's the best. Sorry. Guess that sounds kinda braggy.

66 TONY 66
Oh I don't blame you Juney. What you built is incredible!

66A GRETA (O.S.) 66A
June!

In response, June FREAKS OUT.

67 JUNE 67
<Freaked out AAAHH>!!

68 TONY 68
Whoa, that was a compliment.

REVEAL: June is FREAKING because she sees...Greta and A-M in another Flinger Pod flying towards them, smiling and waving.

68AA GRETA 68AA
Juuuune!

68AB APRIL-MAY 68AB
Hi June June!

68A Tony turns to look at what June's looking at. That prompts 68A
June to let out an even bigger <FREAKED OUT AHHH>!

To block his view, she bumps him aside - which throws the Pod off balance. It suddenly spirals AWAY from the other pod.

69/A JUNE AND TONY 69/A
<Freaked out AHHHH!!>

EXT. ANIMAL CAMP - CONTINUOUS

The pod spirals down and hits the street, rolling fast and narrowly missing the CHIMPAN-BAND FLOAT!

The pod finally crashes into the JUMPING JELLO and stops. The Pod's hatch OPENS.

70 JUNE 70
Whoa!

June falls out, prompting a <Whomp-Whomp> from the Chimband trombone player on the float.

June shouts back up into the Pod:

71 JUNE (CONT'D) 71
Uncle Tony! Uncle Tony!? Everything
okay in there?

72 TONY (O.S.) (FROM INSIDE THE POD) 72
No!

Tony pops his head out of the pod, smiling.

73 TONY (CONT'D) 73
Everything is awesome! I wanna do
that again!

74 JUNE 74
What? No! You coulda been hurt!

75 TONY 75
How?! None of this is real! <GASPS>
I can do anything I want in your
tree computer park! No consequences!

Tony jumps out of the Pod, runs to the Chimband-Band float,
and shouts at the chimp driving it:

76 TONY (CONT'D) 76
Move over monkey! I wanna ride the
purple chimp band bicycle! Yeehaw!

Tony kicks the chimp off and hops on the bicycle that pushes
the float. Pumping the pedals hard, he drives the float away
at high speed - leaving fallen wonder chimps and knocked over
trash cans in his wake!

77 JUNE 77
Oh no...

The Wonder chimp <whomp whomps> again.

EXT. ENTRANCE TOWN - MOMENTS LATER

77A Uncle Tony suspiciously peruses a HAT KIOSK, then grabs a ~~HAT~~ 77A
and runs off <GIGGLING>. The VENDOR CHIMP shakes his fist.

78 TONY 78
No consequences!

79 JUNE 79
(running by, to Vendor)
Sorry. He thinks he's in a computer.

EXT. ANIMAL CAMP - MOMENTS LATER

FLOATS MCGOATS floats high in the air - Tony hanging from his legs. As Tony lets go and falls...

80 TONY 80
Tony's Away! No consequences!

80A/B June <PUSHES> the Jumpin Jello under him, and Tony lands safely in it. 80A/B

80C JUNE 80C
<phew> That was close.

81 TONY 81
I don't even need sunscreen!

Tony pops out. As Tony rips off his shirt, June covers her eyes. Then hears:

82 GRETA (PRE-LAP O.S.) 82
Juunne!!! Here comes April-May!

82A JUNE 82A
Ah!

82B TONY 82B
<laughing walla>

82C GRETA 82C
Juuune! Why do you keep running away!?

June peeks to see GRETA trotting up with A-M! June hustles Tony out of the Jello and away before Greta and A-M arrive.

EXT. KNIGHT'S LANDING - MOMENTS LATER

Tony and a KNIGHT WONDER CHIMP face off on FLYING FISH with LANCES, preparing to joust. As they charge each other...

83 TONY 83
No consequences!(battle cry)
Freedom!

84A JUNE 84A
<efforts>

June pushes the Jumpin Jello between them - <THUNK!> The Knight and Tony get stuck in the Jello.

84B JUNE (CONT'D) 84B
And that was closer.

85 TONY (MUFFLED IN JELLO) 85
No consequences!

As June watches Tony in the jello, Peanut sildes up to her:

86 PEANUT 86
I see this lying game you're
playing is working out *real* good.

87 JUNE 87
Not helping, Peanut.

88 TONY (PRE-LAP O.S.) 88
Yee-haw!!!

REVEAL - Shirtless Tony out of the jello riding FUN TRASHCAN.

89 PEANUT 89
Oh, I believe I am...

89A GRETA 89A
June, wait up!!

90 APRIL-MAY 90
<giggles> Daddy's jiggly!

REVEAL - Greta trotting up with April-May!

91 JUNE 91
AHHHH!!!

June hops on top of Tony on top of Fun Trashcan and they ride off.

92 JUNE (CONT'D) 92
Ride, Uncle Tony! Ride that
trashcan!

93 TONY 93
Hi-ho garbage away!

93A/B They zoom off through a herd of Banana Chimps, knocking them 93A/B
over. The Chimps get up and <CHEER> as Greta and April-May
arrive next to Peanut. Greta is <running, snorting, out of
breath>.

94 GRETA 94
It's almost like she doesn't want
me to catch up to her!

95 PEANUT 95
You can do it. I believe in you.

96 GRETA 96
 I was about to give up, but your
 words of encouragement will fuel me
 forward. Thank you, Peanut.

96A/B Greta gives an insane <WAR CRY> and runs off bowling through 96A/B
 the banana chimps again. They <CHEER> again.

97 PEANUT 97
 I would pat myself on the back
 right now... if I didn't have you,
 Back Patters.

98 WONDER CHIMP (BACK PATTERS) 98
 Peanut is awesome #1 time.

REVEAL - a WONDER CHIMP patting his back.

INT. VIKING VILLAGE PILLAGE RIDE - A LITTLE LATER

June arrives to find CHIMPAN-VIKINGS are fish slapping and
 slam dancing, as Shirtless Tony dances on stage next to a
 DJ'ing DROPPY BEATS.

99 TONY 99
 Juney, I haven't rocked out this
 hard since my last Bagpipe Boys
 show!

Tony jumps into Chimpan-Viking mosh pit!

100 JUNE 100
 Uncle Tony no! You're gonna get
 fish-slapped!

Before June can do anything about that, Peanut floats up next
 to her on a ride boat, observing the chaos.

101 PEANUT 101
 This could not be going better!

102 JUNE 102
 Peanut you gotta help me stop my
 uncle!

103 PEANUT 103
 (giddy)
 So you can tell him the truth!

104 JUNE 104
 What? No! Wait! What are you up to?

Suddenly FROM O.S. - there's a LOUD <MOTORCYCLE VRRROOOOM!>

June turns and sees...GRETA ROARING IN on her Motorcycle, with April-May (also in a helmet) tucked safely between her and the handle-bars.

105 GRETA 105
I'm coming Juuunnnnnneeeee!

The motorcycle hits a viking mound and flies into air.

106 APRIL-MAY 106
Hi June-June! I'm flying a piggy!

Greta and A-M dramatically soar through the air, then land and skid to a stop.

107 GRETA 107
<whoo!> You didn't make it easy,
June, but a promise is a promise!
Here's April-May!

June turns to Peanut, frustrated.

108 JUNE 108
You didn't tell Greta to keep April-
May away, did you?

109 PEANUT 109
You can thank me later.
(proud)
Oooo! This must be how you feel
after teaching me a lesson.

Before June can react:

110 TONY (PRE-LAP O.S.) 110
Wha-? April-May?

111 GRETA 111
No-Shirt-Guy over here wants her
too! YOU are in high demand little-

She turns to the bike to grab April-May off it, but only finds April-May's helmet on the seat - no April-May!

112 GRETA (CONT'D) 112
Where'd she go?

ON APRIL-MAY (FROM BEHIND) - we just see her PONY TAILS sticking up in a ride boat as she floats down the river.

113 TONY 113
April-May!?

Tony runs along the shore to catch up with April-May boat.

114 TONY (CONT'D) 114
April-May, what are you doing here?!

June runs after Tony and sees him reach out to A-M, who's back is still to him. As Tony turns A-M around...

115 JUNE 115
Uncle Tony, I can explain-

...June and Tony see it's an APRIL-MAY WONDER CHIMP (in April-May wig and clothing)!

116 WONDER CHIMP (APRIL-MAY CHIMP) 116
I'm a tiny human girl!

117/A TONY AND JUNE 117/A
<CONFUSED/WEIRDED OUT ewww>

118 JUNE 118
Actually, I take it back. There is no way I can explain that.

119 TONY 119
So you're saying this is... some kind of a glitch in the system?

120 JUNE 120
Um, yes. That is exactly what I'm saying.
(beat)
But thank you for saying it first.

June gives the boat a kick, sending it on down the river.

121 TONY 121
You know, I'm starting to miss my little monkey. Maybe its time I get back to the real April-May.

June smiles, relieved - until Tony reaches for his "goggles."

122 JUNE 122
No, no, no! Remember -

122A She <makes frying noises> as she mimes her brain frying. 122A

123 JUNE (CONT'D) 123
You gotta go back through the exit before you can, uh, log off.

June starts to lead him off but then hears...

124 PEANUT 124
Pssst.

134 JUNE 134
But also kinda sweet. Peanut,
you're not wrong. Lying to Uncle
Tony has been a virtual nightmare.

135 APRIL-MAY 135
So compal-cated.

June nods.

136 PEANUT 136
And that is how you teach a lesson!

136A Peanut celebrates with April-May high five. She <laughs>. 136A

137 JUNE 137
Don't push it.
(Picks up April-May)
Right now, someone's gotta get you
back home while I get Uncle Tony
out of here.

138 PEANUT 138
(reaching out for A-M)
Once again, you can count on me!

139 JUNE 139
Not a chance. Greta?

140 GRETA 140
On it.

June puts A-M on her back and they slip out.

140A APRIL-MAY 140A
Wheeeee!

Just as June is about to return to her Uncle, she turns to
Peanut, sincerely:

141 JUNE 141
Who knew you'd be teaching me a
lesson? Thanks, Peanut.

As June heads out, Peanut smiles.

142 PEANUT 142
You're welcome.
(to himself)
But the lesson ain't over.

Peanut picks up the A-M Chimp and strokes it like a cat.

143 PEANUT (CONT'D) 143
June's gonna love this. <malicious
laugh>

143A WONDER CHIMP (APRIL-MAY CHIMP) 143A
I'm a tiny human girl!

EXT. PORTAL WONDERLAND/WOODS - MOMENTS LATER

June simultaneously takes off the glasses and pushes Tony
(back in his shirt) through the portal into the woods.

145 JUNE 145
And you're back... (then covering)
right where you've been the whole
time, obliviously. Duh.

Tony <BLINKS> in the light and pats the tree next to him.

146 TONY 146
You know, it's one thing to hear
about tree computers, but to see
one up close - wow!

147 JUNE 147
I know it got a little weird, but I
really hope you liked Wonderland.

148 TONY 148
June, what you created is - as you
kids say - totes spaceballs. I
gotta tell April-May!

INT. JUNE'S HOUSE - FRONT HALL - MOMENTS LATER

Tony bursts in to see April-May sitting on the floor.

149 TONY 149
You're not gonna believe this,
April...May?

Now closer, he can see that A-M is playing Patty-Cake... with
the April-May Chimp (who had been hidden around the corner)!

150 TONY (CONT'D) 150
(feels his face)
Am I still wearing the VR goggles?

151 JUNE 151
(vamping)
Ha, well, uh...

151A But she hears Peanut <cough> and turns to see him in the window, giving her a thumbs up. 151A

152 JUNE (CONT'D) 152
You know what, Peanut's actually right. The truth is...
<DEEP BREATH> That's a living stuffed animal made by a talking chimpanzee in my very own amusement park that I can go to through a magic portal in the woods behind our house.

A beat as Tony takes all that in, then:

153 TONY 153
Oh you kids and your imaginations! Now where's the off switch on this thing?

He picks up the April-May chimp.

154 WONDER CHIMP (APRIL-MAY CHIMP) 154
I'm a tiny human girl!

155 As A-M <laughs>... THE END! 155
