AMUS036

Written by

Jeff Sayers

Conformed Script: 06/21/19

With his eyes fixated on Peanut, Bunky accidentally pulls a WAD OF MAGIC COTTON CANDY out of Float's OPEN NECK CAVITY.

CLOSE ON - The magic cotton candy <sparkling> as Bunky puts it in his mouth. <magic sizzling>

8 BUNKY (CONT'D) 8
(w/ cotton candy in mouth)
Ooo... tingly.

Bunky freezes, suspicious, looking from the wad in his hand to the magic cotton candy sticking out of Float's open neck cavity and back to his hand. Beat.

8AA BUNKY (CONT'D) 8AA
<gasp> <vocal shrug>

8A Bunky shrugs and eats another <bite.> 8A

WONDER WIPE TO NEXT MORNING:

INT. BUNKY'S BATHROOM - NEXT DAY

8B Bunky happily <hums> his way to the sink. He grabs his 8B
toothbrush, runs the water and looks up into the mirror...

9 BUNKY 9
<AHHHH!>

REVEAL he's grown CHIMP EARS!

9A BUNKY (CONT'D) 9A
Wonder chimp ears?

As a stunned Bunky takes this in, there's a <banging> on the door.

10 DEV (O.S.) 10
Bro?... You okay? I heard high
pitched screaming. Did you fall in
the toilet again?

Bunky covers his mouth.

12 BUNKY 12
No I'm ear! I mean--here, I'm here!

OFF DEV, suspiciously pressing his ear against the door.

INT. SCHOOL BUS - DAY

June is seated as Bunky frantically slides into the seat wearing a pair of FURRY EARMUFFS.

13 JUNE 13
Whoa! What's with the earmuffs, B-Man?

He looks around and slowly removes the earmuffs revealing his chimp ears.

14 JUNE (CONT'D) 14
<Ah!> Bunky what in the--

15 BUNKY 15
(blurting, cutting June off)
I may have accidentally eaten some magic cotton candy from Floats McGoat's open neck cavity and when I woke up I had Wonder Chimp ears!

15A JUNE 15A
Gah!

Bunky begins to fan himself. June places the earmuffs back on his head, then fans herself too.

16 BUNKY 16
Oh no! That's your "I'm worried" face. I'm supposed to be the "I'm worried" guy!

June begins to fan Bunky, Bunky then fans her. They look over to see a STUDENT boarding the bus, awkwardly staring at them fanning each other.

17 JUNE 17
It's a best friend thing.

They smile awkwardly at the STUDENT as she continues on to the back of the bus. Then...

18 JUNE (CONT'D) 18
We need to get you back to Wonderland and figure this out!

19 BUNKY 19
What are we waiting for?!

June and Bunky stand, but Dev suddenly pops up from behind the seat...

20 JUNE 20
Oh... sup Dev?

He stares them down and slowly slinks back behind the seat.

21 JUNE (CONT'D) 21
K.
(then, to Bunky)
We can't leave now cause it'll
raise suspicions. Let's play it
cool, get through school and head
to the park *immediately* afterwards.

22 BUNKY 22
<Ugh> I can't. I'm on the rope
climbing team and we have a meet
today. Given my perfect attendance
at school sanctioned events, the
team will *definitely* notice if I'm
not there. Suspensions will abound!

ANGLE UNDER the seat. Dev (still buckled in) bends down for
some privacy, pulls out his phone and hits RECORD:

25 DEV 25
Something weird is afoot fellow
Koaster Kids. And your Digital Dawg
Drizzy D will get to the bottom of--
no.
(re-recording)
Your Digital Dawg Drizzy D aka Quad
D has your...

26 AL (O.S.) 26
I kinda liked the first take.

Dev looks to see AL peering down from the seat behind him.

27 DEV 27
Al?! You're all up in my business
man. What gives?

28 AL 28
I like to get low and foot watch.
You can tell a lot about someone by
their shoes. Take Bunky...
(points to Bunky's shoes)
See how tight his laces are? He's
nervous about something.

29 DEV 29
He is, isn't he? The question is...
what?

INT. CLASSROOM - DAY

MR. RUSSET sketches an equation on the board.

30 MR. RUSSET 30
And what brave soul would like to
take a crack at solving this?

The complex equation takes up the whole board. PAN AROUND the
class as everyone is shaking their head, "No way."

31 MR. RUSSET (CONT'D) 31
Bunky. How bout' you?

32 BUNKY (IN EARMUFFS) 32
Me? Up there? In front of the whole
class?... I suddenly have to use
the bathroom. Let's raincheck.

32A Russet holds out the marker. Bunky begrudgingly takes it and 32A
stares at the board. His hand begins to shake. Suddenly...
POOF! He sprouts a CHIMP NOSE! Bunky <gasps>.

32B He quickly looks to June and makes a <nervous sound>. June 32B
springs up with her textbook.

33 JUNE 33
<Uh> Maybe the formula would help.

June holds the book up, shielding Bunky's face.

34 MR. RUSSET 34
A group solve?
(long dramatic beat)
I'll allow it.

Bunky nervously scribbles on the board shielded by June...

35 BUNKY 35
(nervous rambling)
<mutter nonsense>
(staring at board, sweating)
There's no one! Where's the one?!

36 JUNE 36
(sing songy)
Keep it together Bunk...

36A <POOF>, Bunky's hands turn into CHIMP MITTENS! He <gasps>. 36A
The bell rings and Bunky runs out of the classroom.

46 COACH (CONT'D) 46
Listen to them Bunky. They're
chanting your name.

Bunky listens for a beat:

46A CROWD 46A
(chanting)
POPCORN! POPCORN! POPCORN!

47 BUNKY 47
Actually, I think they're chanting,
"Popcorn!" "Popcorn!"

48 COACH 48
They're just words, Bunky. Now go
get 'em! You're my only dope.

49 BUNKY 49
Thanks?

49A/B Bunky looks at his COMPETITOR waiting by another rope, then 49A/B
the crowd <cheering> in excitement. He spots June moving
through the crowd and they trade a <nervous> glance.

50 JUNE 50
Oh no...

June tries to make her way to the mat, but is cut off by...

51 DEV 51
Why so serious, June?

52 JUNE 52
Not the time Dev! Don't you see
your brother is about to
participate in a sport.

53 DEV 53
I do! And as strange as that may be
I got bigger questions on my mind.

A <HORN> blares as June and Dev both look to the ropes.

53A/B/C ON Bunky who grabs his rope and surprisingly, yet steadily 53A/B/C
<climbs his way up it a bit!> But suddenly, <he slips. He
tries to push forward but it's futile.> <The crowd grows
impatient.>

54 BUNKY 54
It's not my fault! My hands are too
sweaty!

55A The crowd starts to <BOO> Bunky and grows louder as Bunky nervously dangles on the rope. He closes his eyes. Then...
CLOSE ON Bunky's hands... they become WC MITTEN HANDS!
CLOSE ON Bunky's ears... they become WC EARS!
CLOSE ON Bunky's nose... it becomes a little pink chimp nose!

56 DEV
What is happening to my brother?!

REVEAL Bunky has turned into a FULL TWEEN - WERECHIMP! (An Ewok-sized WONDER CHIMP VERSION OF BUNKY.) He opens his eyes and sees everyone staring at him.

57 JUNE
So busted...

57A Not knowing what else to do, Bunky grabs the rope and expertly <scampers> up to the top, blaring past his opponent (who is frozen midway up the rope staring at Bunky) in lightening speed and rings the bell at the top. The crowd is stunned silent...

58 JUNE (CONT'D)
Ha! So... funny story. Bunky's family went on vacation to... Rhode Island and he got bit by a chimp... panzee.

58A The crowd takes this in for a beat, then... ERUPTS in <cheers>

59 STUDENT WALLA
Bun-ky! Bun-ky! Bun-ky!

60 DEV
(to the crowd)
Wait! We've never been to Rhode Island!

But the raucous crowd is too focused on Bunky who is FEELING it. He rides the high.

61 BUNKY
Yeah boi! I got Bunk in the trunk!

MONTAGE of the newly confident WERECHIMP BUNKY:
- Bunky glides through the SCHOOL HALLS on a SKATEBOARD as kids throw him high fives.

62 KIDS
B-Chimp!/Bunk-nana!/B-wow-wow!

A serious Mr. Russet steps in the hallway then quickly puts his hand up for a high five as Bunky glides by, obliging him.

63

MR. RUSSET

63

I'll allow it. You have Bunk in the trunk.

- In the school auditorium, Bunky swings from rope to rope, <ringing> the bell between them.

63A

- Bunky does tricks on a bicycle, sending the neighborhood kids into <cheers>.

63A

- At the Wonderland park entrance, Bunky waves from the top of a spinning golf cart driven by Steve.

63B

- In the GYM, Bunky is atop a stand labeled "#1". His coach places a GOLD MEDAL on him and raises his hand triumphantly to a <cheering> crowd.

63B

- Dev is in his ROOM pinning a picture of Bunky next to a picture of CHIMP-SQUATCH on his WONDER CHIMP mystery board. He stands back, questions swirling in his head...

64

DEV

64

The thing I've been hunting all this time was my own... brother?

- In the SCHOOL GYM, a STUDENT stands at a podium, finishing a boring speech in front of the class.

65

STUDENT ONE

65

In conclusion, I think we can cut revenue by replacing pizza Fridays with Parsnip Fridays.

PAN OVER to Bunky at his own podium. Everyone awaits his response when <POOF!> He FARTS confetti. The crowd goes WILD!

Bunky throws up dual peace signs as a banner unfurls behind him that reads, "BUNKY FOR CLASS PRESIDENT!"

- In WONDERLAND Werechimp Bunky sits in a RIDE CAR as GUS, COOP, GRETA BOOMER, and STEVE fight each other to get to it.

66A

GRETA

66A

I want to sit next to Bunky!

66B

BOOMER

66B

No I want to sit next to him!

67

BUNKY

67

Yeah boi! I got Bunk in the trunk!

68 JUNE 68
I think what he's trying to say is
there's enough Bunky to go around.

CUT TO:

69 MASCOT WALLA 69
<joyous screams>

The mascots (all crammed into one car) with June and Bunky
fly down a coaster drop as SNAPPY floats over.

Snappy <snaps> a photo ENDING THE MONTAGE as June and Bunky
take a look at it.

71 JUNE 71
Looking good Bunk!

72 BUNKY 72
Yeah boi! I got Bunk in the trunk!

73 JUNE 73
<confused laughter> Why do you keep
saying that?

74 BUNKY 74
(shrugging it off)
Not sure. Just kinda comes out.
(looking at watch)
Gotta jet. The Rope Climbing
Championship is tonight and my Bunk-
a-maniacs are waiting.
(leaning in)
That's what I call my fans.

Bunky exits as Peanut approaches June.

75 JUNE 75
Isn't it great? Bunky found his
swag *and* we get to bring a lil'
Wonderland magic to the real world.

76 PEANUT 76
It is great! And it's gonna be even
greater when Bunky's transformation
is complete.

77 JUNE 77
Complete what now?

78 PEANUT 78
His transformation. Once the last
petal falls from this...

INT. SCHOOL GYM - NIGHT

The gym is PACKED with adoring Bunky fans and the atmosphere is electric. Al peddles Bunky memorabilia.

88

AL

88

Get your Bunk-a-maniac gear! I got hats, shirts, hat-shirts and an authentic strand of werechimp hair straight from Bunky's chin!

June enters and scans the gym and spots Bunky. She quickly heads toward him, whipping her backpack off to look inside at the Flower Chimp... when she bumps into...

89

DEV

89

Spill it Bailey! What's the deal with my bro? He's stone walling me and I know you're in on this!

90

JUNE

90

Dev, kind of in a rush right now.

June sees another PETAL fall off the Chimp.

91

JUNE (CONT'D)

91

Actually, I'm *really* in a rush right now!

She tries to quickly close up her backpack but nosy Dev is already peaking inside.

92

DEV

92

Is that-- a monkey-flower?!
Alright, I want answers and I want them--

But June has taken off. Dev deflates as Al slides up to him.

93

AL

93

Any interest in a strand of werechimp hair? Full disclosure...
(whispers)
... it's my belly button lint.

ON Bunky, near the ropes. He stretches when June comes up.

94

BUNKY

94

<stretching efforts> June, you're here! Do me a favor and while you're back there and give my quad a good stretch.

95 JUNE 95
There's no time for stretching!

96 BUNKY 96
There's always time for stretching.
Just because I'm a super chill
Werechimp doesn't mean I can't
practice effective risk management.

97 JUNE 97
Bunky listen to me. If we don't get
you back to Wonderland before the
petals fall off this chimp...

June pulls out the Flower Chimp from her pocket.

98 JUNE (CONT'D) 98
You're gonna stay like this forever.

99 BUNKY 99
Look around June. For the first
time in my life, everyone likes me
as much as you do.

100 JUNE 100
Bunky you don't understand! You're
only going to be able to speak in
catchphrases for the rest of your
life. You won't be you!

101 BUNKY 101
Yeah boi! I got Bunk in the trunk!
Yeah boi! I got Bunk in the trunk!
Yeah boi--

102 JUNE 102
See! It's happening already. Let's
go!

She grabs his arm and tries to pull him off, but his WONDER
CHIMP ARM <pops> off instead. She awkwardly hands it back to
him. As Bunky speaks he uses his detached arm to point around
the room...

103 BUNKY 103
You want me to give up all this,
and turn back into the Bunky that
no one ever got?

104 JUNE 104
I got you Bunky. Always have...
always will.

June and Bunky round a corner, then FREEZE in their tracks...

124A JUNE & BUNKY 124A
<gasp!>

125 BUNKY 125
Uh, they'd probably look something
like that...

... REVEAL Dev, Al and a handful of other kids, staring at
June and Bunky in absolute and utter confusion.

126 BOOMER 126
Welcome to Wonderland!

127 DEV 127
I knew it!

128B/C JUNE & BUNKY 128B/C
Soooo busted.

END SEASON ONE.
