EXT. RURAL SUBURBAN STREET - DAWN - PRESENT DAY

A 5-year old girl wanders alone, lost in her neighborhood.

FRANKIE
(barely audible)
Me-gan!

INT. PERIERA HOME - PRESENT DAY

FRANKIE crawls through a dog door. She walks into the living room where...

DEAN PERIERA, 30 years old, hefty, sleeps in a lazyboy.

FRANKIE
(hushed)
Get up, Get up.

Frankie uses the footrest to crawl up onto her dad's belly.

FRANKIE (cont'd)
We have to go outside.

DEAN (waking)
What's the matter baby?

She snuffles. He notices.

EXT. PERIERA HOME - BACK/FRONT YARDS - PRESENT DAY

The back door opens and Dean carries Frankie to the yard. The first yellow rays of sunlight hit their faces.

He looks over the lawn, an empty bowl, water tin and a doghouse posting the name MEGAN. The gate has been left OPEN.

DEAN
Okay sweetheart go check in the house,
see if she's in there.

He lets Frankie down on the ground. She crawls inside the doghouse. There's no one home.

DEAN (cont'd)
Megan!

Dean carries Frankie to the front yard. They look around.

FRANKIE

When's she going to get back?

DEAN

Oh Buddy, she's gonna come back. You know what we'll put some water in her bowl, you know some food. She's gonna get hungry she's going to have to come back to eat right? I'm hungry right now. Are you hungry? You know I'm so hungry I could just eat your hand. Yeah, no no just let me have bite of your hand okay? Just one bite. How come I can't have one bite? Just one finger.

FRANKIE

No!

Dean's optimism is infectious. Frankie nods slowly.

DEAN

You've got five of them.

Dean pretends to gnaw at Frankie's hand. Breaks her sadness.

DEAN (cont'd)

Okay we've got to be quiet when we wake up mommy okay.

DEAN

Do you want to get thrown? Do you want to get thrown?

FRANKIE

I want to get next to mommy.

Dean sets Frankie down on the bed, motions to her to be silent. He sniffs the air. She follows. They eye each other and pounce. Cindy wakes up with a gasp.

Cindy

INT. PERIERA HOME - VARIOUS - MORNING - LATER - PRESENT DAY

Cindy prepares instant oatmeal. A tea kettle whistle blows.

FRANKIE

NO, make pretty music. I must get my breakfast.

Dean and Frankie sit at the table. He plays a song for Frankie on a melodian. Frankie sings along.

Cindy gets up, turns off the kettle, pours hot water into the bowl with instant oatmeal & raisins. She blows on the food and places it at the table.

CINDY

Here comes your oatmeal. Alright picky.

DEAN

You ready to eat?

CINDY

You gotta eat up okay? You can't be late today. Blow on it first.

CINDY

They're fine.

DEAN

Yeah delicious, you eat it. Here, come on let's eat like leopards that'll make it better. Here just eat the raisins okay? At least.

Cindy turns on the faucet over a pile of dishes, returns to the computer to e-mail herself the missing dog flyer.

Dean spoons the raisins out of her bowl onto the table.

He laps up his coffee like a cat. Frankie mimics her father and begins eating the raisins off of the table. Dean laughs.

CINDY

Oh come on Dean! I don't have to clean up after 2 kids. Frankie, Frankie use a spoon honey.

DEAN

Dean is goaded on by his daughter's enthusiasm. He takes a
raisin from the table and pushes it on Frankie's cheek like a
make-shift beauty mark.

DEAN (cont'd)

Stick it on your face.

CINDY

Frankie we're leaving in two minutes.
Come on don't eat like that, come on.
Come on come on. Okay if that's how
you're gonna eat, breakfast is over.

This road is crazy alright!

Cindy does as she's told, looks over her shoulder, scrapes
the curb.

Cindy cranks the wheel straight, puts on the gas and burns
down the road.

DEAN (cont'd)

Watch out for this guy...Watch out for
this fucking asshole!

A car speeds by in the opposite direction going way too fast
for any neighborhood with children. Dean throws his cigarette

INT. ELEMENTARY SCHOOL GYMNASIUM - AFTERNOON - PRESENT DAY

Dean sits alone, picks paint off his hands. He does not watch the stage - he watches the door for Cindy to enter. He wonders where she is - every possible scenario passes through his mind. looks at the clock - 3:35.

Cindy arrives with haste, purse open, holding a big set of keys in her right hand and a water bottle in her left. She props her sunglasses on her head, looks around for Dean, spots him in the center of the crowd. Little waves.

DEAN

What's wrong?

Cindy is about to cry. She can't do it here. She tries to act as if everything is okay.

Dean points up on stage. Cindy settles, arranges her things, finds her daughter. Little waves.

CINDY (holding back tears)

I found Megan.

The children begin singing "My country Tis of thee."

Dean freezes. His shock soon gives way to anger, rage.

Tears pool in her eyes. She has to look up and blink to keep them from rolling down her cheek.

DEAN

How many times did I tell you to lock the fucking gate? Huh?

Cindy buckles her seatbelt.

EXT. HELLER HOME - AFTERNOON - PRESENT DAY

FRANKIE

Pa!

JERRY

Hi sweetheart how are you? Look what I have for you!

He holds up a loli-pop. She squeals with delight.

Cindy follows behind Frankie. She turns back to Dean who stays across the street by his red van.

CINDY (To DEAN)

Aren't you coming up?

Dean gives a sour look and lights a cigarette.

DEAN

I can't smoke around the oxygen tank.

JERRY (to FRANKIE)
...Want me to show you a magic trick?
Here's how you turn the grass green. You
can teach it to your dad.

The sprinkler jets on. Cindy comes up the stairs quick to avoid getting wet. She kisses her dad on the cheek, rests her hand on Frankie's shoulder.

CINDY (to FRANKIE)
Go say goodbye to Daddy. You're not going
to see him until tomorrow. Watch out for
the water. Okay go you're clear!

Frankie runs to Dean, dodging the water stream. She hugs his leg. He picks her up.

FRANKIE
Bye Dad!

DEAN
By buddy. Hey, I love you.

FRANKIE
I love you.

DEAN
Have fun okay buddy.

FRANKIE
Okay.

DEAN
You remember what to do when Pa snores
right?

FRANKIE
Cover his mouth and hold his nose.

DEAN
That's my girl. Go have fun!

Dean hugs her and she squeezes back as hard as her arms allow. He sets her on the ground running back to the porch. She screams as the water chases her.

CINDY

Alright, run to mama. Come on you can do it! Come on sweetie pie.

Frankie reaches her mother at the top of the steps. Her little bangs are dripping wet.

CINDY (cont'd)

Yayyyyyy, that was great. That was great. Alright you ready to go inside?

Dean leans up against his van, watching... he can also hear that they are talking about him.

JERRY (O.S.)(TO CINDY)

So what's with him, you two fighting again?

CINDY (O.S.)

We'll talk about it later...

FRANKIE (O.S.)

Why isn't daddy coming in?

CINDY (O.S.)

I don't know.

Dean takes another tug on his cigarette. Too much nicotine today. He is shaky. He drifts into memory...

DEAN

Sure.

JAMIE

Where have you worked?

DEAN

I mean, you know, I've helped people move before. You mean what are my jobs?

JAMIE

But you've never had any moving experience?

DEAN

No.

JAMIE

So I guess that'll be "no experience."
Okay. Where are you from.

Dean would rather not be questioned so much and for a brief moment, he nearly loses his composure, "I don't need this shit!"

But then again... he does need to make some money. He snaps out of it.

DEAN

Florida.

JAMIE

And how long have you been here?

DEAN

2 years.

He ends up spilling up the boxes and their contents all over the sidewalk. Jamie gets pissed.

MARSHALL

I just walk right up and talk to them. Whatever comes in my mind in that moment.

OTHER MOVER

He honks the horn

MARSHALL

I gets out the truck.

OTHER MOVER

Or he screams out, like, "chocolate thunder."

They all laugh.

Dean takes a pull from his cigarette. His body, sore from the manual labor. His mind, ripe.

DEAN

You see I don't know... I feel like men are more romantic than women. When we get married we marry one girl. Cause we're resistant the whole way until we meet one girl and we think I'd be an idiot if I didn't marry this girl she's so great.

- DEAN HOISTS A 6' TALL DRESSER WITH DRAWERS ON HIS BACK.
CHARLEY TIES A BLUE BLANKET AROUND HIM TO SECURE HIS LOAD.
DEAN WALKS OUT OF THE TRUCK AND INTO A NEW APARTMENT.

A fifty something MAN helps an ELDERLY MAN navigate his

MARSHALL

Lemme tell you something. When I get old
I'm gonna look good. When you get old

DEAN

What do you mean *when* you get old?

MARSHALL

It's gonna be a long time... another
fifty years at least.

INT. BROWNSTONE. MORNING.

JAMIE

It's probably not gonna... so strip the furniture I'll bring you boxes you start unpacking and placing... flatten all the cartons and we'll get em outta here.

Jamie walks in, in no mood to waste time.

JAMIE

INT. RETIREMENT HOME. WALTER'S ROOM. LATE AFTERNOON. 6 YEARS EARLIER.

Dean guides Walter through his new room - his new home.

DEAN

I hung your uniform I hope that's okay. It's just so handsome you know? I noticed you had a lot of matches so I just hung them on the wall, if you don't like it you can just rip em down, its tape.

It is hard to judge from Walter's expression what his reaction is. Dean continues.

DEAN (cont'd)

Do you wanna sit down in the chair. Here let me get this out of your way.

Dean positions the rocking chair so Walter can sit down. He does.

DEAN (cont'd)

You got it? Okay Walter I gotta go or I'm gonna get in trouble but let me show you a few things okay?

Dean reaches under Walter's dresser, pulls out his old grey shoes.

He's not the boss of me, by the way. All your stuff's in here that's your pants, sweaters, shirts.

Dean points to a framed wedding picture on Walter's desk.

DEAN (cont'd)

Hey Walter is this your wife?

Walter nods.

DEAN (cont'd)

She was a beautiful woman! Umm.. Okay, nice to meet ya.

Dean outstretches his hand to shake. Walter grabs his hand with two of his hands.

WALTER

Thank you.

DEAN

Good luck here. Okay. I'll see ya down the road.

Dean backs out of the room and takes the money off the dresser. He goes to put it in his pocket. But stops. Something across the hall has caught his eye.

DEAN

Don't be sorry baby. Ohh fuck. I'm just tired you know.

He downs the rest of his budweiser.

DEAN (cont'd)

I'm just fucking tired.

LATER.

Dean lays back on the couch, beer in hand, watching old home movies:

Frankie crawls around in the grass, trying to get Megan to go into her dog house.

FRANKIE (ON VIDEO)

Come on girl!

DEAN (ON VIDEO)

Maybe we made it *too* girly.

FRANKIE (ON VIDEO)

She doesn't like it girly.

DEAN (ON VIDEO)

I know...

Meanwhile, Cindy cleans the house. She has to physically remove Dean's foot to get to a piece of trash.

Dean is no longer watching the movie. He is watching his wife. Wondering where she has gone.

He gets up, steps over her and goes into the kitchen.

Cindy stops cleaning. She realizes that Dean has recovered an unused gift certificate for a theme motel. She wants no part of it.

CINDY

I'm not going to some cheesy sex motel, I'm on call tomorrow.

DEAN

(to phone)

What else... that's it?

DEAN (cont'd)

(to cindy)

There's a future room. (to phone) can you hold on one second. (to cindy) will you make the decision please.

CINDY

I'm on call tomorrow I can't go.

DEAN

Baby please listen to me for a second. (to phone) can you hang on one second. (to Cindy) Listen to me for one second, would you stop cleaning for one minute. I'm asking you... Please. Let's get outta here, we gotta get outta here. We have to get out of this house. Let's go get drunk and make love.

Cindy looks at her watch.

DEAN

Okay I'll make the decision. (to phone)
The future room. For 2. Periera.

CINDY

Cindy can't believe he just did that, and on a day like this... She retreats to the back bedroom.

hands.

CINDY (cont'd)
Come on, let's go.

DEAN

The fuck was he doing there?

CINDY

CINDY

Cause I'm telling you now.

DEAN

How come you didn't tell me while we were there?

CINDY

I don't know cause I was flustered and I'm telling you now.

DEAN

You talked to him?

DEAN

And you told him?

CINDY

I mean I didn't want to but we were stuck there in the same store buying things together at the same time. I wish you'd seen him then you wouldn't feel so bad. He's fat...

DEAN

What do you I care?

CINDY

I don't know

DEAN

What do I care if he's fat or not. What does that mean? Make me feel better?

CINDY

I don't know! Cause he's a loser!

DEAN

What does that have to do with me? Whether he's a loser or he's fat or not? What the fuck do I care?

CINDY

What!?

DEAN

What are you saying that for? That would make me feel better he's fat? So what if he's in good shape I shouldn't feel good?

CINDY

I said the wrong thing. I'm nervous okay?

DEAN

What do you mean your nervous?

CINDY

I feel funny, because you feel funny

DEAN

You're nervous cause I feel funny? What does that mean.

CINDY

I feel like you're upset and I upset you and I'm sorry. And I said the wrong thing

DEAN

Baby you do whatever you want

CINDY

Okay. I'm sorry

Cindy puts her hand on Dean's. He pulls his away.

Frustrated sighs...

Cindy pulls the car over.

DEAN

What are you doing?

CINDY

The car stops on the shoulder of the two lane highway. Cindy gets out of the car.

He walks over to Cindy.

CINDY

Hi

BOBBY

What are you doing?

CINDY

Research.

BOBBY

Really, research. You're supposed to be a quadriplegic?

CINDY

Quads can't use their arms. I'm a paraplegic.

INT. HELLER HOME - DINING ROOM - EVENING - 6 YEARS EARLIER

Glenda, Jerry, Gramma Francis and Cindy sit around a dining room table. Glenda slices a knife through a greenish meatloaf. She serves a watery slice to Gramma. Glenda is mortified.

CINDY (V.O.)

I don't ever want to be like my parents. I know that they must have loved each other at one time right? Did they just get it all out of the way before they had me?

Suddenly, Jerry pounds his fist into the table.

JERRY

Are we s'pposed to eat this garbage?!!!Huh?!

Everyone at the table is frozen. Especially Cindy. She wants to disappear.

GLEENDA

I'm sorry. Do you want me to make you some eggs?

A gold necklace dangles from Cindy's neck. Her arms secure her weight on the bed.

Bobby stands behind her. His hands caress her back as he looks down at himself inside of her. He closes his eyes tight, trying to control himself. But the ecstasy is too much - he comes inside of her, moaning, and lets his body weight smother her onto the bed.

CINDY

What? What what?

Cindy turns the page.

GRAMMA FRANCIS

I want a cigarette.

CINDY

No Gramma its bed time. You're in bed you
can't have a cigarette now okay. Do you
want me to keep reading or are you tired.

GRAMMA FRANCIS

I need a cigarette

With a smirk Cindy opens the window to the small nursing
home room.

She goes over to Gramma's purse, pulls out a cigarette. She
closes the door so they aren;t caught and she SEES...

A tall, handsome but unkempt young man standing by the
dresser. His clothes are dirty. It is Dean. They both stare
at each other. He doesn't know what to do with his hands, so
he reaches for the wad of money on the dresser and puts it in
his pocket.

Cindy sees this, finds it a bit strange - who is this person?
Is he stealing that money? She decides that it is something
that she can't see. She closes the door.

Dean feels her suspicion and runs up to the door. Knocks.

DEAN

Excuse me can I talk to you for a second?

Cindy peeks the door open a crack.

CINDY

Why?

okay, this is my job.

CINDY

Okay I got it.

DEAN

I make money.

CINDY

I got it.

She tries, again, to close the door.

DEAN

Money I can take girls out on dates with.
Just so you know.

Laughter. There is an attraction here.

CINDY

Good to know. Okay.

DEAN

More laughter.

DEAN (cont'd)

I don't have a phone... or a phone number... but if you call this number right here... and ask for me... they'll tell me you've called.

CINDY

Great.

She begins closing the door.

DEAN

Who should I say is calling?

Cindy shuts the door in his face.

He is left alone. Deep sigh. He heads down the hallway.

INT. FANTASUITES - MOON ROOM - NIGHT - PRESENT DAY

Door opens revealing Dean and Cindy holding groceries and suitcases. Dean flicks on the light, illuminating the Moon Room - a hotel room decorated like the lunar surface.

DEAN

Wow. Where are we huh? We're inside a robot's vagina.

CINDY

Was this the only one that they had?

DEAN

I told you they had cupid's cove or this. You want me to see if we can get cupid's cove?

He presses a button.

DEAN (cont'd)

The bed turns! Hey did you see this? Hey! Hey, look at me!

CINDY

I don't think there's a fridge.

Dean makes a loud barking noise.

DEAN

This is how they laugh in the future.
Like this.

He does it. Over and over again. The sound grates on every fibre of Cindy's being. She just wants to numb out.

CINDY

I thought the whole point of coming here was to have a night without kids.

INT. JERRY'S HOUSE- NIGHT- PRESENT DAY

Dean gets the phone.

DEAN

Hey frankie this is how they laugh in the future! You try it!

He does it. Cindy goes into the other room. She needs to get away from these sounds that he is making. She closes the door behind her, but can still hear him...

DEAN (cont'd)

(makes farting noise)
Are you tooting? Frankie!

INT. FANTASUITES - BATHROOM - NIGHT - PRESENT DAY

DEAN

Love you like crazy, I gotta go okay ,

Dean closes the door, remains in the BATHROOM, watches his naked wife, removes his clothes. Cindy does a double take.

CINDY (cont'd)

What are you doing?

Dean pulls back the shower curtain and steps in.

DEAN

What does it look like I'm doing?

CINDY

Dean.

The small shower presses them close. Dean's smile infects her. He leans over, they kiss. Brushing lips at first. Dean presses closer.

Cindy pulls back and pivots him around until the stream of water catches his body. He leans his head back, the water pours over his hair and face.

He places his hands on Cindy's hips and pulls her close to him. Cindy hands him a bar of soap. He builds a gentle lather. Cindy inches back, turns around. Dean lathers her back, slow and languid.

He lowers his hands from her back to her behind. Cindy turns.

DEAN

I wasn't done.

He washes her shoulders and neck. His hands sculpt her body and move to her breasts. No longer washing her, but molding her. Cindy looks up. His hands move to her belly. He kneels down.

Cindy reaches down and lifts him up by the arms. But Dean remains where he is.

CINDY

Okay.

Cindy grabs under his armpits. He refuses, but she wins. She pivots them around again. Standing in the stream of water, Cindy washes the soap off her body, eyes closed, head back.

DEAN

DEAN (cont'd)

Dean digs a CD out of a carrying case.

CINDY

Do you want a drink?

DEAN

Yes please.

Dean puts the CD in the player in the bedroom and lights a cigarette.

He turns and sees Cindy standing in the doorway. The music has captured her. She hands him a drink - a cape cod.

He takes her in his arms. They begin to slow dance, gently and awkwardly finding the rhythm of each other's bodies again.

EXT. HELLER HOME - LATE AFTERNOON - 6 YEARS EARLIER

Cindy pushes Gramma Francis up the driveway. Bobby stands on the porch holding a bunch of red roses. Cindy ignores it and tries to push by him.

Cindy struggles to get Gramma up the ramp of the porch.

BOBBY

GRAMMA FRANCIS

Fine thank you

BOBBY

(to Gramma)

Your Gramma aren't you. Its great to meet you.

(to Cindy)

Cindy come on could you talk to me for five minutes please.

CINDY

I don't want to talk to you anymore.

BOBBY

Gramma you know you have an amazing granddaughter?

MARSHALL

Yeah it's a feeling... but the thing is, you actually don't know her.

DEAN

Yeah I don't, right?

MARSHALL

Right.

DEAN

I felt like I did though.

MARSHALL

If you get a little pussy, I think the mental-ness will get out your head.

DEAN

I'm too much in my head, right?

MARSHALL

Yeah, you already know where she live at, right?

INT. MOVING TRUCK - DAY - 6 YEARS EARLIER

Dean sweeps the bed of the truck. The broom catches something in the corner. Dean reaches for it-- a locket.

GRAMMA

Who?

DEAN

Walter, he's the gentlemen that just moved in across the hall about a month ago.

GRAMMA

Oh, I don't know anything about anyone named Walter.

EXT. BUS STOP. AFTERNOON. 6 YEARS EARLIER.

Cindy runs to make the bus.

GRAMMA (V.O.)

Dean watches her pay her fare and move to the back of the bus without noticing him. She has headphones on.

He sits with his ukulele not believing his luck. He gathers the courage to walk toward her.

The moving bus throws his balance. He stands over her for a moment. Cindy senses somebody in her space. She looks up. Recognizes him, but can't place it.

DEAN

Do you think I could sit down because all these other seats are taken?

DEAN

Hey, thanks...

DEAN (cont'd)

You know I just talked to your grandmother...

Cindy looks taken aback.

DEAN (cont'd)

That sounds weird, huh?

CINDY

Yeah.

DEAN

Okay let me put it into context. I went out there to see Walter who's not there anymore. That's why I talked to her... You know what happened to that guy Walter?

CINDY

Yeah, you know what happened to that guy walter?

DEAN

No, what happened to that guy Walter?

She makes a slice across her throat.

DEAN (cont'd)

You gotta do it like that?

CINDY

What do you expect?

DEAN

What do you mean?

CINDY

They're old! Do you want to live like that?

CINDY

Walter's a dummy for dying?

DEAN

Yeah.

CINDY

What are you gonna do, wise guy?

DEAN

Not do it... Are you gonna die?

CINDY

Definitely.

DEAN

Hmm? What'd you say?

CINDY

I said definitely.

DEAN

Well with that kind of attitude you will. Don't do it! It's for suckers. Don't do it.

CINDY

What are you gonna do?

DEAN

Just not do it.

Dean feels for the locket around his neck. He takes it off.

DEAN (cont'd)

I went out there to give him this. Isn't that nice?

CINDY

Is that him?

(CONTINUED)

DEAN

Yeah, and his lady. Isn't he handsome?

CINDY

Look at her she's so pretty.

DEAN

So she's probably nuts then...

Cindy is confused by this line of rationale.

DEAN (cont'd)

(explains himself)

In my experience the prettier a girl is, the more nuts she is. Which makes you insane... You're probably nutty-coo-coo crazy... Its not your fault. Everybody treats you different. Like you make jokes and people laugh anyway even though they're not funny. That's gotta make you nuts.

CINDY

I like how you can compliment and insult someone at the same time. In equal measure.

DEAN

What's an insult about that?

CINDY

That I'm crazy and I'm not funny.

DEAN

I don't know if you're not funny, tell me a joke.

CINDY

So there's a child molester and a little boy walking into the woods. The child molester and the little boy keep walking further and further and its getting darker and darker and they're going deeper and deeper into the woods and the little boy looks up at the child molester and he says, "gee mister I'm getting scared!" And the child molester looks down at him and says, "you think you're scared kid? I gotta walk outta here alone."

EXT. TOWN STREETS - DUSK TO DAWN

Dean and Cindy wander side by side down the sidewalks and streets of the town, lost together in conversation...

DEAN

I'm never getting married.

CINDY

What do I look like?

DEAN

Girls like you are super-models.

EXT. BRIDAL SHOP. NIGHT - 6 YEARS EARLIER

Dean strums the chords of his ukulele.

DEAN

You got any, like, talents?

CINDY

Like hidden talents?

Cindy starts to recite all of the American presidents in a little catchy song. Dean is into it. He begins clapping along, spurring on Cindy's enthusiasm...

She finishes and they high-five each other.

DEAN

That was rad. Can you dance?

CINDY

I can tap.

DEAN

You can tap dance?

(CONTINUED)

CONTINUED:

CINDY

Can you?

DEAN

No, I'll play a song and you dance. I can't really sing... I have to sing stupid, like goofy, in order to sing.

He begins strumming the upbeat chords of The Mills Brother's "You Always Hurt The Ones You Love." She begins tap dancing.

(The actors experience this for the first time too. We should witness and experience them falling in love).

They end the scene in an embrace.

INT. FANTASUITES - FUTURE ROOM - NIGHT - PRESENT DAY

They sit across from each other eating a meal of cold spaghetti and wilted salad. They continually drink.

DEAN

You're not gonna eat that?

CINDY

Why don't you do something...

DEAN

What do you mean?

CINDY

I don't know.

DEAN

What does that mean? Why don't I do something?

CINDY

Isn't there anything you want to do?

DEAN

Like what?

CINDY

I don't know. You're so good at so many things, you could do anything you wanted to do, you're good at everything that you do, isn't there something else you wanna do?

(CONTINUED)

CONTINUED:

DEAN

Than what? Than be a husband, to be Frankie's dad? What do you want me to do? In your dream scenario of me doing what I'm good at, what would that be?

CINDY

I don't know, you're so good at so many things, you can do so many things, you have such capacity.

DEAN

For what?

CINDY

You can sing, you can draw, you can dance.

DEAN

Listen I didn't wanna be somebody's husband and I didn't wanna be somebody's dad. That wasn't my goal in life. For some guys it is... Wasn't mine. But somehow, I've found what I wanted. I didn't know that and now it's all I wanna do... I don't want to do anything else, it's what I want to do. I work so I can do that.

CINDY

I'd like to see you have a job where you didn't have to start drinking at 8 o'clock in the morning to go to it.

DEAN

No, I have a job that I can drink at 8 o'clock in the morning. What a luxury, you know. I get up for work, I have a beer, I go to work, I paint somebody's house, they're excited about it. I come home, I get to be with you. That's like... this is the dream!

CINDY

It doesn't ever disappoint you?

DEAN

Why? Why would it disappoint me?

(CONTINUED)

CINDY

Because you have all this potential.

DEAN

So what! Why do you have to make money off your potential?

CINDY

Look, I'm not even saying you have to make money off it. Don't you miss it?

DEAN

What does potential even mean? What does that mean, potential? Potential for what? To turn it into what?

CINDY

(flustered)

You know, we rarely sit down and have an adult conversation. Because every time we do, you take what I say and you turn it around into something that I didn't mean. You just twist it. Start Blabbing, blah blah blah blah.

DEAN

If you're not interested in what I have to say then maybe I just shouldn't say anything.

Cindy laughs.

DEAN (cont'd)

That's funny, huh? What's funny about that?

CINDY

Good luck. I'd like to see you think about what you say instead of saying what you think all the time. Good luck, give it a try!

DEAN

What are you doin, you wanna fight me?

CINDY

Yeah I wanna fight you.

LATER. ON THE SPINNING BED.

Cindy and Dean wrestle. They are very drunk.

Cindy gets the upper hand and pulls Dean off the bed.

DEAN

Okay, there you go...

CINDY

On your back, on your back motherfucker!

They both laugh.

Moments later. Dean comes back with a shot of vodka.

DEAN

Cheers, you're the best.

CINDY

They toast. Dean quaffs his. Cindy can't really finish hers.

DEAN

You drunk? You drunk, drunk? Don't go to sleep, hey!! Stay awake! Look at me look at me, you awake?

CINDY

Dean claps his hands. Cindy wakes up, momentarily.

DEAN

I gotta go pee my diddy, I'll be back.

He kisses her on the forehead and stumbles out of the room.

She tries to place her drink on the nightstand, but the bed is spinning. She just manages.

A loud crash comes from the BATHROOM. Cindy sits up.

CINDY

You okay?

DEAN (FROM THE BATHROOM)

I may or may not have fallen, come here, come here come here!! Hey beautiful come here! This is funny...

Cindy gets off the spinning bed. But it seems like the floor is still spinning. She struggles to maintain her balance.

She finds Dean crashed out on the floor. His pants are around his knees. She reaches to pull him up. But he pulls her down on the floor instead.

DEAN (cont'd)

Come here, you saucy little minx!

He rolls on top of her, mauling her with kisses.

DEAN (cont'd)

You're so beautiful... You wanna have another baby with me? You wanna make another baby with me? I wanna have another baby with you.

She moves her head away and pats Dean on the shoulder in a gesture of friendship. Dean kisses her neck.

DEAN (cont'd)

Do you... you want to have another baby?
... I want another child.

Cindy bites her lip. He slides his hand between her legs.

CINDY

No... Dean... Wait a second.

She removes his hand and places it on her hip. Dean continues to kiss her neck. He slides his hand up to her breasts. Cindy turns her head in the other direction. She pushes his hand away.

CINDY (cont'd)

Stop...

DEAN

Stop what? Shut your beautiful mouth.

He brings it back aggressively. Again. Cindy squirms underneath him. He grabs her wrists and holds her arms over her head. His tongue licks Cindy from her breasts to her face. She worms her arms away and grabs onto his hair. She arches her back, looks at him through slit eyes. His pelvis pulses and he moans. He looks up at her over his brow into her desperate eyes.

She pulls his hair hard.

DEAN (cont'd)

Ow! What are you doing? Would you cut it out? Stop it, stop it! What are you doing? Why are you doing that? It hurts!

Cindy covers her face with her hand.

DEAN (cont'd)

What do you want, how much rejection am I supposed to take? I deserve affection. I'm good to you and to Frankie and I don't deserve this!

Cindy raises her hips and slips off her panties. She lifts the shirt up over her head, positions her feet on the door jam. Her arm falls over her eyes.

DEAN (cont'd)

That's how you want it? This is how you want it?

Breathless, Dean awkwardly moves one hand up and down her bodice. He unbuckles his belt, pushes his pants and underwear down to his knees, holds himself in his hand. He lowers onto her.

Cindy adjusts her legs higher. He rotates his hips, looks away in concentration. Cindy's arms move around him, grabbing the small of his arching back.

His pelvis humps in a feeble performance. A small moan. Cindy's eyes press closed harder. The erratic motion slows, then stops. Dean's raspy breathing. His weight crushes Cindy. She opens her eyes to the ceiling.

DEAN (cont'd)

Baby I can't do it like this, I can't fucking do it like this.

CINDY

Stop... stop...

FRANKIE

Don't give me this shit, this fuckin like you can have my body bullshit... I don't want that shit... I want you... I'm not gonna do it like this. What do you want me to rape you?

What's the matter with you?

CINDY

Fucking stop it!

DEAN

You want me to hit you?

CINDY

Yeah hit me.

DEAN

Is that what you want?

CINDY

Yeah, that's what I want.

DEAN

Would that make it okay for you to treat me like this?

CINDY

Yeah that's what I want baby, "hit me."

DEAN

Is that what you want! I'm not gonna do it. I'm not gonna fuckin do it!

She rolls out from underneath him and stands. She wraps her dress around her body and slips into the bedroom. Dean continues berating her--

DR. FEINBERG

CINDY

I gave you the goddamn answer and you don't like it.

DEAN

Are you gonna hit me?

CINDY

That's why I don't fucking talk to you.

DEAN

Are you gonna hit me?

CINDY

No I'm not gonna hit you, you're the bad guy asshole, not me.

DEAN

I'm the bad guy?

CINDY

Yeah, asshole!

She pushes him.

DEAN

Okay.

CINDY

Fuck you, fuck you! I'm more man than you are, you fucking cunt.

CINDY

I am, I am. I can handle it.

DEAN

What is it with this shit and being a man? What is that? What does it even mean?!

CINDY

Yeah, what is that?

DEAN

What does it mean?

Mimi hurries towards the door, through the glass we see her struggling to get inside...

CINDY

You're scaring us, you're scaring us.

DEAN

Don't say that stuff. "Be a man!" What is that shit?

CINDY

Don't bully people.

DEAN

I'll be a man. You want me to be a man?

Dean swings around, sweeps his hand across a nearby desk, knocking various items to the floor, a child throwing a temper tantrum...

DEAN (cont'd)

Here, is this what men do?

CINDY

Oh, just stop it.

DEAN

I'm a big man!

Mimi finally enters the office as Dean hurls a book onto the ground...

MIMI

Get out.

CINDY

No, I'm the man!

DEAN

Talking doesn't work, talking doesn't work...

Cindy does her best to restrain Dean, but he easily pushes her off and throws more objects to the floor.

Helpless, furious, Cindy starts hitting him, just as Feinberg bursts inside, prepared to diffuse the situation.

FEINBERG

Excuse me! Excuse me!

Feinberg gets in Dean's face, attempts to calm him down--

FEINBERG (cont'd)

What are you doing?!

DEAN

I'm being an asshole.

CINDY

Stop!

DEAN

Who are you, by the way?

Dean pulls away from Feinberg, then gets in his face, leaning in threateningly--

DR. FEINBERG

Hey, take it easy, I'm a doctor, I work here. I'm Dr. Feinberg.

DEAN

You're fuckin Dr. Feinberg!? You've been emailing my wife?!

DR. FEINBERG

Excuse me?

DEAN

You're the guy emailing my wife--

Without pause, Dean slaps Feinberg's face, then lunges at him, slamming him against the wall, his hand clutching Feinberg's neck. Cindy and Mimi scream.

Feinberg pushes back, struggling to break loose, but Dean refuses to back down. Cindy and Mimi try helplessly to pull him away--

DEAN (cont'd)

I'm gonna hit you in five seconds if you don't get out.

DR. FEINBERG

Take it easy, my friend, no one is hitting anybody...

DEAN

I'm gonna hit you in five seconds...

DR. FEINBERG

Mimi, call the cops.

DEAN

5.... 4... GET OUT!!!!!! 3... 2...

DR. FEINBERG

Think about your wife, will you?

Dean PUMMELS Feinberg across the face, knocking him to the floor. Cindy and Mimi cry out in horror--

CINDY

You fucking son of a bitch!

DEAN

I'm sorry...

Cindy helps Feinberg up, Dean makes a half-assed attempt to help as well--

DEAN (cont'd)

Just get up. What the fuck's the matter with you? You got a glass jaw or something? You can't take one hit? It's one hit!

MIMI

What's the matter with you?!

CINDY

Oh my God, you fucking son of a bitch!

Dean offers no response, doesn't even flinch as Cindy, losing total control, repeatedly smacks him across the face, then begins choking him--

CINDY (cont'd)

I fucking hate you!

Back on his feet, Feinberg manages to insert himself between Cindy and Dean--

FEINBERG

That's enough, you two, break it up.
That's enough.

Mimi pulls Cindy away from Dean, guides her toward the office door...

FEINBERG (cont'd)

Just leave, please! Cindy, would you get out of here? You are done here, get out!

Cindy cries out hysterically as Dean glares at Feinberg--

CINDY

I'm trying to take him! I'm trying to take him!

DEAN

She's done?! You're gonna fire my wife?!
Hey!

Dean walks up to Feinberg, back in his face again--

DEAN (cont'd)

This is between you and me, motherfucker, don't you fucking blame her for that shit!

FEINBERG

Yeah, you're going to jail my friend.

DEAN

I'm going to jail?

EXT. CLINIC - CONTINUOUS - PRESENT DAY

Cindy storms across the parking lot towards her car, her face flushed and stained with tears. She swings around to face Dean--

CINDY

Give me the keys.

She snatches the keys from his hands, marches to the car, furious...

CINDY (cont'd)

I fucking want a divorce!

Dean follows her, seemingly devoid of any emotion as Cindy starts the car. He grabs his finger, struggles to yank off his wedding ring off of a fattened finger. Finally, he frees it, and without pause, hurls it across the parking lot, into a field.

He jumps into the car, but just as Cindy pulls out, he leaps out through the door--

CINDY (cont'd)

Where are you going?! What the fuck are you doing!?

Dean starts searching through the foliage for his wedding ring, tearing up weeds, growing more and more frantic by the second.

Moments later, Cindy joins him in the search...

EXT. STREET - DUSK - 6 YEARS EARLIER

Dean walks down the middle of a quiet suburban street, holding flowers in his hand.

INT. HELLER HOME - DAY

At the front door, Dean rings the bell. A beat before Jerry answers.

DEAN
Mr. Heller.

JERRY
You must be Dean.

DEAN
I didn't know if it was pot luck so I brought an eggplant.

He points at his beat-up face, jokingly.

JERRY
Very funny, come in...

DEAN
Thank you.

Dean enters into the foyer, just as Cindy comes downstairs to meet him.

CINDY
Let me see, let me see...

Dean hides his face behind the flowers playfully. Finally he moves the flowers away. Cindy gazes up at him lovingly.

CINDY (cont'd)
Does it hurt?

DEAN
Yeah. Like right now, when you're doing that.

INT. HELLER HOME - DINING ROOM - CONTINUOUS - 6 YEARS EARLIER

JERRY

DEAN

Well, I hope so.

JERRY

You hope so.

DEAN

Yes sir, I mean I'm pretty serious.

Dean takes a bite of spaghetti...

JERRY

What do your folks do, Dean?

DEAN

Well, my mother, I don't know, to be honest, what she does. My father is a janitor and a very talented musician.

GLEENDA

What does he play?

DEAN

Everything, he can kind of play a little bit of everything, he's one of those people.

GLEENDA

So you don't see your mother?

DEAN

No I don't.

GLEENDA

Why? Not that it's my business...

DEAN

No, I understand you asking. I don't really talk about it very often, to be honest. She just... When I was, whatever, 10, my father and her just decided that it wasn't gonna work out between them and she met somebody and I think... that was that.

Glenda is at a loss on how to follow up her question.

JERRY

You graduate from high school, Dean?

DEAN

Well, sir, uh... no, I didn't, I didn't, but I didn't feel like there was a place for me there, to be honest. I don't think high school is all its cracked up to be.

GLEENDA

Cindy's studying, she's uh...

DEAN

I know.

GLEENDA

It's exciting.

DEAN

She's about the smartest person I ever met.

(to Cindy)

How's it going?

CINDY

It's good.

DEAN

Yeah?

CINDY

Uh huh, its really good. There's one teacher in particular that I've really enjoyed getting to know, she says that I have a lot of potential.

DEAN

What's her name?

CINDY

Professor Comstock.

DEAN

(bursts out laughing)

Comstock!!

JERRY

What's so funny about that?

CINDY

Is that funny?

GLENDA

What course is that?

CINDY

It's a biology course.

GLENDA

That's good.

JERRY

Cindy wants to be a doctor.

DEAN

I know, that's, uh... she'd be a great doctor. I wish she'd be my doctor... I'd trust her. A lot of these doctors, they're just in it for the money, it would make me relieved if someone like Cindy was my doctor, or my kid's doctor.

GLENDA

She's got a lot ahead of her, it's really exciting.

INT. STAIRWELL - LATER

Cindy leads Dean upstairs, towards her bedroom...

INT. CINDY'S ROOM - NIGHT - 6 YEARS EARLIER

Don't say that.

DEAN

long as that's the case I want the job.

They kiss... Dean pushes her down on the bed, gets on top of
her as she pulls him in closer...

DEAN (cont'd)

I got you a present. That's it. Boom!

He holds up a CD.

CINDY

Oh, baby, did you make it?

DEAN

Well, I didn't make it, but I got us a
song, like our song that will just be for
you and me... Cause everyone's got
songs... But they're lame and they all
share them. It's disgusting... But not
us. We've got our own song. You wanna
listen to it?

Cindy puts the CD in her stereo. Presses play.

"You and Me" by Penny and the Quarter's begins to play.

She turns to Dean, smiling brightly. She bounds across the
room, falls on top of him on the bed.

Passionately, they gaze into each other's eyes as the music
plays. They kiss deeply. Dean pulls off his shirt, looks
directly into Cindy's eyes, mouthing the song lyrics, "You
and me, baby..."

DEAN

Hi.

Cindy hurries up the front steps, directly past Jerry, who sits on the stoop--

JERRY

Are you OK?

CINDY

I don't want to talk to you.

Confused, Jerry turns from Cindy to Dean, who approaches with Frankie in his arms.

DEAN

I can't play right now, okay?

Dean hands Frankie to Jerry, walks past him towards the front door.

JERRY

What's going on, Dean?

(no response from Dean as he
goes inside)

Hey, leave her alone...

Dean shuts the front door behind him and locks it.

Jerry pulls on the handle. It won't budge.

JERRY (cont'd)

Hey! You can't lock me out of my own
house! I don't have my oxygen out here!

He leans his face against the door frame, finally erupting with tears...

CINDY

I know, I am thinking about her. I can't do this anymore.

DEAN

Baby, you're just thinking about yourself. What about Frankie? You want her to grow up in a broken home? Is that what you want?

CINDY

I am thinking about Frankie.

DEAN

You're not thinking about Frankie.

CINDY

I am.

DEAN

You're not. Is this how you want her to grow up?

CINDY

I don't want her to grow up in a home where her parents treat each other like this.

They both break down, crying. Dean slams his fist into the wall, pounding it over and over...

CINDY (cont'd)

(crying)

CINDY

I don't know what to do.

DEAN

Tell me how I should be.

CINDY

I don't know.

DEAN

Just tell me, I'll do it, I'll do it.

CINDY

I don't know what to say, I'm so sorry, I don't know what to do anymore.

DEAN

Just tell me and I'll do it.

CINDY

We're not good together, we're not good anymore. The way that we treat each other!

DEAN

Don't say that, baby...

CINDY

I can't stop, you can't stop, I can't stop, I don't know what else to do.

You want to race?

FRANKIE

Okay.

DEAN

Ready, 1..2..3... go!

Frankie turns and races back towards Cindy. She scoops Frankie into her arms, turns back towards the house.
