Dave says he's so scared. What if he kills me once I get him on shore? I'm in trouble, you're the only person on earth I trust, and I'll give you 50k. Carlito says it's not for money. He was almost killed by homemade gun by kids gang and escaped. But next time he had his own gun. Guys went down, yeah. Not like he planned it. But you do what you gotta do to survive. But he's getting out, he'll rent cars! She laughs, he says everyone laughs, it's my dream. Don't you dream? She says yes, I don't want to be stripper, I hear myself talk about optimism, agents, etc., but it's not working out. My dream is dead. Maybe it's time to give up. Carlito says maybe someplace else.
36. VO Carlito says he loves Gail, working on Bahamas move, she's warming. They're in club dancing. He says money's coming in, not much longer, I can touch my dream. He says you're saying it's a fantasy? How can you? I'm so close. He says just one last thing, then, I owe dave. She says you owe nothing, you never get out, your instincts are all still from the street. He says you don't know. She says dream ends in emergency room with you shot. He smashes mirror, she runs for him to help him. He says he must repay dave, that's how it is, who I am, can't change. She says please don't do what he wants, for me, please. He leaves. Dave leaves Carlito up top, tells Frankie to follow him. Dave pushes Frankie, can't see in fog. Tony is drowning, but alive. Carlito watches. Dave tells Frankie to steady boat. Carlito holds out stick for Tony to grab, they got him! Boat stops. Dave comes down, tells Carlito take the wheel, yells to Tony to grab rail. Then Dave looks at Tony and says tell me how it feels in river as he beats Tony's skull in, killing him. Carlito realizes, runs back, screams NO! You killed us. You killed us, Dave. And I hear he's spying on us for Benny. Carlito says I'll deal with it, he's my brother. Pachanga appears in background. Sasso says he'd kill his mother for money. VO says if you're old enough you know all the angles, but someone's lying. When you're too old, you can't see the angles. Then you've got trouble.

A man in shades follows him. He waits at elevator. He looks around suspiciously as music builds. Sees another guy with knife, taps his shaded bodyguard man. Elevator opens and another guy gets out, baseball bats the bodyguard, stabs Dave, says it's from Tony. Dave collapses in blood.
42. Carlito chases Gail on street, says you were right about Dave, we're finished. She says she can't talk, she's late. He keeps on, she says she's late, pregnant, she's going to have an abortion. He says what? She says no kid without father. Cops show up, say they are there to take him to DA. He says I don't want to go unless arrest, especially without lawyer. Cop says he got knifed, we may be only friends, come with. They go.
43. DA says Dave alive, we're sending him upstate. While you were away he was money laundering, jury, bribery, etc. Carlito says he doesn't know. DA plays tape of Dave talking, says if he goes easy he can give you Carlito (not taping, are you?). He's dealing again big time, been coming up to office making calls. Back with Rolando. Carlito squirms as he listens. DA says he knows it's fake, help me put him away. Other cop says we know about Tony, how long you think before Italians figure it out? Bodies popped up. Carlito says he knows nothing. Tony's other son Vinny's gone crazy. Said Dave set up prison break, killed. We know you were on boat. They know. DA says help us, testify, immunity, and the Bahamas. Here it is on silver platter. Carlito says no. They try one more time. He says can I go? DA says get back to me ASAP, no way you go.
44. Gail and Carlito in cab talk, she says you must testify. He says you go ahead, ok, but I got a plan. Pulls over cab, says wait, runs out. She sits in cab, looks at kids on the street playing. He'll go to club, then straight to grand central, ok? Yes. Love.
45. Carlito walks to hospital. VO says DA is no problem won't extradite, I'm

- angling though. I have 5 hours left, can I tie all the laces? Must trust instincts, like seeing cop here that doesn't feel right, seems like Italian. But I have to look Dave in eyes and know for sure.
46. Carlito goes to Dave's room, tells other cop he is a client, is frisked, gets in. Dave goes to shoot him, but is late. Carlito says you gotta learn better, cops won't protect you. Dave says where were you? Carlito inspects Dave's gun, toys with him. Says he went to DA, heard tape, never give up friends. Dave says they doctor those tapes. Carlito points gun at him, Dave freaks, says fuck you, no code of streets. I got you out of jail 5 times. Only rule is save yourself. Carlito shows him how to reach for gun, then says good luck.
  47. Walks out, down hall. Italian cop spots him on way to relieve other cop. Italian enters Dave's room and reveals that he is Tony's other son Vinny. Dave reaches for pistol but no bullets- and we see Carlito dump them in the trash as Vinny kills Dave.
  48. Outside at club Carlito meets Pachanga who says someone tried to kill Dave. Carlito says pick up Gail and drive her to the train and wait for me, we can't miss it.
  49. Carlito enters, walks through club, is called by Pete and 2 other Italians, old friends. Unexpected, they say they heard it was his club, came to say hi. He sits with them, chats, small talk, old associates who sold skag. VO says no way this is an accident. They're made guys, hardcore. Tony's people must have sent, maybe he's watching me to see if I panic. They don't know for sure I was on boat. If they knew, I'd be dead. Waiter approaches, Carlito says bring best champagne on house, I'll be right back. Pete says stay, he says two minutes I'm back.
  50. Carlito goes upstairs, we see they are watching him. Enters office, checks safe. It's empty. He bolts-realizes.

  52. Carlito says Sasso- realizes he took money, looks through office window to see mob guys and Vinny below. Retrieves gun from desk, cocks it, heads towards bar. Grabs Sasso says where's my money! Sasso demurs, then when Carlito brandishes knife finally says in box under register, I was gonna tell you!
  53. Carlito descends stairs, Pete grabs Carlito and introduces him to Vinny.

- They say his father was Tony, Carlito says oh, I hear he passed away. Vinny says I hear Jew lawyer met with accident. Carlito says haven't seen him lately. Waiter approaches, Carlito says champagne is no good, takes waiter to back for better one. Vinny says to Pete he's lying he was just in the hospital! Pete says slow down, we'll take him outside.
54. Carlito under the bar finds the lockbox and retrieves his money that Sasso put there. The mob guys watch from afar. Don't see Carlito anymore. Pete says where is he? Vinny bolts up and over, sees that there is an escape hatch in the ground, Carlito escaped.
55. Mob stalks out of club and spots Carlito running down the street, say there he is! Start chasing him. Carlito makes his way up to train platform running. Gets on train, watches as people can't get in, kids. Ducks down as he sees Mob right above him. Almost out, but then doors are opened and Mob gets on. Tussles with kids and Mob spots him. He runs to the next car. Train speeds off.
56. Gail and Pachanga arrive at Grand Central. Time is 11:15.
57. Mob continues to stalk through train, focus on funny stalking of fat mobster. They're getting closer. Fat man is at other end, is pausing to catch breath. Then as Carlito comes through he tries to grab him but accidentally slows his own men. Shot of Gail waiting. Then Carlito at edge of train as it slows, him and Mob staring at each other, both pulling guns quietly, ready to shoot. Carlito tries to make door as Pete goes to cover it. He is looking to get off as a cadre of police cadets enters the train. Pete sees them and flinches a little. They get on the train and everyone remains.
58. Gail looks at clock anxiously. Announcer says train is boarding. Tells Pachanga they should wait by train, says come on, Charlie.
59. Carlito exits the train walking with the cadets, asks them for directions. Disappears behind some balloons and momentarily loses the mob guys. Runs. Vinny spsst him at the edge. He disappears own steps and then up others. Walks through Grand Central. Jogs. Makes his way through another area. Suddenly spots mobsters just around corner, bolts, hides. Vinny comes close, Carlito draws gun, cocks, ready. Pete says Vinny he's not up here, let's go down. Vinny leaves. Carlito sneaks his way across some more steps as the mobsters descend the escalator. Sound lets us know the train is boarding. Carlito looks over rail at the clock, we hear last call for 11:30 train, he sees mobsters below confused. He pauses, then we see in his face he decides. He makes a run for downstairs, hitting the

escalator, but just as he gets on he sees Vinny and gets out of the way quickly. Pete says to Vinny we lost him, Vinny says no, he's up top, move, we'll get him.

60. Fat man is coming up other set of stairs gasping, mob rides up escalator. Fat man stalking, Vinny thinking. Carlito on the escalator next to them lying down, passing them slyly.
