it but the DOCTOR pulls
him aside, out of sight
in a doorway.

NEW ANGLE.

The DOCTOR and VAUGHN in
the doorway.

VAUGHN: What are you doing? I
must destroy them.

DOCTOR: No! We must get to the
control of the radio transmitter.
The Cybermen don't know we're here
yet - let's keep that element of
surprise.

He looks out cautiously.

DOCTOR: All clear - come on.

They leave the shot.

NEW ANGLE:

The old factory - a neglected ruin.

A HIGH SHOT (1) looking down on a road leading between the buildings.

The DOCTOR and VAUGHN enter SHOT and run down this road and we PAN with them.

NEW ANGLE:

Another part of the factory.

A long passageway running down the side of one of the factories(2).

We see the DOCTOR and VAUGHN come into SHOT in the background and begin to run towards CAMERA.

They stop as we see a CYBERMAN come into the foreground of the SHOT.

VAUGHN immediately raises the machine and points it at the CYBERMAN

We hear the electronic noise.

NEW ANGLE:

A REVERSE on the previous SHOT.

The CYBERMAN as the machine has it's effect on him.

His BODY begins to smoke and he collapses.

NEW ANGLE:

CLOSE on the DOCTOR and VAUGHN.

VAUGHN turns off the machine.

DOCTOR: Now they know we're here!

They hesitate at the top of the steps which look down into an unwelcoming well of darkness below.

DOCTOR WHO: Is this the only way down?

VAUGHN: It is now, they're right behind us.

The DOCTOR hesitates no longer, turns and starts down the steps.

VAUGHN is right behind him.

NEW ANGLE:

The loading bay area (7).

Beyond the bay the doors through the deserted factory are open.

We see the BRIGADIER and his GROUP running through the interior of the deserted factory building towards CAMERA. They come out into the loading bay area.

The BRIGADIER sees something ahead and yells out to his MEN.

DOCTOR WHO: It's in there - the radio
transmitting control. We must stop it.

BRIGADIER: Right!

He runs up the ladder as

VAUCHN'S body.

DOCTOR WHO: Brigadier! Be careful, there
are probably Cybermen in there guarding
the transmitter.

The BRIGADIER nods, jumps
over the railing and approaches
the window at the side of the
door. He takes out a
grenade, pulls the pin out,
waits then smashes his
elbow through one of the
panes of glass and tosses the
grenade in. He flattens
himself back against the wall.
There is a slight pause then we
hear the explosion from
