Ext. Dunes. Day.

BRIGADIER, JO, BENTON,
TYLER and OLLIS crest
the high dune we last
saw them on with the
GELLGUARDS scrambling
up behind in hot pursuit.

JO and BENTON heave sighs
of relief. We see why:
Down at the foot of the
dune, on the beach, is
Bessie. They run pell-mell
down towards it and have
all just clambered in,
BRIGADIER at the wheel.

Now, from GELLGUARD'S POV
at top of dune, we see him
driving off zigzagging
the car in fine and furious
style to avoid the explosions
of the bombardment ...
