THE DOCTOR: The orthogenal
readings haven't altered ...
(EXAMINES CONTROL PANEL) Yes ...
yes ... splendid ... new
elements and linings on the
orbital transmission,
thanks to the Governor's
generous supply of Zeiton 7.
Still, now that all Varos knows
it is more precious than gold you
can understand their gratitude,

feel all right?

PERI: Apart from the residual
side affects of foul pest, I
feel fine.

THE DOCTOR: As long as you stay
away from millit and cuttle fish.

PERI: You're sure the Tardis
will function properly ...?

THE DOCTOR: Oh, yes. Disappointed?

PERI: You think I'm crazy?
