DOCTOR: By some means of cellular dissemination.

SARA: Cellular what?

DOCTOR: I shall try and put it into lay
language. Our bodies were broken up by some
process or other. We were shot through the
fourth dimension and, at a given point
we were re-assembled on this particular
planet.

STEVEN: But that's fantastic.

SARA: Fantastic! It's impossible.

DOCTOR: Fantastic it may be. Impossible-
no. Because that's precisely what happened.
