OFF)

CUTLER: Yes I'm here - you've sent my
son to his death. You realize that I
hope.

WIGNER: We'll get him down.

Major use Number 1 Section to double
the guard on the exit. Number two
Section take the side exit and guard
the traps. Number three Section to the
fuel tanks, check them over and put
a double guard on them. I don't care
what sort of test they're on. Get on
it quick. Looks as if we may have
some fun yet. Anti-missile control?
