

GROOVIE GOOLIES #4

DRAC

This place is driving me batty!

SABRINA

Wolfie, what steps should you take if you see a zombie?

WOLFIE

Big ones, Sabrina, big ones!

HAGATHA

Now who in the name of Hepsibah stole my poisoned mushrooms?

BATSO

Don't ask me. I'm no toadstool pigeon!

HAGATHA

Look what I've invented Sabrina.

SABRINA

What do you call it, Hagatha?

HAGATHA

A handbag, what else?

WOLFIE

Hey like Bonapart, who's your favorite comedian?

BONAPART

Red Skeleton, who else?

FRANKIE

What's for dinner Hagatha? Mexican food. Oh, I love mexican food!

Dr. Jekyll & Hyde, I'm worried about my uncle, he thinks he's an elevator.

HEAD ONE

Well, send him up to see us!

FRANKIE

I can't, you see he doesn't stop at your floor. I needed that!

DRAC

What a perfect day for our goolie golf game!

FRANKIE

Oh yes, it's so nice and gloomy!

DRAC

Mummy, I hope your a good player!

MUMMY

Don't worry, with me on your team the game's wrapped up, you know.

BATSO

Fine thing Ratso, they have all the fun, and we're stuck holding the bags!

RATSO

Don't worry Batso, we'll fix them!

DRAC

Where is that confounded Wolfie? We can't start without him!

FRANKIE

Here he comes now!

WOLFIE

Hey cats, like let's get this golf game rolling. Arooo!

MUMMY

Well I'll take the first shot.

RATSO

You mean you'll be the first shot!

MUMMY

Fore, you know!

WOLFIE

Man that is a wild follow through.

DRAC

I never knew he was so attached to the game. Now it's my turn. I'll really
paste this one!

BATSO

So will I.

DRAC

Fore!

BATSO

That's what you call your bat time!

WOLFIE

Now it's my turn. Let's have a ball Ratso!

RATSO

One ball coming up!

WOLFIE

Like fore!

FRANKIE

Looks like Wolfie has a birdie.

HAGATHA

Looks to me like the birdie has Wolfie.

MUMMY

Luckily he fell into the sand trap!

BATSO

Yeah, but unluckily it's a quicksand trap!

FRANKIE

And now it's my turn. Batso, will you hand me my iron?

BATSO

It's not iron, it's rubber!

FRANKIE

Three!

DRAC

It's fore!

FRANKIE

We didn't get up to that in school yet!

(3)

RATSO

Now that's what I call a water hazzard!

WOLFIE

Man like a hole in one!

FRANKIE

I did'nt need that!

DRAC

I think we need a hand with our handicaps!

MUMMY

Yeah, I agree!

DRAC

Looks like Goolihand is a better golfer than all of us!

MUMMY

Yeah, did you ever see such perfect strokes?

FRANKIE

He's a regular Arnold Palmer!

WOLFIE

I reckon any cat that digs golf is like all wet, but you could say the same thing about skateboards!

DRAC

There's someone scratching at the door.

WOLFIE

By the way, Drac, the draw bridge is out!

DRAC

You don't say! Goolihand, I need a hand.

GOOLIHAND

You can count on me, but only up to five!

DRAC

As you can see, we need a new drawbridge!

GOOLIHAND

That's easy enough. There!

DRAC

Is it safe?

GOOLIHAND

Safe? Watch! Let my finger do the walking! See.

DRAC

I had to get stuck with a hand who's all thumbs!

DRAC

I've got to fly now, I'll be bat in a moment!

WOLFIE

Hey Sabrina, I hear Hagatha is opening a Drive-in restaraunt.

SABRINA

Really?

WOLFIE

Gonna sell chicken in a casket! Owooo owooo!

GOOLIHAND

Here's Goolihands hand hints for gluing lanolium! Dip your brush in glue, spread evenly, and roll out the lanolium, but remember, don't do it single handed!

WOLFIE

I wonder what's for din din.

HAGATHA

I should've told him, we're having pig knuckles!

SABRINA

What's the name of the most famous ghost writer?

GHOST

Edgar Alan Boo!

FRANKIE

I'll be gall darned, it's the Game Room. And I didn't need them!

MUMMY

Would you like to geet a gorgeous pen pal? Send your name and address to immediate response. Here goes.

WITCH

How's that for an immediate response, sweetie?

MUMMY

They must have sent that scare mail!

DRAC

I've just been signed by a baseball team, the Transylvania Franksox!

WOLFIE

What position?

DRAC

Bat boy, what else?

FRANKIE

Uh oh, it's the Ante Room. Auntie!

FRANKS AUNT

Nephew, my you certainly have groaned!

FRANKIE

HAGATHA

Mirror mirror on the wall, who is the fairest of them all? That really shattered my ego!

SPIDER

Gee Bella, this is really nice of you to help out.

BELLA

I'm glad to do it. After all, what are close knit fiends for?

BONAPART

Sticks and stones may break my bones....What am I saying??

WOLFIE

Oh man, I never get bored on my board! Look out Bonapart!

BONAPART
