

DRAC

This place is driving me batty! Tiny, when did you and Missy first learn to care for each other?

TINY

With us, it was love at first fright!

BONAPART

I just love to sit on Bella's telebone. It's such a spine-tingling experience!

WOLFIE

Hey, just what I need, hair remover! Not that kind of hair!

SABRINA

Drac, let me show you my new Hi-Fi!

DRAC

Well what do you know! Scare-oo-phonic sound!

MUMMY

Say, what's for dinner, Hagatha? Oh, my favorite dish, squash!

WOLFIE

C'mon you cats, I'- gonna lay on you like how to play baseball!!

DRAC

Actually, I don't care for a sport in which the object is to hit a bat!

FRANKIE

Wait, I shall go get the spray gun. I love catching flies!

WOLFIE

Man, I can see this won't be as easy as I thought! Now the game starts when the pitcher gets the hand signal from the catcher, you dig? Aha, it's the knuckle ball! There's the pitch...the batter picks up his bat, oops, wrong bat!

FRANKIE

Every baseball needs a vampire!

WOLFIE

Now ti's into the batter's box...and here comes the pitch! It's a base hit. It's gonna be close! The runner slides! Safe man, now to head for second!

FRANKIE

I needed that!

WOLFIE

Looks like the runner's in trouble! Now there's a lucky break! But the second baseman got a hand on the ball, and tosses it to third.

HEAD ONE

I'd like this better if it were a double header!

WOLFIE

And the third baseman throws the ball home! As you can see, it's easy to get wrapped up in a baseball game!

HAGATHA

Poor Frankie, that baseball game tired you all out. Well just relax while Hagatha reads you the story of Goldilocks and the three bears!

FRANKIE

Oh goodie, goodie, goodie, goodie!

HAGATHA

Once upon a time there was a cute little girl named Goldilocks, who came upon a cottage in the woods.

FRANKIE

Oh, my, what a cute little cottage! And look there, three bowls of porridge! I just love porridge! Oh, that's too hot. and that ones too codl! Ah, that one is just right! Now for some shut-eye! Mmm, this one is too hard, and this one is too soft.

DRAC

I'm the poppa Bear!

WOLFIE

And I'm the Baby Bear!

MUMMY

And I'm the Mummy Bear, what else could I be?

WOLFIE

Hey dig, someone's sleeping in my bed! It's like the biggest doll I've ever seen!

DRAC

Also the ugliest!

FRANKIE

Oh, what's going on?

WOLFIE

And it talks!

MUMMY

I wonder if it eats too.

FRANKIE

Oh boy, do I!! Bring more porridge! Bring more porridge!

WOLFIE

Quick, Mummy, make more porridge, make more porridge!

HAGATHA

And from the day Goldilocks moved in, the three bears worked like dogs!

FRANKIE

Bring more porridge, bring more porridge!

MUMMY

That talking and eating doll is going to drive us to the poor house!

WOLFIE

That's the one thing it can't do is drive!

DRAC

For a family of bears, this is a grisly end!

HAGATHA

And they all lived horribly ever after!

SABRINA

Drac, what do you take in your coffee?

DRAC

Just a little sugar and vanishing cream.

BELLA

Do you know why Hagatha dropped out of school?

WOLFIE

Yeah, cause she like flunked spelling!

BONAPART

You show me a ghost who haunts a college campus, and I'll show you the old school spirit!

FRANKIE

Ooh, my favorite plant, an everloving Passion flower!

HAGATHA

Look what I cooked Sabrina.

SABRINA

Oh. Scream of Vampire soup. Where did you get the recipe, Hagatha?

HAGATHA

From the Batty Croaker Cook Book.

HEAD ONE

I wonder hwat's wrong with Orville? He's not his usual healthy green.

HEAD TWO

Just as I thought, He's suffering from spring fever!

FRANKIE

Ah, my favorite flower! A black-eyed Susan.

MUMMY

Ask-it-casket, did you hear the Ghostly Glee Club Concert?

CASKET

Yes, they sang a haunting melody.

FRANKIE

Ah, my favorite flower, a Tiger Lily!

WOLFIE

Hey Bella, what's my Horror-scope for today?

BELLA

Ah, the stars say that a treasure will soon befall you.

WOLFIE

Do the stars really say that?

BELLA

Ask them yourself!

BONAPART

I see by the old spook coo clock that it's time to break for lunch.

FRANKIE

Ah, my favorite flower, a Snap Dragon!

BATSO

Hey Ratso, where does Drac spend Saturday?

RATSO

That's easy, Batso, In his bat-tub!

HAGATHA

Drac-baby, what would you like for dinner?

DRAC

Alpha-bat soup, what else? Here we are at the Dracula Dingy Dongeon.
Better step lightly. It closes at 5:00 sharp. This is where we keep the family
momentos, for instance...Here we have my great Aund Draculana the first.
They say I have her teeth.

QUEEN

And I wish you'd give them back. I haven't had a bite in centuries.

DRAC

And here we have a distant blood brother, Chief Sitting Bat.

CHIEF

Paleface speak with fork tongue, me tired of sitting, going to fly!

DRAC

Fly?

CHIEF

Why not, me got reservation!

FRANKIE

I'll bet he's in the Abatchi tribe!

DRAC

In here we have my cousin, Sir Goolihad. Hmmm, looks like Sir Goolihad is having the night out.

WOLFIE

Watch out Drac-baby. Sorry Drac, like man it's always nice bumping into you!

DRAC

You furry fat head, how am I going to get out. Sir Goolihad has the only key?

WOLFIE

It is simple, you have only to wait for one Knight!

BELLA

Hello, Bella LaGhostly spooking. Got a problem? Tell it to Bella, Fella. What's that, you're a ghost and your wife just came back from the hospital with a bouncing baby crib sheet, but he doesn't look like either of you? Mmmmm, My advise is to take him back to the hospital. It's obvious you don't have the right spirit!

BATSO

Bella sure doesn't have to advise us on how to get into mischief, right Ratso.

RATSO

Right Batso. Look, Wolfie's fixing his Wolfwagon!

BATSO

What a chance to swipe his surfboard!

WOLFIE

Hey, let me out of here, hear? Let me out!

BATSO

Sounds like Wolfie's got a knock in his engine! Last one in is a rotten dinosaur egg!

RATSO

WHEE! This is more fun than a barrel of scorpions!

HAUNTLEROY

Why those ruffians have stolen Wolfie's surfboard! I'll fix them!

HAUNTLEROY

That'll teach them! Now to return this to its rightful owner, and collect a handsome reward. Whoops, Help, I can't stop!

WOLFIE

So, you're the surfboard snatcher, I'll teach you, buddy.

RATSO

Looks like Haunteroy got his reward in the end!

BATSO

Yeah, and it surfs him right!

HAUNTLEROY

Ow, ouch, I want my Mummy!!

HAGATHA

Now to check my Tarantula Turnovers.

FRANKIE

Tarantula Turnovers? That's my favorite food! Are they done yet, Hagatha?

HAGATHA

I said I'd call you when they're ready! Now stay out of my kitchen! That Frankie, always getting under my skin.

BONAPART

Funny, he never gets under mine!

HAGATHA

I'd better check the oven.

FRANKIE

Are they done yet? Huh? Are they done yet?

HAGATHA

I told you before, stay out of my kitchen! I tell you, he's driving me batty!

DRAC

Welcome to the club, my dear!

HAGATHA

Now for a touch of pepper in my Cobweb Casserole.

FRANKIE

Are they done ye--ye--ahchooooo!

HAGATHA

You overgrown ox! Look what you've done. Now I'll have to defrost some Frozen Fossils!

WOLFIE

I dig, I dig. Frozen Fossils? That's my favorite food! When is it gonna be ready?

HAGATHA

Oh no! Not again!

THE END
