

GROOVIE GOOLIES #9

DRAC

This place is driving me batty!

MUMMY

Hey Bonapart, how do you stop a swamp monster from charging?

BONAPART

Easy, just take away his credit cards!

FRANKIE

I think today I'll wear my stove top hat!

DRAC

Lately I've been seeing pink and green spots before my eyes!

DR. JECKYL

Did you ever see an eye doctor?

DRAC

No, just pink and green spots.

FRANKIE

Let me see now, maybe I'll wear my ten gallon hat.

BELLA

Hello, Water Company, could you send over ten gallons right away? I didn't need that.

FRANKIE

Hmmm, I wonder what's for dessert? Well I'll be gall darned, Baked Alaska.

SABRINA

Who's that?

DRAC

Oh, He's the presedent of my Fang Club.

FRANKIE

Let's see, perhaps I'll wear my bowler!

WOLFIE

That's my half brother Wolfgang. He's in medical school.

BELLA

Oh, what's he studying?

WOLFIE

Nothing, they're studying him!

FRANKIE

Let me see, today I'll wear my crash helmet. I didn't need that.

SABRINA

Drac, today you promised you'd show me the Horrible Hall Museum.

DRAC

Certainly Sabrina, you'll be bats about our monstrous momentos. Here we are in Horrible Hall's famous Museum of the Unnatural History.

SABRINA

How exciting.

DRAC

These are the fangs of my beloved uncle, Count Jugula. Just looking at them brings a lump to my throat. And this is the Abominable Snowman.

SNOWMAN

Achoo! Quick Drac, cover me up. There's a warm draft in here.

DRAC

Just run downstairs and curl up in Hagatha's deep freeze.

SNOWMAN

Cool idea!

DRAC

Now here we keep the heads of the world's strangest beasts. For example, the spotted Girrorpotamus!

ANIMAL HEAD

Yeah, and if that hunter hadn't spotted me, I wouldn't be here!

SABRINA

What's this one?

DRAC

That is the Great Horned Rhinelephant.

RHINELEPHANT

Yeah and if that ain't Great horn, I'm packin' my trunk.'

SABRINA

Oh, there's the weirdest looking head of all.

WOLFIE

Just little ol' me Sabrina, Hangin' around Headquarters. This skateboard is outa sight.

DRAC

Now look what you've done. You long-haired loony. Get me out of here!

WOLFIE

Sorry, Drac Baby, but I promised Sabrina we's go icicle riding!

SABRINA

What's the big hurry, Wolfie?

WOLFIE

HAGATHA

WOLFIE

Alright, then we'll sleep on the floor.

BELLA

Another few minutes and we'll all be asleep on the floor!

FRANKIE

Those kind old folks need the help of an elf! Such poverty has touched my tiny heart!

BONAPART

As an actor, Frankie could use a little elf control!

FRANKIE

Now to make some shoes. I shall hammer and stitch all night!

WOLFIE

You wanna hold down the hammering and stitching? We're trying to sleep in here!

FRANKIE

But I'm a good little elf! Here to help you make shoes!

WOLFIE

Hey, groovy, groovy, groovy.

FRANKIE

But I only had enough leather to make one!

WOLFIE

You lop-eared leprechaun. You used up all my leather! What can I do now?

FRANKIE

You can always go into television!

WOLFIE

Television?

FRANKIE

Sure, Now you've got your own really big shoe!

HAGATHA

Frankie, what's the last thing Drac does before he goes to sleep?

FRANKIE

WOLFIE

I can't he does not stop at your corner.

BONAPART

BATSO

RATSO

Don't worry, us Ghoul Scouts know all about first aid.

FRANKIE

Wait! I can't move!

BATSO

That's the general idea!

RATSO

FRANKIE

I'm not your uncle Abdul, I'm Frankie, now get me out of these things!

MUMMY

Glad to, I'm an expert at unwrapping things, you know. Here, get a load of this.

FRANKIE

Delicious, isn't it?

MUMMY
