

DRAC

This place is driving me crazy....

FRANKIE

I say Bella, how do you call somebody in the spirit world?

BELLA

Oh you just use a ghost to ghost hook up.

RATSO

Hey Hagatha, what's for dinner?

HAGATHA

Pound cake!

SABRINA

Hey Wolfie, how come you won't let Drac ride in your Wolfwagon?

WOLFIE

Cause he's a bat seat driver!

FRANKIE

I'm gonna fly across the country on my pet elephant!

DRAC

That's silly, elephants don't fly.

FRANKIE

Oh no, haven't you ever heard of a jumbo jet? I needed that!

HAGATHA

Well Frankie, are you ready for another bed time story?

FRANKIE

I sure am, Hagatha.

HAGATHA

Today's story is called "Hansel and Gretel". One day Hansel and Gretel went for a walk in the woods, and found themselves lost.

WOLFIE

Yop Gretel, we're lost, definitely lost!

FRANKIE

Golly Hansel, I'm so hungry I could eat a house.

WOLFIE

Look man, there's one now!

FRANKIE

And it's made of gingerbread!

WOLFIE

Well man. what are we waiting for?

FRANKIE

Mmm, these are the yummiest walls I've ever tasted.

WOLFIE

Yeah man, here, try some window.

FRANKIE

No thanks, they give me a pane.

HAGATHA

Heavens to hemlock, you must be lost and hungry.

FRANKIE

No, we're Hansel and Gretel.

HAGATHA

My, you're eating me out of house and home. No matter, I love to see children eating well.

WOLFIE

Man, we'll eat the well as soon as we finish up the fireplace, you know.

HAGATHA

Eat away kiddies, the plumper the better.

WOLFIE

I never ate so much in my life!

FRANKIE

Wow, do I feel stuffed!

HAGATHA

Splendid, nothing I like better than stuffed Hansel and Gretel!

WOLFIE

She's planning to chomp us up!

HAGATHA

You sure catch on fast! One kiddie casserole coming up!

DRAC

Unhand them you wicked witch!

HAGATHA

Uh oh, time to cut out!

FRANKIE

Oh, thank you Mr. Woodsman! How can we ever repay you?

DRAC

By helping me clear the forest.

WOLFIE

Oh gladly, dad, gladly!

DRAC

You can start by eating these gingerbread trees.

WOLFIE & FRANKIE

Gingerbread trees!

HAGATHA

And they all lived horribly ever after. Which reminds me, I must warn Drac about his horrible horrorscope!

DRAC

We must do something about the mice in Horrible Hall. There's not enough of them!

HAGATHA

Count Drac, Look out! I knew it, it's starting already.

DRAC

What is?

HAGATHA

Your bad luck. Your horroscope says today is your unlucky day. The stars never lie!

DRAC

That Hagatha and her silly horrosscopes. There's no such thing as an unlucky day! Of course there are such things as unlucky Knights!

WOLFIE

Watch out, Drac-baby!

DRAC

You hairy half-wit! Look what you've done!

WOLFIE

Looks like it is one of you bat days!

MUMMY

Don't panic Drac, I've got the perfect cover-up! There, now to pin it up!

DRAC

HELP! Gulp, etc....

MUMMY

Now you shouldn't have gone swimming Drac, that's not a bathing suit!

GOOLIHAND

Here Drac, I see you can use a hand.

HAGATHA

Good news Drac! I made a mistake. Today's not your unlucky day after all!

DRAC

It isn't?

HAGATHA

No! Today your gonna have losts of ups and downs!

FRANKIE

Oh boy, oh boy! This is sure my lucky day. I'll be darned, it's a Gypsy Moth. The violin always gets to me.

GOOLIHAND

Here, blow.

FRANKIE

Thanks Goolihand.

GOOLIHAND

Always glad to lend a helping hand pal.

MUMMY

Hey, you know what you get when you cross an oyster with a couple of shovels?

SABRINA

No, what?

MUMMY

Acouple of clam diggers!

FRANKIE

I wonder what kinda tree this is. Oh, it's a Palm Tree.

RATSO

Let's put theese Mexican jumping beans in the kookie mail box.

HAGATHA

Oh, they must not of had enough stamps, but they're getting them now!

SABRINA

Why is Orville eating that scale?

DRAC

The doctor said he should put on some weight!

BONAPART

Hey Ask-it-casket, where's a good place for me to go hiking?

CASKET

On the trail of the lonesom spy!

MUMMY

Dr Jekyll and Hyde, lately i'm just not my old self.

HEAD ONE

Step behind this ex-ray machine.

HEAD TWO

Aha, your stomach is all tied up into knots.

FRANKIE

I wonder what kinda tree this is. Oh, it's a dogwood!

WOLFIE

Hey Drac, who's the most famous baby doctor in Transylvanie?

DRAC

Dr. Spook, who else?

GOOLIHAND

Now for Goolihands handy hints on finishing furniture. First take the sandpaper and start rubbing quick. There, if the furniture isn't finished, I don't know what is.

BELLA

Bella Lahostly spooking. What's that, you're a two-headed zombie with green scales all over your body. And a single eye in the center of your forehead? So, what seems to be your problem? You want to make a lot of money, but you don't know how. Simple, just sell your autobiography to a magazine. They just love a sub-human interest story!

FRANKIE

I wonder what kinda tree this is. Oh, it's a Weeping Willow.

MUMMY

Hey, what's for dinner, Hagatha?

HAGATHA

A special surprise. I thought he liked Deviled Ham!

HAUNTLEROY

Oh, I believe I've got a bite!

WOLFIE

It's too small. Chuck it back.

CREATURE

Okay!

DRAC

My uncle gets paid by the month to haunt a house.

BONAPART

I'd rather get paid by the shriek! On second thought, I'd settle for piece work!

RATSO

Ok Batso, the snooper straw is ready for testing

BATSO

Good! Let's set it for soup!

RATSO

It's on the trail of some already!

BATSO

Straight for Hagatha's kitchen!

HAGATHA

Mmmm, hope this swampweed soup tastes as good as it smells.

RATSO

Okay Batso, soup's on.

HAGATHA

Galloping Goblins. Somebody's swiped my Swampweed soup! Well, better start another batch.

BATSO

Wasn't Hag's Swampweed Soup great, Ratso?

RATSO

Yeah, Batso.

HAUNTLEROY

So, stealing Hagatha's soup again.

HAGATHA

Aha, so this is the source of the skullduggery! I'll fix whoever's behind this! By lizard's ear, Bring the culprit here!

HAUNTLEROY

You two are in hot water now!

FRANKIE

Now I know why Hagatha's soup is always so lumpy!

RATSO

Looks like we're all in hot water this time!

MUMMY

Hi, Mummy here with the Mummy's Wrap Up! DATELINE: Vampire State Building; After 35 years of hand holding, you know, King Kong and the lovely Faye Maye today announce their engagement. The wedding will take place on top of St. Patricks Cathedral. When asked about their future plans, Miss Maye said.

FAYE

As soon as Kong and I get off this building, he's gonna be under my thumb for a change. It's time he stopped hanging around and playing with airplanes and got a decent job. He'll need a hair cut, and a nice Ivy League suit. Then my mother will come live with us.

HAGATHA

I wonder what she saw in that big ape to make her fall for him.

MUMMY

Well I guess that wraps up another Mummy's Wrap Up. Until the next time, pleasant screams.

WOLFIE

I sure hope we have better luck than Drac, searching for that sunken treasure.

BONAPART

We will, I feel it in my bones.

WOLFIE

The treasure chest should be over this way.

BONAPART

Oh look, a school of Ghoul Fish!

WOLFIE

Bonapart man, you did it! You found the treasure! Now pull yourself together. Help me with it!

PIRATE

Avast ye Lubbers!

WOLFIE

Who are you?

PIRATE

WOLFIE & BONAPART

Wowie a chest of Pearls.

PIRATE

BONAPART

Now what do we do?

WOLFIE

Call my pet Piranha, Fido! Sick em Fido!

PIRATE

Time for ol Davey Bones to get back in his locker.

WOLFIE

Open it Fido! Now for the treasure!

BONAPART

Wait a minute, I thought those were Pearls.

MERMAID

They are Pearl's!

WOLFIE

MERMAID

WOLFIE
