

DRAC

This place is driving me batty!

FRANKIE

I wonder what's for dinner?

CHINA MAN
(ANGRY CHINESE DOUBLE TALK)

FRANKIE

Oh boy! Chinese food!

WOLFIE

Get ready, gang. Here comes an eerie sight. owwwww

RATSO

Mummy, what does the Loch Ness Monster like for breakfast?

MUMMY

A heaping bowl of moat meal.

FRANKIE

I didn't need that!

SABRINA

Hagatha, why do people like to get invited to your place for Thanksgiving Dinner?

HAGATHA

Because everyone is suere to get a Witch-bone!

BATSO

Drac, what do little vampires like to hear before they go to sleep?

DRAC

That's easy, a bat-time story.

FRANKIE

I say, what's wrong with Wolfie?

DRAC

Looks like the dreaded Transylvanian Trance! It happens every once in a blue moon!

FRANKIE

The skelevator! It's going to land upon him! Oh dear, I saved him by the skin of his fangs.

DRAC

We'll have to look after Wolfie till the spell wears off!

FRANKIE

Now where did he go?

DRAC

He was here a moment ago!

FRANKIE

Look! There he is!! About to be eaten by the giant crocodile!! The Transylvaia Trance could be the end of me.

DRAC

Mmmm, perhaps we bit off more than we can chew!

FRANKIE

Thank goodness the crocodile didn't!!

DRAC

That reminds me, where is Wolfie?

FRANKIE

Beats me.

DRAC

Look! There he is!

FRANKIE

Oh my golly, oh my gosh! He'll be smashed to smithereens!

DRAC

Don't worry, I'll save him

FRANKIE

Careful Drac! You're no Batman!

DRAC

I'm no bat either!

WOLFIE

Hey man, do I feel like groovie! Those short naps are terrific! You guys ought to try it some time!!

BONAPART

We'd better rustle our bones! According to the spookkoo clock, it's time for Frankies Groovie Movies!

FRANKIE

Oday gang, it's movie time! Lights out. These were taken at my 505th birthday party. That's me, playing with a noise-maker! (Wolfie is owing) The noise-maker is Wolfie! I got lots of neat presents. There's baby Bella giving me a toy telt-bone! And there's baby Bonapart taking it back! And here's little Drackie giving me a baseball bat. It was great for night games! Little Hagatha cooked me a special dish, Rabbit Punch. Baby Mummy brought me something very special.

BABY MUMMY

I gift wrapped it myself.

FRANKIE

It was dust from the tomb of King Tut. (Frankie sneezes) Which is nothing to be sneezed at! Then we played Horseshoes. I lost because I forgot to take them off the horsie first! We also played "Pin the Tail on the Dragon". (Dragon screams) Which came in handy lighting my birthday cake...Then I made a whsh...took a deep breath, and blew out the candles! Also the wall, and several of the guests! The wish was, that I didn't take such a deep breath!

TINY

Missy and I spent our honeymoon in Death Valley!

BELLA

Yes, it's a great place for Goolie-weds!

SABRINA

Drac, what do people ride in on the Transylvania Railroad?

DRAC

Why in Fright Cars!

FRANKIE

I think I'll have some bubble gum!

BONAPART

Ask-it-Casket, what do you call the winner of a ghost contest?

CASKET

The best of spirits!

HAGATHA

My Marshweed Stew needs one more ingredient, a pinch of crabgrass! Now that's what I call one pinch too many!

FACE

Yes!

WOLFIE

I'm the Ghastly Man. Are you the head of the household?

FACE

Yes...But there's no body here..

BONAPART

Sabrina, what's a hudred feet in the air?

SABRINA

I don't know!

BONAPART

An upsidedown centipede!

FRANKIE

I'm thirsty, I think I'll have a Cherry Smash!

HAGATHA

According to your horror-scope, you'll soon be in the money!

DRAC

Does it say anything about being in the hospital?

BONAPART

Why is Orville eating the Water Heater?

MUMMY

Because the Doctor put him on a liquid diet!

DRAC

Goolihand, I didn't know you could read music!

GOOLIHAND

You didn't think I could play by ear did you?

FRANKIE

I needed that!

BELLA

Wolfie, I hear you uncle just kicked the bucket!

WOLFIE

No, he just turned a little pale.

FRANKIE

He needed that!

BELLA

Bella LaGhostly here at the old Witchboard. Got a problem? Just tell it to Bella. You say you're an invisible man, in love with a beautiful zombie, who refused to see you? She says you'r not eerie enough? My advice is, be more romantic...try moaning under her window every night! Believe me, she'll find you eerie-sistible!

GHOST

Bella, I've got a mournful problem.

BELLA

What's wrong?

GHOST

I'm a musician.. Ghoul Lombardo.

BELLA

I like the way you conduct yourself.

GHOST

I play the Trom-bone. Listen.

BELLA

My, that's a hounting refrain!

GHOST

I'm just dying to get into a band, but no one will hire me!

BELLA

I think I have the solution. Let me look through my notes. Ah here's some good ones! Take them! There on me!

GHOST

Looks more like they're on me!

BELLA

That's the whole idea! Now you're sure to get in a band!

GHOST

As a trombonist?

BELLA

No, as the sheet music!

HAGATHA

That Bella can handle every problem, except two, Batso & Ratso! Now Goolihand I'm counting on you to keep them away from my Berry Pie while I attend to some chores!

GOOLIHAND

Don't worry, Hagatha! I'll have those two in the palm of my hand!

BATSO

That's what he thinks!

RATSO

I can taste that pie already!

BATSO

Time to put "Plan Berry" into action!

RATSO

Hey Goolihand, were you ever a Ghoul Scout?

GOOLIHAND

Sure was.

BATSO

Could you show us how to tie a Triple Tombstone Hangman's Knot?

GOOLIHAND

That's easy. First you take this end..then you loop it over that end, like this.. Then you twist this part over here, around the other end..then you call for the scoutmaster!

RATSO

Goolihand, you just earned yourself a De-Merit Badge, in Pie-Watching!

GOOLIHAND

Oooh! Wait till I get my hand on you!

FRANKIE

A baby Monster Moth! I just gotta have him for my collection! He almost got me for his collection!

GOOLIHAND

Thanks, Frankie, maybe I can do the same for you some time!

FRANKIE

How about right now?

GOOLIHAND

Sure.

FRANKIE

I needed that!

GOOLIHAND

Now to tie a few on Ratso & Batso!

HAGATHA

You hoo, Goolihand! I'm back! Well I'll be witched!!

GOOLIHAND

See Hagatha, I told you I'd have them in the palm of my hand!

FRANKIE

They needed that!

HAGATHA

Keep up the good work, Goolihand, I've got to talk to my broom! Oh there you are Broomhilda! I thought i'd catch you sweeping on the job. Look what I bought its your replacement. All electric. No use bristling, Broomhilda! You can't stand in the way of progress! Switch on, and blast Off.. .

HAGATHA (CONT.)

You can retire to the broom closet, I've got some haunted house cleaning to do. Now start dusting, and don't forget about the cobwebs, make sure to leave them!

DRAC

I saw the whole thing, Broomhilda! Don't fret, I'll fix things!

WOLFIE

That Drac is all heart!

DRAC

I'll switch it to Full Power!

HAGATHA

Stop that!! Control yourself!! Help! Help!! Let me out!

DRAC

Now to pull a Reverse Switch! I think we've given the electric broom the brush!

HAGATHA

Broomhilda, I've learned my lesson! You can't teach a new broom old tricks. Here Frankie, feed this contraption to Orville! He's always had a sweep tooth!

FRANKIE

I didn't need that!

WOLFIE

Man today's Groovie Guest a Bare Bones Band, and they're boning up for their next number!

FRANKIE

What number is that?

WOLFIE

Thirteen, what else?

FRANKIE

Ask a goolish question, get a goolish answer!
