Welcome to Horrible Hall (laugh).

COUNT DRACULA

This place is driving me batty!

COUNT DRACULA

Tiny, I hear you and Missy were married on
television.

TINY

That's right. It was on Bride and Gloom.

GIRL

Mummy, how did the ghost of King Tut drive
across the desert?

MUMMY

In a doom buggy, ha, ha. How else?

COUNT DRACULA

Let's see what's for dinner. Oh, good.
Alpha bat soup.

WOLFIE

Hey, like watch it, Drac - low bridge!

COUNT DRACULA

Why you hairy hot rodder...

WOLFIE

Serves you right for hanging around the lobby, man. Whoa, whoa, whoa, whoa...

COUNT DRACULA

(word) How can a vampire be expected to rest in peace. Aha - quiet at last.

BATZO

Hoo - hoo - hoo - hoo...

RATZO

Bang - bang - bang - bang -

BATZO

Hoo - hoo - hoo...

RATZO

Bang - bang - bang...

COUNT DRACULA

That settles it! I'm leaving!

FRANKIE

Where are you going, Drac?

COUNT DRACULA

Transylvania, where a body can get some rest. I can't stand the constant noise here.

FRANKIE

Oh, don't go Drac. We'll be quiet from now on, I promise. You just lie down and take a little bat nap.

COUNT DRACULA

All right. But I'm warning you, the slightest sound and I'm Transylvania bound!

FRANKIE

Now that's what I call falling asleep.

MUMMY

Hey, Frankie, listen to this! It's an Egyptian gong!

FRANKIE

No, Mummy. Wait!

MUMMY

It's obvious you have no ear for music,
you know.

FRANKIE

Oh, no! No, Orville! Drac is trying to
sleep! Give me that!

FRANKIE

Oh, no!

COUNT DRACULA

Ah. Well, what a refreshing nap!

FRANKIE

See how nice and quiet it is?

COUNT DRACULA

What's that?

FRANKIE

I said see how nice and quiet it is.

COUNT DRACULA

Wait. I can't hear a thing with these plugs
in my ears.

WOLFIE

Looks like it's now Frankie's turn for a
good night's sleep - aro - oooo !

HAGATHA

Mm - and make sure you do. Here's a
bedtime story.

FRANKIE

Oh, goody, goody.

HAGATHA

This one's called The Gingerbread Boy.
Once upon a time there was a gorgeous
lady. (Sings).

COUNT DRAC

What's that you're baking?

HAGATHA

A Gingerbread Boy for our son to play with!

WOLFIE

Noises.

HAGATHA

(indistinct word)

There. It should be done by now.

COUNT DRAC

Look! He's rising.

HAGATHA

Of course. I used yeast. Doesn't he look cute?

COUNT DRAC

He looks crummy but yummy!

FRANKIE

Mummy, save me!

MUMMY

Laugh. Gladly. You do look kinda yummy!

HAGATHA

No one has a taste. I baked him for a child.

RATZO AND BATZO

We're a child!

RATZO

And he does look yummy!

COUNT DRAC

Good work. Now there'll be more for me. Yeah.

HAGATHA

You beast! How could you eat your
own Gingerbread Boy

COUNT DRAC

With cream cheese, what else?

COUNT DRAC

Eh, the old clock on the wall says it's
lunch time. Yeah.

COUNT DRAC/WOLFIE

Let me out! Let me out!

HAGATHA

Promise you won't eat our Gingerbread
Boy.

COUNT DRAC

I promise.

HAGATHA

See, Gingerbread Boy, they're not really
bad.

FRANKIE

Not bad? Oh, he's absolutely yummy!

COUNT DRAC

Wait - son - what are you doing?

HAGATHA

And they all lived horribly ever after!

VOICE

Shadows can follow you, can find you
anywhere. Over here, over there, you
can see them everywhere. You can see
them in the day when the sun is shining
bright, but where do shadows go in the

Run along, skip along, everywhere you go.
You can take it fast or you can take it slow.
Try to avoid them with all your might, you
can see them on the wall when you turn on
the light.

BELLA

Bella Lughosti here. Got a problem, just tell it to Bella. What's that? The Loch Ness Monster? You say they're draining your lake and you'd like to know where you can live? I know the perfect place for a sea serpent - Lake Eerie!

BELLA

Your woe is ended once you tell it to Bella!

HORSE

It's this guy I'm carrying - the headless horseman.

BELLA

Uh, not the headless horseman?

HORSE

I'm giving it to you straight from the horse's mouth. He's all broken up about losing his head.

BELLA

I know how he feels. Heads sort of - grow on a person.

HORSE

Have you seen it?

BELLA

But, gee, we get so many. Can you describe it?

HORSE

It's about this height. No hair. Brown eyes. Two ears, one on each side.

BELLA

Hmm. Sounds very unusual. Is this it?

HORSE

Archibald!

ARCHIBALD

Hey, Charlie!

BELLA

Here it comes! Heads up!

HORSE

This guy loses his head - even though
it ain't screwed on!

ARCHIBALD

Poor guy. Has no horse sense!

HORSE

He'll be back. I have the keys to the barn!

HAGATHA

Obviously, that headless horseman has
terrible stable manners! Laughs. I'll

the broom closet. No telling what might
happen if someone drank it! Broomhilde!
I'll get my suitcase then it's off to sister
Nagatha's.

HAGATHA

We're cleared for take-off Broomhilde -

Yoo-hoo, Count Drac! Draccy!

COUNT DRAC

You shrieked, Hagatha?

HAGATHA

Yes. I've got to fly to my sister Nagatha.

COUNT DRAC

Happy to oblige - just as soon as I
change into my fright suit!

COUNT DRAC (BAT)

All aboard!

HAGATHA

I knew I could count on the Count for
the Bat Buggy.

WOLFIE

Today's groove up gassers are the
Mummys and the Puppies. Tiny, Tiny

FRANKIE

What about Mumma Cask then?

WOLFIE

She looks like a greyhound - bus
