

DRAC

This place is driving me batty!.....I had a terrible dream last night.
where I changed into a giant Hot Dog!

WOLFIE

That's what I call going from bat to wurst!

MUMMY

Let's see what's for dinner...Drat, horseradish, that always gives me
indigestion!

HAGATHA

I just heard the Marsh Monster of this D'Moor is looking for a wife. He's
probably swamped with offers.

GOOLIHAND

Owoo..I just hurt my thumb!

HAGATHA

Let me kiss it and make it worse!

BELLA

I'm watching my favorite news commentators, Hauntly & Wrinkley!

FRANKIE

I didn't need that!

BELLA

Wait'll you see this!

FRANKIE

I can hardly wait.

WOLFIE

Man the suspense is killing me!

BELLA

You can look now.

WOLFIE

Holy hair remover, what have you done to our lobby?

DRAC

This place looks so, ech, cheerful.

FRANKIE

OH, what you said!

BELLA

I figured the old place could stand some redecorating. I got the idea from "Haunted House Beautiful".

DRAC

What have you done to Orville?

BELLA

Oh, I added a few touches. The poor thing looked so drab. And look at the I fixed up the skelevator, Kinda gives it a lift, don't you think?

DRAC

What happened to my favorite chair?

BELLA

I replaced it with this new inflatable furniture, here try it.

DRAC

Say, it's like sitting on a balloon.

RATSO

And balloons were meant to fly, right, Batso?

BASTO

Right Ratso!

DRAC

Do you happen to have an infatible hospital bed?

FRANKIE

Golly Jupiter, you mean you just blow em up like this?

BELLA

Frankie, look what you've done, all my gorgeous decorations, gone!

WOLFIE

Yeah what a pleasure. Lookie, the skelevator has flipped its wig!

DRAC

And Orville is back to sub-normal too!

WOLFIE

Frankie baby, when it comes to inferior decorating, you got no equal, no equal!

FRANKIE

It's like I always say, be it ever so crumbled, there's no place like home.
I needed that.

WOLFIE

Man like I'm splitting before Bella redecorates my wheels...Like Sabrina, wanna see how I fixed up the Wolf Wagon?

SABRINA

Oh I'd love to Wolfie!

WOLFIE

Got 450 cubes under the hood. It's the coolest engine around. Lookie here Sabrina, Wolf Paw racing tred.

SABRINA

You two sure get a kick out of each other!

WOLFIE

Oh come on Wolf Wagon, show Sabrina your Wolf Paws!

BELLA

Doesn't it know this is a no barking zone?

SABRINA

Looks like the Wolf Wagon's a howling success!Good goblins, according to the spook koo clock, it's time for the Groovie Movies!

DRAC

Ready C.B.

GHOST

Ready C.D. They don't call me Cecil Boo DeMille for nothing!

DRAC

These are films of the first concert of our own Torture Chamber Music Society. There's yours truly conducting! They chose me because I owned my own bat-on! There's Bonapart playing Trom-bone! And there's Ratso.& Batso playing Bonapart!

RATSO

Now that's what I call real toe tapping melody.

DRAC

There's the mummy playing the Tuba.

MUMMY

That was the "Un-Wrapsody in Blue".

DRAC

And look, there's Frankie about to render a solo in organ. Make that the mouth organ! And here's our rhythm section, with Goolihand on the kettle drums.

HAGATHA

Will you cut it out, I'm trying to cook down here!!

DRAC

And last but not least. Wolfie at the drums!

WOLFIE

Like somebody should've warned me there were trap drums! Owooo owooo!

DRAC

Everybody just loved the concert! Especially Orville. He really ate it up. He may not have an ear for music, but he certainly has a stomach..

BELLA

Ask-it-casket, what can I send a poor starving ghost?

CASKET

Just send him a scare package!

HAGATHA

I found out that Goolihand has been steeling my raspberry preserves.

BONAPART

Oh, really?

HAGATHA

I caught him red handed!

WOLFIE

Hey here's a voodoo doll of me. No wonder I'm on pins and needles!

BELLA

Dr. Jekyll & Hyde, my uncle thinks he's the Abominable Snowman.

DR.S

Well send him up to see us.

BELLA

I can't right now, he's our air conditioner.

MUMMY

Now for a Mummys Wrap-up news flash, DATELINE: Spookan Washington, thats good! The National Brotherhood of Zombies went on strike today, you know? There demanding a non living wage! Oh, dear.

DRAC

Now to relax and scan the deadline. Oh no, not the love-sick love-seat again! Let me go you dimwitted dunkenfeif! I'm going someplace where I can get some peace. I'll just sit down here and catch up on current events. That does it. You maniac of a Morris chair, out you go!

MUMMY

Lookie here, it's the love-sick love-seat, all brokin up over something.

BONAPART

I know just how she feels.

MUMMY

Oh what happened?.....Oh well we'll have you fixed up in no time you know? There aint she beautiful?

BONAPART

Reminds me of that movie star, Sofa Lorrin.

DRAC

Oh, to Drac, with love. Must be some secret admirer. Certainly looks nicer than that love-sick love-seat. I'll try it out right now. Heavens to horrors, not you again. Let me out of here, Help! Let go.

MUMMY

I always knew Drac would make someone a nice mummy.

RATSO

I guess for Drac it's any Davenport in a storm!

BATSO

While Hag's not here, we'll just pluck one of Broomhilda's straws. And now whe's in our power.

RATSO

What'll we make her do first?

BATSO

I'll show you. Broomhilda, let's have some creepy cookies, and make it quick!

RATSO

Now it's my turn. Broomhilda, bring us some swamp weed soda to wash 'em down!

HAUNTILEROY

Aha! Wait till I tell Hagatha what you've been up to!

RATSO

Oh yeah? Sic 'em Broomhilda!

HAUNTILEROY

Ouch! Ouch!

RATSO

That's what you call the old brushoff!

BATSO

This ought hold us till supper!

WOLFIE

Hey, what're you two cats up to?

RATSO

Broomhilda, do your stuff!

WOLFIE

Man that's what I call a bad trip! Oh oh looks like an early fall!

RATSO

We sure got the drop on Wolfie that time!

HAGATHA

SO! Up to your old tricks? Well I've got a few new tricks that'll teach you a lesson! Darkest night and Blackest gloom, straw fly back into the broom. Okay Broomhilda, it's tea time. Time to tee off on these two rascals!...That'll put the lid on their mischief for a while!

HAGATHA

Now what in blue blazes is that? Hopping horntoads! It's the Monstrous Mole,
munching my mushrooms. Scat I say, scat! He's too much for me to handle
I need help! But who?

DRAC

Faster than a speeding ghoolie!

BONAPART

More powerful than a loco monster!

WOLFIE

Able to leap haunted houses in a single bound!

HEAD ONE

It's a weirdo!

HEAD TWO

It's a din-aling!

FRANKIE

It's Super Ghoul!

HAGATHA

Thank goblins you're here! I can't get rid of that furry free-loader!

FRANKIE

Stand back, this is a job for Super Ghoul!

WOLFIE

Looks like the Monstrous Mole's bitten off more than he can chew!

HAGATHA

O tp;d upi he was tough!

FRANKIE

Don't blow your cool, he's no match for Super Ghoul! Now thats what I call a vine
hello!

HAGATHA

Perhaps I'll just forget the whole thing and plant another garden!

FRANKIE

Not on your rutabagas! Super Ghoul never gives up!

HAGATHA

Super Ghoul, you did it!! You got rid of the Monstrous Mole!!

FRANKIE

All in the line of duty! Remember: Anytime there's a fiend in need, call Super Ghoul!

HAGATHA

Super Ghoul strikes again.

HAGATHA

I see the musical guest of the week is the Rolling Headstones.

WOLFIE

Heavy, that's Hudson Rock, Captain Marble, and Ulysis S. Granit!

HAGATHA

They can plant themselves in my garden anytime!

THE END
