VOICE

Welcome to Horrible Hall. Laugh.

COUNT DRAC

This place is driving me batty!

GIRL

Wolfie, what kind of weather is best for the wolf wagon?

WOLFIE

Like what else? A driving rain! Whoa....

COUNT DRAC

I wonder what hag's got for dinner? Oh, no! Boiled steak. She knows that gives me a heartburn.

HAGATHA

Frank - what did Benjamin Franklin say when he discovered electricity and lightening?

FRANKIE

Nothing. He was too shocked! I needed that!

FRANKIE

I wonder what interesting butterfly specimens I shall find today? Oh... that looks like a rare bat-winged night moth. Gotcha!

COUNT DRAC

You bumble-headed blister brain. It's me!

FRANKIE

Golly, I'm sorry Drac. I thought you were a moth!

COUNT DRAC

You're the one they ought to come for with a net! I was on my way to visit the Frank Brothers.

FRANKIE

You mean Wilbur and Awful?

COUNT DRAC

Precisely. It's time for my ten thousand mile tune up! Now stand back!

FRANKIE

Darn it, Drac. Are you all right?

COUNT DRAC

Now see what you've done? My Bat (word) is on the blink. I can't turn into a bat.

WOLFIE

Come and try a spin in the woods, wagon man. That always drives you batty!

COUNT DRAC

I'm desperate enough to try anything!

WOLFIE

Like fasten your seat belt!

GIRL

Why does Orville look so green?

DR JEKYLL AND HYDE

Looks to me like he is car sick!

COUNT DRAC

Stop! What are you doing!

WOLFIE

Same as you're always doing - running
down Horrible Hall, man!

COUNT DRAC

You nincompoop! I want bat wings not
water wings!

WOLFIE

Say, Drac, baby, you are an awful back
seat driver! Whooooo...

FRANKIE

Wolfie, look out for that tree!

WOLFIE

What tree, man? Oh that tree!

WOLFIE

Well, I'll be darned!

FRANKIE

You see, all Drac needed was a shot
of vitamin B. Ha ha, ha ha, ha ha.
Yeow! No...

WOLFIE

Man, I am dog tired!

FRANKIE

Yes. I noticed how your breath is coming
in short pants! That's why I bought you
to the muscleum for a work-out! It'll
make a new wolfman out of you. For
instance this exercise is good for your
arms.

WOLFIE

Hold it man, it's stuck! That might be good for your arms, daddy, but it must be murder on your head!

FRANKIE

Perhaps we'll do some weightlifting instead. We shall start with something easy, like six hundred pounds. Ah...

WOLFIE

Here, man, let me help you with that!

FRANKIE

Noises.

WOLFIE

Wowee. That exercise is great for losing weight, man! You lost three hundred pounds already.

FRANKIE

Perhaps you'd better start with the mechanical horse. I'll show you how it works. Hi ho, Rover, away!

WOLFIE

Hey, what a groove! Let's see how fast it will go! Ya, hoo.... Ride on, Frankie.

FRANKIE

Hee....lp... Sto...p... this... thing...!

WOLFIE

Whatever you say, man!

FRANKIE

I didn't need that!

WOLFIE

You know, Frankie, after all that exercise I, like, feel better already, man! When can I work out again?

FRANKIE

Never! Oh - I don't think my body could stand it!

uncle thinks he's a spacecraft!

DR JEKYLL AND HYDE

WOLFIE
I will. Just as soon as he splashes down!

HAGATHA
Guess what? I'm starting up a ghost to
ghost, all broom, airline!

COUNT DRAC
Ah, ha... sounds like another fly by night
operation!

BELLA
The star's say you'll soon be taking a long
voyage by air.

MUMMY
Ah ha! Really? Those horoscopes are
for the birds, you know!

FRANKIE
Whoops! I got a bite! Golly, a starfish!

STARFISH

No autographs, darling!

GIRL

Mummy, why is Orville eating the typewriter?

MUM MY

Well, the doctor said he needed vitamins A through Zee! Ha, ha. You know.

FRANKIE

Ooops! I've got a bite! Gotta watch out for those sea horses!

SKELETON

Hey, Drac. What is it when you got Ratzo and Batzo in your church steeple?

COUNT DRAC

You got bats in your belfry!

FRANKIE

Ooops! I got a bite! Oh, my. A genuine hammerhead shark!

WOLFIE

Hey, Hagatha, like how do you get to meet a girl at a seance?

HAGATHA

Easy. You just ask her for the next trance! Laughs.

FRANKIE

Ooops! I got a bite! Oh, my.... an electric eel! I needed that!

BATZO

Eeh, he. Looks like Hagatha's cooked up another batch of cookies. Laughs.

RATZO

And this pancake mist we invented will help us get some (word) tested on this chair!

BATZO

Ha, ha. It works.

RATZO

I'm wild about understuffed furniture!

BATZO

Ah ha. This can will bring it back to normal!

RATZO

Ah ha. Now to start changing our own shapes a a little.

BATZO

Ready, Ratzo?

RATZO

A little squirt can't hurt, Batzo! Ah ha.

BATZO

Hey, Hey, Ratzo! Ah ha. Look what's here? Cobweb chip cookies!

RATZO

Mm! My favourite kind!

FAUNTLEROY

No - you scalleywags! Snitching cookies! I'm gonna give Hagatha a full report!

RATZO

That's what you think, Fauntleroy! Now if you like looking into windows...

BATZO

That's just the place for a shady character like him! Whoa. It's Hagatha! Quick, Ratzo, spray!

HAGATHA

Well, I'll be witched! Somebody's has knitted me a pair of Ratzo and Batzo rugs! They sure could use a good dusting! Heavenly hogtoads! It's the real thing! Here to steal my cookies, I'll wager!

BATZO

Come on, Ratz, time to beat it!

RATZO

I'm with you!

HAGATHA

Broomhilde! Lower the broom! Pancake
mist! So that's how the little shrinkers
did it!

FAUNTLEROY

Noises.

HAGATHA

Want another order of pancakes - coming
up! So you want to be a couple of rugs eh?
Well, there's nothing like a good dusting to
keep a rug in good condition, ha, ha!

RATZO AND BATZO

Noises.. oh wait... no... leave it!

FRANKIE

I guess that's what you'd call wail to wail
carpeting!

MUMMY

Hey, it sure is pretty here in petrifying forest,
you know!

FRANKIE

Yes. Especially when the Dogwood are in
bloom!

DOG

Bark.

FRANKIE

You can tell it's Dogwood by the bark.

MUMMY

Say, this is a great day for our Beaster
egg hunt, ha, ha!

FRANKIE

Yes! Look at these beauties we found already.

MUMMY

Keep your eyes peeled for others! There could be one right under your feet!

FRANKIE

You know...

MUMMY

You see? There's one now!

FRANKIE

Golly jeepers. Green with pink polka dots. I wonder who made this egg?

MUMMY

I've got a feeling she's right behind you. Smoky, the dragon!

FRANKIE

She sure seems burned up about something?

MUMMY

There's nothing cosy about that roaring fire! Let's get out of here!

FRANKIE

Noises.

MUMMY

Oh, ho. Come to mummy!

FRANKIE

That's what I call a lucky unbreak!

MUMMY

Where's Smoky?

FRANKIE

I think we lost her.

MUMMY

Well I think we also lost the egg!

FRANKIE

Oh my gosh, oh my gosh! It's rolling
away!

MUMMY

It's headed for Ghoulie Gouch! Mummy
to the rescue!

FRANKIE

Mummy, you saved the egg!

MUMMY

Well, naturally. I wasn't a buffalo hunter
for nothing, you know! Ha, ha, ha.

FRANKIE

Oh, ho. It's going to hatch!

MUMMY

Well will you look at that, will you? He's
the image of his mother!

FRANKIE

Yes, the spitting image!

MUMMY

Looks like fiery tempers run in the family,
ha, you know!

FRANKIE

And when they run - so do I! Mummy, let's
quit this Beaster egg hunt!

MUMMY

We can't quit! We've been fired! Help...
noises....

MUMMY

That's this week's (word) the Bare Bone
Band. They used to play long hair music.

WOLFIE

Yea, but then there was that falling out,
whoooo...

SINGERS

Kings and queens, knights on white horses
All these things mean nothing to me
Kings and queens, living in castles
Never be as happy as me.

For as long as I can remember
I've thought about kings and queens
And all those stories of romance
Well, it doesn't mean a thing

Kings and queens, knights on white horses
All these things mean nothing to me
Kings and queens, living in castles
Never be as happy as me.

I'll never be a rich man and rule a country
too.
But I've got much more going as long as I've
got you.

Kings and queens, knights on white horses
All these things mean nothing to me
Kings and queens, living in castles
Never be as happy as me.

Everyone has dreams of being royalty
But I feel like a king when you are near to me

Kings and queens, knights on white horses
All these things mean nothing to me
Kings and queens, living in castles
Never be as happy as me.

Kings and queens, knights on white horses
All these things mean nothing to me
Kings and queens, living in castles
