OVER BLACK

The upbeat indie-electronic Passion Pit song *Little Secrets*, coming from computer speakers in...

INT. SIMON'S ROOM - MORNING

We move through this TEENAGE BOY'S BEDROOM, passing relics of a thoughtful suburban adolescent:

A framed Elliott Smith RECORD COVER.

A half-eaten package of DOUBLE-STUFFED OREOS.

A pile of PROSPECTIVE STUDENT college brochures for big city schools: NYU, BU, USC.

Stacks of CHUCK KLOSTERMAN BOOKS and NEW YORK MAGAZINES.

So many HOODIES, strewn across pretty much every surface.

Till we land on our hero, SIMON SPIER (17), boyishly handsome with vibrant blue eyes and a thick mop of unruly hair. He hurriedly gets ready for school as an old inkjet printer spits out his English essay.

Simon sits down at his desk to staple his essay, when he's distracted by something outside the window:

A SHIRTLESS GARDENER mowing the lawn.

He's a twenty-something guy with the shoulders and the chest and the one-million abs glistening with just the right amount of sweat.

Simon's eyes are locked on the hot gardener. He's clearly attracted to him.

A KNOCK on the door. Simon spins around just as his father, JACK (47, loves dad jokes), pokes his head in:

JACK

Hey, Nora made pancakes.

SIMON

Cool. Be down soon.

JACK

And by "soon" do you mean once you finish searching for pictures of Gigi Habib in lingerie?

SIMON

It's Hadid.

JACK  
 Sorry, didn't realize she was your  
 girlfriend.

Jack chortles as he closes the door. Clearly he has no idea  
 Simon is gay. Because Simon is still in the closet.

SIMON  
 (under his breath)  
 Yup, you got me.

Simon turns back to the window. But now Hot Gardener is  
 blocked by his much older, much fatter, also shirtless  
 COLLEAGUE.

Simon leans over to get a glance at the hot one again. Way  
 over. Just when he finally has a good view --

WHAM! The desk chair flies out from under him and he falls  
 out of frame. Hard.

As Passion Pit sings: *"Let this be our little secret, no one  
 needs to know we're feeling..."*

CUT TO OUR TITLE:

**SIMON VS. THE HOMO SAPIENS AGENDA**

The song continues as our MAIN TITLES play over a kinetic  
 sequence that is Simon's morning routine:

INT. SIMON'S KITCHEN - MORNING

Jack, Simon's mom, DENISE (40's, warm and thoughtful), and  
 his sister, NORA (14, awkward and mumbly) eat pancakes.

Simon bounds through, pulling on his Jansport.

DENISE  
 Simon, sit. Breakfast is--

SIMON  
 (teasing)  
 Please mom, don't say breakfast is  
 the most important meal of the day.  
 It's so cliché. You're better than  
 that.

DENISE  
 I was going to say breakfast lowers  
 LDL cholesterol and prevents  
 fluctuating glucose levels which  
 can lead to type two diabetes. Is  
 that cliché?

SIMON  
 (grinning)  
 Touché.

Simon grabs a PANCAKE from the stack and takes a large bite.

SIMON (CONT'D)  
 Nora, this is incredible.

He ruffles Nora's hair. She blushes and awkwardly mumbles:

NORA  
 Oh, thanks. They're cornmeal with  
 blackberry compote. No big deal.

Simon gives a bite to his GOLDEN RETRIEVER, BIEBER.

SIMON  
 Here you go, Bieber. Most  
 important meal of the day.

And Simon's gone.

INT. / EXT. SIMON'S OLD HONDA / SIMON'S STREET - DAY

A pretty residential street in the suburbs of Atlanta.

Simon jumps into his car, drives five houses down, and re-parks.

INT. NICK'S BASEMENT - CONTINUOUS

Simon enters a cozy, finished basement - giant TV, mini fridge, soccer trophies. The kind of hangout room you wish you had in high school.

NICK (17, easy jock good looks) snores on an futon. An old soccer game plays on the TV. Simon pulls off Nick's blanket and yanks him to his feet.

NICK  
 (waking up, startled)  
 Ahh!

SIMON  
 Homeroom starts in eighteen  
 minutes.

NICK  
 Shit. I fell asleep studying  
 Roberto Baggio's moves in the '94  
 World Cup.

He glances at the TV. Brazil is celebrating their victory.

NICK (CONT'D)  
 Damn it. Now I know who won.

Simon grabs a clean TEE from a laundry basket, tosses it to Nick. Nick pulls it on, then realizes it reads "ATLANTA'S GREATEST DAD!" Nick shrugs, going with it.

SIMON  
 Did you buy that for your dad?

NICK  
 He bought it for himself. It was at the peak of his mid-life crisis.

They head upstairs, where Nick hurriedly stuffs his SOCCER CLEATS and SHIN PADS inside a duffel.

NICK (CONT'D)  
 I was just having the craziest dream.

SIMON  
 Nick, you have the "craziest dream" every night.

NICK  
 I was in the bathroom putting on my contacts.

They head out the front door...

EXT. NICK'S HOUSE - DAY

...where their other best friend, LEAH (17, sensitive, artsy, makes her own clothes) approaches from her house across the street. A perfectly choreographed morning routine.

NICK  
 But I couldn't figure out which lens went in which eye--

SIMON  
 Wait for Leah.

Leah approaches, clocks Nick's dad shirt and bed head.

LEAH  
 We never should've told you about ESPN Classic.

NICK  
 Sorry we can't all make our own clothes.

(then, re: her outfit)  
 (MORE)

NICK (CONT'D)  
 Seriously though, that dress is  
 really cool. You're gonna be very  
 rich one day.

LEAH  
 Maybe we can collaborate on a  
 clothing line, like H & M and  
 Beckham.

NICK  
 And then Si will write a profile  
 about us in some fancy magazine.

SIMON  
 I love how successful we are in the  
 pretend future.

Leah smiles. They all get into...

INT. / EXT. SIMON'S HONDA / SHADY CREEK STREETS - CONTINUOUS

Leah rides shotgun. Nick leans forward from the backseat as  
 Simon drives them to school.

NICK  
 So Leah, last night I dreamt I was  
 in the bathroom putting on my  
 contacts and I couldn't figure out  
 which lens went in which eye--

LEAH  
 Wait. I have something really  
 important to tell you guys.

NICK  
 I'm in the middle of--

SIMON  
 I pick Leah's thing. Leah, say  
 your thing.

LEAH  
 Last night I was walking past  
 Jackie Morgan's house and her  
 parents were having sex in the hot  
 tub.

Simon and Nick react with disgust.

LEAH (CONT'D)  
 Oh. I was happy for them.  
 (off their surprise)  
 What?

(MORE)

LEAH (CONT'D)  
They've been married thirty years  
and they haven't lost their spark.

Simon smiles. He loves the way Leah sees the world.

NICK  
Simon, remember when you dated  
Jackie?

Simon tenses up ever so slightly.

SIMON  
Vaguely. Ninth grade is a long  
time ago.

NICK  
You'd probably remember it better  
if you'd gotten past first base.

SIMON  
(forced)  
Yup, I tanked it.

NICK  
If it were me, I would've gotten  
all up in there and been like, "Hey  
Jackie, I just really wanna..."

Nick MOTORBOATS Leah's neck.

LEAH  
Ahh! Get away from me.  
(then)  
You are such an idiot.

But Leah is grinning. Simon notices. He's pretty sure she  
has a crush on Nick.

The gang pulls into...

EXT. WAFFLE HOUSE DRIVE THROUGH - CONTINUOUS

...and Leah leans over Simon to order.

LEAH  
Three black iced coffees, please.

SIMON  
Wait, get one for Abby.

Leah looks irked at the mention of "Abby."

LEAH  
Four black iced coffees, please.

NICK  
Abby likes hers with cream--

LEAH  
Three black, one with cream.

NICK  
And sugar.

LEAH  
And sugar.  
(back to Nick, annoyed)  
What are you, her barista?

NICK  
We've been friends with her for two  
months. It's not that hard to  
remember "cream and sugar."

An uncomfortable silence. Simon cranks up the radio and the  
song carries us to:

INT. CREEKWOOD HIGH SCHOOL - LOBBY - DAY

Gossip! Body spray! Hormones! Welcome to Creekwood, a mid-  
sized public high school buzzing with students getting ready  
for class.

Simon, Leah, and Nick enter with their coffees.

ABBY (17) runs up to them. She is black, gorgeous, and  
rocking a very cool beat up leather jacket and boots.

ABBY  
Hey, guys.

NICK  
Hey, Abby.

And judging by the dumb grin on his face, Nick is totally  
into her.

SIMON  
We got you a coffee.

NICK  
Cream and sugar.

ABBY  
Oh, you guys are the best. I am  
figuratively dying.

Leah forces a smile. Simon notices, very aware of the  
tension brewing in his friend group.

ABBY (CONT'D)  
Have you guys looked at the  
Creeksecrets Tumblr today?

SIMON  
No, what'd we miss?

As Abby takes out her phone and calls up the website:

ABBY  
At my old school, if there was a  
website just for school gossip,  
someone definitely would've gotten  
stabbed.

Simon laughs, then falls silent as he realizes:

SIMON  
Oh, you're serious.

Abby hands her phone to Simon. It's displaying a Tumblr  
where students can anonymously post the most salacious  
happenings at Creekwood High School.

SIMON (CONT'D)  
(reading)  
Becca Peterson got caught giving  
Ryan O'Donovan a handjob in the  
pool. That's the real reason they  
had to drain it.

Simon holds up the phone which displays a photo of an ANGRY  
JANITOR draining the CREEKWOOD HIGH POOL.

Everyone reacts, joyously disgusted.

SIMON (CONT'D)  
Janitor Rick deserves a raise.

NICK  
So Abby, last night I dreamt I put  
the wrong contacts in my eyes.

Leah and Simon GROAN. Abby is charmed.

ABBY  
We're analyzing another dream?  
You're like the love child of  
Sigmund Freud and Cristiano  
Ronaldo.

NICK  
(very proud)  
Thank you.  
(MORE)

NICK (CONT'D)  
 (then, back to dream)  
 So I can't see anything. I'm  
 stumbling around the bathroom,  
 crashing into everything. And then  
 I wake up.

SIMON  
 That's it? That's what you've been  
 trying to tell us all morning?

NICK  
 I'm pretty sure it means there's  
 something I'm not seeing clearly.  
 Something that's right in front of  
 me. What do you guys think?

Simon and Leah look uncomfortable.

LEAH I dunno. SIMON No idea.

Simon nervously takes a sip of his iced coffee.

INT. SPIER LIVING ROOM - NIGHT

Simon, Nora, and their parents eat Indian takeout as they  
 watch the end of ABC's *The Bachelorette*. A family ritual.

Videochatting in from her dorm on an iPad is Simon's older  
 sister ALICE (18) in a BARD COLLEGE SWEATSHIRT.

SIMON  
 There is no way they went into the  
 fantasy suite just to give each  
 other "foot massages."

JACK  
 Seriously. How dumb do they think  
 we are?

ALICE  
 I dunno. Cody is from Utah, which  
 is super Mormon and virgin-y.

NORA  
 Virginal.

SIMON  
 You'd know.

NORA  
 So would you.

Simon shuts up.

DENISE

Even if they did more than foot  
massages, it doesn't mean they made  
love.

All three kids GROAN.

DENISE (CONT'D)

Oh my god, you guys are so  
repressed--

SIMON

Don't therapize us. We're not your  
patients.

DENISE

Oh, I know. If you were my  
patients, you'd be way more well-  
adjusted.

JACK

Nice therapist burn, baby.

They fist bump.

DENISE

(to Alice)

How's our own little college  
bachelorette doing? Any special  
someones?

ALICE

Ew, no, I'm not talking about my  
life.

JACK

We raised a vault, honey.

ALICE

(back to the show)

I think she's gonna pick Daniel F.  
He's the hottest one.

JACK

The gay one?

NORA

Daniel's not gay.

JACK

Look at that haircut. The guy is a  
one-man Pride Parade.

(singing)

*It's fun to stay at the Y-M-C-A.*

This is Jack's sense of humor. Bad and out-of-touch, but not malicious. Still, Simon tenses up.

ALICE  
Dad, stop.

<p>JACK <i>It's fun to stay at the Y-M-C-A...</i> (then, quickly) <i>With Daniel F! It's fun to stay at the Y-M-C-A.</i></p>	<p>ALICE (CONT'D) Would you cut it out? That is so offensive. You don't even realize how pervasive your casual heterosexism is!</p>
------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------

Alice continues to throw around words she's learned in her gender studies class. Denise and Nora laugh a little in spite of themselves.

And no one notices Simon, wildly uncomfortable.

The opening chords of ELLIOTT SMITH'S "WALTZ #2" kick in, taking us to...

INT. SIMON'S ROOM - NIGHT

...where Simon listens to Elliott Smith as he scans the latest CREEKSECRETS TUMBLR gossip: a stuffed bra-gate, a Lacrosse player caught getting head under the bleachers. The usual.

He's about to close the site when a POST catches his eye. It's a stock photo of a FERRIS WHEEL accompanied by a short entry.

We hear SIMON'S VOICE in his head as he reads the text:

SIMON (V.O.)  
Sometimes I feel like I'm stuck on a ferris wheel. One minute I'm on top of the world, the next I'm at rock bottom. Over and over, all day long. Because a lot about my life is great. But nobody knows I'm gay.

It's signed with only the pseudonym: Blue.

Simon sits back, stunned. *There's another secretly gay kid at Creekwood?*

He considers for a beat, then navigates to Gmail and REGISTERS FOR A NEW E-MAIL ACCOUNT.

Gmail asks for a USERNAME. Simon considers as Elliott Smith sings: *"I'm doing just fine hour to hour, note to note."*

So, Simon signs up for `hourtohour.notetonote@gmail.com`.

Available!

He clicks back to the CREEKSECRETS ENTRY, and comments: **I can relate.**

He ponders a pseudonym for himself, then notices a FRAMED PHOTO of his family in Paris's Luxembourg Park when he was a little boy. Something about this photo makes him decide to sign his comment **Jacques**.

And then he adds the new e-mail address beneath his comment so "Blue" can reach him.

Simon hesitates for a moment, then hits POST. Off his face, excited and terrified...

CUT TO BLACK.

INT. SIMON'S ROOM - MORNING

Simon wakes up. Instantly picks up his phone and checks his "hourtohour" Gmail account: ONE NEW MESSAGE!

He can't open the inbox fast enough. But it's just the stupid AUTOMATED MESSAGE Gmail sends when you open an account.

And thus begins Simon's EXCRUCIATING SCHOOL DAY waiting for Blue to respond.

INT. CREEKWOOD HIGH SCHOOL - MATH CLASS - MORNING

CLOSE ON a NO CELL PHONES poster.

Simon and his CLASS sit in agony as a MATH TEACHER desperately tries to get them excited about geometric proofs.

MATH TEACHER  
 ...and we know this side here is  
 twelve inches. So how do we  
 determine the length of side A?

He is met with a roomful of BORED, VAGUELY HOSTILE STARES. Finally, Simon raises his hand.

MATH TEACHER (CONT'D)  
 Yes! Simon!

SIMON  
 May I go to the bathroom?

The Math Teacher deflates, silently wishing he became an engineer.

INT. CREEKWOOD HIGH SCHOOL - BOYS' ROOM - CONTINUOUS

Simon locks himself in a stall. Takes out his phone. Still NO NEW MESSAGES.

INT. CREEKWOOD HIGH SCHOOL - CAFETERIA - LATER

Simon sits at lunch with Nick, Abby, Leah and a couple of Nick's soccer friends, BRAM (handsome, with olive skin and dark brown eyes) and GARRETT (affable jock). Simon compulsively hits refresh on his phone, but he has no signal.

GARRETT

Did you guys see that Creeksecrets post last night with the ferris wheel picture? Who do you think is gay?

This gets Simon's attention. He looks up from his phone, tries to keep his expression neutral.

ABBY

(shrugs)  
Who cares? It's 2016.

GARRETT

(immediately defensive)  
I don't care. I was just curious.  
I love gay people. My dad's assistant is gay!

BRAM

(fake impressed)  
Wow, your dad's assistant? How have you not gotten a GLAAD award yet?

Everyone LAUGHS, including Simon. He takes in Bram, gets a little lost in his dark brown eyes. Bram catches Simon staring at him and misunderstands:

BRAM (CONT'D)

You want some of my fries?

Simon blushes, but quickly covers:

SIMON

Um, yeah. Thanks.

Clearly Simon's got a crush.

INT. CREEKWOOD HIGH SCHOOL - HALLWAY - LATER

Simon refreshes his e-mail while hurrying to his next class. And thus, he CRASHES right into the Vice Principal, MR. WORTH (30's). He's one of those administrators who desperately wants to be friends with his students.

MR. WORTH  
Simon, buddy, you know there's no  
texting in the halls.

SIMON  
I know, I just--

MR. WORTH  
You know I love you.

SIMON  
You do?

MR. WORTH  
But a rule's a rule. I have to  
confiscate the phone. You can pick  
it up after play rehearsal, 'kay?

Simon reluctantly hands over his phone as we PRELAP Oliver's *You've Got to Pick a Pocket or Two*.

INT. CREEKWOOD HIGH SCHOOL - AUDITORIUM - AFTER SCHOOL

Simon, Abby, and the CAST OF OLIVER perform a very sloppy run-through. The harmonies are off, the choreography is a mess, and actors keep crashing into each other.

Simon plays one of the Orphans. Abby is the Artful Dodger.

MARTIN (17, oddball class clown in a pun t-shirt that says "IRONY, THE OPPOSITE OF WRINKLY") is Fagin.

MARTIN  
*You've got to pick a pocket or two,  
boooooys. You've got to pick a  
pocket or twoooooooooo!*

MS. ALBRIGHT (30's, no-bullshit drama teacher) and CAL (17, indie-dreamy stage manager) give a weak round of applause.

MS. ALBRIGHT  
Okay, that was... help me, Cal.

CAL  
That was a start.

MS. ALBRIGHT  
That was a start!

Simon leans over and anxiously whispers to Abby:

SIMON  
What time is it?

ABBY  
Ten minutes later than the last  
time you asked me.

TAYLOR, the type-A blonde Senior girl playing Oliver, raises her hand.

MS. ALBRIGHT  
Yes, Taylor?

TAYLOR  
Um, I was pretty singularly focused  
on being Oliver but I could still  
tell that sucked. Jake and  
Samantha were practically dry  
humping the entire time.

ANGLE ON two entwined TEENS playing Fagin's Boys. They have their hands in each other's back pockets.

MS. ALBRIGHT  
Point taken. Let's try and put  
aside our steamy personal lives  
when we're in character, shall we?

Jake and Samantha reluctantly remove their hands from each other's pockets.

CAL  
From the top, people!

Everyone GRUMBLES as they take their places.

SIMON  
What time is it now?

INT. CREEKWOOD HIGH SCHOOL - MR. WORTH'S OFFICE - DAY

Simon enters Mr. Worth's office, dying to get his phone back.

SIMON  
Hi, I'm here for my phone.

Mr. Worth reaches into his desk, takes out Simon's phone.

MR. WORTH

I hope you enjoyed your time being  
"disconnected." We depend so much  
on our devices these days.

SIMON

(dying)  
Yup. Totally.

MR. WORTH

I know I can't go a few hours  
without checking my Insta or  
playing a little Angry Birds.

Simon is going crazy.

SIMON

Mhmm. It's a struggle.

Finally, Mr. Worth hands over the phone. Simon checks the  
little mail icon: one new e-mail!

INT. / EXT. SIMON'S HONDA / CREEKWOOD PARKING LOT - DAY

Simon gets in his car, takes out his phone, and opens the e-  
mail. It's from **bluegreen118@gmail.com**.

As Simon reads, he imagines...

CUT TO:

INT. TEEN BOY'S BEDROOM - DAY (SIMON'S FANTASY)

A suburban bedroom with distinctive NAVY BLUE WALLS. It  
belongs to a MYSTERIOUS TEEN BOY writing an e-mail to Simon.

He is shot from behind so we never see his face. This is  
BLUE as Simon imagines him. He has a warm, intelligent  
voice.

BLUE (V.O.)

You can relate? I guess that means  
you're either gay or you're stuck  
on a ferris wheel. And I have a  
Google alert for carnival mishaps,  
so I know it's not the latter.  
When did you know? And have you  
told anyone? Blue.

BACK TO REALITY:

INT. / EXT. SIMON'S HONDA / CREEKWOOD PARKING LOT - DAY

Simon stares at the e-mail, totally exhilarated till--

HONK, HONK! He realizes someone is waiting for his spot.

SIMON  
Sorry! I'm leaving.

INT. SIMON'S BEDROOM - AFTERNOON

Simon rushes in and opens his laptop to respond to Blue. We hear his voice as he types:

SIMON (V.O.)  
No, Blue. I haven't told anyone.  
And honestly, I can't even really  
explain why. I know deep down my  
family would be fine with it.

CUT TO:

EXT. SIMON'S HOUSE - DAY (FLASHBACK)

Denise and Jack struggle mightily to stake a HILLARY sign in their yard. They give up and lean it against a bush.

SIMON (V.O.)  
Both my parents voted for Hillary.

INT. CHURCH - DAY (FLASHBACK)

Simon and his family sit in a pew during Sunday mass. They're hot and bored.

SIMON (V.O.)  
And we only go to church when my  
grandma comes to town.

REVEAL their GRANDMA, listening to the sermon, rapt. Denise nudges Jack awake.

INT. CREEKWOOD HIGH SCHOOL - CAFETERIA - DAY (SIMON'S FANTASY)

Simon gets lunch with his friends. A couple of JOCKS do that BLOW JOB GESTURE at him. Leah flips them off.

SIMON (V.O.)  
I'm sure a few dicks from school  
would give me hell because half of  
Shady Creek is still stuck in the  
1950's. But my friends would be  
fine with it.

BACK TO REALITY:

INT. SIMON'S BEDROOM - AFTERNOON

Simon continues writing the e-mail.

SIMON (V.O.)

So I guess I'll ruminate on what's  
stopping me and get back to you on  
it. Ruminare. Pretty good word,  
huh?

(beat, then)

As for how I knew I was gay, it was  
a bunch of little things...

CUT TO:

INT. SIMON'S BEDROOM - NIGHT (FLASHBACK)

TWEEN SIMON (12) sleeps soundly in bed.

SIMON (V.O.)

...Like this weird dream I had  
about Daniel Radcliffe.

Tween Simon wakes up and looks at a *Harry Potter* poster on  
his wall, surprised.

INT. SIMON'S BEDROOM - ANOTHER NIGHT (FLASHBACK)

SIMON (V.O.)

And then proceeded to have every  
night for a month.

An exasperated Tween Simon takes down the *Harry Potter* poster  
and stuffs it in the trash.

INT. PASSION PIT CONCERT - NIGHT (FLASHBACK)

Tween Simon and Alice bob their heads as PASSION PIT sings.

SIMON (V.O.)

Or how I was obsessed with Passion  
Pit in middle school...

He stares at the lead singer, MICHAEL ANGELAKOS, transfixed  
by his scruffy good looks.

SIMON (V.O.)

And then I realized it wasn't  
really about the music.

INT. MIDDLE SCHOOL DANCE - DAY (FLASHBACK)

Tween Simon awkwardly slow dances with his pretty, EXTREMELY  
DEVELOPED 7TH GRADE GIRLFRIEND.

SIMON (V.O.)  
And then there was my first  
girlfriend.

SIMON'S FIRST GIRLFRIEND leans in and whispers to Simon:

SIMON'S FIRST GIRLFRIEND  
I think I'm falling in love with  
you.

TWEEN SIMON  
Wow. Uh, I'll be right back.

Tween Simon darts out of the gymnasium, leaving his confused  
girlfriend staring after him.

INT. MIDDLE SCHOOL BATHROOM - CONTINUOUS (FLASHBACK)

Tween Simon crouches on a toilet so no one can see his feet,  
and texts his mom: **Come pick me up. Kids are drinking  
alcohol.**

SIMON (V.O.)  
It wasn't my proudest moment.

BACK TO REALITY:

INT. SIMON'S BEDROOM - AFTERNOON

Simon finishes up his e-mail to Blue.

SIMON (V.O.)  
How about you? How did you know?

Simon considers how to sign his e-mail.

SIMON (V.O.)  
Warmly, Jacques.  
(ech)  
Fondly, Jacques.  
(nope)  
Jacques.

Satisfied, Simon hits SEND.

INT. SIMON'S KITCHEN - NIGHT

Nora serves Simon, Denise, and Jack STUFFED PEPPERS that  
would be right at home in a Michelin star restaurant.

JACK

So after we finish installing all the shower tiles, she decides the black and white checks are "too black and white."

NORA

(timid)

These are peppers stuffed with barley and cremini mushrooms, dusted with parmesan breadcrumbs.

JACK

(big bite, not discerning)

Tastes great, Nor.

(then, back into it)

So now she wants marble. It's not even the master bath!

Simon's PHONE BUZZES: one new e-mail. He jumps up without thinking. Then:

SIMON

Great story, dad. We're out of Sprite. There's a bottle in the basement, so...

And he's gone.

INT. SIMON'S BASEMENT - MOMENTS LATER

Simon stands in front of a storage shelf holding a two liter of Sprite and reading an e-mail from Blue.

BLUE (V.O.)

Jacques, don't worry. If your proudest moment happened in middle school that would be pretty sad.

(then)

For me, I realized I liked guys watching *Game of Thrones*.

INT. SIMON'S BEDROOM - LATER THAT NIGHT

Simon is sprawled in front of his laptop watching a TV SHOW.

BLUE (V.O.)

My friends were all holding their breaths waiting to see the Dragon Princess's boobs. I was crushing hard on Jon Snow.

REVEAL Simon is watching an early *Game of Thrones* episode. Kit Harrington's hair looks super dreamy. Simon gets it.

BLUE (V.O.)  
 Wow. I've never told that to anyone before.

Simon smiles, touched that Blue has confided in him. He clicks over to Gmail and replies to Blue:

SIMON (V.O.)  
 Well, I've never told anyone about my Daniel Radcliffe phase, so now we're even. And for the record, I think this Jon Snow guy is an excellent choice for your sexual awakening. I wish we'd started emailing a month ago, I totally would've been him for Halloween. But people probably would've just thought I was the singer Lorde. Who did you dress up as?

Simon hits SEND.

INT. CREEKWOOD HIGH SCHOOL - HALLS - THE NEXT MORNING

Simon, Nick, Abby, and Leah fight their way through the crush of kids heading to homeroom. Simon takes in the HUNDREDS OF MALE CREEKWOOD STUDENTS.

QUICK CUTS of FACE after FACE after FACE, faster and faster and faster. Literally any one of them could be Blue.

They pass a CUTE DORKY GUY putting books in his locker. Simon notices the guy has a *Game of Thrones* poster taped inside it.

Just as Simon is wondering if he could be Blue, he passes another guy wearing a *Game of Thrones* t-shirt. Hopeless.

Simon goes to take out his phone when he spots Mr. Worth approaching. He pockets the phone, splits away from his friends, and enters:

INT. CREEKWOOD HIGH SCHOOL - LIBRARY - DAY

He sits down at a computer and eagerly logs into his "notetonote" Gmail, where he finds a new message from Blue.

BLUE (V.O.)  
 I didn't dress up this year. For me, Halloween is really all about the Reese's.

Simon scrolls down to find a photo attached to the e-mail. It's LORDE'S HEAD Photoshopped onto JON SNOW'S SHIRTLESS BODY. Simon laughs.

BLUE (V.O.)  
Here's a mock-up of your Halloween costume for next year. You're welcome. Blue.

Simon sits with a DAZED SMILE. The Librarian passes by...

LIBRARIAN  
You certainly look happy today, Mr. Spier.

Simon immediately stops smiling. Once the Librarian is far enough away, he Google images a photo of a HUGE PILE OF REESE'S CUPS and drags it into the e-mail.

The BELL rings.

LIBRARIAN (CONT'D)  
Everybody get to homeroom!

Simon hurriedly writes:

SIMON (V.O.)  
Reese's are better than sex.

LIBRARIAN  
(to Simon)  
That means you, Smiley.

Simon sends the e-mail and hurries off to class.

INT. CREEKWOOD HIGH SCHOOL - CAFETERIA - DAY

Simon tears into a pack of REESE'S CUPS at lunch with his friends. Bram sits down with his tray.

BRAM  
(re: Reese's)  
Man, I love those.

Simon looks from his Reese's to Bram. He's stunned. Could his totally unattainable soccer crush be Blue?

BRAM (CONT'D)  
So, good news. My aunt's boyfriend just took off with her car and all her jewelry--

GARRETT  
Dude, that's terrible!

BRAM

I know. But this is the third time it's happened. She has really bad taste in guys. My mom is going down to Orlando to deal with it which means I get to throw a party.

He flashes them all a shy smile. Simon smiles back, totally charmed by Bram's enthusiasm.

GARRETT

Aw, sweetness! Thank you Bram's stupid aunt! Let's get a mini keg. No, two mini kegs.

NICK

Why don't we just get a regular keg?

GARRETT

Yes! And a vodka luge!

As Garrett continues to ramble on excitedly, Simon can't help but feel like Bram's eyes are lingering on him. Off Simon, unsure...

INT. CREEKWOOD HIGH SCHOOL - CLASSROOM - DAY

Simon sits in class, sneakily reading a new Blue e-mail on his phone. He now imagines Bram's voice narrating.

BRAM (V.O.)

Really, Jacques? Reese's are better than sex? I'm not speaking from experience, but I sincerely hope you're wrong.

CUT TO:

INT. BRAM'S BEDROOM - DAY (SIMON'S FANTASY)

We're in the same, blue-walled bedroom, but now it belongs to Bram. Because Blue is now Bram in Simon's mind.

A shirtless Bram speaks directly to camera. He licks some melted chocolate off his fingers.

BRAM

Although if sex is chocolatey, and salty, and sweet...

(signature shy smile)

I guess that wouldn't be too bad...

BACK TO REALITY:

INT. CREEKWOOD HIGH SCHOOL - CLASS ROOM - DAY

Simon shifts in his seat, trying to hide his boner.

INT. CREEKWOOD HIGH SCHOOL - AUDITORIUM - DAY

The *Oliver* cast build sets and hang lights. Taylor approaches Simon and Abby who are painting a backdrop of London.

TAYLOR

Do you guys think I should cut my hair short to play Oliver?

ABBY

Aren't you wearing a hat the entire time?

TAYLOR

Yeah, but I read that when Daniel Day Lewis played that paralyzed guy in *My Left Foot* he made the crew carry him around and feed him with a little spoon.

Abby and Simon stare at Taylor. After a moment:

ABBY

In that case, yeah. You should cut your hair.

TAYLOR

(instantly panicked)  
Really? My hair is kind of my thing.

SIMON

(has to get away from her)  
I'm gonna get some more paint.

INT. CREEKWOOD HIGH SCHOOL - DRAMA SUPPLY CLOSET - DAY

Simon rummages through the shelves looking for the right can of paint.

MARTIN (O.S.)

Simon?

Simon whirls around, startled. Martin (our pun-shirted Fagin) stands behind him with a strange, nervous look.

SIMON

Jesus, Martin. You scared me. What's up?

MARTIN  
I used the computer in the library  
right after you.

SIMON  
(confused)  
Okay?

Martin shuffles awkwardly. Then:

MARTIN  
When I went to Gmail, it pulled up  
your account. And I read some of  
your e-mails. I shouldn't have  
done it, but they were all just  
like, right there.

Simon stares at Martin, his mind racing as he realizes Martin  
now knows he's gay.

MARTIN (CONT'D)  
It'll probably interest you to know  
my brother is gay.

Simon struggles to keep his voice from trembling.

SIMON  
No, Martin. That does not interest  
me to know.

Simon takes his paint and turns to go.

MARTIN  
Simon, calm down. I'm not going to  
show anyone.

Simon stops, turns back around to face Martin.

SIMON  
Show anyone what?

Martin can't meet Simon's eyes. Simon starts to panic.

SIMON (CONT'D)  
Did you print my e-mails or  
something?

MARTIN  
No. I... took a screenshot.

SIMON  
Why the hell would you take a  
screenshot of my e-mails?

Martin does his awkward shuffle again.

MARTIN

You and Abby Suso are like, best friends, right?

SIMON

We're friends, we're not best friends. What does that have to do with anything?

MARTIN

I need you to... help me talk to her. And to, y'know, hang out with her.

SIMON

What? Why would I help you do that?

Martin stares at Simon, not wanting to say it.

SIMON (CONT'D)

Oh my god. Are you blackmailing me?

MARTIN

Don't be so dramatic. It's not like that. I just like her and I need your help.

SIMON

And what if I say no? You'll tell the whole school I'm gay? You'll leak my e-mails? Post them on Creeksecrets?

Martin doesn't respond. Simon realizes that's exactly what Martin will do. Finally, Martin speaks.

MARTIN

I think we're in a position to help each other out is all. Just think about it.

Martin walks out, leaving a spiraling Simon in his wake.

INT. / EXT. SIMON'S CAR / SHADY CREEK STREET - DAY

Simon drives home in a daze. He blows a stop sign and doesn't even notice till someone HONKS at him. Simon gestures a vacant apology.

INT. SIMON'S HOUSE - KITCHEN - NIGHT

Family dinner. Simon stares off into space as Jack, Denise, and Nora laugh and swap stories. Their voices sound A MILLION MILES AWAY.

EXT. SIMON'S NEIGHBORHOOD - NIGHT

Simon walks Bieber. Suddenly, he starts to SPRINT.

He runs until his lungs are burning. He falls to his knees, gasping for air.

Bieber licks his face, oblivious.

INT. SIMON'S ROOM - MORNING

Simon's ALARM goes off. He wakes with a start. And then, yesterday's events come rushing back to him.

SIMON

Shit.

Simon checks his phone: a new e-mail from Blue. He begins to read it...

BRAM (V.O.)

Jacques, I have to get something off my chest. The other day you asked me who I was for Halloween and I told you I didn't dress up. I lied.

Simon straightens up, worried about where this is going.

BRAM (V.O.)

The truth is, I didn't want you to know my costume. If you did, you could just click through Facebook photos and figure out who I am.

CUT TO:

INT. CREEKWOOD HIGH SCHOOL - HALLWAY - DAY (SIMON'S FANTASY)

Simon, Leah, Nick and Abby walk down the hall in SLOW MO.

BRAM (V.O.)

Right now these e-mails feel like this totally safe place where I can tell you anything. And they won't feel that way anymore if we know each other's identities. I'm just not ready.

They pass Bram and his SOCCER BUDDIES. Simon and Bram stare straight ahead, ignoring each other.

BRAM (V.O.)  
Do you ever feel locked in your own  
body? Like there are things you  
are absolutely dying to do and  
say...

Suddenly, Bram turns around and begins to run towards Simon. But before he reaches him he stops, FROZEN.

BRAM (V.O.)  
But for some reason, you just  
can't?

BACK TO REALITY:

INT. SIMON'S ROOM - MORNING

Simon sighs. He imagines...

CUT TO:

INT. CREEKWOOD HIGH - DRAMA CLOSET - DAY (SIMON'S FANTASY)

We're back in the moment where Martin blackmailed Simon.

MARTIN  
It'll probably interest you to  
know, my brother is gay.

Simon stares at Martin for a beat.

Then, Simon does what he's dying to do: he PUNCHES Martin right in the face. For a brief moment, he is triumphant.

But then, his fist moves backwards as if in REWIND. Martin gets up, rights himself. And Simon says what he actually said:

SIMON  
No Martin. That does not interest  
me to know.

BACK TO REALITY:

INT. SIMON'S ROOM - MORNING

Simon writes back to Blue.

SIMON (V.O.)  
Yes, Blue. I know just what you  
mean.

Simon hits SEND.

INT. CREEKWOOD HIGH SCHOOL - LOCKERS - DAY

Simon watches from afar as Martin struggles to close his locker which is overflowing with old gym clothes and empty soda cans. Martin pulls out a very questionable sandwich, considers eating it.

Simon approaches.

SIMON

If you want me to help you get with Abby, you cannot eat that.

MARTIN

So you're going to help me?

SIMON

Yes.

Martin instantly warms up, as if he wasn't blackmailing Simon in a supply closet just yesterday.

MARTIN

This is awesome! I really think Abby and I are meant to be.

SIMON

(dryly)  
Really? Do you?

MARTIN

Not everything is about looks, Simon.

SIMON

So you're banking on your great, blackmail-y personality getting the job done?

MARTIN

That's hurtful.

SIMON

Don't care. Do you want to come with us to Bram's party this weekend?

Martin lights up.

MARTIN

I love it. It's so simple. I bet that's why they call you Simple Simon.

SIMON

No one calls me that, Martin.

Simon turns to leave. Martin goes to take a bite of his old sandwich.

SIMON (CONT'D)

Don't eat that sandwich, Martin.

INT. NICK'S BASEMENT - NIGHT

Simon and his friends are sprawled out, snacking on chips and drinking sodas pre-Bram's party.

LEAH

When should we head to Bram's?

ABBY

Let's give it an hour. We don't want to get there when it's just Bram and the soccer dweebs.

NICK

Hey! I'm one of the soccer dweebs.

ABBY

Oh, I know. If I have to listen to you brag about your epic bicycle kick one more time--

Nick throws a pillow at Abby and she shrieks.

NICK

Do you even know what a bicycle kick is? It's insanely difficult to execute!

Simon clocks Leah's discomfort as Nick and Abby flirt.

SIMON

Leah, let's go make those frozen pizzas.

INT. NICK'S KITCHEN - NIGHT

Simon and Leah pull Trader Joe's pizzas out of the oven.

SIMON

Excited for the party?

LEAH

You mean am I excited to stand  
amongst our sweaty peers, be too  
self-conscious to dance and  
pretend to like the taste of beer?  
(beat, obvious lying)  
Totally!

SIMON

Why would you be self-conscious?  
You're like the coolest person in  
our school.

Leah snorts like, "as if."

SIMON (CONT'D)

I'm serious. Look at you.

Simon drags her over to a wall mirror and they both take in  
her stylish, homemade outfit.

SIMON (CONT'D)

You're like, effortlessly cool.

LEAH

I'm pretty sure you're the only  
person that feels that way.

SIMON

Well, it's true. Ever since you  
made yourself that macaroni  
headband in kindergarten, you've  
been a trendsetter.

LEAH

Also known as the day you had to go  
to the hospital.

SIMON

Yup. Nick told me if I shoved the  
macaroni deep enough in my nose a  
mac and cheese tree would grow out  
of my head. He was very  
convincing.

Leah grins. After a moment:

LEAH

I'm sorry I've been weird lately.

SIMON

I get it. It's been just you, me,  
and Nick for so long. And now  
Abby's here.

(MORE)

SIMON (CONT'D)  
 (gently, for Leah)  
 It's different.

Leah stares at him. It seems like she wants to say more. But the moment is interrupted by the DOORBELL.

INT. NICK'S LIVING ROOM - NIGHT

Simon and Leah enter as Nick and Abby come upstairs.

NICK  
 Who's that?

SIMON  
 I invited Martin.

ABBY  
 Martin Addison?

NICK  
 Why?

SIMON  
 (barely selling it)  
 He's cool.

Simon opens the door to reveal Martin wearing one of his iconic pun shirts (this one says I'M A FUNGI with a picture of a MUSHROOM IN SUNGLASSES.) He's not even cool adjacent.

MARTIN  
 Evening, Spier. Ready to party?

Simon stares at Martin's shirt, perturbed.

INT. / EXT. LEAH'S CAR / SHADY CREEK STREETS - NIGHT

Leah drives with Simon riding shotgun. Abby is sandwiched between Nick and Martin in the back. She scrolls through Spotify on her phone.

NICK  
 Would you just pick a song already!

ABBY  
 (laughing)  
 It's hard! There are so many choices.

Martin sees an opening to connect with Abby...

MARTIN  
 You should see me try and choose a film on Netflix.  
 (MORE)

MARTIN (CONT'D)

Am I feeling like Apatow or am I in a Billy Wilder mood? Not like you have to be in a mood for the genius of Billy--

NICK

(ignoring Martin)

Just put on Drake! You're black, I've been to Canada. A little something for everybody.

Abby laughs. As they continue to flirt, Martin mumbles to himself.

MARTIN

...sometimes if I can't decide I watch *Knocked Up* and *Sunset Boulevard*.

Simon shakes his head. This is not going well for Martin.

EXT. BRAM'S STREET - NIGHT

Everyone gets out of the car and walks toward Bram's. As the gang charges towards the party, Martin pulls Simon aside.

MARTIN

What the hell, Spier? Nick won't stop flirting with Abby.

SIMON

I don't know what to tell you.

MARTIN

(annoyed)

Tell me you'll make him stop.

SIMON

How am I supposed to--

But Martin is already hurrying after Abby. Simon sighs.

INT. BRAM'S HOUSE - NIGHT

A who's who of the Junior class dancing, flirting, and drinking very cheap flavored vodka.

Simon, Nick, and Leah enter trailed by Martin who regales Abby with more hyper-specific conversation:

MARTIN

...but I think Gilda Radner was the greatest SNL member of all time.

ABBY  
 (polite)  
 Wow, you know a lot about sketch  
 comedy.

Abby spots a friend across the party.

ABBY (CONT'D)  
 Chloe, hi!

Abby takes Leah's hand and drags her away with her. Martin  
 considers for a moment. Then he follows after the girls.

Bram approaches Simon and Nick. Simon automatically smooths  
 down his hair nervously.

NICK  
 This party is crazy!

BRAM  
 I know. I invited like fifteen  
 people. And then Garrett invited  
 the rest of the school. I think  
 most of these people think we're at  
 his house.

ACROSS THE ROOM, a drunk Garrett karaokes to Beyoncé.

GARRETT  
*What's worse, looking jealous or  
 crazy? Jealous or crazy?*

RANDOM KID  
 Great party, Garrett!

GARRETT  
 Thanks, Benji!

BACK ON Simon, Nick, and Bram:

NICK  
 How about a shot? To your party.

SIMON  
 And your aunt finding a man who  
 isn't a con artist.

Bram smiles. Nick grabs a bottle of FIREBALL WHISKEY and  
 pours TWO SHOTS, assuming Simon doesn't want one.

SIMON (CONT'D)  
 Uh, I'll have one too.

NICK  
 (surprised)  
 Really? You couldn't even finish a  
 glass of Manischewitz at Leah's  
 seder.

SIMON  
 Just give me the shot, Nick.

BRAM  
 I've found it helps not to breathe  
 through your nose until it's all  
 the way down. Then you pretend you  
 loved it and go "whooo!"

Simon nods, grateful for Bram's candor. Nick hands Simon a  
 shot glass. They all down their shots. There's a CRASH in  
 the next room.

BRAM (CONT'D)  
 Oh god, I hope that wasn't one of  
 my mom's porcelain owls. She does  
 not have a sense of humor about  
 those.

He hurries into the crowd. Simon stares after him.

EXT. BRAM'S BACKYARD - NIGHT

Simon and Nick step out onto a deck overlooking PARTYGOERS in  
 the yard below.

Nick can't take his eyes off of Abby, who whips and nae naes  
 with a group of GIRLS. Including Leah, who awkwardly snaps  
 her fingers to the music, trying her best to cut loose.

NICK  
 Abby is so hot it's insane.

SIMON  
 Yeah, she's... unstoppable.

Suddenly, Nick looks worried.

NICK  
 Wait, you're not, like, into her,  
 are you?

SIMON  
 Nah. She's hot but she's not, uh,  
 my type.  
 (then, quickly)  
 Not because she's black. I love  
 black women.

(MORE)

SIMON (CONT'D)

Not like, I have a thing for black women. I just love all women.

Simon grimaces at his awkwardness. But Nick doesn't notice.

NICK

The other day, she missed her bus to stay and help me make a list of all the colleges that have soccer scholarships. And she's the only person whose eyes don't glaze over when I recap my dreams.

(resolved)

I'm gonna ask her out.

*Shit.* Simon glances down at Martin, desperately trying to dance with Abby. She's focused on her circle of girlfriends and has no idea that he's even there.

Simon can't let Nick get in the way of Martin's pursuit of Abby. So...

SIMON

You can't ask Abby out.

NICK

(surprised)

Why not?

SIMON

Because...

Simon racks his brain for a reason. Unfortunately, the only one he can think of is a lie.

SIMON (CONT'D)

Look. At her old school, Abby had kind of a reputation.

NICK

What kind of reputation?

SIMON

For being... experienced. She hooked up with a ton of guys.

NICK

Oh. I didn't know that.

SIMON

And have you seen her old Facebook photos?

(MORE)

SIMON (CONT'D)

It's like everyone at that school was a seven foot tall black dude. So she probably has very high standards... sexually.

NICK

But I've only had sex once.

SIMON

(meaningfully)

I know.

NICK

And I could barely figure out where my dick went.

SIMON

(gravely)

I know.

NICK

I mean, I knew where it went, but no one tells you how dark it's gonna be. Or how slippery everything gets. And how parts that you think are the right parts are actually the other parts. And then by the time I figured it out, it was over.

SIMON

I think she's used to guys who know which parts are the right parts.

NICK

(hating himself)

I don't blame her.

SIMON

Don't tell her I told you about how many guys she's been with, okay? She'd be super embarrassed.

NICK

Yeah, of course.

(overwhelmed)

I'm gonna go get another drink.

Simon watches Nick go, then glances down at Abby, happily dancing. He feels like shit.

EXT. BRAM'S BACKYARD - LATER

Simon comes down from the deck onto the lawn where Bram is setting up a BEER PONG TABLE with Abby.

BRAM  
Abby says it's not a real party  
until there's beer pong.

ABBY  
That's right. Words to live by.

BRAM  
You wanna play?

SIMON  
Sure.

BRAM  
Cool. We need one more.

SIMON  
Hey. How about you and me versus  
Abby and...  
(fake scans the crowd)  
Martin. Martin, come over here!

ABBY  
No, don't--

But it's too late. Martin bounds over.

SIMON  
Martin, you're on Abby's team.

Abby shoots Simon an annoyed look. Simon gives an innocent shrug.

ABBY  
Have you ever even played beer pong  
before?

MARTIN  
Totally.

ABBY  
(to everyone, no BS)  
Great. No blowing, two re-racks,  
two balls in one cup means you  
drink three. Cool?

MARTIN  
Actually, I was thinking of a  
different game. I've never played.

BRAM  
 (gently)  
 We'll explain as we go.

ABBY  
 (not gently)  
 Simon and Martin, shoot to decide  
 who goes first. You can't break  
 eye contact. Whoever gets their  
 ball in wins.

Bram hands Simon and Martin each a ping pong ball. He pats  
 Simon on the back, his hand lingering on his shoulder.

BRAM  
 You got this.

Simon turns from the adorable soccer player to face the nerd  
 threatening to ruin his life. He is DETERMINED TO WIN THIS  
 SHOOT OFF. Simon focuses, aims, tosses, and...

GETS HIS BALL IN A CUP!

Martin's ball meanwhile flies across the yard in the complete  
 wrong direction, hitting a--

PARTYGOER  
 Ow, what the hell!

MARTIN  
 Sorry!

SIMON  
 I got it in!

BRAM  
 I saw!

And with this, MUSIC KICKS IN for a SEQUENCE intercutting  
 Simon's beer pong game with moments of Simon thriving at the  
 party, emerging from his shell a bit, and getting DEEE-RUNK.

EXT. BEER PONG TABLE - NIGHT

Simon shoots and gets a ball in a cup. He's a natural!

BRAM  
 Drink, Martin!  
 (to Simon)  
 We need a handshake.

SIMON  
 We do need a handshake!

EXT. BRAM'S BACKYARD - NIGHT

Simon does Big Sean's rap from Justin Bieber's "As Long As You Love Me" for a crowd of KIDS. He is surprisingly good.

SIMON

*Now we on top of the world,  
'Cause that's just how we do.  
Used to tell me sky's the limit  
Now the sky's our point of view!*

EXT. BEER PONG TABLE - NIGHT

Bram gets a ball in a cup. They do an elaborate handshake they've apparently just made up.

MARTIN

Should we have a handshake too?

ABBY

You get one ball in, we'll make up a handshake.

EXT. BRAM'S BACKYARD - NIGHT

Simon grabs Leah and pulls her onto the grass where a bunch of kids are dancing. She gives in and starts actually having fun.

EXT. BEER PONG TABLE - LATER

Bram gets in a shot and Martin has to chug a beer. He sways a little, already kind of drunk.

ABBY

Do you want me to drink for you?

MARTIN

(trying for swagger)  
I can hold my own, kiddo.

He THROWS the ball.

SPECTATOR

It's not your turn, Mar-tard!

EXT. BRAM'S BACKYARD - NIGHT

Simon watches as Bram surveys the snack table then pops a REESE'S PEANUT BUTTER CUP into his mouth. Simon is feeling like Bram is totally Blue.

EXT. BEER PONG TABLE - LATER

Simon and Bram have one cup to go. Simon is up. If he makes the shot, they win.

BRAM  
You got this.

Simon takes a deep breath, focuses, and shoots the ball. And he gets it in!

BRAM (CONT'D)  
Yes!

Simon and Bram share a quick victory hug. Simon is totally feeling their chemistry.

BRAM (CONT'D)  
I'm gonna go make us victory drinks. Be right back.

Bram heads inside. A wasted Martin approaches Simon.

MARTIN  
I think tonight is going well. She didn't want to see my ventriloquist act but that actually works out because I don't have my dummy with--

Before Martin can finish, he BARFS all over. A little of it splatters on Simon's shoes.

SIMON  
Damn it, Martin.

INT. BRAM'S HOUSE - UPSTAIRS HALL - NIGHT

Simon carries his barf-covered shoes as he drunkenly searches for the bathroom door. He opens it. Except it isn't the bathroom. It's a...

INT. BEDROOM - NIGHT

...where Bram is making out with a HOT SOPHOMORE GIRL, who is aggressively unzipping his pants. Bram starts to unhook her bra.

Simon stands there in shock. Bram looks up, notices Simon.

SIMON  
I, uh-- sorry. Bathroom. Bye.

Simon slams the door shut. He sighs. Guess Bram wasn't Blue after all. Fuck.

EXT. BRAM'S YARD - NIGHT

A spent Simon comes outside to find Martin passed out, Nick sitting alone spiraling about his lack of sexual experience, and Abby dancing with Garrett and Leah. Simon approaches.

ABBY

No, that is definitely not it.

GARRETT

(spastically dancing)

Simon, tell them that this is the Macarena.

SIMON

I got thrown up on. Can we go home?

EXT. SIMON'S HOUSE - NIGHT

Abby and Simon say goodbye to Leah who is in her car.

SIMON

Thanks for the ride.

ABBY

See you Monday, babe.

Abby and Simon approach Simon's front door. A light is still on in the living room.

SIMON

Oh god. I think my parents are still up. Do I seem drunk?

Simon struggles not to sway.

ABBY

Yes. Just stand strong, like a tree. And think of something sad. Like that documentary about how all the whales hate living at Sea World.

SIMON

I can't think about that. Too sad.

ABBY

Exactly. And here.

Abby takes a JAR OF PEANUT BUTTER out of her purse, scoops a dollop out with her finger and offers it to Simon.

SIMON

Uh, no thanks?

ABBY

It's to cover up the booze on your  
breath. Which right now smells  
like my Uncle Lester when the  
Braves lose a game. Or win a game.

Simon takes a scoop. Through a mouthful of peanut butter:

SIMON

You're my smartest friend. You  
should get an award. For  
outstanding friendship smartness  
and intelligence.

Abby wipes a glob of peanut butter from Simon's upper lip.

ABBY

Let me do the talking, 'kay?

INT. SIMON'S HOUSE - NIGHT

Simon and Abby enter. Denise and Jack are watching a movie.

DENISE

Hi, guys. How was the party?

ABBY

Great.

Denise sniffs the air.

DENISE

Why does it smell like peanut  
butter?

SIMON

(drunk/guilty)

What? No, it doesn't! Maybe  
you're having a stroke.

ABBY

Okay, good night! Thanks for  
letting me stay over!

Abby drags Simon out of the room. Once they're gone:

DENISE

He's a little drunk, right?

JACK

Definitely. But he didn't drive  
and he made it home by curfew. So  
I'd say we're killing it.

Denise nods in agreement. Then:

DENISE

Do you think we should have Abby  
sleep on the couch?

JACK

Nah, there's nothing to worry  
about. She's way out of his  
league.

Denise gives Jack a shove.

INT. SIMON'S ROOM - NIGHT

Abby snores soundly on a sleeping bag on the floor. Simon is  
in bed, wide awake, mind reeling. He takes out his iPhone  
and opens a new e-mail.

He begins to type quickly, the words pouring out of him:

SIMON (V.O.)

Dear Blue, I've been thinking about  
why I haven't come out yet. Maybe  
it's because it doesn't seem fair  
that only gay people have to come  
out. Why is straight the default?

Simon stares over at Abby, sleeping peacefully. He imagines  
a SEQUENCE of his best friends "coming out"...

CUT TO:

INT. ABBY'S APARTMENT - DAY (SIMON'S FANTASY)

Abby approaches her MOM, who is drinking coffee at the  
kitchen counter.

ABBY

Mom, there's something I have to  
tell you.

Abby's Mom looks alarmed.

INT. NICK'S HOUSE - DAY (SIMON'S FANTASY)

Nick approaches his PARENTS, watching television the couch.

NICK

Guys. Um, can we talk?

Nick's Mom shuts off the TV, concerned.

INT. LEAH'S HOUSE - DAY (SIMON'S FANTASY)

Leah eats dinner with her ENTIRE FAMILY. She taps on her GLASS to get them to quiet down:

LEAH  
There's something I need to say.

QUICK CUTS as Leah, Nick, and Abby, "come out."

INT. ABBY'S HOUSE - DAY (SIMON'S FANTASY)

ABBY  
I'm straight.

Abby's Mom BURSTS INTO TEARS. She crosses herself.

INT. NICK'S HOUSE - DAY (SIMON'S FANTASY)

NICK  
(deep breath, then)  
I like girls.

Nick's Mom takes Nick's Dad's hand.

INT. LEAH'S HOUSE - NIGHT (SIMON'S FANTASY)

LEAH  
I have a crush on Nick. Because...  
I'm into guys.

Leah's family looks STUNNED. Leah's Dad walks out of the room, furious. Leah hangs her head, devastated.

BACK TO REALITY:

INT. SIMON'S ROOM - NIGHT

Simon continues writing to Blue.

SIMON (V.O.)  
Or maybe it's because I'm tired of  
coming out. I keep changing in all  
these tiny ways.

CUT TO:

INT. CREEKWOOD HIGH SCHOOL - CAFETERIA - DAY (FLASHBACK)

Simon introduces Abby to Leah and Nick for the first time.

SIMON (V.O.)  
I make a new friend.

INT. BRAM'S PARTY - EARLIER THAT NIGHT (FLASHBACK)

Simon takes his first shot of Fireball.

SIMON (V.O.)  
I get drunk.

INT. SIMON'S ROOM - DAY (FLASHBACK)

Simon locks his bedroom door.

SIMON (V.O.)  
I start locking my door so I can  
fantasize about someone I've never  
even met.

He lies on his bed and slides his hand down his pants.

BACK TO:

INT. SIMON'S ROOM - NIGHT

Simon continues his e-mail:

SIMON (V.O.)  
And every single time, I have to  
reintroduce myself to the world all  
over again.

Simon takes a moment to consider. Then, he keeps writing:

SIMON (V.O.)  
There's not that much of high  
school left.

INT. / EXT. SIMON'S CAR / CREEKWOOD HIGH - DAY (FLASHBACK)

Simon, Nick, and Leah drive into school with iced coffees, their classic morning routine. They laugh and joke with the ease of lifelong friends.

SIMON (V.O.)  
And part of me wants to hold on to  
who I've always been, just a little  
longer.

INT. DORM ROOM - DAY (SIMON'S FANTASY)

Simon's ROOMMATE hangs a sexy EMILY RATAJKOWSKI POSTER above his bed.

SIMON (V.O.)  
And then in college, I'll be gay  
and proud, I promise.

Simon hangs a MICHAEL ANGELAKOS PASSION PIT POSTER above his bed.

BACK TO:

INT. SIMON'S BEDROOM - NIGHT

Simon finishes writing to Blue.

SIMON (V.O.)  
Not sure who I'm promising. You?  
The universe? Myself? I'll keep  
ruminating. Love, Jacques.

Simon hits SEND. After a moment, he panics. He reviews his message, and there it is in front of him: "Love, Jacques." He closes his e-mail.

SIMON  
(terrified)  
Oh god.

INT. CREEKWOOD HIGH SCHOOL - AUDITORIUM - DAY

The cast mills about onstage, waiting for rehearsal to begin.

TAYLOR  
-- and then for New Year's, we fly  
to Kauai! But don't worry, I'm  
going to wear so much sunscreen. A  
tan Oliver would completely ruin  
the integrity of our production.  
Anyone else doing Christmas to  
Hawaii?

Abby stares daggers at Taylor.

CAL  
I'm going to an unheated vacation  
house in the middle of nowhere. As  
is my bleak family tradition.

SIMON  
I'm staying here. Alice is coming  
home from--

MARTIN  
(approaching.)  
Simon, can I talk to you?

Simon's heart sinks.

SIMON  
-- College.

He reluctantly steps away to talk to Martin.

MARTIN

I got nowhere with Abby at Bram's party!

SIMON

Well, maybe you shouldn't have worn your "I'm A Fungus" t-shirt.

MARTIN

Fungi! Like fun guy.

SIMON

I got it, Martin. Nobody wants to have sex with a pun.

Martin is starting to get worked up.

MARTIN

Stop joking around, man! I don't want to leak those e-mails, but I will. And I know you don't want the whole school learning that you and your internet boyfriend have crushes on Jon Snow.

Simon freezes.

SIMON

You can't drag Blue into this. He's really private.

Martin avoids eye contact. He clearly feels guilty, but not guilty enough to take back the threat.

SIMON (CONT'D)

(panicking)

You don't understand. If you posted our e-mails he'd be so freaked out. He'd never talk to me again.

Before Martin has a chance to respond, Abby approaches with her *Oliver* script. She has no idea she's walking into such a loaded moment.

ABBY

I cannot memorize all my *Oliver* lines. The Artful Dodger never shuts the hell up.

(off their weird looks)

What's wrong with you two?

Simon takes a beat. Then:

SIMON

Martin's having trouble learning his part too. Why don't we all go to Waffle House later this week and run lines?

ABBY

Really? That'd be great!

MARTIN

I'm insky.

Abby heads off. Once she's gone:

MARTIN (CONT'D)

Nice work, Spier.

SIMON

(cold)  
Go to hell, Martin.

Simon walks backstage, anxious to get away from Martin. He takes out his phone. He has a new e-mail from Blue. We hear it read in the anonymous voice Simon imagined, before he suspected Blue was Bram:

BLUE (V.O.)

Jacques, I know what you mean about wanting to wait till college.

EXT. CREEKWOOD HIGH SCHOOL - FRONT STEPS - LATER THAT DAY

Simon heads towards his car, a dazed look on his face.

BLUE (V.O.)

I've got a pretty good thing going as closeted me. Can't I just hold on a little longer?

(beat)

And you're right, it's not fair that straight people get to go about their lives without thinking twice.

Simon passes a straight couple MAKING OUT passionately. Nobody pays them any attention.

BLUE (V.O.)

They should definitely have to come out. As straight. I guess this is our version of the Homosexual Agenda? Love, Blue.

Simon takes out his phone. He opens up the same e-mail we just heard. There it is in black and white: "Love, Blue."

He stares at the words, terrified of losing Blue.

INT. WAFFLE HOUSE - DAY

Simon and Abby grab a booth.

SIMON  
(scanning)  
I guess Martin's not here yet.

ABBY  
Um, not to be a bitch, but why are we hanging out with Martin so much lately?

SIMON  
I like him. He marches to the beat of his own drum.

ABBY  
I bet the drum has a bad pun on it.  
(then)  
Sooo, while we're waiting... what do you think about Nick?

SIMON  
What do you mean?

ABBY  
Like, do you think Nick is... cool?

Simon knows where this is going. And he wants no part of it.

SIMON  
(too sharp)  
Of course I think he's cool. If I didn't, why would I be friends with him?

Abby shoots him a weird look.

ABBY  
Uh, okay, sorry. I guess what I'm trying to ask is, do you think he's worthy of the new girl in school crushing on him? Just a little?

Simon stiffens. He's going to have to play defense to keep Nick and Abby apart. Again.

SIMON  
No. You should not get with Nick.

ABBY  
(deflating)  
Really? Why not?

SIMON  
Because...  
(lying)  
Nick's bad to women.

ABBY  
What?

SIMON  
Not like Chris Brown bad. He's  
just immature. And selfish.

ABBY  
Really? How?

SIMON  
(thinks, then)  
He had a serious girlfriend before  
you moved here. And he cheated on  
her.

ABBY  
He did?

SIMON  
Yeah. She was crazy about him.  
And he slept with someone else.

ABBY  
I mean, that's shitty... but we're  
in high school. Stuff like that  
happens.

SIMON  
The girl he slept with was his  
girlfriend's cousin.

ABBY  
Oh my god.

SIMON  
I know. She came to visit for the  
summer. From Maine.

ABBY  
Well, maybe he really liked her?

SIMON  
 (getting frustrated)  
 No. He didn't. That's the worst part. He just kept saying, "How cool would it be if I banged cousins?"

ABBY  
 That's really effed up.

SIMON  
 Yeah.

ABBY  
 It doesn't sound like him at all.

SIMON  
 You can't say anything to Nick. He'd be so mad if he knew I told you.

ABBY  
 I won't. I promise.

They sit in unpleasant silence for a moment. Simon feels like shit. Then, Martin enters wearing a NON-PUNNY POLO SHIRT and some PRODUCT in his hair.

MARTIN  
 Sorry I'm late.

ABBY  
 Hey. Nice shirt.

Martin immediately turns beet red and gets so weird.

MARTIN  
 Oh, really? I don't know. I'm just trying something.

Abby smiles, a little charmed by Martin's awkwardness. Their waiter, LYLE (17, cute), approaches.

LYLE  
 Hey guys, what can I get you?

MARTIN  
 Hey, Lyle.  
 (to Simon and Abby)  
 Do you guys know Lyle? We have Latin together.

ABBY  
 Don't think so.

SIMON  
 How's it going?

LYLE  
 (to Simon)  
 Actually, we had Bio together last year.

SIMON  
 Oh, sorry.

LYLE  
 That's okay. It was a big class. I have a good memory for faces.

SIMON  
 I don't. One time I asked Jake Gyllenhaal for Toby Maguire's autograph. He said no.

LYLE  
 (smiles, then)  
 I'm going to seem like a total stalker, but I'm guessing you want a banana strawberry waffle with whipped cream and chocolate chips?

Simon is surprised: clearly Lyle has REALLY noticed him. Could he be into guys?

SIMON  
 Yeah. I do.

LYLE  
 I've waited on you before. And it's kind of a memorable order.

SIMON  
 Because I order like a four-year-old destined for diabetes?

LYLE  
 (laughing)  
 No. You order like someone who knows what he wants.

Simon smiles at Lyle and imagines...

CUT TO:

INT. BLUE'S BEDROOM - DAY (SIMON'S FANTASY)

The same navy blue bedroom we've seen our faceless Blue writing e-mails in.

Except now the door opens and LYLE ENTERS, taking off his Waffle House vest.

BACK TO REALITY:

INT. WAFFLE HOUSE - DAY

Simon stares at Lyle as he writes down their order, wondering if he could be Blue.

INT. WAFFLE HOUSE - LATER

We're mid-meal. Abby and Martin run Oliver lines. Simon keeps casually glancing over at Lyle, waiting tables.

ABBY  
(as Artful Dodger)  
Fagin, this is my new friend,  
Oliver Twist.

Simon checks the script and gives her a thumbs up. Martin stares dreamily at Abby.

SIMON  
It's your line, Martin.

MARTIN  
(ignoring him)  
That's a great British accent. You  
sound like Audrey Hepburn.

ABBY  
Thanks. Do you need Simon to give  
you your line?

MARTIN  
(ignoring her)  
Have you ever been to London?

ABBY  
Nope. Simon, maybe you should give  
him--

MARTIN  
You're from D.C., right?

ABBY  
Mhmm. Let's try not to lose--

MARTIN  
That's awesome. What part?

ABBY

What's with the third degree,  
Martin? You writing a book about  
black girls from D.C.?

MARTIN

(faux offended)

I'm naturally inquisitive. My mom  
says it's one of my best qualities.

Abby can't help but smile at Martin.

ABBY

Not sure your mom is the most  
reliable source.

MARTIN

Are you calling Janet Addison a  
liar? Because that's blasphemy,  
she is a phenomenal judge of  
character.

Abby laughs and grabs a french fry off Martin's plate.

Simon watches, pleasantly surprised. It's not exactly  
sexually charged but maybe Martin isn't totally hopeless?

Simon notices Lyle standing outside on his break and decides  
to take advantage of the opportunity.

SIMON

Be right back.

EXT. WAFFLE HOUSE - MOMENTS LATER

Simon steps outside to find Lyle finishing up something on  
his phone. Simon musters up his courage and approaches.

SIMON

So, were you in Bio the day we  
performed the "identifying leaves"  
test?

Lyle looks up from his phone.

LYLE

Oh my god, yes. And Joel Winslow  
ate the poison ivy?

SIMON

Yes! Because Doug Fogerty told him  
it was pot.

Lyle laughs.

LYLE

I should get back to disinfecting  
the waffle irons.

(off Simon's look)

It's not as bad as it sounds.  
Actually, it is.

(then)

If you don't remember me the next  
time we meet I'm going to take it  
personally.

They share a smile and Lyle heads in. Simon takes out his  
phone and notices he has a new e-mail. Blue.

CUT TO:

EXT. WAFFLE HOUSE - MINUTES EARLIER (FLASHBACK)

We're back to moment ago, when Simon stepped outside and saw  
Lyle finishing something on his phone. Could he have been  
typing this very e-mail?

BACK TO:

EXT. WAFFLE HOUSE - AS WE WERE

Simon starts to read the e-mail, imagining Lyle's voice  
narrating it.

LYLE (V.O.)

So my dad's flying in tonight for  
Chanukah. Did I mention my parents  
are divorced and I'm half-Jewish?

CUT TO:

EXT. CRAPPY HOTEL - DAY (SIMON'S FANTASY)

A BEAT UP CHEVY pulls into the parking lot of this low-rent  
hotel. LYLE'S FATHER (40's) gets out of the car, takes in  
the hotel and sighs.

LYLE (V.O.)

My dad is staying at the same  
crappy hotel as always. And we'll  
do all our horribly awkward  
traditions.

INT. CRAPPY HOTEL ROOM - NIGHT (SIMON'S FANTASY)

Lyle's Father opens the front door to let in Lyle. He steps  
into the room and the two men share an awkward hug.

INT. CRAPPY HOTEL ROOM - LATER (SIMON'S FANTASY)

Lyle watches as his dad makes a big show of PRETENDING TO LIGHT A MENORAH.

LYLE (V.O.)  
 We'll mime lighting the menorah.  
 We won't actually light it because  
 that could set off the smoke  
 detector.

INT. CRAPPY HOTEL ROOM - LATER (SIMON'S FANTASY)

Lyle sits in front of a bunch of WRAPPING PAPER, having just unwrapped seven VERY LACKLUSTER GIFTS.

LYLE (V.O.)  
 And then I'll open all eight  
 presents. Because this is the only  
 night of Chanukah we'll actually  
 spend together.

He finishes unwrapping the last one... a pair of BOXERS with bottles of HOT SAUCE on them. He feigns enthusiasm.

LYLE (V.O.)  
 The only thing worse than how much  
 I hate the gifts my dad gives me is  
 how much he hates the gifts he  
 gives me.

His dad shrugs and winces.

LYLE (V.O.)  
 Would you believe I'm actually  
 considering doubling down and  
 turning this awkward mess into a  
 coming out thing? Something about  
 him living across the country makes  
 me feel like I can tell him without  
 blowing up my entire world.

Lyle puts down the boxers. He takes a deep breath and stares his dad straight in the eyes.

LYLE (V.O.)  
 Do you think I'm crazy? Love,  
 Blue.

BACK TO REALITY:

EXT. WAFFLE HOUSE - DAY

Simon responds immediately:

SIMON (V.O.)  
 No, Blue. I don't think you're  
 crazy. I think you're brave as  
 fuck. Love, Jacques.

INT. / EXT. ABBY'S CAR / SHADY CREEK STREETS - DUSK

Abby drives as Simon sits shotgun. He's deep in thought as Abby rambles on about Martin.

ABBY  
 (thoughtful)  
 Y'know, Martin's not that bad. But  
 we didn't get anything done. He  
 was too busy asking how being a  
 child of divorce informed my ideal  
 romantic partner...

As Abby continues her rant about Martin, we...

CUT TO:

INT. CRAPPY HOTEL ROOM - NIGHT (SIMON'S FANTASY)

Lyle and his dad sit on the foot of the bed. Lyle takes a deep breath and tells his dad he's gay. His dad nods as the enormity of Lyle's words sink in.

BACK TO:

INT. / EXT. ABBY'S CAR / SHADY CREEK STREETS - DUSK

And something about imagining this is making Simon practically burst...

ABBY  
 Maybe if I try recording my *Oliver*  
 lines and listening to them while I  
 sleep--

SIMON  
 Abby!  
 (beat, then)  
 I'm gay.

ABBY  
 Oh.

They drive for a moment. Simon begins to panic at the enormity of what he's just done:

SIMON  
 You can't tell anyone. No one else  
 knows--

Abby pulls over. They're quiet for a moment.

ABBY  
So this is the first time you've  
told anyone?

Simon nods.

ABBY (CONT'D)  
I'm honored.

SIMON  
Are you surprised?

ABBY  
(thinks, then)  
No.

SIMON  
So you knew?

ABBY  
No.

SIMON  
But you're not surprised?

ABBY  
(gently)  
Do you want me to be surprised?

SIMON  
I don't know.

ABBY  
What are you going to do now? Are  
you going to tell more people?

SIMON  
I don't know.

ABBY  
Okay, well, I love you.

And there's nothing else to say. They stare at each other a moment longer. Abby smiles at him then begins to drive again. Simon brushes away tears.

INT. SIMON'S LIVING ROOM - NIGHT

Simon enters to find his parents cuddled up, reading.

DENISE  
Hey, Si.

JACK  
How was your day, buddy?

Simon considers the enormity of his day. But all he says is:

SIMON  
It was fine.

They smile at him then go back to reading.

Simon lingers, staring at the OLD FRAMED FAMILY PHOTOS on the piano.

It all seems like a simpler time. And one that seems further away with every passing second.

As he exits, we hear his next e-mail to Blue:

SIMON (V.O.)  
Dear Blue, I hope it goes okay with your dad. Whatever happens, you inspired me.

EXT. SIMON'S BACKYARD - NIGHT

Simon lies in the hammock, writing to Blue on his phone:

SIMON (V.O.)  
I came out to my friend tonight. I never would have done it without you.

Simon considers for a moment. He's buzzing with adrenaline and excitement and he can't help but add...

SIMON (V.O.)  
Maybe we should ride this bravery train and reveal our identities. I'm dying to know who you are. Love, Jacques.

INT. SIMON'S ROOM - MIDDLE OF THE NIGHT

Simon is asleep. Then, the unmistakable NEW E-MAIL BING on his phone. Simon checks his e-mail and reads Blue's new message:

LYLE (V.O.)  
I told my dad. It was insanely awkward. But in the end, it went well.

(MORE)

LYLE (V.O.) (CONT'D)  
 We even decided to throw caution to  
 the wind and light the menorah for  
 real.

CUT TO:

INT. CRAPPY HOTEL ROOM - NIGHT (SIMON'S FANTASY)

Lyle's Dad lights the Chanukah candles with a Bic.

LYLE (V.O.)  
 That went less well.

The SPRINKLERS in the room turn on, dousing Lyle and his dad  
 with water.

BACK TO REALITY:

INT. SIMON'S ROOM - NIGHT

Simon smiles, continues reading:

LYLE (V.O.)  
 Also, you've got it backwards.  
 It's you who inspired me.  
 (beat)  
 But, I'm sorry. I'm just not ready  
 for us to know each other's  
 identities. Love, Blue.

Simon's smile fades as he comes crashing back to earth.

Then, he notices he has TWO UNREAD TEXTS: one from Martin,  
 one from Abby. He opens Martin's first.

CUT TO:

INT. MARTIN'S ROOM - NIGHT (SIMON'S FANTASY)

Martin addresses the camera, relaying her text message out  
 loud:

MARTIN  
 Great job orchestrating today's  
 hang. I feel like Abby and I were  
 really vibing. Keep up the good  
 work and maybe your secret will  
 stay in the closer.  
 (then)  
 Sorry, autotype. Closet.

BACK TO REALITY:

INT. SIMON'S ROOM - NIGHT

Simon looks worried. Then, he opens Abby's text.

CUT TO:

INT. ABBY'S ROOM - NIGHT (SIMON'S FANTASY)

Abby sits on her bed in PJS. She speaks directly to camera:

ABBY

You coming out made me think. Life is short. Don't care about Nick's past. Gonna tell him how I feel. Heart emoji, nervous emoji. Sorry for late night text. XX.

She BLOWS TWO KISSES to the camera.

BACK TO REALITY:

INT. SIMON'S BEDROOM - NIGHT

Simon stares at his phone, very worried.

SIMON

Shit.

Off Simon, desperate to protect his relationship with Blue...

INT. CREEKWOOD HIGH SCHOOL - THE NEXT DAY

Nick closes his locker door and is startled to find Simon standing right it.

NICK

Ahh! God, ever since that sinus surgery you're such a quiet breather.

Nick and Simon start walking to class.

SIMON

I figured out your dream.

NICK

Huh?

SIMON

Putting in your contacts backwards. I figured out what you can't see that's right in front of you.

NICK

Oh, yeah. That was a good one.  
But not as good as the one I had  
last night. I'm playing goalie for  
Atlético Madrid, and Lionel Messi  
is about to shoot on me when I  
realize there's a heart shaped hole  
in my shorts and my balls are  
hanging out-

SIMON

Shut up!  
(then)  
I figured out what you can't see  
that's right in front of you.

NICK

What?

SIMON

Leah.

NICK

What about her?

SIMON

She's who you really want to be  
with.

NICK

Uh, wouldn't I know if I wanted to  
be with Leah?

SIMON

No. Because you're too close to  
it. You've been best friends so  
long that you can't see what's  
right in front of you.

NICK

(doubtful)  
I don't think so-

SIMON

Of course! It's always been Leah.  
Abby was just your way of  
distracting yourself because you're  
scared to go for it with Leah.

NICK

I dunno, the Abby thing feels real.  
And I've been thinking, the sexual  
experience thing isn't really that  
big a deal.

(MORE)

NICK (CONT'D)  
 (drops voice to whisper)  
 I've actually been practicing. I  
 got this thing on the internet  
 called a pocket puss--

SIMON  
 (blurting out)  
 Abby likes Martin!

NICK  
 What? Martin Addison? No way.

Simon takes a breath. Time for some more lying.

SIMON  
 I know. I was surprised too, but  
 they've been spending a ton of time  
 together at rehearsals. She likes  
 how quirky he is.

NICK  
 Wow.  
 (then)  
 But Martin definitely isn't good at  
 sex!

SIMON  
 I heard he learned a ton from some  
 divorced woman. On a family  
 cruise.

Nick looks disgusted as they stop outside his classroom.

SIMON (CONT'D)  
 Just promise me you'll think about  
 asking Leah out. You're the one  
 who's always saying the  
 subconscious works in mysterious  
 ways.

NICK  
 (unsure)  
 I do say that.

Nick heads into his class, lost in thought. Off Simon,  
 feeling like the biggest shit heel in the world...

INT. CREEKWOOD HIGH SCHOOL - HALLWAY - LATER

Simon shuts his locker door to find Leah standing behind it,  
 à la Simon in the previous scene.

SIMON  
 Ahh!

LEAH  
 (uncomfortable)  
 So... Nick asked me to have dinner  
 before the Christmas homecoming  
 game.

Simon feigns ignorance.

SIMON  
 Uh, okay?

LEAH  
 No, you don't understand. He was  
 like, "Do you want to have dinner?"  
 And I was like, "Sure, are Abby and  
 Simon in?" And he was like, "I was  
 thinking it could be just the two  
 of us. Like... a date."

SIMON  
 Oh. Wow. This is amazing!

LEAH  
 It is?

SIMON  
 I mean, isn't it? I know you're  
 into him.

Leah looks surprised. Like she didn't realize Simon knew that.

SIMON (CONT'D)  
 Come on, Leah. I'm your best  
 friend. I see things. And I've  
 always thought you guys would be  
 great together.

LEAH  
 Really?

SIMON  
 Of course. You were born two weeks  
 apart, you grew up across the  
 street from each other, your middle  
 names are both Alex. You guys are  
 one tragic boating accident away  
 from being a Nicholas Sparks movie.

Simon sees that Leah still looks very unsure. And he's pretty sure he knows why...

SIMON (CONT'D)

(gently)

I know you haven't really dated before. But you have nothing to be worried about. It's Nick.

Leah finally manages a nervous:

LEAH

Okay, then. I guess I'll say yes.

SIMON

I'm so psyched for you guys.

Simon gives her a hug, praying that he hasn't set Leah up to get her heart broken by the guy she's in love with...

EXT. CREEKWOOD HIGH SCHOOL - FOOTBALL FIELD - NIGHT

Creekwood's Christmas-themed homecoming is a real spectacle:

The MARCHING BAND plays a horn version of "All I Want For Christmas Is You".

CHEERLEADERS form a very impressive Christmas tree (okay, it's a pyramid, but they're holding ornaments!).

STUDENTS chow down on pulled pork and apple cider from a collection of food trucks.

And the CREEKWOOD GRIZZLY BEAR MASCOT chases the ALMONT ARCHER (a guy dressed as a giant foam bow and arrow) across the field.

Simon and Abby take in the scene.

ABBY

Why is the Almont Archer mascot a giant bow and arrow? Shouldn't it be an archer?

SIMON

It used to be this super racist Native American character that was played by a Jewish kid with a spray tan.

ABBY

(cringing)

Ooooooh.

SIMON

Yeah. This is better.

They scan the crowd for Nick and Leah.

ABBY

(bummed)

I guess Nick and Leah are still on their date.

SIMON

I'm sure they'll be here soon.

(then, off Abby)

I'm really sorry it didn't work out with you and Nick.

ABBY

It's cool. I'm not really thinking about it. Definitely not picturing them parked on a quiet street. Zayn Malik comes on, they make out. And then it starts to rain...

Simon feels awful. Tries to change the subject.

SIMON

How about something deep fried?

He leads Abby to the food trucks. Abby gazes out at the FOOTBALL PLAYERS warming up on the field in their uniforms.

ABBY

At least the eye candy here is a distraction. Is it just me, or is the Almont QB insanely hot?

Simon is immediately uncomfortable.

ABBY (CONT'D)

We can talk about stuff like that now, you know.

SIMON

I guess so. I don't really know how though.

ABBY

Then you better practice. Simon, do you think the quarterback is looking foiiiine in his hot pants?

SIMON

Yeah, he's pretty fine.

ABBY

No. Fooooinne.

SIMON  
 (laughing)  
 Fooooiine.

Simon and Abby approach a BURGER TRUCK.

ABBY  
 Four cheeseburgers, please.  
 (then, realizing)  
 Oh, duh, Nick and Leah will have  
 eaten. Just two.

Simon gives Abby a sad smile.

ABBY (CONT'D)  
 You know what, even if Nick and I  
 had gotten together, we just  
 would've broken up when college  
 started.

SIMON  
 You would have?

ABBY  
 Of course. All high school couples  
 say they're gonna do the long  
 distance thing. Then three months  
 into freshman year you get tired of  
 Facetime sex, have a few too many  
 vodka cranberries, and all of a  
 sudden you're hooking up with your  
 Poly Sci TA in the back of his  
 truck.

(off Simon)  
 It happened to my cousin.

Before Simon has a chance to respond...

LYLE (O.S.)  
 Hey, guys.

Simon and Abby turn around to find Lyle getting in line at a  
 chicken and biscuits truck.

ABBY  
 Lyle. My favorite waiter.

SIMON  
 Hey. 'Sup.

Simon quickly runs his hand through his hair. And Abby  
 realizes Simon is into Lyle.

ABBY  
I'm going to go grab us some  
drinks.

Abby gives Simon a pointed look and walks away.

SIMON  
Wouldn't have taken you for a  
homecoming guy.

LYLE  
I'm just here for the biscuits.

SIMON  
I get it. It's all about the sweet  
tea and camaraderie for this guy.

Simon cringes at his lame line. But Lyle smiles. Charmed?

LYLE  
(suddenly nervous)  
Hey, so. Can I ask you a question?

Simon is nearly bursting with anticipation.

SIMON  
Of course.

Lyle steels himself. Then asks:

LYLE  
What's Abby's deal?

Seriously? Lyle likes Abby? Simon can barely hide his  
devastation.

LYLE (CONT'D)  
I know you and her hang out a lot.  
Are the two of you--

SIMON  
(annoyed)  
We're just friends.

LYLE  
Cool. Good to know. God, I could  
never be best friends with someone  
that hot.

SIMON  
Yup. Every day is a struggle.

LYLE

Uh, I think the Creekwood Grizzly Bear wants to talk to you.

Lyle points to the edge of the field where the CREEKWOOD GRIZZLY BEAR MASCOT is beckoning to Simon.

Simon goes over to the Bear, confused.

CREEKWOOD GRIZZLY BEAR

Dude. It's me.

Simon looks into the mouth of the bear, where he can see behind some gauzy black fabric... Martin.

SIMON

You're the Creekwood Grizzly Bear? Actually, that makes total sense.

MARTIN

Thank you.

SIMON

Not a compliment.

MARTIN

I saw you come in with Abby. Has she said anything about me since Waffle House?

SIMON

She had fun.

MARTIN

I knew we had a breakthrough!

Simon isn't in the mood for Martin's bullshit right now.

SIMON

I gotta go, Martin.

MARTIN

Wait! I need to build on this momentum fast. What do I do?

SIMON

I'm sure you'll figure something out.

MARTIN

No, I won't figure something out. That's what you're for, to help me figure it out--

Maybe it's what just happened with Lyle. Maybe it's feeling like shit about what he's doing to Nick and Abby. But Simon snaps:

SIMON

I don't know what to tell you,  
Martin! I guess if I was a  
heterosexual guy who liked a girl,  
I'd shout it from the rooftops.  
Because I could. So maybe it's  
time to tell her you like her. Go  
big or go home.

Simon takes off, leaving Martin considering his words.

He finds Abby, struggling to carry their burgers and teas.  
Simon takes the cups.

ABBY

(re: Lyle)  
Eh?

SIMON

Nah.

ABBY

Aww. At least we can die alone  
together.

She puts her arm around Simon and they head to find seats.

EXT. CREEKWOOD HIGH SCHOOL - FOOTBALL BLEACHERS - LATER

Simon and Abby sit in the packed stands, digging into their  
burgers and waiting for the game to start.

Nick and Leah approach, fresh from their date. They're both  
dressed a little nicer than usual. Nick glances at Abby,  
uncomfortable. Leah looks nervous as hell.

NICK

Hey, guys.

SIMON

Hey.

Nick and Leah sit down next to them, hard to read. Simon  
tries to break the silence.

SIMON (CONT'D)

Uh, how was dinner?

NICK  
 (forced)  
 It was cool.

LEAH  
 Mhmm. We got soup dumplings.

Another loaded silence. Our gang has never been so awkward together. Finally:

ABBY  
 (to Leah)  
 I like your dress.

LEAH  
 Oh, thanks--

NICK  
 (bitter, to Abby)  
 I bet you'd like it even better if  
 it had a pun on it.

ABBY  
 What's that supposed to mean?

Nick shrugs, and puts his arm around Leah. She's super uncomfortable, weirded out by Nick and Abby's charged dynamic. Simon cringes. This is a disaster.

ANNOUNCER (V.O.)  
 And now, everyone please rise for  
 the national anthem.

Taylor walks onto the field with a microphone.

SIMON  
 I'm sure this will be a subtle and  
 tasteful rendition.

TAYLOR  
 (crazy vibrato)  
 Oooo-oohhh say--

Taylor stops singing when she notices Martin rushing the field in his Grizzly Bear costume. He reaches for her microphone. As they struggle over the mic:

TAYLOR (CONT'D)  
 What the hell are you doing?

MARTIN  
 I need the mic.

He YANKS the mic away from her. Everyone stares at them, rapt. Martin takes off his BEAR HEAD.

SIMON  
(under his breath)  
Oh no.

MARTIN  
Sorry to interrupt, but I have something to say that's a little more important than our national anthem. No offense, America.

Martin waits for a laugh that never comes. He clears his throat and finds Abby in the audience.

MARTIN (CONT'D)  
Abby, when you came to Creekwood High School three and a half short months ago, you didn't just transfer into a new school. You transferred into my heart.

As he talks, he walks up into the bleachers, approaching her.

MARTIN (CONT'D)  
Whether it's being your partner in pong or your Waffle House warrior...

Everyone looks confused. This isn't the easiest declaration of love to follow.

MARTIN (CONT'D)  
I've really loved getting to know you this semester.  
(deep breath)  
And I know you're a beautiful, smart, perfect woman, and I'm just a sweaty schlub in a bear suit. But like ol' Bogie said, it's a crazy, mixed-up world.

By now Martin is standing right in front of Abby.

MARTIN (CONT'D)  
So? What do you say? Would you want to go out sometime?

ABBY  
Oh. Um...

Abby takes Martin's microphone and SWITCHES IT OFF. Martin shuffles uncomfortably. He can tell this isn't going well.

JOCK A FEW ROWS BACK  
She's too hot for you, Martin!

JOCK'S BUDDY  
Way out of your league, buddy!

People around the Jocks LAUGH.

ABBY  
Shut up, Lucas!  
(then, to Martin)  
I-- I just don't feel that way  
about you.

NICK  
(surprised, blurting out)  
You don't?

Abby shoots him a weird look. Nick looks at Simon like, "You told me she liked him." Simon shrugs.

ABBY  
(to Martin)  
I'm really sorry. I hope we can  
still be friends.

Martin is devastated. He takes a deep breath, wipes his sweaty hair out of his eyes. Then:

MARTIN  
Sure. Don't worry about it.

He turns the mic back on and forces a manic:

MARTIN (CONT'D)  
And now back to Taylor with our  
regular scheduled anthem!

He stumbles awkwardly back down to the field. He almost trips over a STRAY HOTDOG. Abby picks up Martin's bear head.

ABBY  
(feels terrible)  
Martin, don't forget your... head.

He grabs it, puts it on, and abruptly re-assumes chipper mascot mode, dancing back down to the field.

Nick whispers to Simon:

NICK  
You said she liked him.

SIMON  
I thought she did.

ABBY  
(stricken)  
That was horrible.

LEAH  
(gently)  
Don't worry. People will have  
forgotten about it by the time  
we're back from Christmas break.

Simon watches Martin go, hoping Leah is right...

INT. SIMON'S BEDROOM - NIGHT

Simon sits at his desk, calling Martin and watching a MUTED VIDEO someone has posted to the CREEKSECRETS TUMBLR of Martin's big speech under the headline GRIZZLY GROVELS FOR LOVE.

Simon grimaces, feeling bad for Martin in spite of himself.

MARTIN (ON PHONE)  
You've reached Martin, leave me a  
message.  
(bad jokey message)  
Oh no you didn't, mother--

BEEEEEP.

SIMON  
Martin, it's Simon. I'm sorry  
about tonight. Call me, okay?

Simon hangs up, worried about Martin.

NORA (O.S.)  
She's here!

INT. SIMON'S HOUSE - ENTRYWAY - MOMENTS LATER

Everyone excitedly greets Alice, home from college for Christmas break.

DENISE  
You're supposed to gain the  
freshman fifteen, not lose the  
freshman twenty!

ALICE  
You are literally insane.

JACK  
She looks fat to me.

DENISE  
That's not funny, Jack!

SIMON  
I think you look the exact same  
weight. But a foot shorter.

ALICE  
I missed you, bub.

Simon and Alice HUG. Everything seems a little better to  
Simon with Alice around.

INT. SIMON'S LIVING ROOM - LATER

Jack passes out mulled cider for the family as Alice tells  
them all about college.

ALICE  
I mean, I get being comfortable  
with your body but my roommate is  
always naked...

Alice fades into the background as Simon checks his phone: a  
new e-mail from Blue. He steps away to read it and we...

CUT TO:

INT. BLUE'S BEDROOM - NIGHT (SIMON'S FANTASY)

Blue writes an e-mail as he packs a duffel bag. We're back  
to anonymous Blue, shot so we never see his face.

BLUE (V.O.)  
I'm drinking eggnog and packing to  
go to my dad's cabin on Lake Rabun.  
I'm pretty sure there's a photo of  
it on the Wikipedia page for  
"middle of nowhere."

INT. SIMON'S ROOM - NIGHT

Simon pauses. Something about this sounds familiar. The  
wheels in his head begin to turn...

FLASHBACK TO:

INT. CREEKWOOD HIGH SCHOOL - AUDITORIUM - DAY (FLASHBACK)

Cal tells the *Oliver* cast:

CAL  
I'm going to an unheated vacation  
house basically in the middle of  
nowhere.

BACK TO:

INT. SIMON'S ROOM - NIGHT

Simon connects the dots. Could Cal be Blue?

SIMON  
Holy shit.

He starts imagining...

CUT TO:

EXT. LAKE RABUN CABIN - DAY (SIMON'S FANTASY)

Cal and his DAD (the same guy as Lyle's Father) pull up to a  
very rustic cabin on a beautiful Georgia lake.

CAL (V.O.)  
There's barely electricity and  
definitely no cell service, so this  
will be my last e-mail for a while.

EXT. LAKE RABUN - DAY (SIMON'S FANTASY)

Cal and his DAD are bundled up on a boat, fishing.

CAL (V.O.)  
It should be a real rite of passage  
though: a dad and his gay son  
pretending they like fishing and  
trying to find things to talk about  
for two weeks.

Cal's Dad looks like he's about to say something, then  
reconsiders, and takes a sip of beer.

INT. CAL'S BEDROOM - NIGHT (SIMON'S FANTASY)

Cal continues to pack.

CAL (V.O.)  
She and Him's cover of "Have  
Yourself a Merry Little Christmas"  
just came on Spotify. I know I  
should think it's too twee, but I  
kind of love it. Don't judge me.  
And have yourself a merry little  
Christmas, Jacques.  
(MORE)

CAL (V.O.) (CONT'D)  
 Don't judge me for that lame segue  
 either. God, it's going to be an  
 excruciating two weeks without you.  
 Love, Blue.

INT. SIMON'S LIVING ROOM - NIGHT

Simon finishes the e-mail. She and Him's "Have Yourself a Merry Little Christmas" kicks in and the song carries us into a SEQUENCE.

INT. GROCERY STORE - DAY

Simon and his entire family pile a cart full of their favorite holiday foods.

They pass the CANDY AISLE where Simon sees Cal putting a PACK OF REESE'S CUPS into his basket. He smiles at Simon.

But then suddenly, he's gone. Just Simon's imagination.

INT. SIMON'S DINING ROOM - NIGHT

Denise serves everyone FRENCH TOAST for dinner, a Spier family tradition.

Simon looks past his family to a SPRIG OF MISTLETOE hanging above a doorway.

He imagines CAL STANDING BENEATH IT. Cal gestures at the mistletoe, like *should we kiss?*

INT. SIMON'S LIVING ROOM - NIGHT

Simon and his family watch *Love Actually*. Jack and Denise snuggle on the couch. Nora and Alice are sprawled out on the floor.

Suddenly, an ARM wraps itself around Simon. He looks over to find Cal curled up next to him. Cal puts his head on Simon's shoulder. Alice playfully tosses a pillow at them. Denise offers Cal a glass of cider. Everything is perfect.

Simon reaches for a cookie on the coffee table, and when he sits back, CAL IS GONE.

INT. SIMON'S ROOM - NIGHT

Simon is wrapping presents. There's a KNOCK on his door.

NORA (O.S.)  
 Simon?

Simon throws a towel over the presents.

SIMON

Come in.

Nora enters with her iPad. She sits on the edge of Simon's bed and brings her knees to her chest like a little kid.

SIMON (CONT'D)

Well? What do you want?

NORA

I need to show you something.

Nora turns her laptop around. The Creeksecrets Tumblr page is already open. Simon's face goes white:

Because there's a new entry: **SIMON SPIER'S OPEN INVITATION TO ALL DUDES**. Martin's SCREENSHOT of Simon and Blue's e-mails, accompanied by a short post. As Simon reads...

CUT TO:

INT. MARTIN'S BEDROOM - NIGHT (SIMON'S FANTASY)

A vindictive Martin speaks directly to camera.

MARTIN (V.O.)

Dear all dudes of Creekwood, with this missive, I hereby declare that I am supremely gay and open for business. Interested parties may contact me directly to discuss arrangements for anal butt sex. Strong resemblance to Jon Snow preferred. Ladies need not apply. Homosexually yours, Simon Spier.

BACK TO:

INT. SIMON'S ROOM - NIGHT

Simon sits frozen in place. Nora stares at him intently.

SIMON

Oh my god.

NORA

I already reported it. They'll take it down.

SIMON

Everyone has already seen it though.

(then)

It's true. I'm gay.

Nora is stunned. But she tries not to make a big deal of it.

NORA

Oh.

(then)

So what are you gonna do now?

SIMON

I don't know.

NORA

You could deny it--

SIMON

I'm not going to deny it. I'm not ashamed--

NORA

Well, you haven't said anything until now, so--

SIMON

(snapping)

So what? What the hell are you talking about?

Nora's face crumples into tears. Simon realizes she's completely overwhelmed.

SIMON (CONT'D)

Nora, I--

NORA

It's not my fault!

She hurries out in tears. Simon feels bad but he has bigger things to worry about.

He goes to his computer in a total panic. He furiously types an e-mail to Blue:

SIMON (V.O.)

I know you're going off the grid and you probably won't see this until you're back, but something's happened. You're going to find out who I am. But please don't freak out and stop writing to me. Please, Blue. As soon as you get this, I need you to promise me you won't disappear.

Simon hits SEND, close to hyperventilating.

His phone BUZZES. Then BUZZES again.

He checks it - texts from his friends:

**Abby:** Are you okay?

**Leah:** Can you call me?

**Nick:** Hey dude. Wanna go for a walk?

**Abby:** Simon, please call me. I love you.

Simon turns off his phone, unable to deal. He turns off the lights, crawls under his bed covers, puts a pillow over his face, and SCREAMS.

INT. SPIER LIVING ROOM - MORNING

Christmas morning. The whole family sits around the tree, opening presents in pajamas. Nora and Simon avoid each other's eyes.

SIMON  
(opening a gift)  
A Kindle case? But I don't even  
have--

JACK  
Open the next one, Sherlock.

Simon opens the next one, revealing a brand new KINDLE. He stares at it for a long time.

DENISE  
Um, if you don't like it, you can  
return it. But since you already  
have every other device--

SIMON  
(quietly)  
No. I love it.

ALICE  
Are you okay?

Nora gives Simon a supportive smile.

SIMON  
Actually, I want to talk to you  
guys about something.

Denise leans in, realizing something's up.

DENISE  
What is it?

But Simon can't find the words.

JACK  
Lemme guess. You got someone  
pregnant. No, you're gay. No,  
you're pregnant.

NORA  
Dad, stop it.

SIMON  
(quietly)  
Yeah, I'm pregnant.

JACK  
I knew it! What'd I tell you, he's  
got the glow.

Nobody laughs. Simon looks like he really wants to run out of the room and throw up, but he forces himself to continue.

SIMON  
No. I'm not pregnant.  
(deep breath, then)  
I'm gay.

A beat as everyone takes in his words. Denise reaches out to take Simon's hand.

DENISE  
Oh, honey.

Simon stares into his mother's eyes. His voice is shaking.

SIMON  
Don't worry, I'm still me.

DENISE  
What? Of course you are.

Simon nods, unsure. Alice puts her arm around Simon's leg from her spot on the floor.

ALICE  
Good for you, Bub.

Everyone turns to Jack, waiting for him to say something.

JACK  
 Gay, huh?  
 (then, forced brightness)  
 So which one of them did it?

Alice looks like she's going to kill her father.

SIMON  
 Did what?

JACK  
 Which one of your old girlfriends  
 turned you off women? Was it the  
 one with the eyebrows or the  
 overbite?

DENISE  
 Jack--

NORA  
 JESUS CHRIS, DAD! CAN YOU  
 EVER JUST SHUT THE HELL UP!?

Everyone turns to Nora, stunned. Simon sighs, exhausted.

EXT. SIMON'S BACKYARD - LATER

In the far reaches of the yard, Simon lays in a hammock with  
 Bieber the dog. He listens to music and stares up at the  
 clouds. He checks his e-mail: nothing from Blue. Alice  
 approaches.

SIMON  
 (groaning)  
 No, go away.

ALICE  
 No.  
 (then, holds up Oreos)  
 I have Eggnog Oreos. They're  
 disgusting. I've had fifteen.

Simon doesn't say anything. But he does take out his  
 earbuds. Alice climbs into the hammock.

SIMON  
 Just don't tell mom I'm out here.

They're quiet for a moment. Finally:

ALICE  
 I have a boyfriend.

This actually manages to snap Simon out of his daze.

SIMON  
 What?

ALICE

His name's Theo. He's a junior majoring in classical guitar. And he has this weird facial hair on his chin that I should totally hate but I inexplicably find cute.

SIMON

Oh, god. Like a soul patch?

ALICE

Ughh, yeah. It's the worst. I love it.

SIMON

What's happening right now? You hate talking about your personal life.

ALICE

I know. But I figure if you have the guts to admit you're gay...

SIMON

You should have the guts to admit you're straight.

ALICE

You're funny.

SIMON

I try.

They lie next to each other in silence. It's the least excruciating moment of Simon's day. He eats a cookie.

SIMON (CONT'D)

Yeah, these are awful.

ALICE

I know.

They both reach for another. Denise calls out from inside:

DENISE (O.S.)

Simon, Nick's here!

Simon looks nervous. Alice gives him an encouraging arm squeeze.

EXT. SIMON'S FRONT PORCH - DAY

Simon steps outside to find Nick pacing back and forth. He immediately, nervously launches into a pre-rehearsed speech:

NICK

Hey. You weren't answering any of our texts and we're worried about you. And since I'm the only one of your best friends lame enough to be spending the holidays stuck in Shady Creek, we decided I should come check in. I have no idea if that post is true, but if it is--

SIMON

It is.

NICK

Wow. Okay. Do you want to talk about it?

SIMON

Not really.

NICK

Cool. Cool. What should we talk about?

SIMON

I don't know.

They stand in silence for a moment. Finally:

NICK

Oh. So, Leah and I shut it down before she left for her grandparents. You were dead wrong about us. Zero chemistry.

Simon cringes, worried for Leah.

SIMON

Oh. Sorry. Is she okay?

NICK

Yeah, of course. It was totally mutual.

Simon nods, unsure whether to believe him. After another silence:

NICK (CONT'D)

(then, remembering)

Oh, here. I got you this. For Christmas.

He hands Simon a t-shirt. Simon unfolds it, to reveal it says WORLD'S GREATEST FRIEND, in the style of the WORLD'S GREATEST DAD tee Nick was wearing before.

NICK (CONT'D)  
(proud)  
This one I actually bought.

SIMON  
You are such a nerd.

But Simon's clearly very touched.

NICK  
Yup. Wanna go for a drive?

SIMON  
Actually, I kind of just want to be alone.

NICK  
Nah, let's go for a drive.

SIMON  
Nick-

But Nick's already bounding towards his car. Simon sighs and follows after him.

INT. NICK'S MOM'S PRIUS / ATLANTA HIGHWAY - NIGHT

Nick and Simon joyride down the highway, singing/screaming along to Rihanna.

NICK  
*He said me haffi-*

SIMON  
*Work, work, work, work, work, work!*

NICK  
*He see me do me-*

SIMON  
*Dirt, dirt, dirt, dirt, dirt, dirt!*

Simon can't help but grin as the tension of the past couple of days start to melt away.

INT. / EXT. PRIUS / THE ATLANTA EAGLE - LATE AFTERNOON

Nick parks on a Midtown Atlanta street. Simon is confused.

SIMON  
Where are we going?

Simon follows Nick's gaze out the window and realizes they're parked outside of a dive bar with a rainbow flag above its entrance.

Simon turns back to Nick, sees the guilty look on his face and realizes:

SIMON (CONT'D)  
You are insane. No way.

NICK  
Come on. This place had great reviews on Yelp. They're known for their ribs!

Simon stares at the bar. He *is* curious.

SIMON  
Okay. But how are we getting in?

NICK  
I don't see anyone checking IDs...

INT. THE ATLANTA EAGLE - NIGHT

Nick and Simon enter a dimly lit space with motorcycle themed decor. A crowd of older, stocky DUDES wearing lots of leather drink and dance. This is definitely not Simon's scene.

Simon watches two guys his dad's age AGGRESSIVELY MAKING OUT in a dark corner.

NICK  
Uh, should we try the ribs?

SIMON  
(terrified)  
I guess.

A HAIRY GUY in a LEATHER VEST notices Simon's discomfort.

HAIRY GUY  
You might want to try Joe's.

SIMON  
Let's try Joe's.

INT. JOE'S ON JUNIPER - NIGHT

Another gay bar/restaurant with a younger crowd - lots of attractive college-age kids, a DJ spinning Calvin Harris. Simon and Nick sit at a table eating fries.

NICK  
I think that guy is checking me out.

SIMON  
You have said that about every single guy.

NICK  
I can't help it. The gays love me.

CUTE GUY (O.S.)  
Alex?

Simon spins around to come face to face with a boyish CUTE GUY with cool hair and skinny jeans.

SIMON  
I'm not-

CUTE GUY  
You're not Alex. Sorry, you have Alex hair.

SIMON  
(nervous)  
Is that, um, a good thing?

CUTE GUY  
It's literally the only good thing about Alex. Do you want to dance?

Simon hesitates. Nick is grinning like an idiot, beyond excited by how well this is going.

NICK  
Yes. Yes, he does.

Simon's head is exploding with excitement and nerves. He's in a public place and an attractive guy is hitting on him.

The Cute Guy takes Simon's hand and leads him out to the dance floor.

They awkwardly dance for a moment, before the Cute Guy turns to a passing WAITER.

CUTE GUY  
Two shots of Patron please.

SIMON  
(nervous)  
Oh, actually-

The WAITER eyes Simon skeptically.

WAITER  
I'm gonna need to see some ID.

Off Simon, at a loss...

EXT. JOE'S ON JUNIPER - NIGHT

Simon and Nick are escorted out of the bar by a SECURITY GUY.  
Nick feels awful.

NICK  
I'm really sorry, man. I dragged  
you all the way out here so you  
could get humiliated in front of  
the first guy who ever asked you to  
dance. Please don't let this  
traumatize you-

Simon throws his arms around Nick, exhilarated by their  
disastrous night and incredibly grateful for his friendship.

SIMON  
Thank you. I love you, man.  
(then)  
No homo.

Nick and Simon burst out laughing.

INT. SIMON'S ROOM - DAY

Simon sits at his computer, writing to Blue:

SIMON (V.O.)  
Dear Blue, happy New Year's Eve. I  
haven't heard from you, so I'm  
going to assume slash pray it's  
because you have no service, and  
not that you've decided it's too  
risky to keep e-mailing your  
innermost feelings to a guy who  
doesn't know how to log out of  
Gmail.  
(deep breath, then)  
(MORE)

SIMON (V.O.) (CONT'D)  
 I came out to my entire family on  
 Christmas. And now, everything is  
 different.

CUT TO:

INT./EXT. SIMON'S CAR / WAFFLE HOUSE - DAY (SIMON'S FANTASY)

Simon pulls up to the window to get his order.

SIMON (V.O.)  
 It's not like my life has become  
 one big pride parade.

SIMON  
 I got the iced coffee.

WAFFLE HOUSE GUY  
 Yeah you did, boy!

WAFFLE HOUSE GUY hits PLAY on a BOOMBOX and it BLASTS Lady  
 Gaga's "Born This Way".

Waffle House Guy throws a bunch of RAINBOW CONFETTI in  
 Simon's face. Then puts a pair of RAINBOW SUNGLASSES on him.  
 Simon spits some of the confetti out of his mouth.

BACK TO REALITY:

INT. / EXT. SIMON'S CAR / WAFFLE HOUSE DRIVE THRU - DAY  
 (FLASHBACK)

Simon pulls up to get his order.

SIMON  
 I got the iced coffee.

WAFFLE HOUSE GUY  
 (hands him coffee, bored)  
 Have a Waffle-icious day.

Simon drives away.

SIMON (V.O.)  
 It's the little things.

INT. SIMON'S HOUSE - DAY (FLASHBACK)

SIMON (V.O.)  
 Like the way my mom watches me.

Simon and his entire family wear HAPPY NEW YEAR HATS and watch Anderson Cooper host a New Year's Eve celebration on television. He realizes his mom is STARING at him. She quickly looks back at the television when Simon catches her.

SIMON (V.O.)  
Or the awkward physical affection  
my dad has started to exhibit for  
the first time ever.

Jack reaches out and makes the bizarre choice to pat Simon on the cheek.

BACK TO PRESENT:

INT. SIMON'S ROOM - DAY

Simon continues his e-mail at his desk.

SIMON (V.O.)  
Don't get me wrong, there are good  
parts too. My friend even took me  
to my first gay bar. It was  
terrible and great at the same  
time.

INT. SIMON'S BEDROOM - NIGHT

A pajama'd Simon packs his bag for school the next day.

SIMON (V.O.)  
But change is exhausting. And I  
feel like there's nowhere to hide  
from all the new-ness of  
everything. Except here. With  
you.

Simon sets his alarm and climbs into bed.

SIMON (V.O.)  
Please write to me. As soon as you  
get even one bar of service. Love,  
Jacques.

Simon clicks out the light.

INT. SIMON'S BEDROOM - MORNING

Simon's alarm wakes him up. It's 7:00 AM. He immediately checks his e-mail. Nothing new from Blue.

INT. SIMON'S BATHROOM - MORNING

Simon gets ready for his first day of school as an out gay kid. QUICK CUTS as he tries on a bunch of different T-shirts, then one tight tank top. He looks at his reflection like, *what am I doing?*

INT. SIMON'S KITCHEN - DAY

Simon crosses through, wearing a typical hoodie. He's visibly nervous.

DENISE  
Si, have some breakfast.

Simon makes a beeline for the door.

SIMON  
I really can't eat right now--

DENISE  
Wait.

Denise turns on what is clearly her "therapist voice."

DENISE (CONT'D)  
This is going to be a time of real exploration for you. Sexual and emotional feelings you've been repressing for a long time are going to come to the--

SIMON  
(pained)  
Mom.

Denise realizes Simon doesn't need a therapist right now. And frankly, she doesn't feel like being one.

DENISE  
Sorry.  
(then)  
Have I ever told you about your first day of pre-school?

SIMON  
Mom--

DENISE  
I was so nervous you were gonna fall apart when we dropped you off. You loved being home with your baby sister so much.  
(MORE)

DENISE (CONT'D)

And you'd never been without me or  
dad for more than a couple hours.

(beat, then)

But we walked in and you took in  
all the kids playing and you  
proclaimed, "Hello everybody. I'm  
Simon Spier and I'm here!" And  
that's when I realized, my son is  
brave.

Simon can't meet her eyes. He's not feeling very brave.  
Denise's voice is filled with defiant emotion:

DENISE (CONT'D)

So today, you go in there, and you  
remember you're Simon Spier. And  
you say, "Hello everyone. I'm  
here."

Simon and Denise share an emotional look. Then:

DENISE (CONT'D)

(trying to lighten the  
mood)

But don't actually say that.  
That'd be weird.

Simon forces a smile and leaves. We hang on Denise, her  
smile fading. She could not look more worried for her son.

INT. / EXT. SIMON'S CAR / SHADY CREEK STREETS - MORNING

Simon pulls up in front of Nick's house. He's surprised to  
see Abby, Nick, and Leah standing on Nick's front porch.

Simon gets out of the car...

EXT. NICK'S HOUSE - DAY - CONTINUOUS

...And approaches his friends.

SIMON

Hey, guys. Sorry I've been MIA.  
Thanks for all the texts.

(re: Nick)

And for sending the friendship  
ambassador over to check in.

Simon smiles at them. To his surprise, nobody smiles back.  
Nick clears his throat.

NICK

Simon, we need to talk.

Simon realizes that Leah looks very emotional. And Abby looks very angry.

NICK (CONT'D)

Abby and I hooked up on New Year's Eve. And now we're like, together.

SIMON

(nervous)

Wow. That's awesome.

NICK

Yeah. It is. But then we got to talking about why it took us so long.

Simon goes white. He knows where this is going and he tries to get ahead of it.

SIMON

You guys--

NICK

Why did tell Abby I had an ex-girlfriend who I cheated on?

ABBY

And why did you tell Nick I hooked up with a ton of jacked black guys at my old school?

They stare at him, really hoping he has a great answer. Simon takes a deep breath. He attempts to explain himself.

SIMON

Martin's the one who wrote on the Creeksecrets post about me. He screenshotted those e-mails and he's been using them to blackmail me for months.

Nick, Leah, and Abby look horrified. But then...

NICK

What does that have to do with us?

SIMON

(pained)

He said if I didn't help him get with Abby, he'd out me. So I had to... keep you guys apart.

Nick and Abby absorb this...

ABBY  
So you made up a bunch of lies?

NICK  
(realizing)  
Oh my god. That's why you  
convinced me to go out with Leah?  
To keep me away from Abby?

It takes all of Simon's effort to look at Leah. She looks back, overcome with sadness and hurt.

ABBY  
(slowly understanding)  
So us running lines at Waffle  
House? And beer pong at Bram's  
party? All of that was you trying  
to pawn me off on Martin?

Simon nods, beyond embarrassed. Abby is livid.

ABBY (CONT'D)  
I'm not a piece of meat, Simon.

SIMON  
I know. I'm sorry.

ABBY  
I would never do anything like that  
to you. I would never try and stop  
you from being happy.

SIMON  
I know.

A horrible, quiet moment. Then:

NICK  
We're gonna be late for school.  
I'll drive.

Nick takes Abby's hand and they head towards his car. Leah hangs back a moment, like she wants to say something to Simon.

SIMON  
Leah, please. You have to  
understand...

She shakes her head and follows Nick and Abby. Simon stares after them, devastated.

INT. CREEKWOOD HIGH SCHOOL - LOBBY - DAY

Simon enters school, bracing himself for what's next in this shitty day. He comes face to face with...

Life as usual. Students get books out of their lockers, hurry to class. No one really looks twice at him. Maybe this won't be so bad after all.

And then Mr. Worth passes by and points to a RAINBOW FLAG PIN on his lapel.

MR. WORTH  
(in solidarity)  
I got you, buddy. Tolerance: it's  
what's for dinner.

Simon looks uncomfortable. And we begin a SEQUENCE as Simon experiences his first day as an openly gay student.

INT. CREEKWOOD HIGH SCHOOL - MATH CLASS - DAY

Simon sits in class. He notices Martin staring at him from his desk. As soon as Simon catches Martin's eye, Martin looks away, ashamed.

INT. CREEKWOOD HIGH SCHOOL - HALLWAY - DAY

A SENIOR GIRL who has never spoken to Simon corners him.

SENIOR GIRL  
We need to be best friends. First  
things first: I'm getting a  
haircut tomorrow and I'm thinking  
bangs. Please weigh in.

Simon just stares at her, clueless.

INT. CREEKWOOD HIGH SCHOOL - BOY'S ROOM - DAY

Simon washes his hands. A PIMPLY FACED KID washes his hands at the next sink.

PIMPLY FACED KID  
Can you pass a paper towel?

Simon hands him a towel. Their hands briefly touch.

PIMPLY FACED KID (CONT'D)  
I'm straight.

INT. CREEKWOOD HIGH SCHOOL - GYM - DAY

A STONER comes up to Simon during volleyball.

STONER  
My second cousin is trans.

Simon doesn't know what to do with this information.

SIMON  
Cool?

STONER  
Pre-op.

SIMON  
Thanks for letting me know.

INT. CREEKWOOD HIGH SCHOOL - MATH CLASS - DAY

The Math Teacher drones on. A GOSSIPY GIRL leans over and whispers to Simon:

GOSSIPY GIRL  
So, are you a top or a bottom?

Simon just stares at her, quietly furious.

EXT. CREEKWOOD HIGH - COURTYARD - DAY

Simon eats lunch alone on a bench. A FRESHMAN DUDE comes up to him.

FRESHMAN DUDE  
Is it because you don't like the  
way pussy smells? I don't either.  
But that doesn't make me gay,  
right?

Simon stares at him, annoyed. The Dude takes his silence to mean "Yes, you're gay."

FRESHMAN DUDE (CONT'D)  
(panicking)  
Actually, I do like the way it  
smells.

INT. CREEKWOOD HIGH - GYM - DAY

Simon plays volleyball. The Stoner re-approaches him.

STONER  
I forgot to tell you that my cousin  
started hormones.

SIMON  
I don't care, Evan! I don't know  
your cousin!

INT. CREEKWOOD HIGH - HALLWAY - DAY

The Senior Girl rambles on to Simon.

SENIOR GIRL

Jennifer Lawrence pulls off that look, but she has a really symmetrical face, and my left eye is actually bigger than my right. Maybe just highlights?

Off Simon...

INT. CREEKWOOD HIGH SCHOOL - AUDITORIUM - LATER

We're mid-dress rehearsal. The cast performs "I'd Do Anything", actually nailing the choreography. Cal and Ms. Albright excitedly watch from the front row.

As Simon dances onstage, he can't help but stare at Cal, searching for any sign that he's Blue. But Cal's focused on the performance, impossible to read.

MARTIN

(singing as Fagin)  
*Would you rob a shop?*

ENSEMBLE

*Anything!*

MARTIN

*Would you risk the--*

Suddenly, Martin stops singing. Everyone follows his gaze to the back of the auditorium, where TWO IDIOT JOCKS have entered. One is dressed in a SHAGGY WIG and GREY HOODIE, just like Simon. The other is wearing his FOOTBALL JERSEY.

IDIOT JOCK IN JERSEY

*This one's for you, Spier!*

He hits a button on his JAMBOX and Ice Cube's *You Can Do It* plays: *"You can do it put your back into it! I can do it put your ass into it!"*

The Jock dressed as Simon gets down on his hands and knees, and the Jock in the jersey starts humping his butt, simulating anal sex.

IDIOT JOCK IN JERSEY (CONT'D)

*You like that big dick, don't you Spier?*

IDIOT DRESSED AS SIMON  
 Oh, yeah! Give it to me, big boy!  
 Simon likey!

Simon stares at them, stone-faced. This all seems unreal. He notices Abby's eyes are locked on the jocks, burning with rage. But she refuses to make eye contact with Simon.

Suddenly, Taylor CHARGES down the aisle towards the guys.

TAYLOR  
 Get out of here you ignorant pieces  
 of-

IDIOT JOCK IN JERSEY  
 Oh, shiiiiit!

The two guys run out of the auditorium, Taylor in hot pursuit. There's muffled shouting from the hallway. Ms. Albright races after them, calling back to the cast:

MS. ALBRIGHT  
 I'll be right back.

Everyone sinks to the ground, shell-shocked. Martin covers his face with his hands.

Ms. Albright returns with a still-fuming Taylor. Simon remains stiff with shock and discomfort.

MS. ALBRIGHT (CONT'D)  
 I'm sorry you guys had to see that.  
 Today's rehearsal is cancelled.

Everyone slowly gets up and heads out. Cal gives Simon a sad smile as he passes. But it's impossible to tell if he's Blue or if he's just being supportive.

After a moment, Simon turns to Taylor:

SIMON  
 Um, thanks. And I'm sorry. About  
 missing a rehearsal. I know how  
 much this means to you.

Taylor stares at him, surprised.

TAYLOR  
 It's just a play, Simon.  
 (then)  
 Fuck those guys.

He nods, surprised by this other side of Taylor. As Abby passes Simon, she gives him a stoic:

ABBY  
I'm sorry. That was messed up.

But doesn't stop walking. Ms. Albright approaches Simon.

MS. ALBRIGHT  
Are you okay?

SIMON  
(mortified)  
Yes. I'm sorry.

MS. ALBRIGHT  
Don't you dare be sorry. None of this is your fault. Those assholes are getting suspended. I will make it my hill to die on.

Simon stares at her, amazed by her candor. He realizes she's doing her best to stay calm, but is absolutely furious. Which makes him feel a little better.

Then, Mr. Worth storms in with the two idiot jocks in tow. The color drains from Simon's face.

MR. WORTH  
Simon, Devon and Carl have something to say to you.

SIMON  
No. That's okay--

MR. WORTH  
No, it's not okay. Boys?

IDIOT JOCK IN JERSEY  
Sorry.

IDIOT DRESSED AS SIMON  
My bad.

MR. WORTH (CONT'D)  
At Creekwood High we believe in tolerance. Which means, we respect Simon's choice to love another man.

As Mr. Worth drones on, the Jocks can barely contain their snickers. Off Simon, completely humiliated...

EXT. CREEKWOOD HIGH SCHOOL - NIGHT

Simon approaches his car to find Martin standing there. He is the last person Simon wants to see.

MARTIN  
Hey, can we talk?

All Simon wants is to get as far away from Creekwood High as possible.

SIMON

I don't have anything to say to you.

Simon reaches for the car door, but Martin is in the way.

SIMON (CONT'D)

Martin--

MARTIN

I just wanted to say that I'm sorry. I didn't know that would - I didn't think people still did shit like that.

Simon stares at Martin, stone-faced.

MARTIN (CONT'D)

I was pissed off about Abby and I wasn't thinking. I didn't think it would be a big thing.

Martin struggles to collect his thoughts.

MARTIN (CONT'D)

The whole thing with my brother... Ever since he came out, my parents have turned our house into a gay utopia. But Carter's in college, he's not even home. We marched in the Pride Parade this year and he wasn't even there. It was my idea. When I told Carter about it, he was like, "Um, okay, cool." Like it was a little much. I felt like a total asshole. It doesn't matter. Will you please say something?

Simon closes his eyes for a moment. Finally:

SIMON

I don't care about your brother, Martin. Or how him coming out made you feel.

(shaking with rage)

And I don't care if you didn't think my coming out would be "a big thing." You don't get to decide that. I'm supposed to decide when and where and who knows and how I want to say it.

Simon's voice cracks. He shakes away the emotion, refusing to let Martin see him break down.

SIMON (CONT'D)  
Can you please just move away from  
my car and leave me the fuck alone?

A devastated Martin walks off into the night. Simon gets in his car, locks the doors, and punches his steering wheel with rage.

INT. SIMON'S ROOM - NIGHT

Simon is pulling on his pajamas, totally exhausted from the day, when his computer BINGS. He races over and checks his e-mail - Blue! Simon nervously opens the message and begins to read:

CAL (V.O.)  
You're right. I know who you are.

CUT TO:

INT. CREEKWOOD HIGH - AUDITORIUM - DAY (SIMON'S FANTASY)

Cal stands center stage, staring straight into camera.

CAL  
Jacques a dit, right?

CUT TO:

EXT. PARIS - LUXEMBOURG PARK - DAY (FLASHBACK)

EIGHT-YEAR-OLD SIMON and his family are on a Parisian vacation.

The framed photo in Simon's room that inspired his pseudonym "Jacques" was taken on this trip.

A group of FRENCH KIDS play "Jacques a dit" in the park.

DENISE  
Jacques a dit is what they call  
Simon Says in French. Just like  
you, kiddo.

Off Young Simon...

BACK TO:

INT. SIMON'S ROOM - NIGHT

Simon stands there reading the e-mail.

CAL (V.O.)  
I'm sorry, Simon. I can't do this  
anymore. I'm so sorry.

Simon stares at his computer in dazed shock. He hurriedly  
writes back:

SIMON (V.O.)  
Please, Blue. You can't leave me  
alone. Everything's falling apart.

And hits send. A beat, then his computer BINGS again with a  
response from MAILER DAEMON.

AUTOMATED VOICE (V.O.)  
Delivery to the recipient  
**bluegreen118@gmail.com** failed  
permanently.

Blue deleted the account.

Simon stares at the word "permanently" for a beat, as he  
realizes Blue shut down the account. Then, he slams his  
computer shut.

He notices the WORLD'S GREATEST FRIEND t-shirt Nick gave him,  
strewn on a chair.

And it's all just too much. He picks up the shirt, buries  
his head in it, and begins to sob.

INT. CREEKWOOD HIGH SCHOOL - LOCKERS

Cal is putting books in his locker. Simon walks up to him.  
He's bleary eyed, clearly having been up most of the night.

SIMON  
Hey.

CAL  
Hey, what's up?

Simon takes a deep breath. Then, in a shaky voice:

SIMON  
Is it you?

CAL  
(confused)  
Is what me?

Simon stares at him for a long beat. Then:

SIMON  
 (barely audible)  
 Blue?

Cal looks uncomfortable.

CAL  
 Simon, are you okay? I know you've  
 had a crazy couple days. Do you  
 wanna talk about it? I can skip  
 Bio, I'm failing anyway.

Cal gives him a friendly smile. Simon stares at him. It's  
 clear to him that Cal is not Blue after all. After a moment:

SIMON  
 No. It's okay. I'm okay. Sorry  
 to bother you.

Simon hurries away, embarrassed. Elliott Smith kicks in,  
 coming from the stereo of...

INT. / EXT. SIMON'S CAR / WAFFLE HOUSE DRIVE THRU - DAY

Where Simon gets an after school iced coffee for one.

INT. / EXT. SIMON'S CAR / SHADY CREEK STREETS - DAY

Simon drives home alone, passing a field where WORKERS are  
 setting up CARNIVAL RIDES, including an OLD FERRIS WHEEL.

INT. / EXT. SIMON'S CAR / CREEKWOOD STREETS - DAY

Simon turns onto his street when he spots Leah on her bike.

He makes a decision, rolls down his window and slows down so  
 he's driving next to her.

SIMON  
 Can we talk?  
 (off her silence)  
 Leah, please. I know what I did  
 was messed up. I knew you were in  
 love with Nick and I--

LEAH  
 Stop it!

Leah pulls her bike over. Simon parks, gets out, approaches.  
 Leah closes her eyes and lowers her voice:

LEAH (CONT'D)  
 You are insanely stupid, Simon. I  
 was never in love with Nick.  
 (MORE)

LEAH (CONT'D)  
 (then)  
 I was in love with you.

Leah angrily brushes away tears. Simon stares at her, totally blindsided.

SIMON  
 What? But we're... us.

LEAH  
 Yeah, well. Sorry.

Simon doesn't know what to say.

LEAH (CONT'D)  
 I thought you were into Abby. And then when you told me I should go out with Nick, I realized you were never gonna see me that way.

Leah takes a deep breath then presses on:

LEAH (CONT'D)  
 I can deal with you being gay.  
 (beat)  
 But you set me up to get my heart broken when you thought I was in love with Nick. And that makes you cruel.

Simon has never felt worse in his young life.

SIMON  
 Leah, please. I was desperate.

LEAH  
 I know, you didn't want anyone to know you were gay--

SIMON  
 No, it wasn't just that. I fell in love with someone. The guy in the e-mails, I love him. And I knew if Martin leaked our e-mails it would scare him off. I've been so lonely for so long. And and with him, I didn't feel lonely...

Simon trails off. Leah softens, starting to forgive Simon..

LEAH  
 I'm sorry.

SIMON

No, I'm sorry. It's not an excuse.  
You're my best friend.

LEAH

If I'm your best friend, why did  
you come out to Abby and not me?

Simon considers.

SIMON

It was easier. I've known Abby for  
three months. I've known you for  
thirteen years. And I knew that  
once I told you, everything would  
be different. And I loved things  
the way they were.

Leah nods. These two can feel their friendship changing  
before their very eyes. And it hurts. But they know they  
need to try and embrace it. So:

LEAH

Tell me about this guy you love.

Simon hesitates.

SIMON

Are you sure?

LEAH

Yeah. It'll help me kill off  
Hetero Simon in my mind.

SIMON

Well, you don't have to kill him  
off--

LEAH

He's dead, Si. Hacking him up with  
a mental machete as we speak.

SIMON

Fair enough. So, I call him Blue.

Leah forces a smile. And we leave these two, trying to  
adjust to their new normal...

INT. / EXT. JACK'S CAR / SHADY CREEK STREETS - NIGHT

Jack and Simon drive home with THAI FOOD in uncomfortable  
silence.

JACK  
Thanks for coming with me to pick  
up the food.

SIMON  
Mhmm.

JACK  
If I get one more ticket for double  
parking outside Wakdongmoonlek  
Noodle, we can't afford to send you  
to college.

Simon forces a smile. It's clearly still awkward between  
these two. Jack presses on.

JACK (CONT'D)  
Excited for the show tomorrow  
night?

SIMON  
Uh huh.

JACK  
Mom and Nora and I are really  
looking forward to it.  
(beat, then)  
You gonna go to the carnival after?

SIMON  
Yup.

JACK  
(forcing conversation)  
I've always loved the winter  
carnival. One of my favorite Shady  
Creek traditions.

Simon nods. Another awkward silence. Then:

JACK (CONT'D)  
So, that Sam Smith guy is pretty  
cool, huh?

Simon stares at his dad, worried about where this is going...

SIMON  
Uh huh.

JACK  
I've actually been really into his  
tunes lately.

Jack hits the STEREO and Sam Smith's *Stay With Me* begins to play. Jack awkwardly bobs along with it.

SIMON

Dad, did you tee up a gay singer  
just to talk to me about being gay?

Jack sighs, frustrated with himself. He turns off the music. Simon notices his hand is trembling a little.

JACK

(quietly)  
I'm sorry, Si. For all the gay  
jokes.

SIMON

It's fine.

JACK

(firmly)  
No. It's not.

Jack sounds so angry and ashamed with himself. Simon realizes how much he's been beating himself up.

JACK (CONT'D)

I'm just going to put this out  
there, in case the message got lost  
somewhere. I love you. A lot.  
(beat)  
And I'm really proud of you.

SIMON

(re: proud)  
Why?

JACK

For coming out on your terms. You  
really took control of your  
destiny.

Simon stares out the window. He couldn't possibly feel in less control of his destiny.

Jack clears his throat. After a beat:

JACK (CONT'D)

So, are there any special guys--

Simon turns back on Sam Smith. Jack gets the message.

INT. SIMON'S ROOM - MIDDLE OF THE NIGHT

Simon lies in bed, wide awake. He clicks on the light, goes to his desk, navigates to the Creeksecrets Tumblr.

He grabs an Eggnog Oreo from a nearby pack, clicks on NEW POST, and begins to TYPE.

SIMON (V.O.)

Dear Students of Creekwood High School, As anyone with a half-decent data plan already knows, a recent post on this very website declared that I was gay. The delivery left something to desired, but the message is true. I am. Gay.

EXT. CREEKWOOD HIGH SCHOOL - FRONT STEPS - THE NEXT MORNING

Students head into school, glued to their phones. Everyone is reading Simon's post.

SIMON (V.O.)

For a long time, I was bending over backwards to hide that fact. I had all these reasons. It was unfair that only gay people had to come out. I was sick of change. But the truth is, I was terrified.

INT. CREEKWOOD HIGH SCHOOL - HALLWAY - DAY

Ms. Albright reads Simon's post on her phone as an EAGER DRAMA STUDENT hangs an *OLIVER: TONIGHT!* banner. The Student checks with Ms. Albright for approval, but she's totally focused on her phone.

SIMON (V.O.)

Announcing who you are to the world is terrifying. Because... what if the world doesn't like you?

EXT. CREEKWOOD HIGH SCHOOL - COURTYARD - DAY

Nick and Abby read Simon's post as they sip iced coffees on a bench.

SIMON (V.O.)

So, I did whatever I could to keep my secret. I hurt people. I hurt the best, most important people. I want them to know that I'm sorry.

(MORE)

SIMON (V.O.) (CONT'D)  
 I'm sorrier than I've ever been  
 about anything in my life.

INT. CREEKWOOD HIGH SCHOOL - EMPTY ART CLASS - DAY

Leah has stopped SKETCHING A DRESS to read Simon's post.

SIMON (V.O.)  
 And I want everyone to know that  
 from this point forward, I am done  
 being terrified.

Leah smiles, proud of Simon.

INT. / EXT. SIMON'S CAR / CREEKWOOD HIGH SCHOOL - DAY

Simon pulls into a parking spot. He takes a deep breath and gets out of the car to face his school.

INT. CREEKWOOD HIGH SCHOOL - LOBBY - DAY

Simon heads to his locker. He's met with nods of recognition, a few pats on the back, a fist pound. He shyly accepts it all, a little overwhelmed by the attention.

SIMON (V.O.)  
 I'm done living in a world where I  
 don't get to be who I am.  
 (beat)  
 And I'm done living in a world  
 where I don't get to have a great  
 love story.

INT. CREEKWOOD HIGH SCHOOL - DAY

Nora stands at her locker, reading the post on her phone.

SIMON (V.O.)  
 Disclaimer: this is about to get  
 romantic as eff, so anyone averse  
 to gratuitous feelings, kindly  
 click over to a BuzzFeed quiz or  
 resume the porn you paused to read  
 this.

Nora smiles. Mr. Worth notices Nora on her phone and beckons for it. She stares him down. He gives her a "never mind" gesture and hurries away.

Nora sends an e-mail on her phone...

INT. ALICE'S BARD DORM ROOM - DAY

Alice sits on her bed, eating Oreos and studying. Her phone dings and she looks at it. Nora has forwarded her Simon's post. She starts to read.

SIMON (V.O.)

This guy that I love once wrote  
that he felt like he was stuck on a  
ferris wheel. On top of the world  
one minute, at rock bottom the  
next. That's how I feel now. I  
couldn't ask for better friends. A  
more understanding family. But  
none of it means anything if I  
can't share it with him.

Alice's SOUL PATCHED BOYFRIEND enters from the next room and sits down on the bed. She leans into him as she continues reading.

INT. CREEKWOOD HIGH SCHOOL - AUDITORIUM - LATER

We're at the end of the *Oliver* performance. The entire company BOWS to a STANDING OVATION.

SIMON (V.O.)

So, guy I love, after the play  
tonight, at 10:00, you know where  
I'll be.

Simon scans the crowd, looking at all the HIGH SCHOOL GUYS in the audience, wondering if any of them are Blue. If he'll ever find out who Blue is.

SIMON (V.O.)

There's no pressure for you to show  
up. Just because I can't wait a  
second longer to grand gesture the  
crap out of you doesn't mean you  
have to be ready for all that.

INT. CREEKWOOD HIGH SCHOOL - OUTSIDE AUDITORIUM - LATER

Simon receives FLOWERS from his family after the show. Nora gives him a big hug, proud of him for his Creeksecrets post.

Simon looks around and sees lots of STRAIGHT COUPLES congratulating each other and kissing. Sure, he's surrounded by people who love him, but he feels very much alone.

SIMON (V.O.)  
 But I hope you are. Because you  
 deserve a great love story too.  
 And I sure would like to meet you.

INT. SIMON'S BEDROOM - THE NIGHT BEFORE

Simon finishes writing his post.

SIMON (V.O.)  
 Sincerely, Simon Spier.

Simon posts the same stock image of the ferris wheel from  
 Blue's original Creeksecrets post and hits SEND.

INT. CREEKWOOD HIGH SCHOOL - OUTSIDE AUDITORIUM - PRESENT

Nick and Abby approach Simon and his family. Simon is  
 immediately uncomfortable.

ABBY  
 Hey, Spiers.

JACK  
 (bad British accent)  
 Great job, Dodge. Stay away from  
 my wallet!

Abby forces a laugh.

NICK  
 Simon, do you need a ride to the  
 carnival?

Simon stares at them, hopeful. Abby rolls her eyes and gives  
 him a smile like, "We're fine." Simon throws his arms around  
 them, very emotional. Jack and Denise exchange a confused  
 look.

DENISE  
 He never does that when I offer him  
 a ride.

EXT. WINTER CARNIVAL - NIGHT

Simon, Nick, Abby, and Leah walk through a bustling old-  
 school carnival with rickety rides and candy apples and  
 rigged games. It seems like the whole town is there.

Simon checks his watch and gives his friends a nod. It's  
 time. They hug him. And then, he takes off on his own.

EXT. WINTER CARNIVAL - FERRIS WHEEL - NIGHT

Simon boards the ferris wheel, giving the OPERATOR a HANDFUL OF RIDE TICKETS.

SIMON

This should last a while.

The ride starts. A pair of CREEKWOOD GIRLS notice Simon riding alone.

CREEKWOOD GIRL

Oh my god, look.

OTHER CREEKWOOD GIRL

I bet he's waiting for the other gay kid. That's romantic as shit. Where's Dana, she'll love this.

Off Simon, realizing he's been noticed...

CUT TO:

EXT. WINTER CARNIVAL - FERRIS WHEEL - LATER

A crowd of CREEKWOOD STUDENTS has gathered below the ferris wheel, waiting to see if Simon's significant other will show up. Everyone we've met from school is there: Nora, Nick, Abby, Leah, Taylor, Bram, Garrett, Lyle. Plus plenty of others. Every now and then someone calls out something like:

SUPPORTIVE GUY

Hang in there!

Or:

SENIOR GIRL

We love you, Simon!

Simon hates the attention. Nora goes into defensive sister mode, trying to get rid of the crowd below.

NORA

Don't you people have anything better to do? Go get candy cotton and make out with each other.

ABBY

You heard the woman, move people!

But no one moves.

TIME CUTS as Simon continues to ride, realizing that if Blue doesn't show up, his humiliation will now be quite public.

Happy couples get on and off the ride. Whenever the ferris wheel stops, Simon looks at the line hopefully. But no one joins him in his car.

EXT. WINTER CARNIVAL - FERRIS WHEEL - LATER

Simon checks his watch - it's 10:28. He's been at this for almost half an hour. The ride comes to a stop.

OPERATOR  
That was your last ride ticket,  
buddy.

SIMON  
Okay.

Simon stands up when Martin races out of the crowd.

MARTIN  
(to Operator)  
One more. On me.

Martin hands the Operator a five dollar bill, shoots Simon a quick look, and returns to the crowd.

Everyone watches as the Operator loads new passengers onto the ferris wheel, waiting to see if Simon's guy will show.

NICK  
Oh, god. I can't watch.

The Operator fills up the ride, then yells out:

OPERATOR  
Last call for the ferris wheel!

The Operator goes to close the rope and start the ride, when-

GUY'S VOICE (O.S.)  
Wait!

Simon looks up to see BRAM GREENFIELD standing at his ferris wheel car. He looks terrified.

BRAM  
Can I sit here?

SIMON  
Uh, I'm kind of waiting for  
someone.

Bram sits next to Simon. The Creekwood Students watching hold their breaths.

BRAM

I know.

Simon is confused. He stares at Bram. Then:

SIMON

It's... you?

BRAM

It's me.

The Operator starts up the ride.

SIMON

But at your party you were--

BRAM

(wincing)

Sorry about that. I was drunk and confused. It ended like a minute after you saw us-

SIMON

(gently)

It's fine.

(then)

I didn't think you'd come.

BRAM

Me neither. Until I was walking towards you I didn't think I had it in me.

(beat)

But you're right. I do deserve a great love story.

(then, suddenly  
vulnerable)

Are you... disappointed? That it's me?

Simon stares at Bram.

Then, he leans over and KISSES him. Bram is shocked. But he gives into it and kisses back.

Their moment is interrupted by WHISTLING and CATCALLS.

They look below and realize the Creekwood students are enthusiastically cheering for them. They both blush and cover their faces, overcome with a mix of embarrassment and utter joy.

*Little Secrets*, the song from our opening, taking us to...

INT. SIMON'S ROOM - MORNING

Simon pulls on his favorite hoodie, checks his reflection in the mirror, grabs an essay off the printer.

INT. SIMON'S KITCHEN - MORNING

Simon says goodbye to his family, grabs a handful of delicious, homemade granola Nora is setting out, tosses a few clusters to Bieber.

INT./ EXT. SIMON'S CAR / SHADY CREEK STREETS - MORNING

Simon pulls up to Nick's house. HONKS.

Nick comes out and gets in front just as Leah crosses the street and gets in the back.

INT. / EXT. SIMON'S CAR / WAFFLE HOUSE DRIVE THRU - MORNING

Waffle Guy Employee hands Simon FIVE ICED COFFEES. Simon hands two to Nick. We know one is for Abby.

INT. / EXT. SIMON'S CAR / SHADY CREEK STREETS - MORNING

Simon, Nick, and Leah pull up in front of a PRETTY RANCH HOUSE. A new part of their morning routine.

Nick automatically gets out of the car and into the backseat with Leah, just as...

Bram comes out of the house and gets into the front seat.

Simon hands Bram his iced coffee and gets a GOOD MORNING KISS in return. Nick blows his straw wrapper at them.

Simon grins. And we...

CUT TO BLACK.

**THE END**
