CAMERA moves towards the little EIGHT YEAR OLD BOY as he watches the older couple CRY and SCREAM as detectives begin to cuff them

--

INT. POLICE CAR - MOVING - LATER

CAMERA holds a CU. of Jim as he drives. He speaks to someone unseen;

JIM KURRING

This is not an easy job. I get a call from Shirley on the radio: Bad News. It's never good news. She tries to be cheerful, tries to say something nice, but uh-huh, it's just Bad News. And It Stinks. But this is my job. And I Love It. Because I want to do well. In this life and in this world I want to do well. And I want to help people. And I may get twenty bad calls a day. But one time I help someone, I Make A Save? I correct a wrong or right a situation; Then I'm a happy cop. And We Move Through This Life We Should Try And Do Good.

WIDER ANGLE reveals that he is talking to himself. BEAT. HOLD.

JIM KURRING (sotto, to himself)
...Do Good. And If We Can Do That...And Not Hurt Anyone Else.....Well, Then....

INT. APARTMENT COMPLEX/NORTH HOLLYWOOD - DAY Sequence B

CAMERA (STEADICAM) follows behind JIM KURRING. He walks through a courtyard, past some young mexican and black kids playing, up a staircase and arrives at a door that is half open;

JIM KURRING

Hello?

He knocks, pushes the door open a bit, steps in: A very, very large black woman, MARCIE (40s) appears, coming at him, ranting and raving;

MARCIE

What? What? What now?

JIM KURRING

Quietly, slow down, whoa --

MARCIE

You can't just come in here.

JIM KURRING

The door was open, I got a call --

MARCIE

You're just come in --

JIM KURRING

Calm down.

MARCIE

I am calm.

JIM KURRING

I got a call to this apartment, report of a disturbance --

MARCIE

There's no disturbance.

JIM KURRING

I got a call of a disturbance, you're door was open, I just wanna see what's goin' on --

MARCIE

There's no disturbance.

JIM KURRING

Then you've got nothin' to worry about.

MARCIE

You don't tell me, I know my rights, just come right in, you can't --

JIM KURRING

Don't test me, you wanna talk about what the law book says, we can do that, push me far enough and I'll take you to jail -- now calm down.

MARCIE

I AM CALM.

JIM KURRING

You're not calm. You're screamin' and yellin' and I'm here to check on a disturbance that was reported and that's what I'm gonna do - now are you alone in here?

MARCIE

I don't have to answer your questions.

JIM KURRING

No you don't: But I'm gonna ask you one more time: Are you alone in here?

MARCIE

What does it look like?

JIM KURRING

No one else in here?

MARCIE

You're here.

JIM KURRING

OK. That's true. Is anyone else, besides me and besides you in this house?

MARCIE

No. I said that.

JIM KURRING

Are you lyin' to me?

MARCIE

I live alone.

JIM KURRING

Maybe so, but I'm gonna ask you one more time: Is Anyone Else In This House Right Now?

MARCIE

No I Said.

JIM KURRING

Ok. What's your name?

MARCIE

Marcie.

JIM KURRING

Ok. Marice why don't you take
a seat for me?

MARCIE

I preffer to stand.

JIM KURRING

I'm not askin', Marcie.

Marcie sits down.

MARCIE

I didn't do anything.

JIM KURRING

Maybe you didn't, but I'm here
to find out about a disturbance.
Some neighbors called said they
heard screaming and a loud crash.

MARCIE

I don't know a loud crash.

JIM KURRING

And what about screaming?

MARCIE

I said: I DON'T KNOW. You can't just
come in here and start pokin' around --

JIM KURRING

What's this, how did this happen?

INSERT, ECU. THE FLOOR.

An ashtray has fallen on the floor, cigarette butts all around.

MARCIE

An ashtray fell, I don't know, maybe
last night, I just woke up.

JIM KURRING

You just woke up. And what'd you have
a party last night, the way this place
looks?

MARCIE

I went out last night.

JIM KURRING

Ok. Marcie. Starting now I want you to have a new attitude with me. The more you play games, the more suspicious I'm gonna become that you've been up to something.

MARCIE

It's a free country, you can think anything you want.

JIM KURRING

Yes I can, Marcie. And until you start givin' me some straight answers: I'm gonna assume that some mischief has been goin' on here.

MARCIE

Mischief? What the fuck you talkin' about, mischief?

JIM KURRING

Bad and illegal behavior. That's what I mean. Ok? Mischief. Now have you been doin' some drugs today?

MARCIE

No.

JIM KURRING

You on any medication?

MARCIE

No.

JIM KURRING

Been drinkin' today?

MARCIE

It's ten o'clock in the morning --

There's a small THUMP noise OC. Jim turns his head quick and looks and Marcie freezes.

JIM KURRING

--- What was that?

MARCIE

I didn't hear anything.

Marcie stands up.

JIM KURRING

No. No. Stay down, Marcie, sit
back down on that couch --

MARCIE

I don't have to do a god damn thing.

Kurring gets his handcuffs out and handcuffs her wrist to the
couch, she goes crazy, screaming and yelling the whole time;

MARCIE

**WHAT'S THIS? WHAT'S THIS? GOD DAMN
BULLSHIT. BULLSHIT. DON'T PUT THOSE --**

JIM KURRING

Marcie - CALM DOWN. CALM DOWN
and don't do this. I want you to stay --

Continue with that until he's got her cuffed to the couch.
He removes his REVOLVER from his holster and starts to move
slowly down the hall to the back bedroom --

MARCIE

**WHAT THE FUCK IS THIS BULLSHIT?
WHAT THE FUCK ARE YOU DOING, MOTHERFUCKER?
MOTHER-GOD-DAMN FUCKER. WHERE ARE YOU GOIN'?
DON'T GO IN MY GOD DAMN BEDROOM.**

Kurring keeps moving slowly, gun drawn, CAMERA behind him;

JIM KURRING

This is the LAPD. If anyone is
back here I want you to come out
and I want you to show yourself
to me with your hands in the air --

MARCIE

**THERE'S NO ONE IN THERE. STAY OUT
OF MY MOTHERFUCKIN BEDROOM.**

Kurring moves into the BEDROOM now and sees that the CLOSET is
closed and probably the only place for someone to be hiding;

JIM KURRING

This is the LAPD, if anyone is in
the closet I want you to come out
and show yourself to me, slowly and
with your hands up --

MARCIE (OC)

THERE'S NO ONE IN THERE!

JIM KURRING

Marcie - quiet down! Now if anyone is in the closet, come out now --

MARCIE (OC)

THERE'S NO ONE IN MY MOTHERFUCKIN CLOSET AND STAY OUT OF MY BEDROOM, STAY OUT OF MY GOD DAMN BEDROOM.

JIM KURRING

-- do not do this -- my gun is drawn and If I Have To Open That Closet you will get shot -- Step Out Now.

Jim inches towards the closet, flips it open real quick and stands back, ready for something to jump out -- nothing.

MARCIE

I told you there was no one in there!

Jim looks down the hall at Marcie who has physically dragged the large couch handcuffed behind her;

JIM KURRING

Marcie - Do not drag that couch any further!

JIM'S POV, CAMERA DOLLIES IN SLOWLY TOWARDS THE CLOSET.

He pushes some sheets aside and burries around to reveal:

A DEAD SKINNY WHITE MAN (50s) curled up in a ball on the floor of the closet. He'd dead and he's been covered in dirty laundry. He has a gag around his mouth.

HOLD on Jim for a moment, he panics a little and swings his REVOLVER towards Marcie:

JIM KURRING

What the hell is this Marcie?

MARCIE

THAT'S NOT MINE.

Jim swings the aim of his gun back at the dead body.

there that's the cocksucker...like...I see
that pen...I see it, I know it's there,
I reach out for it -- no --

He mimes the action, gets nowhere near the pen.

EARL

...no...no goddamn use.

I have a son, y'know?

PHIL

You do?

EARL

...ah...

PHIL

Where is he?

EARL

I don't know...I mean, he's around,

Do you have a girlfriend, Phil?

PHIL

No.

EARL

Get a girlfriend.

PHIL

I'm trying.

EARL

And do good things with her...share
the thing...all that bullshit is true,
y'know...find someone and hold on all
that...Where's Linda?

PHIL

She went out. She said she went
out to run some errands. She'll be back.

EARL

She's a good girl. She's a little nuts, but she's a good girl I think. She's a little daffy.

PHIL

She loves you.

EARL

...ah...maybe...yeah...she's a good one...

PHIL

When was the last time you talked to your son?

EARL

....I dunn...o....maybe ten...five, fuck, fuck...that's another thing that goes --

PHIL

EARL

Time lines, y'know? I remember things but not so -- right there -- y'know?

PHIL

Yeah.

EARL

"yeah." the fuck do you know?

PHIL

I've seen it before.

EARL

Other fuckin' assholes like me.

PHIL

There's no asshole like you.

EARL

...cocksucker....

PHIL

How come every word you say is either "cocksucker," or "shitballs," or "fuck?"

EARL

Do me a personal favor --

PHIL

Go fuck myself?

EARL

You got it.

EARL gets hit with something and starts to MOAN a bit. Sharp pain hitting him and he touches his hand to his face....

EARL

...I can't hold onto this anymore...

PHIL

I'll get you another pain pill.
Another morphine pill --

EARL

...gimme that fuckin' phone...

PHIL

Who are you gonna call?

EARL

I wanna see this...where is he,
do you know?

PHIL

Who?

EARL

Jack.

PHIL

Is Jack your son?

Earl doesn't answer. He's drifting a bit more now.

PHIL

You wanna call him on the phone?
We can call him, I can dial the
phone if you can remember the number --

EARL

-- it's not him. it's not him.
He's the fuckin' asshole...Phil..c'mere...

Phil leans in closer to Earl.

EARL

This is so boring...so goddamn...
and dying wish and all that, old
man on a bed...fuck...wants one thing:

PHIL

It's ok.

Earl hallucinates a bit, cries a little, tries to form the sentences;

EARL

...find him on the...Frank. His name's Frank Mackey --

PHIL

Frank Mackey. That's your son?

EARL

that'snotmy name...find Lily, gimmmme that, give it --

Earl tries to grab something near Phil's head that is not there. He's hallucinating more now, falls asleep a bit, mumbling;

EARL

I can't hold ontothis anymore...

He gives Phil make an imaginary object and falls asleep. BEAT. Stay with Phil a moment as he turns his head, looking around the house a moment, looks back to Earl.

INT. BURBANK HOLIDAY INN/BANQUET ROOM - THAT MOMENT

FRANK steps into a CLOSE UP and holding a mic, says:

FRANK

Respect the cock and tame the cunt, boys.

REVERSE, THAT MOMENT. The crowd of fifty GUYS who are taking the "Seduce and Destroy Seminar" that Frank is teaching today laugh and play along;

Frank is on a slightly elevated stage. vBehind him a huge banner for, "Seduce and Destroy," whose logo is a scared pussycat and a large wolf with a big buldge in his fur. It reads: "No Pussy Has Nine Lives".

FRANK

And you did hear me right. Tame it.

Take it on, head first -- with your skills at work and say, "No. You will not control me. You will not take my soul and you will not win this game." 'cause it is a game, guys, you wanna think it's not -- go back to the schoolyard and have a crush on Mary Jane -- respect the cock -- you are embedding this thought: I'm in charge. I'm the one who says yes, no, now or here. Shit, man. Sad but true. Sad But True. And you wanna know what? It must be the way. The thing about chicks and the thing about this course that we're going through today is how universal the whole thing is. I mean: I wish I could sit here and say that it's not -- because the reality? If each chick had something new, something really new that I'd never seen before? Fuckin' hell: I'd be in the money! Because I'd have to create a hundred new cassettes, a hundred new books, a hundred new seminars and hundred new videos just to deal with each and every situation a chick could create - but that is just not the case. They are

universal.

They are sheep. They are to be studied and watched -- they have patterns that must be

stopped,

interrupted and resisted. I'd be makin' a fuckin' butt load if they were actually as much of a challenge as they want you to think they are! Reality: They Are All The Same.

Come Back.

Each and every one of them. And once you learn these methods: You're Set. You Don't Have To

True.

That's it. In solid. Boom. Done. Over. Why? Because all women are the same. Period. End of discussion. Sorry. It's true. Sad But

pie --

And anyone who wants to say that these methods we work by are "unfair?" Yes, they are. Guilty as charged. And so's the world. It's a harsh, hard unfair place, but it's not gonna stop me from getting my fair shair of hair

Period. Sorry. End of discussion.

Sliding doors open in the lobby and a young woman GWENOVIER (30s) enters, takes off her sunglasses and looks around.

There's a bunch of Posters and Signs for the "Seduce and Destroy Seminar with Frank TJ Mackey," etc. Frank's two sidekicks: DOC (20s) and CAPTAIN MUFFY (40s) approach;

CAPTAIN MUFFY

You're Gwenovier?

GWENOVIER

Yeah.

CAPTAIN MUFFY

I'm Captain Muffy, I'm Frank's personal assistant. This is Doc --

DOC

Hello.

GWENOVIER

Hello.

CAPTAIN MUFFY

We can go right in here. He started about thirty five minutes ago, but it's all getting pumped up now --

FRANK

Number One: Get a calendar. I cannot stress this enough. This is a simple item guys. It's 99 cents at your corner store: Go And Get One. Fuck it, if you reach into your packet, you'll see I've been nice enough to include one, 'cause that's the kind of prick I am -- You're gonna need this calendar and I know it sounds like a small thing, but having it makes all the difference in the world: If you meet a girl and you're gonna work an A-3 Interruption --

let's say an eight day waiting period before the next call -- how you gonna know when those eight days are up? Buy a calendar. Next move? Mark the calendar. Yeah, yeah, yeah. What did I pay my eight hundred dollars for? To hear Frank tell me to buy a calendar and mark it? Just stick with me and stick by the calendar. Mark it up -- use it to set goals -- If you wanna make that "friend" something else -- you gotta be hard on yourself, set goals:

PHIL

Hi. Is Frank there?

FEMALE VOICE

I think you have the wrong number.

PHIL

I'm looking for Frank Mackey.

FEMALE VOICE

No.

PHIL

Is this 509-9027?

FEMALE VOICE

Yeah. You have the wrong number. There's no one named Frank here.

PHIL

Alright. Thank you.

Yep.

GWENOVIER

Sorry I'm late --

CAMERAMAN

-- we're all set upstairs.

GWENOVIER

Thanks.

She moves towards a row and takes a seat next to Captain Muffy and Doc, speaks sotto again;

DOC

You have everything you need?

GWENOVIER

I'm set, thanks.

CAMERA moves away, Frank is kneeling down to a GUY in the audience, interacting, speaking compassionately;

FRANK

Denise?

GUY

That's right --

FRANK

-- and she hurt you didn't she?
I know, I know. I know how that
can be brother, but let me tell you loud
and clear what we will be teaching
Denise when we put our calendars to work and
set goals:

Frank hops back up on the stage;

FRANK

Little Denise, I say this: I mark it
up and I write it down and you've been warned:
"By the end of May, you will know I'm not gay."
"On the fourth of June, Denise, you're

gonna be lickin' my spoon."
"And Come August, You Suck My Big Fat
Sausage." I've SET GOALS FOR MYSELF.
And what? I've said "enough is enough."
Because why? She's not gonna be your pal.
She's not gonna be your friend. You think
she's gonna be there for you the second
you need something? Think again - this fuckin'
bitch Denise!

(audience cheers)

But: Listen up: That is not to say that we
don't
couple
18
all need women as friends, 'cause we're gonna
learn later on in Chapter 23 that having a
of chick-friends laying around can come in
real handy in setting Jealousy Traps.
But we'll get to that. Number One (this is page
in your booklets, blue cover - go to it and
follow along with me.)

The guys flip open their little blue booklets and follow along.

FRANK

Create a crisis -- simple and clean,
and if done properly can be quite
effective in getting some bush.

She opens the door and sees FRANK, crying and hysterical.

FRANK (VO)

She opens it up, pissed as hell, but
finds you sobbing your eyes out --

Frank looks up at her and says:

FRANK

...I can't believe what happened...

Frank and the Girl sit down on the couch together.

FRANK (VO)

You explain between sobs that you hit
a dog on the way over to pick her up
and you had to rush it to the animal
hospital but by the time you got there --

FRANK

...and it's paw was sticking out...
and it was too late. It was too late.

FRANK

I can't believe I'm telling you guys this,
but the truly terrifying part is that: THIS

WORKS.

Any girl that calls herself your friend is not
gonna let you be alone in a situation like that.
Technique #2: Staging a fight.
This is not knock down, drag out, crying
screaming, yelling -- this is a simple,
direct and subtle way of planting confusion
into a girl's mind. Remember we are using
reinforcement technique "G" with these women.
Here's how:

CAMERA DOES A SLOW DOLLY IN. Frank's tone changes a bit, gets darker:

FRANK

This is the way...because they will always wonder, "What did I do?" "What could I have done different?" "How should I behave to get this back?" And if they think that way -- then they are asking for you to hurt them and That Is What You Must Do. That is what you must do which is punish them many, many times over.

CUT

TO:

INT. DOCTOR'S OFFICE - MOMENTS LATER

Quick shots get them in the room: DR. LANDON (40s) sits across from LINDA, who's in semi-hysterics, pacing;

LINDA

-- he's fucking dying, he's dying as we're sitting here and there isn't a fucking thing -- jesus, how can you tell me to calm down?

DR. LANDON

I can help you through this the best I know how but there are certain things you are gonna have to be strong about and take care of, now we can go over them, but I need to know that you're listening to me, ok?

LINDA

I just, I just -- I just -- I'm just in a fucking state, I know he's going and it's like I don't know how -- just tell me practical things -- What the fuck do I do with his body? What happens when he dies? That next moment: What? What do I do? Then What?

DR. LANDON

Well that's what Hospice will take care of for you. They will send a nurse, someone who can take care of all of that for you --

LINDA

He has Phil right now.

DR. LANDON

Phil's one of the nurses from the service?

LINDA

Yeah.

DR. LANDON

If you're happy with Phil taking care of him and helping you, that's fine, but contact Hospice to arrange for the body --

LINDA

-- you don't understand: it's more pain than before and the fucking morphine pills aren't working, he's -- past two days it's

like he can't really swallow them and I don't know if they're going down -- I can't see inside his mouth anymore -- I'm up all night staring at him and I don't think the pills are going down and he moans and he hurts --

DR. LANDON

We can fix that, because I can give you -- are you listening?

LINDA

I'm listening. I'm getting better.

DR. LANDON

Do you wanna sit down?

LINDA

I need to sit down.

DR. LANDON

Ok. Linda: Earl is not gonna make it. He's dying. He is. He is dying very, very rapidly --

She breaks a bit more.

DR. LANDON

Now the thing here is making that experience as painless and easy as possible for him, you understand? Now you need to get in touch with Hospice care because they can take care of all those practical things that you're asking me about -- they are who you call when he dies.

He writes a number on his bussiness card, hands it over as they speak;

DR. LANDON

This is the number for Hospice. Ok. Now. As far as the morphine pills go, there is something else to consider that can take the pain away that he is in, there is a very strong and very potent solution of liquid morphine....it's a little bottle, with an eye dropper and it's easy to get in his mouth and drop on his tounge and it will certainly diminish the pain that he is in but you have to realize that once you give it to him; there really is no coming back, I mean, it will certainly cure his pain, but he will float in and out of consciousness, even worse than he

is now, Linda. I mean, any sign of the recognizable Earl will pretty much go away --

LINDA

-- how the fuck can I say anything to that -- I don't know what to say to that --

DR. LANDON

The job here is to make him as comfortable as possible -- right now -- our job is to just try and make it as painless as possible. Right? You understand?

CAMERA pushes into an EXTREME CLOSE UP on Dr. Landon's hands writing the perscription for the liquid morphine....hands it to Linda....

She's asleep.

MIDDLE AGED GUY

You're Jimmy Gator, right?

JIMMY

Yes. What's your name?

MIDDLE AGED GUY

I'm Bob.

MIDDLE AGED GUY

No, I'm just a friend. What are you doing here, I mean...you know Claudia?

JIMMY

I'm her father.

The Middle Aged Guy looks a bit confused.

JIMMY

Can I come in?

MIDDLE AGED GUY

Yeah. She's sleeping now, I mean --

Jimmy steps inside, looks around the place, sees the coke and some pot and pills sitting out on the coffee table.

MIDDLE AGED GUY

JIMMY

It's me. Claudia. It's me.

She sits up a bit, covers herself, looks past him and sees the Middle Aged Guy, sitting in his underwear in the living room, watching them. She looks back to Jimmy;

CLAUDIA

What do you want? Why are you here?

JIMMY

I'd like to talk to you. Your boyfriend let me in, I just knocked on the door --

CLAUDIA

He's not my boyfriend.

Jimmy hesitates a beat, then:

CLAUDIA

Wanna call me a slut now, something?

JIMMY

No. No.

She starts to move towards tears, nervousness;

CLAUDIA

What the fuck do you want?

JIMMY

I want to sit. I want to talk to you.

CLAUDIA

Don't sit down.

JIMMY

...I want to....I want so many things, Claudia. Maybe we can just talk to straighten our things out....there are so many things that I want to tell you --

CLAUDIA

I don't wanna talk to you.

JIMMY

Donnie stops short, looks. Avi gives him the "follow me" finger.

DON

SOLOMON

Don't Donnie. Don't do it.

Donnie swells up a bit, about to cry.

DONNIE

This is so fucked, Solomon.
I don't deserve this.

SOLOMON

Don't get strong, Donnie. This is making sense, this making a lot of sense. You are not doing the job, the job I ask you to do, a job I give you. Over and over and over and I'm sorry. But I'm not gonna say I'm sorry that much more.

DONNIE

Solomon: I am in the middle of so much. So much in my life and this is -- If you do this, if you fire me: I Am Fucked. I can't really explain much, but please, please, I've worked here for four years, four years I've given you and I'm, I'm, I mean what? I'm sorry I was late. I had a car accident. I accidentally drove into a seven-eleven. It was not my fault.

AVI

Who's fault was it, Don?

SOLOMON

Avi, please, shut the fuck up for one second. Don, how much further do you want me to go in showing you, showing you what I've done for you in four years and what you've done back? Do you want me to do it? I can.

The loans I've given, how much your sales are, how late you are, over and over, loosing the keys to the Covina store --

DONNIE

I don't have any money, Solomon.
If you fire me --

SOLOMON

-- I give you money, I give you a paycheck.
Your sales suck, Don. I give, I give.
When I find you, when I meet you,
what? I put you on the billboard,
I put you in the store, my salesman,
my fucking representation of Solomon
and Solomon Electronic, Quiz Kid Donnie Smith
from the game show --

DONNIE

I lent my name, my celebrity. Exactly --

SOLOMON

FUCK YOU. I pay you, I paid you.
I give you a fucking chance and
a chance and over and over, over you
let me down. I trust you with so much.
The keys to my store, the codes to my locks,
the life, the blood of my bussiness and
return is smashing in seven-eleven, late,

DONNIE

I paid you back.

SOLOMON

Two years! Two years later and out of your
paycheck, I never charge interest --

DONNIE

Solomon, please. Please. I am so fucked

I don't think braces is a good idea --

DONNIE

I can't believe you're gonna do this
to me, the situation I'm in, I don't --
Avi: You know what? Being hit by lightning
doesn't matter for getting braces, ok?
Now Solomon, let me just ask you once:
Please. Please. Don't do this.

AVI

How are you paying tor the braces, Donnie?

DONNIE

I don't know.

SOLOMON

And how much is braces?

DONNIE

It's...doesn't matter....

AVI

It's like five thousand dollars,
I've seen it, I know --

SOLOMON

You're pissing me off, Don. This is

you're gonna spend five thousand dollars
on braces you don't need --

DONNIE

I've been a good worker --

SOLOMON

Don't do this, Don.

AVI

No need for braces, Donnie.

SOLOMON

Where are you getting the money for this?

DONNIE

I don't know.

SOLOMON

You were gonna ask me weren't you?

DONNIE

I've been a good worker, Solomon.
A hard and loyal --

AVI

Nope. So what'd they find out in there?

JIM KURRING

That's confidential information, little man.

Shut The fuck up, try to listen and learn --

JIM KURRING

Alright, alright, cut it, coolio.
That's enough with the mouth and

DIXON

I'm almost done.

JIM KURRING

Finish it up without the lip.

DIXON

Check that ego - come off it -
I'm the profit - the proffesor
Ima teach you 'bout The Worm,

When the sunshine don't work, the Good Lord
bring the rain in.

HOLD ON KURRING.

DIXON

Now that shit will help you SOLVE the case.

JIM KURRING

Whatever that meant, I'm sure it's
real helpful Ice-T.

Kurring gets behind the wheel, Dixon hustles over;

DIXON

Did you listen to me?

JIM KURRING

Frank is getting his mic put on, Gwenovier has a small VIDEO CREW with her. They both get touched up for the interview, Frank's talking away;

FRANK

I swear to fucking-god, I do one-a-my seminars, I'm Superaman! I'm Batman! I'm like a fucking action hero the way I feel afterwards, like I could walk out this door, down the street, pick up any fuckin' pootie I see that has even one second to stop --

Gwenovier gives a little snap and finger gesture to her CAMERAMAN to start rolling;

GWENOVIER

All it takes is one second?

FRANK

Just one look, one hesitation, one subtle gesture for me to know -- And Bing-Bam-Boom I'm away on a tangent -- I get so fuckin' amped at these seminars and lemme tell you why: Because I Am What I Believe. I am what I teach, I do as I say, I live by these rules as religiously as I preach them: And you wanna know what? I'm gettin' pussy left, right, up, down, center and sideways.

GWENOVIER

I'm gonna start rolling --

FRANK

-- go, go, go. I'm givin' pearls here. And I'll tell you samethin' else: I'm not succeeding in the bush because I'm Frank TJ Mackey. If anything, there are women out there that want to destroy me -- it makes it twice as hard for me, I run into some little muffin, knows who I am, knows my schemes and plans -- shit, she's gonna wanna fuck around, prove to her friends, say, "Yadda-yadda-yadda, I saw that guy, he wasn't anything, didn't get me." So me? I'm runnin' on full throttle the whole fuckin' time. Dodging bullets left and right from terrorist blonde beauties. But I'll tell you this: The battle of the bush is being fought and won by Team

Mackey. Can I have a cigarette?

GWENOVIER

Ok. So, lemme just ask you a couple questions to start --

Captain Muffy hands Frank a cigarette, lights it for him.

VIDEO CAMERA'S POV - It's zooms in to close up of Frank. He exhales;

FRANK

What do you want to know?

CAMERA lands in close. Donnie sits a moment. He plays his tape, "Dreams," sings along a bit, pep talks himself, does some deep breathing, says;

DONNIE

Make it happen, make it happen and go,go,go.

He gets out of the car real quick --

CUT

TO:

INT. SMILING PEANUT BAR - THAT MOMENT

CAMERA (STEADICAM) pushes in as Donnie enters this dark little bar.

It's not too crowded. He takes off his wet coat, brushes his hair back a bit and walks to an empty corner table --

Donnie takes his seat and looks over to the bar -- CAMERA swings a 180, heads away from him -- it moves to the bar area and into:

A young, handsome BARTENDER BRAD (20s) is pouring drinks.

CAMERA picks up with a COCKTAIL WAITRESS (30s) who walks over and brings us back to Donnie's booth --

Bartender Brad takes the order from the Cocktail Waitress. He nods, turns from her and smiles to reveal a full set of BRACES.

ANGLE, DONNIE. CAMERA pushes in slow and he smiles, touches his hand to his mouth.

DONNIE'S POV - The Bartender pours the coke, turns his attention towards an old-freaky looking Thurston Howell/Truman Capote/Dorothy Parker type guy (60s) at the end of the bar, who raises his glass, motions as if to say, "Another one of these, please," while waving some money and smiling/flirting with Brad the Bartender.

Donnie's face drops. CAMERA DOLLIES back a little bit and blends from 40fps to 24fps. The Cocktail Waitress arrives back;

COCKTAIL WAITRESS

Diet Coke.

DONNIE

I want a shot of tequila too.

COCKTAIL WAITRESS

-- what kind?

DONNIE

It doesn't matter.

Donnie GLARES across the bar at BRAD and THURSTON as they flirt.

INT. TELEVISION STUDIO/HALLWAYS - THAT MOMENT

CAMERA leads/follows the kids from the show; STANLEY, RICHARD (overweight, 12) and JULIA (child-star-type 11). They're led by CYNTHIA, down the corridors towards the main set --

JULIA

Do you still have to do homework?

RICHARD

Not as much as I used to. Ever since we started, I haven't really gone in to school that much because I've been getting more and more auditions --

STANLEY

I don't have regular classes anymore.

RICHARD

What do you do?

STANLEY

They just let me have my own study-time, my own reading time in the library.

RICHARD

That's pretty cool.

JULIA

Do you have an agent, Stanley?

STANLEY

No.

JULIA

You should get one, I'm serious, you could get a lot of stuff out of this --

STANLEY

Like what?

RICHARD

What do you mean, "like what?"
-- you could get endorsements and shit --

CYNTHIA

-- Richard.

RICHARD

Bite it, Cynthia. You could get free things from people that want you to endorse their products.

JULIA

Commercials, a sitcom, an MOW or something.

STANLEY

What's MOW?

JULIA

Movie Of The Week. I went up for one this morning with Alan Thicke and Corey Haim --

RICHARD

Was it a call back?

JULIA

No. But I probably will get a call back.

RICHARD

If we beat the record, you might get a call back --

JULIA

I'll get it because I'm a good actress, Richard.

RICHARD

Saucy-saucy.

CYNTHIA

C'mon guys, settle down --

STANLEY

Cynthia?

CYNTHIA

What?

STANLEY

How much time do we have?

CYNTHIA

Not enough, what do you want?

STANLEY

I should maybe go to the bathroom.

CYNTHIA

Can you hold it?

STANLEY

I don't know.

CYNTHIA

Just hold it, you'll be fine.

They arrive and enter onto the stage -- CAMERA swings around, branches away from them and BOOMS UP to reveal the set;

There is a LIVE STUDIO AUDIENCE that's being settled into their seats.

It's a three-camera set up with a FLOOR DIRECTOR roaming around, shouting orders, etc.

There's a spot for the announcer, an old-pro named DICK JENNINGS (60s)

Dick is in the middle of doing bad-comedy warm up for the studio audience. He's had a few drinks, etc.

The STAGE itself is a cross between JEAPORDY/NEWLEYWED GAME/PRICE IS

RIGHT. There's a podium for Jimmy Gator. One panel holds "The Kids,"

and one panel holds, "The Adults." There are chaser-lights all around

and some of the design feels left over from the early days of the show.

CAMERA hangs out with the KIDS as they are ushered into their panel,

which at this moment faces away from the audience and is behind a curtain. Julia turns her head, sees something:

JULIA

Here they come --

The ADULT CHALLENGERS are brought out by an assistant type and loaded

into their panel. The Adult Challengers are:

Black woman named MIM MacNEAL (40s)

White guy with glasses TODD GERONIMO (20s)

Puerto Rican guy named LUIS GUZMAN (40s)

The Adults give a couple small glares over to the Kids.

RICHARD (sotto)

Yeah, yeah, yeah, keep lookin' tough-old folks.

STANLEY

They look pretty smart, I think.

JULIA

No they don't --

RICHARD

What are they gonna do -- beat us?

STANLEY

Maybe.

JULIA

We're not going out two days before
we set the record, it's not gonna happen.

RICHARD

When they want us done, they'll call
in the Harvard S.W.A.T team or some shit.

CAMERA lands in CU on Stanley. HOLD. BEAT. THEN:

JIMMY

...you know...

PAULA

Did your wife find out?

JIMMY

No.

PAULA

Then what?

JIMMY

It's just...too late for me to be fuckin' around. I gotta stop. I gotta clean my brain of all the shit I've done that I shouldn't have done --

PAULA

-- that you shouldn't have done? That you regret, what? This? What's this? Fuck, man, c'mon. Treat me like an asshole, but treat me like an asshole.

JIMMY

I don't wanna have to lie to anyone. I don't want to hurt anyone else, anymore.

She doesn't respond. BEAT. THEN:

JIMMY

Thirty fuckin' years I've been with Rose, don't -- y'know -- with this, and I know what you think --

PAULA

All your other fluzzies?

JIMMY

Yeah. Yes.

PAULA

You're making me feel so dirty and shitty. I feel like a big piece of shit right now.

BEAT.

PAULA

Are you gonna tell her what you've done?

JIMMY

Yes.

PAULA

Will you say my name?

JIMMY

If she asks me any question I want to tell her. I want to tell her everything I've done.

PAULA

Well can you do me one favor and don't do that.

Jimmy doesn't answer.

PAULA

Come and tell me it's over and I'll walk away, Jimmy. I've fucked you behind your wife's back for three years, and you've fucked teenage girls behind mine for the same amount of time -- I'll walk away, you need something for your life, for your conscience, but don't put me in the middle --

JIMMY

I won't.

PAULA

What happend to you?

JIMMY

I got in trouble at school.

She stands and walks over to him, moves to give him a hug.

PAULA

Are you ok?

JIMMY

Fuck no.

There's a KNOCK at the door and then it's opened by BURT RAMSEY
(60s)

He's the producer of the show; (WHIP TO HIM)

BURT

JIMMY

It's been the same fuckin' thing for thirty years, Burt --

Jimmy FALLS STRAIGHT TO THE FLOOR.

BURT

Fuck - fuck - fuck - Jimmy -

She runs towards the door, takes a small fall on the way, recovers, opens up;

CLAUIDA

Yeah. Hi. Hello.

REVERSE, CLOSE UP - JIM KURRING - 40fps.
CAMERA pushes in on him a little bit at his first sight of
Claudia.

JIM KURRING

CLAUDIA

I'm sorry, I had to get dressed.

Wider Angle reveals Jim Kurring, in a bit of a daze, standing
with his BILLY CLUB removed and at the ready. He stands back...they

JIM KURRING

-- you the resident here?

CLAUDIA

Yes.

JIM KURRING

You alone in there?

CLAUDIA

Yes.

JIM KURRING

No one else in there with you?

CLAUDIA

No, what's wrong?

JIM KURRING

You mind if I come in, check things?

CLAUDIA

For what?

JIM KURRING

Ok. For one thing, we're gonna
need to turn that music down so
we can talk, ok?

CLAUDIA

I'm sorry.

She turns and Jim Kurring moves to replace his billy club, but
misses

the holster and it FALLS straight to the floor, slides down the steps.

Claudia turns the music down, turns back and sees that he is gone.

Jim Kurring grabs his billy club from the bottom of the steps and bounces back up and into the apartment as if nothing happend;

JIM KURRING

You live alone?

CLAUDIA

Yes.

JIM KURRING

What's your name?

CLAUDIA

Claudia.

JIM KURRING

Claudia What?

CLAUDIA

JIM KURRING

Ok. Claudia Wilson: You tryin' to go deaf?

CLAUDIA

What?

JIM KURRING

Did you hear what I said?

CLAUDIA

Yeah, but I don't know --

JIM KURRING

-- listenin' to that music so loud:
You Tryin' To Damage Your Ears?

CLAUDIA

No.

JIM KURRING

Well if you keep listenin' to the music that loud you're not only gonna damage your ears but your neighbors ears.

CLAUDIA

I didn't realize it was that loud.

JIM KURRING

And that could be the sign of a damaged ear drum, you understand?

CLAUDIA

Yeah.

JIM KURRING

You got the TV on too, keep those on at that same time usually?

CLAUDIA

I don't know -- I mean. What is this?

JIM KURRING

Have you been drinkin' today, doin' some drugs?

CLAUDIA

No.

JIM KURRING

I got a call of a disturbance, screaming and yelling, loud music. Has there been some screaming and yelling?

CLAUDIA

Yes. I had someone come to my door, someone I didn't want here and I told them to leave -- so -- it's no big deal. They left. I'm sorry.

JIM KURRING

Was it a boyfriend of yours?

CLAUDIA

No.

JIM KURRING

You don't have a boyfriend?

CLAUDIA

No.

JIM KURRING

Who was it?

CLAUDIA

I was...he's gone...I mean it's not.

It's over, y'know --

Jim Kurring snoops a bit, she rubs her nose, nervous. Jim
Kurring
heads closer to bedroom --

JIM KURRING

You mind if I check things back here?

CLAUDIA

It's fine.

Jim Kurring heads into the bedroom, looks around, stands by the
laundry basket --

CLAUDIA

What are you lookin' for?

JIM KURRING

Claudia: Why don't you let me
handle the questions and you handle
the answers, ok?

CLAUDIA

ok.

JIM KURRING

You just move in here?

CLAUDIA

About two years ago.

JIM KURRING

Bit messy.

CLAUDIA

Yeah.

JIM KURRING

I'm a bit of a slob myself.

"Go Get 'Em, Honey."

GWEN

And your father?

FRANK

He passed away.

GWEN

I'm sorry.

FRANK

people die.

GWEN

I wouldn't've asked --

FRANK

Not a problem.

GWEN

And you ended up at UC Berkely --

FRANK

From '84 to '89.

GWEN

Psychology major?

FRANK

Right.

GWEN

Do you have your masters?

FRANK

...this close...

GWEN

In five years?

He winks and clicks his teeth.

FRANK

Muffy, can I get another ciggy?

INT. PHARMACY - THAT MOMENT

The YOUNG PHARMACY KID is stacking some stuff away while waiting for the PHARMACIST to finish filling the perscription.

YOUNG PHARMACY KID

Cats and Dogs out there, huh?

LINDA

mmmhmm.

YOUNG PHARMACY KID

Must have alot goin' on for all that stuff you got back there, eh? You could have quite a party all that stuff....

Linda looks down. HOLD. BEAT. THEN:

YOUNG PHARMACY KID

You been on Prozac long? Dexadrine?

LINDA

...I don't....

YOUNG PHARAMCY KID

Interesting drugs. Dexadrine's basically speed in a pill. Y'know? But I guess a lot of doctors are balancing out the prozac with the dexadrine, eh? That Liquid Morphine'll knock you down, out, around, up and down someone's not careful.....can't mix those up, y'know... ..Must have a lot goin' on in your life for all that stuff there.

The Older Pharamacist DINGS his bell and the Young Pharmacy Kid gets the bag and starts to ring it up. SLOW ZOOM IN ON LINDA as he babbles away;

YOUNG PHARAMCY KID (OC)

Strong, strong stuff here, boy...wow....
What exactly you have wrong, you need this
stuff?

LINDA snaps. She starts to tremble and cry and build --

LINDA

You motherfucker...you motherfucker....
**YOU FUCKING ASSHOLE, WHO THE FUCK ARE YOU?
WHO THE FUCK DO YOU THINK YOU ARE?**

YOUNG PHARMACY KID

-- what-what-what, ma'am -- I --

LINDA

**I COME IN HERE - YOU DON'T KNOW,
YOU DON'T KNOW WHO THE FUCK I AM
OR WHAT MY LIFE IS AND YOU HAVE THE
FUCKING BALLS, THE INDECENCY TO ASK
ME A QUESTION ABOUT MY LIFE --**

Linda PUSHES a large DISPLAY over on it's side, SMASHES things on
the
counter, throws things around, basically goes nuts. The Older
Pharmacist comes rushing to the front to try and calm things --

OLDER PHARMACIST

Please, lady, why don't you just calm down --

LINDA

And FUCK YOU TOO. Don't you call me "lady."
I come in with these things, I give it
over to you, you doubt, you make your
phone calls, check on me, look suspicious,
ask questions, "I'm sick." I HAVE SICKNESS
**ALL AROUND ME AND YOU FUCKING ASK ME MY LIFE?
WHAT'S WRONG? HAVE YOU SEEN DEATH IN YOUR BED
IN YOUR HOUSE?** And where is your fucking
decency? That I'm asked questions "WHAT'S

WRONG?"

You suck my dick, that's what's wrong and you,
you fucking call me "lady." You SHAME ON YOU.
SHAME ON YOU. SHAME ON BOTH OF YOU.

She THROWS a crumpled STACK OF MONEY at them both, grabs the
PERSCRIPTION and heads for the door --

INT. EARL'S HOUSE/VAN NUYS OFFICE SPACE - THAT MOMENT

Continue w/intercut between Phil and Chad on the phone. BEAT,
THEN:

CHAD

Why don't they have the same last name?
They don't have the same last name.

PHIL

I know -- and I can't really explain that,
but I have a feeling there's something,
some situation between them, like they don't
really know each other much or well, something
like they don't talk much anymore --

CHAD

Uh-huh.

PHIL

Does this sound weird?

CHAD

Well I'm not sure why you're calling me.

PHIL

There's no number for Frank in any
of Earl's stuff and he's pretty out
of it -- I mean, like I said, he's
dying, y'know. Dying of Cancer.

CHAD

What kind of Cancer?

PHIL

Brain and Lung.

CHAD

My mother had breast cancer.

PHIL

It's rough. I'm sorry, did she make it?

CHAD

Oh, she's fine.

PHIL

Oh that's good.

CHAD

It was scary though.

PHIL

It's a helluva disease.

CHAD

Sure is. So why call me?

CAMERA pushes in on Earl, asleep in the bed, breathing becomes a bit irregular. HOLD on him. 30fps.

PHIL

I know this all seems silly.
I know that maybe I sound ridiculous,
like maybe this is the scene of the
movie where the guy is trying to get
ahold of the long-lost son, but this
is that scene. Y'know? I think they
have those scenes in movies because they're
true, because they really happen.
And you gotta believe me: This is really
happening. I mean, I can give you my
phone number and you can call me back
if you wanna check with whoever you can check
this with, but don't leave me hanging on this --
please -- please. See: See:
See this is the scene of the movie where
you help me out --

GWENOVIER

FRANK

Like I said, yeah --

GWEN

And you went to Van Nuys High, right?

FRANK

I don't how much I went -- but I was
enrolled. I was such a loser back then.
I was -- misguided, pathetic -- I was very fat.
Not even close to what I am today.
Not the Frank TJ Mackey you're eager to talk
to because I was swimming in what was as
opposed to I wanted.

GWEN

Where does that name come from?

FRANK

What name? My name?

GWEN

It's not your given name, right?

FRANK

My mother's name, actually.
Good question. You've done you're research.

GWEN

And "Frank?"

FRANK

"Frank" was my mother's father.

GWEN

Ok. That's why. I had trouble locating
your school records at Berkely and UCLA.
Your name change -- they had no official
enrollment --

FRANK

Oh, yeah. No, no, no. They wouldn't --

GWEN

They wouldn't?

FRANK

no, no, no. Certainly not. I wasn't
officially enrolled, that's right.
Was that unclear?

GWEN

Kind of.

FRANK

I wouldn't want that to be misunderstood:
My enrollment was totally unofficial because
I was, sadly, unable to afford tuition up
there. But there were three wonderful men
who were kind enough to let me sit in on
their classes, and their names are:
Macready, Horn and Langtree among others.
I was completely independent financially,
and like I said: One Sad Sack A Shit.
So what we're looking at here is a true
rags to riches story and I think that's
what most people respond to in "Seduce,"
And At The End Of The Day? Hey -- it may not
even be about picking up chicks and sticking

your

cock in it -- it's about finding What You Can Be
In This World. Defining It. Controlling It and
saying: I will take what is mine. You just

A sudden and LOUD WISHTLE sounds.

JIMMY GATOR

HELLO! Musical Bonus Question before we
go to break and the lucky team is --

Jimmy opens an ENVELOPE and reads:

JIMMY GATOR

Kids in the lead and they get a chance to pull further and farther ahead -- with the following secret bonus musical question: I will read you a line from an opera and you are to give me the same line in the language in which the opera was originally written and for a bonus 25 you can sing it. Here's the line:
"Love is a rebellious bird that nobody can tame, and it's all in vain to call it, if it chooses to refuse."

CAMERA PANS and DOLLIES over to the KIDS and moves in close on Stanley;

STANELY

Well that was..uh..in French...and that was in the opera, "Carmen." And that goes...um...

(sings)

*L'amour est un oiseau rebelle
Que nul ne peut apprivoiser,
Et c'est bien en vain qu'on l'appelle,
S'il lui convient de refuser.*

JIM KURRING

got some coffee brewing, huh?

CLAUDIA

Yeah...it's not...it's been on for a bit --

JIM KURRING

I like iced coffee, generally, but a day like this, rain and what not, I enjoy a warm cup

--

CLAUDIA

-- do you wanna cup?

JIM KURRING

That's great, thank you.

She starts heating/preparing him some coffee.

CLAUDIA

I don't know how fresh it's gonna be --

JIM KURRING

Oh, it'll be fine, I'm sure, Claudia.

CLAUDIA

You take cream or sugar?

JIM KURRING

That'd be fine. So, Claudia, lemme just say, so I can get my role of LAPD officer out of the way before we enjoy our coffee (I never like to talk shop over coffee) I'm not gonna write you up or anything, I'm not gonna give you a citation here -- but the real problem we have is that there are people around here, people that work from their homes, people tryin' to get some work done, and if you're listenin' to your music that loud: They're inconvenienced by that. If you had a job you'd probably understand, but I see you like listenin' to your music and that's fine, you're just gonna wanna keep it down at a certain volume, maybe memorize what number you see on the dial and just always put it to that -- If it's the middle of the day -- that's what I do -- just put it on two and a half and that's a good listening level, alright? I see you like listenin' to your music loud, but, hey, forget about the neighbors, you end up damaging your own ears ok?

CLAUDIA

Yeah.

JIM KURRING

Arlight, then. Cheers.

They clink coffee cups. He makes a sour face at the taste;

JIM KURRING

Is this boyfriend bothering you?

CLAUDIA

I don't have a boyfriend.

JIM KURRING

The gentleman who came to the door --

CLAUDIA

-- is not my boyfriend.

JIM KURRING

Many times, in domestic abuse situations the young lady is afraid to speak, but I have to tell you that, being a police officer, I've seen it happen: Young woman afraid to speak, next thing you know, I'm gettin' a call on the radio, I got a 422 --

CLAUDIA

It's not -- what's a 422?

JIM KURRING

It's where situations like these lead, Claudia, unless you do something about it early, if and when the police call and come for help. Now there are certain measures you can take --

CLAUDIA

It's not my boyfriend -- and it's not anything -- it's over. Really. It's not. He won't come back.

JIM KURRING

I don't want you to come back here in an hour and find that there's been another disturbance.

CLAUDIA

You won't. You won't have to.

JIM KURRING

But I wouldn't mind comin' back in an hour just to see your pretty face!

They laugh.

CLAUDIA

I'm gonna run to the bathroom real quick.

STANLEY

I'm, I need to go, I'm gonna --

Donnie and Thurston and the Patrons continued;

DONNIE

....do you know who I am?

THURSTON

You're a friend of the family I presume?

DONNIE

What? What does that mean?

THURSTON

Nothing special, just a spoke in the wheel.

DONNIE

You talk in rhymes and riddles and
ra...rub-adub --- but that doesn't mean
anything to me, see....see...see I used
to be smart....I'm Quiz Kid Donnie Smith.
I'm Quiz Kid Donnie Smith from the tv --

THURSTON

Might of been before my time.

PATRON #1

I remember you. I remember. In the 60's right?

DONNIE

I'm Quiz Kid Donnie Smith.

THURSTON

...like you said...

PATRON #1

Smart Kid! Fuck, yeah, he-he. You got
hit by lightning that one time, right?

DONNIE

So what?

PATRON #1

I heard about that.

PATRON #2

Did it hurt?

DONNIE

Yes.

THURSTON

But you're alright now, so what's the what?

DONNIE

What?

THURSTON

That's right.

DONNIE

I used to be smart but now I'm just stupid.

THURSTON

Brad, dear?

Brad turns and looks:

THURSTON

Who was it that said: "A man of genius has seldom been ruined but by himself."

DONNIE

(to himself)

-- Samuel Johnson.

BRAD

I don't know.

Donnie looks up at Brad. Brad smiles with his braces, Donnie looks away quick --

THURSTON

It was the lovely Samuel Johnson who also spoke of a fella "Who was not only dull but a cause of dullness in others."

DONNIE

"The" cause of dullness in others --

THURSTON

Picky, picky.

DONNIE

-- and lemme tell you this: Samuel Johnson never had his life shit on and taken from him and his money stolen -- who took his life and his money? His parents? His mommy and daddy? Make him live this life like this -- "A man of genius" gets shit on as a child and that scars and it hurts and have you ever been hit by lightning? It hurts and it doesn't happen to everyone, it's an electrical charge that finds it's way across the universe and lands in your body and your head -- and as for "ruined but by himself," not if his parents take his friggin' life and

and

his money and tell you to do this and do that
if you don't? well, what --

PATRON #1

You're parents took your money you won
on that game show?

DONNIE

Yes they did.
(turns quick to Thurston)
What does that mean, "spoke in the wheel?"

THURSTON

Things go round 'n round, don't they?

DONNIE

Yes they do, they do, but I'll make
my dreams come true, you see? I will.

THURSTON

This sounds Sad as a Weeping Willow.

DONNIE

I used to be smart but now I'm just stupid.

THURSTON

Shall we drink to that?

Donnie looks to the television for a moment, starts to tear up,
CAMERA pushes in slow to an EXTREME CLOSE UP. He repeats line's
from
his days on "What Do Kids Know?" and does his best Jimmy
imitation;

DONNIE

"If a brick weighs one pound plus one
half brick -- how much does the brick weigh?"
"Well if subtracting the half of brick from
the whole brick you got one half of brick,
equals one pound so therefore the brick
equals two pounds --" "A little more than
kin and less than kind," is Hamlet to Claudius.
"The sins of the father laid upon the children,"
is Merchant of Venice but borrowed from Exodus
20:5 and "win her with gifts if she respects not
words," is Two Gentleman from Verona.
Where? Who? How and Why, Kids?

THURSTON

"Why don't you shut the fuck up," is me to you,
Chapter Right Here, Verse Right Now.

JULIA

Oh, yeah...yeah...

JIMMY GATOR

You're fast becoming a celebrity. How are you handling it all?

Ohh, it's all fine. It's all. Nice. I'd just like to keep going....keep getting on....

JIMMY GATOR

Sure, sure...that's fine,
then...there...with.....

Jimmy starts to loose his grip on the proceedings a bit, slows his pace down....Stanley notices....

The AUDIENCE laughs. Jimmy clicks back with a chuckle and a "isn't that cute," smile to the crowd and he walks over to his podium; CAMERA stays for a moment with Stanley, notices him continue to grab his crotch and make a face....

CUT

TO:

INT. HOLIDAY INN SUITE - THAT MOMENT

Frank and Gwenovier doing the television interview. CAMERA DOLLIES IN SLOW ON EACH:

FRANK

-- that's right, that's right, and what I'M saying, that none of my competitors can say is this: That there is no need for insight or understanding. Things of the past! Gone, Over,

Done.

Do you realize how fucking miraculous this is? How fucking razor sharp and cutting edge and ahead of it's time this concept is? I'm talking about eliminating insight and

understanding

as human values. GOD DAMN I'M GOOD. There is no need for INSIGHT. There is no need for UNDERSTANDING. I have found a way to take any subjective human experience -- in other words -- all the terrible shit or all the great shit that you've had happen to you in your life -- and quickly and easily transform it in the unconscious mind through the subtle and cunning use of language. The "listener-

patient"

(in other words: The Chick) settles into a very light, very delicate, conversationally induced state: NOT A TRANCE, mind you, but a STATE. A state that is brand new. The System's state. What did I do? I REALIZED that concept and put it into practical "get my dick hard and fuck it"

use.

I'm gonna build a state for the seducer and the seducee to live, vote, breath, pay takes and

party

'till dawn. I'm gonna teach methods of language

that

will help anyone get a piece of ass, tit and

tail --

GWENOVIER

Let's talk about --

FRANK

I just realized this is for television, isn't it? I can't swear up and down like I just did.

GWENOVIER

It's fine. I can bleep it out.

FRANK

I warned you -- I get on a roll...

GWENOVIER

-- let's talk more about your background --

FRANK

Muffy -- coffee?

Muffy moves to pour a cup, Gwen looks down at her clipboard, then:

GWENOVIER

I'm confused about your past is the thing.

FRANK

Is that still lingering?

GWENOVIER

-- just to clarify --

FRANK

So boring, so useless --

GWENOVIER

I would just want to clear some things up:

FRANK

(Muffy delivers coffee)

Thank you, Muffy. Funny thing is:

This is an important element of,

"Seduce and Destroy:"

"Facing the past is an important way

in not making progress," that's something

I tell my men over and over --

GWENOVIER

This isn't meant --

FRANK

-- and I try and teach the students to
ask: What is it in aid of?

GWENOVIER

Are you asking me that?

FRANK

Yes.

GWENOVIER

Well, just trying to figure out who you are,
and how you might have become --

FRANK

In aid of what?

GWENOVIER

I'm saying, Frank, in trying to

figure out who you are --

FRANK

-- there's a lot more important things
I'd like to put myself into --

GWENOVIER

It's all important --

FRANK

Not really.

GWENOVIER

It's not like I'm trying to attack you --

FRANK

This is how you wanna spend the time,
then go, go, go -- you're gonna
be surprised at what a waste it is --
"The most useless thing in the world
is that which is behind me," Chapter Three --

GWENOVIER

We talked earlier about your mother.
And we talked about your father and his death.
And I don't want to be challenging or
defeatist here, but I have to ask and
I would want to clarify something --
something that I understand --

FRANK

I'm not sure I hear a question in there?

GWENOVIER

Do you remember a Miss Simms?

FRANK

I know alotta women and I'm sure she remembers
me.

GWENOVIER

She does. From when you were a boy.

FRANK

Mm. Hm.

GWENOVIER

She lived in Tarzana.

FRANK

An old stomping ground --is this
the "attack" portion of the interview,

kill?

I figured this was coming sooner
or later -- Is "the girl" coming in for the

GWENOVIER

No, this is about getting something
right and clarifying one of your answers
to an earlier question --

FRANK

Go ahead and waste your time.

GWENOVIER

I was told that your mother died.
That your mother died when you were young --

FRANK

And that's what you've heard?

GWENOVIER

I talked to Miss Simms. Miss Simms
was your caretaker and neighbor
after your mother died in 1980.

BEAT. Frank goes silent.

GWENOVIER

In my research I have you listed as
the only son of Earl and Lily Partridge.

(beat)

And what I learned from Mrs. Simms is that
your mother passed away in 1980.

(beat)

See: It's my understanding that the information
supplied by you and your company and answers
to question's I've asked are incorrect, Frank.
And if I'd like to get to the bottom of who you
are and why you are then I think your family
history -- you're accurate family

history...well:

this seems important...Frank...?

VIDEO CAMERA POV - THAT MOMENT

Frank lights his cigarette. CAMERA zooms into CU.

FRANK

Are you asking me a question?

GWEN

Well I guess the question is this:
Do you remember Miss Simms?

BEAT. HOLD, THEN:

CUT

TO:

INT. GAME SHOW SET - THAT MOMENT

Jimmy asks questions. Stanley is visibly uncomfortable;

JIMMY

Kids, Adults, I'd like you to put yourself at a picnic. Place yourself there with your family and friends if you'd like -- you'll hear three musical notes and you are to tell me what it might represent that you'd find at a picnic -- The First Three Notes:

OC we hear three musical notes. The "Adults" panel lights up, Todd answers;

TODD

Well, Jimmy, I know this, I have perfect pitch, you see -- and that would be A-D-E. And that would represent lemonade.

JIMMY

For 250. Next notes, please:

OC musical notes: E-G-G.

TODD (buzzes)

Got it. That's E-G-G which would be ~egg."

Richard and Julia glance at Stanley, like "why the fuck aren't you answering these questions?" He looks straight ahead.

JIMMY

For 500 and the Third Set Of Notes:

OC musical notes: B-E-E.

TODD (buzzes)

B-E-E -- and don't get stung.

The "Adults" are now within 200 points of the "Kids," on the scoreboard.

CUT

TO:

INT. LAWYERS OFFICE - THAT MOMENT

Linda seated across from a lawyer, ALAN KLIGMAN (50s) She's visibly shaking and fucked up.

KLIGMAN

You don't want any water?

LINDA

No...I just...(starts crying a bit)
I'm so fucked up here Alan, I don't know...there's so much...so many things --

KLIGMAN

Are you on drugs right now?

LINDA

If I talk to you...y'know...if I tell you things...then you're a lawyer, right? You can't say things, you can't tell anyone, it's like the privelage, right? Attornery-client, you understand?

KLIGMAN

Not exactly, Linda. I'm not sure where you're going with this --

LINDA

Like a shrink, like if I go to see a shrink, I'm protected, I can say things -- fuck -- I don't know what I'm doing --

KLIGMAN

Linda, you're safe. Ok. It's alright. You're my friend. You and Earl are my clients and what you need to talk about won't leave this room, you have something you have to say --

LINDA

-- I have something to tell you. I have to tell you something. I want to change his will, can I change his will?...I need to ---

KLIGMAN

You can't change his will. Only Earl can change his will.

LINDA

No, no....no, you see...I never loved him. I never loved him, Earl. When I started,

when I met him, I met him and I fucked
him and I married him because I wanted
his money, do you understand?

(beat)

I'm telling you this now...this I've never
told anyone...I didn't love him.

And now....I know I'm in that will,
I know, I was there with him, we were
all there together when we made that
fucking thing and all the money I'll
get -- I don't want it -- Because I love
him so much now...I've fallen in love
with him now, for real, as he's dying,
and I look at him and he's about to
go, Alan, he's dead...he's moments...

(beat)

I took care of him through this, Alan.
And What Now Then?

CUT

TO:

INT. GAME SHOW STAGE - THAT MOMENT

CAMERA pushes in on Jimmy.

JIMMY

Let's listen:

There's an OC VOICE that speaks the clue;

VOICE

"Hello, Mary. How are you and the
seven kids? As you probably heard by
know, we sure gave that Pope a run for
his money --"

The ~Adults" buzz. Jimmy looks to Mim.

MIM

Well: That would be General Robert
E. Lee. His wife Mary Park Custiss.
And he did have seven children and he
would be talking about Pope, who he defeated
at the Battle of Monasses --

CUT

TO:

INT. PARENTS GREEN ROOM - THAT MOMENT

CAMERA pushes in on Rick, who sits back, starting to get real

pissed that Stanley isn't answering these questions.

RICK

C'mon, c'mon, c'mon, snap out of it.

CUT

TO:

INT. GAME SHOW STAGE - THAT MOMENT

CAMERA moves from the AUDIENCE over to the Stage, listening to another question that is spoken by the OC voice -- this time in French;

VOICE (in French)

"Hello, Josephine,
I'm speaking from Egypt --"

The Adults buzz again and Mim answers;

JIMMY

Mim --

MIM

Well that would be Napoleon speaking
to Josephine.

JIMMY

That's right!

ANGLE, BURT. He stands off, looking at the scoreboard as the Adults have now pulled ahead by 200 points...he mumbles and grumbles to himself.

CUT

TO:

INT. LAWYER'S OFFICE - THAT MOMENT

Linda continued with the lawyer, Kligman.

LINDA

I don't want him to die, I didn't love him
when we met, and I've done so many bad things
to him that he doesn't know, things I want
to confess to him, but now I do: I love him.
I love him so much and I can't stand -- he's

going.

KLIGMAN

What kind of medication are
you on right now, Linda that's --

LINDA

This is not any fucking medication talking, this isn't -- I don't know. I don't know -- Can you give me nothing? You have power of attorney, can you see him, can you, in this final fucking moment, go see him and make sure --- change the fucking will -- I don't want any money, I couldn't live with myself, this thing I've done -- I've fucking done so many bad things -- I fucked around. I fucked around on him, I fucking cheated on him, Alan. You're his

lawyer,

our lawyer, THERE, I'm his wife, we are married. I broke the contract of marriage, I fucking cheated on him, many times over, I sucked other men's cocks and fuck - fuck - fuck -
....fuck....
Other Things I've Done..

KLIGMAN

Adultery isn't illegal -- it's not something that can be used in a court to discredit the will or -- Linda. Linda. Calm down.

LINDA

I can't.

KLIGMAN

You don't have to change the will, if what you want to do is get nothing you can renounce the will when it's time.

LINDA

Where will the money go?

KLIGMAN

Well. Considering that there's no one else mentioned in the will...we'd have to go to the laws of intestacy, which is -- as if someone died without a will --

LINDA

What does that mean?

KLIGMAN

The money would go to Frank. The court would put the money in the hands of a relative -

LINDA

-- that can't happen. Earl doesn't want him to have the money, the things.

KLIGMAN

-- unless Frank is specifically omitted as a beneficiary that's what will happen.

LINDA

This is so over-the-top and fucked-up I can hardly stand it.

KLIGMAN

Linda, you just have to take a moment and breath and one thing at a time --

LINDA

Shut the fuck up.

KLIGMAN

I'm trying to help, Linda --

LINDA

Shut the fuck up. Shut the fuck up.

KLIGMAN

You need to sober up.

LINDA

Now you must really shut the fuck up, please. Shut The Fuck Up.

KLIGMAN

Linda --

LINDA

I have to go.

She heads for the door.

KLIGMAN

Let me call you a car, Linda.

LINDA

Shut the fuck up.

She's out the door.

Three MEN in TUXEDOS and HARMONICAS have taken a place near the band. Jimmy, reading from his cards, introduces them and asks the following question:

(Note: Jimmy's speech is starting to slur a bit more at this point. His motor skills seem to be fading quickly.)

JIMMY

Imagine you are attending a jam session of classical composers and they have each done an arrangement of the classic favorite, "Whispering." Here are three variations on the theme, as three classic composer's might have written it -- you are to name the composer. The First:

The Harmonica Fella's play an arrangement....CAMERA pushes in close on STANLEY and TITLS DOWN CLOSE TO HIS PANTS....

Stanley begins to piss his pants. He trembles and shakes and holds back tears as the wet stain gets bigger.

OC through this we hear the Adults answer the question:

TODD (OC)

Well, Jimmy that sounded to me like Brahms, a bit like his Hungarian Dance Number Six, I believe.

JIMMY (OC)

Excellent. Next number:

The Harmonica Fella's play another arrangement of "Whispering" that sounds like Ravel's "Bolero."

Stanley moves his arms down to his sides to cover his crotch and pull at his pants -- and his BUZZER goes off with a brush of the side of his arm --

JIMMY

Stanley the Man -- answer:

Stanley. HOLD. He starts to cry. Julia and Richard look over at him and see his pants and they start to laugh a bit.

STANLEY

...I don't know the answer...

Jimmy starts to STUDDER and SHAKE a bit....holds a tight grip on the podium;

STANLEY

NOTHING. NOTHING HAPPEND. GO AWAY.

CYNTHIA

Don't tell me to go away, Stanley. I am the Co-ordinator in this show and you will answer the questions that I ask, you understand?

Rick comes over;

RICK

What's the problem, what's the problem here?

STANLEY

I'm fine. nothing.

RICK

Why didn't you answer those questions?

STANLEY

I didn't know the answer --

RICK

Bullshit. Bullshit. You know the answer to every goddamn question and I knew the answer to those questions and I'm not half as smart as you are so

What Happened?

Yes.

RICK

You're two fuckin' days from the record, get through this and I'll do anything for you, you just gotta get through this --

STANLEY

Alright.

RICK

Rick walks away with Cynthia...

...Dick Jennings has sobered up a bit and is doing bad, "calm down/comedy/everything's cool" stuff for the Audience....

JIM KURRING

What's that stand for?

CLAUDIA

Temporal-something-mandibular,

That's not funny, Claudia. Please, now.

CLAUDIA

I'm sorry.

Ok, then. Keep your chin up and your

JIM KURRING

No, no. I was wondering...man oh man. I think I feel like a bit of a scum-bucket doing this, considering that I came here as an officer of the law and the situation and all this but I think I'd be a fool if I didn't do something I really want to do which is to ask you on a date.

CLAUDIA

You wanna go on a date with me?

JIM KURRING

Please, yes.

CLAUDIA

Well...is that illegal?

EARL

Do you know Lily? Phil..do you know her?

PHIL

No.

EARL

...Lily...?

PHIL

No.

EARL

She's my love...my life...love of it...
In school when you're 12 years old.
In school, in six grade....and I saw her
and I didn't go to that school...but we met.
And my friend knew her...I would say,
"What's that girl?" "How's that Lily?"
"Oh, she's a bad girl...she sleeps with
guys..." My friend would say this....but
then sometime...I went to another school, you

see?

But then...when high school at the end, what's
that? What is that? When you get to the end?

PHIL

Graduation?

EARL

No, no, the grade...the grade that you're in?

PHIL

Twelve.

EARL

Yeah...So I go to her school for that for grade twelve...and we meet...she was fuckin...like a doll...porcelain doll...and the hips...child bearing hips...y'know that? So beautiful. But I didn't have sex with anyone, you know? I was not...I couldn't do anything...always scared, y'know... she was...she had some boyfriends...they liked her y'know...but I didn't like that. I couldn't get over that I wasn't a man, but she was a woman. Y'see? Y'see I didn't make her feel ok about that....I would say, "How many men you been with?" She told me, I couldn't take it...take that I wasn't a man....because if I hadn't had sex with women...like as many women as she had men...then I was weak...a boy.... But I loved her...you understand? ...well, of course, I wanted to have sex with her...and I did and we were together....we met...age twelve, but then again...age seventeen...something, somethin... I didn't let her forget that I thought she was a bad...a slut.....a slut I would call her and hit her....I hit her for what she did...but we married...Lily and me and we married...but I cheated on her...over and over and over again...because I wanted to be a man and I couldn't let her be a woman...a smart, free person who was something...my mind then, so fuckin' stupid, so fuckin...jesus christ, what would I think...did I think....? ...for what I've done...She's my wife for thirty eight years...I went behind her... over and over...fucking asshole I am that I would go out and fuck and come home and get in her bed and say "I love you..." This'z Jack's mother. His mother Lily...these two that I had and I lost and this is the regret that you make...the regret you make is the something that you take...blah...blah...blah... something, something.....

(beat)

Gimme a cigarettee?

Through the following Phil tries to give Earl a cigarette,

which Earl can't get to his mouth, but then mimes that he's smoking as he starts to get more and more delusional, etc.

EARL

She had cancer...from her...in her stomach and I didn't go anywhere with her...and I didn't do a god thing... for her and to help her....shit...this bitch...the beautiful, beautiful bitch with perfect skin and child bearing hips and so soft...her name was Lily see?

(beat, fading)

He liked her though he did, his mom, Frank/Jack...he took care of her and she died. She didn't stick with him and he thinks and he hates me, ok...see...I'm...that's then what you get?
....are you still walkin' in that car...?

PHIL

What? Say it again...walking in the car?

EARL

....get that on the tv...there...

Earl starts to break down in tears, streaming out of his eyes, his body isn't moving at all;

EARL

...mistakes like this are not ok... sometimes you make some, and ok...not sometimes to make other one....know that you should do better....I loved Lily. I cheated on her. For thirty five years. And I have this son. And she has cancer. And I'm not there. And he's forced to take care of her. He's fourteen years old to take care of his mother and watch her die on him. Little Kid. And I'm not there. And She Dies. And I Live My Life. And I'm Not Fair. Thirty eight years and she has cancer and I'm gone...I leave...I walk out, I can't deal with that...who am I? Who the fuck do I think I am to go and do a thing? Shit on that and that lovely person. I'll go away...I'll go away...I can't hold this..you gotta take this fuckin' pen outta my hand...you fuckin' piss,

cocksucker...

ROSE

You're my handsome man.

JIMMY

I'm a bad person.

ROSE

No. No.

JIMMY

No, I mean: I'm telling you this, now.
You see? You see I want to make
everything clear and clean...and
apologize for me....for all the stupid
things I've done....that will eat me up....

ROSE

You feel like you want to be forgiven
for your sins? Honey, you're not on
your death bed, yet....this kinda talk's
gonna get you in trouble --

Rose doesn't move much. Hold.

JIMMY

I've cheated on you and it kills me
and the guilt of what I've done...I don't
want you to think...maybe you knew,
I think that maybe you've known...
So I hope that I'm not saying this for
me...for me to make myself feel better
about what I've done...but for making
you not feel like you're sitting there
like a jerk...you've been the good one...
You understand...I'm so sorry for all I've done
wrong...and this is pathetic...what?
"Dying man, confess the sins" something?
Is it selfish for me to say this? To
say what I've done...I feel better already.
I do...do you hate me?

Rose takes a long moment, then:

ROSE

...No...I don't hate you.

(beat)

Do you want talk...do you really want to talk to me and say things and get things figured out, Jimmy?

JIMMY

Will that help?

Yeah.
