

MINI'S FIRST TIME

Written by

Nick Guthe

CLOSE ON:

The face of MINERVA "MINI" DROGUES, 18, watching something. She looks extremely bored by the television images flickering across her eyes. She has a pretty face: Large eyes, and pouty mouth. Her knowing look is incongruous with a face clearly still that of a girl.

-

MINI (V.O.)

I know what you're thinking. Don't bullshit me, because I do... You're thinking, oh dear lord in heaven, please, I'm begging you. I'll gouge out my eyes with the straw in my drink right now. I'll jam every last kernel of popcorn into my mouth until I suffocate, just not another fucking teenage coming-of-age story.

We pull back to reveal her body, which is moving out of that awkward stage between adolescence and womanhood. Though tall and thin, her hips haven't quite rounded. She's wearing a "FUCTION" T-shirt and jean shorts.

MINI (V.O.) (CONT'D)

Well, relax...no prom night highjinks, no nerds becoming popular and no Shakespeare set in high school...I promise.

CLOSE ON: THE TV SCREEN. "When Animals Attack" is on. In a series of quick cuts:

A zoo keeper is mauled by an elephant.

A sport fisherman is attacked on the deck of a boat by a shark he and his buddies thought was dead.

A pit bull clamps down on his owner's arm.

a An alligator hunter stupidly puts his head in the mouth of
just-captured alligator, only to have it chomp down on his
skull.

MINI (V.O.)

Since it happened, everyone's
asked me how it all started.

2.

appointed Mini's face registers no reaction to the gruesome images. We
now see she is sitting in the living room of a well-
Studio City hillside home.

INT. THE LIVING ROOM- EVENING- A PARTY.

TEENAGERS OF PRIVILEGE and their UPTIGHT PARENTS are milling
around, dancing and chatting as A DEEJAY spins tunes.

MINI (V.O.)

I suppose the obvious answer is my
eighteenth birthday...

and Mini dances with a few friends in a very short mini-skirt
boys halter top. She clearly understands how to the drive the
crazy and this is not lost on her mother, DIANE, 42, who
stands off to the side, nursing a drink with some other

HYPER-

AEROBICIZED MOTHERS.

MINI (V.O.)

See, I was blessed with a terrific
mom. Not only is she a lush, but
she also hates me.

her Diane is beautiful, but there is an essential hardness to
that comes from a life spent trading on her looks. The
blouse and mini-skirt she wears are inappropriately
revealing for the occasion of her daughter's birthday.

MINI (V.O.)

A few days before the party, I
overhear her on the phone ordering

me a male stripper. Nothing says "I
love you" like ten inches of man
meat in your face.

Diane and the other mothers are talking about Mini's
dancing.

MINI (V.O.)

And knowing dear old ma, she'll try
and nail him after the party...in
my bed.

Mini's friend KAYLA, a little rounder, but also brash, comes
dancing over. She's swaying her hips provocatively at Mini,
almost challenging her.

MIKE RUDELL, a tanned and trim man of 55, watches their
display, clearly enjoying the way it's jump-starting his
imagination.

MINI (V.O.)

That guy? Our neighbor Mike Rudell,
big shot TV producer and the guy my
mom screws whenever the batteries
run out.

Kayla and Mini begin dancing together in a very explicit
way,
clearly trying to make the adults uncomfortable.

MINI

Yo, bee-ach!

KAYLA

Yo, birthday bee-ach!

MINI

Is it on?

KAYLA

Oh, it's on!

MINI

That's my girl!

Mini grabs Kayla and dips her low.

INT. THE KITCHEN - LATER.

Kayla instructs some CATERERS to start wheeling a giant birthday cake into the living room. The caterers look confused, but Kayla is insistent and the young men obey, starting to wheel the cake down the long hall.

INT. THE LIVING ROOM - CONTINUOUS

The cake emerges from the hallway. The caterers begin singing "Happy Birthday", as Diane turns to see it and her eyes flash rage. As Diane comes storming over, we switch to SLOW MOTION.

MINI (V.O.)

See, to understand me, you need to understand that life, in my opinion, is all about new experiences. "Firsts" is what I call them.

As she strides across the room, the look of vitriolic rage on Diane's face grows stronger with every step.

MINI (V.O.) (CONT'D)

Somewhere around fourteen, when I had my first...rhymes with duck, I realized that the goal of life, any life, should be to cram as many "firsts" into it as possible.

We switch back to real time.

DIANE

What the hell are you doing? I said

wait until-
(looking around)
She's not even here, you morons!

A YOUNG CATERER'S face turns white.

CATERER

But, but her friend said--

POP! Suddenly the lid to the cake flies off and from behind we see A NUDE MINI rises out of it like Venus on the half shell.

MINI

SURPRISE!

MINI'S POV:

A collection of reactions from the party goers: The mothers are numb, the fathers pretend to be disturbed, while copping looks, and her friends are in stitches. Some are even waving dollar bills. M

MINI (V.O.) (CONT'D)

That was definitely a first, but more importantly, it was the first time I really understood my potential...And that's when it all started.

Mini leans over and gives her STUNNED mom a big hug.

MINI (CONT'D)

(doing her best Donna
Reed)

Oh, Mom, this is the best birthday ever!

5.

INT. MINI'S BATHROOM - NIGHT

Mini stands in a bathrobe with a towel around her head, having just taken a shower. She removes the towel to reveal she's just changed her hair color to FLAMING RED.

MINI (V.O.)

That little stunt got me grounded for a week, but it was worth it.

CUT TO:

Mini blow drying her hair.

MINI (V.O.) (CONT'D)

See, I just don't understand people who live their lives as one big routine.

CUT TO:

Mini evenly spreading the base to her make-up.

MINI (V.O.) (CONT'D)

They're basically saying "I'm not worthy of a unique experience on this earth."...Well, sorry, but I am.

CUT TO:

Mini applying blush to her cheeks.

MINI (V.O.) (CONT'D)

The law of firsts has served me well, because it's liberated me from the usual pathetic, repetitive concerns of high school.

CUT TO:

Mini applying eye liner.

MINI (V.O.) (CONT'D)

I simply don't care if I'm popular, because if I did, then I'd be constantly stressing about whether my clothes are cool enough, or if Troy, the "gay but he doesn't know it yet" quarterback, is gonna call.

6.

INT. THE HALLWAY OF MINI'S HIGH SCHOOL - DAY

lustful Mini and Kayla walk down the crowded halls attracting looks from some of the more aggressive boys.

They approach a group of FOOTBALL PLAYERS.

KAYLA

(whispering, worried)
Oh, God, it's Troy.

MINI

Just keep walking and don't look at
him.

T

ROY, a cocky, chiseled, all-around nightmare, sticks his
tongue in his cheek, simulating a blow job.

TROY

Yo, Kayla, I got some more of what
you were looking for Saturday
night.

MINI (V.O.)

Ahh...The joys of the American
educational system.

stops
Kayla puts her head down, her face turning red, as Mini
to address Troy and his posse.

MINI (CONT'D)

(suddenly brightening)
Actually, Troy, I think you
confused her with that senile,
toothless grandmother of yours.

"Ooohs" and "Aaahs" erupt from the onlookers as Troy looks
concerned his ambush has backfired.

TROY

Yo, Mini, why don't you use that
mouth for something useful and suck
my dick?

More students start to gather, overhearing them.

MINI

Actually, now that you mention it,
I can't think of anything I'd
rather do than suck your dick.

CONTINUED:

Troy looks around, surprised and emboldened by her declaration.

TROY

Well, it's all for you, babe.

Mini moves closer, looking him right in the eye.

MINI

Really?

TROY

(daring her)

If you can fit it all in.

The crowd has now swelled to a few dozen, as everyone is riveted by the exchange. Suddenly, Mini starts unzipping his fly.

TROY (CONT'D)

Hey, what the?!

MINI

(grabbing his belt buckle)

I'm going to suck your dick, Troy,
you said I could.

Troy tries to push her away, but she's got a grip on his belt. Everyone watching is almost speechless at first, but then giggles start to erupt.

TROY

Yo, this ain't funny!

MINI

No, Troy, I want to suck your dick
right now!

TROY

Jesus, Mini, come on, get off!

MINI

(screaming)

No, Troy! You said I could, now
come on!

She gets down on her knees, struggling to get a hand in his pants. The crowd howls with approval, as they almost can't

believe their eyes.

MINI

Let's see it! Come on, I want to
suck your throbbing member right
now!

Troy finally pushes her off, humiliated, and runs down the
hall as the mob laughs at him. Kayla looks at her gratefully
and smiles.

CUT TO:

Mini applying frosty hot pink lipstick, making her lips as
full as possible.

DIANE (O.S.)

Mini?

Mini looks towards the door, deciding to ignore her mother.

DIANE (O.S.)

(screaming)

MINI?!

Mini turns towards the sound.

MINI

WHAT?!

Diane comes storming in.

DIANE

When I call you, I expect you to
answer.

MINI

(flatly)
Sorry.

DIANE

Don't patronize me.

MINI

(sugar sweet)
Sorry!

DIANE

If you're trying to get me to call you a spoiled little ungrateful bitch, you're out of luck, because I won't give you the satisfaction.

MINI

Thanks, mommy.

Diane's eyes narrow, as it's clear Mini knows exactly where her mother's buttons are.

MINI (CONT'D)

What do you want?

DIANE

I'm going out and I need you to wait for the delivery from the liquor store. They'll be here by nine.

MINI

Fine.

Diane gives Mini the once over, lingering on her mini-skirt. Diane winces at the outfit.

DIANE

Just thought you should know, that makes your thighs look fat.

MINI

(deadpan)
Gosh, you're right, mom, I'm such a cow.

MINI (V.O.)

It's a freakin' miracle I'm not anorexic after eighteen years of

her little pep talks.

MINI

Have fun, don't do anything I
wouldn't.

Diane turns and leaves.

DIANE

(over her shoulder)
Well, that doesn't leave much.

MINI

(under her breath)
Cunt.

Mini turns back to the mirror.

10.

INT. MINI'S BEDROOM - NIGHT

Mini pulls on a pair of thigh-high stockings, as a lit
cigarette hangs from M
her mouth.

MINI (V.O.)

My mother moved out to LA from Ohio
when she was twenty to become an
actress. Even though she was a
total flatliner, somehow she
managed to land a few bit parts on
soaps...without screwing anyone.

INT. A HALLWAY OF THE HOUSE - LATER.

Mini walks along the corridor in a pair of "fuck me" pumps,
as the doorbell is heard ringing.

MINI (V.O.)

When she gets really sauced, she'll
pop the tapes in and make me watch,
then I'll threaten to call the
suicide hotline.

She continues through the living room towards the door,
hiking her mini skirt up a little.

MINI (V.O.) (CONT'D)

After a few years, she got desperate and spread 'em for this fat, ugly producer when he promised to give her a role in some bullshit cable series that was basically softcore porn. She got knocked up with me and he told her she couldn't be on the show, unless she hoovered me out.

She reaches the front the door.

MINI (V.O.) (CONT'D)

Excuse me for one sec.

with She opens the door to reveal a delivery boy, JIMMY 20's, six cases of liquor stacked on a handcart.

JIMMY

(nervously excited)
Hey, Mini, how you doin'?

MINI

You're late.

11.

INT. THE KITCHEN- MOMENTS LATER.

Mini watches as Jimmy carefully lifts one case after another on to the counter.

MINI (V.O.)

She was gonna do it, too, at least that what's she told me when she was feeling particularly loving. But then she heard rumors the show wasn't gonna fly and realized eighteen years of child support beat thirteen weeks on "Skin Tight", so I got to stick around. ...Bad choice.

Mini opens one case, takes out a bottle and heads out of the kitchen.

I

NT. THE WET BAR - LATER.

Mini mixes herself a large Sapphire martini.

MINI (V.O.)

Anyway, what Mom didn't count on was the prick having a heart attack and croaking a year after I was born.

She pours it into a martini glass and drops an olive in.

MINI (V.O.)

When she tried to collect on his estate, she found out he'd owed the government two point five in back taxes.

**EXT. A RUN DOWN STUCCO APARTMENT BUILDING IN THE VALLEY-
CIRCA 1993.**

Diane walks down the steps to a waiting Porsche, with a SLEAZY LOOKING, BUT CLEARLY RICH GUY behind the wheel.

MINI (V.O.)

Now, if she had been smart, she would've set her sights a little lower and gone after a guy who would've worshipped the ground she walked on and wouldn't care that she already had a kid...

CUT TO:

gives Diane getting into the car. She turns to the driver and him a flirty smile. IT'S NOW A DIFFERENT, but just as SLEAZY GUY smiling back at her.

MINI (V.O.)

But not mom, she was gonna bag another elephant if it meant gobbling every knob from Hollywood to the Palisades.

As the car pulls away, we see an 8 YEAR OLD MINI watch from an upstairs window of the building.

INT. THE SAME RUN DOWN APARTMENT - EVENING

Mini sits watching TV as Diane walks in with YET ANOTHER SLEAZY GUY, his hands all over her. Diane looks surprised and pissed to see Mini still up.

DIANE

Jesus Chr--Mini, why aren't you in bed?

Mini just stares at her, then shifts her penetrating gaze to SLEAZY GUY #3. He looks unnerved by Mini.

SLEAZY GUY #3

I thought you said we'd be--

DIANE

Don't worry, Larry, she's going to bed, right now. Aren't you?

I

NT. MINI'S TINY BEDROOM - NIGHT

Mini lies awake as the SOUNDS OF DIANE FUCKING SLEAZY GUY #3's brains out waft through the thin walls.

13.

INT. THE KITCHEN OF DIANE'S APARTMENT - EARLY MORNING.

Mini sits at the kitchen table eating cereal as THE FOURTH SLEAZY GUY emerges from Diane's bedroom, he's tucking his shirt in. He looks a little startled to see her up.

SLEAZY GUY #4

Oh...Uh, hi, uh, tell your mom I, uh, had a good time.

MINI

Oh, I will...Like some coffee for the road?

The guy looks at her a little surprised, then smiles.

SLEAZY GUY #4

Sure...thanks, kid.

CUT TO:

Mini watching the PORSCHE PULL AWAY from the curb. In her hand, she holds a bottle of MAXIMUM STRENGTH EX-LAX.

CUT TO:

SLEAZY GUY #4 driving down the freeway, drinking coffee from a paper cup. Suddenly, a look of absolute dread overcomes him.

INT. DIANE'S APARTMENT - LATER.

Diane emerges from her bedroom in her bathrobe, looking disheveled. She glares at Mini, who sits at the kitchen table eating her cereal.

DIANE

Do you want to live in this shit
hole your whole life?

Mini just stares at her.

DIANE

Then stay in your fucking room
until they leave. Got it?

Mini says nothing. Suddenly, Diane picks up a SMALL PIECE OF POTTERY from the coffee table and throws it at Mini's head. Mini ducks as it SMASHES behind her on the wall.

14.

CUT BACK TO: 18 YEAR OLD MINI MIXING HER MARTINI IN THE WET BAR.

MINI (V.O.)

So it pretty much went on like that
until...

MALE VOICE (O.S.)

Mini? Diane? I'm home.

MINI (V.O.)

Five years ago, when she met
Martin.

Mini starts downing the drink in a few big gulps.

M

MINI (V.O.) (CONT'D)

It was a win-win...

INT. A HOTEL BALLROOM - NIGHT

Mini, Diane and MARTIN TANNEN, 45, a trim executive in an Armani suit and \$300 haircut, mingle at a large corporate cocktail party. Martin, a man who understands, in his world, style over substance is a way of life, works the crowd effortlessly.

MINI (V.O.)

He didn't want kids, but needed a ready-made family to help project an image of stability for his corporate outings...We finally got out of Reseda...

CUT TO:

Mini at the bar, stealing the drink of a TROPHY WIFE who has turned her back on it, to make a point to her OLDER HUSBAND.

MINI (V.O.) (CONT'D)

It was great for about a year...

CUT TO:

LATER. Martin finishes talking to a client and heads out on the balcony to get some air, where he sees Diane kissing a HANDSOME YOUNG EXECUTIVE off to the side. Martin stiffens as he watches in SLOW MOTION her tongue slip into his mouth.

MINI (V.O.) (CONT'D)

Then he figured out what he had married...by then it was too late.

15.

INT. THE FRONT DOOR TO THE HOUSE - NIGHT

Martin puts his keys and cell phone on a table near the door.

MINI

(breezing past him)
You're home early.

MINI (V.O.) (CONT'D)

First time in three months he's walked in before Letterman. He totally forgot my birthday party, and right now I'm thinking his pin cushion must have given him the walking papers or...found a new pin.

MARTIN

Yeah...uh...
(searching)
A dinner with a client got canceled.

MINI (V.O.)

Bingo.

MINI

Tough day?

MARTIN

About the same...

They head back into the living room.

MINI

Protecting all those poor defenseless oil companies from those big bad environmentalists?

M

ARTIN

Someone's got to make the payments on your Beemer.

MINI (V.O.)

He's a partner at a public relations firm, which is ironic because I can't remember the last time he and my mom were seen in public together...or had relations.

He plops down on the couch, taking an electronic organizer out of his breast pocket.

MARTIN

Is your mother around?

MINI

No, she went to a party off Beachwood. She was in one of her "happy moods", so I doubt she'll be sleeping here...

MARTIN

Oh.

MINI

(innocently)

If you were thinking of inviting a guest over.

MARTIN

(measured)

I wasn't, but thanks for the concern...You're going out on a school night?

MINI

Yeah?

Martin punches a few buttons on the organizer, his mind clearly elsewhere.

MARTIN

Mmm...Is your homework done?

MINI

Haven't even cracked a book.

MARTIN

(not listening)

Mmm...

INT. MINI'S BATHROOM- MOMENTS LATER.

Mini double checks her purse for everything: lipstick, compact, Altoids, a flask of liquor and a string of condoms.

MINI (V.O.)

Considering how many guys my mom has done in his bed, you've got to admire his resolve. He could've left her years ago, but with no pre-nup, he loses half and he just won't give in.

EXT. THE FRONT OF THE HOUSE- MOMENTS LATER.

Mini walks out the front door, revealing an impressive front of the house with stone pillars and a brick circular drive. Martin's MERCEDES 500 SL COUPE and Mini's BMW Z3 convertible sit in the open garage.

MINI (V.O.)

Their arrangement actually keeps everything very calm.

Mini gets into her BMW.

EXT. SUNSET BOULEVARD - NIGHT

The BMW drives down the street, weaving in and out of traffic.

M

MINI (V.O.)

As I said, the rule of firsts guides my life. Once you've gotten into every club in town and had enough Ivy League lawyers cum too fast, drastic measures are called for.

EXT. HOLLYWOOD BOULEVARD - NIGHT

Mini walks past the neon covered shop windows.

MINI (V.O.)

I thought it would be a goof if I put a photo ad in one of those 25 cent "outcall" massage newspapers they sell around town. But I just got a bunch of pervs breathing heavy on my voice mail. So I went to an escort service, and when they found out I was 18, they told me they had two tricks in the same hotel that night...if I was up to it.

She passes OLDER PROSTITUTES soliciting cars that have slowed down for a peek.

MINI (V.O.) (CONT'D)

Would you look at them?

One of the prostitutes gives her a threatening look.

MINI (V.O.) (CONT'D)

It's pathetic. I mean, she's got to be, what? At least twenty eight?...In dog years.

(pausing)

Oh, wait, that would make her four.

She arrives in front of the HOLLYWOOD ROOSEVELT HOTEL.

INT. A HALLWAY OF THE HOTEL - NIGHT

Mini walks down a hall and stops in front of a room and knocks. She looks around trepidatiously, as she waits for an answer. The door opens and a MIDDLE AGED MAN opens the door. He's very well groomed in a creepy middle american way. He could be a serial killer or...

INT. A HOTEL ROOM - LATER.

Mini pulls her red top on and heads for the door, as the man sheepishly follows her.

MINI (V.O.)

My first night as a call girl was a serious let down. It turns out both guys were in town for the "Promise Keepers" convention.

She reaches the door. He opens it and points to the room across from his. Mini walks across and knocks.

M

MINI (V.O.)

The first one got so excited I didn't even get a chance to get my panties off before he creamed himself.

A HEAVIER MAN in a denim shirt opens it.

INT. THE OTHER HOTEL ROOM - LATER.

The heavier man is on his knees, weeping as he hugs Mini around the waist.

MINI (V.O.)

And the other said I looked so much like his niece, he started whimpering and praying for forgiveness.

She rolls her eyes in frustration.

19.

EXT. FOUNTAIN AVENUE - NIGHT

Mini drives home, suddenly a SIREN is heard and she sees the FLASHING LIGHTS of a cop car behind her. Mini pulls over looking pissed.

MINI (V.O.)

Time to bat the eye lashes...

The cop car pulls up behind her and a FEMALE COP WITH A BUZZ CUT gets out, approaching the car. Mini looks in her mirror, with a sly smile. The cop reaches Mini's door and looks down at her, clearly attracted to her.

EXT. A BACK ALLEY OFF FOUNTAIN - NIGHT

THE POLICE CRUISER is parked with its lights off.

INT. THE CAR - CONTINUOUS

THE FEMALE COP is lying on the seat with her legs spread, as Mini goes down on her. The woman is clutching the steering wheel with her left hand and the seat with her right,

hanging

on for dear life as Mini rocks her world.

MINI (V.O.)

This? Are you kidding? My first woman and my first cop?...It would've been perfect if she hadn't wanted to cuddle afterwards.

INT. THE TANNEN'S HOUSE - LATER.

Mini unlocks the door and walks in to find Diane passed out, face-up on the sofa in a loosely-tied bathrobe. At the sound of the door, Diane looks up.

DIANE

(slurring)

Oh...wha- what are you doing here?

M

ini stops and looks at her mother, absorbing her insightful question. Mini sighs and heads for the bedroom.

DIANE

Did you have fun, dear?

MINI

Yeah, I turned two tricks and went down on a dyke cop.

DIANE

Thass nice...

Mini heads down the hallway.

MINI (V.O.)

God, what's gotten into her? She was almost warm and fuzzy.

INT. MINI'S BEDROOM- MOMENTS LATER.

Mini walks in and stops dead in her tracks. A GREASY-HAIRED NAKED MAN lies passed out on her bed. His body hair is thick and matted. His genitals are covered by her pillow, which he cradles like a teddy bear.

Mini's jaw tightens slowly.

INT. THE LOBBY OF THE PENINSULA HOTEL - NIGHT

Mini walks through the lobby past TWO BUSINESSMEN sitting at the bar, chatting up TWO VERY ATTRACTIVE WOMEN in their mid twenties.

MINI (V.O.)

After that night, things really
picked up.

The men's eyes instinctively follow Mini, as their dates
exchange a glance of annoyance.

MINI (V.O.)

My one rule which the agency wasn't
too happy about was, of course,
only firsts, no repeat customers.

EXT. AN OFFICE BUILDING IN SHERMAN OAKS - DAY

This time Mini walks in, dressed like a normal high school
student, past a SECURITY GUARD.

MINI (V.O.)

But believe me, they didn't have
too much trouble honoring that
request.

INT. AN IMPRESSIVE CORNER OFFICE - CONTINUOUS

Mini is led in by a SECRETARY who presents Mini to one of
the
PENINSULA BUSINESSMEN sitting behind a large oak desk.

quickly shuts the door.

E

XT. A HOUSE IN THE HILLS - NIGHT

Mini arrives in her convertible and gets out dressed in a
cheerleaders uniform.

MINI (V.O.)

And then when football season
started, Saturday through Monday...

INT. THE ENTRANCE TO THE HOUSE - CONTINUOUS

A HUSKY MAN in a football jersey opens the door to find Mini waving her pom poms with a Texas sized grin on her face.

MINI (V.O.)

I was busier than Domino's.

INT/EXT. A MULTI LEVEL PARKING GARAGE - NIGHT

Mini drives into the garage.

MINI (V.O.)

Then one Thursday night I get a last minute gig at a fuck pad in Westwood that some executive keeps so "wifey" doesn't find the motel bills on the gold card statements. They say I'm just his type...young.

INT. THE LOBBY OF A MODERN APARTMENT BUILDING - NIGHT

Mini walks quickly through the lobby.

MINI (V.O.)

They tell me he's not big on the chit-chat and he loves paying extra for the stuff we charge extra for.

INT. THE HALLWAY OUTSIDE THE APARTMENT- MOMENTS LATER.

Mini knocks on the door.

MALE VOICE (O.S.)

It's open.

INT. THE APARTMENT - CONTINUOUS

The executive "convenience" apartment is cold, sterile and clearly just used for short amounts of time. Mini opens the

door, passing the closet, the bathroom door and then stops suddenly as she sees...

MARTIN, her stepfather, sitting up in bed.

She quickly turns away before he sees her face.

MARTIN

Hello?

MINI (V.O.)

Can you fucking believe it?

Mini goes back towards the front door, panicking. She absently hangs her jacket up in the closet, to buy some time.

MINI

Uh...hi,
(quickly adopting a
southern accent)
Sorry, I'm Mlate.

ARTIN

Don't worry about it.

MINI

Mind if I freshen up?

MARTIN

Sure.

Mini ducks into the bathroom.

INT. THE BATHROOM - CONTINUOUS

Mini shuts the door, turns on the light and looks at herself in the mirror. She's almost white from the shock. She looks down at the counter.

MINI (V.O.)

My own dad! My first thought was
"how sick is he?" But then I
started thinking...I'm one to talk,
and...well...

Mini's expression softens as she examines herself closer.

MINI (V.O.)

Why not? I mean, he isn't my real dad...and talk about a first. The more I thought about it...

A wicked glint dances across her eyes.

MINI (V.O.)

...the more turned on I got. Then I thought that if my mother could do some strange guy in my bed, I could do her strange guy in this bed.

MARTIN (O.S.)

Everything alright in there?

MINI

(still in her southern accent)

Just peachy. Listen, Sugar, would you mind turning the lights off, I'm kinda new to all this and a little shy.

MARTIN (O.S.)

No, that's fine, but can we get this show on the road?

MINI

Sure can, in two shakes of a lamb's tail.

INT. THE BEDROOM - CONTINUOUS

Martin turns the light off next to the bed. A little bit of light from the street sneaks in around the edges of the blinds. After a second, the door opens and Mini comes out in a bra and panties.

You do know that's extra?

He nods.

MINI

Just so we're clear...Now, close your eyes.

Martin furrows his brow, disappointed.

MINI

Come on.

He obeys.

MINI

Now just keep them shut for a while.

Mini pulls the sheet back, revealing his body to her. She starts kissing his chest, inhaling deeply. She looks up at his expectant face, intoxicated with her power. Her mouth starts to move down his chest. Martin lets out a small, almost self-conscious gasp.

FADE OUT:

INT. THE ROOM - LATER.

It is still dark as Martin and Mini lie under the sheets, post coitus in the "spoons" position. Martin has a dreamy, satisfied look on his face. Mini smiles to herself.

MINI (V.O.)

I can't believe I pulled that off.
Keeping my face hidden actually
wasn't that hard, and he pretty
much let me do whatever I wanted.

25.

INT. THE BATHROOM- MOMENTS LATER.

Mini is getting dressed.

MINI (V.O.)

And you know what?...He was damn
good. I don't why Mom is throwing
the cat all over town, when she can
have this every night.

INT. THE BEDROOM- MOMENTS LATER.

The room still dark, Mini emerges from the bathroom,
dressed.

MARTIN

I...
(searching)
that was...you were really good.

MINI

(southern accent)
Thanks, Sugar.

MARTIN

I'd like to see you again,
but...uh...I never got your name?

Even in the dark, he looks a little embarrassed. Mini
smiles.

MINI

Ginger.

MARTIN

Ginger, I won't forget.

INT/EXT. UPPER LEVEL OF THE BUILDING'S PARKING GARAGE-

LATER.

Mini walks to her car, giddy with excitement.

M

MINI (V.O.)

I literally couldn't feel the ground under my feet. A first to top all firsts. I knew I'd tell him one day, but I wanted to savor it for a while.

She reaches her car and looks for her keys in her purse. Her eyebrows furrow as she has trouble finding them. Suddenly, she realizes they aren't there. She freezes.

Startled, her head whips around to see Martin walking towards her, carrying her jacket. He stops, the realization setting in.

Seconds go by as Mini allows a pathologically triumphant smile to spread across her mouth.

MINI (V.O.)

Here's to immediate gratification.

Martin starts to look nauseous, as Mini walks slowly over and gives him a deep, wet kiss right on the mouth.

MINI

(whispering)

You were great.

Martin just stares straight ahead, numb. After another moment

he walks to the railing of the garage, staring down at the street below.

MARTIN'S POV: A few cars rush by on the street below. It appears to be about a three or four story drop.

He looks back at Mini. He starts to lift a leg over the railing.

MINI

Uh, that fall probably won't kill you, and considering what a caring nurturer your wife is, I don't think that's a risk you can afford to take.

Martin looks down at the street for another moment.

MINI (V.O.)

God, what a drama queen. Don't let this little act fool you. He'd never let mom get all his money.

He glances back at her, looking tortured.

MINI (V.O.)

Now that's thinking outside the box.

INT. AN ALL NIGHT COFFEE SHOP - LATER.

Martin and Mini sit at a booth. Martin stirs his coffee

looking shell shocked. Mini devours a plate of Belgian waffles covered with whipped cream.

MINI (V.O.)

We spent the next few hours just sitting there. I don't think we said three words. I think he was trying to find a way to justify the whole thing, but it was actually one of the sweetest nights I ever spent with a guy.

EXT. VENTURA BLVD- JUST BEFORE DAWN.

Mini drives home with the top down.

MINI (V.O.)

He told me it was a monumental mistake and that we should both never mention it again. I told him that was fine.

INT. THEIR KITCHEN - MORNING

Mini sits at the table eating cereal. Martin enters, looking a little guilty as they exchange an awkward glance.

MINI (V.O.)

Suddenly, he started coming home every night and even started really asking me about my homework.

MARTIN

Morning, Kiddo, you finish those math problems?

Mini looks up at him, raising her eyebrows.

MARTIN

I'd be happy to help you with it, if you need.

MINI

Actually, I'm thinking about starting a 401K plan at work, could you help me pick a good mutual fund?

Martin looks down uncomfortably.

INT. THE LIVING ROOM - NIGHT

Martin watches television next to Diane, who's passed out with an empty bottle of vodka sitting on the coffee table. A BOTTLE OF PRESCRIPTION MEDICATION is open as well. Martin looks over at Diane, pokes her to make sure she's truly blitzed, checks his watch and stands up.

I

INT. MINI'S BEDROOM - NIGHT

Mini lies in bed under the covers, reading. The door to her room opens. She looks at the clock. It reads: 12:15am.

Martin

enters.

MINI (V.O.)

It took exactly one week.

INT. MINI'S BEDROOM - NIGHT

under

The lights are off, and the two of them are going at it under the covers.

MINI (V.O.)

In the beginning, I was concerned this would violate my rule as he technically was a repeat customer, but then I realized this was my first affair, and with my stepfather no less. To be perfectly honest...I loved it. Talk about electric, knowing at any moment she could walk in was better than any drug. It reminded me of when I was young and brought guys home after school.

29.

INT. MINI'S BATHROOM - NIGHT

Mini and Martin are locked in an embrace behind a steamed-over glass shower door.

MINI (V.O.)

At first, we were very discreet,
only doing it when Joan Crawford
wasn't home or was completely
comatose.

INT. MINI'S BEDROOM - NIGHT

Mini and Martin post coital, catching their breath, as they both stare at the ceiling. Martin looks over at her and they share a conspiratorial smile.

MINI (V.O.)

Then we got bolder, doing it before
she would pass out. I think we were
seeing exactly how far we could
push the envelope.

INT. THE LIVING ROOM - EVENING

Mini and Martin poke their heads out from the hallway that leads to Mini's bedroom. Diane is watching TV with a martini glass in her hand.

MINI (V.O.)

One night we did it before
"Entertainment Tonight" ended.

DISSOLVE TO:

Them under the covers, but this time the lights in her room are on.

M

MINI (V.O.)

We even almost got caught.

DIANE (O.S.)

Mini and Martin stop at the sound of her voice, they look at each other, realizing Diane's right outside.

MINI

Suddenly, the door flies open, as Martin ducks under the covers. Diane stands there with a drink in her hand and what appears to be cocaine residue under her nostrils. She appears truly wired and incoherent, it's unclear whether she's even noticed someone else in the bed.

MINI

God, I've told you a thousand times to knock.

DIANE

Have you seen Martin? I think he was in his study a half hour ago.

MINI

Uh...can't say that I have.

DIANE

Well, I assume he's gone out, so I've invited Ricardo over for a...cocktail. You know how children make him uneasy, so I'd appreciate if you and...

(pointing to Martin under the sheet)

...your friend could either stay in here or use the back door when he arrives.

For a moment, Mini can't believe her mother appears to have no problem with there being a man in her bed.

MINI

Oh...sure, no problem.

Diane shuts the door.

MINI

Okay, she's gone.

Martin pokes his head out of the covers. The two of them share a smile, not believing their luck. They start to laugh and then after a moment she kisses him deeply and they resume where they left off.

MINI (V.O.)

Looking back, that may have been
the moment we fell in love.

31.

INT. A WOMEN'S CLOTHING STORE IN A SHOPPING MALL - DAY

Mini tries on a cocktail dress, as Martin looks on, giving
his approval.

MINI (V.O.)

We became inseparable.

EXT. THE TANNEN'S POOL - DAY

Mini sits at the pool side table, as Martin helps her with
her homework. M

MINI (V.O.)

Mom thought it was cute how we had
suddenly grown so close, and
thought it was wonderful how Martin
had taken an interest in my
education.

From inside the house, Diane is seen lighting a cigarette,
looking out at them and smiling.

CLOSE ON HER HOMEWORK: Mini has drawn a dirty cartoon which
indicates how well endowed he is. She jots down an arrow

next

to the words "actual size".

Martin blushes, averting his eyes.

EXT. THE OUTDOOR PATIO AT IL CIELO RESTAURANT - NIGHT

The two of them sit at a romantic table in the candlelight,
as A WAITER refreshes their wine.

MINI (V.O.)

Now that we were spending time
together, I actually started to
find out what Martin was like for
the first time.

Martin tells her something and they both crack up.

MINI (V.O.)

He wasn't the drip I thought he was.

EXT. VENICE BEACH - SUNSET

The two walk hand in hand, stopping to watch the drum rhythm circle filled with LOCAL PERCUSSIONISTS and ON LOOKERS moving to the throbbing beat.

Mini jumps into the circle, dancing along with the other revelers. Martin is content to watch, until she runs to the edge of the circle and pulls him in. Reluctantly, he begins to move with her and slowly start to enjoy himself.

EXT. OCEAN AVENUE- SANTA MONICA- EARLY EVENING.

Mini and Martin walk close together, but not the way couples do.

MINI (V.O.)

Being seen in public was no sweat, as long as we didn't act like a couple.

EXT. MULHOLLAND DRIVE - NIGHT

Martin's Mercedes snakes through an "s" curve, as the lights of the city twinkle in the background.

MINI (V.O.)

This went on for two months, before we had the talk we both knew was coming.

The car pulls off the road at one of the tourist overlook areas with a view of the city.

INT. THE MERCEDES - CONTINUOUS

Martin pulls up the parking break and turns to her.

Martin exhales, knowing she's right.

MINI

Can I ask how the hell you married her without a pre-nup? Her?

MARTIN

(sighing)
She wasn't as bad an actress as you think.

MINI

Well, there is another option.

THE RAIN PICKS UP, PLINK, PLUNKING ON THE ROOF.

MARTIN

There is?

Her eyes harden as she looks out at the city.

MINI

But it will take some planning...
and some resolve.

Martin's eyes suddenly widen.

MARTIN

Wait, you don't mean-

She lets the word linger, as the rain beats down steadily.

Her gaze is unwavering and after a few seconds he realizes she's serious. He can't help but let the hint of a grin

MARTIN

It would be for her own good.

MINI

The only truly caring action we could take.

MARTIN

As painful as it would be for me to be without my loving wife.

MINI

You did it for the well being of your daughter. The selfless act of a devoted parent.

The sexual tension arises between them, as he starts moving closer to her lips.

MARTIN

Of course, we'll have to make sure her episodes are well documented.

She responds in kind, tilting her head.

A public complaint by a neighbor wouldn't hurt.

MINI

Much.

Unable to stand it, their lips meet and they start to hungrily tear at each other's clothes.

EXT. THE CAR - CONTINUOUS

The car rocks gently back and forth in the rain, as another car whizzes by, spray flying up behind it as it disappears around a curve.

INT. MINI'S BEDROOM - MORNING

Mini wakes up with a look of pure joy, ready to face the world.

MINI (V.O.)

I awoke the next morning, as excited as I could remember. Unlike most firsts which are over too quickly, this would take determination...

EXT. THEIR BACKYARD- MOMENTS LATER.

Mini swims on her back in the pool, a lit cigarette dangling between her lips.

MINI (V.O.)

Part one, violent mood swings-
slash-uncontrollable rages.

Cushions from the living room couch fly past the door frame.

DIANE

Fucking shit! Where are they?

Mini stirs her coffee innocently. Diane again can be seen through the door, this time throwing magazines and papers

off

the coffee table.

DIANE

I'm gonna be late! It took me three weeks to get an appointment with Anton...

MINI (V.O.)

Anton Michelle, masseuse to the stars and reported possessor of one of the biggest schlongs in town. Rumor has it, he's pouring the pork to every rich wife between Malibu and Pasadena. He must be incredible if Mary Magdalene dragged her ass out of bed this early.

DIANE

...and now I'm gonna miss it because I can't find my fucking car keys?!

Martin and Mini exchange a smirk. She turns towards them, eyes ablaze.

DIANE

I could use a little help in here!

Martin looks up from his morning paper as cheerful as can be.

INT. THE LIVING ROOM - CONTINUOUS

Mini and Martin walk in to see Diane on all fours, looking under one of the sofas. Her panties are blatantly visible from under her mini-skirt. Mini and Martin exchange a smirk.

MARTIN

Diane, sugar, do you remember where you put them when you came home last night?

DIANE

Yeah, in the fucking bowl by the fucking door where I always fucking put them!

MINI

Well, uh, you were kinda out of it last night.

DIANE

No, I wasn't! I had one drink with Marie, one!

MARTIN

Uh, are you sure? You did seem a bit tipsy.

DIANE

Yes, I'm sure, you dickless wonder.

D

iane starts rummaging through the drawers of a desk near the front door.

MINI

(under her breath)
Now don't you listen to her, you
are not a dickless wonder.

Martin tries not to let on how much he's enjoying this.
Completely frustrated, Diane stops looking and heads for the
"key" bowl by the door.

DIANE

Mini, I'm taking your car. Martin,
take her to school.

Diane grabs a set of keys.

a number. As she waits for an answer, she twirls DIANE'S KEY
RING around her finger.

MINI (V.O.)

Now, here comes the really fun
part. I realized a year ago that by
lowering my voice a bit I could do
a passable job imitating...

MINI

Hello, Anton? It's Diane Tannen, I
know it's late notice, but I'm
going to have to cancel our
appointment. What? No, of course, I
realize I'll still have to
pay...yes, something came up.

INT. THE "OFFICE" OF ANTON MICHELLE - LATER.

ANTON MICHELLE, 30, the very muscular "it boy" masseuse is furiously fucking JEANETTE LANG, a similarly hyper-aerobicized wife, on his massage table.

He's bent her over the table and is taking her from behind when, suddenly, the door flies open. They both look up to see...DIANE with a stunned expression.

MINI

DIANE

Are you kidding? She should get

INT. A CLASS ROOM AT MINI'S HIGH SCHOOL - DAY

Mini and Kayla sit in a history class, looking dreamily at their teacher, WARREN BISHOP, 25, an earnest young preppy in the middle of a lecture.

DIANE

What are you doing?!

SECURITY GUARD #1

Sorry, Maam, this is for your own protection.

DIANE

It's him! Answer it! Answer it! He said he was gonna kill me!

The guards finally tackle her, getting handcuffs on.

He, he knows where I live!

THE OTHER SHOPPERS watch for a moment and lose interest, writing her off as just another LA kook.

MINI (V.O.)

Martin looks at her for a long moment, clearly realizing the implications of "speed this up".

MARTIN

No, I'm sorry, this is going somewhere I'm not prepared to go.

MINI (V.O.)

Yikes, now that Mom's out of the

MIKE

...don't hesitate to ask. Remember
I'm just right across the fence.

The meaning is not lost on Martin.

MARTIN

(measured)

Thanks, Mike, we appreciate it.

INT. THEIR HOTEL ROOM - LATER.

neck
Martin paces back and forth as Mini sits on the bed. His
muscles bulge with frustration.

MARTIN

Why did you tell him?!

MINI

I was just being friendly, I had no
idea he'd decide to come here.

MARTIN

He knows. He found the clothes and
goggles and he fucking knows!

MINI

I doubt he even knows where his
trash cans are.

MARTIN

No, he knows. It was like he was
toying with us.

MINI

Just relax, what is he going to do?
Go home and tell everyone we're a
couple? We'll just laugh it off and

tell everyone he vacations with hookers.

Martin stops and looks at her, surprised.

MINI

Oh, come on, could that little moment between you and Jennifer have been any more awkward?

His face turns a little red.

MINI

I'm not jealous or anything, I just think it's funny. Talk about six degrees of penetration.

Martin rubs his temples, clearly overwhelmed.

MARTIN

You realize he could blackmail us? If the police found out about us, that suicide wouldn't look so routine.

MINI

Martin, please, calm down. Trust me, nothing is going to happen.

Her words don't appear to have calmed him.

76.

EXT. THE POOL - DAY

Martin sits on a lounge, reading a book and looking very unhappy. From the pool, Mini emerges, soaking wet in a bikini.

MINI (V.O.)

The next few days were a laugh riot.

Martin looks up from the book, looking around suspiciously. Suddenly, Mini appears behind him and gives him a kiss on

the

mouth. He instinctively pulls back.

MINI (V.O.)

Suddenly, Martin was acting like he really was my father.

Just then, Rudell and his bimbo enter the pool area, waving at them. Mini's head is not close enough for the scene to look incriminating, but Martin is too spooked to know the difference.

INT. THE TANNEN'S LIVING ROOM - NIGHT

Mini and Martin sit watching TV. Mini flips channels, stopping at Absolutely, Positive! Martin snatches the remote and grumpily changes M channels. Mini looks very annoyed.

MINI (V.O.)

We returned home and things didn't get much better.

MONTAGE:

MINI

"Happy birthday, Mr. President"

MINI (V.O.)

As for school, well, I was just in
no state to return to my studies
after the trauma of my mother's
death.

THE DOOR BELL RINGS. Mini looks towards the hallway.

EXT. THE FRONT DOOR TO THE HOUSE- MOMENTS LATER.

Mini answers it, having removed her Marilyn wig, but still

looking her up and down. Mini hides her surprise well.

MINI (V.O.)

Uh oh.

MINI

Yes?

GARSON

Minerva Tannen, Detective Garson, I
don't know if you remember me?

MINI

Drogues, my last name is Drogues.
And "yes", I remember you, you were
the big hearted lug who wanted your

was still warm.

GARSON

So, Mr. Tannen is your stepfather?

GARSON

Again, I am sorry about that night, but it is policy that we get the preliminary facts as soon as possible.

MINI

What do you want?

GARSON

I need to ask you a few more questions about your mother's death. M

INI

Sure, come on in.

INT. THEIR LIVING ROOM - CONTINUOUS

Mini leads him in.

MINI (V.O.)

I know, it's stupid as hell to talk to a cop without a lawyer, but I didn't want to look jumpy and my first real interrogation? I could feel something tingle deep inside.

Mini and Garson take a seat. Mini lights a cigarette. Garson looks over her outfit again.

GARSON

It's a little early for the prom, isn't it?

MINI

A girl can dream, can't she?

GARSON

Perfectly legal. So, anyway, we got the preliminary coroner's report. Although the pills knocked her out, she died of the carbon monoxide poisoning from the exhaust.

MINI

Is it that important?

Well, maybe she wanted to drift off before the fumes got her? She clearly put some thought into that outfit.

GARSON

Clearly...But dying from carbon monoxide poisoning is actually pretty painless, you just basically pass out.

MINI

I doubt she would have had an intimate knowledge of how car fumes feel when you choke on them.

GARSON

I suppose you're right...Also we checked the phone records and there was a 911 call placed at 8:12. It was a hang up and when the 911 dispatcher called back a few minutes later, there was no answer.

MINI

Really?

GARSON

Any idea why she'd call 911?

MINI (V.O.)

Okie fine, this may be the most exciting thing I've done in a while, but even I know when the

rush isn't worth the risk.

MINI

Look, I think you should come back when my father's around. He'll be upset I let a stranger in the house. G

MARTIN

EXT. THE POOL - CONTINUOUS

Mini lounges in a bikini, talking on the cordless phone, while sucking on a red popsicle.

MINI

I played it cool, it would've looked worse to be defensive.

Mini looks across the yard to see...

MIKE RUDELL looking down at her from the upstairs balcony of his home. He's dressed in a plush terry cloth robe and is smoking a pipe, which he raises in greeting. His eyes are locked on hers.

MARTIN (V.O.)

Well, when's he coming over?

MINI

Tonight?

MARTIN (V.O.)

Tonight!? I've got a dinner with Chapman. I've already cancelled--
(frustrated)
Damn it! Why didn't you call me?!

RUDELL allows the folds of his robe to open in the breeze, revealing his chest and pair of silk boxers. He's in good shape for a man his age.

Martin and Mini sit across from Garson. Martin appears cool and relaxed, a scotch in his hand.

GARSON

I really appreciate you taking the time to help us out. There's just a few loose ends we want to tie up.

MARTIN

Absolutely. What would you like to know?

Garson opens his briefcase and removes a report. He starts

G

leafing through papers.

ARSON

There appears to be some question as to the time of death. You said you went to dinner and a movie-

MARTIN

Detective, not to be overly sensitive, but do I need my lawyer here? Because these sound like the questions one asks when there's a homicide investigation.

GARSON

Mr. Tannen, I'd really like to just finish this up, I've got real homicides that need attention. How about if I just ask you some questions and the one's you don't want to answer, we'll just skip?

MINI

That sounds good, doesn't it, Dad? I mean, let's just get this over with.

MARTIN

Fair enough.

GARSON

Terrific...now, the preliminary blood report indicated she had ritalin in her system.

Mini's eyes shift between Garson and his note pad.

MARTIN

I wasn't aware my wife was taking ritalin.

GARSON

Neither was her physician, he had never prescribed it.

MARTIN

Well, as you may have discovered by now, my wife had substance abuse problems, I'm sure there were many drugs she took without a prescription.

GARSON

I know, but it's an odd drug to be taking. It's mostly given to adults and children with Attention Deficit Disorder to calm them. But in people who don't need it, it has the reverse effect, making them incredibly hyper and agitated.

MARTIN

Again, Detective, I really can't say why she was taking these drugs.

GARSON

Fair enough...Mr. Tannen, were you and your wife close?

MARTIN

No...we led, for the most part, separate lives. We had decided to stay together for Mini.

GARSON

Yes, but what I'm still unclear about is her time of death.

MARTIN

Well, that makes two of us... Again, detective, we were out for the whole evening.

GARSON

(looking at his notes)
After dinner you saw a movie that night?

MARTIN

That's right.

MINI (V.O.)

Start time 9 o'clock.

GARSON

What did you see?

That new Jackie Chan movie where the terrorists try to blow up Mount Rushmore.

Martin turns to Mini, giving her a fatherly smile.

MARTIN

Mini rolls her eyes at Garson.

GARSON

That's okay...Where did you see it?

MARTIN

MINI (V.O.)

Drive time 17 minutes.

GARSON

And you got home at?

MINI (V.O.)

Precisely...

MINI

He's probably just trying to spook us.

MARTIN

Hello?! They don't try and spook you unless they think you did it!

MINI

It was a great plan, no one can prove we stuck those sleeping pills in her mouth, because we didn't.

MARTIN

Well, if it was such a great plan, why am I cancelling business dinners to accommodate a detective who appears convinced it wasn't a suicide?

Mini glares at him and then stands up, heading inside.

Where are you going?

MINI

INT. A DANCE CLUB IN EAGLE ROCK - NIGHT

As she pulls herself back up, her eyes scan the room.

MARTIN stands in the back, watching her, his eyes sullen.

MINI (V.O.)

Was there any question?

Mini's eyes move quickly enough past him that it's ambiguous to him whether she spotted him or not.

Martin watches as Mini leans in and in SLOW MOTION gives her partner a deep, long kiss. MARTIN looks ill.

Mini's car pulls into the driveway. She gets out, looking ruffled.

INT. THE KITCHEN- MOMENTS LATER.

MARTIN

That son of bitch just cost me the firm I worked fifteen years to build.

MINI

Well, if you start waving that thing around, he's gonna cost you a lot more than that.

RUDELL

I could arrange for you to go to the set one day if you'd like, or even be a contestant?

MINI

A contestant? Really?

RUDELL

Sure, those dates are really quite harmless. You just spend an evening with the person. We prep you on what to say before the show.

Rudell lets his eyes take a walk all over her. Mini, keenly aware, blushes.

RUDELL

Anyway, what's on your mind?

MINI

Well, um...this may sound strange, but you haven't seen any suspicious looking people around our house lately?

RUDELL

to return to school.

They approach TROY, the football player she humiliated

PRINCIPAL ANDREWS

Young lady, stealing anything, especially prescription drugs is a serious matter.

Mini looks at Andrews, her eyes suddenly starting to tear up.

MINI

You got me, okay? But what was I supposed to do?

PRINCIPAL ANDREWS

What do you mean?

MINI

(suddenly hysterical)
She...She said if I didn't, she was...was gonna--

PRINCIPAL ANDREWS

Who? Another student?

MINI

My mother! She made me steal them for her! I didn't want to, but she said she was going to send me to boarding school in Canada if I didn't! P

PRINCIPAL ANDREWS

Canada?

MINI

(sobbing)

The Yukon territories! Are you happy, now? You got me!

PRINCIPAL ANDREWS

Oh my lord, I had know idea, she was--

MINI

An addict? Detective Garson knew! We told him, and now what? The whole school's gonna know!?

Mini hides her face in her hands.

MINI

She's dead, my mommy's dead. Can't we just leave her be?

Andrews casts a harsh glance at a frustrated Garson.

PRINCIPAL ANDREWS

Detective Garson, I assume, there won't be a need to press charges against Ms. Drogues?

Mini holds out her wrists to Garson.

MINI

(sniffling)

You gonna cuff me, Copper!?

Garson looks at Mini, clearly not convinced of her innocence.

GARSON

She's free to go.

INT. THE LOBBY OF MARTIN'S OFFICE BUILDING - DAY

Martin gets off the elevator and heads across the lobby. GARSON and A UNIFORMED OFFICER approach him. Martin looks a little unnerved to see them.

GARSON

Ah, Mr. Tannen, we were just coming up to see you. Have you got a minute?

MARTIN

Detective, I told you no more questions without my lawyer.

GARSON

I think you'd better call him.

INT. AN INTERROGATION ROOM - LATER.

Martin sits at a table, conferring with his lawyer, NED VOLANT, an impeccably dressed operator with a mane of thick, heavily gelled hair. Garson sits across from them.

GARSON

There's a small discrepancy that I can't quite figure out and I was hoping you might be able to explain it.

MARTIN

I suppose I can try.

GARSON

The final toxicology report came back and your wife definitely didn't die from the pills. She wasn't conscious past 9:30, but it was the fumes that killed her.

M

ARTIN

Well, hallelujah, thanks for the update-

VOLANT

Martin, easy.

MARTIN

I'm sorry, but this is harassment.

GARSON

See, here's what I needed to ask you. The gas tank in the Jag was almost full, just a gallon had been used.

MARTIN

And?

GARSON

Well, if she was unconscious by 9:30, that means the car must have been running for at least two hours when you found her. An unconscious person can't turn on a car, right?

VOLANT

Detective, with all due respect, could you get to the point?

GARSON

Well, here's where I get confused, see, that particular model idling for two hours will burn at least four gallons of gas.

in Martin tries to remain calm, as the panic starts to settle
for a long stay.

GARSON

So, there's really no way the tank could be almost full if it was running for two hours. Is there?

He looks at Martin, waiting for an answer.

GARSON

So, I guess what I'm asking is, whose idea was it to put her in the car?

VOLANT

Martin, don't say anything.

GARSON

Now, Mr. Tannen, you clearly had the most to gain from her death, but I've learned from a number of your wife's friends that she and Mini had a strained relationship.

VOLANT

Again, Detective, my client won't be answering anything, so let's just cut the cat and mouse.

GARSON

I'd like Mr. Tannen to know that if he's trying to be a protective father by covering up something Mini did, I'd be careful. The district attorney is viewing this case as an opportunity to show the public that the rich don't get away with murder in this town.

Martin whispers something in Volant's ear and he in turn,
V
whispers back.

OLANT

Does this mean he's offering Mr. Tannen immunity if he says he was protecting his daughter?

Garson takes a sip of water, as Martin anxiously waits for his answer.

GARSON

It's a strong possibility. But he wants Mr. Tannen to know he will go for the maximum sentence if he doesn't. No manslaughter, no plea bargains, nothing.

Martin's eyes shift slightly.

INT. ANOTHER INTERROGATION ROOM - CONTINUOUS

Garson, now finished with Martin, sits across from Mini and her lawyer, HERB PELHAM, who doesn't look nearly as confident as Martin's lawyer.

MINI

It was Colonel Mustard in the library with the candlestick.

Garson smiles at Mini, admiring her resolve.

PELHAM

(nervously)

Uh...Miss Drogues, as your lawyer-

MINI

Don't wet your pants, I know when to shut up and swallow...

Mini takes out a sip a water, letting a trickle of liquid roll down her chin.

MINI

...my tongue.

Even Garson appears a little intimidated by the overt flirtation.

GARSON

Look, the fact that the marriage was unhappy and there was no pre-nup gives all the motive to Martin.

MINI

So you want me to say it was his idea?

GARSON

If it was his idea, give me one reason you should take the fall?

MINI (V.O.)

At that moment I knew we had him. If he was trying to get me to rat on Martin, he didn't have enough to

charge either one of us.

So if I tell the jury it was his idea and I was scared for my life, because he said he'd kill me if I ever told anyone, then I walk?

around

the room, weighing her options. Pelham attempts to whisper something in her ear. She waves him off.

M

INI

Sorry, sport, but I'll take my chances.

INT. MARTIN'S CAR - LATER.

Mini and Martin drive home together. There is an icy chill between them, as Martin looks over at Mini.

MARTIN

I never doubted for a minute you were going to hold firm. Not a second. I hope you know that?

MINI

Oh, I knew...I knew.

MARTIN

Good. You realize, we've got to rely on each other?

MINI

Who else do we have?

MARTIN

Exactly. We're almost home free. My lawyer says that gas gauge theory is circumstantial as hell. I've only got one concern now.

MINI

What?

MARTIN

Rudell. If a jury knew we were a couple, we've both got a motive and that changes everything.

Mini puts her hand on Martin's, reassuringly.

INT. THE SHERMAN OAKS GALLERIA - DAY

Mini walks through the mall.

MINI (V.O.)

For all of Martin's talk of relying on each other...

MARTIN follows about a hundred yards behind.

MINI (V.O.)

Garson had succeeded in planting the seeds of distrust.

MINI turns around and Martin ducks into a boutique.

EXT. A MOVIE THEATER - NIGHT

Mini walks out of a movie theater, with Kayla and TWO BOYS.

MARTIN'S FACE turns white.

THE HOST turns to the camera.

HOST

So, after dinner, what happened?

JASON

Oh, gosh, well she suggested we go to a dance club she knew. I'm not really a good dancer, but I said "yes."

We never go dancing.

Jason smiles at her uncomfortably.

HOST

So, Mini, is Jason a good dancer?

Don't be jealous. It won't happen again. It was just a goof.

Martin stands there, speechless, while ON THE SCREEN:

I can't believe you...th-that couple, you ruined their relationship.

marked

"MARTIN TANNEN". He opens it to find...

AN 8x11 PHOTO of him and Mini kissing passionately on the beach in Mexico. This time there is no question as to the nature of their relationship. Scrawled across the bottom in black marker is: "REMEMBER, I'M JUST ACROSS THE FENCE".

Martin's eyes scan the photo, a look of resignation setting in.

What is it?

Martin slowly holds it up for her to see.

MINI

Oh, my god.
