

A red, dusty road in a mining town.

A POLITICIAN (55) in a white shirt and pants who looks more like a local hood, travels on top of a Jeep which has been designed to look like a mythological chariot. The jeep moves through the market place.

His 40 supporters are on 15 motorcycles bearing bandannas and flags in his party color, yellow. They ride slowly in front of the chariot shouting slogans.

CHORUS

Humara neta kaisa ho? Mangal Netam
jaisa ho! Mangal Netam Zindabad!

A couple of his supporters climb on the Jeep and garland him. He is already laden with a dozen garlands- all yellow marigolds.

His supporters gesture at everyone to listen to him speak.

He addresses the crowd on a microphone.

POLITICIAN

(in mock anger)

Mangal Netam aapke beech vote
maangne nahi aaya hai. Mat do mujhe
vote! Mat do!

His supporters are silent.

POLITICIAN (CONT'D)

Woh log mujhe thekedar kehte hai.
Mujhe?

(calms down)

Mujhe iss kshetra ka vikaas
chahiye. Mera sapna hai ki har
bacche ke daaye haath mein laptop
aur baayein haath mein mobile ho.
Aur woh log aapke aur vikaas ke
beech ka kaanta hai.

His supporters start cheering him to not give up.

POLITICIAN (CONT'D)

(thumps his chest)

Magar yeh dharti ka poot aapke liye
khada hai. Agar woh laal hai toh
main kamaal hoon. Agar woh teer hai
toh main top hoon. Isiliye main
kehta hoon ki agar aap iss chetra
ka vikaas chahte ho toh aapko pata
hai ki aapko kya karna hai.

2 **EXT. HIGHWAY- DAY**

2

The Politician and his cronies travel in a car. He talks on his cellphone.

In front of them, the road is blocked by a fallen tree. As soon as the driver realizes it, everyone in the car panics as he tries to frantically turn the car.

As the driver tries to take a sharp U turn, eight uniformed naxals(4 men, 4 women), their faces covered come out of the woods with guns, mostly 303s.

The driver and bodyguard run out of the car begging them to spare him.

Mangal is frozen. When he turns back he sees both the driver and his bodyguard running away.

A naxal woman opens the car door. A man pulls Mangal out of the car, on the ground below.

The woman pumps two bullets into him with her 303. Very economical.

3 **INT. COLLEGE CLASSROOM- DAY**

3

An ELECTION COMMISSION OFFICER, P K MISHRA (50) is conducting a workshop for 40 men and women. There's an EVM on the table.

MISHRA

India ka election duniya hairan hokar dekhti hai. Tees hazar karod ka kharcha, chaurasi karod voter, nabbe lakh polling booth. Har baar Guinness Book mein hum apna pichla world record tod ke ek naya record banate hai. Humne saabit kar diya hai ki hamari sansad mein goonde bhale hi chun ke aa jaaye magar chunaav mein goonda gardi nahi kar sakte. Kyun? Kyunki hum aur aap, Election commission ke chunav adhikaari, aisa hone nahi dete...

VOICE

Chunav tak zinda rahenge tab na.

Mishra looks stunned. Some people laugh.

MISHRA

Kaun bola? Saamne aaiye?

Silence.

MISHRA (CONT'D)
Murga nahi banayenge bhai...

Laughter. Mishra regains his composure.

MISHRA (CONT'D)
Dekhiye kal ki ghatna ke baad darr
lagna swabhawik hai... It is human
nature. Yeh pradesh Maowaad se
grast hai. Kal ki ghatna se unhone
chunav boycott ka elan kiya hai.
Boycott!

(pause)

Maowaadi hamare samvidhaan aur
prajatantra ko nahi maante. Jo Mao
ne Cheen mein kiya woh unhe yahan
karna hai.
Maoji ka kehna tha ki rajnaitik
shakti bandook ki nali se behti
hai. Wahan bahi hogi, yahan nahi
bahegi.
Naksaliyon ko koi hathiyaar agar
mita sakta hai to woh hathiyaar hai
yeh VOTING MACHINE. Samjhe?

A lady officer raises her hand with trepidation.

Mishra looks at her.

MISHRA (CONT'D)
Kya samjhe?

LADY OFFICER
Sir, chunavi hinsa hui to?

Mishra is getting a bit exasperated.

MISHRA
Awwaal to hogi nahi. Hui bhi to hum
aapko kuch nahi hone denge. Har
polling booth sensitive nahi hota.
Jo log samvedansheel ilaako mein
jayenge, jaise Dandkaranya jungle,
unke poora security cover milega.
Aap sirf free and fair election pe
focus kare. Chaliye bataiye Chapter
1 point number 1.2 kya hai?

A KEEN TYPE PROBATIONER, KTP, raises his hand. Mishra points
to him.

KTP
Sir, Presiding officer ka polling
booth ke 200 metre ke radius mein
poora control hoga. Sabko uska
aadesh man-na hoga.

Mishra lifts the manual.

MISHRA

Shabaash. Aap sabko bhi yeh manual ghot ke peena hai. Chunav ke din manual dekhne ki naubat nahi aani chahiye. Am I clear?

An officer raises her hand.

OFFICER 1

Sir, agar polling booth pe Maowadiyon ka hamla hua to hum kya kare?

MISHRA

Hero bilkul mat ban-na. Jo bole kar dena. Chup-chap voting machine de dena. Hum uss booth ka chunav radd kar ke re election karvaenge.

OFFICER 2

Sir, agar re election mein bhi upadrav hua to?

MISHRA

To phir re election.

NEWTON

Aur sir, agar re election ke re election mein bhi gadbad hui to?

Mishra is not impressed.

MISHRA

Kya naam hai aapka?

NEWTON

Ji, Newton Kumar.

MISHRA

Newton?

NEWTON

Newton.

MISHRA

Woh apple wala Newton?

NEWTON

Ji.

Officers in the audience laugh.

MISHRA

Huh. Do ke baad kya aata hai?

NEWTON

Jee teen.

MISHRA
Teen ke baad?

NEWTON
Jee char.

MISHRA
Good boy. Baith jao.

The group laughs again.

4 **EXT. RESTAURANT/ CANTEEN- DAY**

4

P.K. Mishra sits alone at a table eating.

Newton enters the restaurant/ canteen. When he spots Mishra, he walks to him.

NEWTON
Kya sir? Simple doubt tha. Mazak
bana diya aapne.

MISHRA
Sawaal aise poochogey toh jawaab
bhi aise hi milege. Accha chhodo.
Newton tumhara asli naam hai?

NEWTON
Ji.

MISHRA
Pitaji Physics padate hai?

Newton looks at him askance.

MISHRA (CONT'D)
Mera poochne se matlab tha ki
'Newton' naam kisne rakha.

NEWTON
Ji, khud maine.

Mishra looks surprised.

MISHRA
Kyun?

NEWTON
Actually mera naam Nutan tha. Nutan
Kumar. Class mein sab chedte the.
Isliye tenth board ke form pe maine
Nu ko New aur Tan ko Ton kar diya.

MISHRA
Nu ka New aur Tan ka Ton? Wah.
Nutan ka Newton. Wah wah!. Yaar tum
to kalakaar nikle!

NEWTON

Kyun?

MISHRA

Beta Newton naam bada bhari hai.
(quoting Shakespeare)
Greatness has been *thrust* upon you.

NEWTON

Kya sir... aap meri class le rahe ho?

MISHRA

Len-den se bhi upar ki baatein hoti hain. Suno ab. Pata hai Newton ne duniya kaise badli?

NEWTON

Sir padha hai. Gravity. Optics.

MISHRA

Itne saalon se aap Newton hain, asli baat toh pakad hi nahi paaye. Beta ek jhatke mein dharti aasmaan baraabar kar diya tha usne. Ab poochho kaise?

NEWTON

Kaise?

MISHRA

Hota kya tha ki purane zamane mein dharti ke alag aur aasman ke alag kanoon hotey the. Ek rule hota tha rajaon ke liye, ek rule hota tha hum jaison ke liye. Pata hai na?

NEWTON

Ji sir.

MISHRA

Lekin ek hi zhatke mein Newton ne duniya ke totay uda diye. Nature ke aagey koi raja nahin, koi fakeer nahi. Sab ke liye ek hi kanoon, chahe chand pe jao, Amrika jao, ya kahin mat jao, inertia mein raho. Jab kudrat Ambani aur bhikari mein bhed bhaav nahi karti, toh hum kaun hote hain? Samjhe?

NEWTON

(thinking deeply)
Hmmm.

MISHRA

Kaunse department mein ho.

NEWTON

Abhi tak allocate nahi hua hoon.
Probation par DM daftar mein hoon.

MISHRA

Phir election duty pe kaise ho?

NEWTON

Reserve mein hoon sir.

MISHRA

Twelfth man bhi zaroori hai. Jaise
cricket-football mein. Maaza aa
raha hai naukri mein?

NEWTON

Jee.

MISHRA

Bade bhari mann se Jee bol rahe ho.

NEWTON

Ajeeb sa mahoul hai saare daftar
ka. Koi nakhoon kat-ta hai, koi
patte khelta hai, koi din bhar
oonghta rehta hai... bina rishwat
koi file khiskaane ko raazi nahi
hai... Gharwale aur rishteydaar
alag pareshaan karte hai. Jab bhi
milte hain upar ki kamai kitni hai
poochte hain...

MISHRA

Dekho naya naya josh hai tum bhi
seekh jaoge saal bhar mein. Shuru
shuru mein sabko aise hi lagta hai.

NEWTON

Sir, sirf paise kamane thhe toh
call centre mein naukri karta. I
want to make a difference.

MISHRA

Tumhara problem pata hai kya hai?

NEWTON

(confrontational)
Meri imaandaari?

MISHRA

Yeh imaandari ka ghamand. Dekho
Newton babu aap imaandaar hokar
desh samaj kissi pe ehsaan nahi kar
rahe hai. It is expected of you.
Samjhe?

Newton listens.

MISHRA (CONT'D)

Imaandaari se mann halka hota hai
bandhu, bhaari nahi. Mat lo duniya
ka load, sirf apna kaam karo. Desh
ki pragati apne aap ho jaegi.

Newton nods. Thinking deeply. Mishra waits for Newton to
resurface.

Newton gets up to leave.

MISHRA (CONT'D)

Bhains aur bureaucrat main kya
farak hai jaante ho?

Newton looks askance.

MISHRA (CONT'D)

Bhains gobar karne ki tankha nahi
leti. Ab chalo.

They laugh.

MISHRA (CONT'D)

Itna saara gyan diya, paaon nahi
chuogey?

Newton smiles politely.

NEWTON

Sir, main paaon nahi choota.

MISHRA

Aajkal ke launde toh humare jaise
hi hai!

Mishra laughs. Newton forces a smile.

MISHRA (CONT'D)

Suno. Shaadi hui hai?

NEWTON

Nahi sir.

MISHRA

Soch samajh ke karna. Yeh bhi ek
prakaar ka seb hai.

5 **EXT. TOWN SCAPE- DAY**

5

A bird's eye view of the town.

6 **INT. LILA'S HOUSE- EVENING**

6

Traditional "Arranged Marriage" match making scenario.
Newton's parents have taken him to see a girl.

They sit on a wooden sofa with cushions. In front of them sit the girl's father, brother and a 90 year old grandmother with thick glasses.

There's some noticeable disparity between his family and hers- his are far simpler.

GIRL'S FATHER

Bhopal ke aage to yeh kasba sa lagta hoga nai?

NEWTON'S FATHER

Jahan bachha khush rahe apne liye to wahi Bhopal hai.

GIRL'S FATHER

Yeh sahi kahi aapne. Retirement ka sukh to baccho ke saath hi hai. Waise bhaisahab aap lagte nahi saath ke.

NEWTON'S FATHER

Abhi to siraf tireppan poore hue hai. Naukri lagte hi yeh ladne laga, Karwa diya retire!

GIRL'S FATHER

Sakshat Shravan Kumar hai apna Nutan.

NEWTON

Jee Newton.

Her Grandma passes a framed cloth that has a bulbous rose embroidered on it. Newton's mother looks at the embroidery with interest.

GIRL'S GRANDMA

Bachpan se hi shauk hai.

GIRL'S FATHER

Beta ab tumhare roomal kabhi nahi khoyenge. Na koi chori kar paega. Sab par yeh tumhare woh initials kar degi.

NEWTON'S MOTHER

Haan, rumaal toh iske bade khotey hai.

Newton doesn't know how to react. Newton's parents begin to admire the embroidery.

Newton's attention is drawn towards the stairs where he can see some movement. The girl, LILA, nubile and demure enters. Draped in a nice saree, she is escorted by her mother, sister in law and older sister as she holds a tray of tea cups and pakodas.

She places the food before Newton and his family and sits down quietly next to her mother. Her head is bowed.

GIRL'S FATHER
Pakode khao, beta Nootan.

NEWTON
Newton.

GIRL'S FATHER
Beta itni English to mujhe aati nahi.

Newton is about to say something when-

GIRL'S MOTHER
Chai lo beta. Makhi baith jaegi.

She signals Lila with her eyes. Lila picks up the cup of tea around which a fly is hovering and hands it to Newton. When Newton takes a sip, a film of cream sticks to his lips.

He cleans it awkwardly.

Newton looks at Lila who looks uncomfortable.

GIRL'S FATHER
Beta kuch poochna hai bitiya se? ya sab shaadi ke baad?

The parents laugh. Newton nervously keeps the cup on the table.

NEWTON'S FATHER
Kadai dekh li, pakode kha liye ab baat karne ko hai kya?

Newton angrily looks at his father. His mother catches on.

GIRL'S FATHER
Poochne do na. M.Sc. hai. Hogi koi baat. Pooch beta pooch.

Newton clears his throat. He looks at Lila who is looking at the ground.

NEWTON
Kya shauk rakhti hain aap?

LILA
Jee pichhur jaane ka shauk hai.

NEWTON
Sabse favourite kaunsi hai?

LILA
Jee Hum Aapke Hain Kaun.

Her parents nod with approval.

NEWTON
College mein ho?

Lila shakes her head.

GIRL'S FATHER
Badmasho ke adde mein apni beti ko
main to nahi bhejunga. Naam padhai
ka kaam saara number do ka.

NEWTON
To aapne twelveth ke baad kya kiya?

LILA
Jee woh nauvi tak kiya.

Newton looks at her father. He glares back.

NEWTON
Kab?

LILA
Jee teen saal pehle?

Newton looks like he is doing a mental calculation.

NEWTON
Uss hisaab se to matlab aap
matlab... Aapki age kya hui?

LEELA
Jee. Saade solah.

Newton gets up, frightfully.

NEWTON
Ladki nabaalig hai.

GIRL'S FATHER
Beta ladki sasuraal mein badi ho
yehi aacha hai.

Newton looks at his father with anger as if asking: what have you gotten me involved in?

7

EXT. SMALL TOWN, ROAD- DAY

7

Two cycle rickshaws- on one, sits Newton, and on the other, sit his parents.

Whenever Newton's rickshaw goes slightly ahead, his father tells his rider to buck up.

NEWTON'S FATHER

To ek-ded saal mein ho jaegi
baalig. Tab kar lena shaadi. Sasur
contractor, damad afsar. Retirement
tak ghee mein dooba rahega.

NEWTON

Mujhe nahi doobna ghee mein.

NEWTON'S MOTHER

Aise nahi bolte babu. Motorcycle
aur paanch lakh nagdi denge.

NEWTON

Main nahi loonga.

NEWTON'S FATHER

Tujhe de kaun raha hai. Main
loonga. Saala baap pe masteri
jhaadta hai.

(to rider)

Tez chala!

NEWTON'S MOTHER

Chhodo na aap bhi.

NEWTON

Mujhe graduate ladki chahiye.

NEWTON'S FATHER

Apni degree kam hai kya chaatne ko
jo uski bhi chaatega?

NEWTON

Graduate mein kya burai hai?

NEWTON'S FATHER

Graduate ladki dabaegi teri maa ke
pair? Sarkari naukari kya lag gayi
tu khud ko jameendar samajne laga?
Kal kahega thakur brahman ke ghar
byah do? Apni patloon mein reh.

Newton's rickshaw driver suddenly speeds up.

NEWTON

Main kabhi shaadi nahi karunga.

NEWTON'S FATHER

Beta yeh Dilip Kumar wala lehja
daftar mein chaprasi pe chalana.
Woh darega. Main tera baap hoon.

Around 150 men and women are huddled in groups of 3-4, checking their polling materials. They are all carrying handbags.

Presiding officers huddle around two large white-clothed tables with Table 1 officials giving them the EVMs and going over instructions and at Table 2, the Collector informing them about their polling booth. KTP stands in queue at Table 1.

Newton and a few other 'Reserve' officers are sitting a few feet away on a long bench. Some officers are on their phones, some stare at the proceedings vacantly.

Newton watches with the concentration of a benched player.

Table 1:

VOICE
Kamal Kishore!

KTP
Yes sir!

The COLLECTOR'S ASSOCIATE (local man in his 50's) looks at KTP and ticks his name in his list.

He opens a plastic briefcase with the EVM.

He hands over some papers in a file.

COLLECTOR'S ASSOCIATE
Check kariye.

KTP
Yes sir.

COLLECTOR'S ASSOCIATE
Control Unit aur Balloting Unit.

He points to a smaller envelope.

COLLECTOR'S ASSOCIATE (CONT'D)
Isme kya hai jaante hain?

KTP
Yes sir. Iss mein hai hari seal, strip seal, stamp pad, form 17A, Form 17 C, statutory forms, aur syahi vagerah.

The officer is impressed.

COLLECTOR'S ASSOCIATE
Very good. Ab EVM check kare.

KTP connects the Control Unit and the Balloting Unit. He switches on the machine and checks whether it is working.

COLLECTOR'S ASSOCIATE (CONT'D)
Jaiye assign ho jaiye.

KTP
Sir!

KTP walks to the other table where the collector sits with her assistant.

COLLECTOR'S PA
(looking into the file)
Kamal Kishore? Aapka booth 237 hai.

KTP
Jee Madam.

Collector looks up.

COLLECTOR
Chhota booth hai. Sirf 76 voters.

KTP
Madam Gir jungle mein to ek voter ke liye bhi booth bana tha.

COLLECTOR
I know. Yeh Gir mein nahi Dandkaranya mein hai. Yahan dekho.

KTP's face turns pale. His countenance betrays fright.

KTP
Jee Jungle mein?

On a map the Collector points to the booth.

COLLECTOR
Haan. Yahan. Maoist influence kaafi heavy hai, lekin che mahine se poora control administration ke paas hai. Full security milegi. Aapke saath do sahayak jayenge, aur ek BLO bhi hai waha madad ke liye. Aap abhi helicopter se jayenge.

KTP moves closer to the Collector and speaks softly.

KTP
Mujhe toh City Hall bataya gaya tha.

COLLECTOR
Kisne?

Newton squints his eyes in the dust and looks around.

Unmarked vehicles belonging to the Central Reserve Police Force (CRPF) are waiting for them. There are about a dozen CRPF constables with guns.

The Sub Inspector, KRISHNA SINGH (32) comes towards Newton.

Newton shakes his hand.

KRISHNA
Jai Hind Newton Sir. Sub Inspector
Krishna Singh.

We can't hear their voices because of the helicopter's noise.

KRISHNA (CONT'D)
Election party ke baki log kahan
hai?

NEWTON
Sirf hum teen hai.

LOKNATH
Vanvaas pe.

Krishna smiles and nods his head.

LOKNATH (CONT'D)
Ab yahan se kitna?

KRISHNA
Ghante bhar mein pahuch jayenge.
Sir, yeh laga lijiye.

He passes a tube of mosquito repellent.

KRISHNA (CONT'D)
Theek se mal lijiye. Iss ilaake mey
log goliyon se kum aur malaria se
zyada marte hai.

Newton, Shambhu, and Loknath rub it on to their hands and faces as they approach their parked jeep.

KRISHNA (CONT'D)
ROP kaam pe hai.

NEWTON
Aropi? Aropi kaun hai?

KRISHNA
R.O.P. Road Opening Party. Raaste
mein mines vagerah clear karne.
Dariye mat. Ambush ka chance bahut
kam hai.

KRISHNA
 (points in the distance)
 Sir, woh pahad dekh rahe hai?

A hillock in the distance glistens like a ghost.

NEWTON
 Kya hai wahan?

KRISHNA
 Pakistan!

Newton looks at him with disbelief.

DRIVER
 Pichle August tak wahan lal jhande
 ko salaami di jaati thi.

KRISHNA
 (laughing)
 Meri toh abhi tak jahan bhi posting
 hui hai na, log alag alag jhandon
 ko salami dete hai.

LOKNATH
 Jhande aur dande se hi toh desh
 banta hai!

NEWTON
 Yeh naxali area ko Pakistan kyon
 kehte hai?

KRISHNA
 Bhagwan jaane sahab. Mere aane se
 pehle se kehte hai. Dushman meaning
 Pakistan.

NEWTON
 Yeh saara area unke paas tha?

KRISHNA
 Ab humare control mein hai. Phir
 bhi khatra to hota hi hai. Jageh
 jageh mines bichi milti hai.
 (laughing)
 Aap log yahan wahan pishaab karte
 samay savdhaan rehna. Galat jageh
 moot diya to kaand ho jaega.

Four jeeps travel. Car headlights are on.

Atma Singh turns and offers his hand to Loknath.

ATMA SINGH
Jai Hind Kumar Sir. Atma Singh
Assistant Commandant.

Loknath, who looks taken by Atma Singh's personality merely shakes his head.

NEWTON
Ji, main hoon.
(takes his hand)
Newton Kumar, Upper Division Clerk,
Collector Office. Yeh Loknath hai.

Atma Singh checks Newton out from top to bottom as if re-checking if the EC had indeed sent such a young officer.

ATMA SINGH
Naam bahut adbhut hai hai aapka.
Newton. Kisne diya?

NEWTON
(stern, no nonsense)
Ji maine.

Atma Singh gets the hint and stops smiling.

ATMA SINGH
Yehi hai aapki polling party?

NEWTON
Ek BLO yahan join karega.

ATMA SINGH
BLO? Bhai, yahan local logon ka koi
bharosa nahi hai.

NEWTON
Nahi mujhe Collector madam ne khud
bola tha ki...

ATMA SINGH
(cuts in)
Anda khate ho?

Newton is startled.

ATMA SINGH (CONT'D)
Egg.

A table is set with breakfast of boiled eggs and bread. They are sitting around the table.

Loknath picks one up an egg and checks it out.

ATMA SINGH

Jungli anda hai. Yahan ki murgiyaan
bhi krantikaari hai. Ghanta bhar
interrogate kiya tab diya anda.

Laughter from everyone.

Lakhma pours red tea in three chai glasses.

Atma takes out a small bottle and pours some whiskey in his
tea.

ATMA SINGH (CONT'D)

Lenge? Himmat ki dawai hai.

Newton shakes his head. Loknath looks at the booze with
desire.

Newton starts eating.

Atma Singh doesn't like Newton's attitude.

NEWTON

Polling booth kitni door hai?

ATMA SINGH

(politely)

Woh aap mujh pe chhod do. Yahan tak
aa gaye bahut hai. Aage safe nahi
hai. Vote andar jakar mere aadmi le
aayenge. Aap tension mat lo.

NEWTON

Madam ne to bataya tha ki yahan
cheh mahine se kuch nahi hua hai.

ATMA SINGH

To hum yahan chor police kyon khel
rahe hain? Dekho disturbed area
mein chunav aise hi hota hai.
Kashmir aur Manipur mein maine khud
karaya hain.

NEWTON

Lekin yahan presiding officer main
hoon.

Newton pulls out his map.

NEWTON (CONT'D)

Jis school mein booth hai woh kuch
aath kilometer door hai.

ATMA SINGH

Ek dum correct information hai
aapki. Wahi se mere aadmi vote
layenge.

LOKNATH
Aapka ilaaka hai. Jaise aap kahe.

Newton cuts Loknath.

NEWTON
Loknath ji. Please.
(to Atma)
Humein apni duty karni hai.

ATMA SINGH
Newton ji, inn logon ko kuch nahi
padi election ki. Upar se boycott
ka elan hua hai. Main likh ke deta
hoon koi nahi ayega.

NEWTON
Theek hai phir likh ke dijiye.

ATMA SINGH
Kya?

NEWTON
Aap jo bhi keh rahe ho, writing mey
dijiye. Main usse apne collector ko
forward kar doonga.

Atma Singh is stunned. Long silence. Atma Singh stares into
Newton eyes. Newton looks here and there, not wanting to
stare back.

Finally Atma Singh turns.

ATMA SINGH
Rajendra! BP jacket nikalo!

Newton and Loknath look at each other.

29 OMITTED 29

30 **EXT. CRPF CAMP- NIGHT** 30

Lights from torches.

Newton, Loknath and Shambhu are being helped into their vests
by constables. Atma Singh comes to Newton and tightens his
vest like a corset. Newton gasps for breath.

ATMA SINGH
(under his breath)
Sarkari maal hai. Kaske na baandho
to goli paar nikal hi jaati hai.

He barks instructions on the walkie.

ATMA SINGH (CONT'D)
Alpha to Alpha 4.

VOICE ON WALKIE
Alpha 4 here. Aadesh kare.

ATMA SINGH
Point 44 pe area domination kar ke
khabar karo.

VOICE ON WALKIE
Janaab. Jai hind.

30A **EXT. BUSHY JUNGLE PLAIN- NIGHT**

30A

In a wide shot, forty men are walking. Only their torch lights are seen. Murmurs are heard.

One by one, torches are switched off.

VOICE
Ab ullu bano ullu! Zinda rehna hai
toh andhere mein dekhna seekho.

Others hush him.

30B **EXT. JUNGLE- DAWN**

30B

The first rays of the rising sun. The jungle wakes up.

31 **EXT. BUSHY JUNGLE PLAIN- DAY**

31

The group walks in a V formation.

As they walk towards the jungle, they see a lady walking towards them.

The men get alarmed.

Rajendra and two constables walk in her direction.

RAJENDRA
Ruko! Kaun ho?

PRIYA
Main Priya hoon. BLO.

Newton wants to go to her but Atma Singh stops him.

ATMA SINGH
ID dekho.

She fishes it out of her bag. Atma Singh walks towards her. Newton follows him. Rajendra checks it.

ATMA SINGH (CONT'D)
Aap nahi chal sakti. Safe nahi hai.

Priya looks confused. She looks at Newton askance.

NEWTON
Kyun?

ATMA SINGH
(mumbles to Newton)
Local logon se thoda bach ke rehna
chahiye.

NEWTON
Yeh election team main hai. Yeh
jayengi.

Atma Singh sizes up Newton.

ATMA SINGH
Rajendra, bullet proof.

PRIYA
Nahi chahiye. Main local hoon. Yeh
pehnungi toh zyada khatra hai.

Newton is alarmed with her tone.

NEWTON
Mujhe bhi nahi chahiye yeh
bulletproof.

ATMA SINGH
Aap pehne raho. Aap local nahi ho.

Priya walks to Newton.

LOKNATH
Voter list hai aapke paas?

PRIYA
Hai.

NEWTON
Updated hai na?

PRIYA
Jo hai wahi hai.

32A **EXT. ENTERING THE JUNGLE FROM THE PLAIN- MORNING**

32A

Loknath walks with Lakhma.

LOKNATH
Aaj baarish hogi?

LAKHMA
Ho sakti hai.

LOKNATH
Magar aasmaan mein to ek bhi badal
nahi hai.

LAKHMA
Phir nahi hogi.

Loknath looks at Lakhma strangely.

LOKNATH
Ajeeb ho tum.

After walking for some more time.

LAKHMA
Yeh Shahrukh ka jo agla filam aa
raha hai woh hit hogi kya?

LOKNATH
Ho sakti hai.

LAKHMA
Par uske pehle wali filam toh pitt
gayi thi.

LOKNATH
Phir nahi hogi.

Lakhma's cronies laugh at Loknath.

32B **EXT. JUNGLE - MORNING**

32B

PBS # 1 starts.

Caravan of 40 men and Priya walk in the jungle in a formation. They are led by a local head constable and the six SPOs who carry guns. Two men with mine detectors are in the front. Some men are carrying foldable tables, chairs, tent material. Newton and Priya hold a files. Loknath clutches the EVM box. Shambhu is taking a selfie as he walks.

32C **EXT. JUNGLE- MORNING**

32C

MID SHOTS of Newton, Priya, Atma Singh, Loknath, SPO Lakhma, Krishna, Rajendra, constables walking through the path which is flanked by thick bushes on both sides.

32D **EXT. RIVER BED- DAY**

32D

The group crosses a dried up river bed.

32E **EXT. SAL FOREST- DAY** 32E

32F **EXT. SAL FOREST- DAY** 32F

Atma Singh walks a few paces behind Newton, observing him.

Suddenly a snap is heard and a branch falls a few meters ahead of them. **PBS # 1 stops abruptly.**

All guns are pointed in different directions.

Eerie silence. Atma Singh gestures at the polling officers to duck.

LOKNATH
(whispers)
Yeh-

ATMA SINGH
Shhhh.... neeche neeche!

Newton, Loknath and Priya sit down. They watch how Atma Singh and his party approach the branch. They check if it's a booby trap and then when they are sure, they cross the path and move ahead.

PBS # 1 starts again.

The group begins to walk ahead.

32G **EXT. SAL FOREST- DAY** 32G

They exit the thicker forest and come on a bushy plain.

The group walks through another part of the thick jungle. A couple of constables lip sync the song for a few seconds.

PBS # 1 fades out.

As the group walks, Loknath stops.

LOKNATH
Sir. Jaana padega.

NEWTON
Kahan?

LOKNATH
Deerghshanka.

Loknath gestures that he needs to answer nature's call.

ATMA SINGH
Wahan camp mein kyun nahi gaye?

LOKNATH
Sir, mere karam phoote hai. Bina mehnat ki toh mujhe tatti bhi nahi aati.

ATMA SINGH
(mumbles)
Yeh election party hai ya Ramleela mandali, sab saale kalaakar jungle mein prakat hotay hai.

KRISHNA
Halt!

Krishna and others are gentle.

KRISHNA (CONT'D)
Chaliye, hum karwa dete hai.

Everyone stops.

CUT TO:

32H LATER:

32H

Everyone waits.

Loknath is escorted by two constables and another one with a mine detector scans a bush and then gestures at Loknath to sit. He is mumbling a prayer under his breath.

Loknath sits and then gestures at the men to give him privacy.

The men stand on guard.

Loknath starts singing.

As they wait, Newton is silently contemplating. Atma Singh is watching him. Loknath's song is heard faintly. Priya drinks water.

Shambhu whispers to a constable.

SHAMBHU
Yeh bandook kaunsi hai?

RAJENDRA
Yeh bandook nahi hai.

Shambhu has a goofy smile.

SHAMBHU
Phir kya hai yeh?

RAJENDRA
 Isse hum kabz ka ilaaj karte hai.
 Aap kahe toh aapka kara de?

Shambhu stops smiling.

Suddenly, four Gondi boys and girls in their late teens appear in the distance through the fog. They are covered in black woolen blankets.

They are stopped by SPOs.

SPO JOGA
 (questions them in Gondi)

GONDI YOUTH 1
 (replies in Gondi)

Two other SPOs check them for arms.

KRISHNA
 Kya bata rahe hai?

SPO Lakhma
 Tendu patta laane jaa rahe hai.

ATMA SINGH
 Sabke vote abhi le lo.

Newton walks to them.

NEWTON
 Voting ka procedure hota hai. Aise nahi. Inka ID card vagerah check karna hoga. Uske bina yeh vote nahi daal sakte.

ATMA SINGH
 Poocho hai ki nahi.

SPO Joga and local constable DINU (35) SPEAK to the Gondi youth in Gondi.

DINU/ SPO JOGA
 (speaks in Gondi)

GONDI YOUTH 2
 (replies in Gondi)

Priya and Newton are in earshot.

Lakhma lets the four Gondi youngsters go and then turns to Atma Singh.

LAKHMA
 Ghar pe hai card inka. Kaam se ghar hokar card le ke phir aayenge.

ATMA SINGH
 (Looking at Newton)
 Good.

Newton feels assured. Priya looks uncomfortable.

Loknath walks back towards them, feeling jubilant.

LOKNATH
 Chalo sattar mein se char voter to
 aa gaye. Kam se kam paanch per cent
 turnout to hoga.

ATMA SINGH
 Aapka kitna percent turnout hua?

Priya speaks up hesitantly.

PRIYA
 Sir woh... woh shayad yeh log nahi
 aayenge. Unhe bola gaya hai ki
 matdaan kewal barah baje tak hoga.

Newton looks at Atma Singh.

NEWTON
 Atma Singh ji!

Atma Singh turns.

NEWTON (CONT'D)
 Atma Singh ji aapke aadmi barah
 baje ka time bata rahe hai....

Newton looks in the distance towards the Gondi youth and
 calls out to them.

NEWTON (CONT'D)
 Aye aye! Ruko. Priya jao aur batao
 hum yahan teen baje tak rehne wale
 hai. Aaram se kaam karke aa sakte
 hain.

Priya walks towards the Gondis.

PRIYA
 (tells him in Gondi-
 "Please come by three in
 the afternoon.")

32I **EXT. JUNGLE- DAY**

32I

They have walked a little ahead. After eyeing him for a
 while, Atma Singh turns to Newton.

ATMA SINGH
 Cricket khelte thhe bachpan mein?

-NEWTON

Ji.

ATMA SINGH
Batsman the ya Bowler?

NEWTON
Umpire.

ATMA SINGH
Laga mujhe... yeh Naxaliyon ke
baare mein aapke kya vichaar hai?

NEWTON
Mera koi vichaar nahi hai Sir,
tabhi toh humein election karaane
bheja hai.

Atma Singh takes it as an affront.

ATMA SINGH
Aap itne intelligent ho, IAS ki
pareeksha kyun nahi di?

NEWTON
Di thi. Fail ho gaya.

ATMA SINGH
Lagaa mujhe.

Silence for some seconds.

ATMA SINGH (CONT'D)
Nagaland ka capital jaante ho?

NEWTON
Kohima.

ATMA SINGH
Manipur ka?

NEWTON
Imphal.

ATMA SINGH
Aur Kashmir ka?

NEWTON
Srinagar.

ATMA SINGH
Kabhi gaye ho?

NEWTON
Nahi.

ATMA SINGH
Main gaya hoon.

He takes off his gun and hands it to Newton.

Newton is pretty awkward with the gun.

ATMA SINGH (CONT'D)
Bhari hai na?

NEWTON
Haan.

ATMA SINGH
Yeh desh ka bhar hai. Aur yeh mere
kandho pe hai.

He takes the gun back.

Walks silence.

Newton to lighten mood, as he understands at some level
Atma's pain.

NEWTON
Accha sir yeh batao...

ATMA SINGH
Jungle mein sawal sirf main poochta
hoon.
(changes mood)
Yeh lo, supari khao.

32J **EXT. JUNGLE- DAY**

32J

Newton walks with Priya and Loknath.

LOKNATH
Sir, aapka koi rishteydaar mantri
hai kya? Ya koi aur tagdi backing?

Newton glares at Loknath.

NEWTON
Kyon Loknath ji?

LOKNATH
Sir, bina backing yahan CRP ke
afsaro se aise pesh koi aa hi nahi
sakta.

Priya smiles at Newton.

33 **EXT. GHOST VILLAGE- MORNING**

33

The group reaches a ghost village in a jungle clearing: all
around are broken down, damaged houses (about 8), with not a
soul in sight.

They walk past a broken down hand pump.

NEWTON

Yahan sab ghar toote kyon hai? Aur log kahan hai?

ATMA SINGH

Maowadiyon se bacha kar unhe campo mein bhej diya hai.

As they walk through the ghost village.

NEWTON

Ghar naksaliyon ne tode hai?

ATMA SINGH

Nahi humne. Taki naksali kabza na kar sake.

NEWTON

Logon ko gaon se bhaga kar unke ghar tod diye? Yeh kiska idea tha?

ATMA SINGH

Har sawaal ka jawaab nahi hota.

Newton looks around, feels sad and asks Krishna.

NEWTON

Yeh ghar todna aapne kiss training school mein seekha?

34

EXT. SCHOOL- DAY

34

They reach the two room school which is at the far end of the Ghost Village. An advance party is waiting for them.

ATMA SINGH

Lijiye. School aa gaya. Chaliye bataiye kahan booth banega?

Newton walks around the building examining the situation. The wooden door is broken and a couple of windows of the school have been removed. There are a dozen bullet holes on the school walls

He walks around the corner and looks startled and signals the others to come.

There is Maoist graffiti scrawled on the wall. It looks old.

35

INT. SCHOOL- DAY

35

They enter the two room school room and examine it.

40 **INT. SCHOOL- DAY**

40

Newton, his three polling officers set up the place. Newton looks at the diagram of an ideal polling booth in his handbook. The difference is alarming.

They place the foldable tables as per the directives, make space for the polling booth, enclose it with cardboard.

Priya takes out the register of voters and places it on her table.

Newton and Shambhu arrange the booth.

Loknath takes out a bottle of indelible ink and places it on his table.

Newton takes out the EVM and connects the two units. He ensures that the seal is intact.

Newton checks his watch. It's seven seconds to 8 am. Six. Five. Four. Three. Two. One.

Newton presses the ON button of the EVM. BGM stops. SILENCE.

41 **INT. SCHOOL- DAY**

41

The three polling officers are sitting next to each other at the table.

They wait.

Wait.

CU of Newton- studying the list of voters.

CU of Priya- looks outside.

CU of Loknath- suppresses a yawn.

CU of Shambhu- he looks dazed.

43A A) An armed constable stands guard at the door of the school. ~~43A~~

43B B) At a distance under a tree, Krishna stands with Rajendra ~~43B~~
who fixes him some tobacco.

43C C) 3 SPOs and the police head constable are huddled around ~~43C~~
stove that they are setting up to make tea. They are
gossiping in Gondi in whispers.

43D D) Atma Singh in his Aviator sunglasses, dozes off on a chair outside the hut. His transistor is on. Playing BBC Hindi news.

44 **EXT. JUNGLE (AROUND THE GHOST VILLAGE)- DAY(MONTAGE)** 44

44A CRPF constables are on patrolling duty in batches of two. 44A

44B At least 6 different batches are shown walking in the forest or on sentry duty in the periphery. 44B

44C CRPF constables are on patrolling duty in batches of two. 44C

44D CRPF constables are on patrolling duty in batches of two. 44D

44G Constable hums a song in the tune of "Ek din bik jayega ma ke mol" as he keeps watch. 44G

SINGING CONSTABLE

Hmmm hmmm hmmm hmmm hmmm... hmmm
hmmm hmmm hmmm...

Another constable comes in front of them and 'shoots' him with his finger (shaped like a gun). He pretends to be shot by 'bullets' and falls down slowly, gasping for breath like in an 80's film.

45 **INT. SCHOOL- DAY** 45

Newton looks eagerly at the door of the School. Priya is still doodling. Loknath shifts his position as he naps with his head resting on the table.

NEWTON

Priya, aap teacher ho?

PRIYA

Hau.

NEWTON

Kya padati ho?

PRIYA

Chhote bacche hote hain to sab padhana hota hai.

NEWTON

Aapko accha lagta hai padhana?

PRIYA

Kaafi pareshaani hoti hai. Yahan ke bacche Gondi bolte hain magar padai saari Hindi mein hoti hai. Jitna ho sakta hai main Gondi mein samjhati hoon magar kitaab mein kya likha hai unhe samajh nahi aata.

Newton nods.

Loknath is suddenly alerted from his slumber.

LOKNATH

Hindi mein kuch nahi rakha. MA hoon Hindi sahitya mein, dekho aaj kahan hoon. English padao baccho ko. Aajkal to kutte bhi English samajhte hain.

Newton and Priya look at him. He has woken up and looks fresh.

PRIYA

Aap bolte ho English?

LOKNATH

Seekh raha hoon.

NEWTON

Adult education?

LOKNATH

Nahi sir. Adult...Matlab english film dekh ke. Aapko shauq hai? Dhero hain phone mein.. Return of Dracula, Bride of Chucky, Seed of Chucky...

NEWTON

Bada gyaan hai aapke phone mein?

LOKNATH

Chinese maal mein aisa hi hota hai.

They chuckle.

LOKNATH (CONT'D)

Sir, aap shadi shuda hai?

Newton

Nahi.

LOKNATH

Aur aap madam?

PRIYA

Nahi.

Awkward silence.

Newton

Aur aap?

LOKNATH

83 mein love marriage honi thi. Uska baap utpaat na machata to aaj teen teen bacche hotey. Tab kahan fashion tha love marriage ka? Ek seth Budau se byah diya Kamla ko.

NEWTON

(taking his trip)

Yeh to bahut bura hua.

LOKNATH

Kyon? Vidhwa Sethani hai aaj meri Kamla. Hame nahi poochti yeh aur baat hai. Humne bhi kaha chalo jo hai so hai. Ab lekhak ko kasht nahi hoga to kahani kaise phootegi?

PRIYA

Aap lekhak hai Loknath ji?

He nods proudly.

NEWTON

Kya likh rahe ho aajkal?

LOKNATH

Kahani ek election party ki hai jo jungle mein voting karane jaati hai magar laut ke nahi aati.

Silence.

NEWTON

Laut ke kyon nahi aati?

LOKNATH

Kyonki gaon wale aadivaasi kai baras pehle mar chuke hain. Unki laashein Jombie ban chuki hai.

NEWTON

Jombie?

LOKNATH

Khoon ki pyaasi zinda laash. Ek dum sadi gali. Kaisa laga plot?

NEWTON

Ekduk wahiyat. English picture dekh dekh ke aapka dimaag kharab ho gaya hai.

Loknath looks in disbelief. Priya laughs.

Loknath pulls out a pack of cards defiantly. He starts shuffling. He looks at Priya.

Newton is amused.

NEWTON (CONT'D)
Taash khelna mana hai Loknathji.
Andar rakh do.

Loknath freezes.

LOKNATH
Sirji booth mein taash khelne ki
purani parampara hai.

NEWTON
Department mein bhi suspend hone ki
purani Parampara hai.

Loknath keeps the playing cards in his pocket.

Loknath comes towards Newton.

LOKNATH
Sabse purani parampara to
bhavishyawaani ki hai. Kar doon?

Newton is confused as to what is going on.

Loknath taking advantage of the situation shuffles the cards and spread them on the table. Then he takes three cards and puts them in a line.

LOKNATH (CONT'D)
Ab inhe bina dekhe indhar udhar
kare.

Newton does it.

LOKNATH (CONT'D)
**Ab jo pehla card hai woh aap kal
thhe, jo card beech mein hai woh
aap ab ho, aur teesra card kal!**

Newton for a minute is perplexed genuinely.

LOKNATH (CONT'D)
Please Sir, itna toh kijiye.

He picks three cards and places them- facing down on the table.

Loknath unfolds card 1: 2 of Hearts.

LOKNATH (CONT'D)
Kal aap thhe duggi magar dilwale.

JOGA

Yeh wala paka nahi hai.

ATMA SINGH

Woh dekho daayein... Abe baayein
nahin daayein. Abe mera daayaan,
tera baayaaan.

Joga looks confused as he scampers on the tree branch. He
throws a couple of raw mangoes down which Raju catches.

Newton stands next to Atma Singh and clears his throat.

NEWTON

Yahan se bastiyan kitni door hai?

ATMA SINGH

Raju, Newton sahab ki madad karo.

SPO RAJU

Ek basti poorab mein khaai ke taraf
ded kilometer andar hai aur doosri
uss taraf pahad ke taraf do
kilometer.

NEWTON

Dekhiye boycott ki wajah se logon
ka na aana swabhavik hai. Toh iss
situation mein main chahta hun ki
kuch constables ko unki basti mein
bhejkar unhe yahan surakshit le
aate hai.

Atma Singh spits a seed.

ATMA SINGH

Sorry. Woh nahi ho sakta.
(to Joga)
Catch do!

NEWTON

Kaise nahi ho sakta? Main presiding
officer hoon. Aapko mera nirdesh
man-na hoga.

Atma Singh catches a mango. As he rubs it against his shirt
and bites it, he talks.

ATMA SINGH

Aapka hukum polling booth ke 200
metre ki range mein hai. Uske aage
mera order chalta. Aur main kewal
apne superiors ke nirdesh maanta
hoon. Aapki tarah hamara bhi
procedure hota hai.

He offers Newton a raw mango. Newton shakes his head.

ATMA SINGH (CONT'D)

Kha lo na? Aapse kuch personal thodi hai. Aapko zero voting ka darr hai na? Nahi hone doonga. Mere aadmi de denge vote. Chutti nahi milti vote kaise denge?

Newton is astounded.

NEWTON

Main yeh sab jaalsaazi nahi hone doonga.

ATMA SINGH

Lagbhag satta voter hai. Polling agent to chhodiye, ek neta nahi dikha. Na laptop wala, na muft ke chawal wala. Aur aap hame jaalsaz kehte hain?

NEWTON

Main apni duty kar raha hoon.

Atma Singh takes another piece.

ATMA SINGH

Kya age kya hai aapki?

NEWTON

Kya?

ATMA SINGH

Main chalees ka hoon. Aap?

NEWTON

Age ka iss sab se kya lena-dena?

ATMA SINGH

Topic change kar raha hoon. Age ko chhodo... accha yeh batao: what is two plus two divided by two?

NEWTON

Two.

Atma Singh is delighted. Chewing the mango piece he nods.

ATMA SINGH

Three. Rule Rule karte ho aur basic rule bhool gaye? Addition se pehle division karna padta hai.

As Newton walks to the school, Lakhma hesitatingly asks.

LAKHMA

Newton sir aapke paas motorcycle hai?

NEWTON

Nahi.

LAKHMA

Main agle mahine lene wala hoon. Handa. Sir ek baat poocho aap bura to nahi manoge?

NEWTON

Bolo.

LAKHMA

Sir aap socho ki aap jitna kaam karte ho utna hi karte raho magar aapki tankha dugni ho jaye?

NEWTON

Main rishwat nahi leta.

LAKHMA

Waise nahi sir.

NEWTON

To tankha kaise dugni hogi?

LAKHMA

Ek scheme hai. Shuru mein paanch sau rupaye dene hote hai. Phir dus log aur dhoondhne hote hai jo paanch paanch sau rupaye de. Har naye member pe paisa milta hai. Phir aise hi kadi se kadi judti rahegi aur aap ghar baithe note chapoge. Scheme wale sab samjhate hain. Meeting hoti hai tab khaana bhi milta hai. Sukma mein to ek memberin ne do mahine mey hi Sony ka mobile le liya. Sirf paanch sau rupaye lagte hai. Lakapati ban jaoge. Bolo Sir?

Newton is irritated at Lakhma's pyramid scheme and quips in a childish accent.

NEWTON

Jab tum lakapati ban jao to apne bangle par khaane pe bulana. Tab baat karenge.

He walks towards the school.

50 **INT. SCHOOL- DAY**

50

Newton enters the booth to see sits deep in thought with a worried expression on his face. A writing pad lies open before him.

Loknath, Priya and Shambhu are watching an English film on his cell phone.

Music of an action scene. The hero seems to have saved the heroine.

NEWTON

Phone allowed nahi hai...

LOKNATH

Yahan network kahan hai? Tower hi nahi hai jungle mein...

Newton looks away.

The actors in the movie get close and start making out.

The woman starts moaning. Loknath, Priya and Shambhu are embarrassed.

Priya looks away while Loknath fumbles with the phone trying to shut it down. Shambhu simply smiles at Newton sheepishly.

51 **EXT. GHOST VILLAGE- DAY**

51

Rajendra walks with some jawans carrying the raw mangoes.

JAWAN

Kuch bhi kaho. Chunav ka apna maza hai. Tyohaar jaisa lagta hai. Service mein aane se pehle hum raajneeti mein jaana chahte the...desh ka sochte the...

Atma Singh, who's walking a few paces behind, kicks him on his butt in jest.

ATMA SINGH

Netagiri karni hai? Sab saalo ko jail kar do. Raaton raat desh sudhar jaega. Jo ye paisath saal mein nahi ukhaad paaye ek dictator danda karke dus saal mein kar dega. Saale macchar desh ka khoon chooste hai.

52 **INT. SCHOOL- DAY**

52

A mosquito buzzes.

LOKNATH

Sab apni duty hi to kar rahe hai.
Commandent sahab ne aise hi chunav
dekhe honge.

NEWTON

Yeh nakli election nahi hai.

LOKNATH

Main samajhta hoon sir. Mera kewal
itna kehna hai ki yeh log bina
hilaye hilte nahi, aur hilte hain
to rukte nahi hai. Ek prakar ke
jombie ban chuke hai yeh log.

NEWTON

(confrontational)

Toh kya main kuch nahi karu?

LOKNATH

Aap akele nahi hai sir. Hum sab
milkar kuch nahi karenge... bas yeh
saale...

Saying this Loknath swats a mosquito on his forearm.

LOKNATH (CONT'D)

Cream ki adhi tube mal di, tab bhi
khoon choos rahe hai. Mujhe thodi
sarsarahat si bhi ho rahi hai.

PRIYA

Khoon choosne wale tube se mare
hai? Iska ilaaj hai. Chalo ek
minute mein ho jaega. Malaria nahi
hoga.

She looks at Newton. Loknath looks doubtful.

NEWTON

Try kar lo Loknathji. By chance
kuch hua, waise hoga to nahi, phir
bhi hua to Cerebral malaria bhi ho
sakta hai.

Loknath looks frightened for real.

Priya walks out of the school.

LOKNATH

Shubh shubh bolo sir. Jadi booti
hai kya?

Newton and Loknath are standing in front of the school next
to the sentry.

Priya is looking for something in the bushes outside the school.

She breaks a stem and comes out, holding it. Red Ants have made a nest from 3 leaves and the branch is laden with them.

LOKNATH

Yeh kya hai?

NEWTON

Patta chabana hai.

PRIYA

Nahi chintiyon se katwana hai. Aap shirt utaro main chinti chodti hoon. Cheentiyaan kaategi toh Aap paseena paseena ho jaogey. Aur do teen ghante mein malaria gayab!

Newton laughs.

PRIYA (CONT'D)

Main mazak nahi kar rahi. Chinti se hi katwana hai.

NEWTON

Accha? Yeh treatment hai? Ok.

LOKNATH

Sir main ekdum theek mehsoos kar raha hoon. Dekhiye fast chal bhi paa raha hoon.

He walks around and goes into the room.

LOKNATH (CONT'D)

Bus, thank you...

Priya eats an ant and throws the branch away.

PRIYA

Aap bhi khaa ke dekho.

She gives him one. Newton hesitates and takes it and puts it in his mouth.

NEWTON

Khatta hai. Acidic.

PRIYA

Iski chutney banti hai. Badi tasty hoti hai.

NEWTON

Interesting.

PRIYA

Interesting yeh hai ki yahan se
kuch hi ghante door rehne ke
bawajood aapko yahan ka kuch nahi
pata.

NEWTON

(mulls)

Baat aapki sahi hai...

PRIYA

Aap itne padhe likhe ho, mujhe ek
baat poochni thi jo kabhi samajh
mein nahi aayi.

NEWTON

Kya?

PRIYA

Yeh rule kisne banaya ki ek insaan
doosre insaan pe hukum kaise chala
sakta hai?

Newton is struck by that question.

Just then loud voice of two boys singing a song comes. Newton
gives a puzzled look at Priya.

NEWTON

(pleasantly)

Koi gaa raha hai?

54

EXT. GHOST VILLAGE- DAY

54

Newton and Priya follow the voice and see that two Gondi
children not older than 13 surrounded by CRPF jawans are
singing a Gondi song. Atma Singh sits on a ledge and listens
to them.

NEWTON

Kya ho raha hai yeh sab?

The two children become quiet upon hearing Newton's voice.
The CRPF men are also alarmed.

Atma Singh's voice is heard.

ATMA SINGH

Interrogation.

Newton

Kis baat ki interrogation?

Priya talks to the children in Gondi and hears their version.

Atma Singh is perturbed.

Newton to Priya.

NEWTON (CONT'D)

Kya hua?

PRIYA

Kuch nahi. Ped pe chad ke khel rahe the.

KRISHNA

Khabri hai sab. Ped pe chad ke booth mein jhank rahe the ki kitne aadmi they.

NEWTON

Kitne aadmi they? Yeh Kalia hai jo yahan dekhke Gabbar ko khabar dene jayenge, ain?

ATMA SINGH

Bade harami hai yeh bacche. Isse bhi chhote hote hai unki fauj mein.

PRIYA

Jee nahi.

ATMA SINGH

Tere se kaun baat kar raha hai? Tere to sage wale hai yeh.

NEWTON

Aap inse aise baat nahi kar sakte. (Beat) Agar yeh khabri hai to inse gaana kyon gawa rahe the?

ATMA SINGH

To aap chahte hain main baccho pe haath uthaun? Unhe peetu?

(to Lakhma)

Poocho, koi movement thi kya?

The child replies.

BOY

Nahi.

ATMA SINGH

Dekha kaise fatt kar ke "nahi" bola? Aye Mowgli, aaja idhar.

The child comes to him, eyeing his AK 47 which hangs on his shoulder.

ATMA SINGH (CONT'D)

Dekho aa gaya. Saala Hindi to jaanta hai. Natak karta hai mere saath?

The child nods his head.

ATMA SINGH (CONT'D)

Bol!

Atma Singh looks deeply into his eyes. The boy looks back. Puppy eyes. Atma Singh takes out his cell phone and directs the camera side towards the boy and clicks a picture.

ATMA SINGH (CONT'D)

Apne gaon ja aur sab ko yahan lekar
aa. Bolo voting honi hai. Samjhha?

The boy looks at Lakhma. Lakhma translates what Atma Singh said in Gondi. The boy nods 'yes'.

Newton and Priya watch in horror.

RAJENDRA

Chal bhaag...

Atma Singh looks pleased with himself and keeps his cell phone back into his pocket. When he turns back, he sees Newton, who looks furious but is very polite and respectful in his tone.

Kids run away.

ATMA SINGH

Aapke benefit ke liye hi ho raha
hai bandobast.

NEWTON

Aap aise hi vardi ke dum pe jisse
chahe dhamka rahe hai?

ATMA SINGH

Vardi mein vinti dhamki hi lagti
hai.

Lakhma repeats this line softly, nodding his head, highly amused at the word play.

The constables laugh.

NEWTON

Yeh log apke ghulam nahi hai!

Atma Singh glares at Newton.

ATMA SINGH

Newton ho Newton hi raho. Einstein
ban-ne ki koshish mat karo.
Samajhte ho na main kya keh raha
hoon, Newton babu?

Atma Singh straightens Newton's collar.

ATMA SINGH (CONT'D)
 Ek-aadh ghante mein hum bhi nikal
 lenge. Attack shaam ko jyaada hote
 hai. Jaaiye, tambu mein duty
 kariye.

55

INT. SCHOOL- DAY

55

Newton is at his table. He's writing furiously.

NEWTON
 Loknathji hum Atma Singh ke paas
 exactly kitne baje pahuche the?

LOKNATH
 Jee yahi koi paune cheh baje honge?

Newton notes it down.

NEWTON
 Aur wahan se savva cheh- sade cheh
 chale the. Hai na?

LOKNATH
 Aisa hi kuch hoga.

NEWTON
 Theek theek batao.

PRIYA
 Main cheh bees pe aayi thi.

NEWTON
 Hmm.

He keeps writing.

LOKNATH
 Aap complaint likh rahe ho?

Newton ignores him. Priya and Loknath look at each other.
 Loknath gestures at her to do something.

LOKNATH (CONT'D)
 Aap kyon apna BP bada rahe ho.
 Hum sab ko pata hai aap kitne
 chintit hai chunav ko lekar...
 Dekhiye Chunav ke baad sirf ek
 badlaw aata hai.

He looks around.

SHAMBHU
 Kya?

LOKNATH
 Netao ke photo badalte hai.

Newton is at his wit's end.

LOKNATH (CONT'D)
 Aur nahi toh kya, logon ko do waqt
 ka khana naseeb ho ya na ho, unhe
 har election mey vote zaroor karna
 chahiye.

Newton looks at Priya.

NEWTON
 Aap bhi inki hi tarah nirashawadi
 hai?

Priya looks hesitant.

PRIYA
 Nahin, main aadivaasi hoon.

56 **EXT. JUNGLE CLEARING- DAY**

56

Constables off sentry duty are resting outside a broken down hut.

CONSTABLE
 Yaar meri galti thodi hai ki mere
 dadaji ne azaadi ke jung mein hissa
 nahi liya. Freedom fighter hotey
 toh kamse kum quota mein gas agency
 toh mil jaati.

57 **INT. SCHOOL- DAY**

57

Newton is studying his manual silently, Priya is reading a newspaper and Loknath is watching an 80's Hindi film on his cell phone.

Shambhu takes a selfie with the sentry's gun.

SENTRY
 Aap jungle mein kyun aaye? Koi
 approach nahin tha kya mana
 karneka?

SHAMBHU
 Mujhe helicopter mein baithna tha.

Newton is irritated by the dialogues from the film. But Loknath is too immersed to notice or care.

The sentry at the door calls out.

SENTRY
 Newton ji... Polcent line pe hai.

NEWTON

Kaun?

SENTRY

Ji, Polcent. Yaani IG sahab.

NEWTON

Hello?

Verma barks on his wireless.

VERMA

Newton?

60 **INTERCUT WITH:**

60

NEWTON

Yes Sir?

VERMA

Kitne percent vote gire?

NEWTON

Zero. Sir, yahan toh kuch theek nahi ho raha, yeh order nahi maan rahe-

Verma softens his tone, cups his hands around his wireless.

VERMA

Hello. Suno. Woh aa rahe hai. Atma Singh lekar aega meri baat ho gai hai. Main inspection karne saade gyarah tak aa raha hoon. Foreign media hai saath. Mahoul jama dena. Mood, colour, anecdote. Sab chahiye. Clear?

NEWTON

Sir.

Verma hangs up.

Newton looks jubilantly at Atma Singh. Taking cue, he directs his men, Krishna and Rajendra. He draws a rough map on the ground below with a stick.

ATMA SINGH

Newton ji voter laane ke liye bees
bees jawano ki do tukdiya jaengi.
Ek khaai wale gaon mey aur doosra
pahad wale. Main bhi jaunga. Aap

NEWTON

Kissi ko jabardasti laane ki
aavashyakta nahi hai. Kewal chunav

aapke saath aa sakte hain.

ATMA SINGH

(sarcastic)

Jabardasti aur hum? Kya keh rahe
hain Newton babu? Aap kahe to
bandook yahi chhod jaye?

The constables betray subdued laughter. Newton looks a bit apprehensive.

ATMA SINGH

Yeh chabi kiski hai?

Drunk points to the ground.

DRUNKARD

Mere baap ke lohe ke khazane ki
chabi hai. Zameen mey arab arab
arab gade hai.

Atma Singh snatches the key and throws it away.

78 **INT. SCHOOL- DAY** 78

Newton, Priya and Loknath are waiting at their tables.

NEWTON
Par aa jayenge na?

DINU
Bol ke rakha hai.

NEWTON
Theek time bataya hai na, subeh ki tarah toh nahi kiya?

DINU
Nahi nahi!

The Lakhma, the SPOs and Dinu direct them in Gondii to stand in a line.

NEWTON
Aadmi saare uss taraf. Mahilayein iss taraf.

82

INT. SCHOOL- DAY

82

Newton is at his table with the control unit.

NEWTON
Chaliye ab ek ek karke sabko andar bhejiye. Aap log ready hai?

PRIYA
Haan ready.

NEWTON
Loknath ji?

He holds out his ink bottle like a trophy.

LOKNATH
Aadesh kare.

PRIYA
(gestures at the first woman)
Aa jao...

An old woman comes to Priya.

PRIYA (CONT'D)
Card?

She shows her card. Priya finds her name on the list and ticks it. She puts her thumb impression next to her name on the list. Priya directs her to Loknath.

The old woman walks to Loknath. He signals her to show her index finger and puts an ink mark on it.

Newton directs the woman to the booth. He goes and holds the control unit, which has a button which needs to be pressed at the time someone is voting.

NEWTON

Wahan par button daba ke vote de.

The next person in the queue is let in and he goes to Priya with his card held out.

The old woman stands in front of the EVM. Newton is watching her from afar, waiting for her to press a button.

LOKNATH

Arre wahan khade mat raho. Vote do aur fatafat niklo.

She looks at the Electronic Voting Machine and nervously looks at everyone who is anticipating some magic to happen from her end.

NEWTON

Samasya kya hai inki?

Newton looks at Priya, searching for answers.

PRIYA

Sir, yahan toh election pehli baar hua hai na.

LOKNATH

Matlab inhone voting machine pehli baar dekh rahi hain!

Newton looks open mouthedly.

83

EXT. JUNGLE PATH- DAY

83

There are 30 CRPF constables accompanying the journalists. All the 8 journalists are wearing bullet proof jackets and helmets.

Verma CHATS with Debbie. Adam shoots them.

A Zee News reporter walks backwards as the cameraman moves towards him with a video camera. He talks very softly, huffing and puffing as if there is grave danger.

ZEE NEWS REPORTER

Yeh jungle jitna khoobsoorat hai usse zyada khatarnaak. Ambush kahin bhi lag sakta hai, IEDs aur surang kahin bhi phat sakte hai. Iss dehshatmand ilaake mein maut baatne wale naxali aur zehreele cobra kabhi bhi mil sakte hai!

The villagers are sitting on the ground, Indian style. Newton addresses them, holding the polystyrene model of the voting machine.

NEWTON

Sab log dhyan se suno. Aap sab log
ek ek karke apna apna vote denge.
Yeh machine aapka vote legi.

PRIYA

(translates)

Newton gives a firm but benevolent look.

The Drunkard asks a question in broken Hindi.

DRUNKARD

Kitna paisa milega?

NEWTON

Paisa?

SPOs and Krishna scold him together.

KRISHNA

Aye baith neeche!

Newton signals Krishna to not meddle.

DRUNKARD

(trailing off)

Logon ko to milta hai vote dene ka
paisa?

NEWTON

Vote dena aapka adhikaar hai. Na
koi aapko paisa dega aur na hi koi
zor zabardasti hogi. Priya batao na
inhe.

Priya nods.

PRIYA

(translates)

Silence. Blank faces.

NEWTON

Sab samajh gaye? Kissi ko kuch
poochna hai? Daro mat! Poocho.

He senses some hesitation in a middle aged woman and encourages her to speak up.

NEWTON (CONT'D)

Aap... haan... poochiye...

MIDDLE AGED WOMAN
(speaks in Gondi)

Newton looks at Priya.

PRIYA
Poochti hai inhe kya fayda hoga?

NEWTON
Yeh desh ka sabse bada chunav hai.
Lok Sabha ka. Aap sab ko sadak,
bijli, paani, samajik nyay vagerah
chahiye na? Aap jise vote doge woh
aapke liye yeh sab karega.

She MUMBLES something in Gondi to her companions.

NEWTON (CONT'D)
Kya hua?

PRIYA
Yeh pooch rahi hai Lok sabha kya
hai?

Newton gathers himself.

NEWTON
Lok Sabha matlab jahan desh ke
sabse bade kanoon bante hai.

PRIYA
Hamare apne kanoon hai sir. Hazaron
saal purane.

Newton is annoyed.

NEWTON
Aap kewal anuwwad kare. Please co-
operate. Inhe bataiye inka neta
dilli jaega.

PRIYA
(Translation- the leader you choose
with go to Delhi.)

They all nod. They mumble amongst themselves. Some of the Adivasis point to an old bearded man with gray locks. He smiles and stands up. They speak to Newton who doesn't understand.

PRIYA (CONT'D)
Yeh keh rahe hai yehi inka neta
hai. Isse inki taraf se Dilli bheja
ja sakta hai.

They nod. Newton is at his wits end.

NEWTON

Yeh kaise Dilli jaenge! Priya samjhao na. Candidates ki list padho!

Newton looks at PRIYA and prompts her to translate this. She translates and then reads out the list.

The Adivasis are looking at Priya blankly.

NEWTON

Iss soochi mein se kissi ko bhi
vote de sakte ho.

They shake their heads and murmur. Newton looks at Priya for translation.

PRIYA

Yeh naam aaj yeh pehli baar sun
rahe hai.

The old man asks a question in Gondi.

OLD MAN

(asks question in Gondi)

Newton looks at Priya for translation.

Atma Singh checks his watch and looks at Krishna. Krishna shakes his head as he is listening to the walkie.

PRIYA

Sir inko sirf yeh pata karna hai ki
in netaon mey se kaunsa neta tendu
patta ka sahi bhaav dilwaega?

Newton has no answer. A woman asks something to Priya.

PRIYA (CONT'D)

Sir yeh kehti hai ki vote diya toh
dadalog pareshan karenge, nahi diya
toh police. Koi inhe poochta nahi
hai inhe kya chahiye.

NEWTON

Kya chahiye hai inhe?

PRIYA

Inhe donon se chutkara chahiye.

NEWTON

Aisa inhone kaha?

Priya's doesn't make eye contact.

An exasperated Atma Singh, his arms folded across his chest, is standing at a distance. His eyes meet Loknath's.

Loknath shrugs. He says to Newton softly.

LOKNATH

Sir, main handle karoon?

Newton dismisses him with a gesture.

NEWTON
Sochne do yaar!

Loknath sulkily looks towards Atma Singh and gestures at him to do something.

Atma Singh comes and takes over.

ATMA SINGH
Newton babu, aap ke bas ki lag nahi rahi hai. Now let me take over.
(shouts at the Adivasis)
Sharam aani chahiye aap logon ko.

SPO Joga translates in real time.

JOGA
(Translation)

ATMA SINGH
Dekhiye, sirf aap logon ke liye yeh babulog apni jaan jokhim mein daal kar shehar se jungle aye hai.

JOGA
(Translation)

NEWTON
Yeh kya bol rahe ho!

Atma Singh ignores him. Newton aggressively moves towards Atma Singh, Rajendra stops him.

ATMA SINGH
Mehmaano ke saath aap log aise pesh aate hai? Unhe pareshaan karte hai?

JOGA
(Translation)

ATMA SINGH
Dekhiye voting machine ke khilone jaisa hai...

NEWTON
Kya bakwaas kar rahe ho aap?

ATMA SINGH
Aapka pehla election hai, itna uddo mat. Khudse to kuch ho nahi raha hai, aur jo kar sakte hain unko obstruct karte ho.

Newton loses it and screams.

NEWTON

Obstruct main nahi aap kar rahe ho.
Yeh sab jaega meri report main. Ek
ek point likhunga. Dikhaunga!

ATMA SINGH

Rajendra!
(to the Adivasis)
Haan to main keh raha tha ki iss
khilone se khelna bahut aasan hai.

Rajendra takes Newton away.

RAJENDRA

Aaiye sir..Aaiye na..idhar...

ATMA SINGH

Isme seb hai, anar hai, chashma

bansuri hai, ghoda hai, hawai jahaz

cheez acchi lagti hai uss par
button daba do. Bas.

JOGA

(Translates)

As Joga translates, a voice is heard.

DRUNKARD

Humein chotta baccha samjhata hai
kya?

ATMA SINGH

(shouts)
Kaun bola!!?

Cold silence. He searches the crowd for the miscreant. Timid
faces stare back.

Newton comes back.

NEWTON

Sahi bol raha hai. Aap inse aise
baat nahi kar sakte.

ATMA SINGH

Aapse poocha maine? Lakhma! Khada
kar do inhe line mein.

NEWTON

Atma Singh aap power ka misuse kar
rahe hain. Main dekh loonga.

Atma Singh faces Newton and walks, Newton retreats.

ATMA SINGH

Abhi dekh lo jo dekhna hai.

The old bearded Gondi man with grey locks comes to them and says something very forcefully.

ATMA SINGH (CONT'D)
Kya bol raha hai yeh?

SPO LAKHMA
(hesitates)
Gaon ka majhi hai. Kehta hai aap logon ka faisla yeh kar sakta hai.

ATMA SINGH
Yeh inn sab ka mukhiya hai?

The Headman nods.

SPO LAKHMA
Haan.

Atma Singh does a Namaste with mock reverence and the headman reciprocates sincerely.

ATMA SINGH
Pehle kyon nahi bataya mahashay?
Aapko kandhe pe bitha ke laata yahan.

85 **INT. SCHOOL- DAY**

85

Inside the School, Priya checks the register, Loknath puts the indelible ink on the left forefinger of the voter and the voters go and randomly press any button.

Newton sulks, showing his extreme unhappiness over the proceedings. He squirms every time he hears a "beep" of the EVM and chooses to look away.

86 **EXT. SCHOOL- DAY**

86

The TV crews are shooting the voters queue.

87 **EXT. GHOST VILLAGE, NEXT TO A BROKEN HUT- DAY**

87

With the backdrop of a broken hut, Debbie gives a piece to camera as she walks sideways.

DEBBIE
This ghost village is a by product of its insurgent past. With most villagers still in camps, a booth has been set up here for just seventy voters from two neighboring villages. Despite such stark contrasts, Democracy truly runs deep in India.

88 **INT. SCHOOL- DAY**

88

Slow Motion.

The old head man who was in the queue, walks towards Priya and shows her his ID. She looks for his name in her register and ticks it.

Loknath applies ink on the old headman's forefinger and he walks to the booth.

All eyes are on him.

He looks nervously at the cameras. He goes to the booth and stands there for a while. Debbie takes a video on her iPhone. Camera flashes and sun gun lights. Press persons are poised like vultures on a dying prey.

Finally, a beep is heard and Newton looks helpless.

89 **EXT. SCHOOL- DAY**

89

89A A) The Zee News reporter interviews some voters who are 89A
looking into the camera.

ZEE NEWS REPORTER

Kissi ne aapko darane ki koshish to
nahi ki?

The young man whom the question is asked to merely stares into the camera. He shifts his mic to other people who are in the frame. His cameraman says:

CAMERAMAN

Inhe Hindi kahan aati hai?

ZEE NEWS REPORTER

Oho... toh ek kaam karo ek accha sa
long shot le lo. Baaki main P2C
mein dekh loonga.

He walks a few pacesr.

ZEE NEWS CAMERAMAN

Rolling!

Huffing and puffing, in his feeble voice, he speaks forcefully as he moves around the school.

ZEE NEWS REPORTER

Jaise ki aap ne abhi dekha, log
nidar ho kar vote dene aaye hai.
Dehshat failane walon ko mooh-tod
jawab deneka yeh ek hi tareeqa hai.
Aaj Democracy ki jeet hui hai!

89B B) Debbie is gearing to interview Atma Singh.

89B

Atma Singh is about to wear his sunglasses when he looks in the direction of Verma. Verma has identical pair of sunglasses and they share a moment when they both recognize that fact. Verma wears his sunglasses. Atma Singh sheepishly smiles and doesn't wear his.

DEBBIE

So Atma Singh, a package of almost \$35 million dollars has been given by the center to fight Naxalism. Do you think that's enough?

He has a strange smile plastered on his face.

DEBBIE (CONT'D)

Please don't look into the camera, look at me.

Debbie waits. Gestures at him to elaborate.

DEBBIE (CONT'D)

Why?

ATMA SINGH

Why?

DEBBIE

Why is it not enough?

ATMA SINGH

It is less.

DEBBIE

Ok. But what do you need?

ATMA SINGH

Better weapons, night vision goggles, thermal imaging, laser range finders.

DEBBIE

Ok. Thank you.

Debbie is creeped out and looks at her cameraman.

ATMA SINGH

Thank you.

89C C) IG Verma speaks into a number of mikes thrust at him. 89C

He's wearing his aviators.

DAINIK JOURNALIST (O.S.)

Kuch logon ka kehna hai ki iss darr ke mahoul se kewal mining companiyon ko labh hota hai.

(MORE)

DAINIK JOURNALIST (O.S.) (CONT'D)
Gaon khali karke jungle unko de

VERMA
Jin logon ka aisa kehna hai woh

ji jad wahi hai.

DAINIK JOURNALIST (O.S.)
Aapki personal rai kya hai iss
saare masle par?

VERMA
Retirement ke baad kitaab mein
likhunga. Aap khareed ke padhna!
Chalo, thank you.

89D D) Debbie's cameraman Adam shoots SPOs Lakhma, Joga and the ~~90D~~
group who pose. Debbie is whispering to him.

DEBBIE
Gimme children! Gimme children!

Krishna and Constable who are standing nearby tease the SPOs.

CONSTABLE
Tum log ab Amrika mey dikhogey!

KRISHNA
Lakhma, mem ki tujhpe hi nazar hai.
Le jayegi tujhe apne saath.

Lakhma grins.

DEBBIE
(in Hindi)
Haan kyun nahin, tumhe bhi le
jaungi.

Krishna is embarrassed.

89E E) Constables are teasing the Hindi news cameramen who are ~~89E~~
wrapping up.

CONSTABLE 1
Humara bhi photo kheencho.

CONSTABLE 2
Yeh TV pe aaega ya cable pe?

89F F) Atma Singh mumbles to Krishna and Rajendra as they watch ~~89F~~
press persons interviewing a voter.

ATMA SINGH
Baraatiyon ke nikalte hi hamari bhi
bidai ho jaegi.

Krishna nods.

90

INT/EXT. SCHOOL- DAY

90

Verma huddles with Newton and Atma Singh at the door of the school.

VERMA

Kitna vote gira?

NEWTON

70 mein se 39.

VERMA

Very Good. Hame aur booth dekhne jaana hai. Aapka kya karyakram hai? Kab tak hain yahan?

NEWTON

Ji teen baje tak. Abhi toh asli voter... 'youth' toh aye nahi hai...

VERMA

Aayenge bhi nahi.

NEWTON

Par wait to karna hai na sir. Chahe koi na aaye. Agar ek bhi voter reh gaya to fair nahi hoga sir.

VERMA

Hmmm...

NEWTON

Aapko pata nahin yahan kya kya hua hai-

VERMA

Kya hua, chunavi dhandli hui? Booth capturing? Naqli vote?

NEWTON

Nahi...

Verma looks at Atma Singh.

VERMA

Then it's fine.

91

EXT. HAMLET 2- DAY

91

Close up shot of a pot of Chicken Curry being cooked. A female hand adds salt on the top.

PRIYA (CONT'D)

Humne bhi ek Newton ki kahani suni hai. Humari kahani mein Newton ke sar pe seb girne pe kahi saal lage the. Aur jab seb gira toh uski aankhein khul gayi thi.

NEWTON

Haan haan, woh maine suna hai... point kya hai aapka?

PRIYA

Sar koi bhi tapasya ek din mein poori nahi hoti. Jungle banne mein saalon lag jaatey hai. Thoda ro lijiye. Mann halka ho jayega.

She exits.

Shambhu is left alone at his table. He is watching the drama with wide eyes.

NEWTON

Ab aap bhi kuch bol ke jao!

Shambhu shakes his head and darts out of the room.

Newton is alone.

95

EXT. GHOST VILLAGE- DAY

95

In the far corner by a broken hut, Dinu is opening a pot of chicken that has been covered by leaves. Two teenage Gondi boys are with him who have brought the food. The non vegetarian food is for a small clique of Atma Singh's cronies- Krishna, Romesh, Lakhma, Loknath who wait patiently for their turn. Atma Singh is wearing his sunglasses.

Someone passes salad made of tomatoes and beet.

CONSTABLE

Laal salaad!

EVERYONE

Laal salaad! Laal salaad!

Loknath is talking to Atma Singh.

LOKNATH

Yahan pe jo anyaay ho raha hai isko kaabu mein laane ka solution mere paas hai.

ATMA SINGH

Kya?

LOKNATH
TV. Har ghar mein TV laga do.

ATMA SINGH
TV?

LOKNATH
Haan TV! Do saal mein sabko Coco Cola aur washing machine ki lat lag jayegi aur kranti bhool kar line pe aa jayenge.

ATMA SINGH
Aap bhi bahut bade gyani nikle.

LOKNATH
Kya kare, majboor hai. Suraj na chahte hue bhi prakash baat hi deta hai.

Atma Singh picks his plate.

ATMA SINGH
(referring to the boys)
Laundo ne vote diya?

RAJENDRA
Yeh? Abhi to solah ke bhi nahi hai yeh.

KRISHNA
Maine to chaudah saal mein pehli baar vote diya tha. Solah saal mein to hamare jile ke launde chunav lad jaate the.

ATMA SINGH
(Laughs. Sniffs the pot)
Aaye haaye!

KRISHNA
Virender kitna accha bhuna chicken banata tha. Yaad hai?

Atma Singh gives Krishna a furious look.

KRISHNA (CONT'D)
Sorry Sir.

Loknath is waiting with his plate.

Dinu serves generous amounts of the curry. The chicken looks delicious.

Rajendra has a sip of mahua from his water bottle.

The boys look eagerly for payment.

99B **EXT. JUNGLE- DAY**

99B

Children are playing Chor-Police (Naxal-Police) in the jungle. High speed shots. They have sticks and twigs that look like guns.

100 **INT. SCHOOL- DAY**

Tight Close Up of Newton. Camera tracks back. He's sitting on a chair expressionless.

PBS # 2 ends.

Few moments later.

Atma Singh comes to the door with a plate of food.

ATMA SINGH

Rule book ke mutabik main andar nahi aa sakta, magar aapko aise dekh kar bura lag raha hai.

Newton looks at him. Awkward.

ATMA SINGH (CONT'D)

Situation pe na to aapka control hai na hi mera. Hum dono ko to apni duty karni hai. Aap khaana nahi khaenge to mujhe bahut guilty feel hoga.

Long silence. Newton looks at Atma Singh when-

Gun shots are heard. Atma Singh is alarmed.

ATMA SINGH (CONT'D)

Aap yahan se hilna mat.

He rushes out. More Gunshots. Atma Singh is shouting instructions. Newton tries to rush out when Priya and Loknath rush into the school followed by an armed constable.

CONSTABLE 1

Bahar mat ayiye! Ambush ho gaya hai!

They all huddle in one corner.

Suddenly Atma Singh carrying his AK-47 reappears with SPO Lakhma.

ATMA SINGH

Aap log apna saman sameto aur niklo.

Priya and Loknath start wrapping up.

ATMA SINGH (CONT'D)
 Newton sir aap theek ho? Ghabrane
 ki koi baat nahi hai. Lakhma aur
 Krishna ek team lekar aapke saath
 highway tak jayenge. Wahan se
 hamari jeeps aapko le jayengi.
 Raaste mein Priya ko unke gaon
 chhod denge.

Newton responds well to the situation. He hesitates for a moment and puts the control unit and balloting unit into a bag and rushes out.

ATMA SINGH (CONT'D)
 Jaldi kare!

Atma Singh is facing Newton.

ATMA SINGH (CONT'D)
 Alvida Newton babu. Dua mein yaad
 rakhna.

Newton feels sentimental. The men share a moment. He holds Atma Singh's hands. Atma Singh nods and rushes out.

LAKHMA
 Jaldi chalo.

Newton, Priya and Loknath rush out.

101 **EXT. GHOST VILLAGE- DAY** 101

As soon as they come out:

LAKHMA
 Mere peeche peeche aao. Jaldi.

Krishna is a hundred meters away with a band of ten armed SPOs/constables. He gestures them to rush. They all begin to run.

Gunshots are heard sporadically.

102 **EXT. THICK JUNGLE PATH- DAY** 102

Newton, Priya, Loknath, Shambhu, Krishna, Lakhma and others run down the path.

103 **EXT. BUSHY SLOPE- DAY** 103

As they descend from the slope, they have slowed down and the firing has stopped.

Newton walks by himself, thoughtful.

Priya, Lakhma, Shambhu are walking behind him.

Krishna is walking a bit ahead with Loknath and two constables. They are followed by two. (Loknath is telling some story we cannot hear).

They stop at a point from where a path cuts to the left and leads into the thicket.

KRISHNA

Aap to chali jayengi yahan se.

PRIYA

Jee.

(to Newton)

Accha sir. Dhanyawaad.

NEWTON

Akele kaise jayengi yeh? Attack hua hai.

PRIYA

Main chali jaungi.

NEWTON

Nahi nahi aise kaise?

KRISHNA

Inko kuch nahi hoga... agar aap kaho toh kisiko-

PRIYA

Nahi nahi... main chali jaungi.

(to Newton)

Kabhi iss taraf aana hua toh mil lijiyega. Maspur gaon hai mera.

Newton smiles.

Krishna and Lakhma look on, naughtily.

LOKNATH

Priyaji kalam to leti jaiye baccho ko sher kaise banayengi?

Handing the pen to her, Loknath finds the card in his pocket.

LOKNATH (CONT'D)

Ah Lo! Newton babu ke patte khul gaye.

PRIYA

Kaun sa hai? Duggi Joker to tha ab kya hai?

Loknath shows it- 5. He looks at Newton who's disinterested.

LOKNATH

Paanch. Kuch kaam ka nahi hai. Ikka baadshah begum hoti to maza aata.

PRIYA

Nahin Sir, yeh hota hai paanch.

She shows him her hand and makes it into a fist.

PRIYA (CONT'D)

(tapping her temple)

Aur yeh hota hai chhe.

Newton absorbs it but doesn't acknowledge.

LOKNATH

Chhati indri ki baat kar rahi hai Sir. Sixth sense.

Priya smiles and walks away.

She walks into the distance and disappears into the thicket without ever turning back.

104

EXT. BUSHY JUNGLE PATH- DAY

104

Newton walks with the group. They resume walking. He is feeling uneasy.

After walking a few meters. Lakhma is talking about a Salman Khan film to Krishna. Newton listens to them and starts thinking.

NEWTON

Loknath ji, aapko filmein dekhna pasand hai na?

LOKNATH

Ji.

NEWTON

Aap agar wapis jaakar aaj ki kahani kisiko sunaogey toh aapko nahin lagta woh bada khush hoga, woh kahega 'arre wah, iss kahani mein toh sab kuch hai- shuru mein kuch hota hi nahin hai aur aakhir mein goliyan chalne lagti hai.' Kyun?

Loknath nods and laughs. Krishna and Lakhma silently listen to Newton.

NEWTON (CONT'D)

Yeh bahut badiya kissa nahi hua humare saath? Ab kissa kahan hota hai, Loknath ji? Kissa hota hai theater mein, parde pe.

(MORE)

NEWTON (CONT'D)

Subah se shanti thi, jaise hi
voting khatam hua, achanak se twist
aa gaya.

KRISHNA

Sir ji, kya bol rahe ho aap?

NEWTON

Atma Singh ko bata do ki kalaai
khul gaya hai.

Newton turns and walks back.

KRISHNA

Sir, aap aise jaa nahi sakte.

Newton ignores him and keeps walking.

KRISHNA (CONT'D)

Sir! Aise mat jaiye.

Newton keeps walking briskly. Krishna and others walk behind
him.

Loknath, Shambhu and a constable stay back.

Krishna talks on the walkie.

KRISHNA (CONT'D)

Tango calling cheetah.

105A **EXT. BUSHY SLOPE- DAY**

105A

Atma Singh and his platoon of constables are walking through
the jungle. Rajendra passes him a walkie.

KRISHNA (O.S.)

Janab, lagta hai yeh Newton ji
wapas booth jaa raha hai.

ATMA SINGH

Huh? Kya bak rahe ho?

105B **INTERCUT:**

105B

KRISHNA

Ruk nahi rahe hai. Lagta hai inko
pata chal gaya hai...

ATMA SINGH

(scolds)

Useless hai sab ke sab. Ek kaam
theek se nahi kar sakte. Pakdo
usse!

106 **EXT. BUSHY JUNGLE PATH- DAY** 106

As they walk back, Krishna and Lakhma try to reason with Newton in their own way.

LAKHMA
Sir, kyun humare naukri ko khatre
mein daal rahe ho.

Krishna and Lakhma run behind him. Newton begins to run with the EVM in his hand.

It soon turns into a **CHASE**, Newton has a good lead.

107 **EXT. BUSHY SLOPE- DAY** 107

Newton runs ahead. From the distance, he sees Atma Singh and his troops coming downhill- around 200 meters away.

Newton freezes for a second.

ATMA SINGH
Pakdo usse!

The men run downhill towards Newton. Behind him, Krishna and Lakhma are waiting with some constables.

Newton turns in the third direction and runs towards the deep jungle. The men chase him.

30 men run behind Newton. In a wide shot- we see Newton running towards the deep forest full of Sal trees. The men follow him.

108 **EXT. SAL FOREST- DAY** 108

Newton runs into the Sal forest with the men following him.

Finally after a formidable chase, he is nabbed by Rajendra and another constable.

Scolding him, they drag him out of the forest towards the Barren Jungle Path.

Newton is completely exhausted, he is holding the EVM tight. A constable grabs it from his hands.

109 **EXT. BUSHY SLOPE- DAY** 109

Newton is brought to Atma Singh and his cronies who wait.

NEWTON
Aap logon ne fraud kiya hai!

Atma Singh comes close to Newton. Looks him in the eye.

ATMA SINGH

Bahar mat bolna. Log hasenge.
Chaliye chalte hain.

NEWTON

Main sab likhoonga apne report
mein.

ATMA SINGH

Likho! Kaun gawahi dega?

They walk towards the bushy jungle path.

110 **EXT. BUSHY JUNGLE PATH** 110

Loknath, Shambhu and a couple of constables are waiting for them. As soon as they see Atma Singh and his platoon bringing Newton- dragging him by his arms, they stand up, shocked.

111 **EXT. JUNGLE PATH** 111

They all walk down the path- silently.

In the distance, the four Gondi youth who they encountered in the morning are seen, coming back with baskets full of tendu leaves.

They stop and raise their ID cards.

YOUNG MAN 1

Vote dena?

ATMA SINGH

Kya vote? Bhaggg!

The young Adivasis turn and walk away.

NEWTON

Ruko!!! Ruko!!!

They stop and look back.

Newton tries to free himself. They violently pin him down. In the scuffle that ensues, Newton pounces on Romesh and grabs his gun.

He points the gun at Atma Singh.

Shock.

ATMA SINGH

Mental jaisi harkat mat karo
Newton. Naukri kharab ho jaegi.

NEWTON

Sab bandooke neeche karo.

All guns are pointing at Newton. Everyone is talking
SIMULTANEOUSLY.

ATMA SINGH
Trigger se ungli hatao!

LOKNATH
Newton sir!!!

NEWTON
Bandook neeche. Unko yahan bulao!

ATMA SINGH
Bandook neeche.

His men obey him.

NEWTON
Koi chalaki nahi! Unko bulao yahan!

<p>ATMARAM Newton babu hosh mein aa jao...Sab neeche rakh do bhai bandook. Batchheet se sab hal ho sakta hai. Dekhiye hamari aapki koi personal dushmani thodi hai.</p>	<p>KRISHNA (calls the tribal youth) Aao bhai... aao!</p>
---	--

LOKNATH
Aao bhailog!!

The Gondis come with their hands up.

NEWTON
Aap log haath neeche... Shambhu
wahan machine lagao!

Shambhu is so nervous, he's shaking and does as told.

Atma Singh is in reconciliatory mode.

ATMA SINGH
Accha kara lo chunav bas. Bandook
idhar de do please. Chal gayi
musibaat aa jeagi. Aap samajh nahi
rahe ho.

NEWTON
(screams)
Haath upar mooh band.

The Gondi youth turn to run away.

NEWTON (CONT'D)
Tum nahi. Tum yahan aao. Dinu! Bolo
inhe.

Dinu tells them to stop in Gondi and tells them to vote.

NEWTON (CONT'D)
Jaldi aao! Loknath, ID check karo
aur voting karao.

LOKNATH
Sir aap jaante ho na aap kya kar
rahe ho?

Newton gives him a look, Loknath does as he is told. He sets up the polling booth behind a bush.

ATMA SINGH
Election officer ke haath mein
bandook shobha nahi deti.

Newton ignores them, Shambhu is checking their cards, marking the names in the book and getting them to put their thumb impressions.

Atma Singh and his men look at Newton.

ATMA SINGH (CONT'D)
Aagya ho main baith jaaun?

NEWTON
Bandook se door.

He sits.

NEWTON (CONT'D)
Kyon ki nakli firing?

ATMA SINGH
Aap seedhe seedhe maan kaha rahe
the? Subah se bol raha hoon ilaka
safe nahi hai. Do saal se night
vision googles maang rahe
hai...Bahadur ladke faltu mein
marte hai accha nahi lagta.
Aapke election picnic ke chakkar
mein main apne aadmiyon ki jaan
jokham mein nahi daal sakta.

NEWTON
Justify karne ki koshish mat
kijiye. Loknath!

Newton signals him to start.

Loknath talks to a voter as he applies indelible ink on the voter's forefinger.

LOKNATH
Kisko vote doge?

The young man stares at Loknath and presses his button by covering the EVM with his body. The man knows whom to vote for.

The first beep of the voting machine is heard.

Newton's brow is beaded with sweat.

Atma Singh looks like a miffed school boy sitting in one corner.

Another beep is heard.

One of the voters steals a glance at Atma Singh who glares back at him. The voter lowers his eyes and goes to vote.

Another beep is heard.

LOKNATH (CONT'D)
Sir, aapka sign chahiye.

NEWTON
Sab theek se hua?

LOKNATH
Jee.

NEWTON
Kya time hua?

LOKNATH
2.55

NEWTON
Paanch minute hai. Ruk jao.

SILENCE FOR FIVE MINUTES AS EVERYONE WAITS. Mid shots and Close ups of all characters.

THE WATCH HITS THREE. AND...

Newton signs on the paper. Loknath brings him the EVM. Newton switches off the button. Big beep.

ATMA SINGH
Ho gaya?

Newton nods.

Atma Singh is assisted to get up by Krishna. He brushes his pants and stands up.

NEWTON
Mujhe pata hai aap arrest karoge.
Kar lo.

Newton keeps the gun on the ground.

As soon as he does that- ALL THE MEN POUNCE ON NEWTON. FREEZE FRAME.

A little boy of 8 rushes out of his hut. He is carrying a slate. He runs into the woods. He sits sext to some children who have gathered. We reveal that Newton is teaching children who were seen in the Chor-Police sequence. A little away, Priya is teaching kids.
