SHERA, PRINCESS OF POWERA LESSON IN LOVEPP #67069ACT ONE

FADE IN:

/ EXT - HI-TECH PALACE - DAY

ESTABLISHING SHOT of a post-modern hi-tech palace with architectural spires and towers that soar into the sky, defying gravity, surrounded by a sprawling hi-tech city. PUSH IN on a room near the top of the highest tower.

DISSOLVE TO:

2 INT - ROOM - DAY - ON KEVIN

KEVIN is a handsome young teen with a hint of the rebel about him. There are clothes littered everywhere, several jet-cycle racing trophies lined up on shelves next to his books, and a small desk where he is sitting, book in hand. Kevin SLAMS shut the book (a cloud of dust rises) and looks OS.

KEVIN

Father, I'm tired of studying these dusty old laws. Can't I take a break and go jet-cycling for a while?

3 ON KING

His father the KING, an older, white-bearded man, stands at the doorway, a hi-tech com-unit on his belt.

KING

(firmly)

You are the Crown Prince of the realm, Kevin. Soon I will retire, and you will become the leader of our people. You must be ready.

4 CLOSE ON KEVIN

KEVIN

(frustrated)

I don't want to be king, Father.

5 CLOSE ON KING

Shaking his head sadly.

KING

You will be a good king.  
You will help our people.

6 NEW ANGLE

Suddenly, the com-unit on the King's belt BUZZES loudly.

KING

I must go. We'll talk tonight.

7 ON KEVIN

Scowling. He shakes his head.

KEVIN

What'll I do? I don't want  
to be a king. I want to play.  
Maybe...maybe I should  
run away.

(BEAT)

Hey! That's not a bad idea!

WIPE TO:

8 INT - PALACE GARAGE - DAY

Kevin is seated as astride a bright red "hot-rod" jet-cycle resembling a cross between a racing motorcycle, a jet-ski and the cycles from "Jedi", very hi-tech, sleek and fast. He FIRES UP the jet with a RUMBLING WHOOSH of exhaust and BLASTS out of the garage doing the airborne equivalent of a wheelie.

CUT TO:

9 EXT - PALACE - TRACKING

Kevin zooms through the city into the countryside.

WIPE TO:

10 EXT - WHISPERING WOODS - DAY - ESTABLISHING SHOT

CAMERA TRUCKS IN on the rebel camp. ADORA, BOW, KOWL and BROOM are waiting impatiently in a large clearing where the rebels are encamped (tents, etc.).

ADORA

What's taking Madame Razz so long?  
We'll never get to the Carnival  
at this rate!

11 ON BOW

Impatient.

BOW

If she doesn't hurry up, I'll be late. I promised I'd fill in at the dunking booth!

12 ON KOWL

Smirking.

KOWL

Does that mean you're all wet?

13 NEW ANGLE

ADORA, KOWL

(laughter)

14 PAN AROUND CLEARING TO MADAME RAZZ' BOUDOIR

At one end of the clearing, in a natural alcove formed by trees, Madame Razz is sitting on a log in front of a rough hewn vanity with a large mirror in an ornate carved frame.

MADAME RAZZ

Tell me mirror, long and tall,  
who's the beauty of them all?

15 ON MIRROR

A mouthlike carving at the bottom of the frame speaks.

MIRROR

Not you, dearie! Want to try for  
ugliest?

16 WIDER

Madame Razz scowls fiercely and cocks her arm to throw her hairbrush at the mirror.

MADAME RAZZ

You impudent thing!

BROOM (OS)

Don't, Madame Razz!

Too late! Madame Razz starts to throw the brush. Broom comes zooming INTO FRAME just in time to catch her hand.

BROOM

I just saved you seven years of  
bad luck. Now hurry!  
We've got to go!

MADAME RAZZ

Oh, all right.  
(to mirror)  
Just you wait! I'll fix you.

MIRROR

But Madame, your beauty is  
on the inside!

17 ON MADAME RAZZ

She beams.

MADAME

Oh, really? Well, thank you!

18 WIDE

The group stands around her, laughing.

ADORA, BOW, KOWL  
(laughter)

19 NEW ANGLE

A beautiful BUTTERFLY flutters into the frame and TRANSFORMS  
into FLUTTERINA.

FLUTTERINA

Hello, everyone.  
(surprised)  
Everybody looks so nice.

BROOM

We're on our way to the Twigget  
carnival.

ADORA

Why don't you come with us?

20 ON FLUTTERINA

Distressed.

FLUTTERINA

I have go go home first.

FLUTTERINA (con't)

You go ahead. I'll meet you there! Where is it?

21 ON ADORA AND FLUTTERINA - TWO SHOT

ADORA

Just outside the Whispering Woods.

FLUTTERINA

Outside? But...what about Hordak?

22 ON ADORA

Smiling reassuringly

ADORA

Don't worry - there's no way he could sneak up on us.

WIPE TO:

23 EXT - FRIGHT ZONE - DAY - ESTABLISHING SHOT

CAMERA TRUCKS IN to the Horde commander center.

DISSOLVE TO:

24 INT FRIGHT ZONE

HORDAK, SHADOW WEAVER and MANTENNA are in conference.

HORDAK

So the rebels are having a Spring Carnival. How nice! We could capture all of them at once!

SHADOW WEAVER

No, If we only had someone inside the carnival, a spy or --

HORDAK

(interrupting)

A spy to disable their defenses! Excellent idea -- I'm glad I thought of it! Mantenna! Get one of the spy-bots!

MANTENNA

Yes, sir!

REVISED  
DATE 9/20/85

25 WIDER - FAVORING MANTENNA

Mantenna hits some keys on a computer-type keyboard, then looks up, puzzled.

MANTENNA

There aren't any!

26 NEW ANGLE

HORDAK

You incompetent fool!

SHUNK! A trapdoor opens beneath Mantenna and he falls in with a HOWL of surprise. Hordak goes to the keyboard and tries it himself. Nothing happens.

HORDAK

That's funny. Mantenna's right for once. What happened to all the spy-bots?

SHADOW WEAVER

You sent them through the dimension gate to Horde Force Command, remember?

HORDAK

Oh. Mantenna! Get up here and call back some of those spy-bots.

27 ON TRAPDOOR

The trapdoor pushes open and Mantenna's eye stalks appear.

MANTENNA

You called?

28 ON HORDAK

HORDAK

Why do you always disappear when I need you? Get up here and find out where those spy bots are!

MANTENNA (OS)

(wearily)

Yes, sir.

29 NEW ANGLE

Mantenna sits at the keyboard, typing.

MANTENNA

I'll open a dimension door and look around.

CUT TO:

30 EXT - COUNTRYSIDE - DAY

Kevin BLASTS over the countryside at high speed.

31 KEVIN'S POV

The shimmering dimension door opens in front of him.

KEVIN (OS)

Oh, oh! A dimension door!

32 NEW ANGLE

Kevin tries to brake the jet-cycle with a BLAST from his front jets (SFX: SQUEALING LIKE PANIC STOP) but he's going too fast and zooms right through the dimension door.

33 INT - HORDE COMMAND CENTER

KEVIN

Yeeeeeeow!

Kevin SOARS through the dimension door. Hordak and Shadow Weaver duck. Kevin CRASHES into Mantenna and the computer console in a CLOUD of smoke and dust!

34 ON HORDAK

Livid with rage.

HORDAK

Where'd he come from?

35 ON KEVIN AND MANTENNA

Kevin and Mantenna are both laid out amidst the wreckage of the computer console.

MANTENNA

Wha...What happened?

36 NEW ANGLE

HORDAK

You're asking me, you bumbling fool?

SHUNK! The trapdoor opens beneath Mantenna and he falls in.

MANTENNA

(fading)

Not agaiiiiiiiin!

37 ON KEVIN

He's still groggy.

HORDAK (OS)  
Shadow Weaver, send this young  
whelp into a my dungeon.

38 PULL BACK

Hordak walks INTO FRAME, shaking his finger at Kevin.

HORDAK  
That'll teach you to respect my  
property.

39 ON SHADOW WEAVER

SHADOW WEAVER  
Wait, Hordak! We need a spy --  
why not him? I'll use my spells  
to--

HORDAK  
(interrupting)  
To put him under our control! Another  
good idea. I'm glad I had it.

40 ON SHADOW WEAVER AND KEVIN

KEVIN  
Spy? No! I am not going  
to spy...for...you...

Shadow Weaver waves her hands mystically over Kevin. The  
room grows dark and gloomy and magic is in the air.

SHADOW WEAVER  
(incanting)  
Ye shall wake in our command, and  
help us win the rebel land!

A black mist oozes out of her fingertips, as she speaks,  
settling over Kevin like a shroud.

41 CLOSE ON SHADOW WEAVER

SHADOW WEAVER  
I command thee, awake!

42 NEW ANGLE

Kevin stands, looking around.

KEVIN  
(confused)  
Huh? Where am I?

SHADOW WEAVER  
Come with me, spy.

WIPE TO:

43 EXT - JUST OUTSIDE THE WHISPERING WOODS - DAY

Shadow Weaver stands next to Kevin (on his jet cycle).

SHADOW WEAVER  
I can go no further. You must  
find the rebel carnival and --

She stops and looks off.

44 ANGLE ON FLUTTERINA - (Shadow Weaver's POV)

Flutterina is walking along the edge of the Woods.

SHADOW WEAVER (OS)  
I have an idea! You're going to  
rescue that girl! She'll get you  
in with the rebels!

45 ON KEVIN

He has a puzzled look.

KEVIN  
Rescue her?! But she's not in trouble!

46 ON SHADOW WEAVER

She has an evil look.

SHADOW WEAVER  
She will be!

47 ANGLE ON FLUTTERINA

Flutterina is bustling along.

FLUTTERINA  
Oh, dear, I'm going to be late!

We HEAR a loud SCURRYING SOUND. She looks OS.

48 ON FLUTTERINA - CLOSE

She has an expression of terror on her face, looking up.

FLUTTERINA  
(gasps)

Oh!

49 FLUTTERINA'S POV

A HUGE HAIRY SPIDER looms over her!

50 ANGLE FLUTTERINA

As she backs away in fright.

51 CLOSE ON KEVIN

Mouth open wide, watching OS.

FLUTTERINA (OS)  
Help me, someone, help!

KEVIN  
(shouting)  
I'm coming!

52 ANGLE ON SPIDER AND FLUTTERINA

The Spider is busily wrapping the struggling Flutterina in a cocoon of silk.

FLUTTERINA  
Help!

Suddenly, Kevin rockets INTO FRAME on the jet-cycle and screeches to a halt.

KEVIN  
I'll save you!

53 KEVIN'S POV

The spider advances, fangs poised to bite.

MED. KEVIN

KEVIN  
You're pretty brave to  
attack this young lady.  
Let's see how brave you  
are against my jet!

54 NEW ANGLE

Kevin ROARS full throttle directly at the spider. At the last moment, he SCREECHES into a tight turn, sending up a bunch of dirt toward the spider...

55 ON SPIDER - TRACKING

The spider recoils in fear and runs away SCREECHING!

56 ON KEVIN AND FLUTTERINA

Kevin holds Flutterina in his arms, pulling the silk away.

KEVIN  
Are you alright?

FLUTTERINA  
Yes! Thanks to you! What's  
your name?

57 CLOSE ON KEVIN

A puzzled look

KEVIN  
(confused)  
Uh...uh, Kevin... I think. I  
seem to... to have trouble  
remembering.

58 WIDER

Free, Flutterina links arms with Kevin.

FLUTTERINA  
You must take me to the carnival.  
I know someone there who can  
help you!

CUT TO:

59 EXT - TWIGGET CARNIVAL - DAY

The Carnival is in full progress. A TWIGGET MARCHING BAND  
PLAYS FESTIVE MUSIC WITH RUSTIC INSTRUMENTS made from  
acorns, reeds, sticks, etc., as a CROWD watches. In the  
center of the wide clearing is an open space with a MAYPOLE.

60 PANNING AROUND

We see gaily decorated booths with handicrafted Twigget  
wares -- food, clothing, implements, etc. MAGICIANS put on  
shows for small groups. JUGGLERS and ACROBATS perform.

61 PAN ENDS ON DUNKING BOOTH

Bow is suspended over a vat of water as Madame Razz tries to  
hit the target (it has a large bull's eye center) to knock  
him in. Broom, Adora and Kowl watch.

BOW  
Nyaa, nyaa, can't dunk me!

MADAME RAZZ  
We'll see about that!

Madame Razz hurls a large acorn-like nut. THUD! It misses.

BOW

Told you so! Ooga, ooga!

Bow dances on his perch like a manic monkey.

62 ON MADAME RAZZ

Whispering to a nut cupped in her hands.

MADAME RAZZ

I command you to hit that...that  
animal right on the nose!

63 NEW ANGLE

Madame Razz hurls the nut at the target. The nut makes a  
right-angle turn in mid-flight and zooms OS.

64 MADAME'S POV

A huge animal (space type bull) with long horns is grazing.

MADAME RAZZ (VO)

No! Not that animal. I meant  
Bow!

The nut comes in and hits the animal on the nose. He looks  
up and charges off, jumping the low fence.

65 WIDE - TRACKING

The animal chases Madame Razz around an open area near the  
gaily-decorated maypole.

MADAME RAZZ

Heeeelp!

66 ON ADORA

ADORA (to herself)

Haven't time to change to Shera!  
Madame's in trouble!

67 ON MADAME RAZZ

Madame Razz scurries up the maypole. She passes the top and  
keeps climbing in the air, then realizes she's falling back.

MADAME RAZZ

Wooooo noooo!

Madame Razz plummets back down. SPROING! Her skirt catches on the top of the maypole and pulls her back like a rubber band.

MADAME RAZZ  
Broom, where are you? Help!

68 PAN DOWN

The bull snorts angrily below, and charges the pole. He hits it hard. It holds, but sways broadly.

69 WIDE ON ADORA AND THE BULL

ADORA  
(calling)  
Here! Over here!

Adora holds her cape (or cloth she has found) like a bullfighter! The bull charges her instead of the maypole. She does a perfect turn and the bull misses. He turns to charge again, snorting angrily.

70 DIFFERENT

Arms akimbo, Adora looks the bull straight in the eye.

ADORA  
Let's not be silly about  
this. Now calm down!

71 ON BULL

Confused, calming down. Adora walks into shot and strokes the animal.

ADORA (OS)  
That's better. Come here.

72 WIDER

The bull trots up to Adora, head down. Adora pats him.

ADORA  
Good boy. Let's see what I can  
do about that nose.

73 CLOSE UP ON BULL'S HEAD

We see Adora's head passing lightly over the bull's nose. The animal calms down.

74 ON MADAME RAZZ

Still upside down on the maypole.

MADAME RAZZ

Thanks, Adora!

Suddenly, we hear a RIPPING sound! Her skirt gives way!  
Madame Razz falls OUT OF FRAME!

75 ON MADAME RAZZ - TRACKING

She falls down, down, down. Just before she hits the ground, Broom ZOOMS INTO FRAME and saves her.

MADAME RAZZ

Thanks, Broom. That would have been a bumpy landing for sure!

76 OUTSKIRTS OF THE CARNIVAL

Kevin and Flutterina are gazing around.

FLUTTERINA

Oh, it looks like fun here! Let's find my friends.

(reacts)

There they are!

77 PAN TO DUNKING BOOTH

Madame Razz is back trying to dunk Bow as Broom, Kowl and Adora watch. She throws another acorn and misses wildly. It bounces back and carooms off her head.

BOW

Good shot, Madame Razz!  
(laughs)

Flutterina and Kevin enter frame.

FLUTTERINA

This is Kevin, everyone!

The others turn and greet him.

RAZZ, ADORA, BOW,

BROOM, KOWL

(ad lib greetings)

Hi, Kevin! Pleased to meet you!  
Join the fun! Hello!

KEVIN

Hi! Can I toss one?

MADAME RAZZ

Sure!

Madame Razz tosses Kevin a nut. He winds up like a pitcher.

78 ON KEVIN

He suddenly pauses, looking around, suddenly disoriented.

KEVIN

Excuse me.

79 NEW ANGLE

Kevin drops the nut and wanders OUT OF FRAME, spaced out.  
Everyone stares after him.

FLUTTERINA

He told me he's not sure  
who he is!

ADORA

Keep an eye on him, Kowl. There's  
something strange about that boy!

CUT TO:

80 EXT - NEAR WHISPERING WOODS - DAY

A huge armada of ATTACK-BOTS floats in the air like an  
ominous black cloud, led by a HORDE FLYER.

81 INSIDE THE FLYER

Hordak and Shadow Weaver peer ahead.

HORDAK

Well, Shadow Weaver, what happened  
to our spy? Why haven't we heard  
from him?

SHADOW WEAVER

Patience, Hordak. Any moment now.  
You'll see.

CUT TO:

82 EXT - CARNIVAL - DAY

Kevin looks around furtively and ducks behind a booth. Kowl  
FLIES INTO FRAME and peers around the corner.

83 ON KEVIN

Kevin pulls a black, egg-like object from his pocket, then pauses, looking around furtively.

84 ON KOWL

Kowl ducks back to avoid being seen.

85 ON KEVIN

Kevin closes his fist. CRACK! the egg breaks. A cloud of BLACK SMOKE comes out of his hand!

86 ON KOWL

Watching from the side of the booth, shocked.

KOWL

(to himself)

Adora was right - he's  
mighty strange!

87 KOWL'S POV

The smoke expands into billows rising toward us.

88 WIDER

The Carnival-goers stop what they are doing and watch as the smoke blots out the sun. The DIN DIES DOWN. Suddenly, it's QUIET.

89 LONG SHOT

The black cloud expands over the whole Carnival site.

90 ON ADORA, MADAME RAZZ, BROOM, BOW

They stare at the black smoke billowing above them.

BOW

What's this?

ADORA

I don't know, but whatever it is,  
I don't like it.

CUT TO:

91 INT - HORDE FLYER - DAY

SHADOW WEAVER

Look! He did it! There's our  
cover! Come on!

92 SHADOW WEAVER'S POV

Ahead in the Whispering Woods we SEE a mushrooming black cloud rising from the forest.

HORDAK

Good work! Attack!

93 WIDE ON HORDE FORCE

The Attack Bots float rapidly into the black cloud.

CUT TO:

94 EXT CARNIVAL - DAY

Chaos begins. Twiggets run about as Attack Bots swarm after them. (SFX) SCREAMS AND CRACKLING OF STUN RAYS. (NOTE: SMOKE IS GONE.)

95 ON KEVIN

Kevin stands in the open, looking around, disoriented (BATTLE SFX CONTINUE IN BG). Flutterina runs INTO FRAME.

KEVIN

What's happening?

FLUTTERINA

We're under attack! They came right out of that smoke!

96 PAN TO DUNKING BOOTH

Bow is dancing around on his platform, dodging freeze rays from an Attack Bot.

BOW

You're a worse shot than Madame Razz!

97 ON BULL'S EYE TARGET

ZAP! THUNK! A freeze ray hits the target.

98 NEW ANGLE

BOW

Yikes!

Bow drops. SPLASH! A wave of water cascade out of the vat and inundates the Attack Bot. It short circuits with (SFX) SPARKS and CRACKLING. Bow's head appears over the vat.

BOW

So! Hordak's machine's don't like water! We'll fix 'em!

99 DIFFERENT - ON ADORA

Dodging a freeze ray.

ADORA

Looks like a job for Shera!

Adora ducks behind a booth.

100 ANOTHER ANGLE ON ADORA

As she holds her sword aloft.

ADORA

For the honor of Grayskull!

101 TRANSFORMATION SEQUENCE

Adora is TRANSFORMED into Shera.

SHERA

I am Shera!

102 NEW ANGLE

Bow and a group of Twiggets carrying buckets of water go after a group of Attack Bots, dowsing them. The Bots SHORT CIRCUIT and GRIND to a halt.

BOW

Come on! Tote those buckets!

103 WIDE ON SHERA

Shera steps out from behind the booth. An Attack Bot rushes her and she uses her cape like a bullfighter to decoy the Bot into running headlong into a tree. CRUNCH! SPROING! TWANG! The Bot collapses into a pile of gears, springs, etc., in a big puddle of oil. Shera regards the mess, hands on hips.

SHERA

Just look at this mess!

Kowl FLIES INTO FRAME, carrying a bucket.

KOWL

Behind you!

SPLASH! Kowl dumps water on an Attack Bot floating up behind Shera! SPRITZ! CRACKLE! The bot fizzles out.

SHERA

Thanks for the help!

104 ON MADAME RAZZ AND BROOM

Madame Razz, on Broom, flies with a bucket of water over a group of Attack Bots and dumps it on them. SPLASH!

MADAME RAZZ

Into every life, a little rain  
must fall....!  
(laugh)

The Attack Bots short-out with (SFX) CRACKLING SOUNDS.

105 ON KEVIN

Kevin is cornered by an Attack Bot. It advances on him, long metallic arms outstretched to capture him. He still seems dazed, confused.

106 ON FLUTTERINA

Flutterina makes fists, then opens them. A SWARM OF BUTTERFLIES comes out of her hands.

FLUTTERINA

Help him, little ones.

107 WIDER

The butterflies swarm over the Attack Bot's visual sensors.

ATTACK BOT

(robotic voice)  
I can't see!

108 NEW ANGLE

More BUTTERFLIES flutter in, holding a long vine which they wrap around the Attack Bot, immobilizing it.

109 ON KEVIN AND FLUTTERINA

Flutterina starts toward Kevin. Then a giant transport cone-shaped butterfly net suddenly DROPS INTO FRAME around her.

110 PAN BACK ALONG HANDLE OF NET TO HORDAK

Hordak's extendable arm has the net on its end. Shadow Weaver stands next to him.

HORDAK

Ha! Look what I caught!

111 NEW ANGLE

Kevin shakes his head, looks around, then rushes at Hordak.

KEVIN  
No! Let her go!

SHADOW WEAVER  
Stop!

Kevin keeps coming.

SHADOW WEAVER  
I command you!

Kevin stops in his tracks.

KEVIN  
I can't move!

Hordak beckons OS.

HORDAK  
Attack Bots! Take him away!

112 DIFFERENT

Two Attack Bots rush in to grab Kevin.

113 ON SHERA

Watching.

SHERA  
Two against one! Let's see if  
I can even the odds.

114 WIDE ON KEVIN

Kevin is frozen, helpless, as the Attack Bots rush in from either side. Shera tumbles in with a tuck and roll, grabs Kevin, and pulls him away. CRASH! The Attack Bots smash into each other.

115 ON KEVIN AND SHERA

SHERA  
Stay here! I've got things to  
do!

116 NEW ANGLE

A phalanx of Attack Bots led by an oversize Bot is charging.

SHERA  
Sword to magnet!

The sword TRANSFORMS to a huge magnet. The oversize Bot is pulled forward and CLANKS into the magnet. Shera holds it over her head and swings it around in a circle.

SHERA  
Magnet to sword!

The magnet TRANSFORMS back into a sword and the Attack Bot, released, goes flying right into the group of its rushing fellow Attack Bots. CRASH! The Bots crumple into wreckage.

HORDAK (OS)  
My robots are ruined! Say goodbye  
to your friend, Shera!

117 ON HORDAK AND SHADOW WEAVER - WIDE

HORDAK  
Time to go, my pretty one!

Hordak enters the Horde flyer, dragging Flutterina with him. Shadow Weaver hurls a fireball OS.

118 ON SHERA

Shera ducks as the fireball WHIZZES by.

119 NEW ANGLE

Shadow Weaver cocks her arm to throw another fireball at Shera just as Madame Razz FLIES INTO FRAME overhead on Broom, holding a bucket.

MADAME RAZZ  
Not so fast, Shadow Weaver!

SPLASH! Madame Razz dumps water on Shadow Weaver.

SHADOW WEAVER  
(screeching)

Shadow Weaver leaps into the flier.

120 DIFFERENT

Hordak's flier takes off. Suddenly everything is quiet. Bow STRIDES INTO FRAME from behind a booth with a group of Twiggets.

121 ON BOW

BOW  
So! Hordak's gone! We've won!

122 ON SHERA

She's serious.

SHERA

No, we haven't. Hordak has taken  
Flutterina!

123 ON BOW

Shocked.

BOW

Oh, no! Hordak took us by  
surprise. What happened?

124 ON KOWL

Scowling.

KOWL

Why don't you ask Kevin?

125 WIDER

In unison, the rebels all turn and stare at Kevin.

126 CLOSE ON KEVIN

Confused, scared, looking around.

KEVIN

Me?

127 CLOSE ON KOWL

Pointing at us with his wing.

KOWL

You!

FADE OUT

END OF ACT ONE

PP #67069

SHERA, PRINCESS OF POWERA LESSON IN LOVEPP #67069ACT TWO

FADE IN:

128 WHISPERING WOODS - ESTABLISHING

Just enough to SEE where we are. SMOKE rises from the rebel camp.

SHERA (OS)

What do you mean, Kowl?

129 EXT - CARNIVAL - DAY

Shera, Bow, Madame Razz, Broom, Kowl and Kevin stand together near the Maypole in the center of the Carnival. Around them we SEE the remains of the Carnival. Booths are smashed and goods scattered, trimmings of ribbons and flowers lie trampled on the ground amidst the wreckage of dozens of attack-bots, some still smoking and smoldering.

KOWL

I don't like being a tattletale, but...I saw Kevin sneak behind a booth and break open a black egg. A big cloud of smoke came out, and then Hordak attacked.

130 ON KEVIN

Shrinking back, scared.

KEVIN

I did that?

131 WIDER

All eyes are on Kevin. Bow advances on him.

BOW

You deny the charge?

132 ON KEVIN

Eyes wide, stuttering with fear.

KEVIN

I-I d-don't re-remember!

133 ON GROUP

Bow points a finger at Kevin.

BOW  
Liar! Kowl saw you!

Everyone leaps up, talking at once.

BOW, KOWL, BROOM  
(general hubbub, anger)

134 ON SHERA

Sympathetic.

SHERA  
(loud, over the din)  
I think he's telling the truth.

Again it quiets down.

135 NEW ANGLE

Shera sits by Kevin, putting her hand on his brow.

SHERA  
Kevin doesn't remember. I believe  
him. Whatever has happened  
here, it wasn't on purpose.

Madame Razz rushes over and touches Kevin too.

MADAME RAZZ  
This young man is under a very  
powerful enchantment. Only Shadow  
Weaver could do this!

BOW, KOWL, BROOM  
(gasps of shock and surprise)

CUT TO:

136 INT - HORDE COMMAND CENTER - DAY

Mantenna is hard at work repairing the damage done to the  
computer console by Kevin's jet-cycle. Flutterina is bound  
in the net nearby. Hordak and Shadow Weaver are plotting.

HORDAK  
Your spell worked well, Shadow  
Weaver. We would have overcome  
them if it hadn't been for Shera.

SHADOW WEAVER

We must bring them here, where  
we can capture all of them at  
once!

CUT TO:

137 EXT - WHISPERING WOODS - ESTABLISHING SHOT OF GROUP - ON BOW

Grim.

BOW

(serious)

We must go to The Fright Zone to  
rescue Flutterina.

138 ON SHERA

SHERA

Wait a minute! That's exactly  
what Hordak expects us to do. Madame  
Razz, can your magic mirror help us?

139 ON MADAME RAZZ

Thinking.

MADAME RAZZ

Maybe...

WIPE TO:

140 MADAME RAZZ' BOUDOIR

Shera, Kevin, Madame Razz, Broom, Kowl and Bow stand in  
front of the magic mirror.

MADAME RAZZ

Mirror, mirror, on the wall, to  
The Fright Zone -- and show us all!

MIRROR

Say "please."

SLOW ZOOM IN ON MIRROR

MADAME RAZZ (OS)

Oh, alright. Please!

An image begins to form in the mirror. We SEE Hordak and  
Shadow Weaver talking, with Flutterina bound in the b.g.

HORDAK

Take the butterfly girl to Horror  
Hall. The rebels will come to  
The Fright Zone to rescue her, and  
Mantenna and I will trap them!  
(evil laugh)

The image FADES OUT.

142 ON SHERA

SHERA

I must go to Horror Hall.

143 WIDER

BOW

I'm going, too!

KOWL

And me!

MADAME RAZZ, BROOM

(in unison)

And so are we!

144 ON SHERA

She smiles in gratitude, but shakes her head.

SHERA

Thank you, friends, but it's  
too dangerous for a group.

145 ON KEVIN

Imploring, eager.

KEVIN

(pleading)

Let me help.

146 WIDER

BOW

No way! You're still under Shadow  
Weaver's spell!

KEVIN

I know you don't feel you can  
trust me...

SHERA

But I can. Yes, Kevin. You may  
come with us.

147 ON KEVIN

Thankful, happy.

KEVIN

Thank you!

WIPE TO:

148 EXT HORROR HALL - EST - INSIDE

Flutterina is imprisoned inside a large bell jar. Shadow Weaver gloats over her.

SHADOW WEAVER

You will make a fine addition to our butterfly collection, my dear. Doesn't that make you happy, to know that you will be with us forever?

FLUTTERINA

My friends will save me.

SHADOW WEAVER

Your friends! The fools will fall right into Hordak's trap! They think you're at The Fright Zone! (evil laugh)

149 NEW ANGLE

LEECH rushes in, holding a telescope.

LEECH

Shadow Weaver! Shera is coming!

150 ON FLUTTERINA AND SHADOW WEAVER

SHADOW WEAVER

What?!

FLUTTERINA

I told you so!

CUT TO:

151 EXT HORDE COMMAND CENTER - EST - INSIDE

Hordak and Mantenna peer into the viewscreen.

MANTENNA

I don't see any rebel army. Are you sure they're coming?

HORDAK  
Of course I'm sure. Have I ever  
been wrong before?

SHADOW WEAVER (VO)  
(through radio)  
Hordak! Shera is on her  
way to Horror Hall!

HORDAK  
I'll be right there!

CUT TO:

152 EXT - HIGH ABOVE LANDSCAPE APPROACHING HORROR HALL

We SEE Shera and Kevin flying in the sky, Shera on Swift  
Wind, and Kevin on his jet cycle.

153 CLOSER

Shera and Kevin talk as they fly together side by side.

SHERA  
Kevin, you're running away from  
something, aren't you?

KEVIN  
(hesitates)  
Yes...

SHERA  
Your parents must be worried about  
you. When this is over, let's  
talk about it.

KEVIN  
I'd like that!

154 NEW ANGLE

ZAAAAP! An ice ray shoots toward Shera!

KEVIN  
Watch out! Ice ray!

Swift Wind veers away just in time. ZAAAAP! Kevin dodges  
another ice ray.

SHERA  
Let's get 'em!

155 ON HORDE FLYER

We SEE Hordak and Mantenna at the controls.

HORDAK

Missed again, you fool! I've  
had it! You can fly home on  
your parachute!

Hordak presses a button. A trap door opens beneath Mantenna  
and he falls through.

MANTENNA

Yeeeeoow!

156 OUTSIDE - WIDE SHOT

Mantenna falls through the bottom of the flyer and plunges  
toward the ground.

157 CLOSE ON MANTENNA

Mantenna struggles with his parachute.

MANTENNA

Oh, no! My parachute won't open!

158 ON SHERA

Banking through a turn on Swift Wind.

SHERA

Mantenna's in trouble.  
I've got to help him.

159 WIDER

KEVIN

I'll keep Hordak busy!

Shera and Swift Wind dive down OUT OF FRAME as Kevin blasts  
straight ahead.

160 NEW ANGLE

Mantenna plunges toward the ground far below. Shera and  
Swift Wind dive after him.

161 DIFFERENT

Kevin blasts straight at the Horde flyer.

162 ON HORDAK

Astonished.

HORDAK

He's heading right at me! We'll  
see who has more nerve! He can't  
bluff me!

163 ON KEVIN

Kevin flies straight ahead, a determined look on his face.

164 ON HORDAK

Hordak's eyes bug out. He's getting panicky.

HORDAK

Turn, you fool!

165 ON KEVIN - CLOSE

Kevin is resolute, grim.

166 ON HORDAK

Eyes wide, scared.

HORDAK

Oh, no!

167 HORDAK'S POV

The jet cycle zooms right at us.

HORDAK (OS)

We're going to hit!

168 NEW ANGLE

The Horde flyer veers away radically as Kevin buzzes it.

169 ON KEVIN

Grinning.

KEVIN

Ha! Now I've got you on the run!

170 ON MANTENNA

Falling, scared.

MANTENNA

Wooooo! Helllllp!

171 MANTENNA'S POV

The ground rushes toward us!

172 NEW ANGLE

At the last moment, Shera and Swift Wind ZIP INTO FRAME and Shera grabs Mantenna by the collar just before he hits the ground, then flies up OUT OF FRAME.

173 ON SHERA - TRACKING

Shera flies over a lake.

SHERA

This should make a softer  
landing, and I think you  
could also use a bath!

She drops Mantenna in. SPLASH! Shera looks up.

SHERA

Oh, oh! Kevin's in trouble!

174 ON HORDAK AND KEVIN

Hordak's flyer zooms in circles after Kevin.

175 INSIDE FLYER

HORDAK

My tractor beam will get him now!

176 OUTSIDE - WIDE

We SEE a wide beam shoot out after Kevin, just missing.

177 ON SHERA AND SWIFT WIND

SWIFT WIND

Let me try something, Shera!

178 ANGLE ON HORDAK'S FLIER

Shera and Swift Wind swoop INTO FRAME next to the flyer,  
matching its speed. Swift Wind draws back his hind legs,  
aiming at the flier.

SHERA

Go ahead, Swifty. You should get  
a kick out of this!

Swift Wind kicks Hordak's flier. KAWHAM! The flier goes  
into a tail spin OUT OF FRAME.

179 ON HORDAK'S FLIER - TRACKING

The flier cart-wheels through the sky. Then we SEE Hordak  
leap to safety, a parachute blossoming out above him,  
shaking his fist at us, as the flier goes OS.

180 ON SHERA

SHERA

Hordak seems to be pretty  
hot-tempered. Let's cool  
him off!

## 181 NEW ANGLE

Hordak drifts across the lake with the parachute. Then Shera FLIES INTO FRAME and cuts the cords on the parachute with her sword. SPLASH! Hordak drops into the water near Mantenna (NOT LONG ENOUGH DROP TO HURT HIM).

SHERA

Be sure to wash behind your ears,  
boys!

## 182 ON HORDAK AND MANTENNA

In the water, floating. Hordak shakes his fist helplessly.

HORDAK

(mouth full of water)

Glub! Bleeaaah!

WIPE TO:

## 183 EXT HORROR HALL

Shera on Swift Wind and Kevin on his jet cycle, standing at the base of the smoking volcano, gazing up, dwarfed by its size.

KEVIN

(shuddering)

This is really scary!

SHERA

You don't have to go.

KEVIN

Yes, I do! I'm responsible for what happened, and I'm going to help you save Flutterina!

SHERA

Good for you Kevin!

## 184 NEW ANGLE

GRRRR-ROAR! A HUGE LAVA MONSTER suddenly rises up out of the volcano, towering over them. It's black with veins of red hot lava glowing through its body, and two red coals for eyes. It exhales a BLAST OF FLAME at them.

## 185 DIFFERENT

KEVIN

It's a lava monster!

SHERA

Sword to shield!

The sword TRANSFORMS into a shield which deflects the flame.

186 ON LAVA MONSTER

The monster picks up a big boulder and hurls it at them.

187 NEW ANGLE

Shera smashes it with her fist.

SHERA

So you want to play catch!

Shera picks up a HUGE BOULDER and throws it back.

188 DIFFERENT

The monster catches the huge boulder and struggles to hold it up, sinking back into the volcano under its weight. The monster ROARS and disappears back into the crater.

189 NEW ANGLE

SHERA

Quick, before he comes back!

Shera and Kevin disappear into an inky black cave opening.

CUT TO:

190 INT HORROR HALL - INSIDE A DARK TUNNEL

SHERA

Sword to light!

The sword TRANSFORMS into a blazing flashlight. Shera, Kevin and Swifty proceed cautiously down the tunnel.

191 ANGLE IN THE TUNNEL

Shera, Swift Wind, and Kevin pause, confronted by a great wooden door with iron straps and hinges.

SHERA

This is it. Ready, Kevin?

KEVIN

Ready!

SHERA

Sword to battering ram!

192 DIFFERENT

Swift Wind charges the door. CRUNCH! The battering ram smashes the door open.

193 NEW ANGLE

Inside Shadow Weaver's workroom, Shera gallops in on Swift Wind through the broken door. (NOTE: THE RAM IS NOW A SWORD AGAIN.) Shadow Weaver stands near the big bell jar.

SHADOW WEAVER

Welcome to my humble abode! Get her, Leech!

Leech steps out from the side and hurls a black rope around Shera and Swift Wind.

194 ON SHERA AND SWIFT WIND

They slump, suddenly weak, and Shera drops her sword.

SHERA

My strength! It's gone!

195 ON SHADOW WEAVER

SHADOW WEAVER

My magic works every time! It's stronger than Shera!

196 ON DOOR

Kevin suddenly BLASTS in on the jet cycle and swoops by Shera and Swift Wind, grabbing the sword from the ground.

KEVIN

I'll help you, Shera!

197 DIFFERENT

Leech ducks as Kevin zooms over him. Kevin stops the jet cycle and leaps off, runs to Shera, ready to cut the rope with the sword.

SHADOW WEAVER

Halt! I command you! You are still under my power.

198 ON KEVIN

He's frozen in midstride, arm raised to cut the rope.

KEVIN

I can't move!

199 ON SHERA

SHERA  
(weakly)  
Yes, you can, Kevin! Try!

200 ON SHADOW WEAVER

SHADOW WEAVER  
(laughing)  
Nothing can break my spell,  
muscle-brain!

201 ON SHERA

SHERA  
Nothing except the power of good.  
It's always stronger than evil!

202 ON KEVIN

Straining, trying to move.

SHERA (OS)  
Flutterina! Help him!

203 ON FLUTTERINA

Pressed against the glass of the bell jar, frantic.  
FLUTTERINA  
Look at me, Kevin!

204 ON KEVIN

Looking OS.

FLUTTERINA (OS)  
You can do it! Try!

205 WIDER

With an immense effort, Kevin brings the sword against the black rope holding Shera. WHOOSH! The rope is SUCKED into the sword. Shera is free! Kevin tosses the sword to her.

SHERA  
Thanks, Kevin. Now let's give  
'em a taste of their own medicine!

206 NEW ANGLE

Shadow Weaver hurls a FIREBALL at Shera, who knocks it back, using her sword like a bat.

SHERA  
No more games, Shadow Weaver.

Shera gallops over to the bell jar, picks it up, and sets it down over Shadow Weaver, who is running to escape.

SHERA

See how you like being in your own collection!

207 DIFFERENT

Leech pulls down a bank of shelves lining the wall which hold jar after jar of potions, trying to trap Kevin. Kevin jumps out of the way, SPLAT! The shelves collapse down on top of Leech!

208 ANGLE ON SHERA

SHERA

Get Flutterina and follow me,  
Kevin! We're missing the carnival!

Shera gallops through back into the tunnel.

209 DIFFERENT

Kevin leaps on his jet cycle, BLASTS over to Flutterina, grabs her in his arms, and zooms after Shera.

WIPE TO:

210 EXT - CARNIVAL

Kevin is standing watching the carnival action. Shera enters.

SHERA

Well, Kevin, how about that  
talk you and I were going  
to have?

KEVIN

(a pause)

I'm a prince. I ran away  
because I didn't think I'd  
like the responsibility.  
But since I've been with you  
and your friends, and seen  
how you love them...and  
protect them, I know that  
helping others can be the  
best thing of all.

(sighs)

I'd like to go home, but  
how? I don't even know  
how I got here!

SHERA

I was hoping you'd feel that way. I've already asked Madame Razz to send word to your parents.

Suddenly we HEAR A LOUD HUMMING AND SWOOSHING SOUND. Kevin and Shera look up overhead.

211 SHERA AND KEVIN POV

A magnificent hi-tech SPACESHIP hovers overhead. From underneath, a platform detaches itself and floats downward, bearing Kevin's father.

212 ON KEVIN

Totally surprised. KEVIN  
It's my father!

WIPE TO:

213 EXT - OUTSIDE THE CARNIVAL - LATER

The King is ready to leave. Kevin, Flutterina, and Shera stand with him. The King shakes Shera's hand.

KING

I've had a most pleasant visit, Shera. Thank you and most of all thank you for showing our son the power of love.

(turning to Kevin)

I had a hard time finding you, son. We must go now, before the warp gate closes.

214 ON SHERA

Very serious.

SHERA

He's a fine boy and we'll miss him.

215 ON KEVIN

Nodding.

216 NEW ANGLE

KING

Farewell, my new friends!

The King floats up on the platform, waving. Kevin jumps on his jet cycle and BLASTS after him.

KEVIN  
(shouting back)  
I'll be back...someday!  
Goodbye!

217 PAN UP

Kevin and his father enter the ship. With a LOUD HUMMING, the spaceship begins to move up and away.

218 ON SHERA AND FLUTTERINA

From a low angle, we SEE Shera and Flutterina waving goodbye as the big spaceship dwindles away in the distance.

FLUTTERINA  
Goodbye...King Kevin!

Here I am...! In today's adventure,  
Kevin learned how important it is to  
do the things we're supposed to. People  
who don't are called "irresponsible" --  
and that's bad. But those of us who do,  
like homework, or cleaning our room --  
we're called "responsible" -- and that's  
good!
