PROLOGUE

10001 INT SCHOOL CLASSROOM 10001

The 3 new Power Teens & Billy are in class along with Bulk and Skull. Billy is finishing a presentation about the history of television. Atop the teachers desk is an old fashion TV set and a video tape player.

BILLY
And television as we know it was first introduced to the public at the worlds fair over 50 years ago in 1939.

Billy inserts a video tape into the VCR and turns on the television set. INSERT video footage of General Sarnoff introducing Television to the 1939 World's Fair. (Sarnoff's 7 second speech revolves around the importance of the medium to mankind to "someday communicate with greater facility across nations then we can today, across our own towns").

MRS. APPLEBY
That was a wonderful report, Billy. Class, can anyone remember from Billy's report who is known as the father of television?

Bulk raises his hand.

MRS. APPLEBY
Bulk?

BULK
Captain Kangaroo.

MRS. APPLEBY
No, Bulk. Obviously you weren't paying attention.

Mrs. Appleby sees Adam's hand raised; she calls on Adam.

MRS. APPLEBY
Adam.

ADAM
General David Sarnoff..

MRS. APPLEBY
Correct.

(CONTINUED)

10001 CONTINUED: 10001

BULK
Captain, General, what's the difference?

MRS. APPLEBY
Class, today we learned about the power of television as a communcations medium. Tonight, as you all know, the Power Rangers will be on TV to spread their special message about the power of education.

The Power Teens look at each other and smile knowingly.

MRS. APPLEBY
Tomorrow , in class, we will discuss what they had to say and how it affects you personally.

The bell rings.

MRS. APPLEBY
Class dismissed.

The students rush out of the classroom.

10002 INT SCHOOL CORRIDOR 10002

Students are busy putting their books into their lockers. The 4 Power Teens (Billy, Adam, Aisha, Rocky) are gathered at Aisha's locker..

ADAM
Guys, I'm kind of nervous. I've never liked being in front of cameras.

AISHA
Don't worry, Adam, you'll be morphed and no one will ever know who you are, anyway.

ADAM
Yeah, I know, but I still don't like cameras.

ROCKY
C'mon, this is gonna be a blast.

BILLY
And besides it's an incredible opportunity to reach out to a plenitude of kids and teens all over the world, with a very important positive message.

10002 CONTINUED: 10002

Pan to Bulk and Skull at their lockers.

SKULL
Bulky, do you wanna come to my place and watch the show?

BULK
Doofus, we're not going to watch the show; we're going to be the show.

SKULL
Huh?

BULK
Simple, dimwit. We get BACK STAGE on that talk show and when the time is right we unmask those Power Dweebs on National TV. Believe me, we're gonna be rich and famous.

SKULL
Rich..famous.....you mean like Captain Kangaroo?

BULK
It was General Kangaroo, you bozo.

10003 INT. ZED'S PALACE. 10003

Zedd is furious! Squatt Baboo and Goldar are at his side.

ZEDD
So those Star Struck Power Pundits want to send a message to the world...I'll give the world a message they won't forget, when I destroy the Power Rangers.

BABOO
Yes master, you are truly the biggest star in the Universe.

SQUATT
Ohh, is that true? Can I have your autograph, Master.

ZEDD
I'll autograph your blueberry for a brain with this..(Holding up his staff)..if you don't shut up.

10003 CONTINUED: 10003

GOLDAR
Is there anything I can do, master.

ZEDD
Use your frosted brain for a change. Get down there with the Putties and capture the Rangers. In the meantime, I will make my own evil Rangers to take their place on the TV show, and the world will hear my message instead....(Evil laugh)

FTB.

ACT I

10004 EXT PARK-DAY 10004

The 6 Power Teens are walking through the park.

TOMMY
I'm really looking forward to being on The Harvey Garvey show.

KIMBERLY
Yeah, it's such a cool way to spread our message.

ROCKY
You know what? I'm starting like this super hero stuff.

The Teens share a laugh. Then Goldar and the Putties appear.

AISHA
Putties!

ROCKY
Goldar!

TOMMY
C'mon guys, let's cancel these creeps. It's morphin time!

INSERT STANDARD MORPHIN SEQUENCE FOR ALL 6 RANGERS.

The 6 Power Rangers dispatch the Putties.

INSERT JETTING SEQUENCE FOR GOLDAR BATTLE.

BLACK RANGER
Zedd is definitely up to something!

10004 CONTINUED: 10004

BLUE RANGER
I suspect Zordon would contact us if it gets serious.

WHITE RANGER
This show is over. Let's get to the TV station.

They teleport out.

10004A INT.ZEDD'S PALACE 10004A

Zedd is really mad! He is shaking his staff at Goldar, Rabon and Squat.

ZEDD
Ooh, do I have to do everything myself! Now there's no time to create evil Rangers. I'll have to come up with a monster that can destroy those Power Cretins.

10005 TALK SHOW TITLE SEQUENCE 10005

Ala the Gary Shandling show, we cut to a talk show type title sequence with postcard titles and an announcer.

ANNOUNCER (VO)
It's time for the Harvey Garvey show, with today's very special guest stars, the Mighty Morphin' Power Rangers. And now here's Harvey.

10006 INT.TALK SHOW SET MAIN STAGE. 10006

Harvey Garvey, the dignified talk show host runs on to the stage to the roar of the applauding audience. He holds up his hands to quiet the audience.

AUDIENCE (VO)
We want the Power Rangers!

HARVEY GARVEY
Okay, you want 'em; you've got 'em.

An action packed, climatic montage, of Power Rangers battle footage appears on the screen (10sec). Harvey Garvey voices over the montage.

10006 CONTINUED: 10006

HARVEY GARVEY (VO)
You've come to know them as super heroes battling against unbeatable odds.....monsters of all shapes and sizes.....protecting us from the forces of evil.....they are the Ambassadors of Good Will and Brotherly love....and here they are in their first national television appearance as the World Wide Ambassadors of The INTERNATIONAL EDUCATION COUNCIL. Ladies and Gentlemen, Boys and Girls, The Mighty Morphin' Power Rangers.

<u>The audience goes wild (Universal live show stock footage?)</u> . Music cues of Go Go Power Rangers and the Rangers (in costume) flip onto stage in bolts of flashing light and smoke (ala the Universal LIVE stage show). They each do a magnificent martial arts routine (**option choreographed to an original song that promotes the STAY IN SCHOOL THEME**) and then sit down into their guest chairs. The audience is applauding and cheering wildly.

HARVEY GARVEY
Welcome! It's an honor having you all here today.

WHITE RANGER
Harvey, we're here to spread a message to kids all over the world. (Into Camera) "Don't be a fool, stay in school".

The audience cheers.

YELLOW RANGER
Yeah kids, school is cool.

RED RANGER
And it's the only way to get ahead!

HARVEY GARVEY
Great advise, Rangers. (Into camera) We'll be right back with more Power Rangers, after this short commercial break.

Audience WALLA of applause, whistles, joyous screams.

10007 INT. TALK SHOW SET BACK STAGE 10007

We cut to Bulk and Skull hiding behind the curtains. Bulk has Skull do his makeup so he can look good on camera. Camera angle is on the back of Bulk's head as Skull applies the makeup to his face.

10007 CONTINUED: 10007

BULK
More powder, you dolt. I don't want to glow on camera.

CAMERA PANS around Bulk to reveal his face. He is stone cold WHITE. Skull has applied so much makeup that Bulk looks ridiculous.

SKULL
I really think that's got it, Bulky Boy.

CUT TO:

10008 INT. TALK SHOW SET MAIN STAGE 10008

Harvey Garvey continues interviewing the Power Rangers.

HARVEY GARVEY
We're back. Rangers, did staying in school help you become Power Rangers?

BLUE RANGER
Let's put it this way. You can't become a Power Ranger if you don't stay in school.

YELLOW RANGER
And try your best to get good grades.

BLACK RANGER
Our education has really helped us to outsmart Zedd's evil monsters.

WHITE RANGER
Every one of Zedd's monsters has some special skill that requires us to use our heads.

HARVEY GARVEY
Can you give us an example.

PINK RANGER
Sure, I remember when Pudgy Pig was eating everything in sight. The world's food supply was in terrible danger.

Kimberly reminisces....

Insert footage of Pudgy Pig gobbling up food (sc# 607).

He even ate our weapons.

Insert footage of Pudgy Pig eating the Weapons (sc# 610)

10009 INT TALK SHOW SET BACK STAGE 10009

Bulk and Skull are fastening Six (6) taught ropes to a wooden bar. Each of the ropes have a tag with a number on it from 1 to 6. The ropes are taught and stretch upward. They are obviously connected to something atop the set.

BULK
Okay, butterbrain, listen up. When I tell you pull the third rope loose, it will release that sand bag up there which will fall onto the Rangers. Then we rush out on stage and pull off their helmets.

SKULL
Got it.

10010 INT.TALK SHOW SET, MAIN STAGE. 10010

HARVEY GARVEY
What did you do?

BLUE RANGER
We used our heads and figured out that Pudgy couldn't stomach spicy food.

Insert footage of Rangers feeding Pudgy Pig Spicy Radish sandwich which causes him to spit out weapons (sc 622)

PINK RANGER (VO)
So we fed him some spicy radishes. It made him so sick...it was totally gross.....he spit up our weapons. *

RIPPLE DISSOLVE TO:

HARVEY GARVEY
Fantastic!

10011 INT. TALK SHOW SET BACK STAGE 10011

Bulk turns to Skull and signals him to pull the rope.

BULK
Now!

Skull can't remember which of the 6 ropes it was he was supposed to pull.

(CONTINUED)

10011 CONTINUED: 10011

SKULL
Rope two, no three, maybe it's one. Hmmm, eenie meenie miney moe.

Skull pulls rope number 2 and a sand bag comes crashing down on top of Bulk's head. As Bulk rubs his head, he turns to Skull.

BULK
You Dolt!

SKULL
Sorry, Bulk.

BULK
You sit here and watch the Rangers. When the time is right, I'll pull the rope.

Bulk and Skull switch places.

10012 INT TALK SHOW SET MAIN STAGE 10012

The interview with Harvey Garvey continues.

HARVEY GARVEY
Let's talk a little about your amazing karate skills.

RED RANGER
It's another form of education. It takes years of hard work, discipline and practice.

BLACK RANGER
And the very first thing you need to know is that it all starts from right here.

Adam points to his head.

HARVEY GARVEY
Can you show our viewers how you do those incredible flying kicks?

Rocky and Aisha stand and motion Harvey Garvey to join them.

YELLOW RANGER
Mr. Garvey, how 'bout we give you a lesson.

Relucantly, Harvey Garvey stands and joins the two Rangers.

(CONTINUED)

10012 CONTINUED: 10012

RED RANGER
C'mon Harvey, first you stand like this.

YELLOW RANGER
Then put you weight on your back foot...up on your toes, bend you leg, push off and...

Aisha and Rocky do synchronized roundhouse kicks, just inches away from Harvey.

YELLOW RANGER
Okay, your turn.

RED RANGER
Remember Harvey, focus.

HARVEY GARVEY
Well, I am not too sure 'bout this but here goes. Leg back and....

Harvey Garvey takes off into the air, spins around and lands flat on his butt. Harvey is good natured about his pratfall.

OMIT *

OMIT *

OMIT *

Harvey Garvey goes back to his seat and the interview continues. He puts an ice pack to his head.

HARVEY GARVEY
Kids, trust me, don't try that one at home.

WHITE RANGER
With a little more practice, Harvey, you'll get it.

HARVEY GARVEY
Thanks but I think I'll stick to my golf game.

10013 OMIT 10013*

10014 INT TALK SHOW SET BACK STAGE. 10014

Bulk is being signaled by Skull.

(CONTINUED)

10014 CONTINUED: 10014

SKULL
Okay, they're all seated. Pull it!

Bulk reaches for rope number three. He peeks around the curtain before he pulls it in order to see it hit the Rangers. Bulk's hand feels for number three but grabs number two instead. He pulls it and a bag of slime (or feathers, bucket of mud) comes crashing down onto Bulk knocking him out of the chair and onto his back.

BULK
There's got to be an easier way.

10015 INT. TALK SHOW SET MAIN STAGE. 10015

The interview continues.

HARVEY GARVEY
Black Ranger, what's the scariest monster ycu've ever had to face?

BLACK RANGER
Definitely, I'd have to say it's that camera over there.

Adam points to the camera as the other Rangers and the audience laugh.

10016 INT ZEDD'S PALACE 10016

With his laser vision Zedd sees an opportunity.

ZEDD
So you don't like cameras ehh? Well you really wont like this one!!!...(Evil Laugh).

Zedd initiates his Monster routine.

EPILOGUE

10028 INT SCHOOL CLASSROOM-NEXT DAY 10028

Students are in the same seats as they were the day before, including the 4 Power Teens (Billy, Rocky, Aisha and Adam). Bulk and Skull's seats are empty.

MRS. APPLEBY
Class, today we're going to test television's impact and discuss last nights most thrilling event. Students, what did you learn from the Power Rangers?

Many students eagerly raise their hands. Mrs. Appleby points to one of them.

MRS. APPLEBY
Yes, Jonathan.

JONATHAN
Well, if the Power Rangers think school is cool, then so do I.

MRS. APPLEBY
That's wonderful...Aisha, what about you?

Aisha is a little taken back.

AISHA
Um...uh....Mrs. Appleby, they really reached out and touched me.

The other Power Teens smilingly give each other knowing looks.

MRS. APPLEBY
Actually class, they reached out and touched young people all over the world. I'd like to share this fax I received all the way from Switzerland, sent by your friends Jason, Trini and Zack.

(CONTINUED)

10028 CONTINUED: 10028

Mrs. Appleby holds up the fax and reads it.

MRS. APPLEBY
Hi gang, we just want you to know that everyone here at the peace conference, in Geneva, was touched by the Power Rangers message. Education is perhaps the single most important stepping stone to world wide peace. We miss you all.

The students cheer, ANGLE ON the beaming Power Teens.

BILLY
Well, I guess that proves that TV really can help make our world a better place. *

Mrs. Appleby puts the fax down and looks toward Bulk and Skulls empty chairs.

MRS. APPLEBY
Hmmm...Where are Bulk and Skull?

The classroom door bursts open and Bulk and Skull enter. They are dressed like stars, e.g. silk scarfs, sunglasses, a cape for Skull etc. They are each carrying a large autograph book.

BULK
Say babe, we've arrived!

SKULL
Let's do lunch.

BULK
Have your secretary give mine a call.

SKULL
Yeah...now we're big stars. (to a girl in the back row) You want my autograph?

GIRL
Get a life, dweeb!

MRS. APPLEBY
Okay, now that's quite enough. Please take your seats so we can continue class.

MRS. APPLEBY
Yes, Skull, and for being 10 minutes late to class both you and Bulk will be staying in school....In detention.... Every day this week!

The class laughs at Bulk and Skull; the Power Teens join in the laughter.
