13801 INT. YOUTH CENTER - DAY 13801

Adam and Tommy are working out in the Youth Center. Katherine enters carrying an architectural model of a small house, with a brick wall running behind it. She sets it down on a nearby table, and then goes over to Adam and Tommy.

KATHERINE
Just the two guys I was looking for.

ADAM
Hey, Katherine, what's up?

KATHERINE
I have something to show you...

She leads them over to the table and her model. Tommy and Adam marvel at the detailed model.

ADAM
Too cool! Did you make this in your drafting class?

KATHERINE
Yes. It's a design for a house for the Humanity Housing project they're doing in downtown Angel Grove.

TOMMY
Humanity Housing? wonder

KATHERINE
They get volunteers, and donated supplies, and then build low cost housing. They chose my design over all the others in the class.

TOMMY
That's amazing, Katherine!

KATHERINE
The house is basically done. But I need help this weekend finishing off some painting, landscaping, and to repair the wall that runs along the back.

Tommy and Adam look at each other, then smile and nod.

Cool. Count us in.

Katherine takes out a clip board with a list of names.

CAMERA MOVES to Bulk and Skull, in uniform, enjoying a soda break. They don't notice their boss, Lt. Stone walk up behind them.

LT. STONE
Won't your boss be mad that you're not out ticketing cars like your supposed to?

BULK
Nah, Lt. Stone is too busy to...
(He glances at who it is)
Uh, well, uh, hello, sir, we were just taking a break and...

Bulk and Skull smile weakly and salute the Lieutenant.

LT. STONE
I've been looking for you two. The mayor has donated a bunch of building supplies to the Humanity Housing project downtown. I'm supposed to get my best cadets to guard the construction site...

Bulk and Skull smile, and beam proudly.

LT. STONE
...But they were all busy, so I'll have to settle for you two. Get down there, and make sure nothing ends up missing, or you'll be painting the holding cells downtown again, understand?!

BULK
Yes. We won't let you down!

I'll believe that when I see it.

Lt. Stone picks a piece of lint off Bulk's uniform, then readjusts Skull's hat. He exits.

13802 INT. PALACE- DAY 13802

Rita pulls back from her telescope, she's been watching everything that's been going on.

RITA
Ahhh! She started off so evil, and now that Katherine has become such a goody-goody it makes me sick!

RITO
What has she done now, oh evil sis?

RITA
She and her disgustingly cuddly friends are building "houses for the homeless!"

GOLDAR
Can they build a house for your bratty brother? Then he could finally move out!!

Goldar and Zedd both LAUGH.

RITA
Very funny! But Rito's more help to me in getting rid of those power punks than both of you combined.

She turns dramatically, and puts her arm around Rito.

RITA
And I'll prove it! Rito and I will take their little building project and use it to "de-construct" all of Angel Grove!

Rita and Rito laugh as we FADE OUT: END OF PROLOGUE

FADE UP: ACT ONE

13803 INT. YOUTH CENTER - DAY 13803

A group of teens, including Billy, Aisha, Tommy, Adam, and Rocky have gathered in the youth center wearing work clothes. Katherine is addressing the group and using her model house for reference. Katherine is wearing a construction helmet that reads "TEAM LEADER." She has a clip-board where she's writing down all the job assignments.

13803CONTINUED: 13803

KATHERINE
...Good, then Tommy and Rocky will work on the landscaping detail.

Aisha turns to Tommy.

AISHA
I'm impressed -- Katherine has everything planned out.

KATHERINE
O.K., now we need someone to fix up this old wall that runs along the back side of the property.

Aisha looks at Billy and nods.

AISHA
That sounds fun.

Billy raises his hand.

BILLY
Aisha and I would be happy to tackle that wall-building assignment.

KATHERINE
Great! I still don't have any painters, but we'll find somebody. You guys ready?

They all ad-lib that they are.

KATHERINE
Let's go!

They exit as we CUT TO:

13804 INT. PALACE- DAY 13804

Rita pulls away from her telescope, and turns to Rito, Squatt, and Baboo.

RITA
So, they're all set to start their cute little project. Rito, take Squatt and Baboo and keep an eye on them.

RITO
Yes, oh wicked one!

13804CONTINUED: 13804

RITA
And when you spot an opportunity to attack, report back to me.

Rito, Squatt, and Baboo magically disappear...

13805 EXT. BUILDING SITE - DAY 13805

...And reappear in some bushes near the construction site. At the construction site is a finished house. The Teens are working on the landscaping and repairing the brick wall behind the house.

BABOO
Wow, look at them all working away! It's just like watching an ant farm.

SQUATT
Yeah, only bigger.

BABOO
Well yes, of course...

RITO
Be quiet, I can't spy when you two are talking!

WE PAN TO the construction site and see the workers all buzzing around. Katherine is looking over everything as she stands next to Adam. *

KATHERINE
So far, so good. But we've got a long day ahead of us...

This leads into a...

MONTAGE TO MUSIC: The construction process and the power teens helping each other.

A) Tommy and Rocky -- They plant trees and plants. Katherine comes over and directs them.

B) Billy and Aisha -- They're mortaring bricks into the old, five foot high wall that runs in back of the site. (NOTE: It's covered with graffiti and in a bad state of disrepair.) We move to...

C) Bulk and Skull -- Bulk stands near the wheelbarrow filled with mortar that Billy and Aisha are using counting supplies and writing them down on his clipboard. Skull picks up a long board, swing it around, and ala "Laurel and Hardy," knocks Bulk into the wheelbarrow of cement. Skull tries to help him up and falls in as well.

(CONTINUED)

13805CONTINUED: 13805

D) Katherine, Tommy, and Adam -- Katherine holds up a set of blueprints and gives them directions.

E) Pan across the busy work site to see...Bulk (now sort of clean) and Skull asleep at their posts. Katherine walks up with two can's of paint. Bulk and Skull look at each other, shrug, and take the cans of paint.

F) Bulk and Skull paint a section of the brick wall that the teens are fixing -- they're doing a good job. Skull is on a ladder above Bulk painting. He knocks over his can of paint, and TILT DOWN to see it sitting upside down on Bulk.

MONTAGE ENDS ON: The workers looking at their handy work -- the exterior landscaping, and the wall behind the house. Katherine smiles; satisfied.

KATHERINE
Good work today, gang. I think we can call it a day.

ADAM
We're all going over to the Youth Center for a snack, are you coming?

KATHERINE
I want to take some pictures for my scrapbook, then I'll be along.

TOMMY
You sure you'll be all right?

KATHERINE
Don't worry -- Bulk and Skull are here to protect me.

Aisha looks at the paint-splattered, cement-covered guards who are now nodding off.

AISHA
That's a comfort.

The other teens head for the Youth Center for some rest and relaxation, and as they exit, Rito, Squatt, and Baboo pop out of the bushes and smile.

RITO
While the power punks are away, Rito will play...

13806 INT. PALACE- DAY 13806

Rito reports back to his sister.

RITO
They've left for the day, oh evil sister. Only Katherine has stayed behind.

RITA
Better than I could have hoped! Now that Katherine's trapped, I'll turn her evil again! Lead the Tengas in an attack, and trash the place, brother!

RITO
With pleasure!

13807 EXT. BUILDING SITE- DAY 13807

As Bulk and Skull sit at their posts on the construction site, nodding off, the Tengas and Rito appear all around. Rito taps Bulk and Skull on the shoulder.

RITO
Surprise! We've come to help!

Bulk and Skull open their eyes, and are terrified. They run and hide. As Katherine comes out to see what the commotion is, the Tengas attack. They start to rip out bushes, etc.

KATHERINE
No! You can't do this!

RITO
We're the clean-up crew -- we're here to clean you out!

KATHERINE
Ninja Ranger power, now!

STANDARD PINK NINJA TRANSFORMATION

As she fights, Katherine calls Zordon using her communicator.

PINK NINJA
Zordon, Rito and the Tengas have attacked the construction site!

ZORDON (VO)
I'll alert the other Rangers, Katherine.

13808 EXT. ERNIE'S CAFE - DAY 13808

The power teens, minus Katherine, are having a bite to eat when the communicators go off.

TOMMY
This is Tommy. We read you.

ZORDON (VO)
Tommy, you and the other Rangers must teleport to the construction site immediately. Katherine is under attack.

TOMMY
We're on our way. Let's get going. Ninja Ranger Power now!

13810 EXT. CONSTRUCTION SITE- DAY 13810

The Ninjas rush into the fray to help Katherine.

PINK NINJA
Good to see you guys again.

WHITE NINJA
Okay, time to engineer a defeat for Rito and his beak brains.

TENGA FIGHT. The Ninjas begin to defeat the Tengas and Rito.

RITO
Uh-oh, we're in trouble.

13811 INT. PALACE- DAY 13811

They're monitoring the action.

ZEDD
Looks like your brother has blown it again. Now what, oh you with the grandiose plans?

RITA
Ooooh! I'll show that Katherine! One shot from me and she'll be evil again!

She fires off a bolt from her staff.

13812 EXT. CONSTRUCTION SITE - DAY 13812

The magical bolt snakes toward Katherine, but she leaps out of the way.

PINK NINJA
Ahhh! That was close!

The bolt strikes the brick wall that was being rebuilt earlier (Note: it hasn't been repainted and still has graffiti on it.) Rita's magic brings a section of the wall to life!

BRICK BULLY
Arghhhhh!

It advances towards the Ninjas to help the Tengas and Rito.

RED NINJA
Look!

YELLOW NINJA
We're about to get hit by...the wall!

It knocks the Ninjas over and sends them flying! He tosses out bricks that explode all around the Ninjas! The Ninjas regroup.

PINK NINJA
That Brick Bully is too much!

WHITE NINJA
You're right, Kat. It's morphin' time!

BRICK BULLY
Now I have time for...lunch!

13814 INT. COMMAND CENTER- DAY 13814

Katherine and Billy, with their helmets off, materialize in the Command Center. They drop the Red, Yellow, White, and Black bricks on one of the consoles.

ALPHA
The Power Rangers have been turned into...Bricks! Ayiyiyiyi!

ZORDON
Alpha, run a diagnostic test immediately. We must find a way to free them.

Katherine is distraught.

KATHERINE
This is terrible. It's all my fault.

ZORDON
Katherine, you must keep a positive mental attitude. It is only a matter of time before the Brick Bully attacks down town Angel Grove. You will need all your focus if you are to defend the city successfully.

KATHERINE
You're right, Zordon. I'm sorry.

ZORDON
What have you learned, Alpha?

Alpha has one of the bricks connected to some equipment in the Command Center.

13814CONTINUED: 13814

ALPHA
It appears as if the Brick Bully has miniaturized the other Rangers and encased them each inside a real brick!

ZORDON
If we can find a way to get through the bricks without hurting the Rangers inside, we can restore them to normal.

Billy and Katherine glance at each other.

BILLY
Perhaps erosion is the key: we should look to the natural processes that cause buildings, and building materials, to break down and decay.

KATHERINE
Yes. We studied about this in my architecture class. Let's see there's wind, sun, pollution, and...pollution! Bricks are very susceptible to pollution.

ZORDON
Good thinking, Rangers.

KATHERINE
Alpha, Billy; can you help me build some sort of simulated pollution chamber that would break down the bricks?

BILLY
Sure, we could...

Suddenly, the monster alarm rings.

ZORDON
As I feared, Rita has turned the Brick Bully loose! And by feeding on building supplies, it's become even more powerful. Behold the Viewing Globe.

They turn to the Viewing Globe.

The Brick Bully eats building supplies and turns into his wilder incarnation. Footage of the Brick Bully (Second, wilder costume) (01:16:50) Billy turns to Katherine.

BILLY
Oh, no. We have to try and stop him. I'll go, you work with Alpha to free the others.

ZORDON
Be careful, Billy.

Billy teleports off to fight him.

13815 EXT. BUILDING SITE- DAY 13815*

The Blue Power Ranger appears to fight the Brick Bully (Costume #2), who is ransacking a pile of building supplies and eating them.

BLUE RANGER
Okay wall, time to come tumbling down!

BRICK BULLY
Sorry, wrong: it's time for you to get bricked!

The Brick Bully's voice is now more frightening and menacing. The Blue Ranger and the Brick Bully fight. The Brick Bully is strong.

BLUE RANGER
I have to lure him away from those building supplies; by consuming them, he grows stronger. Hey, Mr. geometric construct, follow me!

Blue Ranger runs off, and the Brick Bully follows.

BRICK BULLY
Running away, fraidy cat? I'll fence you in!

13816 EXT. CONSTRUCTION SITE - DAY 13816

Bulk and Skull wander back to the construction site and shake their heads at the devastation: it's a mess.

BULK
I wonder how we'll ever explain this?

LT. STONE
That's the same question I had. The supplies have been ransacked! There's even a wall missing!

Lt. Stone has come up right behind them.

13816CONTINUED: 13816

BULK
Um, sir, we were attacked by monsters...

SKULL
Yeah, and big bird-things...

BULK
They were huge, and they had nasty, flapping claws, and...

LT. STONE
Enough! I don't care what you have to do, but get the building supplies that are gone back here!

13817 EXT. STREET - DAY 13817*

Bulk and Skull look for the building supplies. Suddenly, Skull sees something, and taps Bulk.

SKULL
I think we found that missing wall!

BULK
How do we tell Lt. Stone that it just...walked off!

We see that the Brick Bully is pummeling the Blue Ranger! Bulk and Skull sneak closer through the bushes to get a good view.

SKULL
How're we gonna get it back?

BULK
How'd that wall turn into a monster?

Rito pops up behind them in the underbrush.

RITO
My sister did it! Pretty neat, huh?

BULK AND SKULL
Ahhhhh! Run away!

They run off again, falling all over themselves to get away. Meanwhile the Blue Ranger is getting pummeled by the Brick Bully.

BRICK BULLY
I'm gonna brick you up just like your "powerless" Ranger pals!

The Blue Ranger rolls out of the way as the wall tries to blast him with a magic bolt! Suddenly, the Brick Bully staggers.

BRICK BULLY
What's happening...I feel...so...strange!

BLUE RANGER
It worked! Without his supply of food, he's growing weaker!

The Blue Ranger now turns the tables and starts pummeling the wall.

BRICK BULLY
I'm...so...weak!

13818 INT. PALACE- DAY 13818

Rita is monitoring the fight.

Rita shoots down her magic.

ZEDD
I told you your brother would mess up anything he was involved with.

GOLDAR
Yeah, he's...thick as a brick!

Goldar laughs.

RITO
I am not! Tell them sister! Tell them I'm a good bad guy! We did wreck their little project.

Rita turns angrily to Rito.

RITA
Yeah, but now they'll just rebuild it! You're all just a bunch of whining, crying losers!

EPILOGUE

13823 EXT. CONSTRUCTION SITE- DAY 13823

The project has been completed, and Katherine is to receive an award from the Mayor for her work on the project. She and all the power teens -- Tommy, Aisha, Adam, Rocky, and Billy -- along with the other volunteers are standing around in front of the finished house and the repaired wall waiting for the Mayor to arrive.

TOMMY
You did a wonderful job, Katherine, it looks great.

BILLY
Yes, it's an exceptional design. You really deserve the special recognition award the mayor is going to give you.

KATHERINE
We all earned the award. I couldn't have done any of it without your help. We've shown that we can all work together to help stop homelessness.

Lt. Stone arrives.

LT. STONE
I thought I'd be late. Why hasn't the ceremony started yet?

ROCKY
We're still waiting for the Mayor.

LT. STONE
That's funny. The mayor planned to come down early and check out the whole project. I wonder what happened...

Bulk and Skull appear, pushing in front of them a well-dressed middle-aged woman in a suit. Bulk and Skull are smiling: very self-satisfied.

BULK

BULK
But she couldn't get by us, Lieutenant, no sir. We're too smart for that.

Lt. Stone is so angry he can't speak.

SKULL
She even said she was the mayor! You believe that?!!!

Bulk and Skull laugh. Lt. Stone's head is about to pop.

LT. STONE
That's because she IS the mayor! You...you...brick heads!

Bulk and Skull look at each other, realizing what they've done; immediately they start dusting off the Mayor, and trying to apologize.

BULK AND SKULL
We...gosh, we're sorry, sir, uh ma'am, uh, miss mayor, I mean Ms. Mayor...

Lt. Stone grabs them both and starts running them off the building site.

LT. STONE
You're going to be washing the mayor's car for five years! Then you're going to wash my car for five years! Then, you're going to...wash all the cars in Angel Grove....!

As they exit the mayor walks up to Katherine, who, along with the other Power Teens, is smiling at Bulk and Skull's antics. The Mayor shakes her hand.

MAYOR
